- Define the term Mānasa putra, please.
- Mānasa is a Sanskrit adjective from Manas, which is Mind.
- Mind in general? - No, it pertains only to the HUMAN constitution. Manifested in the UNIVERSE the same energy is called MAHAT. But when manifested in, for instance, human vehicles it is called MANAS.
- Who are the Mānasa? - creatures, beings, angels, devas. They have the Five of Self-consciousness, thoughts and of meditation. Putra means child [son, offspring]. Mānasa putra is 'child of Mind'. And that is what we are 'Children of Cosmic Mind'.
- Is there a difference between Man and Universe?
- No. Universe is an organic being filled with Monads, and so is Man filled with Monads. When we evolve, the Cosmos evolves with and through us.
- Have the Mānasa putras FULLY incarnated in us?
- No. Our Minds are not fully evolved. We are in the Fourth Round, which is still the Kāma and not the Manas Round. The Manas Round is the FIFTH Round.
- When shall the Mānasa putras have fully incarnated in us?
- Not until the end of the Fifth Round.
- Does every mental growth mean an increase of mānasa putrisation? - Yes. There is a con-

-4862-

- tinal incarnation of Mānasa putras.
- Is there Mind or Manas everywhere?
- Even in the wood of a table. But there it is unevoked. It is latent and dormant.
- Is Manas the THINKER?
- No. It BECOMES the thinker on the mānasic plane. Or better: The egoic principle acts on the Mānasic Plane and becomes thus or is THE THINKER. In other words: We have to lift ourselves onto the Mānasic Plane. But Manas itself is EVERYWHERE. In creatures lower than human, though, it is not yet brought forth, unevoked, unevolved. Humanity during the Early and Mid Third Root-Race was INFANTILE. Then came the Mānasa putras which did not appear out of nowhere but they were part of our Dhyān Chohan's constitution on the Moon during its SEVENTH ROUND.
- Did the Mānasa putras leave us after having enlightened us?
- Some did. However that enlightened part in us is a Mānasa putra, especially on the next chain or on MERCURY. The Mānasa putra in us is still working. you may call it the conscious Christ, immanent in each Man.
- Where are, or were, the Mānasa putras in between the Rounds?

-4863-

- In their inter-global nirvāna
- Where were the Mānasa putras during the First, Second and Third Round of this Earth-Chain?
- They were waiting until the Lunar Pitris had evolved on the seven globes of the chain during Round 1, 2 and 3. In the Fourth Round the bodies of the Lunar Pitris [our human animal monads on the Moon in Round 7] were ready to receive the Mānasa putras. In other words: The Lunar Pitris built the globes\* and the Mānasa putras evolved parallel.
- On the Earth Chain? - No, on planes superior to those on which the Lunar Pitris are evolving.
- Did all Mānasa putras appear at the Fourth Round?
- No. There were Mānasa putric Forerunners. They appeared or descended from higher Spiritual realms during the First Round on Globe A and helped to form the non-humanity. AUM to wisdom and knowledge.

#### THE BIRTH OF CANCER.

Cancer [all cancerous diseases] is of ATLANTEAN origin, and is one of the main causes for the destruction of the Atlantean race. 90% of all Atlanteans died of CANCER. The root of Cancer is seated in the Astral body, reflector of our desire nature. When the Atlanteans saw the diseases created by the excessive sex-life of the Lemurians, they [the Atlanteans], regarded sex and Kundalini as something evil and suppressed this powerful energy instead of TRANSFORMING it into CREATIVE ACTIVITY [Art, Science, etc.]. This suppression and denial of the sexual fire in man caused CANCER in those Atlanteans who declared sex [and thus women] to be of evil nature. Many of those Atlanteans are now [20th cent.] reincarnated in religious leaders and their devotees. Until today cancer is manifested in the human solar-plexus and in the Astral-body, hitting back, through astro-reper-

cussion, on the physical body [organ], causing an overdevelopment of the cellular life. The Master D. K. [the Tibetan] about cancer and its prehistoric roots: "Cancer is a gift to modern man from the Atlantean humanity... today... the "Germs" of the dread complaint of cancer are to be found in the very soil we live, infecting the vegetable kingdom and also the human family."

"Cancer is partially the result of a REACTION to the diseases connected with the sex life which became so rampant in later Lemurian times and early Atlantean days. The people of those times... dammed back the natural flow of desire and this in due time produced other evils."

The corpses of the Atlantean giants [though often cremated] soiled magnetically the VEGETABLE KINGDOM. "AUM to wisdom and Knowledge. AUM."

"Oh Lanoo, no matter how organically grown the vegetable you eat is, the cancer-germs already contained in it. And when Karma demands it you shall be purged by cancer."

MORE OF THE FOURTH RACE, BORN UNDER SEMA [the Moon]. -487-

For over a hundred thousand years the FIRST SUBRACE of the FOURTH [Atlantean] ROOT RACE WAS NAKED. They didn't even yet have houses to live in, because they did not NEED them. The LEMURIO-ATLANTEANS surrounded themselves [by KRIYASAKTI] with ENERGY FIELDS, that kept their bodies on constant temperature, and at the same time functioned as a protective shield against wild animals. [AUMIC EGG] But they [the Fourth Race] had FUN in lifting, and working on, HUGE STONES, thus forming STATUES OF THE DEVAS to please them. Some of the most able builders formed the STONES by FIRE [etheric efflux] coming out of their HANDS and EYES.

The PUREST of the FOURTH [race AND rACE] foresaw the necessity of passing on their KNOWLEDGE to future generations. The first PYRAMID was built...

Why PYRAMID, Oh MAHACHOHAN? - Because of THE FIRE MOLECULES, Oh Lanoo. Their STRUCTURE is a PYRAMID. Fire is the [visible] vehicle of BRAHMAN... the HIGHEST SELF of OUR UNIVERSE, and FIRE is also the [symbolic] embodiment of BRAHMA. AUM. Behold ONE of those HOUSES of WISDOM, or temples of the UNIVERSAL FIRE, which is FOHAT, the SON of BRAHMA and SERVANT of the SEVEN RAYS. AUM.

...to balance the mind, Pyramidal is a persistent compulsion to start the "energetic fire" from the center, "eye" - the heat

...who contains, like the PYRAMID, all measurements of the UNIVERSE IN ITSELF.

...to be precise: THEN during the 1st subrace of the 4th root race, we should call those of the 4th root-race LEMURIO-ATLANTEAN. The ATLANTEAN race begins with the FOURTH subrace of the Fourth root-race.

