## REBELS OF THE UNIVERSE.

Once we were free, roaming through  
time and space  
shining in cosmic grace, touching  
the sun.

Nothing to fear, Masters of destiny,  
that's what we used to be, you and I.  
But when KARMA called, we were meant  
to fall, cause we didn't obey THE LAW.  
REBELS OF THE UNIVERSE, REBELS OF  
THE UNIVERSE

THAT'S WHAT WE ARE  
REBELS OF THE UNIVERSE, REBELS  
OF THE UNIVERSE, WE'VE GONE TOO  
FAR.

We pay the price, fighting in dignity,  
one day we shall be free  
you and I

Life after life, we shall return again,  
until we understand, who we are  
REBELS OF THE UNIVERSE, REBELS  
OF THE UNIVERSE THAT'S WHAT WE ARE  
REBELS OF THE UNIVERSE, REBELS OF  
THE UNIVERSE, WE'VE GONE TOO FAR,  
TOO FAR...

### Questions and answers.

- Can we find THE WAR IN HEAVEN, as described in THE BOOK OF LIGHT, in other scriptures too?
- YES, in veiled form in BOOK II, and also REVELATIONS chap. XII. THE BRĀHMANAS too write about THE WAR IN HEAVEN.
- Why do they contradict each other [the BRĀHMANAS]?
- Different versions of some subjects are often used purposely as bluffs, in order to survive copy, forgery or even DESTRUCTION by RELIGION.
- Does WAR IN HEAVEN in the other scriptures always mean war between ANGELS?
- No, often struggles of cosmical and astronomical adjustment were meant.
- What about THE FALL OF THE ANGELS?
- ONE interpretation is: MICHAEL and his angels fighting against THE DRAGON.
- A real dragon?
- No, it has to do with THE FAILURE OF THE LORDS OF LIGHT. They ALL failed to "create" Man or to furnish him with HIS PRINCIPLES.
- This failure is described in THE BOOK OF LIGHT. Where else?
- In the scriptures of THE NABARENES, for instance, BAHAK-ZEVO [Father of THE GENII] fails to create

\* Portion of THE VEDAS. Treatises in prose about rituals and forms of religious worship [and their interpretations].

-430b-

creatures, calls FETAHIL [a greater spirit] to help him, but FETAHIL FAILS TOO.

- Who was "the body guard of JEHOUAH" in this war?
- Michael, as mentioned by some renowned writers of THE LATIN CHURCH. But the true meaning of THIS war, was not THE WAR IN HEAVEN but THE WAR BETWEEN TITANS ON EARTH. In that sense MICHAEL WAS ALSO A DIVINE TITAN. Often THE SAME WRITINGS refer to DIFFERENT EVENTS in HEAVEN AND ON EARTH. ONLY THE BOOK OF LIGHT can lead you safely through that Labyrinth of LEGEND and TRUTH.
- Is that, why these different scriptures often confuse JEHOUAH with SATURN, and MICHAEL and his army with SATAN AND THE REBELLIOUS ANGELS?
- Yes, and also because RELIGION SAW [and sees] in every pagan GOD a DEVIL.
- Why did the Angels rebel?
- Because THEY were destined to LEAVE the SUPERSPIRITUAL SPHERES [Seven Circles] and to be born into THE PHENOMENAL WORLD, veiled by MĀYA and... TIME.
- Now I understand! THAT is, why in the allegory they REBELLED AGAINST KRONOS.
- Yes, KRONOS is TIME, but IMMOVABLE and

ABSOLUTE TIME, with NO BEGINNING and NO END, BEYOND divided time and Space. They [the Angels] did not want to LEAVE this ETERNAL BLISS. THAT is, why they REBELLED.

- Why does KRONOS in the GREEK LEGEND mutilate his own father URANUS?
- Nothing immoral is meant by this, as even some ORIENTALISTS think. When KRONOS mutilates URANUS it simply means: ABSOLUTE TIME [KRONOS] becomes FINITE, or DIVIDED, or MEASURABLE TIME [URANUS].
- Is the war in HEAVEN also described in the TĀKĀMĀYA?
- Yes, from the Cosmological AND Astronomical point of view. The biographies of all planets, gods and rulers can be found in the TĀKĀKA - MĀYA. USANAS, friend of SOMA has an enemy, called BRĪHASPATI whose WIFE TĀVAKA had been kidnapped and raped by SOMA, resulting in BUDHA. Fit in the right planets and you lift one veil as to their adjustment in the cosmic struggle. Ov: USANAS is VENUS, SOMA is THE MOON, BRĪHASPATI is JUPITER, BUDHA is WISDOM but also MERCURY. Later CHRISTIAN THEOLOGY copied all these events and made the confusion [intentionally AND

unintentionally] worse.

- So THE REBELS are in truth OUR SAVIORS?
- Yes. The TWO OPPOSITES - SPIRIT and MATTER - can only be UNITED by MIND. Otherwise thousands of incarnations would have to be taken almost UNCONSCIOUSLY by THE MONAD almost in a DREAMLIKE state, unless aided by MIND, or THE MĀNĀSA PUTRAS. This is the truth about "THE FALLEN ANGELS", now fully revealed in THE BOOK OF LIGHT.
- Is THE WAR IN HEAVEN also mentioned in THE KABALA?
- Still veiled or ESOTERIC, the Kabala teaches that ONE THIRD of the divine CHAKRAS and ASTRONOMICALLY ONE THIRD OF THE STARS were THROWN from the HEAVENS.
- What is FACT and what ALLEGORY?
- ① is an ALLEGORY and ② a FACT. Yet ① has to do with US or HUMANITY, meaning MIND incarnating into SPIRIT - MATTER.
- Could we say that THE WHOLE OF CREATION was a RESULT OF THE WAR IN HEAVEN?
- That is what THE ROSICRUCIANS teach.
- Is that statement correct?
- yes, but it shall [in its true meaning] always be a MYSTERY. AUM.

By now the student's brain must be BOILING. So let us reestablish and cement the doctrine of the Mānasa-putras and their function on Moon and Earth. Because: THE BOOK OF LIGHT has to be taken LITERALLY and not as a kind of New Age Science Fiction.

Most of us NOW [20th century] and also 18,000,000 years and more ago when the bodies or forms [rūpas] were more ASTRAL than physical, most of us were Clouds AND the ANIMAL MONADS of MEN from THE MOON who had become DHYĀN CHOHANS during the last or 7th Round on the Moon. We, or most of us, were Animal Monads of Moon-men. Animal Monads but NOT ANIMALS, because every DHYĀN CHOHAN has an ANIMAL aspect or part in him, but this animal part or animal MONAD is so HIGHLY EVOLVED that it is just perfect and destined to become HUMANITY on the next chain. And that is the situation right now and was the situation 18 million and more years ago, we are the animal Monads of Moon men. And the animal Monads in us now shall cause a HUMAN BEING on the next chain. We are the animal monads of Moon Men who became Dhyān Chohans during the 7th Moon Round. Unfortunately many of these Dhyān Chohans, whose karmic duty it was to give us MIND or simply to reunite with us on this Earth Chain, hesitated. The reason for that hesitation is given throughout the Book of Light. Why they eventually gave us MIND it was almost too late and the result of their hesitation can be seen in the disastrous situation of today on Earth [wars, diseases, corruption, pollution, etc.]. And who were those of the Astral Races who received MIND almost IMMEDIATELY? They were and are the Animal Monads of HIGHER evolved MOON MEN or better of BEINGS who were already DHYĀN CHOHANS during

\* Each human being has animal Monads too. They constitute his Will and Part.

all Rounds on the Moon [But See page 701, Vol III, Ruckey Intermission]. These higher evolved Dhyān Chohans sought out the animal monads, who thru of course had the humanity [a small selected part of it] on EARTH. The higher evolved Chohans did not wait like the others until the Astral and later dense vehicle [or creature] would be tainted too much with the desires of the flesh. They [the Chohans] gave MIND [or THEMSELVES] much earlier than those who hesitated, and consequently it was easy for them to dominate their physical bodies or, truly, TEMPLES OF GOD. MIND ruled over MATTER. AUM. And our Animal Monads in us NOW? The ANIMAL MONADS, not the ANIMALS, mind you! The Kāma or Animal part in us now, or our ANIMAL MONADS, shall be [or CAUSE] a human being on another chain. And the then evolved mental part in us shall enlighten that human being on the other chain. That is our KARMIC DUTY. We shall be or become THE MĀNASAPUTRAS of our own Animal Monads, and to a certain extent we ARE already the Mānasa-putras of our animal Monads. Oh Lancelo, the more you have control over your Animal Nature now, the less you suffer on another chain. AUM.

