

of sex between man and animal millions of years ago. The highest class of the SIMIANS and MONKEYS are incarnated by FIFTH CLASS MONADS. Fifth class MONADS were those MONADS, who did not incarnate AT ALL during the THIRD ROOT RACE. They waited until the FOURTH ROOT RACE and incarnated THEN into the "progeny of sin" between man and animal. \*ONE explanation for their hesitation to incarnate, or to give MIND, is, that they were "backwards" in evolution, that these terribly inferior bodies just suit them." AS Dr. de Purucker has it. But there is MORE to it, than just THAT explanation...  
 \*Stone-age man.

He did exist. But not as DARWIN thought. Progress [mentally, spiritually and physically] was SLOW during the so-called Stone age, about 7-10000 years [and more] ago. This was due to a HEAVY ATLANTICAN KARMA. But even during the Stone age there were, parallel to the Stone-age man, high cultures flourishing, and the fact, that we haven't [yet] found traces of these civilizations means nothing. \*DIG DEEPER\* is the stoic answer and suggestion coming from THE BOOK OF LIGHT. Savages and high cultures and

the Stone age include OUTSTANDING FIRE SPIRITS.  
 which means, that they inherited such a degenerate vehicle, that NO MAHARAJA would have been able to conquer. But then again, why did they wait SO LONG?... \*A MONAD IS THE HIGHEST SPIRIT, OR ATMA-BODHI, IN MAN [\*\* IN EVERYTHING].\*

civilizations existed side by side THEN, as they do today. STONE-AGE MEN are LEMURO-ATLANTEANS and those of the ATLANTICAN [the descendants of them] who fell into sorcery.

TAMILS.

TAMILS live in southern and northern Ceylon. Their ancestors are the 'burned-skin folk', or AETHIOPIANS. And the AETHIOPIANS are ATLANTICANS. We could also say, that the TAMILS are the representatives of the ATLANTICANS of today.

TEUTONS.

Teutons descended from HIGHLY civilized people, who in turn were remnants of ATLANTICANS, who migrated throughout millions of years from their [piece by piece] sinking ATLANTICAN CONTINENT. They [the TEUTONS] lived north of the ELBE in JUTLAND. By today's definition TEUTONS are NORTH EUROPEAN people, including GERMANS, Scandinavians, Dutch, English.

TIBETANS.

Tibetans belong to the MONGOLIAN race. The Tibetans are of the same stock than the BURMESE, SIAMESE, and some of the people, who live in CHINA, near the INDO-CHINESE PENINSULA and the eastern Tibetan frontier. We can say that the TIBETANS are ASIATIC people. The Atlantean sovereigns

for some of them, incarnated in the RED CAPS, and the pure parts of a certain Atlantean sub-race incarnated back into the hierarchy of PAGES or LAMAS, or YELLOW CAPS, whose spiritual leader [in theory at least] is the TASHI LAMA [then being exiled to SHIGATSE]. But many Tibetan lamas are a DISGRACE to BUDDHISM, especially the SENSUAL, SENSUOUS, SELF-SEEKING RED CAPS. Nevertheless there are many ADEPTS among the TIBETANS, and these ADEPTS are of course lofty minded, spiritual people and some of them, even join THE GREAT WHITE BROTHERHOOD. Tibetans are TONKIN RACE PEOPLE and distinctly different from the CAUCASIAN group.

TODAS.

Whenever I am forced to correct a great being in his opinion about an IMPORTANT ESOTERIC topic, I don't feel very comfortable, yet it has to be done. Dr. G. de PURUCKER, one of the greatest authorities, concerning the analysis of THE SECRET DOCTRINE, Blavatsky, writes in his "STUDIES IN OCCULT PHILOSOPHY" that the TODAS of INDIA are "some savage or barbarian tribe" etc.. This is not true. The TODAS are set aside to be in a far away future the SEED OF A NEW HUMANITY TO COME. They are GIANTS in stature

\* Studies in occult philosophy, p. 668, Purucker.  
 \*\* ISHTA into PURE ESOS, or MONADS, shall incarnate.

and not at all, as declared by some missionaries, who like to trace everything back to the bible, "of strongly-marked JEWISH features." Quite the contrary, they rather resemble GREEK STATUES in majesty and beauty of form. They say that the TODAS are just a couple of hundred families and that they are fast dying out. Nothing could be more erroneous. The TODAS will be there LONG after we are gone [as a race]. The TODAS live in the jungles of the NETLGHERRY HILLS [Southern Hindustan] for the BADAGAS a HINDU tribe, the TODAS are GODS and consequently the BADAGAS worship the TODAS. No razor ever touched the skin of a TODA. He sits most of the day there, impassive, waiting... waiting for WHAT? For his time to come, to be Forefather of a future race. AUM to the TODAS. How do they get their food? The BADAGAS feed them. To the disappointment of the missionaries the TODAS can't [and won't...] read and learn. They do not worship ANYTHING but themselves as "LORDS OF CREATION." And right they are, because THEY shall be the seed of a NEW CREATION. They also never wash themselves and are consequently extremely unclean, which might make some people think, that they are savages, or barbarians. SLUM-

that is at least how they appear to the missionaries...  
 \* which is an attempt to construct another proof for the "lost tribes of ISRAEL", who never existed.

\*\* Call them, if you wish, Ishita - pitras or pitris, or the physical seed races for a new race to come.

-1405-

BEING GORE would be the correct definition. The TODAS have NO CHILDREN, do not wear any jewelry, but just a blanket of woolen stuff with a colored stripe at the bottom. Though they hold cattle they do not eat them, and they never talk with foreigners. The houses, or huts, of the TODAS have one door and NO WINDOWS, but no TODA was ever seen INSIDE his hut. They do not appear in groups. They wait, they just WAIT, and live only from milk. The BADAKAS feed them. While THOUSANDS die around them, the TODAS NEVER GET SICK. No wild beast ever attacked a TODA, or even one of their CATTLE. The TODAS don't marry. Now they have moved away from the NEILCHERRY HILLS. Their PARENTS were not TODAS. Born of a select sect, they are and were set apart by holy ones, in order to be truly the SISHTA or REMAINDER, or "seed of life", for a new race to come. Their dirt is but a MASK, like a SANNYAST would put in public on his face, to demonstrate obedience to his vow. Their cattles are used for sacred purposes. Every third year each of the TODAS returns to a SECRET place, where they are RECHARGED with divine life. After a certain time period they return into the jungle. Why all this secrecy? Menads of the highest order are waiting on highest cosmic levels, in order to incarnate in the TODAS AND THEIR OFFSPRING, however they might produce it...

...and in one of their temples, being recharged.

-1408-

THE TODAS are not the ONLY tribe set apart, in order to survive [or being prepared] as the SEED-HUMANITY for a NEW RACE.

VEDDHAS.

The VEDDHAS can be called the LOWER end of the human hierarchy. They, like the ANDAMAN ISLANDERS, belong to those THIRD RACE species, whose ancestors tampered with animals [about 16-12,000,000 years ago], which resulted in this animal-human like offspring, that became the forefathers of the VEDDHAS. Thus VEDDHAS have LEMURIAN fathers and animal mothers and vice versa. They live in CEYLON.

VOCE is a TRIBAL - NATIONAL - or FAMILY RACE, you will know how long they still have to live, and from when on the NEW RACE will be born. But take into consideration, that these dates are COME DATES. The races begin much earlier and end much later, because they OVERLAP. Take as a rule: every new race begins at the mid point of the old race, and reaches far into the NEW RACE. Those, who studied THE BOOK OF LIGHT, know already the lifespan of THE GREAT SEVEN ROOT RACES of PAST, PRESENT and FUTURE. Now I shall reveal to you, which species belong to the Tribal generations, the Tribal years, the National races, the FAMILY RACES, and their lifespan.

INDIVIDUAL HUMAN BEINGS 75 years.

You and me.

\* TRIBAL GENERATIONS 528 years.

ITALIANS, ENGLISH, RUSSIANS, GERMANS. Life rhythm: 200 years to rise, 200 years to fall. The rest is OVERLAPPING TIME.

TRIBAL RACE 3702 years.

SLAVS; RUSSIANS, POLES, CZECHS, BULGARIANS, TEUTONS; [GERMANS, SCANDINAVIANS, ENGLISH and practically all NATIONS OF EUROPE are of TEUTONIC STOCK.] CELTS, IRISH and WELSH are TRIBAL RACES as well as THE SCOTS and those

NATIONAL RACE, 25,920 years.  
 [Unity in BLOOD and LANGUAGE.]  
 Those who live in the NEW WORLD, the NORTH and SOUTH CONTINENTS, belong to a NATIONAL RACE [red skins - Aztecs, Incas etc.]. The MONGOLIANS are a NATIONAL RACE\*. The POLES, GERMANS, FRENCH, SWEDS, RUSSIANS, GREEKS, BULGARIANS, CZECHS, ENGLISH, IRISH, WELSH, SCOTTISH, SWEDS [all Scandinavians], BELGIANS, NETHERLANDERS, PORTUGUESE and all SPANIARDS build together ONE NATIONAL RACE.  
FAMILY RACE 181,440 years.

