ASTRAL WARS.

As there are relations between single persons, there are relations between nations. These relations do not simply stop after death. They continue on the corresponding Astral, Mental and Spiritual planes, MINUS the physical body. Every exchange of emotional energy has to be outlived after death of the physical body on the emotional or ASTRAL Plane in the Astral-Body, before the Soul can ascend higher to its well deserved Rest in DEVACHAN. HATE and LOVE are emotions or emotional energies and have to be outlived on their corresponding Astral planes. HATE between two NATIONS, for instance Arabs and Jews [or America and Irak], etc., leads to WAR between two Nations. That HATE-ENERGY survives on the astral plane, which means that the soldiers from both sides, after sudden death on the battle field, continue to fight on the astral plane in their Astral Bodies. Instead of weapons they now use their HATEFUL EMOTIONS, throwing them at each other. Sometimes these emotions are so intense that they still demand IMMEDIATELY a physical body in order to fully express themselves. Thus all victims of sudden death during a battle [or any other violent confrontation] reincarnate almost immediately IF their hate towards an enemy is EXTREME and INTENSE which explains why, for sometimes extreme LOVE for a person causes the same phenomenon of IMMEDIATE REINCARNATION.

The future of languages for the next 2 billion years on this chain.

Greek and Latin shall rule again in Europe [Southern] in some thousand years from now, while Sanskrit is still slumbering and shall only be known to maybe a couple of hundred thousand chosen ones. But in about 10,000 years from now Sanskrit shall be spoken and written by the pure AND impure ones and shall become A UNIVERSAL LANGUAGE. First only scientists and metaphysicians shall use Sanskrit, then it will turn into the language of common life. AUM. And later? Oh Lanoo, once Mind has been fully transformed and attached to the Monad there will be no more reason to use speech or script. Thought transference shall be the only way of communication, MIND shall rule again over matter.

Who are the LEMURIANS, ATLANTEANS and ARIANS? How will mankind be 10,000,000 years from now? Do we all live on ATOMS and MOLECULES, building the body of a huge superior being called God? How old is the Universe, when will it end? What are we now? WHO are we now? To which Race do we belong?

The ¹ARYAN ASIATICS belong to the FIRST SUB-RACE OF THE FIFTH ROOT RACE. They are SPIRITUALLY the highest people now on Earth.

All WHITE PEOPLE belong to the 4th+5th SUBRACE OF THE FIFTH ROOT RACE. They are PHYSICAL-INTELLECTUAL the highest race.

-1288j-

The majority of mankind [Chinese and their offshoots, Malaysians, Mongolians, Tibetans, Javanese, etc. etc. (+ remnants of other subraces of the Fourth)], belong all to the SEVENTH SUB-RACE OF THE THIRD RACE and to the SEVENTH SUB-RACE OF THE FOURTH ROOT-RACE. From now on the Book of Light deals with the FUTURE OF ROUNDS, RACES AND CHAINS. Behold, wisdom and knowledge from THE MASTER: "At the Beginning of each Round, when humanity reappears under quite different conditions than those afforded for the birth of each new race and its Sub-Races, a "Planetary" has to mix with these primitive men, and to refresh their memories, and reveal to them the Truths they knew during the preceding Round... But that happens only for the benefit of the FIRST Race."

They are, in the words of the Master: "fallen degraded semblances of humanity... direct lineal descendants of highly civilized nations..."
The Book of Light shall explain why and how.

THE JEWS OF TODAY.

Ninety percent of modern Jews are not of Semitic stock. They are of TURKISH stock and called KHAZAR* JEWS, descendants of JAPHETH, the youngest of "Noah's" three sons [Gen 5:32].

The late Arthur Koestler, well known Jewish author, describes them as coming "not from Jordan, but from the Volga, not from Canaan, but from the Caucasus...". The Khazar Jews belong genetically to the Hun, Uigur and Magyar tribes and not so much to Abraham, Isaac and Jacob. Thus the Jews of today fall into two main divisions: SEPHARDIM and ASHKENAZIM. The Sephardim Jews lived [their ancestors] in Spain which in Hebrew is Sepharad from where they were expelled at the end of the 15th century. Until today only a few hundred thousand of Sephardim Jews survived, but there are over 50,000,000 ASHKENAZIM or KHAZAR JEWS. The CHAZAR kingdom stood 855 A.D. at the height of its power. Prior to that they were driven out by Nomadic tribes of the Russian steppes, turning themselves into plunderers. About at the end of the eighth century the Chazar Jews converted to JUDAISM. Today the most powerful people in the world are CHAZAR

JEWS [The bankers Kuhn, Schiff, Loeb + Co, Rothschild, Rockefeller, Paul Warburg, etc.] We can clearly talk of a KHAZAR INVASION in America. They even financed Japan in its 1904-05 war with Russia [being themselves Russian Jews!]. This fact is corroborated by Mc Fadden, Congressman and for eleven years chairman of the House Committee on Banking and Currency. Today the KHAZAR JEWS rule the Federal Reserve system. Like in any other race there also terrorists among Jews, as can be seen during, for instance, the Russian revolution. All leading figures, with the exception of LENIN, were JEWS. Trotsky, Litvinoff, Bukharin, Lunacharski, Krassin, Radek - all Jews. Thus it is JUDAISM which gave birth to MARXISM, and the Bolshevism in Russia could only win because Jacob Schiff, according to his own grandson John, invested about 20,000,000\$ [in 1917!]. Thus it is Jews that are mainly responsible for the Holocaust of 83,000,000 innocent Russians *** [many of them Christians] butchered by Stalin. They don't teach you THAT in school, but THE BOOK OF LIGHT does. From then on Communism and Semitism became close allies.

What about the KHAZAR JEWS in America? How was it possible that they could control the FED? Biographer Frederic Morton: "The Rothschilds operate under an umbrella of silence... In the best circles one does not make history by the sweat of one's own brow. One hires the makers". One of those hired was Woodrow Wilson, who became a puppet of the INTERNATIONAL BANKERS. His [Wilson's] "Highlights": I. Signing into law of the Federal Reserve Act [5th plank of Marx's Communist Manifesto] II. He asked Congress to declare war on Germany, after having been reelected in 1916 under the slogan "He kept us out of war." III. He signed into law the illegally ratified 16th Amendment [income tax] in 1916. Who were the president's advisors? Rabbi Stephen Wise, the Jewish Wall Street manipulator Bernard Baruch and "Colonel" E. Mandell House, son of a top Rothschild agent. They had control of president Wilson for more than one reason, since they also knew about the president's affair with Mrs. Mary Allen Hulbert Peck. Her love letters to Wilson were purchased by Bernard Baruch for \$65,000. Being a warmonger par excellence, Wilson was awarded the 1919 Nobel Peace Prize.

Today we have in America and all over the world Jewish-controlled Television Industry, Jewish-controlled Movie Industry and Jewish-controlled publishing industry. But they all, Oh Lanoo, are controlled and supervised by the TRAVE powers - the JESUITS.

Who were the first to finance the film industry? Kohn Loeb and Co.

Television: NBC was started in 1926 by David Sarnoff. CBS was founded by William S. Paley. ABC president was Leonard Goldenson.