Thus, at the end of our seventh Round on this Earth Chain, we shall become [hopefully] Dhyān-Chohans. Then we shall be the mānasa-putras to the humanity of the next round who are now our Animal Monads [or those Monads in us forming our Kāma Rūpa].

\* In order to make it clear that the animal monad in human is not an animal, we could also use the term HUMAN animal monad [the sentence in question marks is quoted from previous].

\* not necessarily on the chain evolving out of the EARTH-CHAIN.

But there is one more, and may be the most important reason, why there was a separation of SEXES, why we are men and women, and that reason is: MIND. And when I say MIND, I mean UNIVERSAL MIND, or MAHAT, as well as human mind or MANAS. And the moment MAHAT and MANAS incarnated [be it as sparks or completely] it actually CREATED, or better CAUSED, duality in EVERYTHING, and everything that was ONE became TWO. The animals separated FIRST, etc. And it was, by the way, MAN that turned the once holy act of procreation into sex and not the beast. Animals know when to have sex and why, and if even animals sometimes show abnormal behaviour it is just, because there is NO SEPARATION OF SEXES, and the perversion of MAN influences EVERYTHING from atom - molecule - mineral - plant - up to animal! And we dare to call the abuse of sexual power BESTIAL!! All those, who practice KUNDALINI-YOGA for the purpose of having a "better sex life" are simply BLACK MAGICIANS or their ignorant victims. But IGNORANCE is neither bliss, nor does it prevent you from suffering. KARMA is a PERFECT BOOKKEEPER. ONE DAY duality shall end and we all will be ONE again. How can we accelerate that process? VERY EASY - we have to direct Manas or Mind UPWARD towards the SPIRIT, instead of DOWNWARD into water-

\* ONE time a year. The rest of the time the sexes are NEUTRALIZED.

rial world, where we are constantly cheated by our senses. SIMPLICITY is the goal, oh reader. SIMPLICITY OF MIND opens the GATES to Heaven. YOUR SPIRIT is IMMORTAL and SEXLESS. IT WAS NO GENDER, which means sooner or later after many incarnations as man and woman we will become ANDROGYNE again. RISE above SEX and its ABUSE, and all fears shall fall from you like a ripe fruit, and you will become what you already are - an immortal SPIRIT. AUM to the CAUSELESS CAUSE. AUM.

BUT, oh MAHACHOHAN, if MANAS caused separation of the SEXES, why then did the animals separate first, since they had no mind?

- Because of MAHAT, or UNIVERSAL mind, oh Lahoo. MAHAT itself is dual. A UNIVERSAL impulse is like a huge cosmic tidal wave EVERYTHING [visible AND invisible] thus ANTICIPATING DUALITY. This HOOPS from downward upwards and it can't be any way else. Therefore the animals separated FIRST, caused by, though in them yet slumbering, input of UNIVERSAL MIND or MAHAT. Mind says "me-you" and creates all that turmoil. Some of the greatest ESOTERIC thinkers sometimes make the mistake to assume that it was MAN, who separated first. However, the separation of sexes in itself was no "sin", but planned by nature. It was human mind that turned

\* For instance: DR. DE FURUKAWA, "SPIRITS IN HUMAN PHYSIOLOGY" page 226 under: "SEPARATION OF SEXES".  
\*\* better: some of the MANASAPUTRAS \*BY ANDROGYNOUS.

the once HOLY ACT OF PROCREATION into mass of Kundalini, which is: Sex for the purpose of SEX. And, furthermore, sexual procreation was, at least for man, not necessarily planned by nature, as we can clearly see with those babies, who created or procreated by willpower or KRIYASAKTI. And it was also HUMAN MIND, which, after separation of the sexes, was and is mainly responsible for the fact, that animals became wild and hostile towards each other. Truly there was a time when "the lamb and the lion laid together". These words having, by the way, also a highly scientific significance, concerning the "crone-mom" structure of CHAOS or MULAPRAKRITTI, the rootless root of all MATTER, as PARABRAHMAN is the rootless root of all SPIRIT. They, oh Lahoo, are the TRUE CAUSE OF DUALITY at each rebirthing of PARABRAHMAN, which is: THE EVER TO BE UNKNOWN. When PARABRAHMAN re-embodies, its SAKTI, which is a veil called MJALANAKRITTI, is already the DUAL aspect of PARABRAHMAN. Meditate about THAT, oh Lahoo!

How can we end that duality and become ONE again? Very easy. We have to direct MIND UPWARD towards the SPIRIT, which is unity, instead of yielding constantly to our senses. The word of the reus is DEATH, DECAY and FEAR. Only the SPIRIT, your SPIRIT, is IMMORTAL and SEXLESS - it has NO GENDER. MIND creates the illusion of the difference. BUT THEN the lamb and lion were not lamb and lion as we know them today.

first sexes, and MIND shall liberate you again from this illusion, which weaves, that sooner or later after many incarnations as man and woman you will be ANDROGYNE, or man-woman, again. RISE above SEX and its ABUSE, and all fear shall fall off from you like a ripe fruit, and you will eventually become, what you already are - an IMMORTAL SPIRIT. AUM. Behold - another Secret: ONLY MAHAT, though latent dual, knows about the UNITY OF EVERYTHING. That is why those, who received the FULL MANAS from the MANASAPUTRAS, did not even need SEX in order to multiply. They used... MIND, or KRIYASAKTI. But those, who received but a spark, or even NONE, HAD to unite their forms, which is no "sin" at all. Fact is, that those who received MIND too late, had sex for other reasons than to procreate. They... misused the feeling of an orgasm [which is simply the joy of the spirit at creation] for their own pleasure, thus depriving themselves of the joy of the SPIRIT, which can be felt in the flesh. If we only would transform KUNDALINI UPWARDS instead of constantly DOWNWARDS, PARABRAHMAN and MULAPRAKRITTI ARE ONE. There is in truth no such thing as SPIRIT AND MATTER. EVERYTHING IS SPIRIT, NOTHING IS MATTER. Matter is an illusion, and we can overcome this illusion, we can lift the veil through STUDY and MEDITATION. STUDY and MEDITATION are like PARABRAHMAN and MJALANAKRITTI, like MAN and woman, like SPIRIT and matter. In their true nature they are ONE AUM.

\* Then it is SAMADHI, and a falling stroke, than a thousand creations in one second.  
\* THAT is the true ESOTERIC meaning of the 5th verse of the FIVE FIRST VERSES [Gospel]. "And the light shined in the shadow" [Corner taught] or: SPIRIT in the human body, "and the shadow took it not up" or: MIND was not yet given.  
\* "Down here". UP THERE there is no creation or creator. THE HIGHEST IS UN-BOUNDED.