CAUCASIANS are a FAMILY RACE, but I am not talking of the CAUCASIANS of WEBSTER'S DICTIONARY, because THEY do not exist in THAT definition. Belonging to the CAUCASIAN RACE are, for instance, we, EUROPEANS\*\* and the HINDUS. BUT: THE HINDUS do NOT belong to our EUROPEAN NATIONAL RACE. MONGOLIANS are also a FAMILY RACE; they include the CHINESE, MANCHUS, JAPANESE, LOLOS [see Lolos] TIBETANS, BURMESE, SIAMESE and maybe the MALAYANS.

\*\* which INCLUDES the AMERICANS, since the AMERICANS were colonized by EUROPEAN RACES.

\* Though not ALL who are called MONGOLIANS nowadays, are really MONGOLIANS.  
 \*\*\* in a wider sense.

More about FAMILY RACES: A Family race includes the different species of mankind. The people of AFRICA, which are as distinct among themselves as the EUROPEANS are, build a FAMILY RACE. How many years are left to the AFRICANS? It is written in THE BOOK OF LIGHT A FAMILY RACE collects SEVERAL NATIONAL RACES. Thus the ORIGINAL inhabitants of the NEW WORLD, South and NORTH CONTINENTS, can be called ONE FAMILY RACE, containing several NATIONAL RACES. For instance: The EUROPEANS and HINDUS are, as already mentioned, of ONE STOCK but of DIFFERENT NATIONAL RACES. AUM.

In my opinion the LOLOS and BASQUES are two of the most remarkable, but also MISUNDERSTOOD, races, and that is why I mention them LAST but not LEAST.

THE LOLOS.

The LOLOS are the ABORIGINES of CHINA. They are the TRUE CHINESE, belonging wholly to the SEVENTH SUBRACE of the FOURTH ATLANTIC ROOT RACE. This race was split in PURE [white magic] and IMPURE ones [sorcerers]. The ancestors of the LOLOS were the PURE ones. When the FIFTH AURYAN RACE had just appeared in ASIA, the LOLOS had reached their peak of civilization. LOLOS are INLAND CHINESE of a high stature, and could their

This race was split in PURE [white man] and IMPURE ones [savages]. The ancestors of the LOLOS were the PURE ones. When the FIFTH ANYAN race had just appeared in ASIA, the LOLOS had reached their peak of civilization. LOLOS are INLAND CHINESE of a high stature, and could their

-1413-

wonscripts [written in LAO] be translated, they would reveal and corroborate all that, which is written in THE BOOK OF LIGHT. If the LOLOS are the TRUE CHINESE, who then are the CHINESE of today? They descended from a hybrid mixture between ATLANTICANS and ANYANS, but the LOLOS, the TRUE CHINESE, or the last pure of the FOURTH ATLANTIC RACE, are, even today, not treated just, because we find them described even in the CHINESE SHU-KING [4th part, chap. xxvii, p. 291], as MAO-TSE or, I quote the translator, "a antediluvian and perverted race, which had retired in the days of old to the rocky caves, and the DESCENDANTS of whom ARE SAID TO BE STILL FOUND IN THE NEIGHBOURHOOD OF CANTON." Their descendants ARE the LOLOS, BUT neither they [the LoLos] nor their ancestors were degenerate, degenerate, but belonged, as already mentioned, to the pure part of the SEVENTH SUBRACE of the FOURTH ATLANTIC ROOTRACE, and the ancestors of THIS SUBRACE could even be called [part of] the SEED-HUMANITY for THE FIFTH ANYAN ROOTRACE. So when we ANYANS look at the LOLOS, we look at remote offspring from our own fore-fore-fore fathers. So much to the restoration of the honour of the LAOS.

THE BASQUES \*

The BASQUES and the DRAVIDIAN RACES of \*from the french word for petticoat which is: BAS QUINNE

-1414-

SOUTHERN INDIA had ONE origin = THE ATLANTICANS. The AFFINITY between the DRAVIDIAN language and the BASQUE language is OBVIOUS, while there is NO resemblance between the BASQUE language and any language of EUROPE. Thus we can say, that the BASQUES, CROMAGNON MAN, and CAVE MEN, and CANARISE GUANCHES are of the SAME ATLANTIC RACE. But see Again: The Forefathers of the BASQUES were ATLANTICANS, with a HIGHLY developed culture and civilization; while the CRO-MAGNON or CAVE-MAN, for instance, is a remnant of the DEGENERATE part of THE FOURTH ATLANTIC RACE, the BASQUES belonged to the PURE branch of the ATLANTICANS.

THE POWER OF THE ZODIAC.

DEATH and LIFE, ascending and descending of the soul are connected with the ZODIAC and its 12 signs, and TWELVE signs since the SEPARATION of the SEXES about 18,000,000 years ago. Now a days Astrology has degraded into BLACK MAGIC for the Layman, caused by lack of knowledge. The TRUE significance and power of the ZODIAC can only be fully comprehended, when we unite the ZODIACAL SIGNS with the secret knowledge now for the first time! Fully revealed in THE BOOK OF LIGHT. Though it is to be achieved individually different, ALL beings in the UNIVERSE have only ONE goal and destiny, namely to become ONE again because as it is ABOVE-ONE GOD or ONE BRAHMAN-So it is, or has to become again, DOWN HERE BELOW. WE ALL SHALL BE ONE - ONE DAY. The ONLY way to this goal is-ALTRUISM. As a matter of fact there is another way, but only a born MASOCHIST could prefer that second way (or choice) which is- SUFFERING. KNOWLEDGE can prevent you from SUFFERING. And the KNOWLEDGE about THE SEVEN RAYS, combined with THE SEVEN POWERS OF THE ZODIAC, opens the door to the SECRET of a life in bliss and unbroken consciousness. AUM.

ARIES

The presiding CHOHAN over ARIES is VARUNA. AUM to VARUNA. As above so below. The ULTIMATE and FINAL destiny of ALL ARIES-born is to be a LEADER, but a leader towards the SPIRIT and not the

- 1418 -

LOWER SELF. ALL ARIES BORN ARE FIRST RAY PEOPLE. THE "LUCK" OF THE ARIES BORN COMES FROM THE WEST.

TAURUS

The Zodiac of TAURUS is presided by the MAHACHOHAN YAMA. AUM TO YAMA. All those born under TAURUS shall be judges on ALL levels and in all parts of life. THAT is at least their destiny. When I say judges, I do not mean necessarily only judges in COURT, but simply JUDGES or CONTROLLING any other situation, be it in private life or professionally, and HOPEFULLY for the good of mankind, otherwise THEY shall be judged SOME DAY with the same unlawful intention, they judged OTHERS. DISCRIMINATION is their GOD-OR KARMIC GIVEN TOOL. May they never abuse it. They, the TAURUS-BORN are here on EARTH to fulfill, or REPRESENT, or REFLECT, COSMIC LAW, which COSMIC LAW, up THERE repeats itself down here in MORAL and ETHIC values. Positive energies from the SOUTH.

GEMINI

AUM TO PAVANA, chief MAHACHOHAN of the GEMINI ZODIAC. Those born under GEMINI are ALL [sooner or later] heading towards ONE GOAL: TO overcome ALL earthly passions and desires. In order to do so, some Gemini born dive DEEP into PASSIONS and DESIRES. Some lose their INDIVIDUALITY, others become liberated after many incarnations of SUFFERING. Often Gemini born are spiritual and pure by nature, until they

\* THE MONAD BREAKS OFF...

- 1419 -

are put to the test...

CANCER

SURYA is the ruling MAHACHOHAN over the ZODIAC of CANCER. CANCER born are also SUN BORN, because SURYA is THE SUN. CANCER born shall be those, who FIRST attain the knowledge of LONGEVITY, because they descended from the WISE RACE, the RACE THAT NEVER DIES. Brilliance, intelligence, THIRST for KNOWLEDGE, and all this in the service for mankind, is the destiny of all CANCER BORN, and when I say of ALL, I mean of course ALL THOSE, who like to AVOID SUFFERING. MIS-USE of GOD GIVEN TALENT is the OTHER SIDE of the COIN and leads to BLACK MAGIC.

