About 800,000 years ago in CENTRAL ASIA, end of TRETĀ-YUGĀ, beginning of Dvāpāra-yuga*. The vest of Atlantis [RŪTĀ] submerges*. All seas are decreased in size and purity. Many of the less pure Atlanteans incarnated in [now] less pure Aryan bodies.

*except DĀITYA and the island Plato wrote about. They submerges much later. Nature never works in leaps, oh Lingo...

* $\frac{3}{4}$ of THE TRUTH.

-658-

Karma caused the Spirit-souls to gain consciousness in ALL races AND complexions. "white" souls incarnated in black men, "black" souls in white men, "brown" in yellow, yellow in red, red in black etc.

Those who had fled to Africa*Ea- failed misusing their power among each other. The stronger oppressed the weaker, but ALL of them hated THE ĀRYANS.

They [the blacks] outpowerphized their gods so that they [the leaders] could say "god told me to do so" and thus misused their power over the masses. Oh Lingo, man should never rule over man! Only follow THE SPIRIT. But what they [the blacks] needed was THE BOOK. In their legends they had kept alive the memory of the terrible power, coming from THE BOOK OF DEYAN. Many times they attacked THE ĀRYANS, but THE BOOK [still] was stronger. They [the blacks] decided [the leaders] to study Sanskrit in order to be able to read THE BOOK OF DEYAN. But Sanskrit is the language, destined to be spoken only by pure ones and is pure itself. The black magicians [then] were not able to learn Sanskrit,

*more exact: to what is NOW called AFRICA AND SPAIN, because they both were [then] CONNECTED. *NEW HUMANIZED.

*BUT: THE ORIGINAL BLACKS BECAME BLACKS, they were not born that way.

but the wonder happened, and some of the Left-hand-path followers decided to become a white magician, to give up the EVIL in order to understand SANSKRIT and THE BOOK OF DRYAN. They had left their continent and went to the ĀRYANS, telling them that they would be now on THEIR side, and the Āryans believed them. After having learned SANSKRIT and read THE BOOK OF DRYAN, some of the [former] Black magicians became weak again and mis-used [first slightly] their power. But, how, oh MAHACHOHAN, could the [former] impure ones abuse THE BOOK OF DRYAN just by reading it? It did not only happen to them, but even to some of THE ĀRYANS, oh Lauro. The reason is: KUNDALINI. Spiritual lecture awakes FIRST KUNDALINI which, of course, has to be transformed into SPIRITUAL energy, which is FOBAT. But this process is a NEUTRAL power, stronger than any of the weapons YOU know. Once awakened, it strengthens EQUALLY the pure AND impure aspects of the student. To become spiritual or to read a spiritual book is like FASTING. All the poison in you is pushed to the surface and into your bloodstream.

* Sexual energy

making you [first] weak, nervous, aggressive, hysterical [or worse]. But once the poison [or evil] is cast out by SPIRITUALITY, your vehicle, or body, is pure enough to become once again the true temple of God. But many of the students had not the endurance to transform Kundalini upwards, and so they transformed it DOWNWARDS in order to SATISFY their lower desires [lust, passion, greed, ambition, etc.] Another reason for the degeneration of races is: Spirit dives in and out of matter. At its lowest or deepest point even the strongest spirit [often] loses control over its vehicle, and the vehicle begins a life on its OWN, uninfluenced, but also UNTHOUGHT, by the SPIRIT, which [many times] results in CHAOS. Now even some of THE ĀRYAN INTELLECTS fell, changing their INITIATION ceremonies into sexual worship! You see, oh Lauro, even the FOREST can fall easily [and even more easily than those, who just choose THE MIDDLE PATH] if he [the pine] decides to send KUNDALINI DOWN to the LOWEST CHAKRA. KUNDALINI IS MAGIC, oh Lauro, and you decide it to be BLACK or WHITE MAGIC, or: when Kundalini awakes, *or is awakened in somebody, who is ALREADY prone to vices, passions, ambitions etc., it will, first, even INTENSIFY these aspects.

* No permission to explain further.

Oh Lauro, never misuse the knowledge of the seven-folded nature of man. When many ĀRYANS and most of the remaining pure AND impure [African] ATLANTANS fell more and more into MATERIALITY, misusing the holy scriptures, one of THE LORDS OF THE FLAME decided to confuse the ONE lip of all HUMAN S into many languages and scripts by changing etheric-physical structure of their hind-brain, thus erasing their memory of the ONE language. Casualty mentioned on the ESC. Why now and not earlier, oh MAHACHOHAN? - Because each power in the universe can only act and react inside the limits of ITS KARMA. Do not forget, oh Lauro, we all have to decide for OURSELVES for THE PATH, in order to enjoy NERVANA consciously, and not like in a dreamless sleep. From then on [750,000 years ago] the nations and races developed their OWN languages and alphabets AND holy scriptures, or their INTERPRETATIONS of it, each claiming for themselves to be the founder and origin of this TRUTH. All holy scriptures of today describe nothing else, BUT what happened during the more than 3 1/2 rounds of this planet EARTH. But, oh Lauro, it's

which later caused the many different SCRIPTURES.

written in symbols, and the masses, including their priests, take the symbols for REAL. Mankind as a whole fell more and more into sin [with few exceptions], allowing the physical to dominate more and more the spiritual. So they adapted THE TRUTH, or THEIR VERSION of THE TRUTH, to their lifestyle, and what was once meant to be spiritual, became SEXUAL worship in a hypocritical garment, practiced also [much later] by those, who called the [few] knowers of THE TRUTH heathens, because they were not interested in the world and its illusions and lived in groups or alone on wast- or heath- or heathenland as priests, or [in latin] pagans, or PAGANS. Those who lived in the cities called their TRUTH "a way back to the source, or to bind back, or to bind together" or RE-LIGIO or RELIGION. So let us get back to the oldest Āryan scriptures, written more than 600,000 years ago, THE VEDAS. - Wait, oh MAHACHOHAN, reveal to me the language and script that was BEFORE SANSKRIT.

The angel hesitated, then spoke a few words:

* Tho-ag in Zhi-gyu slept seven kherto. Todmoust thibo, All Nyug bosom. Kouch-hog ut; Thyau leam not; Lha-Choon not; Teubel Chugnyi not; Dhawakaya ceased; Tgenchang not become; Teubel Chugnyi not.

At least they were [maybe unconsciously] so honest to admit, that there WAS (was) a source.

Dharmakaya ceased; Tseruchang not become; Barukup and Ssa in Ngovoyidj.]

Without understanding Sentev I "understood" that the Angel had just recited to me the first four verses of the BOOK OF DZYAN in Sentev.*

- Move, oh MAHACHOHAN!
- Let the dead bury their dead, oh LAOO. **SAMSKRTA**, or Sanskrit, means, and IS, perfected or perfect. IT is the language of the past and shall be very soon the language of the pure ones of THE SIXTH ROUNDCAGE, of which I announce you as THE FOUNDER, oh LAOO. Spread the knowledge, lead all nations back to the light. Use Sanskrit. AUM.

THE BIRTH OF THE VEDAS (more than 600,000 years ago) FOUR VEDAS (but one song) were written, for each round one. We are now in the FOURTH ROUND, oh LAOO.

THE TRUTH had to be saved and to survive. In the same way they foresaw [as ATLANTIDA'S 150,000 years ago] the coming of THE GREAT WATERS, the holy men of THE ARYANS knew NOW, that a high DEVA would come and scatter the ONE language into

AND beginning ARYANS.

the angel declared Sanskrit to be HIGHER than any other existing language.

many languages and scripts. Some of the most pure and holy men of THE ARYAN RACE [Initiates] met about 600,000 years ago in an AKASA, hidden place called now SAMDHALA to translate THE BOOK OF DZYAN from SENBAR into SANSKRIT.

387

And because THE BOOK OF DZYAN contained the ULTIMATE knowledge, they called the new book "KNOWLEDGE" or VEDA*. Having this knowledge received even BEFORE the book of DZYAN was written, while sitting at the feet of angelic teachers, they called these EARLIEST portions of their VEDAS UPANISHAD, which is: "Instructions received, when sitting down at the teachers feet"

* From VIO - to know.