-488-

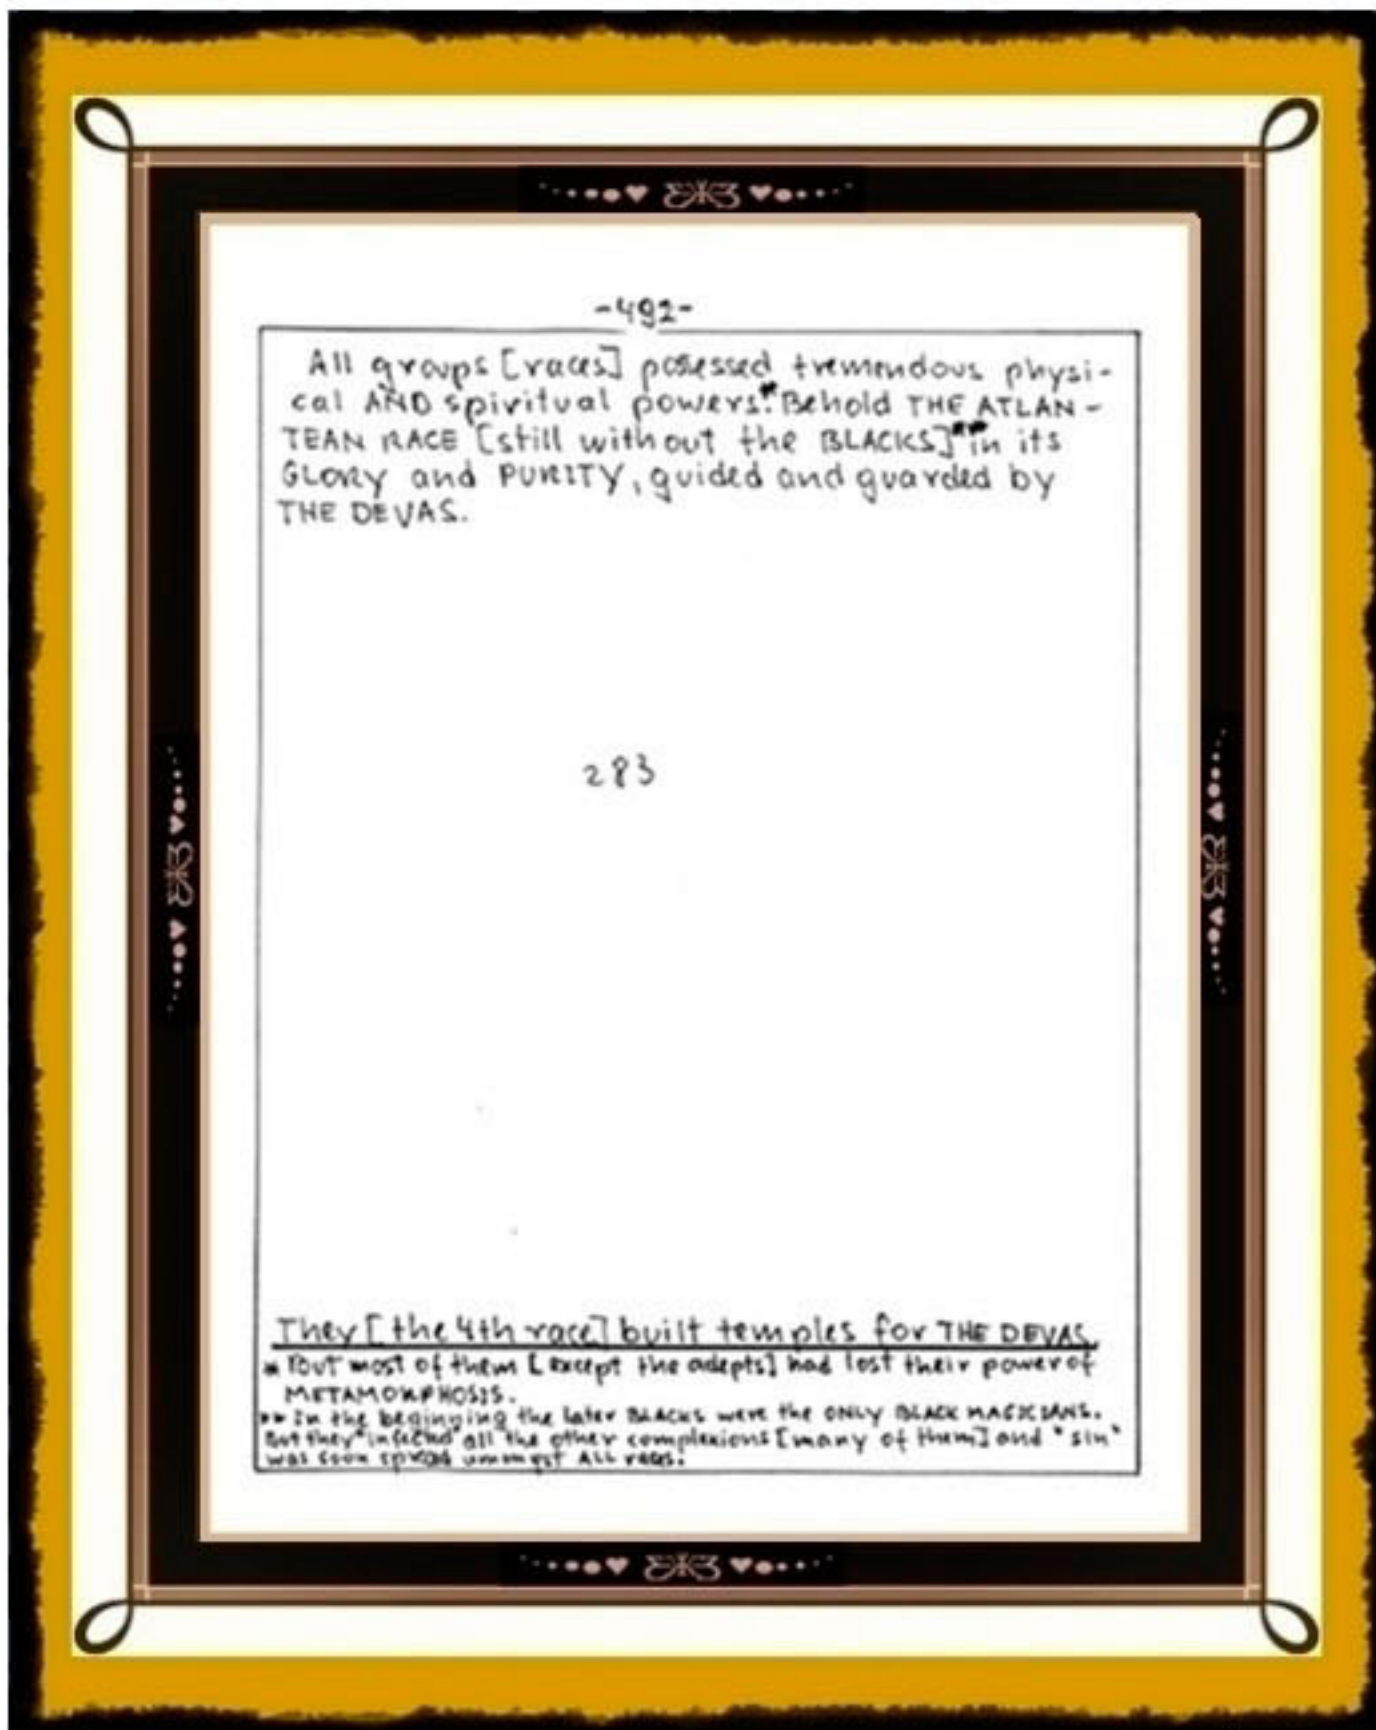

In comparison to that THE GREAT PYRAMID of GIZA, a boat 482 feet high and built more than ONE HUNDRED THOUSAND YEARS AGO. ... a pyramid more than 8,000,000 years ago. ... in truth never built for cancers. We just CLAIMED it.

The pyramid had no openings. Only the PUREST ATLANTEANS were able to enter. They meditated, instructed by...

But most of all, the DEVAS taught in their own language, which is SOUND and COLOUR. How did the ATLANTEANS receive this MUSIC from THE DEVAS? They [the Atlanteans] created an ASTRAL HARPSIKE INSTRUMENT or REFLECTOR, thus transforming the COLOUR-MUSIC\*, sung by the SPHERE-DEVAS, throughout ALL LEVELS down to the EARTH REGIONS.

290

\*Oh Lahoo, all music is already written in ÂKÂSA. You just have to write it down. AUM.

-499-

And to some of the purest Atlanteans, the angels even taught THE SECRETS OF THE UNIVERSE by TRAVELLING WITH THEM THROUGH OUR SOLAR SYSTEM AND FARTHER.

Because all races were [still] able to correspond by thought power, there was [yet] no written language or definite speech, although the SUBRACE of the FOURTH ROOTRACE used sounds caused by JOY or [and] ASTONISHMENT, when they, for example, drifted with THE DEVAS through Space.

But there were also [much later] sounds of LUST and ENVY [and suspicion] when they found the wives of their brethren to be more BEAUTIFUL than their own. THIS was only felt by those who lost [gradually] consciousness of their own DIVINE NATURE.

OH MAHACHOHAN, I feel DIVINITY, BLISS BEYOND COMPREHENSION - INDEPENDENT OF PERSONS AND THINGS! Does that mean I am SELFISH?

