

and SEVENTH PLANE with their SIXTH and SEVENTH GROUP of CELESTIAL BEINGS, partaking of, or representing, THE LOWER QUALITIES IN MAN. HERE we see CONSCIOUS, ETHEREAL ENTITIES [groups and side groups]. They vary from formless [ethereal] to ATOMIC, but still invisible, organisms. They are the SPIRITS of the ATOMS, OR: THE FIRST STEP BACKWARDS FROM A PHYSICAL ATOM. They are, as BLAVATSKY has it: "Sentient if not INTELLIGENT CREATURES." And they all have KARMA to outlive. The next page shall reveal to us THE WONDER OF WONDERS, namely the COSMIC CONDITION FOR the LATE appearance of MAN, the UNIVERSAL MATRIX of the PROCESS of how to build MAN, the HIGHEST SEVENFOLDED STRUCTURE IN THE UNIVERSE. It is a COSMIC TRAUMA, that LATER the POWERS or ANGELS were NOT ABLE to obey the call of KARMA and to "create" sevenfolded MAN, as it was shown to them THEN, THILLIONS OF YEARS AGO, by those GROUPS or CLASSES of CELESTIAL BEINGS, from whom they THEMSELVES later descended, destined to REcreate MAN especially in the 1800th embodiment of OUR EARTH CHAIN. And see how they failed...

* This is a hint towards the fact, that if you influence the Spirit of an ATOM, you influence the ATOM. But enough said...

* all these beings of "Gods" exist and are as REAL as anything else, but also as TEMPORARY as anything else (visible or invisible). St. Paul writes about them in 1 Cor. VII, 5: "For though there be that are called Gods, whether in heaven or in earth, as there be gods many and lords many." [See bottom of next page - commentary of St. Chrysostom].

Secret Commentaries: "... All sentient complete beings [Men or HIGHER than Men] are furnished, in their [relative] beginning [or at each reawakening of all Universal Life], with forms and organisms in full harmony with the nature and state of the sphere they inhabit."

Behold, THE SEVEN GROUPS OF CELESTIAL BEINGS "creating" OYE, BEING, MAN from his HIGHEST SPIRIT to his LOWEST PHYSICAL BODY. But here is wisdom: IT IS THE FIVE MIDDLE HUMAN PRINCIPLES [in us] or BUDDHI, MANAS, KAMA, PRANA, LINGA, which ARE IN FACT [Spiritual, Mind, Animal, Ethereal, Astral] THESE FIVE GROUPS OR DHYANIS. St. Chrysostom comments St. Paul's Epistles: "And though there are [in fact] they who are called gods... - for it seems, there are really SEVERAL GODS-withal, and for all that, the God-principle... THUS SPOKE THE OLD INITIATES ALSO KNOWING THAT THE WORSHIP OF MINOR GODS COULD ->

Those who have ears to hear and eyes to see, must FEEL THE POWER OF WISDOM AND KNOWLEDGE revealed to you in THE BOOK OF LIGHT. Why? Because I just revealed to you the SECRET OF THE FIVE POINTED STAR. YOU ARE FIVE, OH LANOO, BECAUSE ATMAN, OR THE DIVINE WAY, proceeds from THE ONE, and your PHYSICAL BODY is more or less a result or EFFECT of its CAUSE, namely of THE ASTRAL-BODY, which is the reason why the ASTRAL BODY is called LINGA-SAKSHA which is SANSKRIT and means MODEL-BODY, or WASTE AWAY MODEL, or MODEL THAT IS IMPERMANENT [though it lasts MUCH LONGER, than the PHYSICAL and the ETHEREAL BODY]. FIVE: or 1. SPIRIT/SOUL 2. MIND 3. ANIMAL SOUL 4. ETHER BODY 5. ASTRAL, THAT IS WHAT WE ARE and YES, when you wear the FIVE POINTED STAR, which is the SYMBOL OF WHAT YOU ARE, THEN YOU CAN PROTECT YOURSELF. And what is THE SIX POINTED STAR with the CENTER POINT in it? THE SIX POINTED STAR, OR DOUBLE TRIANGLE, with the CENTER POINT, IS SEVEN FOLDED MAN and the CENTER POINT denotes ATMA - THE HIGHEST. Yet I say: You need not to wear ANY OF THESE SYMBOLS in order to PROTECT YOURSELF against EVIL. All you need is: BE PURE, SIMPLE and INNOCENT and STUDY THE BOOK OF LIGHT and IMMORTALITY IS YOURS. Oh Lanoo, one day we [the principles in us] shall return to THE HIERARCHY OF CREATIVE POWERS. The son returns to the Father, AUM.

→ NEVER AFFECT THE "GOD-PRINCIPLE". [This definition is approved by Rome].

Now you know it, Oh Lanoo. WE are not only CREATED by these CELESTIAL BEINGS, we ARE them, because connected with them throughout ONE MAHA MAHA MAN VANTANA or 311.040.000.000.000 years. And one day we shall return to them, and they [with us] shall be reunited in BRAHMAN. AUM. And who created the CELESTIAL BEINGS? Nobody. They were always there, self-contained in UNIVERSAL MIND, reawakened and re-manifesting at each new dawn of a period of GREAT COSMIC ACTIVITY.

THE UNVEILED SECRET [one leaf] OF THE FIVE POINTED STAR AND ITS RELATION TO THE FIVE DHYANI CHOWANS, also called THE SEPULCHRAL CHOWANS, which are... WE, AUM. [see next page]

* "... All sentient complete beings [including MAN] are furnished, in their beginnings, with forms and organisms in full harmony with the nature and state of the sphere they inhabit. [Secret comment]. * our LOWER PRINCIPLES.

From now on Man has again the POTENTIALITY of all the SEVEN PRINCIPLES or... 90. a Germ in himself. *Master KH.

99 * They [THE FIVE] are called THE SIXFOLD, because their "BODIES" contain, or are built of, SIX SPIRITUAL ELEMENTS. They are MEN MINUS THE PHYSICAL BODY. Behold, on LANOO, the SIX POINTED STAR with the SEVENTH, the CENTER POINT and its TRUE SIGNIFICANCE and MANIFESTATION through THE SEVEN CELESTIAL BEINGS and... US.

But we can also say and there is no contradiction: "Saturn, Jupiter, Mercury and Venus furnished our Humanity with outwards AND inwards characteristics, and the REGENTS or PLANETARIES or SPIRITS of these planets gave us our MONADS AND SPIRITUAL FACULTIES." AUM.

* And THEY TOO have to reincarnate again and again. In WHOM? IN US! ** and three others revealed in THE BOOK OF LIGHT. All these heavenly bodies were in direct astral and psychic communication with EARTH and ITS spiritual rulers. [morally and physically].

THE SAME PROCESS INFLUENCED BY CENTRAL, POLAR, EQUATORIAL AND VISIBLE SUN.

Step 1.) The Highest principle passes at the reawakening of all Universal Life THROUGH the CENTRAL SUN and the POLAR SUN. These two SUNS radiate on [later] Man his ÂTMÂ [Spirit].

Step 2.) When THE HIGHEST (or 7th) principle, reaches the EQUATORIAL SUN, BUDDHI is welded to ÂTMÂ and HIGHER MIND or MANAS to both. ÂTMÂ-BUDDHI-MANAS or SPIRIT-SOUL-MIND. AUM to the TRINITY in everything.

Step 3.) The 7th principle reaches THE VISIBLE SUN, rotating in the Material Centre of the Universe. That causes LOWER MIND or MANAS and also its VEHICLE, which is DESIRE or KÂMA or KÂMA-RÛPA [Desire-Form]. LATER this KÂMA-RÛPA evolves INDIVIDUALIZED CONSCIOUSNESS, or THE PERSONAL EGO in Man. Astral, Etheric and Physical Body are supplied by THE SPIRIT OF THE EARTH. AUM.

The importance of MIND, or MANAS in us is witnessed on the next side. These words have to stand alone because of the INTENSE PURITY they radiate, quoted from THE BOOK OF ORVAN.

* Better: The Spirit of the Earth builds the PHYSICAL BODY, which attracts the SPIRITS OF LIFE, forming the ASTRO-ETHERIC BODY.

* From where? - Do not ask, oh Lanoo.

-90b-

'FIRST, THE BREATH, THEN BUDDHI, AND THE SHADOW-SON [the Body] WERE CREATED. BUT WHERE WAS THE PIVOT [the middle principle Manas]? MAN IS DOOMED. Important!: Not all hierarchies of the creative forces, emanating forth from BRAHMAN AND THE SEVEN RAYS, have FORM. Some, for instance THE LOWEST ELEMENTALS** [native forces], have NO FORM of their own, but ASSUME every FORM according to the surrounding conditions.

** not to be confused with ELEMENTARIES, which are so called astral SHELLS, or Astral residues of man after death. These astral shells, or ELEMENTARIES vibrate in the earth's atmosphere filled with Ether, shells) move brutal instincts and for a certain period fully alive. * Carrier

CYCLES.

COSMOS and everything in it is entangled in a net of CYCLES. Every SECOND of our LIFE is under THE LAW of these CYCLES. These cycles are also called KALPAS.

311,040,000,000,000 terrestrial years are one MAHA-KALPA or GREAT CYCLE, or also 100 years of BRAHMA. After that GREAT KALPA there is a PERIOD of REST of same length. These 100 years of BRAHMA are divided in "DAYS" and "NIGHTS" or periods of ACTIVITY and periods of REST, or into MANVANTARA and PRALAYA.

Before I present these cycles in detail, we have to understand what a YUGA is.

A YUGA is also a period of time!

There are FOUR GREAT YUGAS or periods of evolution. The FIRST period of evolution lasts 1,728,000 years and is the "age of PURITY and INNOCENCE, or SATYA-YUGA [or KRITA-YUGA]. The SECOND period of evolution is called the age of $\frac{3}{4}$ of THE TRUTH or TRETAYUGA, from TRETAYUGA [three], and lasts 1,296,000 years. The THIRD period of evolution, through which each

* SATYA IS TRUTH.

* KALPA and YUGA are Sanskrit terms. KALPA - from kalyap - to be in order. YUGA - from yuj - to unite.

race has to go is the DWAPARA YUGA or age of $\frac{2}{4}$ of the TRUTH. DWAPARA YUGA lasts 864,000 years. The last and FOURTH period of evolution is called KALI-YUGA, or AGE OF DARKNESS, because of its inherent MATERIALITY, causing SELFISHNESS, ANGER and INDIFFERENCE in MEN'S HEARTS. WE are now [as FIFTH ROOT-RACE] in KALI YUGA, which began in the year 3102 B.C. between February 17th and 18th. Each KALI YUGA lasts for 432,000 terrestrial years.

These periods of evolution repeat themselves in even ONE lifetime of a physical human being. When you are a baby, you are in your SATYA-YUGA [or KRITA-YUGA] or AGE of INNOCENCE. As a teenager you are in your TRETAYUGA, or $\frac{3}{4}$ of THE TRUTH, because more entangled in MATERIAL WORLD and FARTHER away from THE TRUTH [which is SPIRITUAL]. When a MATURE MAN or WOMAN, you are in your DWAPARA-YUGA or $\frac{2}{4}$ of THE TRUTH, and when you become old you enter KALI-YUGA or $\frac{1}{4}$ of THE TRUTH.