LEO

AUM TO SOMA, ruler over the LEO ZODIAC. ALL LEOS descended more than 2 Billion years ago from the MOON-chain. LEO born shall be MASTERS of the ASTRAL BODY, and attain HIGHEST EMOTIONAL POWERS. BUT: Many of the LEO born are, or were, born with a "damaged" Astral-body [Diabetes, Alcoholism, etc] caused by misuse of the LINGA-SARIRA in a former life or LIVES. The ASTRAL is their KARMA...

VIRGO

VIRGO is ruled by the MAHACHOHAN KARTIKEYA. VIRGO and SCORPIO were ONE ZODIACAL CONSTELLATION, until 18,000,000 years ago, when they separated and thus another name for: THE MOON.

- 1420 -

initiated the SEPARATION OF SEXES. And they, in turn, caused LIBRA, the scale which also denotes the FOURTH ROUNE in which we are NOW, and the FORTH GLOBE [Earth] of the planetary chain, on which we live. VIRGO BORN have to overcome their strong SEX DRIVE [towards SCORPIO for instance] and to TRANSFORM it into the HIGHER CHAKRAS and thus SPIRITUALIZE it.

LIBRA

AUM TO KOUVERA, MAHACHOHAN of LIBRA and all LIBRA BORN. They are often mediators between VIRGO BORN and SCORPIO BORN, because, as already mentioned, VIRGO and SCORPIO were ONE, and now [since 18,000,000 years] they are connected through a link, called LIBRA. LIBRA born can be a LINK, but also a KARMIC separating force between SCORPIO and VIRGO. LIBRA people reach altruism through PERFECTING their ability to create HARMONY on ALL levels.

SCORPIO

Torn apart from VIRGO they LONG to be UNITED with it again. AUM TO KAMA, MAHACHOHAN of the SCORPIO ZODIAC. The name KAMA [DESIRE] tells us

How MAHACHOHAN, why does the DENOBRA ZODIAC show THREE VERGES between LION and LIBRA!

- Oh LADIES, THREE times have the Poles of the Earth been within the plane of the Ecliptic. AUM.

\* path of the sun, but also that of the EARTH, when SEEN from the SUN. Earth CUTS the celestial equator at 23 1/2 degrees, but that

was not always so, as the explanation of the MAHACHOHAN shows. \*\*\* NOT KARMA.

- 1421 -

already a LOT about SCORPIO BORN. But KAMA is at the same time also called the BALANCE PRINCIPLE and likened to the sign LIBRA in the path of the sun through the ZODIAC. Therefore we could also say that VIRGO-LIBRA-SCORPIO also build a "Trinity of DESIRE", spiritual in its HIGHER ASPECTS and low emotional in its LOWER. KAMA is also the FOURTH PRINCIPLE or ANIMAL SOUL in MAN, OR ALL DESIRES DEVOID OF MIND. It is up to THE FIFTH, or MANAS [MIND], where to direct that Energy... So the SCORPIO man or woman have to USE their KAMA PRINCIPLE as a FUEL in order to TRANSFORM KUNDALINI with the help of MANAS UP INTO the HIGHER CHAKRAS. AUM. For SCORPIO and for LIBRA BORN DISCIPLINE is the main tool, for (or a way to), LIBERATION.

SAGITTARIUS

AUM TO GANESA, MAHACHOHAN over the SAGITTARIUS ZODIAC. All those born under SAGITTARIUS either reach HEAVEN through WHITE MAGIC, or HELL through BLACK MAGIC. Their path to liberation is the MAGICAL MYSTICAL PATH, or THE PATH OF MAGIC LEARNING.

CAPRICORNUS

AUM TO POULHAR chief MAHACHOHAN of the CAPRICORN ZODIAC [my sign]. CAPRICORN BORN often seek and find, WISDOM in SOLITUDE. They are ALONE but not LONELY. There is a GREAT MYSTERY about all CAPRICORN

\* JUDITH TYBERG, Sanskrit keys to the wisdom religion, p. 33  
\* BECAUSE ALONE MEANS ALL-ONE...

PEOPLE. And I shall reveal that mystery now: We, or most of us, CAPRICORN, belonged to those who caused the WAR IN HEAVEN, because we refused to give MIND to the MENDLESS THIRD RACE about 18,000,000 years ago. WE WERE THE KUMĀRAS OR VIRGIN YOGINS, but LATER we obeyed THE LAW and INCARNATED. WE FOUGHT IN HEAVEN AND LOST. In that cosmic confrontation with other CHOHANS, DEVAS and their HOSTS we lost our place in HEAVEN, or our planets, which reduced the MAKARA ZODIAC OR CAPRICORN ZODIAC, to  $\frac{2}{3}$  of its HOUSES or planets. Thus destitute of our HOUSES we were thrown by KARMA from cosmic heights down to EARTH into the THIRD ROOT RACE AFTER their SEPARATION into SEXES. But this is not THE WHOLE SECRET, OR MYSTERY. THE TRUE MYSTERY is that THE REMAINING MAKARA OR CAPRICORN ZODIAC is the COSMIC LINK between OTHER KUMĀRAS and US. THEY constantly refill us with thoughts of PURITY and VIRGINITY. AUM. Therefore: MAKARA does NOT MEAN CROCODILE. This is just a blind to cover THE TRUTH. MAKARA is in truth the symbol and representation of MACROCOSM [universe] and MICROCOSM [human body for instance], in the same way as our celestial brothers are connected with US.

To make it even CLEARER: MAKARA [or CAPRICORN] has to do with MA or 5 and means ESOTERICALLY that there are, RIGHT NOW, FIVE KUMĀRAS, meditating over the MAKARA ZODIAC. Here are their names:

\* FIVE HANDS. (or: five limbs of Man, or MANA the 5th principle) the KUMĀRAS. \* Though the crocodile [like the frog] symbol

uses also RESURRECTION or REINCARNATION. Like the CROCODILE or FROG appears each morning, thus our souls appear at each morning of a new life.

SANAKA, SANANDA, SANATANA, SANĀT-KUMĀRA, and one other, whose name I can only give as an ESOTERIC TRINITY: SANA, ICAPILA, SANĀT SUJĀTA. These three count as ONE.

That is possible, since even a MILLION angels can count as one, being HOSTS of ONE DEVA, or CHOHAN. But there are, or there WERE, SEVEN KUMĀRAS. Where are the other TWO? They are... WE. WE are the hosts of the missing two KUMĀRAS and we fell [two thirds obeyed, one third refused]. The HOSTS of the  $\frac{2}{3}$  obeyed, but their CHIEF KUMĀRAS still hold their celestial position over the MAKARA ZODIAC using the ZODIACAL channel to charge their "fallen sons", namely US, with their COSMIC VIRGINITY. AUM, AUM to the destroyers of human passions and physical senses. THEY [the five] REFUSED, but their HOSTS did obey. WE [the two] REFUSED together WITH OUR HOSTS. The result is known. POUHARE is the ESOTERIC chief of the MAKARA ZODIAC, SUJĀTA, or SANĀT SUJĀTA, is the ESOTERIC chief of the SEVEN, which are now FIVE, because WE are the TWO. AUM.

AQUARIUS

AUM to INDRA, MAHĀCHOHAN OVER AQUARIUS, and to all those who are born under that sign, which means that in their spiritual aspect they descended from it, or were "tainted" by it [had even their abode in it]. THE EAST is THEIR KARMIC direction. AQUARIUS born attain

- \* ESOTERICALLY the CHIEF of the KUMĀRAS.
- \* KARMA gave them the liberty to do so, as it allowed to the FIVE to maintain their place in HEAVEN.

liberation through struggle for survival and competition. If they compete in order to help, they go to HEAVEN. If their struggle [and wheel and deal] only for their own ends, they go to HELL [lowest ASTRAL LEVEL], but of course NOT ETERNALLY.

PISCES

AUM to AGNI, MAHĀCHOHAN of all PISCES and their ZODIAC. PISCES have FINE POWER, spiritual and over REAL FIVE [but they don't know it]. They all emanated from the ARANI or SURĀRANI, which is the MATRICEV "MOTHER" of the SURĀ GODS. FRICTION,

be it spiritual or physical, is the FIREPOWER of PISCES. They have to use this FRICTION wisely and in its DUE time. What do I mean by this? Well, then let me make it clear: Make only love to the one you love, and have only sex for the purpose of creating new life. THAT is what I mean, when I say that you should use spiritual, and in this case especially, PHYSICAL friction WISELY.

Because: when SPIRIT falls into MATTER, MAN falls into WOMAN... AUM.