AUM. When all verses of THE BOOK OF DZYAN were translated and interpreted from Senbar into Sanskrit, THE BOOK OF DZYAN disappeared out of THE HOLY OF HOLIES, right before the eyes of the INITIATES.

388

The holy men wept. "Purity is gone forever" they said. Behold some examples, of how the ARYANS transformed THE BOOK OF DZYAN into the first [and purest] VEDAS. AUM. Some of these Sanskrit words from the VEDAS have been chronologically anticipated in what is what THEY thought, but now THE LAW is back, written in THE BOOK OF LIGHT, shining as a beacon of hope for more than 400,000 years of KAL YUSA yet to come.

THE BOOK OF LIGHT. For example: BRAHMAN, PARA-BRAHMAN, MÜLAPRAKRITI, KARMA, DEVA, AKASA, KUNDALINI etc., in truth all these words appear, and have been used, when SANSKRIT was born out of SENBAR. AUM. ^{NOTE}

Terms, used in THE VEDAS compared with those used in THE BOOK OF DZYAN, oldest book of physical [and spiritual] in our kind.

① THE PRIMORDIAL SEVEN** or SEVEN RAYS, or FIRST Emanations, or also called "collective hosts" or "celestial beings" or in Senbar AH-HI, were called in THE VEDAS the DEVAS, or the shining ones, derived from the verb root DIV-to shine.

② the HOLY TRINITY was called in THE VEDAS
BRAHMAN [creator] VISHNU ŚI VA or
The expander the sustainer the [beneficent] destroyer

^{NOTE} I used these Sanskrit terms purposely "before their time" to make the reader at an early stage acquainted with a language, that once was, and in a not too far future shall be again, the ONE and only way of communication in visible AND invisible realms. AUM

- ⑫ Another name for THE ONE*, or BRAHMAN, was [in the VEDAS] EKA, which means THE ONE.
- ⑬ Every thing [except PARABRAHMAN] was called TAT in Sanskrit, meaning TAT the indescribable aspect of PARABRAHMAN. TAT, whence derived later the English THAT. Sanskrit, oh Lanoo, is the root of all languages, but also of all POWERS [when humanized through word and script].

⑭ The SLUMBERING WATERS OF LIFE** [or CHAOS] were called in Sanskrit MŪLAPRAKRITI, or ROOT MATTER, which actually means: matter for its IN-VISIBLE abstract-chaotic aspect [in complete dissociation [but NOT annihilation, which, per se, does not exist at all in our universe]. And since the ROOTS MIT [PARABRAHMAN] hovers OVER CHAOS or the "waters of life" it was symbolically described as a SWAN, and because forever incomprehensible to us [because BEYOND comprehension], it was A BLACK SWAN, or KALA-HAM-SA or

VI. FOHAT [cosmo-electric energy] is called THE STEER and THOUGHT [universal mind and, or, the ability to build a planetary chain] the RIDER* [in the VEDAS we find FOHAT described as VISHNU [also as VISHVU] or, a * manifestation of the SOLAR ENERGY].

V. The PRIMORDIAL SEVEN from THE BOOK OF DžYAN and their almost endless many emanations were translated in Sanskrit in THE VEDAS as PITRIS, RISHIS, SURAS, ASURAS, DALTYAS, ĀDITYAS, DANAVAS and Gandharvas etc.**

The ETERNAL BREATH was [in the VEDAS] PRĀṆĀ^{***} [energy existing on all levels]. Later Prāṇa was [on the lowest physical plane] misused by practice PRĀṆĀYAMA [constraint of breath] and Haṭha yōgā, which is, if desired, of the physical aspect, simply black magic.

Emanations out of, or from, THE ABSOLUTE, without intermediate of FATHER and MOTHER [but not DRAS], were called in the VEDAS AVATĀR, which is derived from the verb root ava - down and tyā - cross, or: to cross down. AVATĀR, from whence the later German word VATER or FATHER. They said [2000 years ago] that JESUS was an AVATĀR, but apart from the fact that

 *** also: aspirational breath, or the vitalizing aspect of THE GREAT BREATH, which one day [in more than 1000,000,000,000 terrestrial years] shall SHOULD begin, and then THE UNIVERSE will disappear, to reappear, after 100,000,000,000 years from then - AUM.

his real name was NEVER JESUS, he spoke about YOUR father and MY father, or about exactly HIS FATHER, to whom he would ascend, so he [JESUS] must have been INFERIOR to the FATHER or EVEN [maybe] to an AVATĀR and could have not been possibly a FATHER or AVATĀR HIMSELF. And when he said: "I and my FATHER are ONE" he simply meant, that he had Merged into his HIGHER SELF, or his FATHER IN HEAVEN. The "ARMY OF THE VOICE" in the BOOK OF DžYAN*, or THE DIVINE SEPTENARY, became in THE VEDAS the EFFECT OF THE DIVINE THOUGHT, which are indeed SOUND and SPEECH. And through THE WORD everything came into existence, because THE WORD contained THE LAW. Or: THE WORD is the EVOCATION OF A THOUGHT. NO THOUGHT NO WORD. AUM. BUT THE ARMY OF THE WORLD is also BRAHMAN, as sum total of all SEVENFOLDED POWERS, or NUMBERS [1,2,3,4,5,6,7], from NO-NUMBER, 0**. VOICE itself was seen in THE VEDAS as FEMININE and was called VĀCH, or "the SOUL OF SOUND", which again can only be a THOUGHT, CAUSING that "Sound", which becomes TRUE SOUND only on our material [and astral] plane. FOHAT is said to have [Book of Džyan] a "VOICE". He lifts his voice and calls the innumerable spawles... Behold, oh Lanoo, EVERYTHING

* BOOK OF DžYAN, Stanza II/2, COSMOGENESIS.
 ** when the UNIVERSE came into existence through THE WORD, this "WORD" could not be heard, like we hear NOW, because ONE, or I, is also not a number, or it is: a NO-NUMBER.

in nature and this UNIVERSE has a VOICE. THE SPHERES emanate SWEET MUSIC. THE WIND creates a DIFFERENT sound in trees, than in THE DESERT or in the CITY*. Thus all things are SOUND, because they are CREATED by SOUND [or by: THE WORD]. AUM.

Oh Lanoo, in THE BOOK OF DžYAN PARABRAHMAN reflects an aspect of ITSELF in CHAOS. This is a SACRIFICE. We could say, the "aspect" is THE SON OF PARABRAHMAN and becomes, when sacrificed or "crucified" in CHAOS, the UNIVERSE, or BRAHMAN.

In the VEDA-PORTION [Katha Upanishad], the boy NACHITEKAS** is offered by his FATHER to DEATH. All these transformations and writings are and were SYMBOLIC and have in their TRUE ESSENCE, as we can see, a HIGHLY SCIENTIFIC SIGNIFICANCE. THE FATHER sacrifices THE SON, or: SPIRIT [the Father] puts a portion of itself [THE SON] into INCARNATION, thus truly the SON DIES, because, what is "Life" to us, is death to the SPIRIT. The Spirit LIVES again, when the PHYSICAL BODY DIES. THEN THAT PORTION, which was INFLESHED or INCARNATE [THE SON] is FREE again and RETURNS TO THE FATHER, from whom it was SEPARATED. EMPTY SOUND accumulates into a FA.

* because there was no air to create SOUND WAVES, and NO EARS TO HEAR THE WORD*, yet IT WAS THERE, and IT WAS THEN THE THOUGHT behind that "WORD", which WAS THE WORD.
 ** NOT CONSCIOUS, from na - not, chitekās - conscious.

And here, oh Lauko, the FIRST mistake, in compiling
you during compilation from THE BOOK OF OZYAN, passing
THE UPANISHAD prior until final written down in
THE VEDAS, was committed.

This sacrifice of the FATHER [by offering the son to
DEATH] was analyzed, as if the FATHER would

or the incarnated part or THE SON from the bonds
of physical being and thus causing his death,
or, and, calling him thus back to the father.

would cause fatal consequences for
cultures and nations [races].

from CENTRAL ASIA, changing the climate and

"dwarfed" into what is now the CASPIAN SEA, the
ARAL sea, Blackish and De [Alma Ata], etc. When
the sea covers a sinking continent, it retreats
from other shores [for example Central Asia].
THUS the sinking of Atlantis turned Central
Asia into wasteland and desert and forced the ARYANS
to leave and to be confronted with enemies from
former incarnations.