Publishing: Jewish-controlled publishing houses are? Viking, Knopf, Random House, Simon and Schuster, Harcourt Brace and Co. Nahum Goldman. Since then NEW DEAL, political pressure, intimidation, harassment and coercion rule America. And not to forget the NEW ORDER SCHOOL SYSTEM [which shall be established very soon] is of Zionistic origin with the aim to prepare our children for an ORWELL-LIKE STATE. But public schools are not the solution. Everybody is an INVISIBLE MONAD. Only Esoteric Science, Oh Lanoo, can liberate mankind and save it from slavery. One of the most powerful Jewish-controlled institutions is HOLLYWOOD. They use Hollywood

-1288 o-

as their main weapon against the arch-enemy: CHRISTIANITY, because the Christians worship Jesus as their Lord and Saviour, which the Jews do not. Slowly they turned Hollywood into a nest of immorality, sexual perversion and any other type of moral aberration. All these were just preliminaries, preparatives for their main strike against Christianity, namely the movie THE LAST TEMPTATION, released in 1988, presenting Jesus more as the ANTI CHRIST. THE LAST TEMPTATION OF CHRIST is released by MCA-Universal. Almost all heads of Universal are - KHAZAR JEWS, such as: Lew Wasserman [MCA chairman of the Board], Sidney Sheinberg [MCA president], Gary Goldstein [National Promotions and Field Operations], Simon Kornblitt [Vice President of Marketing]. The only nationwide cinema chain exhibiting THE LAST TEMPTATION was THE CINPLEX-ODEON THEATERS, all Jewish-owned and controlled [president: Garth Drabinsky]. Cinplex-Odeon belongs to the Seagran-Bronfman empire, a family that made its first big money by selling whiskey during the days of prohibition. The film THE LAST TEMPTATION OF CHRIST repeats only what the Talmud stated always, namely that "Christ practised sorcery and led Israel to apostasy" [Sanhedrin 43a],

* abandoning of what one believed in.
* YOU are your own saviour...

-1288 p-

"Christ was a bloody and deceitful man" [Gittin 56 b], "Christ was a fool and we do not pay attention to what fools do" [Sanhedrin 67a], "his [Christ's] mother played the whore with carpenters" * [Sanhedrin 106 b], "Christ is taken as one of the three worst enemies of Judaism" [Gittin 56 b-57 a]. INCEST is, for instance, considered a LIGHT SIN, compared to Christianity [Abodah Zarah, 17 a]. "Christ has no portion in the world to come." [Sanhedrin, x.2; 90a]. "Christ is presently boiling in hot excrement" [Gittin 56 b]

Paul, the apostle, is a main target in THE LAST TEMPTATION, because he was converted from Pharisism to Christianity and he stated that his former religion was "dung" compared to the teachings of CHRIST. [Philippians].

There are more Anti-Christianity Hollywood movies in the making... The Jews love the Communists and HATE the Christians. The Jewish-financed and Talmudically-inspired Gus Hall, chairman of the American Communist Party proclaimed: "...slit the throats of their [the Christians'] children... and let them drown in their own blood." Thus the De-Christianization of America is in full swing. And while Jews and Christians will be at each other's throat, THE BOOK OF LIGHT shall be the silent winner. AUM,

* that could be true - so what?

-1288 q-

Thank God there is less and less Anti-Semitism in the world and in America. Is everybody happy about that development? Obviously not. The 26th World Zionist Congress asserted that "Jews and Judaism are ENDANGERED by the DIMINUTION OF ANTI-SEMITISM in the United States" and that "The survival of Judaism is dependent upon Anti-Semitism." Theodore R. Mann, author of "JUDAISM": "All right, so anti-Semitism does not threaten Jewish survival. But here in America aren't we equally threatened by the LACK of it?" Anti-Semitism brought Jerusalem just recently about 13 BILLION Dollars from America so they would not interfere in the GULF WAR. If Jews are so much against Christians what about JUDEO-CHRISTIANITY? Isn't there an earnest effort to become friends? The Jewish author Benjamin Friedman: "Judeo-Christian is as unrealistic as hot-cold, or old-young, or heavy-light, or that a person was healthy-sick, or rich-poor, or dumb-smart, or ignorant-educated, or happy-sad." Judeo-Christianity is... more sand for Christian eyes. "Christ warns in Matthew 16:6 "take heed and beware of the leaven of the Pharisees." Thus Judeo-Christianity is just another Talmudic attempt to water up Christianity and to undermine it. I quote Winston Churchill: "It may well be that this astounding race may at this present time be in the actual process of producing another system of morals and philosophy, as malevolent as Christianity is benevolent, which if not arrested, would shatter all that Christianity has rendered possible. It would also seem as if the Gospel of Christ and the Gospel of Anti Christ were destined to originate

among the same people; and that this mystic and mysterious race had been chosen for the supreme manifestation, both of the divine and the diabolical! In the future a massive showdown between JUDAISM and CHRISTIANITY is unavoidable. And as sad as it is, Jews are interested in Anti-Semitism because that guarantees them a steady income from the banks of the world, which they would like to be seen turned very soon into ONE WORLD BANK.

Dr. Hans Kohn writes in "Zion and the Jewish national idea": "Theodore Herzl made Anti-Semitism the foundation of the Zionist movement as well as its compelling force." And Dr. Kohn continues that the obsession with Anti-Semitism is THE BASIC PROPOSITION OF ZIONISM TODAY. Des Griffin writes in "Anti-Semitism and The Babylonian Connection": "Using such smear terms as 'virulently anti-Semitic' and 'viciously anti-Jewish' the JDL and similar organizations play the same role as offensive line on a football team. They are like the pulling guard on an end run. He applies the key block. His specific job is to decimate the heart of the defence, and clear the way for his own ball carrier to make advances which would otherwise have proved impossible!"

Now we also understand why so many Jews are interested in Anti-Semitism. It is a heavily financed campaign in order to keep the rest of the world guilty and making them pay. Being myself half Jewish it is not an easy task for me to unveil the Truth and present the facts as they are. But TRUTH does not know Jews or Christians, Black or White. Truth only knows TRUTH. AUM to The Book of Light.

300,000 HERMAPHRODITES

Man and woman are growing physically more and more alike. About 1 in 10,000 is already a hermaphrodite, which means, that he or she are born, or rather IT is born with the sexual organs [inner and outer] of both male and female. Some of them are even born with no sexual organs at all. Now they are still the exception, soon they shall be the rule...

THE CHRONOLOGY OF THE FUTURE.
10,000 years from now

In about 10,000 years from now the FIFTH ROOT RACE is on its way into DEEPEST MATERIALITY. By having sex with animals they repeat the sins of their ATLANTICAN ancestors. But this time the animals are not fertile, because ALL TOGETHER THERE we all are on the ASCENDING ARC back to BRAHMAN. So even the KALTYUSA, no matter how degenerated, is so to speak in its "Golden age".

Over 2 1/2 billion people follow the LEFT HAND path. JEROVAH is ready again to devour his worshippers, thus assimilating this negative astral energy and then NEUTRALIZING it. But BEHOLD, the SIXTH ROOT RACE in the FOURTH MOUND! They live in their GOLDEN AGE or KRITA-YUSA, while the FIFTH suffers.

The SIXTH ROOT RACE THEN IS AN ALTRUISTIC SOCIETY: one for all and all for one. MONEY, ambition and competition do not exist. THE SIXTH DO NOT only love each other, they ARE LOVE. That is what we all are made of anyway, of LOVE. Do not say "I love you" just BE LOVE! Machines and computers in the SIXTH ROOT RACE, do ALL THE WORK, which gives those from the SIXTH the freedom to be what they are: LIBERATED SPIRITS. Every body has enough to eat, schools do not exist. The SIXTH ROOT RACE MACHINES are work with on almost EINSTEINIAN knowledge from the first

* now meaning 1929.

-1290-

day they breathe, and as they grow they are FED by weaving THOUGHTFORMS of the parents, thus assimilating or "drinking" knowledge like the baby of today sucks milk from its mother. Where do the parents have their knowledge from? Over 200,000,000 from the SIXTH ROOT RACE learn only from ONE BOOK, THE BOOK OF LIGHT.

By reading THE BOOK OF LIGHT, which they then shall name also DHYANA (which is Sanskrit, meaning SPIRITUAL MEDITATION), the SIXTH ROOT RACE shall be warned not to leave the RIGHT HAND PATH and not to follow the BROODERS OF DARKNESS. Some of the FINEST of the SIXTH are even able to create new life, just by LOOKING AT EACH OTHER. They become the PRIESTS and LEADERS of THE SIXTH ROOT RACE. But there shall be NO TEMPTATION for those PRIEST-LEADERS, since they have erased any negative vibrations in their ASTRAL- and MIND BODY. THEIR CONSCIOUSNESS dwells in BRAHMAN, and in BRAHMAN we are all ONE. The sowers of THE FIFTH cannot attack THE SIXTH. THE SIXTH IS PROTECTED by their own PURITY which manifests in a shield of LOVE, AND they are protected by the NEMANAKAYAS...