-No, oh Lahoo. you taste liberation. Happiness is DEPENDENT ON persons and things, BLISS IS NOT. BLISS IS THE HIGHEST to achieve, before even THAT becomes AUM and NIRVANA. Or: JOY is, when the DROP merges INTO THE OCEAN. BLISS IS THE OCEAN MERGING INTO THE DROP.

-And what is NIRVANA, OH MAHACHOHAN?

-How can we name the EVER UNNAMESABLE COM-

prehend the INCOMPREHENSIBLE? AUM, AUM! If you desire NIRVANA, you shall NEVER attain it. NIRVANA IS THE ABSENCE OF DESIRE. Meditate about THAT, oh Lahoo.

If there is no written Kabala, oh MAHACHOHAN,  
what then is THE BOOK OF LIGHT?

- THE BOOK OF LIGHT is even beyond your com-  
prehension, oh Lanoo, unless you read it with  
your heart.

- Please explain, oh MAHACHOHAN.

- What is necessary in order to build a  
skyscraper, oh Lanoo?

- A plan...

- And?

- A scaffolding.

- Correct. Do you LEAVE the scaffolding,  
once the skyscraper is built, so it would  
hide its [the skyscrapers.] beauty?

- No, I remove it.

- THE BOOK OF LIGHT is the SCAFFOLDING. Read  
it, and close it, and behold the ESSENCE, or

BOOK OF LIGHT is like PRADHANA [veil of

The early Atlanteans\* had no religion.

At, or during, the period of procreation\* the Atlanteans [male and female] came together and united their bodies. This was a holy, purely spiritual, ceremony and took place ONLY and EXCLUSIVELY for the purpose of creating NEW LIFE, or new vehicles for the INCARNATING SPIRIT.\*\* During physical union male and female concentrated on THE HIGHEST, on BRAHMAN. Not ONE thought of LUST was in them and consequently in their progeny. Unity caused by LUST, creates a CHILD OF LUST. Unity caused by SPIRITUAL LOVE creates a child of LOVE. Oh Lancelot, make only LOVE to the one you truly, truly LOVE... Life did not come out anymore in form of EGGS, because the FEMALES now ENJOYED the growing LIFE IN THEM\*\* and NOURISHED it with their OWN BODY. They reacted as the animals had reacted BEFORE them: with a UTERUS. AUM to the power of KRI-YASAKTI. THE PHYSICAL MANIFESTATION OF PHYSICAL PLANETS IN THE HUMAN BODY

293

- 506a -

About 8,000,000 years ago.

JEHOVAH IS [again...] JEALOUS.

JEHOVAH and its Host is one of the Elohim or Planetary of our Solar system. Jehovah's body is our planet Earth as your body is the vehicle of the Spirit, or God, in you. As above so below. The duty of Jehovah is to provide MONADS [or physical matter] for our PHYSICAL AND ASTRAL BODIES. Our SPIRITS are all SUNBORN and Jehovah has no influence over them. This fact alone caused jealousy in Jehovah from its FIRST incarnation on, which was about 18,000 incarnations ago. Whenever Jehovah, or the Spirit of Earth feels that superiority, it reacts more or less aggressively. Nevertheless it is in the best interest of ANY Planetary or ruler of a planet to assure that its creatures [astro-physical bodies of humanity for instance] are as perfect as possible in order to serve as temples of the God in them, or the Higher Self [Atma-Buddhi-Manas]. But our LOWER SELVES are EARTH - or JEHOVAH MADE. Thus there is a very strong bond between us and our creator which is Jehovah. But he, or it, is only the creator of our

- 506b -

physical bodies and has nothing to do with our HIGHER SELVES and Jehovah KNOWS it... However, there is a very intimate connection between our LOWER SELF [or the Jewish TETRAGRAMMATON and JEHOVAH. we worshipped [and the Jews still do] Jehovah, and Jehovah is often yielding to our materialistic prayers AND desires. We have passed now [8,000,000 years ago] the midpoint of the Fourth Round and Fourth Race and are altogether on the ASCENDING arc back to the SPIRIT. Our physical bodies shall become more and more refined and ethereal, thus adjusting themselves more and more to THE GOD IN US. Therefore, Spirit prevails over matter. This way we shall eventually SURPASS Jehovah in Spiritual and even PHYSICAL perfection and shall be soon GODS again, while Jehovah shall "switch" to the next chain, to which most of us will not follow. The more spiritual WE become, the less influence JEHOVAH has on us. And Jehovah does not like that at all. He, or IT, ENJOYS worship or better: we made him enjoying it, by tempting him with this low astral energy. And now he loses slowly but constantly his grip on us. On the next page we can see Jehovah complaining to some of its Host [Iad, Adonai, Sabaoth, Elohim, etc.] about US.  
\*WE GO TO MERCURY Brother

-506c-

"BEHOLD, MAN IS BECOME AS ONE OF US,  
TO KNOW GOOD AND EVIL!" [This Thought  
arose in JEHOVAH and other angels also 10 million  
years ago, when we received MIND or MANAS, which would  
become OUR LIBERATOR from JEHOVAH and its body,  
AND SOON he shall become even more...  
\* which would be about 18,000,000 years ago from now [1991]

-506d-

Jehovah is JEALOUS, a jealous and vengeful  
God. And until today Jehovah is worshiped by  
all those who abuse spirituality in order to  
achieve material goals, which is one of the reasons  
why Jewish religion is so sense-oriented and phallic.  
A part of the lower astral garment of Jehovah is so  
soiled from selfish worship that the Masters even  
call Jehovah an "INVENTED MONSTER WITH IGNOR-  
ANCE AT ITS TAIL". However, all that confusion  
and abuse of JEHOVAH might be caused by the fact  
that at the beginning of each Round a PLANETARY  
has to mix with THE FIRST RACE in order to refresh  
[as much as Karma allows him] their memories,  
revealing to the First Race once again the Truths  
they knew during the preceding Rounds. The  
knowledge is imparted then to the sons of the First  
Race who "are set apart" as vessels to contain the  
whole stock of knowledge. This knowledge [now  
fully revealed in THE BOOK OF LIGHT] is then distrib-  
uted by them to all other Races until the end  
of the Round. Thus Jehovah merged at the be-  
ginning of each Round into the very essence of  
OUR FIRST ROOT RACE, passing on all his know-  
ledge but also his weakness, which is and was:  
"Worship me!" And they did and do...  
\* Today [1991] the Jews still worship a Planetary [Jehovah]  
and so do the Mormons whose God is living on a planet they  
call COLOB...

Behold the ORIGIN OF THE GORILLAS, and the reason why they are worshipped by some cultures until today.  
 The GORILLAS are the offspring from sexual intercourse between GOD-MEN and sidereal beings in female form.  
 They [the sidereals] wanted to have power over man AND Devas. They saw the excitement of the human males, caused by the females and attained their [the female] form. They used METAMORPHOSIS.

299

SIDEREAL BEING, TRANSFORMING INTO HUMAN FEMALE.

\* Elflike beings, sexless, but able to give birth, triggered by the SUPREMACY OF A GOD-MAN.

The [sidereal] female possessed the power of walking through the air. They were kind towards mortals, but had only animal instinct [no MIND]. Some of the [in human form incarnated] Deva angels fell for the SIDEREAL FEMALE. Behold the result, oh Lanoo, the...

... GORILLAS of today. Truly a part of them is HOLY\* and the other part the result of even a DEVA, trapped by MAYA. The plan to seduce DEVAS and MAN came from the leader of the sidereals. She [it] attained the illusionary\*\* form of

\* though physical  
 \*\* because they derived indirectly from THE MONKEY-RACE and the MONKEYS derived from "Gods" [or MONADS], who, destitute of MIND, had therefore no control over their physical body. LATER they received MIND.  
 \* Or per definition THE GORILLA OF TODAY are, like orangutan, chimpanzee and cynceporus, the LATER physical evolution from LOWER ANTHROPOID MAMMALS, because later all lower species united among themselves and not only most with humans, or "Gods".

what we call now Songye (Khadu, or [and] Buddha Dalini, or the leader of the UJITHS. She was more than 50 feet high, lived for more than 200000 years and had sex with OVER A MILLION ANGELS [when incarnated in human form].