The Aryans HAD to leave their continent. This did not happen in our day, or year, or thousand years, but hundred thousands of years. They left in their ships and airvehicles towards what is now EUROPE, EGYPT, AMERICA, INDIA, AFRICA, etc. and many other continents, which slowly submerged out of the waters, while others [including Atlantis, but not Central Asia] slowly sunk. But the immigrating Aryans were not welcomed by those, who inhabited these continents. The Africans and other people on other continents recognized them from their passed on legends as the ARCHENEMY, who once defeated them. "Go back wex you came from!" they said.

CHINA

Once Sanskrit was scattered into many different languages, the EXODUS from a dying continent [Central Asia] began. Those whom we call now CHINESE were Arya-Atlanteans, migrating to what is now known as CHINA. Or: Chinese are remnants of Atlanteans, pure Atlanteans, who followed the EXODUS of the Aryans from ATLANTIS to CENTRAL ASIA, after the deluge had swallowed most of the Atlantean survivors. But the CHINESE are of course also mixed Aryans, because they are Atlanteans who intermarried with the pure Aryans. Even in those days the Chinese were called [in Sanskrit and later in Sanskrit] those with the jawbones, or high cheeks, or "chins", whence CHINESE. But their structure was [not yet] as it is now.

390

CHINESE 150,000 years ago.

* dying* throughout hundreds of thousands of years of course until today and further in the future.
** mixing them with aborigines.

- 676 -

Oh Lanoo, they will be soon doomed to extinction, although after a high point of culture yet to come*. But THEN, in a few thousand years, they [the Chinese] will be gone forever, and their Spirits will seek new bodies, in whom to incarnate. Why do they have to vanish, oh MAHACHOHAN! Because it is the destiny of all races, oh Lanoo. Can't the yugas. They [the Chinese] are descendants of the 7th subrace of the Atlanteans. The waves roll out and break at the shores to withdraw and come back again. And it is NEVER just the same water, because it will be mixed with new waters. Thus the CHINESE shall constantly mix with other people until there are no more pure CHINESE and eventually no more CHINESE AT ALL.

But 100,000 years ago they were THE NATION, versed in ALL SCIENCES AND white magic. They were still able to fly their vehicles just by will power and to build their houses and temples by extracting ETHER from MATTER.

But KRISHNA SAKTI did not work as perfect as in the TERTIO and early DOWNTIME. They had of course first to build the form they had in mind. It did not just appear before their eyes like in

* in just a few years from now the CHINESE shall influence the world stronger than ever.

the early days of ATLANTIS.

Purity in general had decreased and now, that they had left their sacred safe continent, the Chinese were immediately attacked by Afro-Atlanteans and other sorcerers. They, the sorcerers, sought REVENGE. The GREAT EXODUS was still fresh in their memories, passed over as history from generation to generation. But the Chinese DEFEATED them. The Sorcerers flew back to Africa and Lanoo* and to other continents, healing their wounds, building new cities and cultures, but with hearts full of hate and evil...

The CHINESE had all the knowledge and wisdom. But knowing that one day the enemy would come back, their whole philosophy was based and built from then on of how to trust themselves and how to hate the enemy. But hate is hate, oh LANOO, and there is no right or wrong, because KARMA IS IMPERSONAL. Therefore HATE shall ALWAYS turn back to the HATER, or the SOURCE of this emotion. Thus, eventually, the CHINESE became, as time went by [thousands of years] even mistrusting towards each other and started wars amongst themselves. Only in times of massive attacks by the sorcerers, they [the Chinese] united to

* what would LATER become CEYLON.

fight the enemy. Evil can only create evil, oh Lanoo. Hate NOBODY.

The architecture of the Chinese cities resembled very much the ANYAN Architecture, but since they were surrounded more and more by [own and the enemy's] violence, each building, each city was built like a WAR MACHINE, constructed for ATTACK as well as for DEFENCE. Each city turned into a fortress by a protecting dome of transparent glass like material.

CHINA turned into a gigantic fortress containing little fortresses. And the CHINESE themselves turned into a schizophrenic Nation. Mostly positive towards their own people [in spite of internal wars] and EXTREMELY CRUEL towards the enemy*. This cruelty formed the physiognomy of the CHINESE throughout more than hundred thousand years, resulting in slit-eyes.

They [the Chinese] CULTIVATED all these negative faculties and became the most intrigued and feared nation in the world. Many of them turned to the other side [Sovereigns] where they could develop these negative aspects even more scrupulously.

The priest of them, following and practicing the INITIATION RITES of symbolic crucifixion, passed on [wrote down] the holy truth of THE LAW in scriptures, which they called KIU-TE, written around the manuscript, the book or oryam. The sovereigns left ATLANTIS to go to war against the now less protected ARYANS, they even attacked them in their homeland Central Asia, thus forcing them to leave. This happened throughout a time period of more than hundred thousand years. Those of the Atlanteans, who remained on the continent, degenerated more and more...

- Oh MAHACHOHAN, did ALL ARYANS forget Sanskrit, the holy language of the INITIATES?

INDIA [then] called BHARATA

this memory had not been ERASED by a MASS DEVA. It [Sanskrit] became solely the language and script of the ARYANS. AUM.

With Sanskrit, or Sauskrita, in their hearts and the knowledge of the UNIVERSE, written in their VEDAS, these pure ARYANS left Central Asia about 50,000 years AFTER the Chinese. They [the Aryans] headed southwards to what is [now] called INDIA. Descendants of the 6th and 7th subrace* were already THERE. They were the ANCESTORS of today's PERSIANS. They had arrived before the Aryans in what is now called INDIA. They came from the lower south of Central Asia** and showed no hostility towards their brethren, because coming from the same Aryan continent, although late Atlanteans, the Persians could be called Aryans as well.

So the first meeting between Aryans and Persians in INDIA was peaceful [notwithstanding the different opinion of scientists]. The ARYANS settled down at a river, called by the Persians HINDHU***. From then on the PERSIANS called their Aryan brethren HINDUS. SO HINDU is a Persian word, because the Persians had developed their own language, since they had "forgotten"

* now called SFINDHU.

** what is [now] TRANS.

↳ of the ATLANTEANS

*** They were of greyish-blue complexion, so they were [later] called PERSIANS, from the Latin PERSIS = greyish-blue.

-684-

[Like all other nations except the ARYANS] their mother-language, which was SANSKRIT. AUM.

The territory of the Aryans in INDIA became STHANA or "the abode" of them; hence it was called the abode of the HINDUS or HINDU-STHANA or HINDUSTHANA.

That is why we can say, that the HINDUS are ARYANS, or as "Aryan" as possible.

- I don't understand, oh MAHACHOHAN?

- Show me one "pure Aryan" or Atlantean or Lemurian, oh LAOO. There IS and WAS none. They all derived from each other: The Aryans out

of the Atlanteans, out of the Lemurians out of the EGGHORN out of the SWEATBORN out of the ASTRAL RACES out of SPIRIT. Only Spirit is PURE. AUM, AUM.

Does not ARYA mean "HOLY and WORTHY and WISE"? Therefore: only Spirit is ARYA, and we ALL, if we would just live up to the spirit, but even if NOT, are [in our ORIGIN] ARYANS, all from ONE Svabhavat. AUM.

About 550,000 years ago.

The Aryan HINDUS and their Persian brethren lived in peace together and founded a grand and morally high developed culture. To witness the existence of their nation and epoch, they enlarged the astronomical work of the ATLANTICAN ASURAMAYA, by recording EXACTLY the constellation of the ZODIAC. Many

-685-

of the HINDU INITIATES travelled to the holy places, where the ATLANTICAN initiates had placed their sacred stones, which pointed EXACTLY towards the position of the ZODIAC, a few million years ago and they corrected or added this knowledge compared to the NOW position into which the ZODIAC had moved. Oh LAOO, everything written, UNVEILED in the BOOK OF LIGHT and veiled in all holy scriptures of the world, can easily be proven by simply studying the astronomical records of the Aryan HINDUS. THEIR ZODIACAL positions and dates, strictly scientific, compared with ours of today, show: even to an amateur ASTRONOMER, that millions of years must have passed since this constellation even has been WRITTEN DOWN.