* When their time comes THE PROPHETS OF DARKNESS shall destroy themselves. THIS IS THE LAW-AUM.

* THEN [10,000 years from now] SANSKRIT, or the "perfected" shall be the only language of THE SIXTH.

In 10,000 years from now:

SANSKRIT becomes, once more, the UNIVERSAL LANGUAGE. AUM. Why? Because growing spirituality requires its proper expression.

-1291-

When Europe disappears, ATLANTIS and LEMURIA shall re-emerge, and when Europe re-emerges, the first world war shall be the last. The last war shall flourish on ATLANTIS and LEMURIA.

16,000 years from now

THE END OF EUROPE. After intense seismic, tidal waves, other catastrophic events, Europe shall go down, or simply be eroded from the surface of the earth. This is the way JEROVAH breathes. The British Islands shall be the first to be destroyed by volcanic eruptions and water. The rest of Europe follows after that.

NEGRITES in 16,000 years

* Pure* NEGROES or black people shall then only live in AFRICA. The other black people will all have mixed and obtained such a high standard, that they can't be called NEGROES or "black people" anymore, simply because of miscegenation and inter-marriage. Their complexion shall then be rather "brown" than black, and their physiognomy shall be refined. But AFRICA will be then mainly a nest of BLACK MAGICIANS. These sorcerers [by the way of ALL complexions!] shall be spread around the globe, trying to undermine the power of the [slowly upcoming] SIXTH ROOT RACE.

THE DEATH OF THE ESKIMOS

These [later isolated] descendants of northern Asian YAKS will fade away between 16-20,000 years from now. They [the eskimos] become isolated in the FAR NORTH as, for instance, the PYGMIES become isolated in its highest and lowest aspect.

* now meaning 1929, or the year 0.
** although the PYGMIES are only.

-1292-

IN AFRICA, ISOLATION, or matter, is the first step to NATIONAL AND PERSONAL degeneration.

50,000 years from now

THE SIXTH ROOT RACE gains more and more influence as a sort of counterbalance to the fast degenerating FIFTH. Wars shake the globe. It is almost a repetition of what happened millions of years before, and during, the great ATLANTIC-Aryan EXODUS. Also physically the SIXTH ROOT RACE grows more away from matter towards Spirit...

About 100,000 years from now [it might even happen much earlier].

No more fear of death. The era of the ETHER-machines.

The etheric body [Prāna-body] of all living beings [humans, animals, plants and minerals] will be visible. Consequently there will be no more fear of death, because now we can observe the withdrawal, and SURVIVAL, of the Etheric-Astral body from the physical body at the moment of death. We shall also see how the Etheric-Astral body stays for a while next to or near the physical body. During that period we shall be able to communicate with the etheric-astral man and "death" shall be for all, including the departed, a joyful event of liberation. The communication with those who have left their physical body and are then living in their Astral bodies [after the etheric has been cast off] shall happen through an ASTRAL RADIO whose Antenna reaches until or touches, the ASTRAL PLANE. The invention of the ASTRAL RADIO shall end the

-1292b-

ENERGY CRISIS on Earth [but unfortunately not the wars]. In about 100,000 years from now [20th century] we shall have developed ETHER MACHINES, like those we used during the Atlanto-Aryan epoch. One part or pole of the Machine touches the Etheric plane and Laya, while the other pole is in this, our physical world. A transmitter or transformer BETWEEN the two poles transforms the almost infinitely high vibration from the Ether Plane and its Laya-point [s] down into the much lower electromagnetic vibration onto our physical plane.

427,000 years from now.

THE END OF THE KALI YUGA OF THE FOURTH ROUND.
SUN and MOON are then in ONE HOUSE.

The Fifth Aryan race, or those from the Aryan race who chose the left hand path, has destroyed itself in BLACK MAGIC WARS [abuse of the ETHER-MACHINES]. Increase of Radioactivity, NOT because of a nuclear war [twice] but because of the fact, that an increasing inflow of Ether causes a steady disintegration of the grossest chemical elements [Uranium and others of high atomic

weight]. Today we would call it "cold Fusion caused by Ether." Although a COLD FUSION as claimed to have been achieved nowadays is simply an impossibility.

THE PROPHECY

Behold, the foretelling of VISHNU PURANA about the last days of the AKYAN RACE, although then they shall not deserve the name AKYA (which is wise man) anymore.

This prophecy happens already now in the West of America, in LOS ANGELES. But LOS ANGELES is not only HELL it is also HEAVEN, because not only the worst but also the BEST are here. They come together for THE FINAL CONFRONTATION. This is a way of BLACK against WHITE magic. This is WAR, and LOS ANGELES is the BATTLEFIELD, because LOS ANGELES is the heart of California. And don't you think that

the enemy is only among the MATERIALISTS. The enemy is also and especially among so-called SPIRITUAL people, those who read a book or maybe two, and use their half-knowledge now COMMERCIALLY, in order to make money with it. So don't you waste any time with it. Oh reader, come to the WHITE, the good side. Join us in that LAST BATTLE before the coming of the KALKI AVATAR. AUM. He shall establish righteousness on earth. AUM.

He shall come on a white horse. And the armies, which were in heaven followed him upon white horses. But these shall be TWO prophets, coming prior to him

*** you say: that is Revelation XIX. 11, 14? NO, that is an event described in the AVELTA and later COPIED by REVELATION. *** CALIFORNIA - THE HEART OF AMERICA.

*** He is a VIKAR with EIGHT SUPERNATURAL FACULTIES, or 'WIZARD', 'MAGICIAN' IN THE MIDDLE EAST...

-1294-

or announcing him. Later we find these two prophets suddenly copied by the Jews giving them [the prophets] the name MOSES and ELIAS. And as the Jews are now waiting for the MESSIAH, others are waiting for the KALKI AVATAR, with the slight difference, that the AVATAR is the ORIGINAL, and the MESSIAH is THE COPY. Now WHO IS THE KALKI AVATAR? THE KALKI AVATAR IS MORE A RACE than a man. It is in so far the TENTH INCARNATION, arriving on a white horse, as it wants to SYMBOLIZE a fact, namely that THIS RACE appearing toward the end of KALI YUGA or at the beginning of the new age of purity or KRITA YUGA, which begins AFTER that period of darkness, that this RACE shall have mastered ALL PASSIONS and DESIRES and powers of matter through their SPIRIT in the same way as the AVATAR masters his WHITE HORSE. This race, represented and only symbolized by the white horse, shall be the then fully established SIXTH ROOT RACE. AUM to THE SIXTH.

But until then there are 426,808 years yet to come. Those who shall continue yielding to their desires, ambitions and passions, can't expect anything but the prophecy of ANNIHILATION. Those who decide to be pure, simple and innocent shall be saved. AUM.

AUM to AKASA, reflector and recorder of past, present and future, the prophecy for those, who shall be crushed under the weight of the next 426,808 years of KALI YUGA.

*YUGA or YUGA is the same. Both mean 'age' or 'period of time'. A KALPA is several different periods of time. (see 1292b).

...and in 500,000 years from now.

701

You can see, that IOA and PINGALA, which are half-material nerves along the wall of the MARROW, are UNITED with SUSHUMNA, which is INSIDE the MARROW. The SYMPATHETIC NERVESTRINGS have united as well and build a SECOND MARROW.

SIXTH ROOT RACE MAN IN ABOUT 500,000 YEARS FROM NOW [1295].

THE END OF THE ARYAN RACE

shall be in about a million years from now, but shall even last LONGER! Meanwhile THE SIXTH ROOT RACE shall have established itself, and PURITY and PEACE will rule on EARTH. This will be in about 200,000 years from now. Following the graph from page 1286 we can say: The SIXTH RACE MAN is about a million years with an approximately the same physical structure than 18,000,000 years ago from THE THIRD RACE, but NOW with HIGHER consciousness, or shall I say a DIFFERENT consciousness?