# FIRE

Now that the atmosphere attained more structure, the action of the RAJA-DEVAS could [and can] be seen by, what we call, LIGHTNING. A DEVA'S work or ACTION in [to us] INVISIBLE REALMS, results down here in: EARTH, WIND, FIRE and WATER, or, when ordered by the KARMA DEVAS, in EARTH QUAKES, TORNADOS, LIGHTNING and FLOODS. Since the PURITY [Satya] HAD GONE, there was no more ETERNAL SPRING on Earth. The SEASONS appeared, caused by the FOUR KARMA DEVAS - SPRING - SUMMER - AUTUMN - WINTER. MAN could not live any longer just in his "coats of skin". He needed to cover his BODY and to WORK FOR HIS LIVING. The DEVAS came down on Earth and...

### DIVISION OF THE CIRCLE INTO 360°

At the time when the ANGELS taught MAN - KIND everything [Arts, Science, etc.], EARTH needed 360 days [and nights] to surround the SUN ONE TIME. 360 days and nights, or UNITS per circumambulation. Therefore a year THEN was divided into 360 days and nights. TO PRESERVE that secret knowledge, THE INITIATES divided THE CIRCLE into 360 points, cogs, degrees, etc. The EARTH'S ROTATION THEN was faster than it is now. Thus THE CIRCLE is truly THE WHEEL OF TIME. THEN [less than 14,000,000 years ago] Earth moved [caused by its Angel JEHOVAH] faster around THE SUN and consequently needed less time, namely 360 days and nights per circulation, lowering its speed throughout the ages from 360 days per circumambulation, to 361 to 362, 363, 364, 365 1/4 days. THIS and a future tilting of the EARTH'S axis shall change THE FACE OF THE EARTH. Old continents and seas shall disappear, NEW ones will rise out of the waters.

-Why, oh Mahāchohan, does Jehovah move with different speed. Isn't that disobedience to FATHER SUN, or BRAHMA? No, oh Lanoo,

-440b-

The cosmic Law orders JEHOVAH to move with a speed of 360 UNITS, or DAYS and NIGHTS, ONE time around the SUN. But JEHOVAH has, like you and I, a free [cosmic] will of its own. Thus his speed varies from approximately 356 days [and nights] per year to 365 1/4 per year around THE SUN. Thus Jehovah creates KARMA for itself, its body [the Earth] and its creatures [US].\*

-Is that, why THE CIRCLE symbolizes perfection which shall never be reached?

-AUM. And that is also why everything moves in ELLIPTICAL MOTION and NOT circular.

-Everywhere?

-NO. On THE ABSTRACT PLANE the ARCHETYPES of THE PLANETS move in PERFECT circular motion and orbits. AUM to wisdom and knowledge.

-But when the EARTH'S orbital AND rotational speed changed, how does that fit into THE COSMIC FORMULA, declaring TIME PERIODS exact to the year?

-See them strictly as UNITS, no matter if the year had 365 1/4 days or less, or the day 24 hours or MORE or LESS. There you have the key. AUM.

\*AND of course for Stone, plant, animal, and... ANGEL.

Some of the angels [KAMA-DEVAS] enjoyed the power over man and often misused it, by trying to force man to do, what was not always according to THE LAW. **EVERYTHING** in the universe makes KARMA, oh Lanoo, from the smallest particle of matter, up to stone, plant, animal, man and even angels and even up to the CENTRAL SUN, the abstract center of this universe, because wherever

**MORE THAN A MILLION YEARS LATER...**

Third race man reaches now its densest state of matter. There are races, whose bodies were made completely out of BRONZE. Their houses and weapons were made of Bronze too. Shells and crustaceans were still SOFT. Oh Lanoo, study THE LAW and understand: There were soft stones, that hardened and hard plants, that softened. AUM.

New masses descended out of celestial regions, incarnating in vehicles more and more perfect and defined in stature and mind [into the progeny of gods and human females as well].

The FOURTH race appeared, the THIRD RACE slowly diminished...

What WAS their religion? They had none oh Lanoo, because they did not need to BELIEVE, they KNEW. Their "THIRD EYE" was still functioning. They saw the angels and spirits walking amongst them. And all of the 3rd and 4th race men felt the EVER TO BE UNKNOWN

in themselves. Their complexion [beginning of the 4th RACE] changed into RED-YELLOW. Behold, oh Lanoo, a THIRD RACE MAN [7th Sub-race] built of BRONZE.

Oh Lanoo, Man was never made in God's image. THE ANGELS were made in God's image and after his likeness. But we, as physical bodies, are God's HIGHEST expression on the LOWEST [material] plane.

There are two kind of humans towards the end of THE THIRD RACE: a) THE SONS OF WILL AND YOGA, those into which some of the SATURN ANGELS had incarnated FIRST, communicated through THOUGHT-POWER. b) Behold the FINAL form of the THIRD RACE humanity, male and female, of YELLOW-GOLDEN complexion. AUM.

\* but all in all SEVEN GROUPS as we shall learn later in THE BOOK OF LIGHT. \* in reality there is no FINAL FORM, oh Lanoo. Once "perfection" is reached, SIVA destroys the FORM in order to make place for HIGHER VERTICES OF CONSCIOUSNESS. [which is, for instance, why the DINOSAURS disappeared].

-444a-

ABOUT 10,000,000 YEARS AGO.  
THE BIRTH OF ALL SEXUALLY TRANSMITTED DISEASES AND OF HOMOSEXUALITY

Oh Lanoo, we are now paying for sins committed during the Lemurian Epoch. Then the Germs of all so called social diseases were created. It is because of the abuse of sex millions of years ago. Or: Having abused the sacred fire of Kundalini for pleasure instead of solely for the creation of new life during the periods of procreation, the THIRD RACE FELL after separation of the sexes into sin and immorality. Billions of Lemurians died because of sexually caused diseases. Their thirty to forty feet high bodies were buried, and soiled throughout millions of years the MINERAL aspect of this planet. The Master Djwhal Khul writes: "In those days so urgent was the sexual appetite, the normal process of human intercourse did not satisfy the insatiable desire of the advanced man of the [Lemur-

-444b-

ian] epoch."  
This hunger for sex-life led to increasing sexual perversion, included bestiality, necrophilism\* and eventually homosexuality. It is the reincarnations of these Egos who now [20th cent.] still yield to a homosexual life. Again I quote the Master: "Homosexuality is what you call a left over from the sexual excesses of Lemurian times."  
Thus was born what we could call nowadays IMITATIVE HOMOSEXUALITY, where children copied their parents out of curiosity and therefore became themselves homosexual. Many of our Sodomites and Lesbians are IMITATIVE HOMOSEXUALS. The Germ for HOMOSEXUALITY is manifested mainly in the PHYSICAL BODY. Oh Lanoo, do not worship anything that has shape or form. AUM.

...DAVID KILLS GOLIATH. It is simply THE LATER THIRD RACE [DAVID] following the EARLIER THIRD RACE [GOLIATH]. But it is also an ALLUSION to the GIANTS of the FOURTH ATLANTIC RACE [GOLIATH], shrinking in size and making room to the smaller ARIYANS. And Odysseus killing the Cyclops has the same significance, namely, for instance, the TWO EYED Lemurians [Odysseus] appearing AFTER the ONE EYED GIANTS [CYCLOPS]. It is, and was, ALWAYS just meant SYMBOLICALLY.