Again I say: The power and significance of the ZODIAC can only be fully comprehended in connection with the doctrine of THE SEVEN RAYS. EVERYTHING in this world heads towards ALTRUISM. ONE for ALL and ALL for one. The selfish man is hopelessly behind his time and THAT is why big heads are falling RIGHT NOW. We all shall be SPIRITS again, THAT is our goal. Any misuse of knowledge about the ZODIAC, or THE SEVEN RAYS, is against cosmic LAW and shall lead to the destruction of the [mis]user of this precious knowledge.

IMPORTANT

THESEVEN ANOTHER way of finding out, who you are and WHAT your principles in life are. You do not necessarily NEED to have the knowledge, about what your sign is, or to which RAY you belong, and that way is to IGNORE, or better TRANSFORM, your own desire and to give way to the COSMIC desire. Once you become a CHANNEL for the COSMIC DESIRE, every action is the RIGHT action. Those who have FAITH and BELIEVE or therefore sometimes better off than those who follow DOCTRINES, which only touch the BRAIN, but not the HEART. Intellect or [LOWER!] MANAS is a tricky thing, and if what you think is NOT corroborated by what you FEEL, then you are in constant confusion. Somebody with 100% FAITH and ZERO knowledge is therefore often a BETTER channel for COSMIC DESIRE, than somebody, whose mind stands constantly in his own way. THY WILL NOT MINE is the FORMULA to awake that power. But once you do that, once you step completely aside with your will and become a VESSEL for your HIGHERSELF, or, if you wish so, GOD, your CONSCIOUSNESS grows and you grow with it, and suddenly there is a TURNING POINT, where you want to change from a BELIEVER into a KNOWER. COSMIC DESIRE will flow through you to an extent, that it FIRST even strengthens the negative aspects in you, because MAHAT [Universal Mind] is an IMPERSONAL NEUTRAL power, acting like a big river, which fills up EASILY the WIDE beds and working on the small.

THE COSMIC PLANES -1433-

Let us now analyze and investigate the LOWEST of the SEVEN COSMIC planes, namely our visible AND invisible UNIVERSE, manifested on the SEVENTH plane of the UNIVERSAL CHAIN, which in turn is SEVENFOLDED ITSELF. All visible planets and suns are D Globes of a or its, planetary chain. And because each COSMIC PLANE is sevenfolded itself, we talk of sun planes and sun-sun planes. We are investigating here our visible and invisible UNIVERSE [ with everything in it ] or the SEVENTH SUB-PLANE of the SEVEN COSMIC PLANES. Of this seventh sub-plane we shall analyze all its seven sun-sun planes of which the LOWEST is our visible UNIVERSE in general and our EARTH in particular and also its CHAIN which is SEVEN, TEN or TWELVE FOLDED, depending on the point of view or observation of the student. More I do not want to say about this at the moment. Instead of calling the globes of our earth chain A, B, C, D, E, F and G as I do later, I shall enumerate them for NOW from I - 12, in order to show its COHERENCE and ANALOGY with the 12 folded UNIVERSAL CHAIN, mother of all chains. AUM. Each of the SEVEN cosmic planes or LOKA-TALAS gives birth to the cosmic level BELOW itself.

LOKAS and TALAS are two [cosmic] sides of the same coin [cosmic plane]. LOKA means "avast space" or "a plus five more..."

THE COSMIC PLANES -1433-

Let us now analyze and investigate the LOWEST of the SEVEN COSMIC planes, namely our visible AND invisible UNIVERSE, manifested on the SEVENTH plane of the UNIVERSAL CHAIN, which in turn is SEVENFOLDED ITSELF. All visible planets and suns are D Globes of a or its, planetary chain. And because each COSMIC PLANE is sevenfolded itself, we talk of sun planes and sun-sun planes. We are investigating here our visible and invisible UNIVERSE [ with everything in it ] or the SEVENTH SUB-PLANE of the SEVEN COSMIC PLANES. Of this seventh sub-plane we shall analyze all its seven sun-sun planes of which the LOWEST is our visible UNIVERSE in general and our EARTH in particular and also its CHAIN which is SEVEN, TEN or TWELVE FOLDED, depending on the point of view or observation of the student. More I do not want to say about this at the moment. Instead of calling the globes of our earth chain A, B, C, D, E, F and G as I do later, I shall enumerate them for NOW from I - 12, in order to show its COHERENCE and ANALOGY with the 12 folded UNIVERSAL CHAIN, mother of all chains. AUM. Each of the SEVEN cosmic planes or LOKA-TALAS gives birth to the cosmic level BELOW itself.

ELUCIDATION OF THE SEVEN COSMIC PLANES.  
 or THE SECRET OF LOKAS AND TALAS.

LOKAS and TALAS are two [cosmic] sides of the same coin [cosmic plane]. LOKA means "avast space" or "a plus five more..."

- 1434 -

world\*, and TALA means "lower part" or "base". Both are SANSKRIT words. We could also say LOKA and TALA are bipolarizations of each great cosmic plane.

THE UNIVERSE IS SEVEN COSMIC PLANES, each of these planes having a SPIRITUAL and a MATERIAL side, and when I say MATERIAL I do not necessarily mean atomic or molecular MATTER. HINDUS call the seven LOKAS "The seven regions of the blessed," or "the seven Heavens", and the OTHER side of the SAME cosmic plane[s], which are the seven TALAS "the seven Hells" or "the seven inferior Places".

So ONE couple, or TWIN couple, of LOKA and TALA is a COSMIC PLANE ranging from its LOKA, or spiritual, part to its TALA or physical part. But EACH of these LOKA-TALA twins contain also ALL other LOKA-TALAS. The lowest contains the HIGHEST and vice versa. Needless to say, that each LOKA-TALA is SEVEN FOLDED, since it reflects ALL OTHER sevenfolded LOKA-TALAS. Here now are the 7 cosmic planes or LOKA-TALAS from the FIRST and HIGHEST to the SEVENTH and LOWEST, emanating forth from each other - the LOWER from the HIGHER. AUM. When they descend [unroll] they decrease in purity.

THE FIRST COSMIC SUBPLANE\* (from above)

SATYA LOKA or the world of TRUTH and REALITY.

CONSCIOUSNESS: SAMĀDHI. Inhabitants: Divine beings and those having attained NIRVĀNA. Atmosphere: Beyond our ken into INFINITY. GLOBE: 1<sup>st</sup>.

Nether pole: ATALA or "not a place". TALA - place, A not. CONSCIOUSNESS: The lowest imaginable. INHABITANTS: Lost Souls, suffering final annihilation. Followers of the "left hand path", extreme BLACK MAGICIANS, Dwellers of the THRESHOLD, etc. GLOBE: 1.

ATALA AND ITS INHABITANTS.

748

- 1437 -

THE SECOND COSMIC SUBPLANE.

TAPAS LOKA or "world of spiritual meditation and devotion".

CONSCIOUSNESS: Christ and Buddhist consciousness. ATMOSPHERE: Beyond our ken though not as far reaching as SATYA LOKA. INHABITANTS: CHRISTs and BUDDHAS.

GLOBES: 2 and 12.

TAPAS LOKA AND ITS INHABITANTS.

749

-1438-

Nether pole VITALA or "the better place for matter"  
[VI = change, TALA = towards matter, or matter, or also  
lower part, base]  
CONSCIOUSNESS: At the threshold of ANNIHILATION. INHABITANTS: Those who follow the BLACK MAGIC LEFT HANO  
PATH  $\gamma$  and are almost breaking the link [Antah-  
kavana] with, or to, their HIGHER SELVES. GLOBES: 2 and 12.  
VITALA AND ITS INHABITANTS. THEY ARE [NOT YET]

750

-1439-

THE THIRD COSMIC PLANE.  
JANAK LOKA, or the "world of spiritual birth". CONSCIOUSNESS:  
complete control of the HIGHER MANAS OVER ANY DESIRE,  
or all lower principles [KAMA, PRANA, LINGA, STHULA]. At-  
mosphere: to the end of our GALAXY. INHABITANTS: Kumā-  
ras, Anishwātas, Mānaseputras, or all those who HAVE BEEN  
through material word or who [Kumāras for instance] have  
yet to experience it. In other words a) liberated beings and  
b) yet to be liberated beings. AUM. GLOBES: 3 and 11.

751

-1440-

Nether pole SUTALA or "a good place" [for matter].  
CONSCIOUSNESS: LOW DESIRES. INHABITANTS: Those who  
have made themselves total SLAVES of these low desires.  
GLOBES: 3 and 11.  
SUTALA AND ITS INHABITANTS.

752

-1441-

THE FOURTH COSMIC PLANE.  
MAHAR LOKA OR "THE GREAT WORLD".  
CONSCIOUSNESS: COMPASSION. ATMOSPHERE: up to the limits  
of our solar system. INHABITANTS: MIND and SENSE DEVAS  
and all of us who are free from MĀYĀ, but still "limited"  
by compassion. GLOBES: 4 and 10.  
MAHAR LOKA AND ITS INHABITANTS.