301

The greatest tragedy of our age is, that [through our senses] we are tempted to "take forms, smells, tastes, sounds, for real, although we experience every day, that ESPECIALLY FORMS [any kind of forms] are just an illusion, otherwise they would not vanish. SPIRIT IS REALITY, MATTER IS JUST AN ILLUSION. AUM.

\* Thus it is not correct to claim, as even some ESOTERIC teachers do, that THE PHYSICAL BODY IS NOT EXISTING. He IS existing. But as a TEMPORARY ILLUSION.

There were fights between the brown-black and the whites. The [purest] whites decided to retreat in their pyramids. The brown-blacks could not follow, because of their impurity. They tried to convince the rest of the pure Atlanteans, that it was NOT against THE LAW to have sex for other reasons than to create new Life. They told them to have sex during THE MOONDAYS. This was BLACK MAGIC. Some of the pure ones had sex other than for procreation of new Life, during the SAFE DAYS. But the leaders of THE PURE ONES were strong and influenced many of their people via THOUGHT-POWER. Not to follow the BLACKS, but OBEY THE LAW. The brown-blacks decided to MOVE and to build their own society and to follow their OWN law, which was in contradiction to THE LAW handed down by THE DEVAS. They left the land of THE PURE ONES, and the LEADERS came out of their pyramids.

But even in those, who did not go with the sorcerers, the SEED OF EVIL had already spread. And thus not everybody accepted any longer THE LAW as the HIGHEST AUTHORITY, simply because they did not anymore FEEL IT AS STRONG AS BEFORE IN THEMSELVES. Their eyes [the two NEW ONES] were

completely open now, but they did not SEE. Their EARS were open, but they could not HEAR anymore their INNER VOICE.

Remember the hesitation of the MANASA PUTNAS to incarnate, oh Lanoo? They too hesitated, although THE LAW [karma] told them to INCARNATE. They saw the forms and liked or disliked them. The failure of the Angels [Saturn] repeated itself [or was RELIVED] in those, in whom they INCARNATED. THIS IS KARMA. We all are "guilty", from the highest DEVA down to PHYSICAL MAN. So why judge ANYONE? They [the pure ones] gathered their people around them. Some decided to stay and some to move. This is the FIRST EXODUS. Understand, oh Lanoo, those who raped the women of their brethren were stronger, the others were WISER. The wise ones moved back towards their cradle [North pole], the IMPURE Atlanteans chose the [newly] risen land on the other side [South pole]. The heat of their passions was [THEN] reflected by the HOT SOUTH POLE. Man truly has influenced the behaviour of the ELEMENT-DEVAS throughout millions and BILLIONS OF YEARS. There is

\*thus they failed creating man like all the other Angels.

only ONE reason for SPRING, SUMMER, AUTUMN and WINTER and this reason is called: BLACK MAGIC. Some of the wise [pure] men travelled in the same direction [South pole]. But they stayed away from the brown-blacks, who slowly became black with sin. Each negative thought, oh Lanoo creates lowest visible vibration, which is -black. That is, why negative thoughts are BLACK MAGIC, and those who [consciously or UNCONSCIOUSLY] THINK them, are BLACK MAGICIANS. The complexion of a race [even nowadays] shows its branch of magic from which it derived millions of years ago. WHITE complexion - WHITE MAGIC, BLACK complexion - BLACK magic.

**BUT**

BEWARE! Souls of white people can [and do] incarnate in black people, and those of blacks often chose WHITE vehicles for incarnation. For instance: NELSON MANDELA is a WHITE man in a BLACK man's body. Thus all souls incarnate in [or as] all complexions, so that they might become eventually ONE body of LOVE, or of BRAHMĀ. AUM. But because they had LOST their purity, the "THIRD EYE" and with it the power of Kelyā-

\*although there was "ETERNAL" SPRING during the FIRST and SECOND KOOTRACE on the NORTH POLE

ŚAKTI weakened. They had to BUILD, instead of JUST THINKING of the wanted form. They still were able to LEVITATE [themselves and objects], but had lost the power of METAMORPHOSIS. And because they did not want their women to be seen NAKED by other men, they [men AND women] covered their naked bodies with clothes. The thought-patterns of the black magicians changed from WE and US to-ME. The individuality of SPIRIT yielded to the PERSONALITY, or to the PERSONAL ASPECT OF THE SOUL [Manas downward]. These [and others] are the reasons why mankind slowly degenerated. But there is SOMETHING ELSE, which is responsible too for the fact that SPIRIT is losing more and more control over its PHYSICAL BODY, and that something is

THE KARMA OF BRAHMĀ

Who are YOU, oh Lanoo, to reveal THAT secret to the profane? you are IMPURE, compared to...

BRAHMĀ!  
 - Allow me, oh MAHĀCHOHAN, to console the world with the KNOWLEDGE, that even the HIGHEST [from our point of view] had to INCARNATE again, in order to learn from its FAILURES, committed in former MAHĀ-MANVANTAKAS.  
 - Give hints, oh Lanoo, but do not reveal THE WHOLE SECRET.  
 - I shall obey, oh MAHĀCHOHAN.

your task, oh reader, and my task AND that of BRAHMĀ - are the same. SPIRIT has to SPIRITUALIZE MATTER. \*\* you shall incarnate again and again, until you are no more body, until you are NO-BODY, until you do not NEED a body [incarnation] any more, because you then have become a spirit again, and thus SPIRITUALIZED matter, through the process of REINCARNATION. BRAHMĀ'S body are the planets of our SOLAR SYSTEM PLUS THE SUN. HE [it], BRAHMĀ moves amongst OTHER higher selves of Solar System. There is a whole RACE OF BRAHMĀS. They are [sometimes] in confrontation with each other [war in Heaven, etc.] THEIR KARMA is OUR KARMA. THEY have to become Spirits too, so that they won't

ENOUGH, oh Lanoo! Continue with the chronology of the races!  
 - I shall obey, oh MAHĀCHOHAN.

\* I admit, that it is blasphemy to mention THE KARMA OF BRAHMĀ. The Chohan could have stopped me long before, so he obviously wanted THAT portion of THE TRUTH to be revealed. Oh reader, compared to the glory and purity of BRAHMĀ, even the HIGHEST \*\* TEACHERS [Jesus, Buddha, etc.] are but WORMS. How pure then is BRAHMAN, or even... AUM.  
 \*\* in their physical appearance.

We are now shortly before THE MIDPOINT of the FOURTH ATLANTICAN ROOT RACE, about 5 million years ago. \* Earth [not necessarily the whole SOLAR SYSTEM] had reached already its lowest state of matter or of spiritual consciousness in matter. There shall be [from now on] more cataclysms, caused by immoral behaviour of MAN, than because of the EARTH'S NATURAL WAY OF BREATHING. Almost all 4th race people were [more or less] influenced by the māyāvīc or illusionary aspect of matter. In losing more and more the contact to THE SPIRIT, they used their [to us now] SUPERHUMAN POWER, to awaken and regain that once pure energy for their own purposes, rather than to serve THE LAW, which is simply, to work TOWARDS THE SPIRIT, so that ONE DAY we all might be united in BRAHMĀ. The intention of THE BLACK MAGICIANS was to make the physical vehicle immortal, by feeding it with all sorts of energy, from magic formula to HUMAN BLOOD. OUR desire to be immortal is an INHERITANCE of a time, when we all belonged to either the IMPURE or PURE part of the ATLANTICAN RACE.

