do not fall as visible numbers but as ENERGIES, that cause us to ACHIEVE and analyze EVERYTHING visible AND invisible as NUMBERS. Try to ESCAPE the NUMBER. Show me ONE thing that is NOT a number, and I tell you to throw THE BOOK OF LIGHT away. YET there is something. But THEN you do not need anything any- more, and this something is PARABRAHMAN BEYOND COMPREHENSION. BEYOND COMPREHENSION means BEYOND the mirror. The mirror is COMPREHENSION - seven dimensional COMPREHENSION. We all live in the mirror. If we would not - THAT IS PARABRAHMAN.

So you see, the numbers multiply them selves, because of MAHAT or UNIVERSAL MIND. AND BECAUSE the numbers multiply themselves up there, WE multiply our selves DOWN HERE. *AUM. Again: The upper part of the EARTH CHAIN [5 globes] is inhabited by numbers and the lower part of the chain [7 globes] by us. But the upper part of the chain, with its FIVE ABSTRACT GLOBES and the NUMBERS on them, is also something else. It is a conscious ABSTRACT being [as a thought is an abstract being] and when it moves, NUMBERS appear. But they appear in a HIERARCHY on the FIVE GLOBES of the UPPER CHAIN. Let us observe again only the FIVE UPPER GLOBES and call them A, B, C, D and E.

Because as it is ABOVE, so is it down here BELOW.

* PARABRAHMAN, or THE SECONDESS HIGHEST or "GOD" is so far away from us like WE are for our image in a MIRROR. yet we are INTIMATELY connected with that image and the image with us. THAT is how CLOSE and FAR AWAY at the same time GOD is to us.

-1343-

So:

716

But do not confuse these A, B, C, D and E with the (new) lower globes, which we shall leave aside for the moment, because we want to analyze SOMETHING of the nature of THE HIERARCHIES up there, as we did it with the hierarchies down here, though to a much greater extent. Which hierarchies of numbers live on the FIVE UPPER GLOBES? We saw them already. All ZEROES live on GLOBE A. All ONES have their root on globe B. All TWOS live on globe C, all THREES on globe D and all FOURS on GLOBE E: EVERYTHING that happens with the numbers 0, 1, 2, 3, 4 in whatever combination creates a link to these numbers, or their parents, AND their globes. You might be able to bring the numbers together, but NEVER their globes. The FIVE UPPER GLOBES are ALWAYS separated from each other, like the SEVEN GLOBES.

* BETTER: The first FIVE OF THE SEVEN.

-1344-

of our LOWER CHAIN are always separated by the blood of the COSMOS, or by AKASA - ETHER. But what does separate the FIVE UPPER GLOBES? The signs + and - , or PLUS and MINUS, in a certain order, which I shall NOT reveal to you. Destroy that order and the GLOBES would crash together, causing down here the same. BLACK MAGICIANS have tried many times to enter the system of the UPPER GLOBES, but they always failed, because it takes not only the MIND of a liberated GIANT to enter the UPPER SPHERES, but also the INNOCENCE of a NEWBORN CHILD. That is why BLACK MAGICIANS, like Hitler etc. ALWAYS appealed to the YOUNG GENERATION. They NEEDED this - relative - INNOCENCE, to then MISUSE it for, or CHANNEL this energy into, selfish and finally self-destructive directions. But in the end the BLACK MAGICIANS shall always be the LOSERS. AUM.

But there WAS a turbulence, or disturbance, in the world of numbers on the upper FIVE globes, although I would not call it necessarily BLACK MAGIC, but more an act of rebellion, created by MIND ANGELS. THIS interference in numbers and the attempt to, let's say, CHANGE the hierarchical order in abstract regions, was the main cause, or ONE OF THE main causes, why man down here, by not being aware of their divine nature, cohabited with animals. Enough of that. The explanation given

-1345-

up till now about THE FALL OF THE ANGELS is sufficient in order to understand, that ALL PROBLEMS are solved, once man accepts, and lives according to, his DIVINE NATURE.

6,471,000,000 years from now, after a chain pralaya of 4,320,000,000 years. The earth is dead and has transformed ALL LIFE-POWER into a new LAYA, around which a new planet is formed in exactly the same way and order it happened to this, our earth chain, but altogether from the "beginning" to the "end" in a little less dense molecular structure. What happens to, JEROVAH, the spirit of our earth, and to us? Do we, after pralaya, switch over to the new chain? The answer is: NO. We, mankind as a whole, shall elevate to higher realms, but some elected of us shall do the same as the different classes of Manasaputras did to us in THE THIRD ROOT RACE, before separation of sexes (and also after). We shall project our consciousness* into high evolved animals, apes, and low humans of this chain. But THEN, or after that, we shall retreat either into NEWVANIC REGIONS, or be chosen for higher work in higher realms. AUM.

As to JEROVAH, I have permission to give the following information: It shall depend on the extent of JEROVAH's ability of having ruled and governed his planet EARTH, which was his body and whose better our conspicient MONADS, in other words, HAVING become Dhyani-Chohans at the end of the SEVENTH ROUND on the EARTH-CHAIN, the animal part of Kama-Rupa in us shall build the new HUMANITY on the chain following the Earth-chain. And we as Dhyani-CHOHANS shall then give Mind to what once was our OWN animal part and which is now THE NEW MANKIND. We shall MANASAPUTRAE them. AUM.

Spirit HE [JEHOVAH] was.
 Understand, oh reader: There is a KĀMA LOKA FOREVERLY Spirit, be it a human's spirit or a PLANET-ANGELS. When JEHOVAH reincarnates (or switches over) into a new globe and its chain, the FORMER globe [our earth] and its chain shall become his KĀMA or desire, principle, or, in the worst case, DWELLER OF THE THRESHOLD. THEN it COULD happen, that JEHOVAH would be too EXHAUSTED to incarnate after ITS lawful period of rest, or pralaya, of 4,320,000,000 years. He [Jehovah] simply would NEED MORE REST, just as even a human being needs more than 8 hours of sleep after having been FORCED to abuse and misuse his energy or life-power to such an extent, that 8 hours of rest would just not be enough. But since a DAY AND A NIGHT OF DNĀHM appear constantly and regularly, no matter what happens during them, in the same way as our days and night always appear according to THE LAW, if we wake or sleep through them or not, THE LAW shall not be influenced [in its grand scheme] by any kind of Spirit, be it the spirit of a mouse or the spirit of a GOD. AUM. So after pralaya of 4,320,000,000 years the new chain AFTER this one shall *to be compared with the residue, [shell or shadow] of a disintegrating ASTRAL BODY after DEATH.
 ** See explanation to "DWELLER OF THE THRESHOLD" as a HUMAN PRINCIPLE.

reincarnate, if there would be a JEHOVAH or not.*
 But that would be THE WORST, that could happen to the new planet and its chain. I imagine, what that would mean for mankind on this new planet AFTER our earth and its chain are dead. This new "earth" or the successor of our earth now would then have KĀMA principle but NO SPIRIT. The new planet and its chain would turn into a cesspool of vices, perversities, evil passions and desires, etc. much more influenced by its KĀMA aspect, than if there would be a controlling and neutralizing spiritual power. Now in such a case it COULD happen, that JEHOVAH would be called forth from NIRVĀNA, or awakened, by it [without him reincarnated] physical body, and thus descend on its chain again, although it would be till then an INCOMPLETE chain, since the invisible and also abstract principles of the chain would be incomplete, caused by the absence of the invisible aspects of JEHOVAH, that at least helped to form the [to us] invisible globes of the chain [Not to speak of the PLANET [3] OF NUMBERS, the FIVE HIGHER GLOBES]: Numbers would appear in the wrong order and influence the DNA structure of EVERYTHING. The mathematical CHAOS ON THE PLANET OF NUMBERS would reflect down here [I mean in this case on the next chain after this one] and would cause CHAOS in

* In the same way, that a person can reincarnate even without a soul. There are already many among us.

** which can happen sometimes with humans: Reincarnation of the physical body devoid of spirit.

PHYSICAL MATTER, and in GENES, thus causing monstrous life-forms, who would keep the new globe in orbit WITHOUT the reincarnating JEHOVAH? This would be the duty of other planet angels and some [maybe] remaining HOSTS of JEHOVAH, because THEY mainly caused [WAS IN HEAVEN] all the turbulence on earth and its beings in the first place. It is therefore up to us** to create by our thoughts, emotions AND actions as much POSITIVE energy and thus neutralize the KĀMA principle of our planet, so it would not exhaust JEHOVAH so much, that he can't leave NIRVĀNA when it is time for the 18,002nd embodiment of this chain. Let us HELP JEHOVAH* by our clean thoughts and actions to be purged as much as possible, when it eventually shall enter its well deserved NIRVĀNA, which shall be in TWO BILLION - THREE HUNDRED SIXTY FOUR MILLION ONE HUNDRED AND FIFTEEN THOUSAND TWO HUNDRED AND TWELVE YEARS. from now [1989].

** But do not worship him, as if he would be THE ONE AND ONLY GOD. He is just a planet-angel. There are as many as you can think 2 FLOORS AFTER A ONE. THE HIGHEST IS BRAHMAN, out of which all these planet angels EMANATE. AUM
 * become the saviour of JEHOVAH and therewith of a future mankind on a future chain.

* Always keep in mind, that, when I say JEHOVAH, I mean A HOST OF POWERS, so an angel like JEHOVAH is always HOSTS OF ANGELS, or a multitude of them, and when I say JEHOVAH does not or could not reincarnate, or not necessarily mean that ALL HOSTS called JEHOVAH do not reincarnate. AUM. Some of JEHOVAH'S MONADS would ALWAYS influence a new chain.