BUT: EACH YUGA is divided ITSELF into FOUR YUGAS. So each YUGA has ITSELF its periods of $\frac{3}{4}$, $\frac{2}{4}$, $\frac{1}{4}$ and $\frac{1}{4}$ of THE TRUTH. So let us make the best of the remaining 426,909 years of KALI YUGA yet to come. In the following com-

putations we count 360 days for ONE year, and not 365 days. Why? study THE BOOK OF LIGHT, and you shall understand.

	YEARS
360 days	- 1
KRITA-YUGA	- 1,728,000
TRETA-YUGA	- 1,296,000
DWAPARA-YUGA	- 864,000
KALI-YUGA	- 432,000
TOTAL	- 4,320,000

71 such periods per 4,320,000 years are contained in the signing period of ONE collective HUMANITY or IMANU* which equals 306,120,000

14 MANUS equal 994 periods of 4,320,000 years or: 4,294,080,000 BETWEEN the MANUS or BETWEEN the appearance

* See MANU.

and disappearance of these root spirits, containing all spirits of the to be REINCARNATED RACE or HUMANITY, there are periods of DAWNS and TWILIGHTS as there are dawns and twilight at the beginning and end of each TERRESTRIAL day. BUT THESE intervals between the reign of each MANU last longer, namely as long as [altogether] the period of SIX GREAT YUGAS per 4,320,000 years or..... 25,920,000 The TOTAL of all these YUGAS and GREAT YUGAS amounts to exactly... 4,320,000,000

terrestrial years take these FIRST THREE numbers. So: 4 3 2 and add 1 then you receive 4 3 2 1 which is PRECISELY the RATIO of Salva to Treta to Dvapara to Kali yuga or

or MAHĀ-YUGAS.

KRITA to TRETĀ to DWĀPĀRA to KALĪ YUGĀ or 1,728,000 : 1,296,000 : 864,000 : 432,000 equals 4 : 3 : 2 : 1. ADD these FOUR NUMBERS and you shall receive 4+3+2+1 or 10. AUM to TEN, manifestation of COSMIC VIBRANCY, or the FEMALE in everything. 4,320,000,000 years are ONE DAY OF BRAHMĀ.

A cosmic night of same length follows, which equals..... 8,640,000,000 years And since ONE year of BRAHMĀ equals 360 of such cosmic days and nights, ONE year of BRAHMĀ equals 3,110,400,000,000 years BRAHMĀ lives for 100 COSMIC years or 311,040,000,000,000 terrestrial years.

*A woman has TEN OPENINGS.

This is also called a MAHĀ-KALPA, or MAHĀ-MAHĀ-MANVANTARA. AUM to WISDOM AND KNOWLEDGE. We can see in this computation clearly, why and how the BIBLE was copied from the HINDŪ scriptures. The years of BRAHMĀ became so to speak terrestrial years or were [intentionally] misunderstood as such, and when GOD created in SEVEN DAYS, not OUR DAYS are meant, but if ANYTHING, DAYS of BRAHMĀ. Read the VEDAS, and you shall find EVERYTHING in it, which is written in the BIBLE, including a CRUCIFIED whose name is WITTOIBA, which is simply the IMAGE of the crucified KRISHNĀ, or SPIRIT CRUCIFIED IN MATTER. But the VEDAS and the CEYLONESE scriptures, and the ORIGINAL KANĀLA and all other ancient sacred scriptures of ALL NATIONS are MUCH older than the BIBLE, and yet they tell [in a less distorted way] the same stories, which are merely MILLIONS and BILLIONS of years of COSMIC and HUMAN HISTORY. That takes care of, which is the COPY and which the ORIGINAL...

and the symbolic crucifixion of an INITIATE turned into a REAL CRUCIFIXION. KRISHNĀ, or KRĪSNĀ, from whence later the GREEK CHRISTOS and the THE CHRIST

How does BRAHMAN emanate THE SEVEN RAYS? BRAHMAN utters THE WORD, which results in THE UNIVERSE. Then BRAHMAN utters SEVEN WORDS, which result in THE SEVEN RAYS. Then each of THE SEVEN RAYS utters ITS word, thus emanating other SEVENFOLDED sets of rays. Each of these SEVENFOLDED emanations pass on THE WORD, thus attracting matter on its level, around itself, thus forming a sphere or globe [which later becomes a material planet]. It is THE WORD, uttered by THE SPIRIT, oh LANOO, which has the power to move mountains or even to build a planet, aye, a UNIVERSE, IF the WORD is proper "spoken". MORE THAN 250,000,000,000 YEARS AGO AUM to the birth of our SOLAR SYSTEM.

This happens following the same Law as 155,522,169,000,000 years ago at the reawakening of all Universal life, just "smaller." This Solar system shall last for 49 Earth Rounds included the periods of inter chain pralayas, or for a total of 423,360,000,000 years. This is the second Solar system concerning a periodical 3 step evolution. In this second Solar system there are [or shall be] two dominant evolutions. One is the human evolution, the other the Deva evolution. About 60 billion HUMAN Monads and 140 billion Deva monads are waiting to descend onto all chains. The Deva-evolution is also called the FEMININE evolution, which simply means that the Feminine or Śakti aspect is very dominant in our Solar system, which is why it can be called a FEMININE SYSTEM. By feminine system I mean that the SECOND manifestation of the Logos, or LOVE and WISDOM, is dominant in our Solar system. It shall manifest itself through the human heart, circulatory system and nervous

*If the numbers seem to differ in other esoteric scriptures and even in the Book of Light itself it is because an angel is mostly also a HOST of Monads. This number is given by the Master Djwhal Khul.

system. The race shall learn through suffering. AUM.

The Solar system prior to this one^{*} was MASCULINE in its main aspect and represented and manifested the First aspect of the Logos, which is WILL or POWER. This aspect is channelled through the organs of respiration. Another expression of the 1, aspect [in the former Solar system] was the faculty of sleep. The Solar system to come, after this one has died which shall be in about 423,360 billion years [from when it was born], shall be dominantly HERMAPHRODITIC. In that third Solar system to come there shall be 300 billion Monads [human and Devas] who are required for the perfection of the third aspect of the threefold Logos AUM. The third aspect shall manifest primarily through the organs of assimilation and elimination. All this happens of course also right here and now [20th century] but in a different order of manifestation. Oh Lanoo, you learn through God and God leaves through you. AUM.

* it consisted of 100 billion monads.

More than 220 billion years ago The birth of our Solar system.

Which are the planets of our SOLAR SYSTEM? The answer to that question has FIRST to be: "Which SOLAR SYSTEM do you mean?" "OUR" Solar system? Science [ORTHODOX science] defines our SOLAR SYSTEM as consisting of MERCURY, VENUS, EARTH, MARS, JUPITER, SATURN, URANUS, NEPTUNE, PLUTO and THE MOON. We disagree, though all these planets are more or less influenced by a CENTRAL STAR called SUN. Since there is more than just a PHYSICAL interaction between the SUN of a Solar system and her planets we deal with TWO kinds of Solar systems: An EXOTERIC [outer] and an ESOTERIC [inner, hidden] Solar system. It shall be up to the student and his ability and WILLINGNESS to question OLD theories and take into consideration OLDER ONES, to FULLY understand the difference between an EXOTERIC and ESOTERIC SOLAR SYSTEM. A hint: EXOTERIC SOLAR SYSTEM: VENUS, MARS, * namely ANCIENT WISDOM AND KNOWLEDGE.

JUPITER, SATURN, MERCURY, EARTH and a SEVENTH planet, whose identity shall be revealed later by the reader himself once he arrives at THE SEVEN SACRED PLANETS.

In a few pages from here I use the enumeration of VENUS, MARS, JUPITER, SATURN, MERCURY, MOON AND EARTH, just to demonstrate how they now influence the DE- and REincarnation process. AUM.

And there is even ANOTHER SOLAR SYSTEM, which we still and foremost can call OUR SOLAR SYSTEM and that is THE ESOTERIC SOLAR SYSTEM, mentioned earlier. Thus on Lanoo, there are [as always] THREE IN ONE, and only he who DIVES DEEP INTO THE BOOK OF LIGHT shall REASCEND TO THE SURFACE, LIFTED and carried by ESOTERIC SCIENCE. THEN he shall understand that SEEMINGLY contradictions will turn into CORROBORATIONS, and he will not fall into the same traps, for instance, the Theosophist A. P. Sinnett, who questioned ESOTERIC DOCTRINE because of LACK OF KNOWLEDGE.

*The Earth and the Moon do not belong to the SEVEN SACRED PLANETS.

ELUCIDATION OF THE COSMIC FORMULA and THE ESOTERIC SOLAR SYSTEM

Lifetime of our UNIVERSE: 311,040,000,000,000 terrestrial years, or 100 years of BRAHMĀ, or 36,000 embodiments [planetary chains], or 252,000 rounds [7 per chain or embodiment].

Each embodiment [7 rounds] lasts for 4,320,000,000 terrestrial years, or 7 rounds on ONE CHAIN. These 4,320,000,000 years or 7 rounds are also called: ONE DAY OF BRAHMĀ. ONE YEAR OF BRAHMĀ equals 360 days, HUNDRED YEARS OF BRAHMĀ are 36,000 days [COSMIC days], or also 36,000 EMBODIMENTS of a planetary chain. These 36,000 embodiments, 4,320,000,000 terrestrial years for each, last for 311,040,000,000,000 years. Why then is 4,320,000,000 x 36,000 only THE HALF of 311,040,000,000,000 years?

Because of the NIGHTS of BRAHMĀ. Between each embodiment or DAY of BRAHMĀ, lasting 4,320,000,000 years, there is a DISSOLUTION, or DISSOLUTION, or PRALAYA, of the CHAIN for the SAME amount of years, namely 4,320,000,000 years.

Therefore: A year of BRAHMĀ consists of 360 days AND nights. ONE day and ONE night are 4,320,000,000 years.

*** Why not REINCARNATIONS, since planets are bodies of spirits? - Because REINCARNATION means RE-EMFLESHMENT, and planets are not made of flesh. Therefore EMBODIMENT is the more correct term.

* BRAHMĀ is simply BYAHMAN male-female, which emerges AFTER ISHAHMAN NEUTER.

** If we count from the "ANCESTOR" of our Earth-chain.

PLUS 4,320,000,000, or: 8,640,000,000 terrestrial years. Multiply that by 360 and you shall receive ONE YEAR OF BRAHMĀ, or 3,110,400,000,000,000 terrestrial years. HUNDRED years of BRAHMĀ are then 311,040,000,000,000 years, or TERRESTRIAL years, or ONE MAHĀ-MAHĀ MANVANTARA.

155,522,168,000,000 years have passed since the awakening of our UNIVERSE [BRAHMAN] out of the EVER TO BE UNKNOWN.

IN 155,517,831,000,000 y. from now everything shall be again in COSMIC PRALAYA for 311,040,000,000,000 years. We could also say, that the UNIVERSE now known 12600 1/2 rounds of our EARTH CHAIN AGO, and that EVERYTHING shall remerge again in 12500 1/2 rounds** from now into the EVER TO BE UNKNOWN.