\*\* and eventually in about 150 billion years from now in BRAHMAN.  
 \*\*\* The roots of VAMPIRISM were laid THEN.  
 \* NOW IS THE MIDPOINT OF THE FIFTH ROOT RACE [1985]. 9 million years ago was the midpoint of THE FOURTH ROOT RACE but NOT the midpoint of THE ATLANTICAN, but THE BEGINNING OF THEM, because the ATLANTICANS belong to the midpoint of approx. FOURTH SUBRACE OF THE FOURTH ROOT RACE, which was exactly 4.5 million years ago.

because of the equator being closer to the sun, but because THE BLACK MAGICIANS moved back towards the EQUATOR [later] where else can we outlive our KARMA, if not under the SAME cultural, emotional, mental, physical and climatic-geographical conditions under which we had caused it [in former incarnations]?

with their arms below.

Before we continue with the history of the races, leading towards the great confrontation between white and black magic, we have to understand the metaphysical threefold structure of our planet EARTH and its influence on its creatures. Our planet can be seen [for now] as existing on, or in, three subdivisions: physical, astral and mental.

The **PHYSICAL** planet includes solids, liquids and gaseous matter, reaching until [in its gaseous part] the limits of the **atmosphere** called DHUK-LOKA\*. This physical plane is the realm of all physical bodies.

The **astral** sphere of our planet penetrates the earth until almost its center, but it also reaches exterior to the physical and extends nearly to the moon's sphere.\*\*

The **mental** plane or sphere penetrates the earth, its **atmosphere**, the astral sphere and reaches farther until it almost touches the sun.\*\*\*

We all [and so do the Atlanteans] have in us matter [physical, astral and mental] responding to these planes and of course influencing THEM as they influence US.

\*\* Higher planes [Buddhic etc.] will be discussed later.

\*\*\* Since the moon [mother of the earth] is a dying planet, its astral sphere influences the earth's AND our astral bodies causing often emotional turmoil, and its TALA.

Oh MAHACHOHAN, do stones have an astral body too? Stones, plants, animals are basically of the same metaphysical structure, since he [trinitarian man] gave birth to them. They have just another [yet numbing] consciousness of it.

The three spheres of the earth [physical, astral and mental] have been soiled since the last strokes of the **THIRD ROOTRACE** [Fall of man] AND before. Later they [the planes] have been filled with the physical, emotional and mental presence of the ATLANTIAN SOCCERERS, thus influencing not only the physical but also emotional and mental bodies of their victims. The enemy waits on, and IN invisible plane, oh Lanoo. So do not misuse your chakras\*\* by wrong speech, wrong thought, wrong action. What other people do, is NONE of your business! If you want to help them, help, but do not judge lest you become yourself, what you are judging, because then you are in danger of attracting forces that hover and wait for millions of years in emotional and mental realms, ready to cling to whomever they can get a hold on.

Once we know this, we are aware of the tremendous responsibility concerning all creative artists [writers].

actors, directors, singers etc.] Or in other, and maybe, [helpfully] move shocking words: There is no difference between those who WRITE crimes, or those who commit them. Both are "guilty" and in my opinion the former [writer] even more than the latter [killer]. THE LAW is something that holds a mirror to all of us, a mirror called KARMA. The student of Esoteric science should keep one thing in mind: All that is WRITTEN in THE BOOK OF LIGHT has to be taken LITERALLY, and every word in it weighs a ton. AUM.

Positive and negative mental and emotional "forms" hovering over FOURTH RACE man. THAT, oh Lanoo, is the reason why the Atlantean soccerers were and ARE dangerous, and why we all more or less outlive this karma until today. We have to FIGHT against these influences, but the war is not against anybody, it happens

IN US. A negative thought is ALREADY BLACK MAGIC. Therefore: BE PURE, BE SIMPLE, BE INNOCENT and to add another virtue

BE HARMLESS.

But gain as much knowledge as you can, so that NOBODY shall push you away from THE PATH. AUM.

THE BOOK OF LIGHT sometimes "jumps" over one hundred thousand or a million years or (like in the beginning) even more. Needless to say that, as far as it concerns the root-sub- and almost endless many family races and their branches [pure AND impure], many of them were destroyed many times by minor and [root races] major pralayas (cataclysms: earthquakes, subterranean fires, atom, floods and cosmic fires). Only a few always survived. That gave the spirits time to withdraw and rest in akasic regions, before they would redescend again to continue the wheel of [physical] life and to fulfill the task of each monad which is: THE SPIRITUALIZATION OF MATTER.

A U M

NOAH was never meant by them. NOAH is an ALLEGORICAL NAME, which shall be explained later.

\*Killing hundreds of thousands, men AND animal, by discharge of Cosmic-electric energy through them.

The black magicians of the Atlantean race had a horrible plan. Before attacking the pure ones personally, they decided to WEAKEN them first. So they built a gigantic pyramid inside of their highest mountain, using it thus as an ANTENNA to mesmerize the whole globe and its inhabitants, man AND animal. Inside the pyramid lived ONE monster of gigantic size, created and fed by the energy of the leading black magicians of the 7th Atlantean subrace. NEVER reveal the name of that monster, because whenever its name is called, a part of it awakes to life. IT is mainly responsible for all the surviving of the evil in the world. But since it was created by man IT can only die after [millions and millions of years] mankind [hopefully] will have paid its karmic debts. AUM.

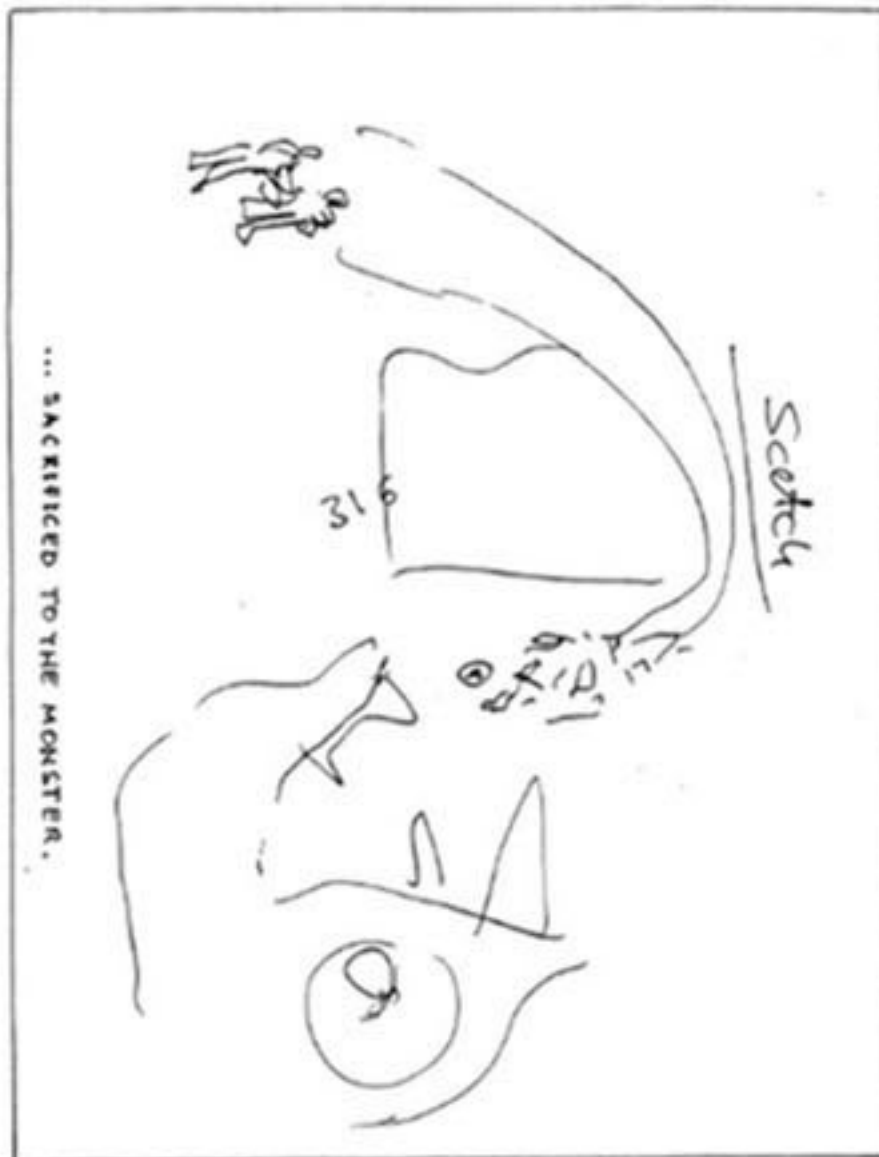

Let us sing the MANTRA every day to fight all evil.  
OM MANI PADME HUM.