THE TRUE NATURE OF ALL ELEMENTS.

Now, oh Lawoo, you understand why there are ENDLESS many Elements, coming out of ONE Element. It is, because NUMBER comes from NO NUMBER, I derives from 0. And all numbers are born from THE ONE like all souls emanate out of BRAHMAN. AUM. Numbers are THE ULTIMATE ELEMENTS, and there are ENDLESS MANY NUMBERS. Numbers are ABSTRACT ELEMENTS, and also the ARCHETYPES and PROTOTYPES of all VISIBLE ELEMENTS. AT MAHĀMAHĀ PRĀLAYA everything shall be reduced to NUMBERS again. THE WHOLE UNIVERSE with everything in it shall dissolve in about 150,000,000,000,000 years from now into NUMBERS and then... into ONE "NUMBER" or 1 or . or the point in the CIRCLE or ○. And then ○

for 311,040,000,000,000 years to come. you ask, oh Lawoo, if there are ENDLESS MANY NUMBERS during ONE MAHĀ MANVANTARA. Never. No matter how great this UNIVERSE is, it is FINITE and NOT infinite. How many numbers are there? AS MANY NUMBERS AS THERE ARE MONADS. The monad is ALWAYS ONE, then TWO [Ātma - Buddhi] and, when joined by MANAS the MONAD is TEMPORARILY THREE. AUM.
 * But this I or ONE in its STRICTEST definition is also a NO-NUMBER, because it TRANSCENDS and CONTAINS all NUMBERS and is at the same time contained by all of them...

-1350-

THUS STANDS THE LAW. FIRST THERE IS THE ABSTRACT NOUMENON AND THEN THE TEMPORARY PHYSICAL PHENOMENON.

Therefore: Reduce your astral to a CIPHER, oh LADOO, and you shall attain IMMORTALITY, because when there is nothing anymore to purify, the SOUL does not need DEVACHAN, which is A FOOL'S PARADISE ANYHOW, and you shall change your vesture while in CARNATION.

AUM TO WISDOM AND KNOWLEDGE.

-1350a-

THE DAY OUR SUN AND THE SOLAR SYSTEM SHALL DIE.

AUM. I am touching holy ground. Bound by no oath I shall reveal now to a fast decaying mankind the "exact" date when this SOLAR SYSTEM, including all its planets, shall be extinct, or when BRAHMA shall WITHDRAW.

Lifetime of a SOLAR SYSTEM = 7x7 planetary rounds + 7 planetary PRALAYAS, or 7x4,320,000 years + 7x4,320,000 years which amounts to a total of 60,480,000,000 years, or ONE SOLAR-KALPA.

155,522,169,000,000 years have passed since the REAWAKENING OF ALL UNIVERSAL LIFE. How many SOLAR KALPAS?

Divide 155,522,169,000,000 by 60,480,000,000 and you shall receive the answer.

$$\frac{155,522,169,000,000}{60,480,000,000} = 2571,46 \text{ etc.}$$

Therefore: 2572 Solarsystems were born since the REAWAKENING OF ALL UNIVERSAL LIFE. 2571 Solarsystems died. We now live in the 2572nd Solarsystem. ALMOST 50% of its time

-1350b-

[see equation] has passed, or less than 30,240,000,000 years, which means, that our SOLAR SYSTEM [Suns and Planets] shall die in a bit more than

30,240,000,000 terrestrial years.

But THEN we shall have ascended altogether onto other planets, and the planets now known shall all have disappeared, making room for NEW CHAINS, because the lifetime of ONE PLANET is "only" 4,320,000,000 years + about twice the same amount of time to disappear COMPLETELY.

* Now is 1989.

SUMMARY

Our planet Earth throughout SEVEN ROUNDS. Total amount of time elapsing: 4,320,000,000 years.

I

About 2,169,000,000 years ago. Earth in THE FIRST ROUND is a one-dimensional and one-elemental rotating ETHER-FIRE.

.....♥ ❧ ♥.....
-1350 d-

II

About 1,552,000,000 years ago. Earth in THE SECOND ROUND is a TWO-DIMENSIONAL TWO-ELEMENTAL rotating ASTRAL-FIRE [containing the Astral prototypes of what LATER became EARTH and FIRE of NOW].

.....♥ ❧ ♥.....

.....♥ ❧ ♥.....
-1350 e-

III

About 925,000,000 years ago. Earth in THE THIRD ROUND is a THREE-DIMENSIONAL and THREE-ELEMENTAL rotating globe of LIQUID CARBONIC ACID [center: Akāśic Fire Mist].

.....♥ ❧ ♥.....

.....♥ ❧ ♥.....
-1350 f-

IV

About 318,000,000 years ago. Earth in THE FOURTH ROUND has transformed gaseous, fluids and "plastic" forms into [almost] the dense globe we know now.

* "Plastic" meaning here being even more adjustable than water and air to ANY physical form. ETHER is plastic.

.....♥ ❧ ♥.....

.....♥ ❧ ♥.....
-1350 g-

V

In about 299,000,000 years from now. Earth in THE FIFTH ROUND returns to its structure of THE THIRD ROUND [and with it all that which lives on Earth].

VI

In 907,000,000 years from now. Earth in THE SIXTH ROUND returns to its structure of, or in, THE SECOND ROUND [including all living beings].

VII

In 1,524,000,000 years from now. Earth in THE SEVENTH ROUND returns to its structure of THE FIRST ROUND [including all life].

Then Jehovah withdraws and the ETHERIC SPIRITUALIZED GLOBE collapses and CONDENSATES and dies, leaving a DENSE, lifeless Moon [or being a Moon for the NEXT chain] with almost NO ROTATION. AUM to wisdom and knowledge. Now we understand Helena Petrovna Blavatsky, when she writes in her SECRET DOCTRINE, Cosmogony, p. 159, lines 16-19: "During the first three [rounds], it [Earth] forms and condenses; d- AND globes of the chain."

ring the fourth [Round and Globe of the chain] it settles and hardens; during the last three [Rounds and globes of the chain] it gradually returns to its first ethereal form: it is spiritualized so to say."

Where then is PROGRESS, oh Mahâchohan, if everything ends as it BEGAN? - The progress, oh Lanoo, lays in the INCREASE OF CONSCIOUSNESS for Earth and all that lives on it at the end of THE SEVENTH ROUND. AUM.

in about 170,000,000,000 years from now.

THE DEATH OF OUR SOLAR SYSTEM. -1351-

Our SOLAR SYSTEM, moving through space with a speed of 12 miles per second, shall THEN have reached the domain of VEGA in the constellation LYRA. AUM.

PRÂKRITIKA PRALAYA.

The sun dies after 49, or 7x7 rounds, or seven seven 70000 rounds, or planetary chains. I write it that way, because confusion is sometimes the best shield against those, who think esoteric science is something they can just "study". The sun is the first to disintegrate. When BRAHMA withdraws, AKÂSA follows and with it all subdivisions, call them ether, "phlogiston" or whatever you like. Once AKÂSA leaves all matter (first the visible sun) the whole solar system hardens and implodes, which does not at all mean, that the planets "fall" into the sun. But the sun is more or less a reflection of the real CENTRAL SUN and in its appearance a center of metallic vapour. How can the sun implode, like all the other planets? The sun changes from gaseous condition to dense matter after the extraction of AKÂSA. THEN the sun implodes into innumerable particles, which we now call METEORITES. METEORITES are ALWAYS dead sun-matter. They contain the same material than the suns from whence they come, which is: Iron, nickel, copper, carbon, oxygen, hydrogen, etc. These materials can all be found also in our earth. Of course. We all were

*** OR: ELECTROMAGNETIC ENERGY. **without living it.
*** BUT THE PLANETS of the solar system are destroyed BEFORE THE SUN WITHDRAWS COMPLETELY, or SEVEN DAYS OF BRAHMA, the TRUE ORIGIN of THE SEVEN DAYS of the Bible, in which GOD created the world [solar system].

-1352-

ONE FIRE BALL* at the reawakening of all UNIVERSAL LIFE, until the SEVEN RAYS (and their emanations) took over...

When the sun, and our solar system, dies, mankind shall be purified and shall disappear into well deserved inter solar NIRVANA, to reawaken then at the dawn of a new MANVANTARA into HIGHER SYSTEMS. AUM.

NEW CHOHANS shall take over the new system, while the "old" CHOHANS or planetaries, have gone higher.. [Closer to BRAHMAN?]. At that point of cosmic evolution there are no more "lowest forms" as known to us now. Most of them have evolved, and EVERYTHING is on its way to becoming HUMAN. But an "animal" THEN shall have the consciousness of an EINSTEIN now. And as the animals [at solar-pralaya] leave their kingdoms after the exit of man, they too leave their ethereal residues of the forms on the desiccating or "drying", and dying, planet.

During this solar pralaya, there is only cosmic DUST. At the reawakening, after AEONS of rest, the cosmic dust receives a NEW IMPULSE from the NEW CHOHANS, and

SVABHAVAT, or ETERNAL BEING, is once more ready to be moulded by the CHOHANS and their FOHATIC POWER into a NEW SOLAR SYSTEM.

* We are all debris of the one element...
** Better: in the planet's AURA, as Astral Photographs [Clay]
** when PARABRAHMAN interacted with MÛLAPRÂKRITÏ, causing THE UNMANIFESTED to appear and AKÂSA - and FINE etc.
** or MANUS.