-451-

As there is [was] WAR and PEACE in HEAVEN, there is [was] WAR and PEACE on EARTH. Those of the THIRD RACE in whom the SATURN-ANGELS had incarnated completely, enjoyed the PERFECT LIFE provided by KRİYĀŚAKTI, the power to create by will. THE THIRD RACE did not "work", they CREATED. When a THIRD RACE MAN, woman or child wanted to swim, they just turned into a fish or any other water animal.

249

If he wanted to swim in a warm pool he just CREATED it. When he needed a house, or clothes, or food, he just CREATED it. He [third race man] never created more, than he actually needed and never hurt any other creature with those. But behold later the MISUSE of that power until today. Why are we still reading about THE THIRD RACE when I mention a couple of pages ago THE FOURTH RACE? Because the RACES overlap.

-452-

250

creations. It is a blessing, that mankind mostly has lost its power of KRİYĀŚAKTI, oh Lahoo. Imagine all those evil thoughts that dwell in man nowadays would become reality. The whole UNIVERSE would be destroyed in A SECOND. Be pure, be simple, be innocent. Be HARMLESS, oh Lahoo, and the power of KRİYĀŚAKTI shall come back to you. Behold, a THIRD RACE creature, turning himself into a bird, experiencing the joy of flying.

Whenever a [highly developed] third race man wanted to experience the TRUE NATURE of a creature, he BECAME that creature, without losing his OWN individuality. For example, a THIRD-RACE MAN, who wanted to experience the mine-

-453-

251

ral state simply became [or transformed into] a stone.

All this changing of forms by willpower is, what they [later] call, METAMORPHOSIS, oh Lahoo. Why could they [THIRD RACE] do that and how? - Because of the fact that the monad [Spirit-soul] reacts on its environment as stone, plant, animal AND man. The form is INHERENT. It just has to be reawakened by THE WILL. At this point I want to emphasize that in reality there is NO DIFFERENCE between a stone - plant - animal - or [and] man, monad or even a "GOD". What makes the MONAD being a stone - plant - animal - man and eventually "GOD" is ONLY its ORDER OF APPEARANCE →

→ out of BRAHMAN and its SEVEN RAYS, and later out of BRAHMA and ITS SEVEN RAYS. This succession is caused by THE UNIVERSAL KARMA, which forces even BRAHMAN [as water] to appear. So the FIRST MONAD to appear, had to PREPARE the environment, which only can happen in STEPS resulting FIRST in STONES, but NOT STONES as we know them NOW, but SOFT stones [that harden], and HARD plants [that soften]. A monad is a MONAD. Nothing but bliss, bliss, bliss, being crucified [later] in FORM. Therefore: THE HIGHEST IS IN EVERYTHING, BUT NOT EVERYTHING IS AWAKE OF IT. Once that happens, THE UNIVERSAL MIND WITHDRAWS and the whole UNIVERSE [then of no more necessity] shall disappear. AUM.

So you see, Oh Lawoo, you can be whatever you want to be, just use KRIYASAKTI. But BEWARE of BLACK MAGIC! NO AUM to THE BROTHERS OF SHADOW! [Further explanation next page.] Those who did not have the spark [of consciousness] dwelling completely in them, had to create the form or whatever they needed; through work, or by working FOR IT.

\* But love them and especially THEM because their black magic will reflect on your skills of love, back onto THEMSELVES and thereby they will see that their immortal spirit (or what is left of it) shall be saved.

That created ENVY and JEALOUSY between those, who possessed the power of KRIYASAKTI and those who did not. The result of this envy and jealousy would come into full swing in the FOURTH [Atlantean] RACE.\*

NOTE concerning the races.

The FIRST, SECOND and earlier THIRD RACE have no names, because they [the races] did not communicate by word or letter, but by THOUGHT. So the true name of, for example, the THIRD RACE, is a THOUGHT and its SYMBOL. Meditate about THAT, Oh Lawoo.

- I feel the glory, Oh MAHACHOHAN. Was there EVER anything else but BLISS?
- No, Oh Lawoo, there is only BLISS and - PARABRAHMAN. AUM.

No AUM to the Brothers of shadow in the case of: NEVER use [speak, or think, or feel] the word AUM, combined with a negative thought towards ANY BODY. It shall destroy the person to whom it is directed AND inevitably it shall bring suffering [for many lives to come] to the abuser. AUM.

\* This confrontation lasts until TODAY...

THE LAW had to be fulfilled. The time of destruction [pralaya] was near. Not because mankind, or the angels had sinned, but because the cycle was closing. New land had to appear and old land disappears, to make place for the new race to come, the [finally structured] FOURTH RACE. This time the RAJA DEVAS did not need the order of THE LORDS OF KARMA. They [the RAJA] just followed THE LAW which was in them as they were [are] in THE LAW. Hurricanes, lightning, thunder [as symbols of the word], earthquakes and cosmic turmoil, are nothing but the result of a DEVAS thought in celestial realms. AUM. The RAJA DEVAS came and destroyed the 3rd race [the CHAN] so came COMETIAN race and its continent. This happened 9,600,000 years ago.

\*\*\* When we speak, the air vibrates and creates a sound, when BRAHMA "speaks" it results in cosmic thuds, which is part of THE WORD. When BRAHMA speaks the whole world breaks into pieces.  
 \*\*\* What causes [at the very beginning] BRAHMAN to appear? THE LAW. WHO THEN is greater - BRAHMAN or THE LAW? THE LAW! AND THE LAW acts from BEYOND BRAHMAN, which is PARABRAHMAN. PARABRAHMAN IS THE LAW. AUM.  
 \*\*\* INTO THE WATERS [deluge].  
 \*\*\* it appears TO US as LAW.

Now that we came a step closer to the secret of the MANASAPUTRAS, the GURHAN revealed to me another [the third] key to the nature of THE MANASAPUTRAS. This key is the BREAST attainable for us NOW. KAMA RUPA is the ANIMAL SOUL- or ASPECT in EVERYTHING, not only in US. For example: THE KAMA RUPA, or ANIMAL ASPECT, of the UNIVERSE are all visible SUNS. But to our SOLAR SYSTEM the SUN is the light aspect, or better: representation, of THE SPIRIT or ATMAN and THE MOON is the KAMA RUPA aspect. The MANASAPUTRAS were simply our HUMAN MONADS on the MOONCHAMEN, and we left their ANIMAL MONADS, notwithstanding the fact, that we, or many of us, had "human" bodies. Now, some of these MANASAPUTRAS [about a million] attained [ALMOST] liberation or DHYAN-CHOHANSHIP on the MOON towards its last and seventh round, and when we switched to the EARTHCHAMEN [still being ANIMAL-RACES] they, the MANASAPUTRAS "found" us again, because we are THEM in the LOWER ASPECT, and they are US in the HIGHER ASPECT. When THE LAW called them, they incarnated in US, or gave us MANAS or MIND. But NOT ALL of them followed or obeyed THE LAW. Some hesitated...

One day, towards the end of the SEVENTH ROUND of this EARTHCHAMEN, we will see the MANASAPUTRAS for our OWN ANIMAL MONADS after they have switched to the NEW CHAIN, born out of LAYA. And behold, another MANICH wishes then our EARTH the MOON of this new chain.  
 \*\*\* Even NOW we are ANIMALS in our physical aspect, and it is ONLY MIND, or the awakened MIND in US, furnished by the MANASAPUTRAS, which makes all the difference.

Revelation about our spiritual ancestors, THE MĀNĀSA-PUTRAS: Some of them are, or were, even HIGHER than those, which incarnated by projecting a spark. And those OTHER Manasaputras were ALREADY Devān OMENS on THE MOONCHAIN, throughout and during ALL ROUNDS. THEY, or some of THEM, became and shall become BUDDHAS and CHRISTs, etc. Do they also have a KĀMA RŪPA or "animal aspect"? Of course, why do you think they have to come back? But their KĀMA RŪPA or "animal-aspect" is, compared to ours, of the consciousness of a SAINT. How must they THEMSELVES be?!