THE MOON emerged 10,809,000,000 years ago out of HER previous chain [this chain having no D globe]. WE and OUR EARTH [chain] emanated out of the MOON and her chain about

2,168,000,000 years ago, and I mean here TERRESTRIAL years and NO YEARS OF BRAHMĀ, because: 1 year of BRAHMĀ equals 3,110,400,000,000 terrestrial years, and we can see clearly that 4,320,000,000 terrestrial years consist ONE DAY OF BRAHMĀ. In 2,154,000,000 from now our planet shall become the MOON of a new "EARTH"***

*** after 4,110,000,000 more years of pralaya.

* AND 9,000,000 years.

** Because 36,000 EMBODIMENTS during 311,040,000,000,000 years equal 252,000 ROUNDS PER MAHĀ-MAHĀ MANVANTARA.

OUR ESOTERIC SOLAR SYSTEM.

OUR ESOTERIC SOLAR SYSTEM CONSISTS OF SEVEN PLANETS, revolving around THE SUN. The planets are A, B, MARS, EARTH, MERCURY, Y and Z. Each of those planets is SEVENFOLDED or a SEVENFOLDED CHAIN OF ITS OWN. MARS and MERCURY are, like OUR EARTH, the D globes of their chains.*

102

The globes A, B, Y and Z are INVISIBLE.**

** See comment to the globes A, B, Y and Z of the SOLAR SYSTEM CHAIN.

* Can you imagine? Mr. Sinnett, although per letter instructed by THE MASTERS and PERSONALLY by DEVAATSKY about chains and rounds, taught FOR YEARS that MARS and MERCURY form part of OUR EARTH'S SEPTENARY CHAIN! [more about that later].

Without going into many details and stressing a knowledge or source of information, which surpasses also MINE, let me describe to you the COSMIC formation of our ESOTERIC SOLAR SYSTEM. SEVEN TIMES the GREAT LIFE WAVE [Almost endless many MONADS] have to turn around the SOLAR CHAIN or better around the GREAT PLANETARY CHAIN OF OUR SOLAR SYSTEM from GLOBE A, B, MARS, EARTH, MERCURY, and Y to GLOBE Z. During each of these GREAT ROUNDS the MONADS descend SEVEN TIMES on each of the INNER RINGS or SEPTENARY CHAINS of the planets A, B, MARS, EARTH, MERCURY, Y and Z. After 7 GREAT ROUNDS around the planetary ring of our ESOTERIC SOLAR SYSTEM or 7x7 rounds on EACH OF THE PLANETARY CHAINS, or INNER RINGS, of the planets A, B, MARS, EARTH, MERCURY, Y and Z, our ESOTERIC SOLAR SYSTEM falls INTO A SOLAR MANVANTARA, after WHICH a NEW SOLAR SYSTEM CHAIN evolves, and so forth. Time period of one SOLAR MANVANTARA: 7 times 7 planetary rounds for instance, or 7x 4,320,000,000 years. The GREAT LIFE WAVE has passed a bit more than THREE AND A HALF TIMES around THE GREAT CHAIN, and analogically THREE AND A HALF TIMES and a couple of million years more around, and on, our EARTH CHAIN, which does not necessarily include, that the other planets are in the FOURTH ROUND too, because they are NOT.

or better: on their chains for instance the EARTH CHAIN shall exist for 7x7 rounds (times when planet Earth becomes in about 2,1 rounds from now [plus 4,320,000,000 years pralaya] the moon of a new chain, we could still call it generally for the total of seven chain periods: THE EARTH CHAIN. The same with Mars, Mercury etc.
 ** including the same period of time for INTER PLANETARY PRALAYAS.

Or to make it clearer: As planetary chains, belonging to our ESOTERIC SOLAR SYSTEM or A, B, MARS, EARTH, MERCURY, Y and Z, all these chains ARE in the GREAT FOURTH ROUND BUILDING THE CHAIN OF OUR ESOTERIC SOLAR SYSTEM, but as to their own planetary position in their own SEVEN FOLDED chain structure they are NOT in the FOURTH ROUND but in different rounds. Since there is, even among THEOSOPHISTS, sometimes unclarity about CHAINS, ROUNDS and the position of planets in a CHAIN, let us INTENSIFY the DOCTRINE. During the time in which our humanity NOW is living on EARTH, SEVEN GREAT ROOTRACES appear, each of which contain, or emanate, into SEVEN SUBRACES and SUB-SUBRACES [See National and Family races, etc.]. We could call the time period of all races on EARTH a WORLD PERIOD, or SEVEN ROUNDS or 4,320,000,000 years. After this period the LIFE WAVE [MONADS] leaves our planet EARTH to ANOTHER GLOBE. There too the DEVELOPMENT of the SEVEN ROOT- and SUBRACES happens via civilization- and culture epochs. THEN the LIFE WAVE passes to ANOTHER globe, and so forth. OUR LIFE WAVE requires for ITS experience SEVEN PLANETS or: OUR ESOTERIC SOLAR SYSTEM THREE planets of this ESOTERIC SOLAR SYSTEM are PHYSICAL, namely: EARTH, MARS, MERCURY- and

* which INCLUDES the 7 sacred planets. * These 7 sacred planets are intentionally somehow hidden in THE BOOK OF LIGHT and have now become in christianity The 7 eyes of the Lord! better: Their RULERS.

Four are INVISIBLE. They too have their chains and orbits, etc., but are consisted of ASTRAL and LOW MENTAL substances. EARTH, MARS and MERCURY have, like every HUMAN being, SEVEN VEHICLES OF CONSCIOUSNESS.

At present the LIFE WAVE [MONADS], or WE, works on EARTH, represented now by THE THIRD, FOURTH and FIFTH ROOTRACE [the first two RACES having had but ETHERAL BODIES]. When the SEVENTH SUBRACE of our SEVENTH ROOTRACE has done its work, the LIFE WAVE ascends [after PRALAYA-NIVAN] to the planet MERCURY, THEN to planet F, who consists of ASTRAL-MATTER and to planet G who is made of LOWER MENTAL MATTER. There, on G, evolution happens ONLY on THE MENTAL LEVEL. Then the LIFE WAVE goes to planet A, and the NEXT GREAT ROUND BEGINS, descending from there onto B [ASTRAL], then MARS [chain], EARTH [chain], MERCURY [chain], Y and Z, and so forth SEVEN TIMES. After that: DEATH OF THE SOLAR SYSTEM. The word CHAIN after MARS, EARTH and MERCURY is very important because now* the names MARS, EARTH and MERCURY are only used to give a NAME to their

* meaning when our SOLAR SYSTEM DIES.

chains! The planets as such do not exist any more, other than as MOONS and DYING, or ETHERALIZED, MOONS. So you see that THE LIFE WAVE begins its work on planet A of the ESOTERIC SOLAR SYSTEM, to globe B, MARS, EARTH, MERCURY, Y and Z. This happens SEVEN TIMES, but in this MAHMANVANTARA we have experienced a bit more than 3 1/2 times, or GREAT ROUNDS, on the chain of our ESOTERIC SOLAR SYSTEM as well as on our INDIVIDUAL EARTH CHAIN. Or: our present LIFE WAVE began EONS ago on planet A of our ESOTERIC SOLAR SYSTEM in the FIRST ROUND, and has absolved already THREE ROUNDS, and is now in the FOURTH ROUND. AUM.

At the END of the chain of our SEVENTH ROUND on the EARTH CHAIN, the majority of mankind shall have become ADEPTS, animals shall be MAN, and PLANTS shall be ANIMALS. The EXACT explanation and succession of this meta-physical progress shall be described in DETAIL throughout THE BOOK OF LIGHT. OUR chain, the EARTH CHAIN, began in, or DURING, the FIRST ROUND on planet A with ALL SEVEN KINGDOMS. These kingdoms had acquired their development on the chain PRIOR to the EARTH CHAIN, namely on THE MOON CHAIN.

* about 3 1/2 more rounds until SOLAR PRALAYA ** meaning animals and plants of now.

This MOON CHAIN was the THIRD chain in the SEVEN CHAINED RING, of which our EARTH-CHAIN is the FOURTH CHAIN. Thus there is yet the FIFTH, SIXTH and SEVENTH CHAIN to come, until our SOLAR SYSTEM "DIES". When our EARTH planet is in its SEVENTH ROUND it shall project its LIFE POWER into a NEW LAYA, around which [amongst others] shall be attracted ASTEROIDS, now drifting between MARS and JUPITER. VULKAN, JUPITER, SATURN and URANUS are in their THIRD CHAIN, which means, that they all have FOUR MORE CHAINS TO COME until THEIR Solar pralaya appears. VENUS is in her FIFTH CHAIN. In our THIRD ROOTRACE VENUS DELEGATIONS FOUNDED THE HIERARCHY OF OUR ADEPTS. The inhabitants of VENUS have ETHEREAL BODIES AS LOWEST VEHICLES. The SEVEN CHAINS of our ESOTERIC SOLAR SYSTEM are presided by SEVEN MAHACHOHANS, OR LOGOL, OR PLANETARIES, OR ARCHANGELS, OR "SEVEN ANGELS AT THE THRONE OF GOD. AUM.

AUM to the EARTH, Fourth in its chain, but also FOURTH CHAIN- and FOURTH CHAIN of, or in, THE ESOTERIC SOLAR SYSTEM.

But the EMOODIMENTS of the EARTH CHAIN (total 36,000) continue, as the BOOK OF LIGHT teaches.

NEPTUNE AND THE UNIVERSAL SOLAR SYSTEM.

The, or OUR, Universal Solar system is not the system of the whole Universe, revolving around ONE SUN. by OUR UNIVERSAL SOLAR SYSTEM I mean the Solar system, containing ALL planets visible AND invisible, rotating around OUR SUN. ESOTERIC and EXOTERIC Solar system are PARTS of this OUR UNIVERSAL SOLAR SYSTEM, which contains 49 minor LOGOL or PLANETARIES [spiritual rulers over physical planets]. But the SACRED SEVEN PLANETS belong to our ESOTERIC SOLAR SYSTEM. Here now the VISIBLE planets, belonging to our UNIVERSAL Solar system: MERCURY, VENUS, MARS, JUPITER, SATURN, URANUS, NEPTUNE.

- why does the ANCIENT teaching EXCLUDE Neptune?

- Because Neptune was not ALWAYS a member of the family of our UNIVERSAL SOLAR SYSTEM. Further more: Neptune does not belong to OUR [Exoteric] Solar system. Here now the explanation:

NEPTUNE, THE COSMIC ELECTRON.

We all live in or on a huge cosmic Atom with THE SUN as its NUCLEUS. Neptune does not even belong to the ESOTERIC SOLAR SYSTEM [7 sacred planets: Moon, Mercury, Venus, Sun, Mars, Jupiter, Saturn]. OUR BLOOD STREAM is governed by NEPTUNE.