-1353-

How does the TOTAL DISSOLUTION of EVERYTHING, be it SPIRIT or NON SPIRIT, announce itself at the TWILIGHT of our MAHÂ MANVANTARA, or 100 years of BRAHMA, or GREAT PERIOD of ACTIVITY?

Behold the prophecy, announcing THE GREAT PRALAYA, or MAHÂ PRALAYA, for 311.040.000.000.000 years until the last vibration of the SEVENTH ETERNITY "causa"

once again an interaction between PARABRAHMAN and MÛLAPRÂKRITÏ. Be witness, oh reader of how COSMOS reacts, when BRAHMAN withdraws. Step I

When MAHÂ PRALAYA [great dissolution] arrives, the inhabitants of the UPPER SPHERES seek refuge with the HIGHEST CHOHANS and MANUS one step higher, than their hitherto refuge. Together EVERYTHING throngs from BELOW to ABOVE, because when BRAHMAN withdraws, his body [all globes, galaxies, etc. of our UNIVERSE] dies first. Those high and highest beings, who retreated a step higher, attain more subtle forms, fit to reappear at the reawakening of all UNIVERSAL LIFE 311.040.000.000.000 years later. But how do the inhabitants of the LOWER SPHERES, WE, experience the announcement of a MAHÂ PRALAYA?

"Strange noises are heard, proceeding from every point... also called the body of Christ"

** And BRAHMAN experiences MÛLAPRÂKRITÏ, or abstract ROOT-MATTER, as material veil thrown over PARABRAHMAN in the same way, as WE experience our material body as material veil, thrown for the incarnation over our spirit.

* by NON SPIRIT I mean the (then) existence, or non-existence, of spirits, which incarnate in matter. Because do not forget, there is also a spirit which is NON MANIFESTED. THAT REMAINS. AUM.

Dusk rises at the horizon, the gurus of the pagodas, appointed to watch the ZODIAC, may now break their circle and instruments, for they are henceforth useless."

"Gradually light pales, heat diminishes, uninhabited spots multiply on the earth, the air becomes more and more rarified; the springs of water dry up, the great rivers see their waves exhausted, the ocean shows its sandy bottom and plants die. Men and animals decrease in size DAILY. LIFE and motion lose their force, planets can hardly gravitate in space. The Sun flickers and goes out** matter falls into dissolution. CLOUDS mighty in size, and loud in THUNDER fill up all Space, showering down torrents of water. These clouds quench the dreadful fires.

And then it rains UNINTERRUPTED for 360,000 years and deluge the whole world. These rains overspread the earth, and fill the MIDDLE regions and inundate heaven, thus flowing INTO SPACE, inundating the earth. The world is now enveloped in darkness and all things animate, or inanimate, having perished, the clouds continue to pass down their waters.

STEP II.

When by death and fire all the worlds withered up... the progress of elemental dissolution is begun. Then, first the waters swallow up the property of earth

*** Thus ends normally energy of BRAHMA, but I use this as a FIRST STEP-pralaya, slowly generating step II and III and thus by withdrawing or lack of PHLOGESTON-ETHER. ^{coming in} MAHA PRALAYA.

** Simply because the PLANET ANGELS slowly withdraw and show no more interest in keeping their globes in orbit. They want only one thing - to rest in Pralaya. AUM.

and earth becomes one with water."
WATER OVERFLOWS OVER SOLAR SYSTEM. *

718

When thus the whole UNIVERSE is pervaded by the waves of the watery element, its rudimentary flavour is locked up by the elements of fire. THEN the UNIVERSE is ENTIRELY filled with flame*, WIND rises upon the rudimentary property of form, which is the CAUSE OF LIGHT [!] and that [light] being withdrawn, all becomes of the nature of air. AIR extinguishes FIRE and spreads over space, which is deprived of light, when fire merges into air.

AIR then, accompanied by sound, which is the SOURCE of ETHER, extends everywhere throughout the ten regions [cosmic planes]. Now only AKASA occupies the whole containment of Space. THEN the origin of the ELEMENTS* devours sound, and the hosts of DHYAN CHOHANS and all the existing Elements** are at once merged into their original. That primary element also called UNIVERSAL CONSCIOUSNESS is DISINTEGRATED by UNIVERSAL MIND. Seven forms and principles successively reenter into each other.

STEP III.

*** which is obvious, because elements or spiritual intelligent potencies are simply MEMS of a DHYAN CHOHAN'S [or PLANETARY'S] GARMBENT. When the CHOHAN withdraws, the elements follow.

** which is etheric and with wind, therefore you also could call it ETHER-TORNADO, since DEVAS work on All levels.

*** actually the devas are committing COSMIC SUICIDE working towards their own destruction.

*** as it was 311,040,000,000 years ago at its REAWAKENING AUM. *** which is MULAPRALAYA

STEP III

Seven zones, seven oceans, seven regions and their mountains in other words THE EGG OF BRAHMA itself is dissolved in the waters. WATER is drunk by FIRE, FIRE is drunk by air, air blends with ether [better AKASA] MAHAT or UNIVERSAL MIND destroys all of them, because it [MAHAT] is now ITSELF used upon by PRAKRTI. What remains is: Spirit PURE, IMPERISHABLE, ETERNAL, all pervading. But even that Spirit is a PORTION of the Supreme spirit, which is ALL things. And this spirit is not the EMBODIED SPIRIT, it is even BEYOND that, and it has NO ATTRIBUTES. Call it a PARABRAHMIC DEYONNESS, beyond measurement and comprehension, because how can the embodied spirit comprehend the disembodied Spirit? And especially then at pralaya, which comprehension could we apply to that spirit since THEN there is no human and also NO spiritual comprehension* to comprehend it?

That is the ultimate situation of a PRALAYA for 311,040,000,000 years. There is NOTHING, simply because there is nobody there any more to be conscious of it. AUM. That is THE GREAT PRALAYA AUM. Everything is at rest though BRAHMAN never rests and is EVER CHANGING. AUM.***

ANOTHER approach to describe MAHA-MAHA-PRALAYA or the reemerging of EVERYTHING into the ABSOLUTE is: SHORT BEFORE MAHA-MAHA PRALAYA

*not even that of a MURACHOHAN, who, by then is in PARANIRVANA. AUM.

** THESE GREAT STEPS OF COSMIC DESTRUCTION or PRALAYA could be compared to what the entities, living on the ATOMS and ELECTRONS etc, of your BODY experience when your body dies.

-1358-

LAYA EVERYTHING, all the almost endless many SOLAR SYSTEMS and GALAXIES, turn into SEVEN. SEVEN WHAT? SEVEN great fire balls or SUNS. SEVEN SUNS. There shall be NOTHING any more but SEVEN SUNS, governed by THE SEVEN RAYS.

THE SEVEN RAYS were the FIRST emanations out of BRAHMAN at the reawakening of all universal life. They, the SEVEN RAYS, were the FIRST to appear and are then at MAHAMAHA PRALAYA the LAST to disappear, and THAT is why the FIRST shall be THE LAST. AUM. And what happens to THE SEVEN RAYS with their SEVEN SUNS? They withdraw into the ABSOLUTE until there is only ONE RAY and ONE SUN or BRAHMAN. And BRAHMAN who was the FIRST to appear shall be THE LAST to DISAPPEAR. To disappear where? INTO... AUM.

Behold, oh reader, a MYSTERY, never unveiled before to MANKIND. On the next two pages we shall be WITNESS to the LAST TWO STEPS OF BRAHMAN, before IT can be reabsorbed into THE ABSOLUTE.

AUM

- * And this TOO is, why THE FIRST SHALL BE THE LAST. But behold the distorted interpretation of REEFTON.
- * INTO AN ABSTRACTION, and further back into THE CAUSELESS CAUSE OF THIS ABSTRACTION, which is PARABRAHMAN. AUM.

-1359-

THE DEATH OF THE SUN.

After all planets of the SOLAR SYSTEM have become SUNS, then dense and THEN EXPLODED, THE SUN ITSELF condenses into a

SOLID GLOBE

This globe becomes denser and denser and..

-1360-

...EXPLODES in an outburst of LIGHT and FIRE.

-1361-

- Questions and answers about THE DEATH OF THE SUN

- Does DEATH OF THE SUN also mean DEATH OF THE SOLAR-SYSTEM?
- Yes, because THE SUN is THE KING IN HIS KINGDOM.
- What is the food for THE SUN?
- Interplanetary and interstellar stuff. It is refuse of DEAD SUNS.
- Why does THE SUN DIE?
- Because his MANVANTARA is ENDING, and his PRALAYA is beginning.
- Where does THE SUN disappear?
- INTO INNER PLANES, thus withdrawing from THIS PLANE, or TAKING VITALITY from this plane and that is, why the SUN DIES on THIS plane.
- To be reborn on a HIGHER plane?
- AUM.
- Who dies first? - The PLANETS of the SOLAR SYSTEM, THEN the SUN.
- Does the Sun ALWAYS stay on ELECTROMAGNETIC ETHEREAL center of energy?
- No. The other it becomes the more COMPACTED.
- And then? - Then the SUN EXPLODES.
- Is there no light, just exploding particles?
- No. At the moment of explosion there is a TREMENDOUS outburst of LIGHT, reaching BEYOND the realms of, for instance, OUR SOLAR SYSTEM.
- But ORIGINALLY that into which THE SUN explodes was ETHEREAL? - Yes.