Oh LADIES, you NEED KĀMA RŪPA in order to evolve. MANAS [mind] takes KĀMA RŪPA [animal soul] and TRANSFORMS IT UPWARDS. AUM. If spirit is a weight-lifter, MANAS is its muscles and KĀMA RŪPA the weights.

Each MĀNĀSA-PUTRA is also connected with certain planets or constellations of the ZODIAC. Those MĀNĀSA-PUTRAS, who HESITATED to give MANAS to US in the THIRD ROOTRACE of THE FOURTH ROUND, presided over 1/2 of the MAKĀRA [Capricorn] ZODIAC. In a confrontation with other angels, or Gens, MĀNĀSA-PUTRAS, they LOST their planets or houses and joined, continuing the war, the PLANET [angel] of SATURN. That is why I call the rebellious Angels sometimes SATURN ANGELS, but let us be honest. Since WE ALL in our highest MAHĀ-ĀTMA aspect emanate from the SPIRITUAL, or CEREAL, SUN and its visible aspect, we

✶ BY KAMA: INTERMENTAL.

VISIBLE SUN of our Solar System, and since there is NO SEPARATION OF FORCES, all angels and DEVAS might as well be called SOLAR DEVAS of different degrees. Let me make it clear: ALL MĀNĀSA-PUTRAS from the MAKĀRA, or CAPRICORN, ZODIAC were told to incarnate, or to furnish our MONADS with MIND, or MANAS. 1/3 refused to do so, 2/3 obeyed. Therefore, when you look up to the Capricorn Zodiac you see only 2/3 of its stars. 1/3 lost their houses. They were cast out during the CONFRONTATION. They are no more... SO WHAT! We lost our physical home up there in heaven but we gained consciousness and independence on earth. THIS is the so-called FALL, AUM. And this is also why CAPRICORN MEN AND QUIDS REPRESENT SOLITUDE... AUM to PARABRAHMAN, THE EVER TO BE UNKNOWN AUM.

THE MĀNĀSA-PUTRAS represent the FIFTH cosmic AND human principle, which is MAHAT [up there] and MANAS or MIND down here. But MIND is DUAL or CAN BE dual, when creating ANTAH-KARANA, or when you concentrate with your mind either on spiritual [upwards] things, or on material things, which is downwards. So, MIND is DUAL or TWO. Multiply that with FIVE, because the MĀNĀSA-PUTRAS or SOULS of MIND belong to the FIFTH HIERARCHY, and you have TEN, or THE TENTH SIGN OF THE ZODIAC, which is MAKĀRA or CAPRICORN and part of their cosmo-physical consciousness or rightly: THEIR "HOUSES".

• You understand now why the SCRIPTURES say, that you are born under this and that constellation, what they ACTUALLY mean is, that your spirit-soul is connected with these houses in the ZODIAC!

• Later [too late!] they obeyed and became [most of] men-kind.

Behold, oh reader, a secret: Approximately every 25000 years all planets return to the position, or constellation, in which they began their journey through space. Another secret, which shall reveal itself throughout the whole BOOK OF LIGHT: WE AS HIGHEST SPIRITS or MONADS or SPIRIT-SOULS, are NOT TO BLAME for the IMPERFECT VEHICLES [physical-astral and mental bodies] we have to deal with. This IMPERFECTION has to be laid at the door of those DEVAS, whose DUTY it was to do our KARMA and to furnish us with MIND, ANIMAL SOUL, ASTRAL BODY, PRANA- or LIFE POWER BODY and eventually PHYSICAL BODY. They ALL FAILED more or less. We in our SPIRITS are INNOCENT [not guilty] and PURE BY NATURE. Nevertheless, there is NO SEPARATION OF FORCES, and on HIGHEST ABSTRACT REALMS a change from NUMBER 2,056 to 2,057 could cause an inter-blending of powers, which would maybe result down here in an explosion of a PLANET. THAT is how powerful the world of the ABSTRACT IS.

Those of the DEVAS, or GODS, or CREATORS, who failed when THEIR hour had struck to furnish us INNOCENT MONADS, were: 1. THE LORDS OF THE FLAME, 2. THE SONS OF WISDOM 3. THE SONS OF NIGHT, 4. THE SONS OF MIND. When they saw us as SPIRITS, they said: "Behold, man WANTS to become like us!" And there was envy among the GODS from the FIRST MOMENT on... AUM.

• INNOCENT FROM OUR POINT OF VIEW.  
 • Therefore reduce your astral to a CIRIBER...

• CAUSED BY SUBTERRANEAN CONVULSIONS AND THE OPENING OF THE OCEAN FLOODS [BRACKING RESEMBLES].

That, which is now called ATLANTIS, re-emerges about 80,000 years later. Thus ATLANTIS is nothing but a REEMERGED PART OF LEMURIA and NOT a completely NEW continent. THAT is, why PLATONIC WRITERS<sup>21</sup> in the shifting and re-shifting of continental masses, no hard and fast line can be drawn where a new order ends and another begins.

AND HE SHALL COME BACK TO SAVE THE FIFTH RACE AND THE REMNANT OF THE FOURTH, WHEN THE GREAT WATERS RETURN... but re-emerged for the first time about 40,000,000 years ago.

MORE THAN 9,000,000 YEARS AGO.

THE DEVELOPMENT OF SPEECH AND SCRIPT.

THE SIXTH and SEVENTH SUBRACE OF THE THIRD ROOT RACE developed MONOSYLLABIC SPEECH, uttering sounds like A, E, I, O, U, AE, UE, etc. THIS SPEECH FORM survived until the BEGINNING of the FOURTH ROOT RACE and was modulated by the ATLANTEANS into AGGLUTINATIVE SPEECH [vowels "glued" together as SYLLABLES or, later words], later called "RAKSHASI BHASA". A part of the ATLANTEANS perfected and preserved the MONOSYLLABIC SPEECH, and OTHERS continued communicating in the AGGLUTINATIVE way. Both SPEECH FORMS were developed over hundred-thousands of years into languages and eventually written form [SIGNS first]. Those signs or symbols and ALPHABETS were developed during the 1<sup>st</sup> and 2<sup>nd</sup> SUBRACE of the FOURTH ROOT RACE, and perfected towards the end of the FOURTH, but only as far as it concerns the MONOSYLLABIC SPEECH [and alphabet]. THE AGGLUTINATIVE SPEECH decayed and [or] was kind of transformed into what later became the speech of the FIFTH ROOT RACE. This speech was perfected during the END of the FOURTH and begin-

<sup>21</sup> INFLECTIONAL SPEECH [words, indicating a grammatical variation of the root]. THIS INFLECTIONAL SPEECH BECAME THE ROOT OF SANSKRIT. BUT INFLECTIONS AND USE INFLECTIONAL SPEECH [also known as SANSKRIT] AT LEAST THAT IS THE NAME GIVEN TO IT IN OLD SANSKRIT WORKS.