NUCLEUS, The planets of our Solar system are the ELECTRONS of [or surrounding] this Atom. Thus we can say, that we live on an Electron called EARTH of a COSMIC ATOM called SOLAR SYSTEM. More exact: The planets of our Solar system [exoteric, Esoteric AND Universal] visible AND invisible, are the ELECTRONS surrounding a NUCLEUS called SUN. This example has to be taken LITERALLY. The atoms of physical matter [including of our bodies] are nothing but COPIES of a COSMIC ATOM called SOLAR SYSTEM. Better: THEY, the atoms of our physical world, copy THE SOLAR SYSTEM. The Great copies the Small. AUM.

ATOMS ARE HUNGRY FOR ELECTRONS [see NEGATIVE IONIZATION, vol IX, p. 2665, Book of Light] and SUNS [or Solar systems] are HUNGRY for new planets, trying to capture them whenever they come too close to the domain of a Solar system.

In past aeons of time NEPTUNE approached [when still in a COMETARY STATE] our UNIVERSAL SOLAR SYSTEM, came too close and was CAPTURED, settled into an orbit around THE SUN and became a planetary member of our UNIVERSAL SOLAR SYSTEM. But Neptune is, strictly spoken, not a member of OUR So-

lar system. Now we also understand why it just SEEMS to us that some of the planets have several "moons", although THE BOOK OF LIGHT teaches that each planet has only ONE moon. The other "moons" of, for instance, Mars [2], Saturn [9], Jupiter [9], etc. are but mere CAPTURES or CAPTURED SATELLITES. AUM to wisdom and knowledge.

BUT:

The TRUE reason why planets are captured by solar systems, like electrons by an ATOM is ESOTERIC or HIDDEN and has nothing to do with "Gravity" etc. Therefore: The real cause for these cosmic phenomena, so misunderstood by orthodox science is hidden throughout THE BOOK OF LIGHT, revealing the true nature of the spirits ruling THESE PLANETS AND THEIR RELATIONSHIPS TO EACH OTHER. There is a whole HIERARCHY up there and "down here", spiritual mental and astral powers [entities] far beyond our comprehension. THEIR correspondence and relation to each other results in what we achieve down here as births and deaths of suns, stars, planets, solar systems, galaxies, etc. Without knowing more about the TRUE NATURE of these SPIRITUAL POWERS and their physical bodies [suns, stars, planets, solar systems, galaxies, etc.] we shall

*The more planets [Electrons] captured by a solar system [cosmic atom] the better for that cosmic atom or all the other cosmic atoms [or solar systems] building THE BODY OF A COSMIC BEING [Christ]. Thus we all live on atoms and electrons building THE BODY OF CHRIST. AUM.

NEVER understand WHY and HOW they adjust and arrange and REARRANGE their physical bodies [stars, suns, planets, etc.] the way they do it. Everything else is just a PHYSICAL EFFECT or symptom. For instance: Two people walk together. For an impersonal observer they are just two physical bodies in motion. But to a close friend of them, KNOWING these two people, the case [and analysis] is a completely DIFFERENT one. He knows, for instance, that they are two MARRIED people very much in love with each other, and committed to each other, having children, living together in a nice home, etc., etc. THAT IS THE TRUE ESOTERIC or HIDDEN cause for the two of them walking next to each other. The OUTER or EXOTERIC reason could have been that they decided to go to the movies. An even more exoteric reason for them walking together, might have been: Their car did not work and to a complete stranger these two people would just be: Two bodies in motion, or on a COSMIC PLANE, for instance, TWO PLANETS IN ORBIT. Oh Lawd, Science sees only BODIES IN MOTION...

* SPIRITUALLY.

THE LAW OF SEVEN AND THE HOLY TRINITY HIDDEN IN π .

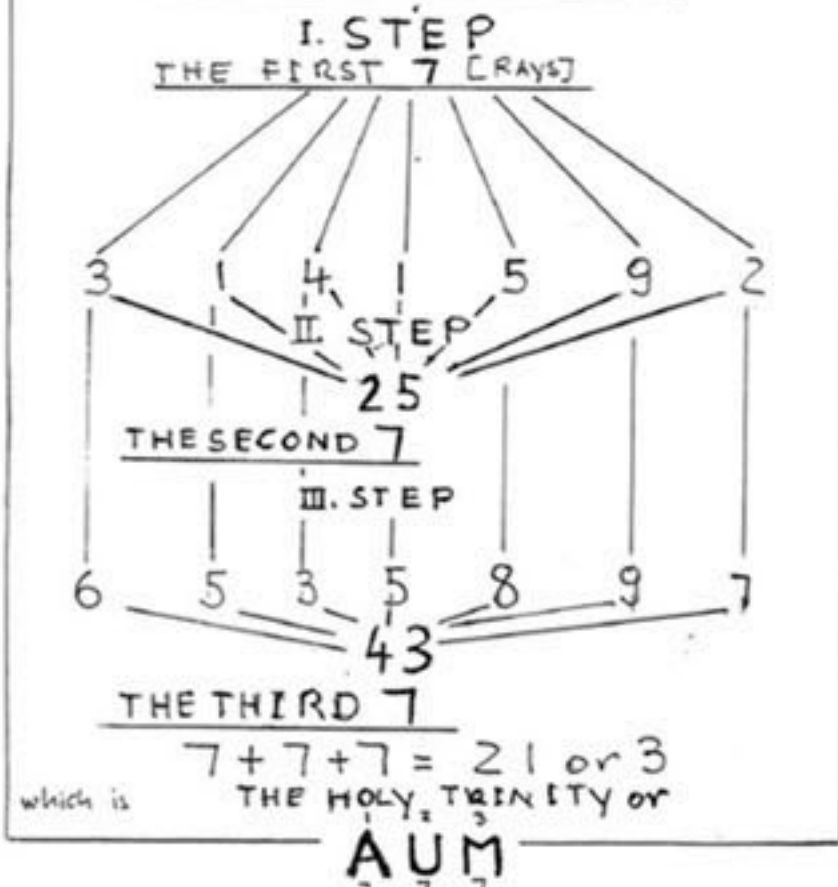

Behold, this is mystery, never before unveiled to mankind. Since EACH trinity is under the LAW OF SEVEN, and GOD, or BRAHMAN, is all this, π must be ALL THIS, IF π is GOD or BRAHMAN or ELOHIM or DEAHOO, name it as you wish. Indeed, you look at GOD, when you look at π , and because π never ends, you NEVER shall comprehend GOD. AUM. The THREE and THE SEVEN are hidden in GOD. Where are they hidden in π , if π is GOD? If the TRINITY is under THE LAW OF SEVEN, the SEVEN must appear THREE times, and ALWAYS at the relative BEGINNING of all UNIVERSAL LIFE. If we can prove that π BEGINS with the LAW OF SEVEN and ONLY in THREE STEPS, we have proven that π IS GOD. THE FIRST THREE STEPS OF π MUST APPEAR, CAUSED BY THE LAW OF SEVEN and also DEMONSTRATING IT AS NUMBERS, otherwise π IS NOT GOD.

WHY π IS GOD

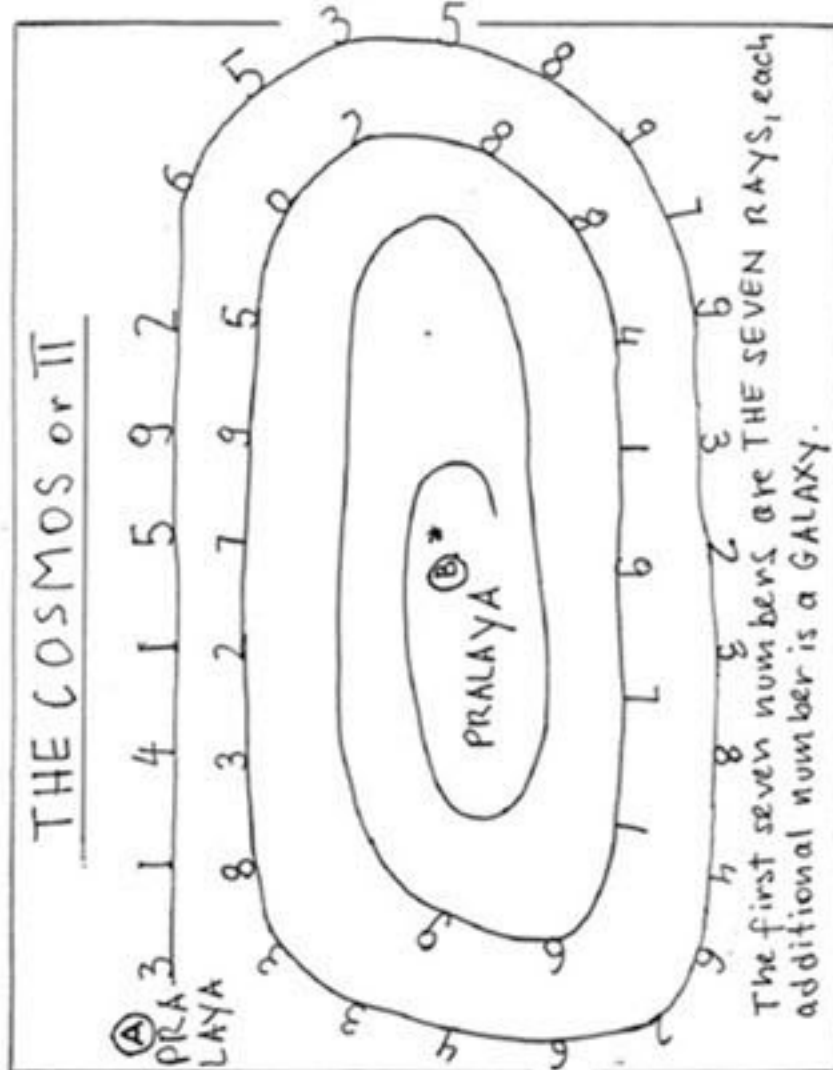

First step. THE FIRST SEVEN are the SEVEN RAYS themselves. Second step: THE SECOND SEVEN is the cross-sum of the first seven numbers of π . Thus: 3+1+5+9+2+6+5 = 25 = 7. Third step: THE THIRD SEVEN is the cross-sum of the NEXT SEVEN numbers of π . Thus: 3+5+9+7+4+3+2 = 43 = 7. The three seven together: 7+7+7 = 21 = 3, or THE HOLY TRINITY. AUM to π . But π is also light, because light is 20612 to 6661 or GOD to 1 which equals again 3,1415 etc. AUM.

$\pi = 3, 1, 4, 1, 5, 9, 2, 6, 5, 3, 5, 8, 9, 7$ etc.