- Is a NOVA a new star?
- That is what SCIENCE thinks. But it is just the opposite, namely THE DEATH of a star.
- But after the explosion the NOVA is visible?
- It is DYING, though that process sometimes takes many years...
- How would you call a comet, which becomes a SUN of a SOLAR SYSTEM?
- A SUN-COMET, and OUR EARTH was once a PLANET-COMET.
- But a COMET per se can be either the pre-birth state of a SUN or of a PLANET?
- Yes.
- During ONE lifetime of THE SUN, the PLANETARY CHAINS [or planets of the SOLAR SYSTEM] return again and again to THEIR SUN. How is that possible?
- The Ego detaches itself from where it was resting.
- Which Ego? - The Ego[s] of each planet of THE SOLAR SYSTEM. It was RESTING as part of WORLD-STUFF [or MILKY WAY etc]. THAT stuff leads, or ATTRACTS it back to its SUN.
- Are ALL meteorites, traversing OUR SOLAR SYSTEM, parts of our FORMER SUN?
- No. Many Meteorites are explosions of OTHER SUNS, having wandered through space and having been caught either by our SUN or OUR PLANETS. - As they are NOW?
- No. When in their FORMER state. AUM.

In the last OF ALL ROUNDS^{*} or the 36,000th EMBODIMENT, we all shall arrive on Planet Z [or G] of our ESOTERIC CHAIN of WORLDS, or on our HIGHEST, or last, globe of our ESOTERIC SOLAR SYSTEM, which consists of the invisible GLOBES A, B, F, G, and G [Z]; and the visible globes Mars, Earth, Mercury. A new planet shall become visible behind our MOON, and our MOON shall disappear. This new planet becomes a Moon itself, after having projected all her life power into a new Laya center. A new planet shall be born around that LAYA and when the planet is formed, it shall belong to another SOLAR SYSTEM than ours, and ITS MOON shall not influence our EARTH, but we shall see him. This new, then to us visible, MOON is now still on to us, invisible MYSTERY PLANET. As to our ESOTERIC SOLAR SYSTEM, do not forget, that each of these 7 globes belong to an [and has its OWN] INDEPENDENT CHAIN of SIX [or SEVEN] fellow globes. Through out 3110,000,000,000 years, what is now the EARTH, experiences 36,000 embodiments or chains, which does not necessarily mean, that ALL SPIRITS, or MONADS, have to follow one CHAIN after the other. For instance; Most of us shall ascend on MERCURY, after this earth becomes the moon of a NEW CHAIN. AUM.

But ONE THING is sure: No MONAD can switch through-out ONE MAHAMAN VANTANA from ONE CHAIN OF WORLDS or ESOTERIC SOLAR SYSTEMS to another. So we ALL

All our spirits are a COLLECTIVE EXPRESSION of our GREAT MAHACHOHAN, or ROOT MANU, who thus represents our upmost SPIRITUAL NATURE, and in our HIGHEST ASPECT we all are one with him as he is one with us, and those of us who become GODS add to HIS glory as HE adds to ours. So live up to THE LIGHT, oh Ladoo. Give it all to the SPIRIT, so that you can cross the bridge to NIRVĀNA at THE GREAT DAY OF JUDGEMENT. Although during that MAHAPRALAYA or because of that MAHAPRALAYA, we and HE shall NOT be what we were in THE LAST of ALL SEVEN ROUNDS. AUM.

ALL your past incarnations on ALL globes and all CHAINS of THE ONE ESOTERIC SOLAR SYSTEM CHAIN of SEVEN FOLDED GLOBES, ALL these [your incarnations as STONE, PLANT, ANIMAL, MAN and GOD] shall appear in a FLASH before your INNER EYE or CONSCIOUSNESS, or, let me make it even clearer: Each SECOND of 311,040,000,000,000 years, and whatever you WERE throughout 311,040,000,000,000 years shall appear in ONE SECOND before your INNER EYE and CONSCIOUSNESS. 311,040,000,000,000 years of Pralaya to come, be it in NIRVĀNA or on THE PLANET OF DEATH in AVĪTCHI-NIRVĀNA. There are many little or minor judgement days ^{power} to that, minor pralayas etc., but at THE GREAT JUDGEMENT DAY you decide where to stay for 311,040,000,000,000 years, which is long enough to be called ETERNITY. And truly a LONG TIME for those, who decided EVEN UNTIL THEN although they are all ONE.

to follow THE PATH OF THE BROTHERS OF DARKNESS. Now, there is always a GUIDING SPIRITUAL POWER, uniting and representing all GOOD and EVIL POWERS in THE UNIVERSE and their GUIDING SPIRITUAL POWERS. I shall lift the veil, though not too much, because in TRUTH GOOD AND EVIL reduces itself in ABSTRACTION into + or -, or SPIRIT and MATTER, or ROOT SPIRIT and ROOT MATTER, or PARABRAHMAN and its ŚAKTI MŪLAPRAKṚITI. But we are here at the edge of one MAHAPRALAYA, or heading towards ONE of ENDLESS many MAHAPRALAYAS, so let us keep PARABRAHMAN OUT OF IT, and let me present to you the power of GOOD and the power of EVIL, as WE perceive and as WE ARE them in 155,517,831,000,000 years to come. AUM.

Those, who choose the way UP TO THE LIGHT, shall become, or REBECOME [after the bliss of 311,040,000,000,000 years of NIRVANIC REST] GODS, BUDDHAS, PLANETARIES, RULERS OF SOLAR SYSTEMS, MAHACHOHANS - you name it. They shall confabulate with BRAHMAN and make FOHATIC DECISIONS!

* They shall decide about the FUTURE STRUCTURE of the UNIVERSE, like the architect decides, how to build, or construct, a house, but only after he receives orders from THE OWNER OF THE HOUSE, which is: THE REAWAKENING PARABRAHMIC IMPULSE. AUM, AUM.

EVIL! -1369-

Read the word back wards and you know what it means for HIM. For the MAHACHOHAN evil means to LIVE. EVIL [as achieved by us] is HIS inherent NATURE. Without HIM, without the MAMOCHOHAN you would NEVER find the way to

NIRVĀNA or BLISS.

DEMON EST DEUS INVERSUS. The MAMOCHOHAN is just the OTHER SIDE OF A MAHACHOHAN. They are both the same and again reflected in YOU. The struggle NEVER ENDS. The struggle between SPIRIT and MATTER. The MAMOCHOHAN can take it, but can YOU? NO you can't, because let me describe, what they call HELL, to you and what is AVĪTCHI-NIRVĀNA, or the EIGHTH SPHERE, or THE PLANET OF DEATH. you want to know how it feels to be on THE PLANET OF DEATH for 311,040,000,000,000 years? I imagine a sadistic dentist hitting your NERVE with his DRILLING MACHINE. He pushes harder and harder, you experience the pain but you do not faint! NEVER! And he pushes harder and harder, for 311,040,000,000,000 years. The MAMOCHOHAN can take it, CAN YOU? So stop fooling

But towards the end of each MAHĀMANVANTA for 100 years of BRAHMA, all Spirits and SAKA-SYSTEMS and EVERYTHING withdraws, taking ĀKĀSA with them, and with ĀKĀSA also what we now call ETHER, which pervades ALL matter. It is THE ABSENCE of ĀKĀSA - ETHER, which causes matter to disintegrate. Or: Since EVERYTHING returns to BRAHMAN, which is ONE, EVERYTHING withdraws, out of which they are made.

into a point, BECOMES a point and ... disappears. Disappears for 311,040,000,000,000 years. During that time and PRALAYA there are no more forms, or even their prototypes, or aspects. EVERYTHING is like it was BEFORE ABSTRACT ROOTSPIN and ABSTRACT ROOTMATTER, or THAT, which [through interaction] would CAUSE the UNMATTERED CAUSE of a POINT. There is no more dimension. How can it be, if there is no more matter? There is even no more ABSTRACT existence. THE UNIVERSE does not even exist any more in A POINT [when it emerged from]. Where then, are we, when that happens? When THAT, or MAHĀ PRALAYA, happens, we are in MAHĀNIRVĀNA, or better, PARANIRVĀNA, which is even PANA or beyond, NIRVĀNA, and who knows, who of us shall there BE or not BE, although we all ARE THEN not anymore a point or ANYTHING. Does that mean ANNIHILATION? Not at all. How can something be annihilated that never really existed other than as a MĀYĀ? How can something [ANY thing, possibly be annihilated and, in spite of that] reappear after PRALAYA? you remember the experiment with HYDROGEN and OXYGEN? They form water. Where are they while there is WATER? Are they annihilated? Never! Because when you boil the water, HYDROGEN and OXYGEN appear again, which indicates, that they must have ALWAYS BEEN there. And that is EXACTLY what happens. EVERYTHING is in its abstract cause and PARA for META which is BEYOND that] ALWAYS THERE. It exists in

* and I don't mean to ask: "Who of us shall be there or not be there?" Solve the riddle, pl. reader. It has to do with "to BE or not to BE" or "Something can cease to BE, yet it can still EXIST."