- Isn't it because of the INITIATES, writing down the TRUTH in VEILED SYMBOLS, that these symbols were taken LITERALLY and degenerated later into what we now call religion?

- yes, Oh LAOO. Knowledge is power, and the INITIATES did not want to reveal the TRUTH for two reasons. (1) They were afraid that the knowledge would be misused by the profanes and (2) Some INITIATES enjoyed the POWER

* They were convinced, that is why they destroyed all books and scriptures, who could unveil the truth about the age of mankind and the UNIVERSE. Why did they do it? [as we will see later] They did it to defend THEIR religion(s), in order to keep the masses ignorant [and keep having power over them]

-686-

this knowledge gave them, because in those times THE INITIATES were the KINGS, and THE KINGS were the INITIATES. So they kept the knowledge for themselves and fed the MASSSES with something that suited more their level of consciousness - RELIGION.

This ULTIMATE knowledge was passed on NOW, as before, in INITIATION CHAMBERS, revealing the WHOLE TRUTH to the fit candidate.

HE WAS BOUND ON A CROSS [and then untied and laid into a stone coffin].

or OVIJA, AUM. **from whence later THE MARGINES or SPRINKLES.

-689-

THE INITIATES had still great power. But when they wanted to REBELLO the pyramids from Atlantean times, they FAILED. They had lost the ability of extracting ether from matter, and no machine could move, or create, a pyramid, necessary to fulfill ALL astro-mical functions. They used houses and subterranean crypts as initiation chambers, but their DREAM was to rebuild [one day] THE PYRAMIDS. They knew, the only way to regain that power would be PERFECT PUNTY, UNINFLUENCED BY ANY WORLDLY DESIRE.

They chose SELECTED BABIES, and educated them in SUBTERRANEAN caves. These babies grew up, NEVER seeing ANYBODY else than their teacher, never seeing the light of the day. Masters of transforming Kundalini they were, endowed with ALL the knowledge of universal chains and rounds as well as KNOWERS OF BRAHMĀ. The only time they saw a woman, was to unite physically with her in ORDER to create new life, a new SUPERBORN that hopefully one day would become a TRUE INITIATE, master over ĀKĪŚĀ. AUM.

And because they were KNOWERS OF BRAHMĀ, those purest of the purest ĀNYĀMĒNĒŌŚ called themselves EXPANDING MĒNOS, or BRAHMĀNĀS

or BRAHMĒNS. AUM. The puny they became, the puny were the spirits, which INCARNATED in them. Note well, oh Laoos: It is the BODY, which attracts the SPIRIT and NOT THE SPIRIT, which attracts the BODY. Meditate about THAT and keep your temple CLEAN. AUM, AUM.

WAR

War and peace are KARMA of NATIONS. Between persons we call it - RELATIONSHIP. KARMA never forgets. The descendants of the sorcerers reached INDOA as well as CHINA and other continents, where the people of Central Asia had immigrated. Those of the FIFTH race who did not leave the continent, their homeland, once cradle of a pure race, fought and died, won and lost in endless periods of war and peace, throughout thousand of years, witnessed by the seeds of a growing desert, now called GOBI, but THEN called by Chinese AND HINDŪS SHAMO, and its [until today] secret place SHAM DALLAH or SAMSHALA, which means "HAPPENESS OF THE SUN."

** This word, or the MAGIC of this holy word has been abused but victims of BLACK MAGIC, like MICHAEL JACKSON. He repeatedly uses this word in one of his songs.

** ONCE an island [3rd race] then submerged [FIFTH RACE] then emerged again when the waters receded. From CENTRAL ASIA and eventually now a desert. AUM. ** IS IT VIETNAM OR IRAK.

Why did the Sovereigns attack again and again, oh MAHACHOHAN? why couldn't they live in peace with the **ĀRYANS**?

- Because of the **SECOND GREAT EXODUS**, oh Lauoo. They could not forget the disgrace. The **ĀRYANS** defeated them not by war power, but because of **KNOWLEDGE**. They [the **Āryans**] simply knew that the **FLOOD** would come, and the **Atlantean** sorcerers did NOT know, because the **GOOS** did not warn them. But they warned the **ĀRYANS**, that the cycle was over [end of **KALIA YUGA**]. But there is another reason, why the **black magicians** did NOT know. Highest knowledge is in **HIGHEST Ākāśic** spheres. **NO BLACK MAGECCAN**, no matter how "good", can reach these spheres, simply because these are spheres and planes of **LOVE**, or: so high vibrational, that an evil low vibrational thought, or mind, simply would not **FUNCTION THERE**. That is, oh Lauoo, why **BLACK MAGECCANS** in reality are **STUPID**, or better - **IGNORANT**, or not as **KNOWLEDGABLE** as **WHITE magicians**. They [the **sovereigns**] do not want to **SEE** the truth, and only a **FEW** of them ever switch to the **GOOD** side. What else can await them but **SUFFERING**, until they learn and **UNDERSTAND**.

* The **FIRST** happened when the **THIRD RACE** left the **NORTH POLE** regions. **66**

The **ĀRYAN HINDŪS** enlarged their holy scriptures, or **VEDAS**, as time went by, and in writing and **REWRITING** them, they veiled the truth more and more, so that it might not fall into the hands of the profane or, even worse, the **SOUCERSKS**. Everything was written in **SANSKRIT**. But now that the angels had [again] disappeared out of sight and the **THIRD EYE** did not function [fully] anymore, they [the **HINDŪS**] had to call them or **SONG** to them in order to at least **FEEL** their presence. Or: they awakened the **pituitary gland**, which is connected with the **THIRD EYE** and was thus able to correspond with the **DEVAS** and other higher cosmic powers, **RŪPA** and **AKŪṢĀ**. Thus the **Brahmin** sages created invocations to address the **HIGHEST**, which is - **BRĀHMAN**. In order to do so, they had to pass through their **OWN** higher self AND THEN the **HIGHEST SELF** of our solar system, which they declared as **MASCULINE** [compared to the neutral **BRĀHMAN**]. That was, when the name **BRĀHMĀ**, or **BRĀHMAN** as **MASCULINE** power, appeared for the first time in the **VEDAS**. And with the **NAME WORSHIP** was [in]born. Behold, oh Lauoo, decrease of purity touches even

* From - **AND** forward.
* The angels were still on their **OWN** level, but the **HINDŪS** [no matter how good] were not anymore on the **ANGEL'S** level. **AUM**.

the **VEDAS**, by introducing **WORSHIP** and the name of **BRĀHMĀ** [masculine]. But the **HINDŪS** did not at all think of **BRĀHMĀ**, the **HIGHEST SELF** of our solar system, as a **MAN** but more as an **EXPANDING** and **PENETRATING** power. This happened about **350.000** years ago. How did they worship **BRĀHMAN** and the **DEVAS**, oh MAHACHOHAN?

They **SANG**, oh Lauoo, thus awakening the **pituitary gland** and its [almost] degenerated **THIRD EYE**, which is more an **etheric power center** than a **real eye**. These songs were **MANTRAS** like **OM MANI PADME HUM**. But a **MANTRA** must not necessarily be sung, it can also be thought or spoken. We can say, these worship songs belonged to the **Mantra** portion of the **VEDAS** and were called **GĀYATRĪ**, from **gai** - to sing, or a sung verse, which is **GĀYATRĪ**. The **GĀYATRĪ** were mainly directed to the **Central sun**, spiritual root of all visible suns. The **Central sun** is **SĀVITRĪ**, which means: **THE URGER** or **TO URGE**, because it is the invisible, but **URGING** spiritual principle, which awakens the "real" visible sun, called **SŪRYA**. Reveal now to me a **GĀYATRĪ**, oh MAHACHOHAN.

* It was a **REAL EYE** in the **3rd** and early **4th** race.
* Penetrating like the **ABSTRACT** spirit in **CHAOS**, and **not** like the **RABBIS** try to make us believe: **Penis** in the vagina.

- Behold, oh Lauoo, an invocation to the spiritual sun or **SĀVITRĪ**, written and practised more than **350.000** years ago.

Sanskrit version [in phonetics].

TĀT SAVĪTUR VARĒNYAM
BHĀRGO DEVASYA DHĪMAHI
DHIYO YO NAH PRACHODAYĀT

Behold, a secret, oh Lauoo. The words can be **READ** one after the other, but should not be **TRANSLATED** in that order, but in the order of the number over them. **AUM**.