753

-1442-

As to the inhabitants of MAHAR LOKA still being limited by compassion, you might ask: "And the other, higher levels and planes and their inhabitants? Don't they have compassion for the world? Compassion for the world is nevertheless still a limitation, through which we all still have to pass on our upward path. Those beings, who dwell on the first three cosmic planes are BEYOND that compassion, because they do more for the world than all compassionate beings of our galaxy could do, or achieve, because those denizens of the HIGHER LOKAS pour Love DIRECTLY into our higher selves from ABOVE. And only a person, who is either totally SELFISH, could now decide NOT to be compassionate and to "skip" all lower planes and to enter immediately THE HIGHER. There are even some THEOSOPHISTS, who think, they can do this and achieve NIRVANA by just thinking of themselves. KARMMA shall teach them..."

NETHER POLE: RASĀTALA OR A PLACE OF TASTE [meaning TASTE as a sense perception]  
CONSCIOUSNESS: SENSES [in the objective world]. INHABITANTS: Those only caught in their SENSES: Eating, drinking, sex etc.  
ATMOSPHERE: SAME AS MAHAR LOKA. GLOBES: 4 and 10.

\*Though there is a path, which is called PRATYEKĀ, or "For one alone". This path indeed leads to the spiritual peace and rest of NIRVANA. Those who follow that path, think for THEMSELVES alone, though WITHOUT HURTING ANYBODY ELSE. And eventually the PRATYEKĀ devotee shall reach NIRVANA. But in another MAHĀMANVĀNTĀ he shall have the opportunity to develop the compassionate side of his nature.

its nether pole RASĀTALA AND ITS INHABITANTS:  
Those who are concerned with things of the world live in RASĀTALA.

755

The nether pole of the FIFTH COSMIC LOKA\*, or SVARLOKA, is TALĀTALA, which is "a place and NOT a place", which means it is MORE a TALA than than ABOVE it, and LESS a TALA than than BELOW it.

-1449-

WE ARE NOW ON THE SEVENTH COSMIC SUBPLANE OF THE SEVENTH COSMIC PLANE. THIS SEVENTH COSMIC SUBPLANE IS BHŪLLOKA PĀTĀLA. BUT AS A RACIAL CONSCIOUSNESS WE ARE IN SVARLOKA TALĀTALA. How can that be? BECAUSE WE (or most of us) ARE NOW IN, OR FROM, THE FIFTH ROOT RACE, and since EACH LOKA and TALA IS SEVENFOLDED and contains all other LOKAS and TALAS [above itself: unfolded; below itself: in seed or dormant] WE ARE USING AS A RACIAL STORE, OR PLANE, [FIFTH ROOT RACE] the FIFTH cosmic sub plane, or SVAR LOKA, TALĀTALA. But since OUR EARTH IS IN ITS FOURTH ROUND, and because ANALOGY IS THE COSMIC LAW, the EARTH also manifests the characteristics of the FOURTH cosmic sub plane, which is MAHAR LOKA RAJĀTALA. At the same time WE AS FIFTH ROOT RACE have reached the FIFTH cosmic SUB PLANE, or LEVEL, of consciousness, which is consequently and analogically also the FIFTH cosmic SUB PLANE PER SE, namely SVAR LOKA TALĀTALA. AUM.

Then what are the TATTVAS? TATTVA means REALITY OR THAT-NESS of a thing. Each cosmic level, or LOKA-TALA, has its own individual TATTVA, or principle, or ESSENCE, or conscious and directing FORCE. The elements, ayrs, not even the RUDIMENTARY cosmic stuffs, could not manifest without these, or better without THEIR TATTVAS. We can also say, that the TATTVAS CAUSE THE SEVEN LOKAS and TALAS, and like the LOKAS and TALAS, the TATTVAS, or each TATTVA, gives which in itself is seven folded.

birth to the TATTVA below it. There are SEVEN TATTVAS and each of the seven is in turn SEVENTH, etc.

WHERE, oh MAHACHOHAN, DO the TATTVIC PRINCIPLES COME FROM?

This is the most PRECIOUS KNOWLEDGE, oh LAHO. The TATTVIC principles emerge from "Great has been", which dwell on the SEVEN TATTVIC PLANES. They [the GREAT HAS BEEN] are called the BHUTAS.

- WHY GREAT HAS BEEN, oh MAHACHOHAN?

- BECAUSE THEY HAVE BEEN THROUGH EVERYTHING and build now the foundation for the world [s] to come, oh LAHO. Each TATTVA has its BHUTA. AUM to the BHUTAS, AUM to the MAHABHUTAS. THEY are the TRUE PARENT SOURCE of what we LATER perceive as ELEMENTS [earth, air, water, fire, five], but the VISIBLE ELEMENTS are only PRESENTMENTS of the MAHA-BHUTAS. And ALL of them, LOKAS and TALAS, TATTVAS and BHUTAS, YOU and ME, stone, plant animal, RUPA or ARUPA, form or no-form, SOLAR SYSTEMS and GALAXIES and EVEN BRAHMAN and ALL its BRAHMANS are but AGGREGATIONS of MONADS in DIFFERENT STATES of AWARENESS [from the SUPERMONAD DOWN to the LOWEST ELEMENTAL MONAD]. AUM.

- ARE THE TATTVAS also the various prakritis of the universe, or different substances out of which the universe is built?

- YES, oh LAHO.

\* not to confuse with a KAMA KAPA BHUTA, which is a shell [ATMAL shell] devoid of its intellectual and spiritual parts.

\* UNFOLDING in SPIRAL MOTION like a scroll and CAUSING THROUGH that SPIRAL MOTION the DNA in EVERYTHING.

\*\*\* MATTER, but also NON-ATOMIC.

On the next page we shall see the COSMIC SPHERE or also SPHERIC EGG with its LOKAS and TALAS concerning OUR EARTH CHAIN, which means, that this SPHERE, with its SEVEN COSMIC PLANES, is but the LOWEST OR SEVENTH SPHERE or cosmic plane, contained in SIX OTHER SPHERES, ONE smaller than the next, which is higher; the innermost sphere is the most spiritual, the outermost the most material [our earth]. THE INNERMOST [OR SPHERE as well as PLANE] ONE penetrates

all other SPHERES and PLANES, while the OUTERMOST does not reach BEYOND its own atmosphere. When seeing the 7-fold sphere be aware of the fact, that, the more you move in-to space, no matter in what direction, the more you head [if you KEEP direction] towards the SURFACE of the UNIVERSE or cosmic SPHERE. TRUTH IS INSIDE, MAYA IS OUTSIDE, oh LAHO.

THE SEVENTH COSMIC SUBPLANE [SPHERE] AND ITS LOKAS AND TALAS [including OUR EARTH CHAIN]

741

\* of course there are also and lots many OTHER PLANES and their chains contained in THE SEVENTH COSMIC PLANE.

\* better: YOU ARE on its surface, which is why LIGHT or EMBELIC VIBRATION always [like everything else] returns to its source. By stating that the Universe is "curved" Einstein attained a GLIMPSE of the LOKAS and TALAS.

All positive spiritual powers [We?] are united in ONE GREAT MAHACHOHAN. And the others? The sorcerers? The breakers of THE LAW? They too are, and were, represented by ONE GUIDING POWER and THIS power is called a MAMOCHOHAN. After THE FINAL CONFRONTATION, whose beginning you can see in the drawing on page , they shall disappear [for the last time] on THE EIGHTH SPHERE or PLANET OF DEATH. But let me say something else, concerning the MAMO-CHOHAN. HE is the PERSONIFICATION of SIVA. AUM to SIVA. BUT! AUM to SIVA does not mean, that I worship SIVA or that ANY BODY should worship SIVA. DO NOT WORSHIP SIVA. In fact: Do not worship ANYTHING, not even BRAHMAN. AUM to SIVA, means AUM to the BENEFICIENT EFFECT of SIVA to the destruction of forms, which allows the Spirit to progress and to ascend to HIGHER REALMS. But do not worship. IF YOU WORSHIP you create an IMPERFECT SUPERPOWER, caused by your own IMPERFECTION. This IMPERFECT SUPERPOWER is [and MUST be] IN OPPOSITION to THE HIGHEST, or BRAHMAN, no matter with what "GOOD INTENTIONS" you performed the worship. In other words: WORSHIP is always BLACK MAGIC. When you worship, you become a prey, or at least a candidate, for the hosts of a MAMOCHOHAN. That is why you

\* mainly CREATED by all those who WORSHIP SIVA instead of just seeing it more as a beneficent cosmic event.