-1373-

its PARAASTRACT nature ALWAYS and shows from time to time illusory, temporary or MĀYĀ material aspects of itself, which we therefore call a MĀYĀ. What I am saying is: THE PARAASTRACT root nature of everything IS. The illusory aspect of the rootless root nature is only TEMPORARY, or a MĀYĀ, and therefore it IS NOT; as a matter of fact it is not even a MĀYĀ from the view point of the rootless root. Why? Because: A MĀYĀ is something temporary and can, in its temporary nature, ONLY be experienced in combination with "TIME". But TIME does NOT EXIST for THE HIGHEST, therefore HE, or IT, is not aware of the mayavic nature of its reflections. WE experience everything as an ILLUSION and [or but] WE THINK it is real. We think the MĀYĀ, or illusion, is real, because we are an illusion OURSELVES. THEREFORE: ANNIHILATION does not exist. You ARE always. PARANIRVĀNA is, what you are THEN. One explanation for it is: ONE, or: we ALL are then ONE. This is even BEYOND bliss, if you analyze BLISS as something, which makes you feel blissful. EVEN if you experience bliss independent of persons and things*, simply just by BEING BLISS like a BUDDHA. EVEN THEN PARANIRVĀNA is BEYOND it. Thus it comes close to THAT, which is, and at the same time is NOT, namely PARABRAHMAN. As a matter of fact there is ONLY PARABRAHMAN, which is BEYOND which actually IS the nature of bliss.

-1374-

COMPREHENSION, THE FINAL RIDDLE has ever to be UNKNOWN. THAT is why all great teachers say: "I know, that I know NOTHING!" Because there is nothing to know, NOTHING, which you can comprehend has to do with THE TRUTH. AUM. THE BOOK OF LIGHT presents only EFFECTS, NOT THE CAUSE. It, though, LEADS, like no other book to the cause or, as they call it "THE CAUSELESS CAUSE", but to which EXTENT you ACHIEVE this TRUTH, or HOW CLOSE you get to it, is COMPLETELY UP TO YOU. I just present to you THE LAW. DO with it what you want, but let me give to all of you this advice: if you intend to read THE BOOK OF LIGHT once and then to lay it aside, better do not read it AT ALL. I give you an example. A professor from the Sorbonne, who studied Esoteric science BLAVATSKY for almost 20 years, told a strange story in a newspaper interview. After twenty years of studying Blavatsky, he decided to try something new, and after only THREE MONTHS he almost forgot EVERYTHING he knew about Esoteric science, and could hardly spell her name correctly, though he always had an excellent memory. THAT is PRECISELY, what happens when you think, ESOTERIC science is something to entertain you for a while, and then you turn to something ELSE. ESOTERIC science IS THE TRUTH. THE BOOK OF LIGHT IS THE BOOK OF LIFE

-1375-

, you have to read it EVERYDAY for the rest of your LIFE, and after you die, you shall find yourself and others reawakening in AKASHIC REGION reading THE BOOK OF LIGHT. In fact, every page I write, has, like every thing else, a counterpart in AKASHA, and is read RIGHT NOW by disembodied entities. So:

How can you avoid becoming thirsty if you decide to stop drinking from THE WATERS OF LIFE, or KNOWLEDGE? And where can you find more KNOWLEDGE, than what is written in THE BOOK OF LIGHT? THE ROOT OF IT - BEYOND EVEN ABSTRACTION. BUT THE MOMENT WE THINK ABOUT PARAMBRAHMAN, OR MEDITATE OR TALK ABOUT IT, WE THROW A VEIL OVER IT, WHICH IS ROOT MATTER BEYOND ABSTRACTION, OR MULĀPRAKṢITĪ. PARAMĪTIVĀNA COULD BE CALLED THEIR IMMORTAL CHILD, BECAUSE ALL THEIR CHILDREN SHALL BE CONSCIOUSLY OR UNCONSCIOUSLY UNITED THERE, IN PARAMĪTIVĀNA, WHICH COULD BE ALSO TRANSLATED BEYOND OUTCLOWN OR BEYOND BLISS. UNDENSTAND, OH READER, DO NOT TRY TO ANALYZE IT. WHAT IS PARAMBRAHMAN?

step closer! But it creates AWE and opens THE CHAKRA. Or: PARAMBRAHMAN IS and IS NOT, while PARAMĪTIVĀNA IS how we ACHIEVE that, which IS and IS NOT. But then again, although we are NOT ANNUNCIATED, when in PARAMĪTIVĀNA, there IS NOTHING left that could be achieved by our mind or consciousness, and if there would be something, we would NOT know, because we THEN simply ARE, but not CONSCIOUS, because that would indicate a "thing" as something we are conscious of. CONSCIOUSNESS IS STILL DUALITY, but there IS NO DUALITY IN PARAMĪTIVĀNA. THAT IS, WHY PARAMĪTIVĀNA IS SO "PARABRAHMANIC". CONSCIOUSNESS, I repeat it, needs: I. One who IS conscious II. Something you are conscious of. III and... CONSCIOUSNESS, of course. But these THREE are OUTBLOWN or NIVĀNA. They are EVEN PĀRA, or BEYOND OUTBLOWN, which IS NOT NECESSARILY AFTER OUTBLOWN. Don't be desperate, oh reader, even if you do not understand ONE word. READ it, JUST READ it and your CROWN CHAKRA shall open like a flower at spring time, until the SPIRIT FALLS INTO you from above, or until you STAND precisely UNDEN the spirit, or until you truly UNDERSTAND.

Then you achieve, even without meditation, the ticket to NIRVĀNA, and the name of that is... SAMĀDHI. AUM. AUM.

MAHĀPRALAYA OF MAN [interval rest]. What happens to MAN at MAHĀPRALAYA and HOW does it happen before his HIGHEST PRESENCE, or MONAD, [ĀTMA-BUDDHI] goes to "sleep" for 311.040.000.000.000 years?

STEP I

The physical body of MAN remains on [or better IN] earth.

726

STEP II

His etheric or PRĀNA BODY returns to COSMIC ENERGY or FOHAT.

727

-1380-

STEP III

His ASTRAL BODY or LINGA ŚAKTI, becomes ONE again with AKĀŚA.

728

STEP IV

His KĀMANŪPA, or animal soul, reunites with UNIVERSAL ŚAKTI, or also WILL FORCE or: UNIVERSAL ENERGY.

729

-1381-

STEP V

His MANAS RŪPA, or MIND BODY, merges into MAHAT or UNIVERSAL MIND.

730

STEP VI

His BUDDHI, or SPIRITUAL-soul principle, [Love] shall remain in its own SPHERE and shall re-evolve after MAHĀPRALAYA into HIGHER PLANES.

731

-1382-

STEP VII

His ĀTMĀ, or SPIRIT, shall withdraw the BUDDHI and become THE [dual] MONAD again on its way to LOFTIER SPHERES, but AFTER MAHĀPRALAYA. Is their CONSCIOUSNESS in MAHĀPRALAYA? For ĀTMĀ-BUDDHI, or THE MONAD - YES.

732

* All that is left shortly before Pralaya on the globes (earth etc.) and their MINERAL KINGDOMS. But when the FINAL hour strikes [Pralaya] these planets or globes shall be [physically] disintegrated but NOT ANNIHILATED. They shall reappear again at the dawn of a NEW MAHĀ-MANVANTARA AUM.

** But even "they" [ĀTMĀ-BUDDHI] shall NEVER experience PARADISEHEAVEN.

which is no contradiction to STEP VI, where it says: "BUDDHI remains on or in its own sphere". When ĀTMĀ withdraws BUDDHI it just means, ĀTMĀ shares its CONSCIOUSNESS with BUDDHI.

BUT SINCE EACH COSMIC PLANE IS THE GARMENT OF A SUPER-GOD OR DHYĀN CHOHAN THE FOLLOWING SIX PAGES SHALL REMIND US OF THE EXISTENCE OF THESE GODS, MENTIONED FOR THE FIRST TIME ON PAGE 266 VOL. I OF THE BOOK OF LIGHT.

-1382a-

155,517,831,000,000 years from now.

THE SON RETURNS TO THE FATHER.

In 155,517,831,000,000 years from now we or better our SEVEN PRINCIPLES shall return to the corresponding DHYĀN CHOHANS or to the HIERARCHY OF DIVINE POWERS where we came from [see Vol. I, pages 79-90], like the SON returns to the FATHER. But we ALL, including our FATHERS, are SONS OF THE ONE FATHER which is BRAHMAN. And IT, Brahman, is the SON of THE EVER TO BE UNKNOWN which is Para-brahman. Or: Brahman the SUPERMONAD shall never know its "Father". AUM to the mystery of Life.

THE SONS RETURN TO THEIR FATHERS.

1. The ĀTMĀ, or the Spirit, in us returns to THE LORDS OF FIRE [1st Cosmic Plane].

Each ill. has to show the leaving AND the remaining principles.

* When I say ĀTMĀ I mean the ĀTMĪK MONADS, with BUDDHI the Buddhic Monads.

-1382b-

2. The BUDDHI-PRINCIPLE or Spirit-soul or LOVE in us returns to THE DUADS [2nd Cosmic Plane].

3. The Manas or Mind in us returns to THE TRIADS [3rd Cosmic Plane].

-1382c-

4. The Kāma Rūpa or Animal Soul in us returns to THE FOURTH CELESTIAL BEINGS [4th Cosmic Plane].

5. The Prāna or Etheric body in us returns to THE FIFTH CELESTIAL BEINGS [5th Cosmic Plane].

-1382d-

6. The Linga Śavira or ASTRAL in us returns to THE SIXTH GROUP OF CELESTIAL BEINGS [6th Cosmic Plane].

7. The Sthūla Śavira or our PHYSICAL BODY [better: The MONADS...] returns to THE SEVENTH GROUP OF CELESTIAL BEINGS.

But: Our Ātma-Buddhi-Manas-Kāma-Prāna-Linga-Sthūla THEN are not what they are NOW. THEN our PHYSICAL body shall be almost as refined as our SPIRITUAL body is NOW.