ONE MILLION YEARS FROM NOW. ***
THE END OF SEX.

THE SIXTH ROOT RACE prevails on earth. THE FIFTH is but a shadow of itself, devoured by constantly materialising KAMA spirits, who now devour their own MASTERS! Over 100 million men, women, and children are destroyed by lower Nature spirits AND thought forms. These monsters appear everywhere all over the globe out of "nowhere", which is actually AKASA and swallow their creators. Some aerial monsters have grown to such a size that they can easily swallow a small town and its people. Behold, oh reader, the END OF THE FIFTH ROOT RACE about one million years from now.

*** No wonder THE DARK MAGES have CAPTURED THEM.
A vast sea that makes THE VOIDS overlap...
OR the cause nature never repeats itself.
New new chemical elements appear on EARTH.

703

RETURN OF INOCULATION IN THE SIXTH ROOT RACE.

The seventh subrace of the SIXTH ROOT RACE shall "inoculate" almost immeasurable HIGH MOTION [almost endless many vibrations per second] into human [and other] corpses, thus awakening them to life again, even if their astrals have left already. THIS IS THE SECRET OF LIFE AND IMMORTALITY known through out all ages by all GREAT ONES. LIFE is caused by spirit in matter, or matter reacts to spirit as life. Spirit is abstract. Abstract what? Abstract motion. Beyond ANYTHING, you could comprehend with your senses [NOW], but nevertheless motion. And abstract motion, or spirit, causes "real" or visible, or measurable motion, which causes LIFE in matter. AUM. But even this ABSTRACT motion is but an effect of the causeless CAUSE, which is - PARABRAHMAN. And as for the real motion: abstract motion does not exist, so does PARABRAHMAN not exist for the abstract motion, or the manifested spirit, and that is, why PARABRAHMAN is the only REALITY, because it is NOT existing and therefore the eternal nothing or NO-THING. AUM to wisdom and knowledge.

Toward the end of the SIXTH ROOT RACE, was there 2 million years from now...
* been inoculation of VIBRATION shall be an important factor while healing diseases.

WHO AM I?

- Who am I, oh MAHACHOHAN?
- Apply to yourself all, or most of all existing attributes, oh Lanoo, and underline I am!
- I am good, I am bad, I am this, I am that, I am here, I am there, I am tired, I am awake, I ...
- continue, oh Lanoo!
- I am happy, I am afraid, I am young, I am old, I am fast, I am slow, I am hot, I am cold, I am conscious, I am unconscious, I am proud, I am sad, I am successful, I am alone, I am concentrated, I am watching, I am ...
- Now add more of what comes into your mind to "I am."
- I am sleeping, I am eating, I am writing, I am reading, I am a man, I am a woman, I am a child, I am a stone, I am a plant, I am an animal, I am THAT, I am SOU, I am contently repeating what I am, I am learning ...
- Hold, oh Lanoo! What never changed in all the words you used?
- The ... I AM!
- That is, what you are. You are the

I AM (or AUM)

- But what IS the 'I AM', oh MANICHOWAN?
 - 'I AM' is the EVERLASTING. Everything else is temporary and MĀYĀ. You NEVER, never can add ANYTHING, to the 'I AM'!
 - But I, DID, oh MANICHOWAN. I said I am this and that, and I am you and then etc.
 - But it did not last. The moment you try to add something to the 'I AM', it turns it into TIME, and that something, that you THOUGHT is this or that, isn't this or that any longer. The 'I AM' changes the value of everything, which is applied to it and turns it into MĀYĀ. NOTHING can exist next to the 'I AM'. EVERYTHING loses its NATURE, the moment IT IS attached to the 'I AM'. Let us see: The 'young' turns into 'old', the weak into strong, the strong into weak, the wet into dry, the low into high, the high into low, the seed into the tree and so forth. Verily, don't you see? The 'I AM' is ŚIVA. It destroys everything applied to it, and thus causes it to GROW. The only CONSTANT FORCE [compared to that, which changes] is the 'I AM'. Oh what bliss, to be the 'I AM'. You can perceive it in meditation in the akṣaīa pause, between exhaling and inhaling. Put force that point and you shall be destroyed. And the nature of the 'I AM', oh MANICHOWAN?

- IMPERSONAL, NEUTRAL BLISS INDEPENDENT OF ANYTHING.
 MORE, oh MANICHOWAN, MORE!
 - You are the OBSERVER, oh reader. The 'I AM' is the OBSERVED. Whenever you feel [disturbed by the attribute] whatever it may be just OBSERVE. It is the state of MEDITATION without MEDITATING. ONE STEP BACK. Then you can see the whole picture. One step too close, would be one step too close, and then you see just PART of the picture. And you think that PART is the whole picture. In that moment THE PART tells you: I am the PICTURE! But the part, the sequence, is LYING, because its nature is MĀYĀ. 'I am tired' is simply not true. The 'tired' wants to make you BELIEVE that you are tired, and for a while it even succeeds, but after you REST, that MĀYĀ has vanished and another appears, making you believe that IT is reality while the whole time it was YOU, the 'I AM', transcending these illusions [young, old, rich, poor, etc.]
 What a shift! What a rush of consciousness flowing through me! ARE we not ALWAYS? What can possibly happen? Overcome MĀYĀ NOW.
 NOW!
 Live the middle path, oh reader. Do not overstep the line too much NO EXTREMES. Then you are the 'I AM', AUM.

MORE PROPHECY.

Everything that was, is and shall be, IS already and ALWAYS in ĀKĀṢĀ. ĀKĀṢĀ creates PROPHECY. AUM. Behold the foretelling of VIṢṢṆU PURĀṆA, of what shall happen in the last days of the impure Āryaṇ race, and you shall see, that it happens already NOW in the PIT of America in Los Angeles. But at the same time, Los Angeles is also HELL and HEAVEN. The worst and the best come here together for the last battle. This is WAR. WAR of black magic against WHITE magic, and Los Angeles is the battleground. Don't waste any more time, oh reader, come to the good side. Join us in that LAST BATTLE, before the COMING OF THE SAVIOUR. HE shall return in 426,809 years from now and restore the pure races of the SOLAR DYNASTY, forerunners of the SIXTH ROOT RACE, or even maybe THE SIXTH ROOT RACE itself. But until THEN there are yet [from now on] 426,809 years to come. Those who continue yielding to their ambitions, passions and desires, can't expect but what the prophecy foretells us. But those who decide to be pure, simple and innocent shall be saved. AUM. The prophecy for KĀLI YUGA, which is now and shall be THEN.
 *There will be contemporary monarchs, reigning over the earth - kings of churlish spirit, violent temper, and ever addicted to false hood and wickedness. They will inflict death on women, children, and cows; they will seize upon the property of their subjects and be
 * I know, I repeat myself, but this it is given to me, and the TRUTH can't be repeated often enough.

intent upon the wives of others; they will be of unlimited power, their lives will be short, their desires insatiable. Property alone will confer rank; wealth will be the only source of devotion; passion will be the sole bond of union between the sexes; false hood will be the only means of success in litigation; and women will be objects merely of sensual gratification... External types will be the only distinction of the several orders of life; - a man if rich will be reputed pure; dishonesty will be the universal means of subsistence, weakness the cause of dependence; menace and presumption will be substituted for learning; mutual assent will be marriage; fine clothes dignity. He, who is the strongest will reign; the people, unable to bear the heavy burden*, the load of taxes, will take refuge among the valleys - thus, in the Kali-age will decay considerably proceed, until the human race approaches his annihilation. End quote.
 But those who followed the RIGHT HAND PATH [Y] of INNOCENCE or even just the MIDDLE PATH, shall be led safely by their MANU into the SATYA YUGA or age of PURITY or THE GOLDEN AGE. Then in progression 4321 there shall be SATYA - DWĀPARĀ - TRĒTĀ and KĀLI YUGA again, but this time of THE SIXTH ROOT RACE, and this time KĀLI YUGA does not mean 'age of darkness' at all. At least not darkness like in the FIFTH or [C] world in the PRINCE ATLANTICAN ROOT RACE. [4th sub race of the 4th root race].
 * Also announced as the SAKI EVĀTĀK coming on a white horse. But 'dark' means here simply DECEIT and DECEIT, and the 'white' those of the pure races who MASTERED their desires, AUM. And yes there shall be a GRAVE for burden be ONE, or even TWO, direct incarnations from the root MANU of THE SIXTH, leading the SIXTH ROOT RACE. AUM.