- SIVA is the vanishing destroying principle in Everything, because everything is temporary.

-1454-

can truly say, that most of the preachers shall go to "hell," which brings us back to the MAMOCHOHAN and ITS DESTINY. The MAMOCHOHAN, including all Sorcerers, and Brothers of Darkness shall have, in about 155,517,831,000,000 years, HIS NIRVANA too, but this NIRVANA shall be a AVITCHI NIRVANA, or HELL for 311,040,000,000,000 years. We could also call AVITCHI-NIRVANA an UNMANIFESTED HELL, having [after 311,040,000,000,000 years or in 466,557,831,000,000 years from now] into a MANIFESTED HELL or NEW MAHAMANVANTARA. THIS is the so called ETERNAL CONDEMNATION. YOU can choose, oh reader, whether you want to experience BLESS for hundreds of trillions of years, be it manifested or UNmanifested, be it in MANVANTARA or PRALAYA, OR whether you want to suffer TOGETHER with what is the ETERNAL DESTINY OF A MAMOCHOHAN, namely: EVERLASTING CONSCIOUS SUFFERING. HE [the MAMOCHOHAN] can take it, can YOU take it? Behold, oh reader, this last sentence reveals a mystery for those who have eyes to see and ears to hear. THE MAMOCHOHAN can take it, can YOU take it? ITS VERY INNERMOST NATURE at EVERY REAWAKENING is, what, and how, WE experience EVIL.

- \* And not only for ONE MAHAMANVANTARA, or PRALAYA.
- \* But REAL for PRALAYIC CONSCIOUSNESS, when experienced as AVITCHI-NIRVANA AUM.
- \* meaning of course to lower ASTRAL-PLANES, where they outlive the energy caused by their own worship.

### LAND and WATER.

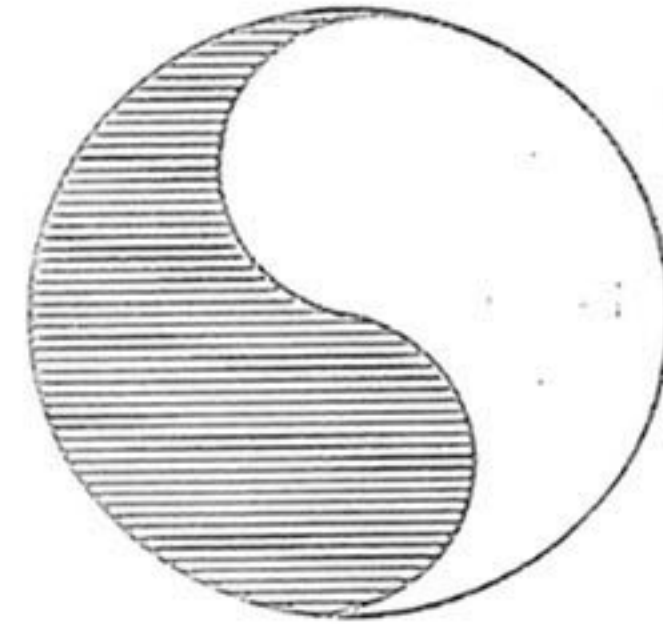

Behold, thus stands THE LAW. WATER-DEVAS rule THE FIRST, THIRD, FIFTH and SEVENTH ROOT-RACES of our chain. EARTH-DEVAS rule THE SECOND, FOURTH and SIXTH ROOT-RACES of our chain. Or: During the 1, 3, 5, 7. ROOT-RACES the Globe is covered with MORE WATER than LAND. During the 2., 4., 6. ROOT-RACES there is more LAND than WATER. THE FIRST RACE was destroyed by FIRE, so was THE THIRD. THE SECOND RACE was destroyed by WATER, so was THE FOURTH. THE FIFTH RACE shall be destroyed by FIRE, so shall THE SEVENTH go down. THE SIXTH RACE shall be destroyed by WATER. Situation today: THREE TIMES as much WATER as LAND. Whenever there is MORE LAND than WATER, nature seeks READJUSTMENT, and THE WATER-DEVAS turn into DESTROYERS by causing DELUGES. When the race is TERRESTRIAL it shall perish by WATER [for instance THE ATLANTEANS]. - Only by WATER, oh MAHAMOCHOHAN? - NO, oh LAMBOO, FIRE and WATER work together. \* though THE THIRD is an AQUEOUS RACE [more water than LAND on the GLOBE].

-1458-

- How shall we perish, oh great Chohan?
- We shall dry out [assisted by Fire and EARTHQUAKES], oh Lanoo. The WATERS SHALL SLOWLY DISAPPEAR [withdraw], because we are in the AQUEOUS period.
- Will it happen AT ONCE, oh great Chohan?
- No. AGES shall pass. Continents rise and sink slowly. AUM.
- WHEN shall the catastrophe begin?
- NOW, oh Lanoo, NOW.
- Is it inevitable for each race to go down in a catastrophe, oh Mahachohan?
- Yes, oh Lanoo, and THE ATLANTEANS, though more MATERIAL than we are NOW, KNEW that LIFE IS ETERNAL, and that the nature of MATTER is CHAOS, which can only be destroyed by CHAOS.
- What causes death, oh Chohan?
- Excess of LIFE, oh Lanoo. THAT is, which causes DISEASE and eventually DEATH. But the races do not die in FEARFUL CONFUSION or CHAOS. They leave the sinking continents, survive on others [higher and better ones], and when THE NEW RACE is born out of THE OLD ONE, THE OLD ONE SLOWLY DIES.

-1458a-

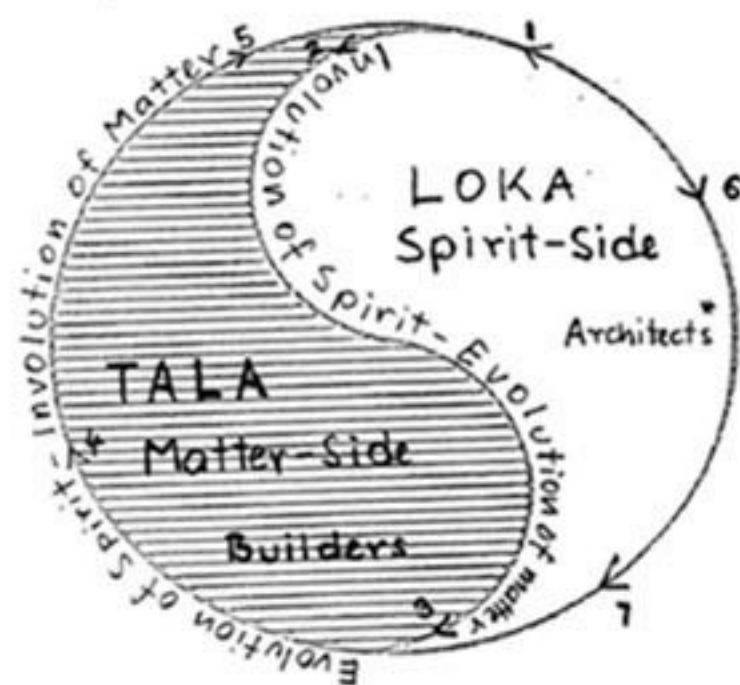

THE PROCESS OF INVOLUTION AND EVOLUTION, OR EVOLUTION AND INVOLUTION IS ALSO SYMBOLIZED IN THIS SACRED SIGN FROM ATLANTIC TIMES.\*

\* Now a favorite BUDDHIST symbol.

-1458b-

Because ...

Order of symbolic: 1-2-3-4-5-6-7

\* By architects and builders I mean the two general lines or HIERARCHIES of spiritual beings, having brought forth THE COSMOS.

-1459-

THE SERPENT

Behold this holy symbol, oh Lanoo, and how it [later] had been misused. FIRST there was only PURITY and WISDOM, which was SYMBOLIZED by a SERPENT\*, because the SERPENT has no limbs and resembles therefore more the [formless] spirit.

417

THE SERPENT is the FIRST principle out of the zvev to be UNKNOWN, or PARABRAHMAN. Or: Wisdom, or ABSOLUTE CONSCIOUSNESS, breaks forth and descends DOWNWARDS into matter, or ALONG the DIRECTION into matter, which direction, is symbolized by a straight line. BUT the DESCENT itself is SPIRAL. So

\* Jesus said: "be ye wise as serpents." Further more: It is THE SERPENT, symbol of wisdom, which is THE LORD GOD, because GOD gave us WISDOM AND FREE will, so that we could become PERFECT LIKE HIM AND MORE PERFECT.