-1382e-

Thus the Gods learn through us as we shall learn through them [or FROM them]. Now you understand the ancient teachings, oh Lawoo, when they tell you that "the Gods feed on Men". But NEVER any real sacrifice of human blood was meant by this.

- Why don't they have to suffer as we do?

- The DID suffer as we do, but now they are to highly evolved to descend to the lower spheres of manifestation, and so they FEED on us or continue learning through us and WITH us. Oh Lawoo, one day WE shall be Gods and OTHERS shall descend for us on the lower cosmic planes and learn THROUGH us, FROM us, AND WITH us. Then THEY shall return to us, being our emanations, having been propelled into manifestation by us. They shall return [in a far away Manvantara] to us, their Fathers, as we shall return to OUR Fathers in 155,517,831,000,000 years from now.

- But doesn't it say on page 266 Book of Light that we should return our passions to Venus, our Rashness to Mars, our ambitions to THE SUN, etc.?

- Yes. These planets and their regions shall be THE FILTERS for your impurities DURING your cosmic journey. But at the [relative] end of this journey,

• Vol. I

-1382f-

in over 155,000,000,000,000 years from now you shall be PURGED. There shall be no more impurity in you. You shall have become AGNISHWĀTTA. Kumāra you were 150,000,000,000 years ago, now you are AGNISHWĀTTA and at the dawn of a new Manvantara in about 500,000,000,000,000 years from now you shall be MĀNASAPUTRA, kindling the Light of mind and understanding in lesser beings, young humans of the new cycle. AUM. But at the end of this Manvantara [in about 155,000,000,000,000 years from now] you shall be a GOD returning to a SUPER GOD. The Son shall return to his [better ITS] Father. AUM.

-1382 g-

THE BASIC MONAD

- But what, oh Great One, happens to the human Monads at each individual death. Where do they return to? To their Fathers? And when they rearrange themselves into a new Reincarnation, is it always the same Monads building the same entity? Wouldn't that mean that we have always the same physical bodies at each incarnation?

- After death the monads return to their corresponding planes, oh Louoo, where they are CLEANSED from the etheric, astral and mental dross having been accumulated during physical life on Earth. Then, after a period of rest the Monads, the SAME Monads descend on the Mental plane attracting Mental Matter and building a Mental body. They descend on the Astral plane attracting Astral Matter building an Astral body. They descend further on the Etheric plane attracting Etheric Matter building an Etheric body. Finally the Monads incarnate into the fructified AUM thus attracting MORE physical matter

** With assistance of Karma - Devas.
* Around Mental Skandhas (and later Astral, Etheric + Phys. Skandhas)

-1382 h-

or Lifeatoms assisting and partly also causing the Embryo to grow.

- Then it is always the same Monads attract in NEW matter?

- Yes. But what is Matter, be it from the physical, etheric, astral or mental plane other than... MONADS, though on the lowest plane of awakening or consciousness.

- Elemental Essence? - Yes, and some Monads from the lowest sub planes of the physical, etheric, astral and mental planes. THEY are always NEW at each incarnation but the higher Monads are always the same, learning their lessons in new vehicles rearranged in new formations [bodies] at each birth. I call these lowest Monads BASIC Monads.

- Can they join the higher ones? - Only after MILLIONS of incarnations. Until then they scatter at each death of the entity drifting through the different planes of our planet Earth, being always used at the rearrangement of new Monads in new formations.

Thus it is at each incarnation THE SAME MONADS attracting NEW basic Monads, using these Monads as Basic Material for the new bodies of the entity AUM.

* Mental, astral, etheric, physical.

THE NATIONS AND RACES OF THIS PLANET, AND THEIR TRUE AGE AND ORIGIN. [in alphabetic order].

ADAM

is not a MAN, and for sure not the FIRST MAN, but a race* when, about 18,000,000 years ago, the androgyne race separated into MAN and WOMAN (or ADAM and EVE) it did not happen with ONE SINGLE PAIR, called ADAM and EVE, but with MANY androgynes or MALE-FEMALES, which resulted in MANY PAIRS of, what we now call, ADAM and EVE. So ADAM and EVE or a GENERIC NAME given to THE THIRD ROOT RACE at its MIDPOINT after it SEPARATED 18,000,000 years ago from its ANDROGYNE STATE INTO MALE and FEMALE* [or from ADAM (ADAM-EVE) into ADAM+EVE] ASTRAL RACES.

THE FIRST SEVEN SEXLESS ASTRAL EMBRYONIC HUMANITIES. They were but shadows and appeared [again] on this EARTH more than 300,000,000 years ago at the beginning of the FOURTH ROUND. They belonged to THE FIRST ROOT RACE and appeared on the SACRED IMPERISHABLE LAND, or what is now called THE NORTH POLE. THE FIRST RACE passed its life in a dream like unconscious state, because they had no mind as we have NOW. NEVERtheless they are the TRUE ANCESTORS of what LATER

* The animals separated FIRST.
* a or THE androgyne race [male-female in ONE]. Book of Genesis, chapter 3 makes it clear: "And their name was ADAM." - "... ADAM and EVE were - and their name was ADAM." THEIR name, of the ADAM-EVE or male-female, WAS ADAM, namely the ANDROGYNE BEING.

-1384-

became our PHYSICAL BODIES. AUM THE FIRST RACE MERGED INTO THE SECOND, THE SECOND budded by OSMOSIS and EXOSMOSIS. Their bodies were HUGE CELLS, multiplying through FISSION. THE THIRD separated and introduced procreation by SEX. AETHIOPAINS. [later called, or spelled, ETHIOPAINS].

AETHIOPAINS are remnants of THE FOURTH ATLANTIC RACE. Millions of years ago, they lived on what is now called LANKA. LANKA THEN belonged to the ATLANTIC CONTINENT [or what was later left from it]. LATER these AETHIOPAINS moved from LANKA to the ORIGINAL part of INDIA. But what is now called LANKA is just a PART of the west, which has vanished since then, because the ORIGINAL ASIATIC ATLANTIC LANKA existed, where the Atlantic Ocean is now. AUM. The GREEK called the ANCESTORS of the AETHIOPAINS' EASTERN AETHIOPAINS. Their skin was DARK.

LATER, much later, the "burned skin folk" or ETHIOPAINS, moved to EGYPT out of the East* from SOUTHERN INDIA and the ORIGINAL Ceylon. Today the AETHIOPAINS, or now ETHIOPAINS, are represented by THE TAMILS. BEFORE they were called RAKSHASAS, which was the SANSKRIT NAME for the inhabitants of ancient LANKA. Today a RAKSHASA is considered a DEVIL in

* nevertheless there is a consanguinity between AETHIOPAINS and ARYANS.

-1385-

INDIA. The RĀMĀYANA, a great HINDŪ epic, describes the RĀKSHASAS as EVIL GIANTS of the late ATLANTIC race. But this is not the whole truth, as the name RĀKSHASA already tells us, since it means PROTECTION [from RAKSH - to protect]. The RĀKSHASAS were known to render some service unto BRAHMĀ, hence the name RĀKSHASA, or PROTECTOR. Why then did they declare the ancestors of the AETHIOPANS, or ETHIOPANS, to be DEVILS? Because some of these ATLANTIC races, or ancestors of the ETHIOPANS, became DEGENERATE ATLANTIC SCORCERS as THE BOOK OF LIGHT tells us. These SCORCERS, MILLIONS of years ago, were IN WAR with the PURE UPCOMING ĀRYAN RACE. And the ĀRYAN called these ATLANTIC SCORCERS YAKSHAS, or RĀKSHASAS, which indeed means EVIL SPIRITS etc.. Nevertheless these ATLANTIC were HUMAN BEINGS and NO EVIL DISEMBODIED SPIRITS, or IMPS, or GOBLINS, or DEVILS, as some so-called ORIENTALISTS want to make us believe.

AFRICANS.

The AFRICAN RACES were those races in which MILLIONS OF YEARS AGO less developed MONADS or SPIRITS incarnated. BUT: As we are [or most of us] DEGENERATE NOW, the AFRICANS shall
* or UNINCARNATE NATURE SPIRITS.

-1386-

rise to a HIGH CULTURE and then [most of them] FALL. The AFRICANS are PHYSICAL descendants of BLACK MAGICIANS from the 4th AND even some of THE FIFTH ĀRYAN RACE, which later degenerated to what it is now. [Of course WHITES AND BLACKS]. When the MONADS incarnated into the AFRICAN RACE they had [not yet] a KARMMA like those races, who were HIGHER in intelligence [and also HIGHER in misusing it!]. The AFRICAN RACE is a race [through KARMA] DISTINCT from all other BLACK and WHITE RACES and only those, who study THE BOOK OF LIGHT, shall understand.. The AFRICANS are in precise definition CAUCASIAN-MONGOLIAN AFRICANS. But those who think, that CAUCASIANS or [and] ĀRYANS are only WHITE people need to study THE BOOK OF LIGHT.

AMERICANS.

AMERICANS are remnants from THE FOURTH ATLANTIC and FIFTH ĀRYAN ROOT RACE, coming together on this continent to lay the foundation for the SIXTH ROOT RACE.
A U M.

* The ONLY TRUE NEGROES will survive in REMOTE parts of the AFRICAN CONTINENT. The OTHER NEGROES will MIX with other races until there are NO MORE NEGROES.
* Important: Africans, or EGYPTIANS, or CHINESE were in the beginning NOT necessarily from AFRICA, EGYPT or CHINA. They IMMIGRATED later into these countries, or continents. * The AMERICANS of NOW have been settled by EUROPEAN RACES. * A Monad is the HIGHEST SPIRITUAL UNIT IN EVERYTHING.