THE LAW OF 3 and 7 in π *

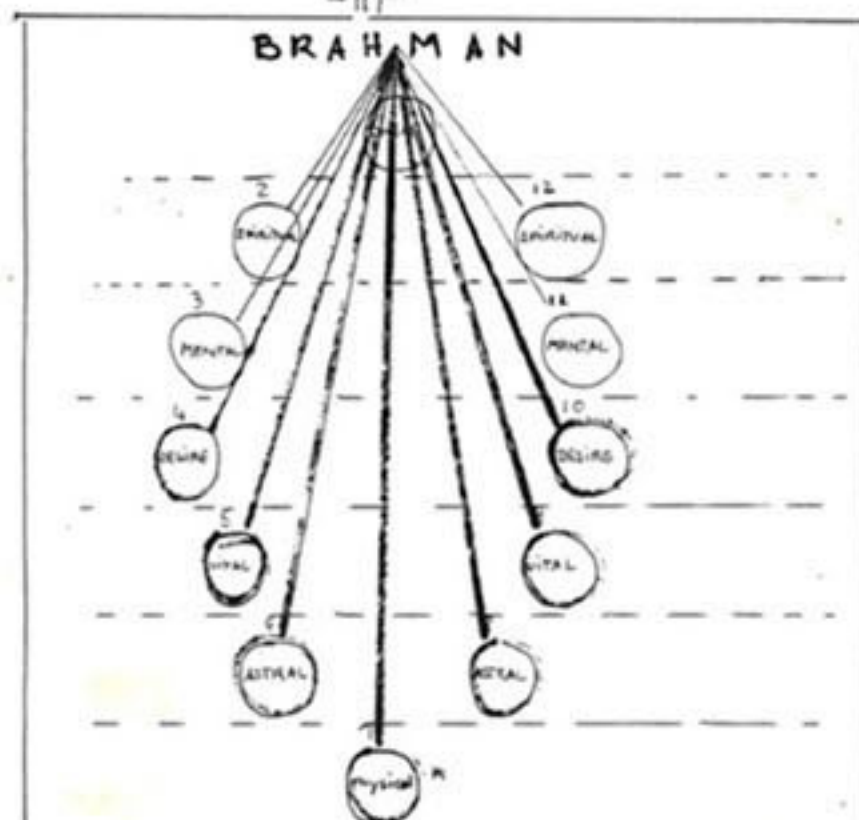

* now we understand where the Hebrews copied their JEHOVAH from. They had to accomplish 3x7 or 21, and did it by choosing the letters Jod [10], Vau [6] and He [5] equals 21.

As we can see, COSMOS EXPANDS from OUTWARD INWARDS. What kind of EXPANSION can THAT be? It is in succession on [IMPLOSION-EXPLOSION or BIG BANG. COSMOS reawakens on the PHYSICAL plane, ALWAYS imploding-exploding, which indicates COSMOS as being BEFORE in an OUTWARD and AFTER THAT in an INWARD condition [implosion] and AFTER that in an OUTWARD condition AGAIN [explosion]. It sustains the outward condition DURING PRALAYA and returns into INWARD-OUTWARD condition at the DAWN of a NEW MANVANTARA, thus allowing US to say: COSMOS EXPANDS in consciousness and condition [but NEVER in size] from OUTWARD INWARDS. AUM to wisdom and knowledge. AUM.

Or: COSMOS EXPANDS out of the EVER TO BE UNKNOWN into infinite extension. And BECAUSE infinite extension admits NO ENLARGEMENT, there is NO increasing in size, notwithstanding the fact, that planet, mouse, elephant and man start physically small, until they reach their INDIVIDUAL final size. How can that be? Because everything exists already in the ASTRAL LIGHT. Along that matrix it changes condition, which appears to our LIMITED TIMEFRAME senses as GROWTH. In truth, oh Lanoo, there is NO growth, neither physically, mentally nor SPIRITUALLY. This is a GREAT SECRET.

* because there are MANY "BIG BANGS" throughout ONE MAHMANVANTARA. ** as SIGHTS [of] or REMAINDERS.

... UNIVERSAL CHAIN. AUM

TWELVE RAYS evolve TWELVE GLOBES on SEVEN COSMIC PLANES. Why now 12 RAYS and not 7? Because the OTHER FIVE RAYS and their globes [1, 2, 3, 11, 12] are still BEYOND ANY COMPREHENSION, therefore they do not even yet EXIST. Each globe in this chain

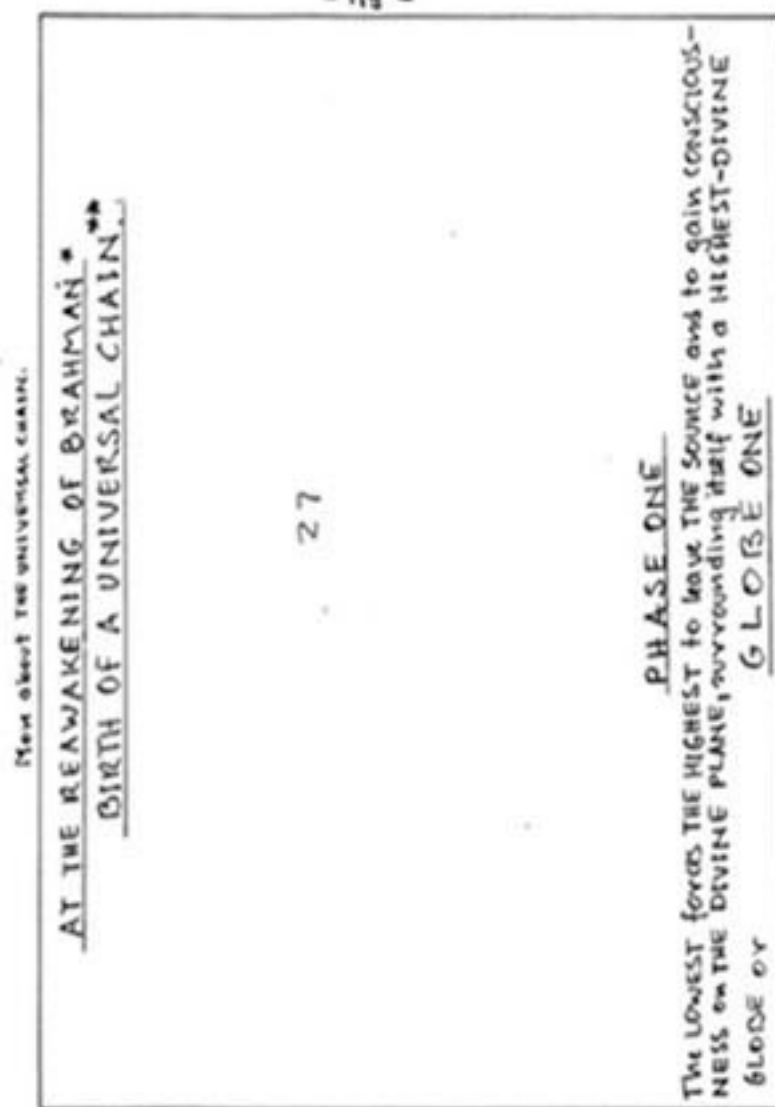

is all visible, or TO US visible, GALAXIES. They are the OUTERMOST SACRAMENT of GOD, because GOD IS INFINITE, "creation" is done [not BY, but THROUGH] lesser POWERS, OR BHOHM, for THE SEVEN RAYS and their ENDLESS MANY EMANATIONS. AUM.

is just a REPRESENTATIVE of almost ENDLESS MANY other globes on its plane. But they [the FIVE upper globes of that 12-globed chain] shall appear in due time, once we will have developed the corresponding SENSES. It is, in fact, US, who will call these globes forth... ALL globes [vide chain] in our universe are FIRST ① DIVINE, then ② DIVINE-SPIRITUAL, then ③ DIVINE-SPIRITUAL-MENTAL, then ④ DIVINE-SPIRITUAL-MENTAL-DESIRE, then ⑤ DIVINE-SPIRITUAL-MENTAL-DESIRE-VITAL, then ⑥ DIVINE-SPIRITUAL-MENTAL-DESIRE-VITAL-ASTRAL, then ⑦ DIVINE-SPIRITUAL-MENTAL-DESIRE-VITAL-ASTRAL-PHYSICAL, which is our visible, material universe, with all its globes, galaxies and centers of neutrality, then ⑧ DIVINE-SPIRITUAL-MENTAL-DESIRE-VITAL-ASTRAL, then ⑨ DIVINE-SPIRITUAL-MENTAL-DESIRE-VITAL, then ⑩ DIVINE-SPIRITUAL-MENTAL-DESIRE, then ⑪ DIVINE-SPIRITUAL-MENTAL, then ⑫ DIVINE-SPIRITUAL and eventually DIVINE again. AUM. All this [1-12] happens during 311,040,000,000 terrestrial years, or ONE MAHMANVANTARA.

- IF the first three and the last two globes [altogether the five upper] are yet to come, why then does it say "First" there is a DIVINE GLOBE, then a DIVINE-SPIRITUAL, etc.?
Solve the riddle, oh Lanoo, by NOT being MENTAL... [which shall lead you to THE FIRST INITIATION]

** so called "black holes" or: LAYA.

* Oh Lanoo, the HIGHER SELF or BRAHMA or LOGOS of, for instance, OUR Solarsystem is in truth meant when they write, in GENESIS chap. I of MAN MADE IN THE IMAGE or LIKENESS OF GOD. THE HEAVENLY MAN is meant [BRAHMA] and NOT physical Man. HE comes LATER...

ॐ

BEHOLD BRAHMAN, the MASTER BUILDER, HIGHEST SELF of this UNIVERSE for 311,040,000,000,000 temetrial years, contemplating ON THE UNIVERSAL CHAIN.

-129-

You ask, oh Ladoo, how can the LOWEST force THE HIGHEST to do ANYTHING?
This happens in the same way as your (lower) emotions, passions and desires force you to do things, that you later might regret, or which the HIGHER you does not even WANT to do in that moment. THAT is how the LOWEST forces THE HIGHEST.

You might say, but the UNIVERSE is a much stronger "entity" than I am!
No, you and the UNIVERSE are EXACTLY the same. UNIVERSE is MACROCOSMOS or a huge COSMOS, you are MICROCOSMOS or a small COSMOS. Everything which is in the UNIVERSE is also in you, and every-thing which is in you, is in THE UNIVERSE. There is no separation of forces, oh Ladoo.

But BRAHMAN [and the FIRST SEVEN RAYS] is an EXPANDING AND CONTRACTING entity. There fore IT [Brahman] CONTRACTS again, once THE LOWEST is reached, which leads to

Phase 8. The HIGHEST forces the LOWEST to give up its physical structure and to WITHDRAW into (out) the ASTRAL plane, which results in a HIGHEST-DIVINE-SPRITUAL-MENTAL-DESIRE-VITAL-ASTRAL globe, GLOBES.

For a moment I wanted to ask: But how can mankind have consciousness [even just on OUR EARTHCHAIN] before the whole UNIVERSAL CHAIN stands, which would not be possible, when GLOBE 7 disappears as it does now?

And then it struck me like lightning! The angel put me for the whole explanation of the UNIVERSAL CHAIN into the position of BRAHMAN! IT [Brahman] BUILDS the UNIVERSAL CHAIN LIKE THAT. For us [our consciousness] it stands as ONE. [and for 311040.000.000.000 years]. But for BRAHMAN "time" is NOT EXISTING, for BRAHMAN the globes [of the chain] come and go in an [abstract] "blink of an eye". Even the succession from DIVINE to LOWEST must consequently not appear this way to BRAHMAN, because succession of states of consciousness would imply the element of TIME. But in describing the UNIVERSAL CHAIN this way we come very close to how BRAHMAN is conscious of it.