6,000,000 years from now.
THE SEVENTH RACE

We are still in the FOURTH ROUND. Earth in 6,000,000 years from now becomes LESS DENSE and the human and animal bodies are

almost transparent, and everything looks as if there would be a glowing light bulb in it. Everything (minerals, is RADIANT, is translucent! High level of RADIOACTIVITY. But the beings are of the same nature, no how could they possibly be hurt? Everything is LIGHT and MUST be LIGHT [visible and invisible] Why? Because LIGHT is of the nature of the spirit, and spirit prevails now [finally!] over MATTER. AUM. The SEVENTH RACE man will have androgynous supersoft fleshed bodies of LIGHT. How do they multiply? In the same way the first and second races did: some multiplied by will-power, or Kriya Sakti, others by oozing out of their now almost gelatine bodies, like the SWEAT DOWN did in the SECOND RACE of this FOURTH ROUND.

*you think, your physical body is the grossest principle, or matter? NOT at all. KAMARUPA or the ANIMAL in you is the Grossest. The body is just an irresponsible factor. MENO is the trap... [and the SNAKE]

*Out don't forget: Earth is [especially now] in its KAMAEUPIC state, or state of DESIRE. We experience, together with the Earth, right now MAHAT, or UNUSUAL MENO, in its LOWEST ASPECT.

-1306-

Again: If you want to define the condition of man [and even our SOLAR SYSTEM] AFTER the FORTH RACE and EVEN the FOURTH ROUND, just count rounds and races BACKWARDS, include a SURPLUS of consciousness and there you have your answer. The graphic on page shows it already.
SEVENTH RACE MAN

704

Those who become BUDDHAS in the SEVENTH RACE shall be much higher than any adept living NOW. Among them there will be future Planetaryles, teachers for the 5th Round.
THE END OF THE APE ERA.

The apes shall have vanished at the midpoint of the SEVENTH RACE in the FOURTH ROUND, like

*EXCLUDING, of course, the terrible watermen, and any other attempts of the spirit of the EARTH [which is JEHOVAN] to create by HIMSELF.

**There is right now a class of Dhyān Chohans evolving on globe C of our chain [but not on D]. They shall descend on Earth when WE as a lifework have ascended onto globe E. These Dhyān Chohans are behind us in CYCLE not in EVOLUTION. They belong to the THIRD DHYĀN CHOHANIC KINGDOM. AUM.

-1307-

EVERY other animal. But the EGOS [Higher Selves] of the APES shall not retreat into NIRVĀNA like the animal EGOS. The higher Selves of the Apes shall embody in what is left from the degenerate SUN-SUN-SUN RACE of what are even now, the "savage" tribes of mankind. And the EGOS of these tribes? It is, by the way, these EGOS which, by FREE WILL, shall leave their bodies to the APE EGOS, but they THEMSELVES [the savages' EGOS] shall incarnate in human bodies of a bit HIGHER class. Again: The APE EGO is an EGO that had not yet fully reached human stage. KARMA provided it with bodies of LOWEST human beings, lacking of MENO [caused by the hesitation of the MANASA PUTNAS to incarnate...] But at the midpoint of the SEVENTH RACE in this FOURTH ROUND the APE EGOS shall have their chance and evolve a step HIGHER in LOWEST HUMAN FORMS, of course NOT as low as those of the mindless THIRD RACE after separation of sexes more than 18,000,000 years ago. The monkeys, result of a UNION between MENOLESS BEINGS and SPECIES LOWER than THEMSELVES, have vanished long ago.

*Notwithstanding the fact, that there was a time, millions of years ago, when the apes communicated on a certain level with man and even had their OWN language [copied from that of MAN].

-1308-

Dhyān Chohans from the 7th Race of the FOURTH ROUND descend on the chain and refresh the memory of the FIRST RACE in this FIFTH ROUND [after the obscuration]

FIFTH ROUND.

Length: 2 MANVANTARAS or 2x 308,448,000, or 616,896,000 years + cosmic interval, BETWEEN the reigns of each MANU.***

MANAS shall have developed to such an extent, that most of us shall be [almost] BUDDHAS. Almost BUDDHAS because throughout the hundreds of millions of years, which separate us NOW [1889] from the FIFTH ROUND, we will have added to ourselves or better, DEVELOPED, MANAS, or MIND UPWARD, which results in an INCREASE OF SPIRITUALITY, which, in turn, strengthens our BUDDHI-principle ALMOST to that extent of what is now a BUDDHA. SO you can imagine, how high a being a BUDDHA of NOW shall be THEN. The answer is clear. They [the BUDDHAS of NOW] shall THEN, in the FIFTH ROUND, be GODS! These BUDDHAS might thus become even the HIGHER SELVES or PLANE-

**EACH Round lasts for 616,896,000 years. Add the cosmic intervals or TWILIGHTS and DARKS for SEVEN ROUNDS, namely 1,728,000 years and you receive [7x 616,896,000] + 1,728,000 = exactly 4,320,000,000 years.

TAKES of one of the globes of the 18,002nd embodiment of this EARTH CHAIN [yet to come]. And some of these, who are FIFTH ROUNDEERS EVEN NOW in the FOURTH, shall even be HIGHER SELVES OF SOLAR SYSTEMS! But this, oh Lawo, is, or SHOULD BE, the goal of ALL HUMAN BEINGS, because: SPIRIT becomes STONE, PLANT, ANIMAL, MAN and SPIRIT, or GOD, again, which INCLUDES: the HIGHER SELF of a SOLAR-SYSTEM! YOU are a FUTURE LOGOS. Meditate about THAT! AUM.

And a last AUM to the SEED-MANU of THE FOURTH ROUND, closing the FOURTH ROUND on globe 6 of the chain.

707

Since THE FIFTH ROUND is the ROUND in which many of us shall become BUDDHAS and BODHISATTVAS and eventually NIRMĀNAKĀYAS, it is necessary to explain these three terms [p. 1313] more precise, though the ULTIMATE definition can only be given orally, which is for good reasons...

OM MANI PADME HUM.
→ of this evolution, and reappear onto THE NEXT GLOBE of THE NEXT CHAIN. The rest shall be "saved" for this round. But for those who drop out it is NOT at all an ETERNAL CONDEMNATION, as the church wants us to believe. AUM

BUDDHAS, BODHISATTVAS and NIRMĀNAKĀYAS.

Man is sevenfold. So:

- | | | |
|--------------|---|--------------------------------------|
| 1. ĀTMA | - | SPIRIT [leading through All of them] |
| 2. BUDDHI | - | SPIRIT-SOUL |
| 3. MANAS | - | MIND |
| 4. KĀMA-R. | - | DESIRE |
| 5. LINGA-S. | - | ASTRAL |
| 6. PRĀNA | - | ETHERIC LIFE POWER |
| 7. STHŪLA-S. | - | PHYSICAL |

Disconnect ANY of these principles from each other and you die. Not so with perfect men or BUDDHAS. A BUDDHA is somebody, who has trans formed his whole being into the second principle, namely BUDDHI, and eventually disappears together with ĀTMA as ĀTMA-BUDDHI into NIRVĀNA. A man, who is BUDDHI [or LOVE] or LOVES ALL THINGS, is a BUDDHA. But since he is PERFECT in every aspect, he has OMNISCIENCE and even perfect beauty of the PHYSICAL BODY. He, the BUDDHA is THREEFOLD PERFECTION. AUM. which means: he can live on THREE PLANES of

* especially the last three principles.