-1387-

ANDAMAN ISLANDERS.

ANDAMAN ISLANDERS can be traced back more than 18,000,000 years. They are remnants of THE THIRD ROOT RACE, also called LEMURIANS, although there is ALSO ATLANTIC blood in them, since the races OVERLAP. The ANDAMAN ISLANDERS are degenerated remnants of those THIRD RACE humans, who, AFTER separation of the sexes had SEX with animals, or: They the ANDAMANS are the offspring from SEX between MAN and ANIMAL.*

ARABS.

ARABS are the offspring of mixed ATLANTIC and EARLY ĀRYANS. ARABS are MILLIONS of years old. The ARABS have NOT YET reached their peak, but they [with a few exceptions] shall fall like all the OTHER RACES. Matter has to perish, so that Spirit can live. AUM. In their early days ARABS were WILD SAVAGES.

ARTECS.

ARTECS are part of a NATIONAL RACE, or also the NEW WORLD RACE, to which belong the REDSKINS, the INDIANS and many others. The roots of the ARTECS go back to the ATLANTIC race. There is a striking similarity between the HEBREW language and the ARTEC

* Length: One Preassional Cycle or 25,920 years.
For instance: A national race includes all EUROPEAN RACES, another NATIONAL RACE includes the people of THE NEW WORLD, and so forth.
* Why creates sex between man and animal no progeny today? Because more than 18,000,000 years ago the species were not as remote from each other as they are now.

-1388-

language. For instance: the Hebrew THURSEES of old have PHYLACTERIES, similar to BANOULETS with a SQUARE PROTRUSANCE found in front of the forehead of figures and idols in TERRA COTTA. No wonder: The HEBREWS copied these emblems like everything else and declared it to be THEIR OWN. The ARTECS have almost THE SAME CALENDAR than the EGYPTIANS.*
AUSTRALIANS.

The ANDAMAN ISLANDERS are the LAST true AUSTRALIAN. Since then LITTLE change has taken place in AUSTRALIA, and this continent BEGINS now to be FORMED by NEW RACES. Yet AUSTRALIA is one of the OLDEST LANDS NOW ABOVE THE WATER. It is an OLD VIRGIN. AUM.
BABYLONIANS.

They came [like most of us] from CENTRAL ASIA, in their case from the SOUTHEASTERN PARTS. They came into THE INDIAN PENINSULA together with the ASSYRIANS, the MEDES and the PERSIANS. BABYLONIANS are ATLANTIC-ĀRYANS.

BLACKFELLOWS.

The BLACKFELLOWS of AUSTRALIA and TASMANIA belong to those of the degenerated FOURTH ROOT RACE, who
* only THEN it can produce NEW FORMS.
* Now fast dying out.
* Furthermore: the ancient AETHIOPANS were NEVER a HAMITIC race.

- 1389 -

repeated [millions of years ago], the sin of their brethren from the THIRD ROOT RACE, and had SEX WITH ANIMALS; in this case: with MONKEYS* BURMESE.

The BURMESE belong to the MONGOLIAN FAMILY RACE. They are distinctly different from the CAUCASIANS. BUT: Many of those who are popularly called MONGOLIANS, are NOT Mongolians. [See MONGOLIANS]. CAUCASIANS.

THE CAUCASIANS include THE HINDUS AND THE EUROPEANS** CHINESE, MANCHUS, JAPANESE, LOLOS, TIBETANS, BURMESE, SIAMESE and MALAYANS do NOT belong to the CAUCASIAN group. Ancient EGYPTIANS belong to the CAUCASIAN type. As to the complexion: There are WHITE SKINNED ARYANS and black skinned ARYANS, as there are white skinned CAUCASIANS and black skinned CAUCASIANS. Only those who study THE BOOK OF LIGHT understand the TRUE significance of the word [and race] CAUCASIAN. A hint. ALL RACES MET, OR ARRIVED, after the FLOOD^{ON}, what is now called, CAUCASUS. Nevertheless there is a difference between a white skinned ARYAN and a dark-skinned CAUCASIAN.

CELTS.

The CELTS belong to the EUROPEAN part of the

but the HINDUS do NOT belong to the EUROPEAN NATIONAL RACE.

THE RESULT: THE APES.

** which was millions of years ago, and also a couple of hundred thousand years ago.

- 1390 -

FIFTH ROOT RACE, and a sub-sub-sub-racelet of it. From another point of view the CELTS could be called a HYBRID of ARYANS and ISBERCIANS of EUROPE.

CHANDALAS.

Pariah* of old INDIA, ancestors of THE JEWS, which makes them [the JEWS] the youngest race in the history of mankind [about 6 to 8000 years old]. CHINESE.

Belong to the MONGOLIAN Family race and are of ATLANTIC origin. In other words: The CHINESE IMMIGRATED into what is now CHINA. When the ATLANTIC CHINESE immigrated during millions of years** into what we now call CHINA, this CHINA was BARBAROUS and UNCULTIVATED. EGYPTIANS.

EGYPTIANS belong to those Atlanteans, who ESCAPED from their BLACI-MAGIC brethren and left a witness of their GREAT CULTURE, by building the GREAT PYRAMID about 150,000 years ago. The whole truth about EGYPT and the EGYPTIANS can be only revealed to those, who study sincerely THE BOOK OF LIGHT. WHEN did these ATLANTIC INITIATES flee from their cursed island to EGYPT?

*** TO US

*** Since the MIDPOINT of ATLANTIS 4,500,000 years ago.

* OUTCAST.

** But the CHINESE of NOW are a hybrid mixture between Fourth and Fifth races. The TRUE CHINESE is the LOLO.

- 1391 -

When it was NEWLY FORMED* which happened BEFORE the last remnants of ATLANTIS went down in ONE DAY and ONE NIGHT. So it is NO CONTRADICTION to say, that the EGYPTIANS and their culture are 20,000 years old, but also 150,000 years old and OLDER** EGYPTIANS are EASTERN ETHIOPIANS. BEFORE and AFTER the sinking of the last remnant of ATLANTIS [Plato's POSEIDONIS] they came to INDIA. And when I say BEFORE the sinking of the last ATLANTIC island, I mean as well BEFORE the MAIN PART of ATLANTIS began to sink, which was millions of years ago. The PURE ATLANTIC FORESAW the catastrophe; and when ATLANTIS BEGAN to sink, the ATLANTIC, but also ARYAN, INITIATES migrated to new lands [AMERICA, AFRICA, PARTS OF ASIA], lands, for instance, which emerged in this order: AMERICA, EGYPT, INDIA. But when the AMERICAS [see Book of LIGHT-AMERICA] arose above the waters, they THEN were not yet their present configuration; then appeared [the first roots of] EGYPT and after that what we now call UPPER ASIA.

GREAT EXODUS.

and there is no contradiction either in these statements. The EGYPTIANS are older than the INDIANS, though they [the EGYPTIANS] received their laws, social institutions, arts and sciences from PREVEDIC INDIA. which is true, because a continent can be peopled in waves, primitive first, further developed LATER, as it happened with EGYPT and INDIA.

* by the river NILE.

- 1392 -

So the EGYPTIANS have ATLANTIC roots, because their ATLANTIC FOREFATHERS fled from the sinking continent [is] throughout millions of years in search for new land, and when they found that land, they [except their INITIATES] lost all memory of their homeland. So when we talk about EGYPTIANS, we talk about DIFFERENT immigrations into different EGYPTS, before the EGYPT of NOW was made by the river NILE. And THEN, after the building of EGYPT by the river NILE, NEW COLONISTS arrived from a sinking POSEIDONIS [more than 10,000 years ago]. But THEN the PYRAMID was already standing, built by POSEIDONIANS who had left the Black Magic island more than 150,000 years ago.

ESKIMOS.

ESKIMOS are [as well as the ANDAMAN ISLANDERS] DEGENERATED REMNANTS of the THIRD ROOT RACE. But again: Since the races OVERLAP each other, we can also say, that the Eskimos have ATLANTIC BLOOD in themselves. And so the Eskimos of NOW, though having THIRD RACE, or LEMUR-ATLANTIC ancestors, derived LATER from NORTHERN ATLANTIC PEOPLE, who descended from [stranded and ISOLATED] northern ATLANTIC STOCKS.

ETHIOPIANS.

in the FAR NORTH. Isolate a race and it shall die...
* last remnant of ATLANTIS. [site of IRELAND].

* which shall arise again some day.

-1393-

ETHIOPIANS, OR AETHIOPIANS, are [also] immigrated EGYPTIANS. It is because of the EXTREME LENGTH of time periods, that even THEOSOPHISTS disagree on what the ORIGINAL EGYPT [OR EGYPTIANS] is. EUROPEANS.

See POLES, GERMANS, FRENCH, SWISS, RUSSIANS, GREEK, GULFANS, CZECHS, ENGLISH, IRISH, WELSH, SCOTTISH, SWEDS, [all SCANDINAVIANS], BELGIANS, NETHERLANDERS, PORTUGUESE and SPANISH. They all can be called a NATIONAL RACE. Lifetime for EACH NATIONAL RACE = One Precessional cycle, or about 26,000* years! **

GERMANS.

GERMANS belong to THE FIFTH ROOT RACE. Those who live in GERMANY have more ATLANTEAN blood in them. Those who live on the AMERICAS belong more to the ARYAN stock [which, nevertheless is already mostly DEGENERATED]. GERMANS [with exceptions] are ROUNDHEADED MEN, OR DALICHOCEPHALICS. They belong to the EUROPEAN RACE and shall go down in 15 to 18,000 years from now together with the EUROPEAN continent. Some of the PUREST of the FIFTH ARYAN RACE [amongst them me and my students], in AMERICA shall build the stock of THE SIXTH ROOT RACE.