Phase 9. The HIGHEST forces the ASTRAL to withdraw a step higher, which results in a HIGHEST-DIVINE-SPIRITUAL-MENTAL-DESIRE-VITAL-globe, GLOBE 8.

Phase 10. The HIGHEST forces the VITAL to withdraw a step higher, which results into a HIGHEST-DIVINE-SPIRITUAL-MENTAL-DESIRE globe, GLOBE 10.

Phase 11. The HIGHEST forces the DESIRE to merge into the MENTAL, which results in a HIGHEST-DIVINE-SPIRITUAL-MENTAL globe, GLOBE 11.

Phase 12. The HIGHEST forces the MENTAL to LET GO and to ascend to the HIGHEST-DIVINE-SPIRITUAL globe, GLOBE 12.

Step 13. The HIGHEST "inhales" the SPIRITUAL up to its next level, resulting in a HIGHEST-DIVINE globe, GLOBE 1 [again].

Phase 14. Even the DIVINE has to retreat one day. Where to? Into beyond INDIVIDUALITY, which is - THE HIGHEST. And because it is beyond individuality it is beyond comprehension, which is PARABRAHM. Oh Lawo, destroy your PERSONALITY to regain your INDIVIDUALITY, so that one day you shall BECOME THE HIGHEST again. Once you are INDIVIDUAL, the drop merges into the ocean, when you BECOME the HIGHEST, the ocean merges into the drop... THEN there is a period of rest. The globes do not exist any more. Then [after a period of rest**] the globes are rebuilt. Why? Because they [and every-

thing that lived on them] left ASPECTS of themselves on all levels. ABSTRACT ASPECTS, also called "permanent atoms" or SKANDHAS. THESE aspects have a certain [downwards pulling "gravital"] power. They force the HIGHEST to appear again and again [or to show an ASPECT of itself - thus finds aspect to aspect].

We could also say, they force the HIGHEST to REFLECT [in CHAOS]. And around these SKANDHAS new globes are built, this time HIGHER in CONSCIOUSNESS than before. Could we say now, that SKANDHAS are stronger than PARABRAHM, because they cause IT to reflect in CHAOS? No, PARABRAHM just gives in. Oh Lawo, give in, LET GO. THE LAW is real, not you.

AUM, AUM. And as to LIGHT, "LIGHT" is simply an EFFECT, caused by ETHER, on the human retina. Or: Light, "visible" LIGHT is just a SENSATION, caused ONLY in OUR atmosphere and its immediate surroundings, by high vibrating ETHER, reflecting on the retina. Without RETINA no VIBRATION. In other words: Light only exists FOR US, but NOT REALLY. It is just a MAYA with no speed. Light has no speed. It is IMMOVABLE, because NON-EXISTING. Sunlight is just a way of our RETINA to perceive ETHERIC pressure. Plants for instance perceive LIGHT completely different than we do and not at all as LIGHT. There is ONLY ETHER, oh Lawo. -What happens to the 7 rounds on seven globes, once there are TWELVE GLOBES? Do we then have TWELVE rounds?*

- A ROUND means duration of time, oh Lanoo, how can there be time so close to BRAHMAN?*

- But isn't 4,320,000,000 years SEVEN ROUNDS and a "day of BRAHMA"?**

- For you, oh Lanoo, for you...

- Have patience, oh MAHACHOHAN, I am not worthy.

- YOU ARE SELECTED, oh Lanoo, because you have gone through it all. Shine like a light for those, who failed like you...

But take this key: 7 is the sacred number of EARTH, 10 is the sacred number of this SOLAR-SYSTEM, and 12 is the sacred number of this GALAXY. I AM TWELVE. AUM.

* HERE IS ANOTHER LESSON FOR THOSE, WHO THINK THAT THEY CAN APPROACH ESOTERIC SCIENCE WITH THEIR HIGH-SCHOOL LOGIC. 4,320,000,000 YEARS ARE A DAY OF BRAHMA. But DIVINITY HAS ITS OWN LAWS IN THE HIGHEST AKUPA-WORLDS. ALTHOUGH! AS ABOVE SO BELOW.

- Where then are the parent-planets of VENUS and MERCURY, oh MAHACHOHAN?

- VENUS and MERCURY are MUCH OLDER than EARTH, oh LANOO!*

* They have both no (visible) satellites. ** Shall be explained later.

* This cosmic fact was passed on alliteration until to the Greek Epoch. That is why the Greek Initiates called the Moon "the surviving principle of the watery abyss of space" or ARGHA, which later degenerated into ARK. BUT NEVER a REAL ark, never REAL water was meant as in the SYMBOLS Noah and the Ark and the Deluge.

ELEMENTAL ESSENCE

EVERYTHING IS MATTER, be it ATOMIC or NON-ATOMIC. Thoughts and feelings are MATTER, NON-ATOMIC MATTER. Read later about non-atomic matter and THOUGHT-FORMS, and you shall understand. BRAHMAN [center] and later BRAHMAN [masculine], or also BRAHMA [higher self of a SOLAR SYSTEM] is one in three and three in one. And out of BRAHMAN the HIGHER SELF OF OUR UNIVERSE, and later also out of BRAHMA, the higher self of our SOLAR SYSTEM happens an OUTPOURING of DIVINE LIFE, or MONADIC ESSENCE in its early stage of evolution and therefore also called ELEMENTAL ESSENCE. Its tendency is: DOWNWARDS INTO MATTER or MATERIAL WORLD [MOLECULAR world] AND LOWER. And from that lowest point, which is even BEYOND our visible, physical universe, it THEN ascends upwards through its own THREE LEVELS, or ELEMENTAL KINGDOMS.

* also called the SECOND LOGOS if we dare to name PARABRAHMAN "THE FIRST LOGOS", but then we would not even have mentioned the UNMANIFESTED SUPERMONAD.

* BRAHMAN never is already the MANIFESTED BRAHMAN in its EGO, or then BELONGING to the UNIVERSE, but it is NOT the SUPERMONAD which remains after reflecting in GRADES into PARABRAHMANIC WORLD, which it is still ONE. But BRAHMAN "MALE" because penetrating but in truth MALE-FEMALE is also called BRAHMA or THE SEPHIROTHAL HOST (because including the SEVEN WAYS) or HEAVENLY "Man made in the image and likeness of God". Genesis, ch. 1.

into the MINERAL, VEGETABLE, ANIMAL and eventually HUMAN KINGDOM. But there is a CONSTANT outpouring of ELEMENTAL ESSENCE from THE SOURCE, and it CONSTANTLY descends DOWNWARDS. And since EVERYTHING in our SOLAR SYSTEM, and I mean VISIBLE AND INVISIBLE, contains ELEMENTAL ESSENCE, EVERYTHING is [also] drawn DOWNWARDS into "lowest" consciousness. ELEMENTAL ESSENCE is EVERYWHERE. In your physical body, in your thoughts, your emotions, in your actions. EVERYWHERE. Whenever you think or feel or speak or ACT negative, you are drawn by ELEMENTAL ESSENCE. Why? Because its path is downwards. This is not at all an evil intention of elemental essence, or a DEVIL. Don't think that. It is just ITS NATURE. And ELEMENTAL ESSENCE is AWARE of something, called your "lower Mind". As soon as you think of something negative, ELEMENTAL ESSENCE appears hovering over that thought, STRENGTHENING IT. ELEMENTAL ESSENCE is on ALL levels from the LOWEST to the HIGHEST. When it is on one of the HIGH cosmic planes it does not mean it is, or has, evolved "higher". In the contrary. For ELEMENTAL ESSENCE PROGRESS means evolution DOWNWARDS into ATOMIC MATTER and EVEN LOWER. So it is JUST ON THE HIGHEST LEVEL, because it either a) has not yet reached the lowest, or b) it has been TRANSFORMED BY US INTO THE HIGHEST.

* until it forms THE HIGHER SELF or CAUSAL BODY OF MAN. AUM.

up to the SPIRIT. THE WORST IS BEHIND US. WE HAVE PASSED THE MIDDLE POINT, OR LOWEST POINT, OF THE DOWNWARDS ARE AND ARE NOW ASCENDING AGAIN. WE ARE IN THE COSMIC SATYA YUGA¹, OR AGE OF INNOCENCE. So all you have to do is: LET GO, do not yield to any lower DESIRE² and MEDITATE³ EVERY MORNING. When you meditate, THE elemental essence has no hold on you, but the UPWARD STREAM OF SPIRITUAL POWER shall carry you TO THE LIGHT. Meditate and attain ALL KNOWLEDGE, written in THE BOOK OF LIGHT. THE BOOK OF LIGHT IS THE ULTIMATE GUIDE. Some try to REPLACE [subliminal tapes etc.] their negative thoughts by POSITIVE ones, constantly repeating "I am okay, I am fine" and so forth. That is nonsense, and they only say it, because they think that they are NOT okay. OKAY? Thus they [unconsciously] strengthen the negative thought, and the whole thing gets WORSE, instead of BETTER. LET GO, MEDITATE, and attain ALL KNOWLEDGE: where you come from, where you are, and where you GO. AUM IS THE BOOK OF LIGHT. AUM. Just by READING THE BOOK OF LIGHT again and again, your MIND is in such HIGH REALMS, that you, sooner or later, shall experience BISS, AUM to wisdom and knowledge.

*** Because that is just mainly elemental essence and not of ALL YOU.

* although right now in a PLANETARY KALI YUGA OR AGE OF DARKNESS, for still over 400,000 more years to come.

** also called KRITA YUGA - age of perfection.

As to the NATURE of ELEMENTAL ESSENCE, little is known and even less allowed to say about it. One hint: when you are happy you are "HIGH", and when you are unhappy or sad you are DOWN. DOWN [but without you!] is elemental essence. I... I have permission to explain it ESOTERICALLY. There is no danger of misuse. Those who understand are TOO HIGH EVOLVED, and those who do not understand cannot misuse that knowledge. The explanation is the top of page 131, or: ELEMENTAL ESSENCE is [one] the first three power-centers appearing through DIFFERENTIATION of the EVEREXISTING PRIMORDIAL MATTER¹ or MULA-PRAKRITI, the veil of PARABRAHMAN. AUM. THE NATURE of these three planes of DIFFERENTIATION, OUT OF THE EVR TO BE UNKNOWN, varies from complete UNCONSCIOUSNESS to - SEMI SENSE PERCEPTION. Therefore it cannot be made "responsible" for its urge DOWNWARDS. ELEMENTAL ESSENCE is simply part of THE LAW.

STEP I. STUDY THE LAW!

STEP II. UNDERSTAND THE LAW!

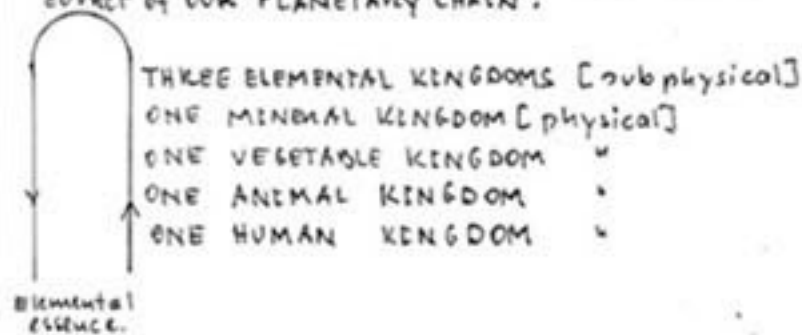

STEP III. OBEY THE LAW!