<sup>22</sup> THE FIRST SIGN EVER WRITTEN, OR DRAWN, THE OLDEST FORM OF THE LETTER WAS THE TAU: T. THE HORIZONTAL LINE APPEARED FIRST IN THE CIRCLE, WAS VERTICAL, STOOD ALONE — and THEN THE PERPENDICULAR LINE WAS ADDED UNDER THE HORIZONTAL T. AND THIS IS THE SANSKRIT SCRIPT OR THE TECHNIQUE OF WRITING SANSKRIT WAS BORN. BUT A GLYPH THE TAU WAS EVEN ALREADY KNOWN TO THE MONOGENES [3rd Race].

ning of the FIFTH RACE and was therefore called SANSKRIT .AUM to SANSKRIT, the language of the FIFTH and ARYAN ROOT RACE, and AUM to DEVANAGARI, its script. WHY SPEECH, oh MAHACHOHAN? why didn't they continue communicating through THOUGHT-TRANSCENDENCE as we do? MIND IS ONE REASON FOR SPEECH, oh LANOO. Those of the THIRD and later FOURTH ROOT RACE, in whom the SONS OF MIND had fully incarnated, were first connected by THOUGHT-POWER. THIS ability was perfected up to the BEGINNING [and later] of the FOURTH ROOT RACE. THOUGHTS TRAVEL FASTER THAN LIGHT, SO WHY TALK? BUT WHEN LUST, PASSION, ENVY, MISTRUST AND JEALOUSY, in one word: BLACK-MAGIC, struck the FOURTH, thoughts had to be HIDDEN, so that NOBODY could take advantage of somebody else's thoughts. The Atlanteans formed MENTAL BLOCKS around themselves [around their THOUGHT-FORMS]. WORDS became more SECRET than THOUGHTS. WORDS could only be heard by those to whom they were addressed. Or, in other words: MIND, found a way to communicate in a manner, that the message could be kept SECRET. Once the HEARD and SPOKEN message was STORED in the BRAIN, or bet-

<sup>23</sup> THEN EVERYBODY KNEW HOW TO READ THOUGHTS. LATER EVERYBODY ONLY THE INITIATES kept this ability. THE ANGEL AND I.

<sup>24</sup> AND THE WORD means the expression of ideas by human speech. But it means also the expression of ideas by any OTHER instrumentality [symbols, for instance].

-ter MENTAL BODY, a mental wall would protect against ANY ACCESS TO INFORMATION. AND IN THOSE DAYS [and even today] it was a BLACK MAGIC PRACTICE, to mentally VAMPIRIZE the victim and to take out of it ANY INFORMATION NEEDED. THAT, oh LANOO, is, how and why those, endowed with MIND, developed SPEECH in the FOURTH ATLANTEAN RACE.

EVEN THE ANIMALS were connected [and some still ARE] by "THOUGHT POWER" in those days, or, more EXACT, they were connected through LOWEST ASTRAL REGIONS by their INSTINCTS, since they had only a SLUMBERING MIND. But since these lowest astral regions became more and more soiled by MAN'S negative THOUGHT- and EMOTIONAL FORMS, and by his constantly acting against THE LAW, the ANIMALS became SOILED and hostile too. They developed their own "speech", mostly used during attack or [and] defense. Oh LANOO, BLISS does not need ANY WORDS, it just IS. BUT since there is so much DELIBERATE MISUSE and abuse of KNOWLEDGE by those, who want power over THE MASSES, there must be a counter-balance to strengthen THE WHITE BROTHERHOOD. THIS counter-balance is THE BOOK OF LIGHT. AUM TO WISDOM and KNOWLEDGE. AUM. REPETI-

<sup>25</sup> peaceful animals rarely produce a sound, unless during mating season.

<sup>26</sup> Oh LANOO, after many falls and rises Sanskrit shall return again and become [about 10,000 A.D.] once again the UNIVERSAL LANGUAGE .AUM.

ITION IS UNAVOIDABLE with a task as great as revealing long hidden cosmic truth to a more or less unprepared reader, and whenever I can get help in this gigantic task, I ACCEPT THANKFULLY. Let me therefore quote, as corroboration of what I wrote about THE DEVELOPMENT OF SPEECH, JUSTIN M. TYBERG, PROFESSOR OF SANSKRIT AND INDIAN RELIGION at the AMERICAN ACADEMY OF ASIAN STUDIES, San Francisco: "The language of the THIRD ROOT RACE was largely ONOMATOPOEIC, i.e., reproducing certain sounds of Nature, which by human usage and long custom finally became established and understood as the means of conveying human thought, human needs and human wishes. These sounds are THE ROOTS OF ALL LANGUAGES as they existed in LATEX RACES. Then came the ATLANTIC, which was, what philologists call, agglutinated speech, i.e., a combination of verbal-roots or words without change or inflection. Some of the languages existing on Earth today are of this type, such as most of the languages of the American Redskins and the Mongolians. This agglutinated tongue became more and more complex and more and more grammatical as inflections slowly developed through the ages, until finally agglutination passed over into INFLECTION, thus giving rise to the early languages of the FIFTH ROOT-RACE, Sanskrit being a perfected form of tongue, is highly INFLECTED." ... Many dialects were issued from the three principal root-languages of the first, second and third root-races, and some of them have reached Sanskrit, for instance, is of ARYAN origin and not ATLANTIC, although it was known in a later degenerated ATLANTIS, when the Aryans had already appeared.

\* and of the INLAND CHINESE (Mandarin tribe of KWANG-TOO). As a rule we can say: THE Egyptian alphabet of THOTH is far more ancient than the CHINESE alphabet, or better the CHINESE SYMBOLS (conveying per symbol the word needed in a PICTORIAL FORM).

- 466 a -

What does orthodox Science say to all this?

- What is the opinion of Science as to the root of Speech?
- They think that speech arose gradually from a few simple crude animal sounds.
- But how did, according to them, the root of HUMAN SPEECH come into existence?
- Till now they have no plausible explanation.
- How does the Book of Light explain that root or better the condition for the appearance of human speech?
- The human brain. Human speech requires a human brain. The reason why SCIENCE thinks that human speech is more or less a perfected extension of animal sounds is their doctrine that man evolved out of animals, while the Truth is that mammal animal derived from Man.
- What does Darwin teach?
- The so-called "Natural Selection." Every thing is caused by STRUGGLE FOR EXISTENCE.
- What does Max Müller teach?
- He attacks Darwin's Evolutionism but has no explanation of his own, other than that "there are ready-made materials of speech" which is, according to him, a proof that man cannot be the crown of a long organic series.

- 466 b -

- What are these roots? - The Book of Light explains them: I. Radical languages [words placed in juxtaposition] II. Agglutinative [one root defining the other] III. Inflected. Two elements [determinative element + formative element] unite into ONE.

- What is determinative? - The TRUE meaning of a word, which is almost impossible to be traced back. In other words: Almost all words have NOW a different meaning than they had hundreds or thousands or hundred thousand or millions of years ago.

- Is there no language or script that has maintained the original meaning of its words?

- SANSKRIT comes the closest to it. Study Sanskrit.

- Why will Orthodox Science never find or understand the answer to what is the Root of Speech?

- Because they do not have the ESOTERIC KEY now for the first time fully

- revealed in THE BOOK OF LIGHT. I close with Blavatsky saying: "We respect those men of science who wise in their generation say: 'Prehistoric past being utterly beyond our powers of direct observation, we are too honest to be devoted to the Truth - or what we regard as Truth - to speculate upon the Unknown giving out our unproven theories along with facts absolutely established in modern Science.'"

They were taught by THE DEVAS, how to build cities, cultivate arts and sciences, etc. BUT NOT ALL of them were highly evolved. THE ATLANTEAN ERA.

TERTIARY EPOCH 8,960,000 years ago.

Eocene, Miocene, Pliocene.

Climate: tropical [Eocene], warm [Miocene], temperate [Pliocene]. Europe and America were then one continent.