CONSCIOUSNESS and still be one. What can sayings is, that a BUDDHA can and actually DOES, live on three planes of consciousness, three vehicles at three different places at the same time and INDEPENDENT from each other, yet connected with each other, if we take in account, that there really is NO SEPARATION OF FORCES. Thus, one day EACH sevenfold man will become a THREEFOLD BUDDHA. AUM. You want to have it even MORE PRECISE, oh reader? Then listen to this. One day, be it on this or on another chain, EVERY THING, be it stone, mouse or MAN, shall become eventually BUDDHA. AUM. Here are the three perfected parts of a BUDDHA, compared to a SEVEN FOLDED MAN.

VACHAN OR HEAVEN*. Two more parts are left down here: The perfected MENO-BODY and the PHYSICAL, but both are thoroughly TRANFORMED with and by ĀTMA, the highest, which now dwells and rests in NĪRVĀNA, but is NOT disconnected with the two "lower" perfected parts. Now, these perfected parts, or, more precise, the MIND PART of such a BUDDHA, can be called BODHISATTVA, for now being presented on earth by his PERFECTED STHŪLA ŚARĪRA, or PHYSICAL BODY. Through many incarnations AND self-effort the [then] BUDDHA succeeded in creating a perfect THREEFOLDED vehicle by dissolving his animal or KĀMA-PART completely into ĀTMA BUDDHI, and made it thus possible for his ĀTMA-BUDDHI to remerge into the HIGHEST STATE OF BLESS, which is NĪRVĀNA. So when the Buddhists [or most of them] say, that, when BUDDHA died, he passed into NĪRVĀNA, they are quite wrong. He, BUDDHA, passed into NĪRVĀNA long BEFORE that the man they are talking of and who taught them, is [and was] THE BODHISATTVA. And when HE dies, the physical body DISAPPEARS and the BODHISATTVA turns into a NĪRMĀNĀKĀYA, living in a SPIRITUAL BODY in ĀKĀŚIC, or HIGH ETHERIC, REALMS and building together with other NĪRMĀNĀKĀ-
* Higher is just PARADISE.

* because heaven or paradise, is still mental, a MĀYĀ, and therefore really called "FOOL'S PARADISE".

-1317-

ABOUT 600,000,000 YEARS FROM B.O.L.
AT THE MID POINT OF THE FIFTH ROUND.

our [returned] LUNAR ANCESTORS withdraw onto other chains--
THE MOMENT OF TRUTH
About $\frac{2}{3}$ of all EGOS engaged in this CHAIN shall not be able to pass the midpoint of the FIFTH ROUND in about 600,000,000 years from now and shall withdraw [as SPIRITS] into an unconscious NĪRVĀNA. Many of the astral vehicles of these "failures" shall spend unfortunately their time [up to a hundred thousand years] on lowest astral levels [Planet of Death etc].

$\frac{1}{3}$ of all EGOS shall attain the ASHEKA level. ASHEKA is an adept, who has achieved ALL, that can be achieved in ONE PLANETARY CHAIN PERIOD or 4,320,000,000 years, or SEVEN ROUNDS, be it before or AT the end of the chain period. ONLY an ASHEKA can be called an ADEPT, and that is why even MASTERS like KOOT HOOMI, or MONYA can not [yet] be called ADEPTS as wrongly thought even by many THEOSOPHISTS. Is an ASHEKA also a BUDDHA? Yes, oh LAD.
Another FIFTH of all EGOS shall become ARHATS. An ARHAT has cast off about the HALF of all NĪDĀNAS, or māyāvic causes of misery, and is half on his way of becoming an adept. Therefore: An ARHAT is higher than a MASTER and LOWER than an

* from ash-to be worthy, also ARHAT

-1318-

ADEPT. When the ARHAT reaches ANĀGĀMI MĀRGA or the stage of NEVER RETURNING, THEN he shall be an ADEPT.
What then is an AVATĀR or MAHĀCHOWAN? An AVATĀR is MANU. AUM.
Are YOU an AVATĀR, oh CHOWAN?

An ARHAT has about 7 incarnations time to cast off the rest of the NĪDĀNAS, but some do it much earlier.

$\frac{1}{3}$ of all EGOS of a chain shall pass the midpoint of the FIFTH ROUND on a relatively LOWER level of consciousness, but this "lower" level is that of a SAINT, compared to the level of consciousness of an average person NOW. Those who DROP OUT at the midpoint of the FIFTH ROUND shall NOT, as often thought, suffer eternal condemnation, but shall have a NEW chance on the next chain, and many of those "failures" shall BEGIN as MASTERS on the next chain. ETERNAL CONDEMNATION is not EXISTING, other than in the imagination of religious DOGMA.

* also AVATĀRA.
Direct emanation and MANIFESTATION OF BRAHMAN.
Sankara, or Sankarāchārya, is an AVATĀR.

Those who become Gods in the FIFTH ROUND, are now above us, as we are above the BEASTS. Even the animals shall appear in the FIFTH but not for too long, maybe for 10-15 million of years at the beginning of the round, then they [and their eggs] shall repose in nirvanic regions. Why? Because they simply did not have developed enough MANAS OR MIND to awaken their BUDDHI, which would allow them to survive the PARAKH vibration of these spiritual and material realms in the FIFTH. Maybe some of the ops will survive the animals of THE FIFTH ROUND, while other ops eyes already dwell in lowest humans of THE FIRST ROOT RACES of THE FIFTH ROUND of our earth chain.

Nevertheless it would be a mistake to think that FOURTH ROUNDERS are only in the FOURTH ROUND and FIFTH ROUNDERS only in the FIFTH ROUND. So when I now say: some of us are FIFTH ROUNDERS although we are [right now] in the FOURTH ROUND, then it is not a contradiction, but has to be explained, before we can continue with the rounds on our Fourth chain. In order to do so, I leave now the FIFTH ROUND and return to THE FOURTH, to explain

*As for the RACES, remember, that the approximate time period for each root, or root race, is about 300,000 years. But this only counts for the ROOT RACES 1, 4 and 5. Races 1 and 2 were much longer than 300,000 (and races 6 and 7 shall be shorter). Explanation only DEARLY.

*Oh yes, oh reader, HEAVEN can be as devastating for the sinner, as well, because the animal in us Avotes the light of being devoured by it, not knowing that they [the vices] shall be purged away in "Hell" regions.

*some of them even growing above our round now [1319] on Globe C of our chain.

the mystery of FIFTH [and even SIXTH ROUNDERS] in the FOURTH ROUND.

We are NOW [1889] in the FOURTH ROUND, having passed more than half of it, or the 1800th embodiment. AUM. We are there fore all FOURTH ROUNDERS. By ALL, I mean stones, plants, animals AND MEN. THEN, in about 300,000 years to come, we all, stones, plants, animals and humans, shall be FIFTH ROUNDERS, because the monadic life wave descends and ASCENDS the chain for the FIFTH TIME under guidance of root- and seedmanus DAKSHA SAVARNA and BAHMA SAVARNA. AUM.

yet we have right now in the FOURTH ROUND FIFTH and SIXTH ROUNDERS among us! How can that be? The answer came to me in meditation, and I know that the MAHACHOHAN found me worthy to reveal that mystery to you, by even going one step further than our great GURU Helena Petrovna Blavatsky [AUM, AUM!], who explains very rightly that FIFTH ROUNDERS like Confucius and Plato are spirits from HIGHER PLANES OF EVOLUTION, descending into our FOURTH ROUND for the sake of mankind. THEY are now like we will be in the FIFTH ROUND, therefore we can call them FIFTH ROUNDERS. They have the CONSCIOUSNESS of future FIFTH ROUNDERS, and have now the other exaltation, gained during meditation, but based on strictly esoteric scientific FACTS: TIME DOES NOT EXIST FOR BRAH-

MAN. For HIM, or better IT, ALL ROUNDS AND CHAINS HAPPEN AT THE SAME TIME, like for your ATMA, or HIGHER SELF, all incarnations happen at the same time, which is, agreed, a mindblowing concept but FACT, and can only be FULLY comprehended by those, who read THE BOOK OF LIGHT SEVEN TIMES and THEN "between" its lines. Behold: BUDDHA and CONFUCIUS are even SIXTH ROUNDERS in this, our FOURTH ROUND, which means PLATO, a FIFTH ROUNDER in the FIFTH, shall be in the FIFTH ROUND, what BUDDHA is right now in the FIFTH [IF PLATO shall be reincarnated again in the FIFTH, which is not the case with EVERY great being, as we shall see now].