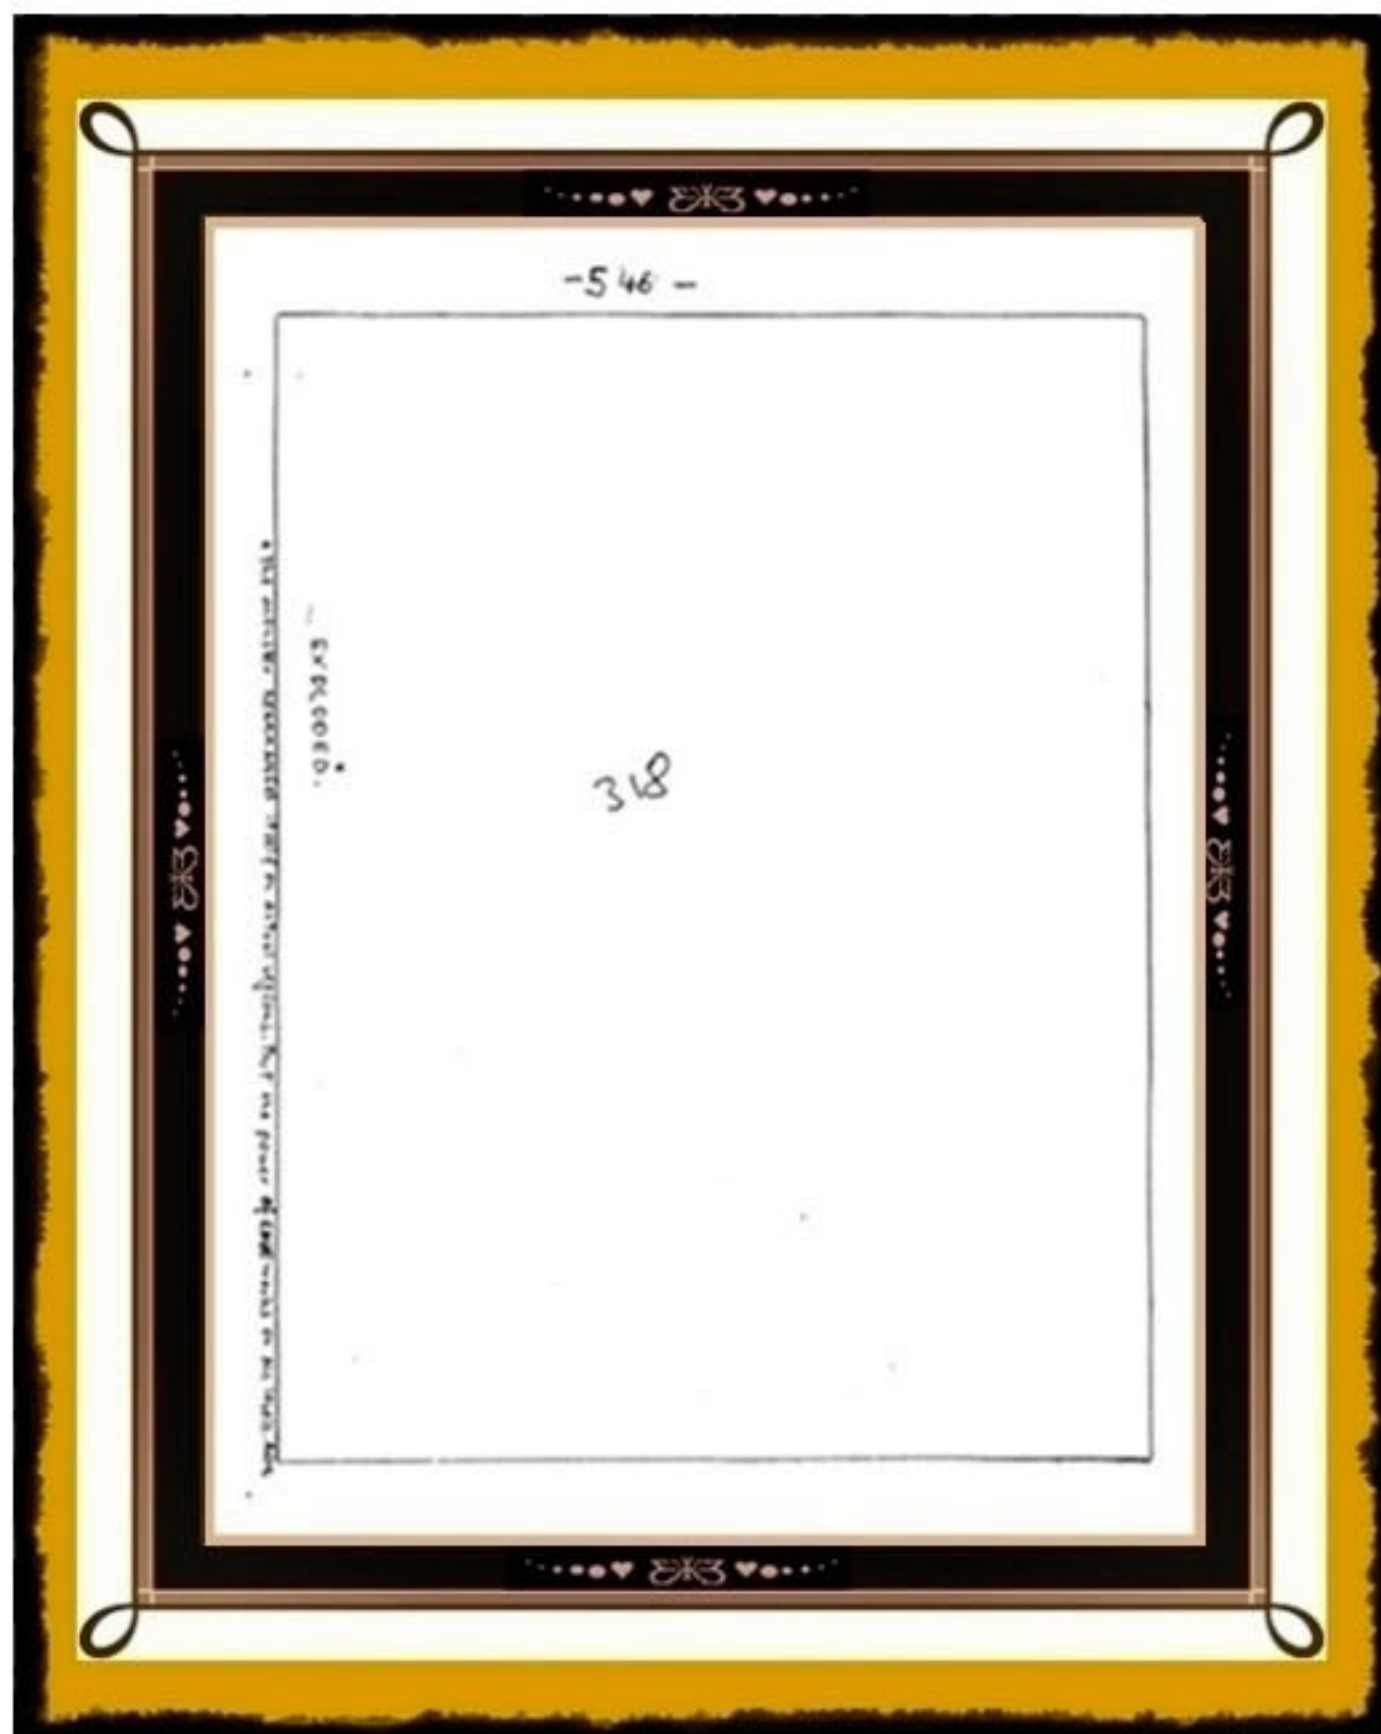