End of SECONDARY AGE and of almost all of THE THIRD RACE. The garment of 4 of the SEVEN RAYS was now definitely

Carbon    Hydrogen    Oxygen    Nitrogen

The FIFTH RAY begins influencing us more and more by emanating ETHER, the "Fifth" Element. "Fifth" in quotation marks, because actually there is nothing else but ETHER of which the chemical elements are just subdivisions. And ALTOGETHER, including ETHER, they are a subdivision of AKASA, which is THE ABSTRACT ROOT. AUM

-476-

-478-

And when do THEY come from; the ANOPLOTHERIDAE and PALEOTHERIDAE? They derived from one of the SEVEN ROOTRACES of bisexual Mammal animals. Their structure was then between ASTRAL and SOLID.

268

And when do BISEXUAL MAMMAL ANIMALS come from? Like EVERYTHING ELSE they developed from cast off tissue from ASTRAL, cyto- and later PROTOPLASMIC MAN of the FIRST, SECOND and EARLY THIRD ROOTRACE in the FOURTH ROUND. OTHER stone-, plant- or [and] Animal formations have their origin in rounds before. But there is always [then pure spiritual-ethereal] MAN on TOP of the evolution. EVERYTHING, oh LANOO, comes from MAN!

\*Of course there are some INSECTS, which are INHERITANCE of CHAINS BEFORE, or even came from ANOTHER chain than the EARTH CHAIN [previous ones included]. But all other "evolution" BEGAN with SPIRIT [MAN] and shall END with SPIRITUAL MAN. AUM.

THE ATLANTIAN RACE, or FOURTH ROOTRACE.

All MONADS [spirit-souls] descended again, plus NEW ones for [part of] the new FOURTH RACE, that showed her FIRST appearance BEFORE the cataclysms.

The MONADS descended in GROUPS OF SEVEN ON SEVEN ZONES. They descended on what we call now the LEMURIAN CONTINENT. Why "LEMURIAN" when it is the ATLANTIANERA? Because the RACES OVERLAP, oh LANOO.

The FIRST GROUP was [again] MOON COLOURED, with bodies almost like ours. Those of the BRONZE RACE had perished - their SPIRITS found other VEHICLES, because, oh LANOO, we are on the ASCENDING ARC back to the SPIRIT, where we came from, and the PHYSICAL BODY shall be ETHEREAL again soon.

YELLOW FACED ATLANTEAN  
[about 8,500,000 years ago]

The yellow faced Atlanteans became a HIGHLY  
CIVILIZED Atlanto-Aryan Race and eventually  
the ANCESTORS OF THE ARYANS.

-483-

THE APE - EPOCH.

THIRD RACE MAN, destitute of MIND, had cohabited  
with animals immediately AFTER separation of  
the SEXES [animals separated FIRST]. The result of this  
connection was: MAN-ANIMALS and some of them,  
what we now call, MONKEYS. With those MONKEYS  
the sin was repeated later by less progressed ATLAN-  
TEANS, and the result of this intercourse were the later  
APES. \* behold an APE, child of...

... an ATLANTEAN. ... and a MONKEY.  
\* BY LATE SECOND RACE PERIOD SINCE THE SLACK OVERLAP.  
\* Lowest or Fifth class Menads incarnated in these Apes  
and Monkeys. The Menads were too high for MEN and too  
low for ANIMALS. So they took what was left and became  
THE APE EGOS. Oh Lanka, NOTHING is without the guidance of the  
SPIRIT...

-484-

But the apes of millions of years ago \* were not the  
APES OF TODAY. They were THEN almost human, because  
the gap between animal and man was not as wide, as it  
is NOW. Therefore the apes had a sort of "MIND" and even  
speech and culture of their own. Movies like PLANET OF  
THE APES are nothing but a [though distorted] memory  
of the writer. The actors in those movies mostly alive,  
what actually HAPPENED to them a few million years  
ago.

277

\* We understand now, why the HINDUS worship HANU-  
MAN as the "APE-GOD". The APES are indeed some  
of GODS, who dwelled in bodies of THE THIRD RACE  
yet destitute of MIND, because the MAYASA PUTRAS  
REFUSED (first) to give MIND to the incarnated  
SPIRIT and the result of this: THE APES. But every crea-  
ture needs MIND, no matter how low, to progress towards vi-  
vility. So the FIFTH and LOWEST class of MAYASA PUTRAS  
gave MIND to the apes and became what we could call: THE  
APE-EGOS.

-485-

\*Prior to that the APES had also been among THE FIRSTS

Attentionous slaughtering their own offspring, the APES.\*

278

Almost all Mānasaputras have now incarnated. AUM.

One of the main causes for BLACK MAGIC was the refusal or hesitation of the Mānasaputras to give Mind to the [until then] Mindless races. This hesitation resulted in our troubled world of today. But before we throw stones at the Mānasaputras we have to be absolutely clear about their TRUE nature, who they are and were and why they did what they did. The following question and answer section is meant to intensify and thoroughly establish in the student the knowledge about nature and purpose of THE MĀNASAPUTRAS.

For definition we are all Mānasaputras. Mānasaputras means sons of Mind. Of which Mind? Of UNIVERSAL MIND or MAHAT. When Universal Mind uses our human brains as vehicles it becomes human Mind. So we are all Sons of Universal Mind. AUM.

- But who were the Mānasaputras, who gave Mind to the early THIRD ROOT-RACE?

- They were our own human ancestors. These human ancestors were the average or higher men of our on the MOON. They became Dhyan Chohans during the 7th Round on the Moon, and some of them were already Dhyan Chohans or HIGHEST PERFECTED BEINGS.

- Do beasts have no Mind?

- Yes they do have Mind. But it is latent and because it is an ongoing process...

-486-

not yet awakened by Mānasaputras.

- Somewhere I read that even parents are Mānasaputras to their children.

- Of course. They teach and watch the child and help it to evolve its Mind.

- What would happen if a child would grow up on an island alone and uneducated?

- It would develop into a worse stage than a grown savage, because its Mind would lay dormant, unused. The child has not been MĀNASAPUTRIZED.

- What were WE in relation to the Moon Men and later Dhyan Chohans?

- We were their ANIMAL MONADS, becoming HUMANS on Earth.

- What will WE become on another [or the next] chain?

- We will be the Mānasaputras of what are now the animal Monads in US. AUM.

These animal Monads in us shall be the humanity on another chain [after this chain has ended].

- Who are the Agniswāta-Pitris, and why are they also called SOLAR PITRIS?

- They ARE the Mānasaputras and because under the direct governing inspiration of THE SUN, they are called Agniswāta -Pitris or Five-Tasters\*\* or SOLAR PITRIS.

\* Here the Spiritual Five of THE CENTRAL SUN is meant  
\* Animal Monads but NOT animals.

-487-

- Somewhere I read they are LUNAR...

- They are too, because they came from the Moon about 6,5 billion years ago. And on that Moon they were thinking, intellectual men. But when they LEFT the Moon they [the mānasaputras] had reached the culmination of their intellectual and spiritual evolution. THEN they had become PURE INTELLECTUAL DHYANIS or SONS OF MIND or: Spirits of Intellect and Spirits of thought.

- When was that? - At the last and 7th Round on the Moon chain.

- Why did they refuse to give us Mind?

- "We were not ready" is one explanation. The final answer to that question is hidden in the Book of Light.

- Did the Mānasaputras descend at once during the Third Root-Race?

- No. It did not happen in an instant. This process took some hundred thousand and maybe even Millions of years until ALL of us had received Mind.

- Why do we need Mind?

- It is the link to divinity. Without Mind we would not even realize that there IS a divinity or "God".

- Who are "the Egos from the Moon"?

- The Mānasaputras...