EVERYTHING HAPPENS FOR THE SPIRIT AT THE SAME TIME. Can you imagine, what that means? Are you ready for THAT TRUTH? All your incarnations, past, present and future, happen at the SAME TIME. How can that be? How can, for instance, 10 incarnations happen at the same time [from the view point of THE SPIRIT of course]? We do not even need Esoteric Science, in order to explain that phenomenon. Common Sense is sufficient. Take a stick with a fluorescent end. Whirl the stick around in a circle more than ten times a second [ten rounds] in a dark room. For the observer the fluorescent part of the stick appears as ONE UNINTERRUPTED circle. For you, who moves the stick, it is TEN ROUNDS [or ten incarnations]. Compare the observer of the

one fluorescent circle with your Spirit, and think of yourself as the ten times reincarnating previousity and there you have your explanation. What is then the SECOND, in which you whirl the stick around ten times? It is simply the time, or can be COMPARED to the time, you need to reincarnate ten times [which would equal a "real" time of about almost a million years].

THAT is, oh reader, how the HETANACHY experiences the whole COSMIC DRAMA, namely AT ONCE. Three hundred eleven trillion forty billion of years or 311.040.000.000.000 years

happen in ONE. Or in " ", which is simply a point of CONSCIOUSNESS never abandoned by THE WISHEST at its reawakening. HE, or IT, stays always ONE, no matter how many there are down here, and that can only happen through REFLECTION, like you ph reader, stay one and the same person although there is a REFLECTION of you when you look in a mirror. And that is, why we all are made in HIS IMAGE. AUM.

*if not interrupted by accident, suicide or other sudden deaths, which mostly, though not always, results in a rather short intermission in DEVACHAN [heaven] followed by an IMMEDIATE reincarnation.

Again: For BRAHMAN, the HIGHEST SELF of our UNIVERSE, anything happens at the same time, and BRAHMA, the HIGHEST SELF of our SOLAR SYSTEM, shares this consciousness with BRAHMAN, though almost endless many steps away from HIM or IT. In other words: For a planetary angel, or DEVA, everything that happens during seven rounds of a planetary chain or 4,320,000,000 years, happens at ONE and the same time, as it does to ATMA or the 'top' of our HIGHER SELF, concerning our incarnations. Which means in other words that you don't only make KARMA for your future life, but from the viewpoint of your SPIRIT whatever you think, say or do, influences RIGHT NOW one of your FORMER LIVES, if not all of them. Or: you don't only make KARMA right now, but you make KARMA at any moment at any time, be it in the past, present or future. Thus stands THE LAW. AUM.

For your HIGHER SELF you live right now also, lets say, 2000 years ago, and you might be RIGHT NOW in war, fighting for what you believe in, or having maybe a romance with somebody you might be in love with RIGHT NOW! And your behavior towards this person might influence, or cause, something happening with that, or another, person.

I am quite sure, the student and reader will be advanced enough, to "digest" this level of teaching. At least there is no objection by the MAHACHOHAN. Then in the PRAKTI? ..

2000 years ago or IN TWOTHOUSAND YEARS from now, which for the SPIRIT, or your HIGHER SELF, is all the same. There IS NO SEPARATION OF POWERS, oh reader. So what do you prefer to be? The physical body, helpless like a woman on stormy waves of an ocean called ETERNITY, or do you choose to be the IMMORTAL TIMELESS SPIRIT, who is in control of everything? It all depends on your ability to transform the negative energies or KAMA aspect in you, UPWARDS towards the SPIRIT and thus attaining IMMORTALITY in the form of UNBROKEN CONSCIOUSNESS at ALL TIMES.

As to FIFTH- and SIXTH ROUNDS in this our FOURTH ROUND, in which we are now while this book is written: OUT OF TIMELESS CONSCIOUSNESS, which is also the nature of MAHAT (universal mind), it is EASY for BRAHMAN, or THE DIVINE ESSENCE, to emanate an OUTPOURING of itself into TIME [our rounds and chains], whenever such an OUTPOURING IS NEEDED! This OUTPOURING of DIVINE ESSENCE out of TIMELESS CONSCIOUSNESS could as well manifest into an X rounder of even a chain younger than this one, but that would make no sense. It would be like using a Nobel award winning

.. THAT was what the alchemists meant when they claimed to be able to turn lead, or any other metal, into gold. ESOTERICALLY THAT IS THE SO CALLED stone of wisdom. Turn the metal of your passions into the gold of your THE SELF. In order to obtain THAT immortality, you first have to be able to control your SENSES. But don't overdo it. Take each step at a time...

pouring withdraws into PARAMITIVANA and NEVER again returns in THAT COMBINATION. THAT is ONE of the reasons why they say, that an AVATARA only comes ONCE. He has no past and no future, and he does not reincarnate. AUM. But that person, in which the DIVINE ESSENCE incarnated, HAS OF COURSE past and future lives, and if the divine AFFLUX was strong, or intense enough, it could have even awakened the CHRIST PRINCIPLE, or ATMA, in that person to such an extent, that he indeed BECOMES THE CHRIST. That is exactly, what happened to JESUS as mentioned already. When the divine essence left him, he was a man again and reincarnated as Apollonius of TYANA, after that he came back as RAMANUJACHARYA, became or was already, however you like to see it, FULLY REALIZED, became one of THE MASTERS and is as such now a COHON of the SIXTH INITIATION, ruler of THE SIXTH RAY, AUM.

This overflowing power out of the divine essence changes most of the time [if not always] the sevenfolded structure of man into THREE, or into a living TRINITY, which means, the enlightened being can live and EXIST SEPARATELY at the same time in three places, three vehicles

.. BHAKTI or DEVOTION. .. and also his (or her's) OWN incarnating higher self.

.. one below the ROHISATTVA, though Jesus might be by now a ROHISATTVA if not a NIRMALAKRYA.

and three different levels of consciousness. All this not only at the same time, but also at DIFFERENT TIMES. These three different vehicles are, beginning with the lowest, the enlightened

- a) physical body or, in this case, ATMA sthula sarira, which means he is completely transformed by the SPIRIT.
- b) the astral body or ATMA-Linga sarira
- c) the spirit body or ATMA itself, which later in no body or RUPA anymore but becomes ANUPA or formless, AUM.

The consciousness of such a high evolved THREE FOLDED being has [by them] mostly already disappeared into NIRMALANA, and what is left is (b) and (c) or Astral and Physical body, which of course should not be compared with a "normal" person's Astral - or physical body.

Or: A fully realized being, or MASTER, can be already in NIRMALANA not knowing ANYTHING anymore about his two "lower" vehicles and yet still exist in and through them. That is, why they say, that "Jesus and Buddha still live among us" although their higher principles are ONE with [and have dissolved into] PARAMITIVANA. However, their higher principles, or ATMAS, may be with THE FATHER, as we may call for now PARAMITIVANA.