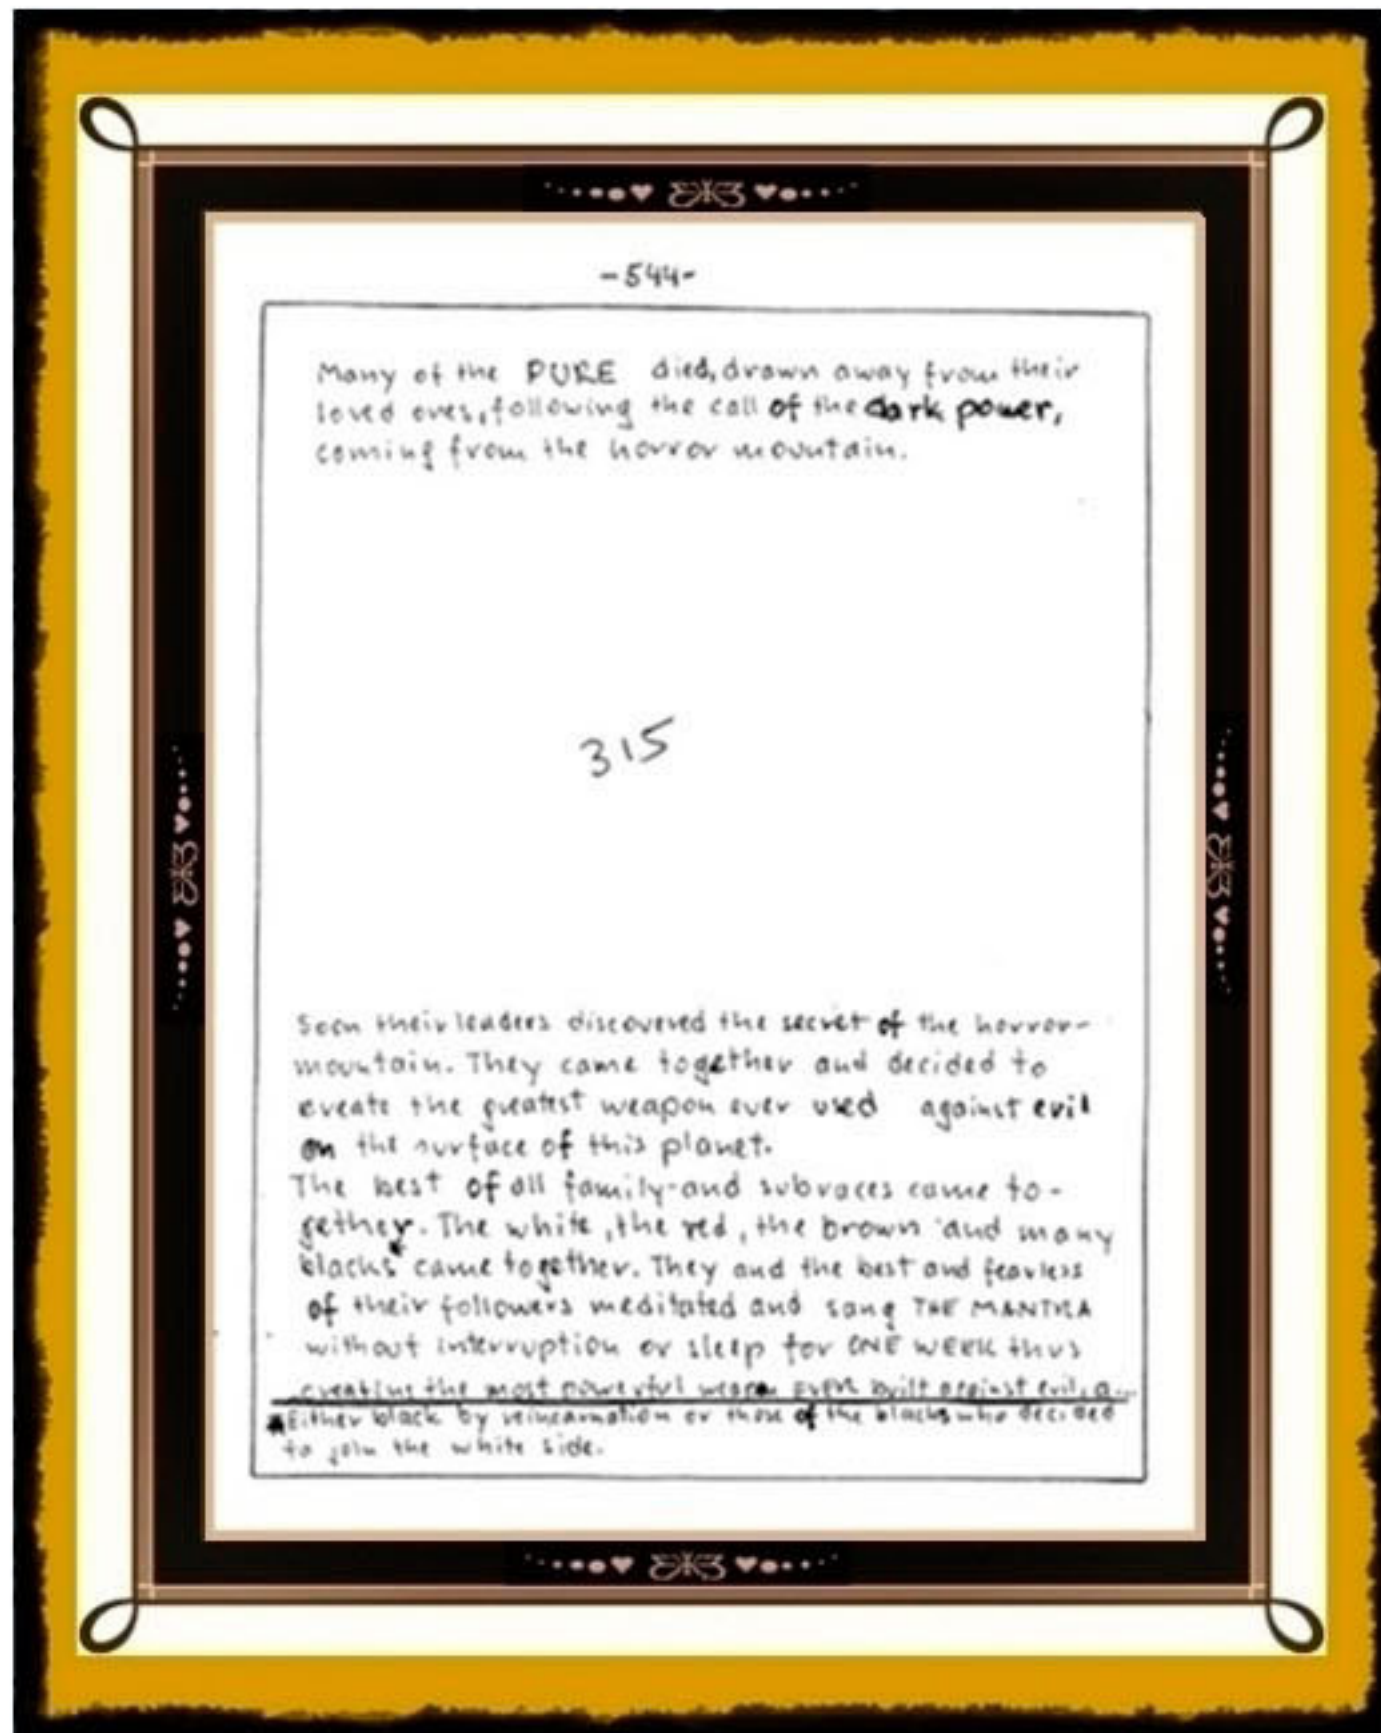

Behold, oh Lanoo ...