...♥ EBS ♥...  
- Which parts of our constitution were set in flame or were enlightened by the Mānasa-putras?

- The Lunar parts in us, or The Lunar Monads. Without Mind, without the Mānasa-putras we all would become truly "Lunatics". Now we understand the saying "He lost his Mind", meaning now he is a helpless slave to the Lunar Part or Nature in him.

- Where do we go from this Earth chain?

- Not to the next chain, but to ANOTHER chain.

- But Purucker writes that "those of us who make the grade, will become the Agnishvāttas, the Mānasa-putras for the child of this Earth chain, the next chain."? - I shall answer later.

- Who guided the Dhyān-Chohans from the last Moon Round?

- They, whom we call Mānasa-putras, were guided [even while enlightening us during the 3rd Race in the 4th Round on Earth] by two HIGHER Dhyān-Chohan classes.

- Who were these higher Chohans?

- Some of them came as Gods and Demi-Gods on our Earth during the early races of the 4th Round.

...♥ EBS ♥...

-426-

- Are there records about them?

- In esoteric scriptures they are referred to as OSIRIS, ISIS, AHURA-MAZDA, etc.

- The Gods of ancient people?

- Yes. They really did exist. But MILLIONS of years ago.

- To which class did they belong?

- First and Second class. They were there even BEFORE the Mānasa-putras came to us.

- How early before? - Since the 1st Race on Globe A of the 2nd Round.

- There were already human beings in the Second Round?

- Of course - thinking, self-conscious, cogitating, feeling, loving human beings.

- Where are those First Race humans today?

- They, oh Lavo, are the Mahātmas, the Masters, chelas and other leaders of men [for sure not George Bush...].

How many were they? - A million or two. And they were taught by the HIGHEST Chohans already during the first race on Globe A in the beginning of the Second Round.

- How high shall we be, when we manasa-putra our own human animal Monads?

- Angels or Chohans of the 3rd grade, which is the lowest.\*

\*or: the kingdom above the human.

...♥ EBS ♥...

-427-

- And the Masters? - Shall they have become Dhyān Chohans of the second class, which is next to the highest dhyān-chohan class.

- How many Mānasa-putras were there altogether?

- Maybe a hundred thousand.

- How did the rest of mankind become manasa-putraized?

- I explained it already parents manasa-putra their children. The Mānasa-putras themselves just create or cause a MENTAL MOMENTUM.

- What did the Gods and Demi-Gods teach?

- Chemistry, astronomy, art, sciences, the seasons, etc.

- And after they taught? - After that the Gods and Demi-Gods returned to their own sublime spheres.

- What were these Gods and Demi-Gods on the Moon?

- There, on the Moon, they were already Mahātmas, and when the Moon man became dhyānized, these Mahātmas on the Moon turned into Gods and Demi-Gods during the end of the Moon's life.

- In which order do I experience the manasa-putra in ME, or that which shall become the Mānasa-putra for my own animal Monad on another chain?

- It is THE FOURTH. Here is the order of your

Seven foldness: Divinity, Buddha [or Christ], Mānasa-putra, human being, astral entity, all this housed in the astro-vital-physical body, or in the human beast.

- Is there even a SILENT WATCHER in me?

- Yes. It is the, or a, Dhyāni-Buddha and an actual, entitative, living ego of divine type. You are ALSO a stream of consciousness or SO-TRĀTMAN reaching through all the different "yous" from the highest to the lowest, even touching the physical brain, which the Spirit does not.

- By whom was the atmosphere of the Earth built?

- By the Mānasa-putras.

- How? - By remaining as a passive spiritual intellectual influence in ākāśa.

- When was that? - After the Moon chain had died and BEFORE the new Earth chain was even born. When the Earth chain was built and became denser they, the Mānasa-putras, did NOT work around in these lower realms.

- Why not?

- highly spiritual nature, and physical matter was too great.
- How then could they create or cause the atmosphere of the Earth?
- By diffusing light, intellect and life which is their very nature. This power overshadowed or better influenced the work of the elementals who then really BUILT the atmosphere, but GUIDED by the Mānasa putras.
- Who descended first on the Earth-chain during the first ROUND?
- The Mānasa putras. They came first in the first Round. AUM. Then came the elementals [almost contemporaneously], their kingdoms, etc.
- So the Mānasa putras caused the Earth's atmosphere just by their presence?
- Yes. Like a true leader of men emanates an energy or atmosphere to which other men are attracted, so are we attracted to the atmosphere of Earth caused by the Mānasa putras. But this atmosphere THEN was more an energy turning LATER, perfected by the Elementals, into a REAL atmosphere.
- How many classes of Mānasa putras are there?

-486i-

- Three classes. 1. Those who entered the bodies of the early THIRD ROOT-RACE first. Actually it happened during the Mid-Point of the Third Root-Race.
- What happened to the vehicles who received Mind immediately?
- They became THE GREATEST of the human race and reincarnated later as the Buddhas and Christs, etc. etc.
- What about the SECOND class of Mānasa putras?
- They waited and incarnated THEN, which resulted in the majority of mankind or -we. Those who waited the LONGEST, the third class, caused what is now the lowest of mankind [savages, barbarians, Andaman Islanders, Bush men and some degenerate mountain-tribes].
- What happened then?
- The door to the human kingdom closed at the bottom of the Fourth Round [nethermost evolutionary point].
- Is that the reason why the animals did not receive Mind?
- Yes. They are not yet ready, but they will be ready in the next chain embodiment.
- Who are the "failures" mentioned by the Masters?
- Some of them are now Masters themselves, some great Mahātmas and even Buddhas. Study The Book of Light.

-486j-

- What happens to our animal parts, our animal monads at the end of the Seventh Round on Earth?
- Our lower quaternaries shall have raised themselves to the status and stature of humanity or human hood.
- Where do they go from here?
- to Mercury. - But Dr. Purucker writes that "those of us who made the grade, will become the Agnishvātās, the Mānasa putras for the child of this Earth chain".
- The mass of humanity passed from the Mars Chain to the Earth chain [which includes the Moon]. And from this Earth most of us shall pass to Mercury.
- What about the LEADING class of humanity?
- They descended DIRECTLY on Earth, but neither from Mars nor from the Moon nor from Mercury.
- When did they descend?
- At a much later period in evolution [see Bal].
- Who will be the Lunar Pitris on the chain after this Earth and from this Earth?
- Our own ANIMAL MONADS in us. And they shall then be inflamed with our own intellectual fire. Thus we all grow. On Lanoo, at each chain pralaya our Monads disconnect to reconnect again [but NOT at the same time] at each new chain Manvantara. The only new

- unanswerable question remains: "Shall we then give ALL Astral Monads and ALL Mental Monads or just parts of it?" But even then you cannot escape as a Mānasa putra. You pay the price by being connected with the incarnated part of you, and you suffer with, or THROUGH it...
- Isn't there a fourth class of Mānasa putras?
- There is a class beneath the first which I did not mention here. They could be called the early FIFTH Rounders or advanced Fourth Rounders.
- Who are they? - Great philosophers, poets, scientists, statesmen, religious reformers, etc., etc.
- What am I, Oh great Chohan?
- You are just lucky, to have been elected by us to write the greatest book on this planet, Book of Books and saviour of mankind.
- What about the Ape Egos?
- They could be called FIFTH CLASS [not round] MONADS.
- Why did these Monads choose the Ape bodies?
- And the highest Monkeys [Simians]. These Fifth Class Monads were just backwards in evolution. All other vehicles above those of Monkeys and Apes would have been too high evolved for them. So they took what was left, being too high for animals and too low for humans. It is like water seeking its various levels according to circumstances.