TRANSLATION in the order of the numbers:
LET US MEDITATE ON THAT MOST EXCELLENT LIGHT OF THE DIVINE SUN THAT IT MAY ILLUMINE OUR MINDS. Behold a translation, an **ESOTERIC** translation, by one of the greatest thinkers of this century **Dr. Gottfried de Purucker** [1874 - 1942]:

* O thou golden sun of most excellent splendor, illumine our hearts and fill our minds, so that we, recognizing our oneness with the Divinity, which is the **WRITTEN** order is correct and no secret at all, but the chosen words are. No computer could unveil the secret you are beholding now, oh reader.

HEART OF THE UNIVERSE,
May see the Pathway before our feet, and tread it to those
distant goals of perfection,
stimulated by thine own radiant light."

But the REAL truth is, that the DIVINE SPIRITUAL
SUN CONSTANTLY meditates upon US, we just have
to KNOW about it and then open the windows
of our hearts and souls to it. Oh Lahoo, you
have to meditate on NOTHING, just MEDITATE
and when I say to you, meditate on THAT,
I simply mean let it be your last thought
and then LET GO and meditate. Just do
SOULBREATH, LET GO, LET BREATH and your
Soul shall fly...

Now, oh MAHACHOHAN, reveal to me the TRUE
Significance of the Sanskrit GAYATRI, there
must be more to it than even these two esoteric
definitions.

Behold the wonder, oh Lahoo, only INITIATES are
allowed to have this knowledge, but now that the
question comes from YOU - I have to reveal the
SECRET to you.

This FRIEND KEY leads you to the path of INITIATION
[but not yet THE READER]. Again, oh Lahoo, write
down the Sanskrit terms with the numbers above

* UNLES he lives "the life" and reads THE DEEP OF LIGHT over and
over again until his arundhachakra OPENS.

them [but now in COSMOLOGICAL order].
HYMN TO THE CENTRAL SUN*

TAT SAVITUR VARE NYAM
BHARGO DEVASYA DHIMahi
DHIYO YO NAH PRACHODAYAT.

I shall not have to give you the answer, oh Lahoo,
but you will unveil the TRUE SECRET of this
GAYATRI YOURSELF by answering ME.

- What is COSMOS in eternity BEFORE any
awakening of universal life?
A circle, oh MAHACHOHAN.
Draw it.

What is periodical?
The GERM or point in the CIRCLE.

* added more than 300,000 years ago to THE VEDAS.

What happens when the DIVINE IMMACULATE
MOTHER NATURE APPEARS?
The point fructifies THE LINE and turns into a
DIAMETER.

How many elements [words] are contained in
the GAYATRI?

Ten...

Remove the diameter from the circle and place
it BEFORE O, and you receive...

What is ten, oh Lahoo?

Not a number, oh Mahachohan. We MADE it
a number by saying ONE or TEN, or NUMBER
from NONNUMBER [circle or the circle] but in truth
the  or the  or the  or 

and others are originally ALL SENEAR symbols
or Glyphs, given to us by the Angels long ago.
They turned LATER from symbols into numbers
down HERE. Now I understand, oh MAHACHOHAN,
the whole GAYATRI could have been written

* KABALETISTS created that MISUNDERSTANDING.

** They live on a PLANET, which I call PLANET OF NUMBERS.

In ONE SYMBOL, and an INITIATE seeing
 would know immediately; it means

TAT SAVITUR VARE NYAM BHARGO DEVASYA DHIMAH
DHIYO YO NAH PRACHODAYAT?!

That is, why the ORIGINAL BOOK OF DAY AN did not
contain more than fifty pages yet describing
MINUTELY [to the INITIATE] more than
311,040,000,000,000 years of UNIVERSAL LIFE.

YES, oh Lahoo, but  did not mean ONLY
the GAYATRI. It also meant many
other things depending on its position and con-
stellation to the other symbols.

- Reveal to me now, oh Lahoo, in ONE SYMBOL EVERYTHING
that happened from the beginning of all UN-
VERSAL LIFE more than 150,000,000,000,000 years
ago until now.

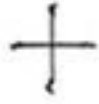

Explain, oh Lahoo.
Space or the  is ALWAYS.

Then [at the reawakening of all universal life] the
point [BRAHMAN] appears . It, the point

symbolizes the newmaking of ALL UNIVERSAL LIFE. The point turns into the DIAMETER demonstrating latent Duality or ANOXYGEN angels, planets AND MANKIND. MANKIND becomes male-female [reproduction of sexes] which is generation or procreation of life through sexual intercourse, symbolized by the cross or lowest CHAKRA. [4 petals].

But everything is ROTATING, planets AND CHAKRAS, when FORM turns into FORM. This FIRE leaves the arms of the CROSS, SO:

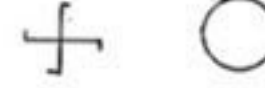

The cross rotates [like everything in the UNIVERSE] IN THE CIRCLE. Mankind fell from PURITY

into SEXUAL PROCREATION of life, the THIRD, FOURTH and FIFTH veils appear. But the [still] pure ones use the five cross, or lowest, chakra ONLY to procreate new life. Therefore the symbol of the ARYANS is and was the ROTATING FIRECROSS IN THE CIRCLE. But the black magicians acted AGAINST UNIVERSAL LAW

and LEFT the circle. Their CHAKRAS rotated counterclockwise outside of the CIRCLE, SO:

AUM, AUM to the rotating FIRECROSS IN the circle, symbol of the FIFTH ARYAN ROOTRACE. AUM

AUM to the Swastika, when it turns clockwise IN THE CIRCLE. 1000 pages would not be enough to describe its significance and COSMIC MAJESTY. AUM
 - Well done, oh Lahoo, you have more than passed the FIRST INITIATION.
 - WHEN, oh MAHACHOHAN, will I be ready for the next test?
 LIVE WHAT YOU PREACH, EARTHLING, unless you do not want to be called a HYPOCRITE!
 - I suddenly feel worthless, oh MAHACHOHAN, your purity shines like a SUPERLASER into my very soul, giving me the awareness of being NOTHING.
 - When you really are NOTHING in the eyes of the world, oh Lahoo, then and only then you have reached PERFECTION and are ready to be called upon higher spheres. AUM.

I wanted to continue THE BOOK OF LIGHT with the chronology of the veils, but the MAHACHOHAN told me, to stop for a while and to read "STUDIES IN OCCULT PHILOSOPHY", written by Dr. Gottfried de PURUCKER [1874-1942] one of the greatest thinkers of this century AND of the ones yet to come. The MAHACHOHAN told me, that each word in that book is like a holy sacred esoteric and yet UNVEILED REVELATION, but that it nevertheless contained ONE GREAT MISUNDERSTANDING, which had to be CLEARED. But I had to find it out by MYSELF.

AT LEAST on the level of EINSTEIN.

I am back. And it was not at all an easy task, and I had to read "STUDIES IN OCCULT PHILOSOPHY" twice, until I discovered what was wrong: Five words on page 242 line 27-28. "... they were not strong enough". Five words, which have a quite different light on our mankind, than what is the truth. Mankind deserves more than this statement, made by Dr. de Purucker, and I say it without any irony or criticism, but a CHOHAN, something higher than me and even than Mr. Purucker, had ordered me to set this point straight, and that is what I shall do now.

Dr. de Purucker stated very rightly, that there were [and] three classes of Manasaputras* or Moon-SPIRITS. The FIRST class incarnated IMMEDIATELY in the manads, which had switched from the MOONCHAIN to the EARTHCHAIN. These became the holy men, Christs, Buddhas, etc. The second group hesitated and incarnated THEN [our mankind, or the greatest part of it], and the THIRD group eventually did not incarnate at all, UNTIL it was FORCED by THE LAW**. Dr. de Purucker writes, that the reason, why the second and third group of MANASAPUTRAS, or SOULS of MIND, hesitated, was

* I called them Saturnians, because when they ended their Nirvaha from the Moonchain, the Earthchain was not yet ready, so they joined *** and also after the war in heaven. [Saturn and its hosts. AUM. ** Two more mistakes shall be mentioned in THE BOOK OF LIGHT.

that "they were not strong enough". This might be a correct statement from our point of view, but is not, what caused the MĀNASAPUTRAS to hesitate to undo the [to be] human mould with MIND. It is quite the contrary, they might even have been "too strong" or better REBELIOUS. THAT is why they did not incarnate COMPLETELY, but as the stautē says "Some entered - some projected the Spark. Some deferred till the FOURTH [voice]". These were the three groups of MĀNASAPUTRAS.