-1328-

NEHVANA, or even ISRAHMAN, but their astral and physical bodies are among us. What I am saying, with the permission of the MAITREYAHAN, is this: JESUS and BUDDHA are living in their physical bodies right now here on earth among us. Why do they not come and show themselves to us? They did it many times, but they did not tell us who they were. Why? Because we would have immediately put them into a mental home. And can you imagine Jesus being in a mental home? Was not the ~~fact~~ ^{fact} of his crucifixion ridiculous enough? Somebody could come and suggest now: How about some wonders performed by BUDDHA and JESUS and other high beings, so that we would be forced to believe them? That would shoot us back right into the dark age of religion. No progress. It turns us once more into fearful little children, forced to believe in something. But Jesus wants us to mature, although he said: "Be like children." [For sure he did not mean FEARFUL children.] We must be ready in our HEARTS for him, or whoever is destined to show himself to us, be it JESUS, BUDDHA, St. GERMAIN or JEROVAN himself [hopefully in his HIGH ASPECT]. The GREAT ONES shall come, when you are READY for them. If they would appear BEFORE that time, they would act AGAINST UNIVERSEAL LAW, and NO GREAT ONE, no matter how

* WHICH IS: PURE, SIMPLE AND INNOCENT.
 ** THAT CAN ONLY HAPPEN WHEN WE STUDY DIVINE LAW, AWAKENED IN THE DOOR OF LIGHT, AND WE PSYCHIC PHENOMENA.

-1329-

great he is, would take that risk or KAMA on himself. Progress in us has to come by FREE CHOICE and SELF EFFORT. But you can be assured that the Great Ones SHALL COME. And it will be sooner, than you might think. We have reached the end of THE FIFTH ROUND. AUM.

About 317,000,000 years from P.O.L
 Consciousness: SIX DIMENSIONAL

THE SIXTH ROUND*

length: 616,886,000 years (excluding devas and ty.)
 Almost all of us are then BUDDHAS.

The cranial development of us, when we are in THE SIXTH ROUND on globe D of our EARTH-CHAIN, can be analyzed as follows: The cerebral hemispheres and the lateral ventricles [or "chambers"] shall increase in size. Why? Because the BUDDHAS, or we, THEN are GRANTS of INTELLECTUALITY, which would result in an extreme enlargement of the front part of the brain AND consequently the cerebral hemisphere, so:

* EARTH [and its inhabitants] has become TRANSPARENT

-1330-

The cranial development thus simply gives room to the stronger evolving forebrain, because it is THERE, where the INTELLECT is stored. As to the lateral ventricles, they shall be the part of the brain to increase as well, because parallel with growing INTELLECT there shall be by THEN extreme evolved SPIRITUALITY in the beings. This extreme spirituality shall result in an extreme expansion of the crown-chakra and its corresponding gland, the so called pineal gland. THEN this pineal gland shall be almost FIVE TIMES larger than now, which causes an EXPANSION of the middle part of the cranium. So:

70

In the sixth round most of us are, what we now call GODS or GODS. THEN our THIRD EYE* shall appear again, which can actually

* pine shaped gland in the brain of all vertebrates. Connected with the crown-chakra.

* Though the forebrain, or whatever part of it, is not the INTELLECT, but the VEHICLE for the INTELLECT, whose actual reflector is MANAS - RUPA or the MIND-BODY.

be called THE FIRST eye, because it was the first eye to appear millions of years ago in the humanlike form of the first race(s), THEN the other two eyes grew out of the brain. This happened from the THIRD to THE FOURTH [Atlantean] ROOT RACE. Hence in the Greek mythology, Odysseus destroys the one eyed cyclop, which just symbolizes the loss of this FIRST eye and the appearance of a NEW RACE [Odysseus] with two eyes. think. He or IT, has almost FULLY to concentrate
on how to keep its globe in orbit...

As to us being or becoming, future HIGHERSELVES

THEN, as higher SELVES OF SOLAR SYSTEMS, we shall
move our bodies in THE SAME way we move them
now, with the difference, that then our limbs

manvantaras [between Manus] and pralayas [between
manvantaras]. I did not always mention the periods
of DAWNS and TWILIGHTS or REAWAKENING or REAS-
SORPTION, so let me repeat again, in what succession

which is for our MAHĀMANVANTARA 432,000,000 years,
or ONE GREAT YUGA [which is simply a period of
time]. - How then do we split ONE MAHĀMANVANTA-
RA or period of ACTION into reawakening-action-
absorption-pralaya?

We and our earth experience ONE GREAT PE-
RIOD OF LIFE thus.

the last or SEVENTH ROUND is already part of such a MAJOR

BUT NOW I KNOW. It is the second time, that I break down in tears, while I write THE BOOK OF LIGHT.

It has to do with the ROOT of all things, which lies in the ABSTRACT [if we do not take in account THAT, which "CRUISES" THE UNMANIFEST through REFLECTION TO BE ABSTRACT, namely PARABRAHMAN].

THE PLANET OF THE NUMBERS

Like we live on planets of this EARTHCHAIN, NUMBERS live on planets and, or, globes of this earthchain. We live on the 7 lower globes of the chain and the NUMBERS live on the FIVE higher globes of the chain, which altogether make 12 globes not only for the earthchain but for EVERY CHAIN. Or: stones, plants, animals, man be it abstract, spiritual or "real" live on the SEVEN globes of our chain, of whom the FOURTH GLOBE is the EARTH, and NUMBERS live on the five HIGHER GLOBES, and together that makes 12.

NUMBERS are conscious ENTITIES. Say a NUMBER, and you attract the attention of an ENTITY. Each and every one of these FIVE UPPER GLOBES. The reason why these FIVE UPPER GLOBES are hardly mentioned, even not by HELENA BLAVATSKY in her "SECRET DOCTRINE", is simply: the time was not yet right. But now it is. Oh reader, honour the secret of THE PLANET OF NUMBERS. *symbolized by DECEPUS.

0, 1, 2, 3, 4 - are the first numbers to appear. First they are androgynic abstract entities, but THEN, in a flash of CONSCIOUSNESS, triggered or caused by MAHAT or UNIVERSAL MIND, they are multiplied each on its level and globe by TWO. This happens almost endless many times. Why multiplied by TWO and why ALMOST endless, and not REALLY endless, since we know that numbers have no end? They DO have an end and they do not meet in eternity as many, INCLUDING EINSTEIN, thought. IMAGINE ALL computers of the world beginning with the, for them, HIGHEST NUMBER and then MULTIPLYING THIS SUPERNUMBER in the HIGHEST possible way [for the computers, or any other power, we could imagine]. Even if the computers could multiply for ONE MAHA-MAHA-MANVANTARA which is 31,040,000,000,000 years, the number

Although 0 is NO NUMBER, it becomes NUMBER when combined or manifested.

-1340-

would have to stop THERE at the end of the MAHAMANVANTARA and then there would be no computer any more to count the numbers and no CONSCIOUSNESS to be aware of the fact, that there IS no computer to count ANY numbers. There is only pralaya, but a pralaya, which is UNIQUE and close to PARAMASHRAMAN, which per definition is only one thing namely, "BEYOND COMPREHENSION", which would mean EVERYTHING, even NUMBERS would have to stop to be, or to be counted, and that indicates: WE* are a NUMBER with an end no matter how far and where this end might be. Each MAHA-MAHAMANVANTARA or 31,040,000,000,000 years is also called THE SEVENTH ETERNITY. What shall happen after the GREAT-GREAT pralaya? There is a reawakening, but not necessarily one, that creates entities like us who perceive that reawakening and its time period as 31,040,000,000,000 years. Maybe only THE NUMBER SEVEN appears, and then it disappears again. Can there be something like just a number, and NOTHING ELSE?? MEDITATE, oh reader, and you shall experience the number ONE and its POWER. AUM.

* AND THIS UNIVERSE.

-1341-

715

But why are the numbers, at the moment they appear on their planets, multiplied by two? This multiplication is caused by MAHAT, like everything else. And since MAHAT, or UNIVERSAL MIND, IS DUAL by nature* [and THREE in ESSENCE]. And BECAUSE of the DUALITY of MAHAT the multiplication factor for all numbers on each globe is TWO. In a flash of time this happens:

The numbers of the UPPER GLOBES "fall" on the LOWER PART OF EACH CHAIN, be it our EARTHCHAIN or any other planet, and MANIFEST THERE. They of course there is always (1) the one who is conscious (2) that of what we are conscious of, and (3) Consciousness itself. Now you can see [in the graph] why the earth is sometimes like the FOURTH, but sometimes also the SEVENTH globe. Count from the HIGHEST down to the lowest GLOBE.