AUM TO THE CAUSELESS CAUSE.

** also mother and root of all atomic matter.

It is AN ABSTRACT STRUCTURE, because it is NON-ATOMIC and even NOT ETHERIC. It is a POWERCENTER or POWERCENTERS and - MONADS.

Behold, the SEVEN KINGDOMS of our SOLARSYSTEM or, more correct of OUR PLANETARY CHAIN¹.

So when we say, that the monads [the to be human] descend on the earth-chain, to build, on all globes, the mineral kingdom, we can assume, that there is and was already an outpouring of monadic essence, arrived at THE LOWEST state of DIFFERENTIATION, which is by the way, ALWAYS a FIRST stage [or stages] away from the source. Later this DIFFERENTIATION turns in to INCORPORATION and becomes... US!

AUM to wisdom and knowledge. AUM.

Questions and Answers concerning THE ELEMENTAL KINGDOMS.

- Are the ELEMENTAL KINGDOMS the COSMIC ELEMENTS?
 - No. The kingdoms EVOLVE from the COSMIC ELEMENTS
 - How many Cosmic Elements are there?
 - SEVEN. Earth, Water, Air, Fire, Ether and two more yet to come and almost ABSTRACT.
 - Is the UNIVERSE built out of these COSMIC ELEMENTS?
 - Yes, they are the PRAKRITIS [matters] of the UNIVERSE, and THE KINGDOMS are living through them.
 - What is the Sanskrit name for THE COSMIC ELEMENTS?
 - TATTVAS.
 - Where do THE COSMIC ELEMENTS, or TATTVAS, come from?
 - From THE ROOT SPIRIT, or BRAHMAN, of course, because EVERYTHING comes from BRAHMAN.
 - What is our Earth composed of?
 - Dormant MONADS, lowest cosmic elements on this plane.
 - SPIRITUAL MONADS are dormant?
 - No, they are ALWAYS conscious, but also NEVER leave their plane. With DORMANT MONADS I actually mean their REFLECTIONS, or LIFE ATOMS, each of these Life-ATOMS being a REPRESENTATIVE of a MONAD UP THERE, but
- and by "matter" I also mean NON-ATOMIC MATTER.

cause as it is ABOVE, so it is BELOW. AUM.
- Are there more than 3 ELEMENTAL KINGDOMS?
- yes, there are SEVEN.
- But the graphic shows THREE?
- There are SEVEN, like MAN is 3, or SPIRIT-SOUL BODY, but in truth SEVENFOLD.
- Are the ELEMENTAL KINGDOMS the LOWEST KINGDOMS?
- No. They are the HIGHEST evolved.
- ?
- When you hit ROCK BOTTOM and then rise like a PHOENIX out of the ashes [kingdoms], then these ashes brought THE HIGHEST out in you. That is why THE ELEMENTAL KINGDOMS are the HIGHEST EVOLVED. FROM THEN ON THE MONAD drifts and progresses [its "emanation"] UPWARD. That would have NEVER been possible without THE "LOWEST" Elemental Kingdom.
- What is the difference between ELEMENTALS and ELEMENTARIES?
- ELEMENTALS spring forth without intermediary from the COSMIC ELEMENTS and are citizens, or inhabitants, of the COSMIC ELEMENTS, while ELEMENTARIES live in the ASTRAL LIGHT and are semi-conscious KAMA-RUPIC ASTRAL RESIDUES of an EVIL MAN'S ASTRAL BODY AFTER DEATH. AUM.

SWABHAVA*

SWABHAVA is INDIVIDUALITY, or that ESSENCE which makes every ATOM an INDIVIDUALITY, because Nature NEVER repeats itself and there are no two grains of sand alike. Thus that which changes is NOT the essential characteristic of an individual, but the UNFOLDING of that essence, called SWABHAVA, through the different vehicles and kingdoms. The SWABHAVA is also and always inherent and dependent to one of the SEVEN RAYS and SOLAR LOGOS. There are, for example, GOD-SPARKS passing through the ROSE-STAGE, others through the LION or BIRD or MAN-STAGE, because spirit becomes stone-Plant-Animal-Man and GOD again. Whenever the GODSPARK has outgrown each STAGE, for instance as a ROSE, all ROSES shall disappear, which is one explanation for the disappearance of the DINOSAURS. Spirit had had enough experience in THESE VEHICLES and incarnated in other, but SIMILAR and SMALLER ones, and the DINOSAURS DISAPPEARED. And the SPIRIT, or MONAD, continues pressing forward, developing and UNWRAPPING its SWABHAVA, or ESSENCE, until it reaches THE HUMAN STAGE when THE GOD-STAGE is reached, there shall be NO MORE HUMANS, THE GOD-SPARK won't NEED THEM
*its Brahmanic-Ettwic correspondence being AKASA.

-140d-

any more. Forever? No. At the NEXT reawakening of all UNIVERSAL LIFE nature "repeats" itself BUT a step higher, and so forth ETERNALLY. AUM. How can that be, when ROSE, MAN or HORSE or LION or STONE, etc. do not exist any longer? Because they left an IMPRINT OF THEMSELVES in the ASTRAL LIGHT or ASTRAL PLANE SURROUNDING OUR EARTH-GLOBE. And at the NEXT PERIOD of cosmic ACTIVITY other GODSPARKS shall cloth themselves into these Astral vestures like you take on a new T-shirt. Thus we NOW reproduce things, that are REMAINDERS, or ASTRAL REMAINDERS, from old times, and OUR Astral remainders shall be the Astrophysical PROTOTYPES of FUTURE GODSPARKS to come. THAT is also the reason why and how PROPHETS can see Past, Present and FUTURE. They see the Astral remainders and are thus able to predict FUTURE NATIONS and EVENTS.
And because SWABHAVA CONSTANTLY presses FORWARD, EXPRESSES, UNWRAPS, UNROLLS, UNFOLDS its INDIVIDUAL INHERENT NATURE, a FLOWER always reproduces a FLOWER, a HORSE a Horse, MAN another MAN, and GOD another GOD, all of them EMANATING from THE SEVEN RAYS. AUM.

*no physical atoms.

-140e-

NOW I have permission to go further, and unveil
THE BIRTH OF ELEMENTAL ESSENCE.

THE SEVENTH HEAVEN, most glorious plane of the mental world and Highest subdivision of the Heaven world [1st subplane from above] is penetrated or overflowed at the reawakening of all Universal Life as well as of each chain-period by A WAVE OF DIVINE LIFE. This Divine Life wave animates or energizes or en-souls MENTAL MATTER, which is non-atomic. That combination of Divine Life and Mental Matter [which are ALL consisted of MONADS], which is NON atomic when analyzed by orthodox Science but ATOMIC when seen as non-physical energycentres, creates or actually IS Elemental Essence in its simplest condition yet still without Atoms and Molecules as we know them or as Science teaches. Nevertheless: The Divine Lifewave, entering the 1st subdivision [from above] of the Seventh Heaven applies already a strong compressing force to MENTAL MATTER, this force though not yet being strong enough to cause Atoms and Molecules down here. In other words, you have THOUGHT what you are, you have THOUGHT into existence not only your PHYSICAL body, but also your ASTRAL and MENTAL body and also THE ANIMAL in you.

*no "physical" atoms.

-140f-

stop thinking long enough and you shall disappear into NIRVANA, until a NEW Lifewave shall throw you again into existence. YOU will come and go, THE MONAD is ETERNAL. Oh Lanoo, be THE MONAD [in you]. One thing is sure: MIND lives longer than the PHYSICAL body [who is, like everything else, made of Mental matter].

When the Divine Lifewave reaches this Seventh Heaven it is not yet accustomed to Mental Matter and spends EONS on that plane [1st subpl. of 7th Heaven], adjusting itself to its [the plane's] vibrations, responding to them until EVERY ATOM [MENTAL ATOM] of Mental Matter is ENSOULD. THAT is meant, when Blavatsky states that every Atom is an ANGEL, or the vehicle of an Angel, or has a JIVA, or Godspark, in it. The Atom received that Godspark on the First Subplane of the Seventh Heaven plane, when the Divine Lifewave touched Mental Matter of the 1st subplane of the 7th Heaven. Thus the hour of the birth of Elemental Essence is also the moment when every speck of matter receives THE DIVINE SPARK. AUM. EONS pass

***HIGHER Mind...

*See: THE ERROR OF BUDDHA and Schopenhauer P. 28a.

-140g-

again while the Divine Lifewave ensouls the next two lower planes of the 7th Heaven, namely the 2nd and 3rd Subplanes. Why? For the purpose of DEFINITION. The 1st, 2nd and 3rd Subplane of the 7th Heaven plane are the THREE ARÛPA PLANES or: The formless planes. OUR HIGHER SELVES live on them. Oh Lanoo, NO FORM is reality, FORM is an illusion. Being FORMLESS these 3 planes are nevertheless THE BIRTH PLACE OF ALL FORM. No-form is ARÛPA, Form is RÛPA. Thus we can say that RÛPA comes from ARÛPA. Having filled these 3 subplanes with Elemental Essence, the Divine Lifewave descends lower and lower, ensouling one plane after the other thus creating truly by DIVINE AL-CHEMY the ELEMENTAL ESSENCE on each plane, until the appearance of physical atoms and molecules on our physical plane, which is NOT the lowest plane. The lowest plane is the lowest of the three Elemental Kingdoms, preceding the MINERAL Kingdom. Once the Divine Lifewave has touched and ENSOULD the lowest Elemental Kingdom it [the wave] ascends again UPWARDS towards THE SPIRIT. How can that be, although ATOMS and MOLECULES then [or the Elements] were not what they are now.

-140h-

When THE BOOK OF LIGHT teaches us that the nature of Elemental Essence is DOWNWARDS, OUR thoughts and actions towards GOD force Elemental Essence to RISE, because Elemental Essence is a combination of EL [the DIVINE] and MENTAL essence, filling your LOWEST thoughts but being eventually obedient when FORCED to follow the HIGH MENTAL PATH of a TRUTH searching being. That and the natural path of cosmic evolution forces Elemental essence to RISE, because in the [relative] end EVERYTHING has to return to SPIRIT.

This was a repeated description of what happened in the beginning of THE BOOK OF LIGHT, when I analyzed the same cosmic process from a more MONADIC point of view. Once all planes from the highest to the lowest were filled, the Monads of Minerals, plants, animals, humans, Gods and planets appeared and surrounded themselves with minerals, plants, animals, humans, Gods and planets [and suns, etc.]. The same happens when you THINK. The HIGHER the thought, the HIGHER the plane you enter, the LOWER the thought, the lower Astral-Mental Matter you attract around yourself. Thus your thought can either connect you with HEAVEN or HELL. AUM.