* 25,920 years.

** 9000 years have passed...

-1394-

GOTHS.

THE ASSYRIANS, PERSIANS and GREEK gave birth to the populations of our own EUROPEAN ANCESTORS, who in turn brought forth THE GOTHS and other nations and races, covering a [thin] wild and young EUROPE. GOTHS are more ATLANTEAN than ARYANS.

GREEKS.

All GREEK legends point to ATLANTEAN background. HEBREWS [lit. "from across the river"].

Even their racial name is GREEK, since they [the HEBREWS] had no language and culture of their own. HEBREW derived from the GREEK HEBRAIOS, turning into the "Hebrew" 'IBHRE' and the ARAMAEIC 'eloyai'. HEBREW is more a language than a RACE. Hebrew is the language of THE JEWS [See JEWS].

HINDUS.

HINDUS are native ARYANS of INDIA. That is, why the ancient name of INDIA is ARYAVANTA, or 'abode of the ARYAS [OR ARYANS]'. When the [early migrating] ARYANS settled around the river SINOHU [called HINDHU by the PERSIANS] the PERSIANS called these ARYANS HINDUS and their country HINDUSTHAN. Look at a HINDU and you look at a ONCE pure ARYAN. NO, or little, ATLANTEAN blood is in them.

→ Abode of the HINDUS.

* 'northwest Semitic language' as WEBSTER'S correctly has it ** also SUANATA, or SUANATA VARSHA.

-1395-

A HINDU is also one, who follows one of INDIA'S many popular religions, classified under the name of HINDUISM. As a RACE, the HINDU RACE is, as already mentioned, ARYAN AND PART OF THE CAUCASIAN FAMILY RACE.

HUMAN BEINGS.

What kind of RACE is the HUMAN RACE? Most of us have been MEN on the MOONCHAIN, and some [the lowest developed] of us have been ANIMALS on the MOON. EVERYTHING on the MOON, from about 10,800,000,000 years ago to about more than 6,000,000,000 years ago has been on the MOON 'like it is now on EARTH' just LESS EVOLVED. Every new chain means progress for the planet [s] or globe [s] AND their inhabitants. So MOST OF THE HUMAN RACE AND THE ANIMAL, PLANTS AND STONE have been [to a lesser degree] HUMAN, ANIMAL, PLANT AND STONE ON THE MOON. AUM.

INCAS.

THE INCAS belong to the NATIONAL RACE of THE NEW WORLD [north and south continents], like the AZTECS etc. INCAS are SUR-SUR-SUR- offshoots of the FOURTH ATLANTEAN RACE. The GIANTIC ruins of their building* [at CUELAP for instance] prove that fact.

* having, by the way, a great resemblance to the COLOSSAL buildings of ancient EUROPE, or better: of the ANCHAEAN EUROPEAN NATIONS, because they all were once ATLANTEANS. AUM.

-1396-

INDIANS [American INDIANS].

To talk about NATIVE AMERICANS is almost IMPOSSIBLE, because SOUTH and NORTH AMERICA were populated from different waves of ATLANTEANS from different directions, or from DIFFERENT PARTS of ATLANTIS, some from the ATLANTIC, some from the PACIFIC. WHO WAS FIRST THERE? Nobody and EVERYBODY. We all come from the CAVE, OR NORTH POLE, OR THE IMPERISHABLE LAND, and populated LATER the newly emerging continents. AUM. The so-called AMERICAN INDIANS are all of ATLANTEAN ORIGIN. See Standa X, in 'the BOOK OF OëYAN', main source of BLAVATSKY'S SECRET DOCTRINE. The FIRST, ON EVERY ZONE was MOON-COLOURED; THE SECOND YELLOW LIKE GOLD; THE THIRD RED; etc. The 'RED' were the ATLANTEAN Forefathers of the 'REDS' of today. So you see, that AMERICA, OR THE AMERICAS, were populated throughout millions of years by DIFFERENT ATLANTEAN RACES. Those of them, who were RED, came nevertheless from DIFFERENT PARTS of ATLANTIS, which explains their SAME COLOUR but DIFFERENT PHYSIOLOGICAL TYPE, though they resemble somewhat in their profiles, it is the case with the IROQUOIS, the SIOUX, the CHEROKEE and the SOUTH- and CENTRAL AMERICAN INDIANS.

* BOOK OF OëYAN ANTHROPOGENESIS IN THE SECRET DOCTRINE, Standa 3, v. 39.

-1397-

IRISH

They belong to the "pure" part of ATLANTEANS, ITALIANS.

They belonged to a sub-sub-sub race of the FOURTH ROOT RACE, were in observation and now came up again, caused by influence of new blood. Then, in a few hundred years they shall disappear.

MALAYANS

They belong to the MONGOLIAN FAMILY RACE. A family race lasts 7 times longer than a NATIONAL RACE OR 7 x 25,920 years.

MANCHUS

They too belong to the MONGOLIANS.

MAORIS [New Zealand]

They, like the BLACKFELLOWS of AUSTRALIA and TASMANIA, belong to degenerate FOURTH RACE branchlets

NEGROES

EVEN SOME THEOSOPHISTS think, that NEGROES are DEGENERATE ATLANTEANS and shall soon die out. That is wrong. NEGROES belong still to a "baby-race" mentally and physically, but not spiritually, imperfect. In some thousands of years these NEGROES shall play a very important part, but THEN they shall have mixed and intermarried, and will not be anymore "pure" NEGROES. As already stated, the only pure NEGROES will THEN be found in remote parts of AFRICA itself. NEGROES [with exceptions] are LONG-

-1398-

HEADS OR DOLICHOCEPHALICS.

OSCANS

THE OSCANS were ancient people, living in CAMPANIA, Italy. They belonged to THE FIFTH ROOT RACE, mingled with ATLANTEAN immigrants [emigrants from a sinking ATLANTIS]. They descended from the high plateau of CENTRAL ASIA [and settled on what is now called GREECE]. THEN, much later, out of this group advanced a NEW wave, settled down in ITALY and ONE of these sub, or tribal, races became the OSCANS

PERSIANS

PERSIANS are late ASIA-ATLANTEANS. It is a little known fact, that PERSIANS belong to the most spiritual races of this earth. They are, or were, in any case, far more spiritual than, for instance, the GREEKS. And if the GREEKS would have NOT succeeded in invading PERSIA, and would have been overthrown by the PERSIANS, EUROPEAN HISTORY would have been MUCH HIGHER today.

PYGMIES

THE PYGMIES are offshoots from the last subrace of the THIRD ROOT-RACE. They descended from the DWARFED RACES of the POLES. These races had mixed with animals, and they "intermarried among giants

But these dwarfed race THEN were still TWENTY TO TWENTY FIVE feet tall. They had nevertheless degenerated in size, compared to their LEMURIAN → Then they mixed with the Atlantean emigrants. P-1398

and pygmies. So the ancestors of the pygmies were [millions of years ago] pygmies THEN, pygmies compared with their LEMURIAN ancestors. And even in Atlantean days they [the dwarfed races] were still the degenerate race - stocks for what NOW are THE PYGMIES. But the degenerate remnants of the THIRD ROOT-RACE became later ATLANTEANS themselves, and were those who REPEATED the sin with THE MONKEYS.

RĀKSHASAS

They are the inhabitants of LANKĀ. Their ATLANTEAN ancestors were HATED by the ĀRYANS, because of their SOUCERY. THEN these ATLANTEANS were called RĀKSHASAS, because not ALL of them were EVIL, some, or many of them, were even PROTECTORS of mankind by rendering some service to BRAHMA. But the ĀRYANS in their scriptures [the RĀMĀYANA for instance] remembered only the SOUCERERS and so the name RĀKSHASA became identical with 'THE EVIL GIANTS' of the LATE ATLANTEAN RACE. Names have power, oh Lanka, although they often don't tell the truth...

ROMANS

THE ROMANS grew out of civilizations, that had their cradle-land in CENTRAL ASIA. Their ancestors evolved out of THE FIFTH ROOT RACE.

RUSSIANS

RUSSIANS derive from the ATLANTEAN STOCK, belong to the EUROPEAN NATIONAL RACE, to the SLAVIC TRIBAL RACE, and are about 200 years old. The RUSSIANS shall die out in about 200 [or more] years from NOW. A.V.M.

→ ANCESTORS, who were up to 50 feet high and more.
* SECRET DOCTRINE.

-1400-

SAMNITES

THE ANCESTORS of the SAMNITES were ĀRYANS or FIFTH ROOT RACE men, leaving CENTRAL ASIA and mixing with ATLANTEANS, who fled from their sinking island, becoming LATER the SAMNITES. The same happened BEFORE with the SARDINES, who were then conquered by the ROMANS [3rd century B.C.]

SAVAGES

THE SAVAGES of today were ANIMALS ON THE MOON

SCANDINAVIANS

SCANDINAVIANS are DOLICHOCEPHALIC, OR LONGHEADS. They belong to the EUROPEAN part of the FIFTH ROOT-RACE.

SIAMESE

THE SIAMESE are part of the MONGOLIAN family race.

MONGOLIANS

MONGOLIANS are ATLANTEANS.

SIMIANS

Are anthropoid apes. They are, like all apes, the result

pre-ROMAN people, descended from the SABIANS.

So the SAMNITES can be called ĀRYANIZED.