This shows very clearly, that the second and third group first did not incarnate COMPLETELY, because, if they would have, they would have been as strong, and maybe even STRONGER, than those, who followed THE LAW immediately. But later the second and third group incarnated COMPLETELY [of course forced by THE LAW], but by THEN the vehicles [bodies] were already soiled and much more difficult to control, than it was for the FIRST GROUP, those who had entered the vehicles, when they [the bodies] had not yet "sinned". AUM.

The question is now: Why did the MĀNASAPUTRAS [second and third group] or SONS OF MEND not incarnate fully and IMMEDIATELY, when the LAW "asked" them to? Because, oh reader, they wanted to reach the

* Book of OBYAN, Anthropogenesis STANBA 7/24, SECRET DOCTRINE ALAVATRY.

** Then all men became endowed with MĀNAS. STANBA 7/15 Book of OBYAN.

"God" status or monastic state of being at the end of the MĀMANVANTARA consciously and by their OWN effort. They wanted to overcome through suffering, they wanted to TASTE from the "forbidden fruit" by, indeed, NOT OBBYING THE LAW. THAT is why they REBELLED and became the "fallen angels". The fallen angels are WE, is this mankind, and once we will have overcome, we will be able to judge even over THE ANGELS. WE, you and I and even a black magician, will be [in the end] higher than any BUDDHA or CHRIST and mayhap even higher than BRAHMAN*, because by then we will have paid our mutiny with hundreds and thousands of incarnations of sweat and blood and tears. WE, the fallen angels, REFUSED to become holy ROBOTS and did not blindly obey THE LAW and did NOT incarnate, but hesitated or WASTED. Oh yes, it would have been an easy task, because yet the horse had not become wild, it was still not much more than a FOAL, and the idea of "breaking out" did not [yet] even pass its mind. But we waited and let the FOAL grow into a wild HORSE and THEN we rode it, knowing that we would be thrown

* or at least med IT on its level. AUM.
FURTHERMORE: On page 84 of "Studies in Occult Philosophy" Dr. de Brucker calls PARABRAHMAN "the divine Thinker". That is NOT correct. PARABRAHMAN IS BEYOND ANY COMPREHENSION OR DEFINITION. THE DIVINE THINKER is if ANYTHING BRAHMAN [manifested or UNmanifested].

off many times, until the wild horse [or the beast in us] would be finally tamed and mastered. OUR spirits are NOT inferior to any holy man, or BUDDHA, or CHRIST, or ANGEL, they are SUPERIOR, and that is why other angels [for example JEHOVAH] were JEALOUS of us, because we REFUSED the knowledge, presented to us on a divine tablet, we wanted to become Gods [and MORE!] by OWN decision, through conscious suffering and thus-LEARNING.

We will reach the goal and become [like everything else in the universe] BRAHMAN again, but WE will meet BRAHMAN consciously and more CONSCIOUS than even a BUDDHA and a CHRIST. They know it, that is why they are here to help us, because THEY can imagine the SACRIFICE given by our spirits every second, hour, day and year until [in more than 100.000.000.000 years from now] we stand FACE TO FACE with the HIGHEST. AUM.

Oh MAHĀCHOHAN, I am LIBERATED.

- You have spoken THE TRUTH, oh LAHOO. You have broken THE SEAL. THIS SPHINX shall not crumble into the sea, ashamed of man and his rude attempt to solve the RIDDLE OF LIFE. YOU are SUPERIOR, YOU, *meaning ALL of us.

THE FALLEN ANGELS, THE FALLEN MANKIND shall all be HIGHER SELVES of their OWN SOLAR SYSTEMS, higher and superior TO all SOLAR SYSTEMS which are now existing. YOU are GODS in the making. AUM, AUM. Now, that you solved the riddle, oh LAHOO, it is my duty to reveal to you EVERYTHING! No more answers and questions. YOU have spoken THE WORD. I bow before your GRACE, oh LAHOO! THE MAHĀCHOHAN...

401

... sunk at my feet. I blushed in the highest red imaginable. But then I understood [Cont. page 707]
* although there shall be later, in order to INTENSIFY the knowledge, a voluminous answer and question section.

BUT

Do not confuse those, who REFUSED to give MIND, and therefore later FAILED to control their soiled vehicles or PHYSICAL BOOSES, with those, who WERE NOT READY, because they WERE THE LATEST MONADS, who had HARDLY EVOLVED out of THE ANIMAL KINGDOM into THE LOWEST FORMS OF THE HUMAN KINGDOM after separation of THE SEXES, during the END OF THE THIRD RACE IN THE FOURTH ROUND. THESE ALMOST still "ANIMAL" MONADS are SOME of THE AFRICAN RACES of today, savage SOUTH-SEA ISLANDERS and the AUSTRALIAN RACES* THEY had not yet ANY KARMA [better: HUMAN Karma] to work out*, at least not as much Karma as those, who already ARRIVED AS HUMAN MONADS FROM THE MOON, or who WERE human BEFORE they arrived ON OUR EARTH-CHAIN, namely: WE or MOST OF US.***THEY had almost NO KARMA, while WE had and have PAST, PRESENT AND

Since some of us were, though not human but either LOWEST HUMANS or HIGHEST ANIMALS ON THE MOON, other than the KARMA of those RACES ON THE MOON, of whom THEY were the ANIMAL MONADS. They could be counted as belonging to PUNICKER'S 3rd class and were INDEED TO WEAK.

FUTURE Karma. That is why BLAVATSKY says: "In this respect the poor savage is more fortunate than the greatest genius of CIVILIZED COUNTRIES."

By that she means, that a woman of a SAVAGE tribe at marriage: feels AT LEAST 1000X more BLESS, than JACKELYN KENNEDY, who succeeded with her manipulative MIND to marry the president of the UNITED STATES. How much she loved him, can be seen on the amateur-film, showing her crawling away from her husband, when they SHOT at him. This is not a JUDGEMENT but a STATEMENT. AUM. Alike attracts alike. How true.

Thus we see degeneration on ALL levels. A BUSHMAN might be degenerated, but so is Mrs. KENNEDY, misusing and thus degenerating her MENTAL BODY for SELF and not using it to help others. KARMA shall teach her. A "SAVAGE" is therefore often somebody, who experiences 1000X more BLESS than any "CULTURED" person with even a DEGREE FROM A UNIVERSITY. A savage's grin on his face is not stupidity, but UPMOST BLESS. AUM TO WISDOM AND KNOWLEDGE.

I, and even and ESPECIALLY the poorest of the poorest, the hungry, homeless and outcast, will be GODS like there have never been GODS before, rulers of solar systems, much higher than ours [during this solar manvantava] shall ever be. Glory, glory, glory to BRAHMAN and to that, which is BEYOND comprehension, to PARABRAHMAN.

From this moment on the MAHACHOHAN revealed to me the whole secret, or: He [IT] endowed me with his power, as if I would be a mould into which a new MANASAPUTRA would incarnate COMPLETELY. The MAHACHOHAN melted in me, and thoughts and WORLDS appeared in me, never thought and seen before. Its consciousness was MINE. Behold oh reader:

THIS REBELLION OF SPIRITS more than 18.000.000 years ago is something, that is UNIQUE. IT never happened in ANY MANVANTARA, that conscious spirits acted AGAINST THE LAW in order to gain MORE consciousness. But it is this suffering caused by the REBELLION, which shall create in the end a race of GODS and even HIGHER POWERS in later MANVANTARAS and MAHAMANVANTARAS, never before witnessed by the FIRST EMANATION, which is BRAHMAN. And all this because of US, the fallen Angels, fallen into mankind. AUM. or should I say MAHAMANVANTARA!

TIBET.