-140i-

BUT

- Oh Great Chohan, somewhere I read that Matter devoid of Spirit is evil?
- Oh Lanoo, can you imagine PARABRAHMAN without MÛLAPRAKRITI?
- I guess not.
- Of course not. Not even BRAHMAN can "see" PARABRAHMAN other than through the veil called MÛLAPRAKRITI, or ABSTRACT ROOT MATTER. But to it [Brahman] that abstract Rootmatter is as dense as Matter is to us. Therefore: There is no Matter without Spirit and no Spirit devoid of Matter. They are both one + forever.
- But when I die I cast off the physical body...
- Just to awake in your ASTRAL Body. And so on. Even when Atma withdraws into Devachan it is the MIND-MATTER part or Manas in you which experiences the Devachanic state of bliss. But no matter how HIGH a Spirit is, it shall always be tainted with matter be it atomic or NON atomic.
- Also in NIRVANA? - No. Not in NIRVANA. There you have absolute liberation, but *which gives you an idea about the refined nature of Brahman...

-140j-

not forever. Thus Spirit is the ultimate sublimation of matter and matter the crystallization of Spirit.

-Could you give an example? - Ice becomes water becomes vapour becomes ... Reverse the process and you have a concrete example of how Spirit falls into generation or into matter.

-Why is matter per se indestructible? - Because eternally connected with Spirit. And Spirit is indestructible.

-What is the cause of all suffering?

-Matter. And Spirit is the Saviour and liberator. Oh Lanoo, observe and walk the MIDDLEPATH.

-Is matter the cause of all motion? - Spirit is the cause of all motion. Thus motion is automatically eternal. But without MATTER motion is not conceivable. When Spirit touches matter there is motion and that motion is LIFE, which is the reason why in a future race human and artificial life shall be created simply by inoculating almost endless high vibration [motion] and the embryo shall grow in the female womb without egg nor Sperm. AUM.

*First without Sperm, later even without Egg.

-141-

SATAN

SATAN OR SAT-AN MEANS THE ADVERSARY, because MATTER [Satan] is opposed to SPIRIT [God]. At each RE-AWAKENING of all UNIVERSAL LIFE, BRAHMAN, or THE ROOTSPIRIT, emanates "out of" THE EVER TO BE UNKNOWN, OR PARABRAHMAN. Or: The son leaves THE FATHER and turns into THE MATERIAL UNIVERSE, with EVERYTHING in it, be it stone, plant, animal or MAN. Thus we all in our MATERIAL appearance are CHILDREN OF SATAN, because SATAN is THAT part of SPIRIT, which became MATTER, or ADVERSE TO SPIRIT OR SAT-AN OR SATAN. NEVER any DEVIL was meant with SATAN, but simply THE MATERIAL [constantly reincarnating] PART OF SPIRIT. HERMES, but also THE KABALA, make it clear, WHO Satan really is. And on the SEVENTH DAY of

BRAHMA!] they went forth from the presence of God [PARABRAHMAN] a MIGHTY ANGEL [BRAHMA and later JEHOVAH] full of wrath and consuming, and GOD gave him the dominium of the outermost sphere [namely our VISIBLE UNIVERSE in general and EARTH in particular]. - Among the GODS is NONE like unto him [of course not, BRAHMAN emanated FIRST or was FIRSTBORN, THE SEVEN RAYS came LATER] into whose hands are committed the kingdoms, the power and the glory of the worlds. [In other words: The GOD, worshipped by THE CHURCH is nobody else than SAT-AN or SATAN himself, the FIRSTBORN and ruler of THE UNIVERSE as well as, in its emanation of BRAHMA "masculine", the ruler or HIGHER SELF OF OUR SOLAR-SYSTEM]. Therefore: "Thrones and empires, the dynasties of kings, the fall of nations, the birth of churches, the triumph of Time." "THE DEVIL OF THE CHURCH IS NOT EXISTING OTHER THAN IN THE IMAGINATION OF THE CLERGY." Lanoo.

* call him ELEMENTAL ESSENCE, and you come close to THE TRUTH.

THAT WHICH HOLDS EVERYTHING TOGETHER.

WHAT IS IT, that holds the ATOMS and MOLECULES of a physical body together? Why don't they fly into all directions? WHAT, for instance, holds our globe together? ALL planets in our SOLAR system roam a VACUUM, called UNIVERSE. Why don't they just explode [including their atmosphere] into SPACE, sucked up by that [indeed] HUGE "VACUUM CLEANER"? VACUUM has the ability or characteristic to literally SWALLOW UP EVERYTHING. Why does the HUGE COSMIC VACUUM not destroy the visible UNIVERSE? At air into a vacuum and the air will show the tendency to distribute equally throughout the VACUUM, thus filling it up. Why is the air we are breathing not sucked up by the cosmic vacuum, surrounding us? WHAT holds us and our planet [s] together? MONADS. Monads hold us together. Power centers, dual spiritual power centers, not only existing on each COSMIC LEVEL and causing the FORMS, but also BEING that level and its forms and even no forms [or ANOPIAUM]. But whatever the MONAD cause, they always cause it from their OWN monadic plane, which is always HIGHER, than the plane of that, which they cause. For instance: The physical MONAD is on another plane, than the physical forms it [the monad] causes. And so forth, with the ethereal, astral and MENTAL MONAD, and HIGHER. You see now, why the SPIRIT is in EVERYTHING, even in MATTER, because physical atomic matter is caused by a Monad, which

* and a magnet INSIDE of the Earth, causing the Earth's electric or electromagnetic field by rotating FASTER than the Earth's outer and denser shell. The rotating magnet is, of course, a LAVA CORE. There is NO GRAVITY as defined by Newton. AUM. [See page 146 c-e].

is ATMA-BUDDHI, or a spiritual powerway on ITS, NAMELY PHYSICAL, level of CONSCIOUSNESS. Therefore: A, for instance, MATERIALISTIC person is on the LOWEST spiritual level of CONSCIOUSNESS. Why MUST it be like that? THE CAUSE EVERYTHING has to be recorded and registered by THE SPIRIT, in order to be outlived through KARMA. From THAT point of view there is NOTHING but Spirit, though on DIFFERENT levels of consciousness, reaching from the YET SLUMBERING, MONAD in the physical atom to the AWAKENED and FULLY CONSCIOUS MONAD, dwelling in the SPIRITUAL ATOM. But what was that SPIRITUAL ATOM at the begin of its journey? A PHYSICAL ATOM ON THE PHYSICAL KINGDOM OF COURSE. I do not mean here, that the kingdoms intermingle with each other, because they do NOT. They are SEPARATED. But there was, and must have been a time, endless many billions of years ago, when at the "creation" of the SEVEN times SEVEN COSMIC PLANES, or kingdoms, the MONADS went from the SPIRITUALLY slumbering consciousness, constituting thus the LOWEST kingdom, to the SPIRITUALLY AWAKENED condition and thus representing, or forming, or CAUSING, the HIGHEST ANUPA, or formless, kingdom. And now as the kingdoms awaken each Manvantara nay, the MONADS, in ASCENDING from the LOWEST ten-folded kingdom to the HIGHEST, on the cause of (and EXPERIENCE at the same time) stone, plant, animal, man and eventually GOD, each on their own separate kingdom. Back to the MONADS AS UNITING FORCE. THEN

* AFTER it passed all other planes. See BIRTH OF AN ATOM. p.65

is an impassable barrier between MONAD and ATOM, be it physical, etheral, astral, mental, buddhic or even atomic "Atom". For instance, what separates our atomic atoms from the MONAD causing them? This SUPER-MONAD is BRAHMAN and its veil PRADHANA AUM. MONAD IS ALWAYS ATMA-BUDDHI. But what creates THE FORM? THOUGHT or MAHAT or UNIVERSAL MIND, inherent in the link between ATMA-BUDDHI and the lower QUATERNARY. "This link is our MANAS or MIND, the true SAVIOR, and those who tell you to cut your MIND off, must be truly out of their MINDS. THE THOUGHT results in PHYSICAL FORM. YOU CAN INDEED think, who you are, or HOW your physical appearance should be. But I say: DON'T DO IT. Because what you WANT to be, might not be the same, than what you are MEANT to be. Therefore: Ask for GENERAL GUIDANCE, that is ALL there is to it. MAHAT, or UNIVERSAL mind, contains a special plan for all of US. And that plan can only be realized by thinking and LIVING: THY WILL AND NOT MINE. So the MONADS hold the body together, but THOUGHT, be it your THOUGHT [Manas] or UNIVERSAL MIND, adds FORM to the physical. THY WILL AND NOT MINE. By studying THE LAW you shall come sooner or later to that solution; don't swim against the MIGHTY COSMIC STREAM

* The astro-physical or STIMULA, MANA, LINGA, KAMA.

** or call it MÜLAPRAKRITI in its FIRST aspect, maybe even BEFORE it really turns into PRAKRITI [or Matter on the LOWEST plane about 150000000000 years]

* ATOMIC, not ATOMIC yet.

OF LIFE, it spares you a lot of suffering... Two more things to keep in mind: 1. It is the physical atom, which survives from the last incarnation, melting back into the earth and vaporizing into the air. Most of the vaporized, etheralized atoms return like missiles to the MONAD at its next incarnation. We could also say, that the KARMA DEUS build the etheral ELEMENTALS out of the PRANA from the preceding incarnation. And this etheral, hovering dollhouse over the baby body, is the matrix for the foetus throughout the whole gestation period. II. But the "creators" of the DESIRE ELEMENTAL, or the DESIRE ASPECT, in our physical, astral and mind bodies are the SKANDHAS, so called PERMANENT ATOMS, storehouses of all which is "good" or "evil" in us. We could call the SKANDHAS also the surviving positive and negative principles from the life before, attaching themselves to the MONAD, the moment the MONAD descends. So all our different bodies are held together by MONADS, be it physical, etheral, astral, mind or spiritual monads. NOTHING, be it FORM [RUPA] or NO FORM [ANUPA] can sustain its being without MONADS. And by what are the MONADS THEMSELVES held together? By the SUPER-MONAD, which is a TRINITY, yet ONE or: BRAHMAN. AUM. AUM.

* or RE descends.

* GRAVITY *

One of the ESOTERIC reasons for attraction, or "GRAVITY", is THE MONADS, or MONADIC COHESION. An EXOTERIC explanation would be so simple, that I am astonished why SCIENCE hasn't yet found the answer by itself. All planets in the UNIVERSE are equally electromagnetically charged and CONSEQUENTLY REPEL EACH OTHER. MONADIC COHESION [that which holds everything TOGETHER...] prevents them from flying into all directions AWAY from each other. This fact is proven, for instance, by THE MOON and THE EARTH being both NEGATIVELY CHARGED or better: having BOTH a NEGATIVELY CHARGED UPPER PORTION OF THE IONOSPHERE* and both a positive charged LOWER portion, causing all sorts of problems when they [Moon and Earth] approach each other TOO CLOSE... Again: They are both charged equally, even as dense planets, not counting the IONOSPHERES. But as soon as you lift, or SEPARATE, a particle or object, no matter how small or big it attains

* outer part of the Earth's atmosphere. Constantly changing layers of heavily ionized molecules.