-1460-

Or so:

418

Behold the spiral descending along the straight\* path of TIME. But the descending serpent ALWAYS faces its SOURCE, because Spirit is **TONEVER**\* connected with the HIGHEST or FIRST PRINCIPLE. After having reached the LOWEST level, which is this material UNIVERSE, or [and] OUR SOLAR SYSTEM, Spirit or ETERNAL CONSCIOUSNESS\*\* ascends again, back to the source, casting off vehicle after vehicle [physical, astral and mental etc.]\*\*\*. And this happens **AGAIN** in SPIRALS, or ...

\*\*\* a process which is precisely analogous to 4-3-2-1-0.  
\*\* BUT UNCONSCIOUS down here. Therefore the DESCENT DURING MANIFESTATION. After that, there's nothing or NO-THING or LINEAR.

-1461-

Or so

419

\*Which is DNA, or the MANIFESTED matrix of All life, because All life proceeds in SPIRAL motion FROM the source\* back to the source. The SON returns home to the FATHER, AUM.

420

Behold the [now called] DNA-structure, Oh Lawoo.

\*Which is the EVER TO BE UNKNOWN.

-1462-

DNA is the visible evidence of cosmic LAW, which is: The pathway of the SPIRIT falling into matter and then returning back to the source [spiral motion].

DNA was COMMON knowledge millions and ALSO THOUSANDS of years ago. Now days they give NOBEL-AWARDS for knowledge, possessed not long ago by every child. When, Oh MAHACHOHAN will they throw their BOOKS AWAY and study ANCHASIC SCIENCE?!

- THE BOOK OF LIGHT will be the BOOK OF BOOKS, Oh Lawoo. But don't let AMBITION arouse in you, because of that.
- NEVER, Oh MAHACHOHAN, my DESIRE is ONLY for KNOWLEDGE.
- That is, why you can't be LIBERATED in this lifetime, Oh Lawoo. LIBERATED spirits do not write BOOKS, they INSPIRE others to write.
- Let me be a channel for your wisdom, Oh CHOHAN.

For a moment the ANGEL MELTED in me, not because I asked him to, or I claimed to be liberated but... because I OBEYED. OBEY, Oh nadev, and you are ALIVE for the FIRST time in your Life.

-1463-

Some of the [most holy] serpent-symbols use TWO centerlines in memory of the SONS OF WILL AND YOGA, the two-spined Androgynes, or the THIRD RACE, AUM. Behold the symbol leading the Androgyne human race BEFORE the FALL ...\*

421

But after the FALL, or the separation of sexes, the vices with ONE BACKBONE appeared and the centerline changed from TWO into ONE. Much later the SNAKE symbol degenerated into a scepter, symbolizing on top of the staff the open crown chakra of worldly leaders, after initiation by the priests. Later even THAT became just a force, and even KINGI had FORGOTTEN the true SIGNIFICANCE of their symbols of wisdom and power.

\*having partially survived in the DOLLAR SIGN TWO SPINES || and the DNA structure \$.

- 1464 -

422

- 1465 -

The straight line along which the SPIRIT fell [in spirals] into matter was called [much later] CADUCEUS, from the latin CADUCUS, which is: Falling. And so the CADUCEUS or "ROD OF CADUCEUS" became the symbol of science, but especially of HEALERS, or those, who practiced a medical profession, because this was [in those times] the ULTIMATE wisdom and KNOWLEDGE. But beware of sorcerers and black magicians! They try to lay their hands on EVERYTHING as it happened with the ROD OF CADUCEUS. And here is, how they did it, and it [the black magic] works until today and is THE worldly power.

The sorcerers\* encouraged by the GREED of people, created a vehicle for greed, with which you can get things without necessarily working for them. But FIRST they made others WANT these things, by planting THOUGHTS OF GREED into large groups of people. This happened during secret meetings in SUBTERRANEAN crypts. Many of those who nowadays work in advertisement and MEDIA, or any other successful

\* These meetings happen until today, thousands of unsuspecting people or this unscrupulous reiterations of ATLANTIS.

- 1466 -

businesses, or reincarnations of black magicians and sometimes STILL UNDER THE INFLUENCE [telepathic] of disembodied, but nevertheless very powerful, sorcerers. On a later occasion I will give a LIST of COMPANIES, which have either NAMES, based on black magic-power, or who MISUSE HOLY SACRED names [ANCIENT NAMES] for their businesses and companies and their LABELS.

Once the black magicians succeeded in making the people want things, which they did not NEED, they invented, or presented, the vehicle to them, with which they could HAVE those things, and this vehicle was MONEY.

The masses were taught how to work for their money. But the sorcerers THEMSELVES learned, how to make money WITHOUT working, or how to make others work for them.

To make it more interesting for the masses, they gave them the illusion, that they could become rich THEMSELVES. So they [the sorcerers] allowed and ALLOW some people to become millionaires and even BILLIONAIRES, in order to provoke the GREED of the masses. But from time to time they [the sorcerers] created and CREATE financial

- 1467 -

424

DISASTERS all over the world, so that every body, except THEMSELVES\* would lose all the money. Or: the loss of others made them rich.\*

Back to the SNAKE symbol. IT HAD TO BE MANIFESTED by the sorcerers on a vehicle now established. This vehicle was MONEY. Many tempt us to "fall" into matter or material world, or MATERIALITY and to stay THERE. So they REMOVED ONE serpent from the symbol. They removed the ASCENDING serpent from the CADUCEUS, so that there would be only SPIRIT descending into MATTER and REMAINING there. So:

\* the last great coup was landed by an oil company while intentionally spilling oil and thus making the OIL PRICE explode. So it was in the end THEM who made the profit, no matter how high the penalty for the spilling was. The name of the company is EXXON which is [once] holy name, derived from the Latin EXONERARE or: TO ABSOLVE. This word was spoken by priests AND INITIATES\* a few families, who have all the power.

-1468-

423

or so:

But the symbol had to be as PURE as possible, so they chose the TWO SPINED caduceus, representing the punst of the punst, the ANOMOGYNE race...

→ \*continued\*

billions of times after confession of sins.  
 "E SO TE ASSOLVO"  
 or "I free you from your sins. This is and was an EXONERATION.

The holiness and positive magic of this company label EXXON\* allowed them - literally - to get away with MURDER. But their luck will change AGAINST them and smash them, as it happens in the end with every BLACK MAGICIAN sooner or later.\*\*

\*It is, by the way, partly, the OIL COMPANIES financing confrontations like the Middle East Crisis, in order to push the OIL PRICE (and to sell weapons).  
 \*\* This whole OIL-SPILLING SCANDAL belongs to a secret OCCULT PRELIMINARY CEREMONY initiated by THE BILDERBERGERS.

BEFORE THE FALL. They added ONE \*spine\*. So:

This symbol has STRONG MAGIC over every body, looking at it, because it forces spirit to seek consciousness in MATERIAL WORLD...

- What can we do, oh MAHAACHAMAN? They have the power. They ARE the power!
- Fight them with their OWN weapons, oh LANOO. USE the money to GIVE. USE the money to HELP and not to manipulate. USE the money to spread the KNOWLEDGE, revealed in THE BOOK OF LIGHT. This way they shall be destroyed by their own symbols. BE PURE, BE SIMPLE, BE INNOCENT. AUM.

A great peace comes over me. I almost feel... com-

passion for the abusers of powers, the black magicians of nowa days. If they only KNEW. But they are IGNORANT. LOVE is the ONLY power worth possessing. AUM.

After having read so much about BLACK MAGIC, I suggest to the reader [and to myself] to be cleansed again by the highest MANTRA, THE BOOK OF LIGHT is a strong shield against any BLACK MAGIC, but THE BROTHERS OF DARKNESS are strong too. Lets fight them with the highest and PUREST MANTRA existing. Repeat with me, oh reader:

OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.  
 OM MANI PADME HUM. OM MANI PADME HUM.

MORE ABOUT THE SEVEN RAYS\*

The SEVEN RAYS are HIERARCHIES, which can literally be CALLED, or INVOCATED, by their COLOUR, or COLOURS. BEHOLD the HIERARCHIES, their colours and which colour caused what IN US, or which of the seven principles of THE HIERARCHY caused which principle in us.

THE FIRST RAY

belongs to the BLUE HIERARCHY. He or IT contains also all other colours of the 7fold spectrum, but BLUE is its DOMINANT POWER. Our FIRST PRINCIPLE or ATMA is caused by THE FIRST RAY, or by the BLUE HIERARCHY.

\* RED, ORANGE, YELLOW, GREEN, BLUE, VIOLET and INDIGO. All colours are experienced differently when not "seen" with our eye-sense perception, which are not their representatives or PATRARCHS but THE SEVEN RAYS themselves, PURE CONSCIOUSNESS. AUM.