The Chinese people and the ANYAN people had, even later, of course, INITIATES. The best of them and some of the new migrating ANYANS from ASIA remembered the place, where they once [millions of years ago] retreated in order to hide THE TRUTH from profane ears. NOW that land, once submerged, had arisen newly out of the waters and served once more as refuge for the purest of the purest, where they spread love and knowledge by concentrating on the HIGHEST. And thus they reorganized THE LOOSE. AUM, AUM.

This happened over 350.000 years ago, between INDIA and CHINA on a land called by the CHINESE SETSANG or [today] TIBET, or TIBET. THEN the SETSANGS or TIBETANS belonged to the stock of the ANYAN race, as did, or do, the Burmese, the Siamese and some of the Chinese.

The TIBETAN initiates and their followers did nothing else, but meditate and thus spreading great spiritual LOVE POWER all over the globe. AUM. They were NEVER [until today] influenced by worldly things and could not care less, because they knew that TRUTH and reality can only be found in the spirit. AUM.

The headquarters of THE LOGOS, or THE GREAT WHITE

BROTHERHOOD, was and is until today a secret sacred place, protected from worldly eyes by lightbreaking AKASA, and I am not allowed to go any further [concerning THIS place]. Other places are near LHASSA, the capital of TIBET, around AMDO and somewhere in the SHAMO or GOBI-DESERT [Sambhala,].

Yellow is the colour of MANAS or MIND, and since the TIBETAN initiates had ALL MANAS of the world, they wear yellow caps as symbol of their wisdom.

THEY have slit eyes and were not evil? Why that? Fact is: Once a face is [physically] formed it is VERY DIFFICULT for the spirit to change that form. He has to take what he gets.

- 710 -

SLIT-EYES were caused by development of cruelty towards others, guided by high intellect. Nevertheless the most pure, holy, and innocent spirits can incarnate, and express themselves IN and THROUGH that physical vehicle, and be completely uninfluenced by it.

Or: Black people became black by black magic [before they were brown]. But souls of whites, yellows, brown have been incarnated in that form and became holy men and the greatest philosophers. HOMER was of dark complexion! AUM to wisdom and knowledge.

The tibetan initiates came from all classes, be it workers, middle class or the nobility of the country, and of course from the PRIEST or LAMA-class, because in those days nothing could be achieved just by heritage. You had to pass the test of INITIATION, in order to become an INITIATE. All [later] kings for example were INITIATES. They were the best of the best, and could only become kings, if they FIRST were initiated. And because their crown-chakra OPENED, they received a CROWN. See what happened much later [until today]: Status, simply inherited by BIRTH, led to DEGENERATION. FOOLS became KINGS and PRINCES

- 711 -

and the masses followed and worshiped them. They want their KINGS and AVENGERS! But in those days it was the BEST and WISEST OF A WHOLE NATION leading this nation. Today it is just the FOOLS leading the FOOLS.

Now, how is it possible that somebody can become an INITIATE, even when he was born in a "low" class, as -for example- a poor laborer? Must he not first climb in real life too; All steps of the ladder, in order to reach THE HIGHEST? Not necessarily. He might have been ready for initiation in a life before, but in spite of all wisdom, he lacked still MODESTY, RESPECT and some basic training in certain aspects of life, for instance not to feel special or superior to others, or: respect for the work of others, no matter how "low" it may be. So he [the to be initiate] will be born in a laborious class, until he LEARNED his lesson, but THEN he shall rise quickly to heights achieved already in former lives. AUM.

AMERICA

PARTS of North and South America [then connected which each other] appeared the first time on the globe, more than 17.000.000 years ago and were part of THE THIRD or LEMURIAN continent. Later the "Americas" sunk and emerged again. Today

*Parallel to the sinking of Atlantis about 800.000 years ago.

- 712 -

we are taught in schools, that America is named after the Italian navigator AMERIGO VESPUCCI, or in Latin Americus Vesputius.

This is plain nonsense, or let's be more polite, it is a malinformation, caused by [hopefully] lack of knowledge.

His name was not Amerigo Vespucci but, as every historian knows, ALBERIGO VESPUZIO, or in Latin ALBERIGUS VESPUZIO, son of ANASTASIO VESPUZIO or Vespuchy, or in Latin ANASTASIOS VESPUZIOS. Besides, he, ALBERIGO, would have used his surname VESPUZIO to name this continent after himself. The simple explanation is, that the name AMERICA was already there and known to the aborigine Indians and even found already in scriptures. But more of that later. AMERICA appeared again or had its upheaval as a continent, when the mainland of Atlantis began to sink, which was about 800.000 ago. So we can say, that [concerning the SECOND upheaval] AMERICA is far older than ASIA or INDIA as a CONTINENT but not as a CULTURE.

In the order of upheavals: I. AMERICA, II. the first parts of a land later called EGYPT, III. ASIA, and eventually INDIA. Understand, oh reader, CONCEPTS THEN were not what they are NOW.

But every thing that the later EGYPTIANS and AMERICANS would know, was taught to them by the INDIANS [or ĀRYAN HINDŪS], children of the FIFTH ĀRYAN root race. AUM, AUM. When the first ĀRYANS reached the northern part of what is now America 350,000 years ago, they found degenerate races, survivors of Atlantean soverers, who fled [hundred thousands of years ago] from the deluge, that caused the SECOND EXODUS and settled down on this still labouring continent at the ANTIPODES. Nothing from their ships and air vehicles and cultures was left anymore, everything pulverized to dust. Behold the degenerate remnants of once powerful Atlantean soverers 350,000 years ago, on a continent now called AMERICA [North].

403

* their ancestors of course. ** But the FIRST "Americans" were the descendants of THE NAGAS, when the ROOT CONTINENT OF WHAT IS NOW AMERICA AROSE during the PEAK OF ATLANTIS.

You ask for the reason of degeneration? ONE of the reasons is - separation, or better: ISOLATION. Isolate the races from each other, and they shall die. Their spirits will leave them. Black magic is SEPARATION, dear reader. They [the degenerate soverers] were THEN, what we would call now primitive men, or APE-like men, or stone age men. In reality all these types are ATLANTEANS, DEGENERATE descendants of once POWERFUL SOVERERS, from whom the Spirit had fled. When the ĀRYANS reached that continent in their ships and air vehicles, they had an ENCOUNTER. ANGELS descended again and spoke to them:

404

"STAY and spread THE KNOWLEDGE."

Then they disappeared. And because of this encounter, the Āryan HindŪs called this newly found [but very old] continent: AISODE OF THE GODS, or MERVAH*. More than hundred thousand years later the angels could not be seen any longer by All Āryans, and they called the continent from then on A - MERVAH or no more - abode of the gods.

The name AMERVAH underwent many changes like AMERIC and eventually AMERICA. So the true source and cause of the name AMERICA is now unveiled. The name contains and unveils a secret of a once great and then fallen race, abandoned by the angels, because of its impurity. AMERICA: no-move-abode-of-the-gods. But the gods shall come back, and this continent [before it finally submerges] will be cradle and home of a race purer and greater than ever before, because THEY will have overcome and will be back on the ascending arc, back to the spirit, they once descended from. AUM.

So the first colonists [except the soverers] or the first AMERICANS, were Āryan HindŪs of ALL complexions: dark, white, brown, yellow etc.

* also a name of a country of the Himalayas. [mer + merv]

This happened about 350,000 years ago. But we also can say, that the VERY FIRST "Americans" were LEMURIANS of the THIRD RACE and [BEFORE separation of sexes] also those ANDROGYNES, who had four arms and four legs, who's sight was unlimited and they knew all things at once. SOME of them survived into the FOURTH RACE and kept being androgyne, but the majority separated into sexes like all other men and animals or rather animals and men. But all this happened around the margin of 12 MILLION YEARS ago, so we can rightly say, that that which is now AMERICA was already there [but not in its exact shape] more than 12,000,000 years ago. And then it submerged and appeared again. AUM.