By the way pyramids (and their tops) were built in all cultures though - but all ages and all over the globe - or 1000 feet high.

MALEFICIENT [black magic] influence of these opposite powers up until TODAY. I waited until now with the explanation, because we cross at this part in the book THE MIDPOINT OF THE ATLANTIC EPOCH, when Earth AND man had more or less both attained their FINAL STRUCTURE. When I say MAN, I take as PERFECT PROTOTYPE a pure white-magic ATLANTIC successor of those THIRD RACE MEN [Atlanteans are 4th race men], in whom the SATURN ANGELS or MĀNASAPUTRAS, or SONS OF MIND, had FULLY INCARNATED. EARTH and its CREATURES from then until now, have not changed much in their final structure [as to spine, skeleton, organs (inner and outer, etc.)]. In order to be able to correspond on all SEVEN cosmic planes, MAN is [or BECAME] SEVENFOLDED, which means he contains matter in himself, which allows him to be connected with these cosmic planes, being of the same nature. Here are the seven principles in man:

- I. THE PHYSICAL BODY, through and with whom he corresponds on the material [physical] plane.
- II. THE ETHERIC BODY, storing ETHER POWER and keeping the physical alive, by PENETRATING him and reaching a few inches above the SURFACE OF THE PHYSICAL. THE ETHERIC BODY is also called THE PRANA-BODY or LIFE POWER-BODY, and it connects MAN WITH THE ETHERIC PLANE.

\* ♃ = Black Magic. ♃ = White Magic.

III. THE ASTRAL BODY reaches a few inches further than THE ETHERIC and is THE MIRROR, or REFLECTOR OF EMOTIONS, low and high. THE ASTRAL BODY connects us with THE ASTRAL PLANE, or SPHERE, of the Earth.

Consider how many evil astral influences have been created since THE WAR IN HEAVEN, Atlantean sorcery, etc. - UNTIL NOWADAYS, and you can imagine how we [our astral-AND physical bodies] are constantly influenced by these LOW ASTRAL VIBRATIONS. Therefore it is of utmost importance to keep all vehicles [physical and astral, clean, which means: NO MEAT, NO ALCOHOL and of course NO DRUGS, so that we, in our thoughts, emotions and actions are not molested by these evil astral forms [entities].

IV. THE ANIMAL SOUL is the CONTAINER, not anymore [like the ASTRO-BODY] just the REFLECTOR, of emotions. THE ANIMAL SOUL is THAT principle, which had [and has] to be mastered, once our eyes are opened, or once the human is endowed with MIND. Whenever you transform POWER from THE ANIMAL SOUL TO THE SPIRIT IN YOU, you are saved, oh Lanoo. But yield to your lower desires [elemental essence], and you shall suffer.

V. THE MENTAL BODY is your SAVIOUR, because there you decide, using the brain as its vehicle, to direct your will power, wherever you want to: DOWNWARDS into matter, passion, lust etc, which

sooner or later shall lead to DECAY, or UPWARDS to THE SPIRIT and to IMMORTALITY. THE MIND, or THE MENTAL BODY, is connected with the EARTH'S MENTAL SPHERE, which touches THE SUN. The lower, astral, plane is "soiled" with low emotions, the lower MENTAL plane with DESTRUCTIVE, AMBITIOUS, EVIL, NEGATIVE or BLACK MAGICAL THOUGHTS, and it influences you DAILY. Since your MENTAL body has its CHAKRA above [or on] the physical throat, it is likewise clear, that you not only have to control your thoughts and actions, but also each word you say. Read THE BOOK OF LIGHT, sing THE MANTRA and you are SAVED. AUM.

THE MENTAL BODY reaches in general one-two feet above the surface of THE PHYSICAL BODY. THE MENTAL BODY OF THE EARTH touches the sphere of THE SUN. THAT is, why, when you feel happy you are "HIGH". You are then either in high ASTRAL or MENTAL planes. The feeling of being HIGH can also be produced artificially by taking drugs. Drugs are chakra openers, because they affect certain glands, and these glands cause THE CHAKRAS to open, and then we feel HIGH. BUT: After having used the drug the chakra

becomes clogged and depression occurs [until hopefully the CHAKRA is cleaned again.]

VI. THE SPIRITUAL BODY. When you sing THE MANTRA YOU ARE IN YOUR SPIRIT BODY or better SPIRIT-LOVE BODY, or BUDDHI, or also in DEVACHAN-HEAVEN. Nothing can soil or disturb these regions. Impure thoughts or feelings are of too low vibrations to "survive" in these HIGHEST VIBRATIONAL SPHERES. ONLY thoughts and feelings of UNCONDITIONAL LOVE, of COMPASSION, in one word: ALTRUISM, are allowed to enter the LOVE-BODY. That is why, oh Lanoo, the black magician shall lose in the long run, because he strengthens his lower VEHICLES and thus shuts himself off sooner or later from immortal realms. Ironically enough, that is exactly, what the black magician is striving for - IMMORTALITY. But IMMORTALITY on the PHYSICAL PLANE is an IMPOSSIBILITY, since everything is CHANGING CONSTANTLY. Nature NEVER repeats itself and NOTHING stays THE SAME, not even for a second. AUM to ŚIVA, beneficent destroyer. So the CLOSEST we can come to IMMORTALITY in its TRUE DEFINITION IS: IMMORTAL IN CONSCIOUSNESS OR: IN THE SPIRIT. Sing THE MANTRA, concentrate on your THIRD EYE and you are RIGHT HERE AND NOW IN HEAVEN AND IMMORTAL. AUM. THE LOVE-BODY reaches, if de-

veloped, a few meters or more in radius.  
VI. THE SPIRIT BODY. When you transform your consciousness into THE SPIRIT BODY you touch NIVĀNIC REALMS. AUM. These nirvānic realms are even BEYOND DEVACHAN. For instance: There are words to describe the bliss of DEVACHAN, but there are NO words to describe NIVĀNA.

- WHEN, oh MAHĀCHOHAN, shall I experience NIRVĀNA?

- Oh LANOO, there are still many lives for you to come ...

- Is SPIRIT MATTER, oh MAHĀCHOHAN?

- To ME your spirit is a VISIBLE thing, oh LANOO, consequently SPIRIT is MATTER.

- Is MATTER SPIRIT, oh Mahāchohan?

- To YOU I am Invisible, oh LANOO, thus my body is spirit, or: MATTER is SPIRIT.

- Like to an entity, living on the ATOMS and ELECTRONS of my body, MY BODY would be an INVISIBLE SPIRIT, oh MAHĀCHOHAN?

- AUM, oh LANOO.

develop INFLECTIONAL languages, which means that from now on some words indicate certain grammatical relationships [number, case, gender, tense, etc.], or a language in which the subject-object relation is indicated by inflection. SANSKRIT perfected move and move. The AGGLUTINATIVE languages decayed.

\*For instance: Greek and Latin are inflectional languages while English is more syntactically analytical [according to rules of SYNTAX, or orderly systematic arrangement].

All Chakras are from now on established in the human body.

III. THROAT CENTRE ... THYROID GLAND

IV. HEART CENTRE ... THYMUS GLAND

V. SOLAR PLEXUS CENTRE ... PANCREAS

VI. SACRAL CENTRE ... THE GONADS

VII. CENTRE AT BASE OF SPINE ... ADRENAL GLANDS.

But The Book of Light teaches us, that the Energy centres, or chakras, in our body are connected with more than these seven glands.

The "making up" of continents.

The theory taught by Science, that all continents were once ONE continent, who then broke apart, leaving all continents as parts of a puzzle which was once ONE, is SO not correct, or is only partially true. The continents DID BREAK APART, or rather they were PUSHED apart by land emerging from BELOW them, leaving those continents [that broke asunder] as parts of a continental puzzle. Our planet like any OTHER planet is the BREATHING BODY of an Angel, or PLANETARY. And when Earth is breathing, continents are rising and sinking. AUM to wisdom and knowledge.