The whole UNIVERSE with everything in it, be it GOD or MOUSE, evolved from THE ROOTSPART and then THROUGH THE SEVEN RAYS. That is how everything attained the characteristic of THE SEVEN RAYS. Called by "religion": The "seven angels at the Throne of God." ]

-1472-

THE BLUE HIERARCHY evolves BEINGS of SELF RULE AND SELF DEPENDENCE.

Our SPIRITUAL LOVE BODY, or BUDDHI, is brought forth by the SECOND RAY or THE YELLOW HIERARCHY.

534

The SECOND RAY causes LOVE AND WISDOM and consciousness through sympathy with other beings.

\*the colours are NOT arranged like shells but PENETRATE each other, from the highest to the lowest, but NEVER from the lowest to the highest.

-1473-

Our HIGHER MANAS [Mind] is caused by THE THIRD RAY or THE INDI GO HIERARCHY.

535

The THIRD RAY man is a philosopher and mostly interested in growth of CONSCIOUSNESS.

Our LOWER MANAS is, in its PURE ASPECT, caused by the Fourth RAY or THE GREEN HIERARCHY.

536

The Fourth RAY man is UNHAPPY, unless his IDEAS have manifested. He is often deluded by MĀYĀ.

-1474-

Our ASTRAL BODY is caused by THE FIFTH RAY or THE VIOLET HIERARCHY.

537

The FIFTH RAY man is Devotion and Faith.

Our PRĀNA, or LIFE POWER BODY, is caused by the SIXTH RAY or THE ORANGE HIERARCHY.

538

The SIXTH RAY is ALL DEVOTION. His skill is to express EVERYTHING through FEELING.

\* Ether Body.

-1475-

Our PHYSICAL BODY is caused by a KĀMA or DESIRE aspect at the reawakening of all UNIVERSAL LIFE or by THE SEVENTH RAY or THE RED HIERARCHY.

539

Devotion for PHYSICAL FORM is often found in the SEVENTH RAY man.

Each of the SEVEN RAYS is a cosmic CHAKRA, and each of these CHAKRAS is connected with one of our CHAKRAS. Each of us IS already a Hierarchy, though a still IMPERFECT one, and once our chakras turn into RAYS we shall become ourselves.

THE SEVEN RAYS.

There is a great danger in unveiling COMPLETELY the SECRET of THE SEVEN RAYS. Why? Because the knowledge about the UNDEVELOPED part of each of THE SEVEN RAYS [undeveloped of course only in

MAN] opens the door to BLACK MAGIC, and for ANY-  
BODY, who, because of his weak nature, takes advan-  
tage of it, simply by saying "so and so is a  
undeveloped 6th RAY MAN - all EMOTIONS, no brain;  
I shall approach and abuse him on THAT, name-  
ly the EMOTIONAL LEVEL, and by cutting off his  
common sense and taking him by the emotions, I  
can sell him ANYTHING. This was THE LONGEST  
sentence in THE BOOK OF LIGHT, but also one of  
the most important, because that is exact-  
ly how HITLER was able to get the masses,  
and how BELLETRON nowadays cons the masses:  
"JUST BELIEVE and don't ask, you don't need to  
know, who God is, WE ARE HIS MIDDLEMEN! Only  
through us you shall be saved. Give us your  
money, your family, your PENIS [in the case of cir-  
cumcision] and YOURSELF, and we shall see  
to it, that you come into HEAVEN. If not,  
HELL is waiting!" How SICK! How deep did religion  
fall! DEEPER EVEN THAN BLACKMAGIC! yes it  
is dangerous to unveil THE SECRET OF THE SEVEN  
RAYS. It is dangerous, but also NECESSARY, so that those  
can be warned, who otherwise would become an easy prey  
for the so-called LEADERS. You see, many  
leaders appear to you like FAILURES,  
and you might ask yourself, HOW could  
that guy have EVER become, for instance, PRESIDENT OF  
THE UNITED STATES? Well, let me tell you some-

thing. The leaders of this, and other coun-  
tries, might be weak and FAILURES,  
but there is ONE THING they always KNEW and  
KNOW about you, and that is: YOUR weakness.  
They know WHEN they can "get" you. And  
they get you! Therefore: Understand the SECRET  
OF THE SEVEN RAYS and stop being a victim.\*  
THE FINAL SECRET OF THE SEVEN RAYS  
AND THEIR INFLUENCE ON HUMAN NATURE.

THE FIRST RAY MAN\*\*

Developed.

540

SELF RULER, independent, intuitive, LIFE and THE WORLD  
are an ADVENTURE. THE WILL desires SELF, the HEART de-  
sires sensation of LIFE, the MIND sensation of THINGS.  
"Silent path". Politicians, leaders in GENERAL.

\* WARNING: Do not misuse that knowledge,  
or KARMA SHALL "PUNISH" YOU [And me, be-  
cause I revealed it to you..].

\*\* the same counts for 1-7th ray WOMAN.

UNDEVELOPED.

541

Feeling of SUPERIORITY. MORE interested in WHAT he is,  
rather than THAT he is. He tries HAND, fails and...  
is DEJECTED. He has great dreams, but thinks  
unconscious that he is not worthy achieving  
or realizing them. Most worldly leaders be-  
long to the UNDEVELOPED FIRST RAY CLASS.

THE SECOND RAY MAN  
DEVELOPED

542

Positive, loving, initiative. Sense of UNION and  
BROTHERHOOD. Seeker of CONSCIOUSNESS. ALTRUIST.  
Follows the KARMA PATH. "God alone knows" etc.  
Professions: teacher, professor, etc.

\* opposed to EGOTISM. UNSELFISH concern for others.

UNDEVELOPED

543

Thinks the world is not good enough for him. Judge-  
mental. Is doing good for the selfish enjoyment  
of it. When business man, cheats others, and believes,  
that everybody wants to cheat him. Tough mana-  
ger type. Prone to anger.

THE THIRD RAY MAN  
DEVELOPED.

544

Interested in things ONLY, when they enhance his  
consciousness. Seeks and FINDS happiness through  
UNDEVELOPMENT. THOUGHT POWER, seeks INFORMATION.  
Professions: philosopher, historian, etc.

\* that's ME! [or at least I'm getting there...]

- 1480 -

UNDEVELOPED

545

prone to fear. Knows EVERYTHING better. Misuses knowledge. In his worst aspect: BLACK MAGICIAN.

THE FOURTH RAY MAN  
DEVELOPED

546

LOVES HARMONY. Not materialistic and not MIND oriented. Seeks perfection between EXTROVERT and INTROVERT. FOURTH RAY is the SCALE, or midpoint, between the first and the last three RAYS, like we are now in THE FOURTH ROUND, or the round between the FIRST and the LAST three rounds in this MAN-VANTARA. AUM FOURTH RAY man seeks no Mâyâ

- 1481 -

no Giva, but IN BETWEEN. Professor, Philanthropist and PHILOSOPHER.

UNDEVELOPED

547

MOOD SWINGS. Highly emotional. Sometimes FORCES harmony. Feels only good when ACCEPTED. Tries to convince EVERYBODY to his [mostly self invented] philosophy. Religious fanatic, or fanatic per se.

THE FIFTH RAY MAN  
DEVELOPED

548

To be or not to be. Skill in thought. Puts his INTELLECT in service for a cause [Science, religion etc.]. Seeking for TRUTH, without questioning THE TRUTH itself. FAITH-ORIENTED.

\*Somebody who loves mankind.

- 1482 -

UNDEVELOPED

549

Prone to fear. Clings to a Theory. ONCE a BELIEVER, always a BELIEVER. He'd rather invent a new explanation in case of doubt, than change his BELIEF. Believes in a devil. Would even kill for his belief.

THE SIXTH RAY MAN  
DEVELOPED

550

Skill in FEELING, directed to things. Or: He will always tell you, how he FEELS about this and that, never how he THINKS about it. Enthusiasm for LOVE. GOOD SOLDIER or DEVOTEE. Life to him is a GIFT.

\*a perfect follower of phony preachers and gurus.

- 1483 -

UNDEVELOPED

551

Servile, creepy, opportunist, thinks HE is nothing WITHOUT the LEADER. NAZIS are undeveloped. SIX RAY people. Prone to anger and SELF-HATE. Masochist.

THE SEVENTH RAY MAN  
DEVELOPED

552

Skilled in arts. Sees the beauty in EVERYTHING. Art is for him but a COPY of nature. He just "writes it down", as BEETHOVEN used to say. Sees colours and hears music where others don't see and hear ANY THING. Co-worker with GOD. Professions: sculptor, musical conductor, singer etc.

\*Caused by wizard, often by a mother, who hates her [still unborn] baby.  
\*already obsessed by demonic entities.