AUSTRALIA

AUSTRALIA emerged more than 2 million years ago out of the waters and is one of the oldest continents of our globe. IT became the continent of the descendants of the 7th subrace of the THIRD RACE [or LEMURIANS]. They had little or no MIND. That is why the Australian aborigines, descendants of those, who remained without spark after the separation of sexes, 12 million years

ago, shall die out soon. NO new races settled after the Lemurians on this continent [except those European and American, who arrived MUCH later]. Australia was spared by the races for almost two million years, because nobody wanted to be near those mindless races or mix with them. Australia became the OUTLAW continent, where the pure races dumped their "racial trash". AUM to KARMA, the impersonal leveler. AUM. Whence the name AUSTRALIA? A SOUTH WIND* brought the first explorers to the shores of this continent in the Southern Hemisphere, so they called it AUSTRALIA, but the TRUE meaning of this name is a mystery and two million years old, when ASTRAL races* dumped their degenerate vehicles. The name turned from ASTRALIA into AUSTRALIA.

CAUCASIANS

Another nonsense, or misinformation, taught in schools. There are no CAUCASIANS. A man called BLUMENBACH, an anthropologist and obviously the first NAZI, thought 1785 erroneously that the cradle of the white races was on a mountain range in southeastern Europe, between the Black Sea and the Caspian, called CAUCASUS. WYOMG Herr Blumenbach. Ironically it was a Jew, who

* HYPOCRITICAL INDO-EUROPEAN. * in Latin: AUSTRALIS.
 ** WHEN THESE RACES ARE NOW MIXED UNDER THE SUN FLOWS.

spread this confused theory, which would allow Hitler later to back up his "Aryan race" theory, and today everybody swallows and repeats this nonsense, using the name CAUCASIAN in addressing with it the WHITE RACE. YOU SEE NOW, how misinformation and lack of knowledge can have disastrous consequences. Of course WE will not use this term from now on. Truth is: The cradle of the "white" or golden race, as well as of all other races and complexions, appearing at the SAME TIME, is ATLANTIS. The homeland of continent of the Aryan race was FIRST ATLANTIS and then became CENTRAL ASIA including a part of what is now called EUROPE. The south-western part of Central Asia or, as Webster's Dictionary has it, the south-eastern part of what is now Europe was indeed the abode of Aryans, but of white, brown, yellow, and even black Aryans, but the Caucasus region was only a little part of the second homeland of the Aryans and to call them CAUCASIANS is therefore just one half of the truth, you could as well call them IRANIANS, PAKISTANS, AFGHANISTANS, Eastern Europeans, WEST CHINESE, TIEN SHANISE, CASPIANS and what not, but they all were ASIANS and some of them were Caucasians, but only because Caucasus is a tiny part of Asiatic ASIA. We see how complex exact know-

AFRICA [complete upheaval 700,000 years ago]

AFRICA was a part of LEMURIA and remained a continent after the sinking of LEMURIA, or THE THIRD CONTINENT. AUM. Africa was abode of the worst of the worst: Atlantean sovereigns. They settled on this continent after having been defeated by the Aryans, when the ARYANS immigrated in ASIA they found a race of black AND white Atlanteans, sovereigns of the worst kind, falling deeper and deeper into depravity and practising ghastly bloodthirsty black magical rites, better unfold here. The immigrating ARYANS were immediately attacked by the Afro-Atlantean sovereigns, but they [the Aryans] won most of them. But they also lost [slowly] something else - Their purity - until many of them reached almost the level of the sovereigns. AFRICA'S history is a sad capital in the history of this planet. I say AFRICA'S history and not the history of the BLACK PEOPLE, but as every continent and

race has its rise and fall, there was [THEN] even in the AFRICA 350,000 years ago a period of "purity" and peace and wisdom. This was, when the black magicians saw the superior wisdom and knowledge of the Aryan invaders and decided to make peace with them, in order to attain [THUS] their knowledge. The Aryans believed them and for the next 30,000 years to come there was a period of relative peace in AFRICA. Until the Africans, now mixed with the Aryans by intermarriage, decided to use this knowledge AGAINST the Aryans or against those, they thought were still pure Aryans. And war broke out again for many thousand years to come.

* Explanation: 30,000 years does not mean, that there was an uninterrupted period of existence for the races and sub-races or even for the continent now called AFRICA. Throughout these 30,000 years of relative peace, like during every other time period, where ever on this globe, the continent now called AFRICA had been destroyed several times by the elements and because of still dwelling black magical rites, or as an effect of the time BEFORE this peace-period, when black magic was in full swing. Karma does not stop suddenly, just because nations [or persons] suddenly decide to live in peace. Races fell and grew, died out and reached heights during these 30,000 years as the old waters mixed with the fresher waters. Book of Enoch.

and also before and after that and every where. Millions died, to simply disappear [as bodies] and never to come back again as a race. New Aryans arrived on all continents, and those who were already there, moved to other continents until all races were on all continents. AUM.

EUROPE

Europe was Lemurian territory more than 12,000,000 years ago. Then it sunk and rose again. Europe appeared above the waters in its [approximately final] shape, or structure, about 500,000 years ago. Like every other continent it became the abode of the survivors of the great Aryan wars or second exodus. In other words: Atlantean sorcerers were the first to arrive in Europe like on all the other continents. This did not happen at once but during hundreds and thousands of years, because as the races degenerated more and more, their air vehicles and water vehicles became simpler and simpler, until they turned into primitive machines, like those we use today. Europeans are nothing else but: successors and descendants of Atlantean offspring, mixed with Aryans, a few hundred thousand years later than them. Some Europeans have more ATLANTIC blood in them, some more Aryan blood. But all of them are old waters, that mixed with the

fresher waters." Those who claim today to be pure Aryans, or pure ANYTHING, simply do not know, what they are talking of. We all are mixed races. Purity exists alone in the SPIRIT. Choose by the spirit and not by the form, and PURITY of the RACE will manifest itself AGAIN in the form. AUM. EUROPE shall go down in 12,000 years from now. AMERICA is the continent, which will survive with whatever races are out for many hundred thousand years to come.

ARCTICA [North pole or CAP].

The NORTHPOLE IS THE CRADLE OF FIRST man kind. THEN, more than 12,000,000 years ago, it was for a few million years a CARIBBEAN-like island with trees and flowers ten times higher than you will find them now in the farthest jungle. It was a PARADISE, THE PARADISE mentioned in all holy scriptures, because there and THEN was no sin, no war and no death. AUM. The races fell, and BECAUSE of this the paradise turned into ICE, causing the races to move toward a newly emerged GIANT ICE CONTINENT, called [later] LEMURIA. Throughout the millions of years the races moved back and forth using [sometimes] the pole as a bridge to

* although it will change its form. New land emerged, old land submerged. AUM to the breath of the earth. AUM.

reach the other side of the globe. Those who stayed [on the North pole] became the ancestors of our ESKIMOS. Or: The eskimos on a dying race, derived from ATLANTICANS, who either chose to live on this continent [in spite of the ICE] or, who mixed with the races there after escaping from the great waters - "second exodus", or trying [much later] to cross the pole in order to reach the anti-poles. There was NEVER a change in the NORTH-POLE region [although sometimes overflowed by water]. This continent will be there FOREVER. Or: it will be the LAST to perish at the end of the lifetime of our earth chain*. The FIRST to perish will be the SOUTH pole. This globe, our planet earth will die from the SOUTH pole upwards, once its hour has struck. AUM.

And like the lemmings swim every year to their home land LEMURIA, now thousands of miles under the rolling waves of the NORTH ATLANTIC, just to find the land having disappeared, they die, swallowed by the waters, because they don't know, but the urge was there and will be there ALWAYS. And it is the same urge or the "call of blood", which draws the HUMAN explorers to leave their homes and to go on a journey

* Only a few dared to escape from the elemental gods on this route. Most of them died anyhow, their air vehicles, were destroyed by terrible Arctic storms, which had tremendous dimensions.

towards the UNKNOWN. They HAVE TO FIND these far away continents, because these continents were their homeland and cradle, hundreds of incarnations and millions of years ago. They risk their lives as the LEMMINGES [unconsciously] do, just to come back home... And the continents they explore are ALWAYS the continents of their true ancestors. All of them were ATLANTEANS. Why then did they search NORTHWARDS in the region of the LEMURIAN race? Because, oh reader, ALL ATLANTEANS of THE FOURTH RACE derived from a corner* of NORTHLEMURIAN people. AUM.

But there is another reason not having been mentioned until now, why these bold men headed so fearless towards the NORTHPOLE. There, secretly hidden in the regions of eternal ice, is THE FOUNTAIN* OF EVERLASTING YOUTH. They [the explorers] remembered a far away incarnation, when they bathed in that fountain.
