

-2573-

THE NONSENSE OF SPIRITISM
AND MEDIUMSHIP.

"... ninety nine hundredths of supposed spiritual communications are ... false."
Master KOOT HOOME LAL SINGH.

Purpose of the Spirit-soul after death is to ASCEND into higher realms, resting there for a certain amount of time, and then re-descending again into INCARNATION. Spiritualistic, or, and, MEDIUMISTIC activity DISTURBS the soul or Spirit-soul by hindering it in its UPWARD PATH, plus: the MEDIUM takes the KARMA of this disembodied spirit on himself. But in 99,9 percent of all cases it isn't the Spirit of the dead person AT ALL, with whom the MEDIUM is communicating, but just its Astral shade and, or, shell. The SPIRIT itself has already disappeared LONG BEFORE into DEVACHAN. AUM. What is an Astral SHADE and SHELL? An astral SHADE is the astral residue left or cast off from the ASCENDING SPIRIT, and therefore NOT ANY MORE PART OF IT, but hovering HALFCONSCIOUS in ASTRAL REALMS. The same with the SHELL, which is a somewhat hardened, not yet disintegrated, ASTRAL BODY of a very evil, and now dead, person, its ASTRAL FILLED WITH all the vices, passions, desires and perversities, it generates by being confronted with that ASTRAL ENTITY after its OWN [the mediums] death, AND by creating a strong DESIRE ASTRAL for the REINCARNATING Spirit.

-2574-

rated through out its lifetime on earth, while in its physical body. But the "ASTRAL TRASH" of that person still remains and becomes a DWELLER OF THE THRESHOLD, ready to attack the reincarnating Spirit again, as soon as he [the Spirit] re-descends and touches the ASTRAL PLANE. THAT is, what a MEDIUM is dealing with: ASTRAL MONSTERS, whose spirits left them long ago. And by communicating with these astral-bundles of passion, vices, and desires, the MEDIUM STRENGTHENS these entities, and when the SPIRIT [of these residues] DESCENDS again [or reincarnates again] it is confronted and molested by an even worse ASTRAL BODY, than the one he was casting off at the BEGINNING [or its ASCENT] into DEVACHAN, or HEAVEN.

It is simply lack of KNOWLEDGE which makes MEDIUMS believe, that they are dealing with SPIRITS of dead people, when all they touch, is SHADES and SHADES. Not to speak of the damage done to the MEDIUM ITSELF, by attracting these astral excrement. Nevertheless there are cases, where mediums succeed in contacting a SPIRIT of a dead person, but that still only means, that they communicated with an ASTRAL BODY CONNECTED [still] with its Spirit. Such an encounter is of even worse consequences, than contacting a shade or shell, because here the MEDIUM interferes even more in COSMIC LAW, by hindering the Spirit in ascending to higher realms and holding him back in astral realms longer

-2575-

than necessary.
EVEN MORE DANGEROUS is it, to force these astral bodies [connected or disconnected] to MATERIALIZE on our physical plane, because this astral entity almost always "BORROWS" ETHEREAL MATTER from the MEDIUMS astral-etheral body, thus influencing also the physical body of the MEDIUM, which body, is nothing but a copy of the ASTRO-ETHEREAL ORIGIN. Hence the often "empty" expression in a mediums face... Mediums often not only LOOK stupid, they also ARE stupid, and their lack of ESOTERIC KNOWLEDGE shall bring them great suffering, at the latest AFTER DEATH, when they shall be confronted again with what they thought were SPIRITS, but are ASTRAL SHADES AND SHELLS...
What about those fanatics, who claim that GOD HIMSELF spoke to them, told them to do this and that? The answer is: A fool does not stop being a fool AFTER DEATH. We should not forget that there are not only astral shades and shells but also MENTAL shades and shells, residues of more or less undeveloped MINDS of dead people. So when the spirit of a dead person has already passed into DEVACHAN, the MENTAL SHELL, or SHADE, is still dwelling in lower mental realms, trying EVERYTHING to get in touch with ANY thought of its nature...
Thus the mental residue, or shell, of a dead MEGALOMANIAC
one evil thought attracts the demons, one good thought attracts all the angels!

-2576-

clings to ANY megalomaniac, who is still alive and more than willing to accept that mental "NAPOLEONIAN" trash coming from what he thinks is "GOD". There you have your answer to the question, why especially so many preachers believe that GOD HIMSELF spoke to them. It is all a HYPE.
How then can I be sure, that, though not "GOD", but indeed a MAHACHOHAN writes "through" me? Because of THE DETAILED INFORMATION. A mental shade or shell always inspires GENERAL ideas, never anything scientific exact or special, NEVER any DEFINED analysis. Read THE BOOK OF LIGHT and then tell me if any mental shade or shell could come up with such a DETAILED information, even less so myself, who spent most of his life with writing songs and symphonies. No shade or shell could come up with a DETAILED information embracing one MAHA-MAHA MAN VANTAVA OR 311.040.000.000.000 years of COSMIC evolution. AUM. Beware, oh reader, there are many frauds in spiritual realms, alive or "dead", they all have ONE thing in common and this is: LACK OF KNOWLEDGE, or the INABILITY to think and deduct from the GENERAL to the PARTICULAR. But since this is the state of consciousness of 99 percent of mankind, it is [almost] always THE PREACHER, who have millions of followers and rely on THE TRUE MASTERS. But then again, what is time for the SPIRIT? A blink of an eye. For the fool it is always ETERNITY...

© WHICH HALLUCINATION IS THE FIRST STEP TO THE TRUTH.

It is not the SYSTEM, that has to change. The TRUTH has to come back then the RIGHT SYSTEM shall appear. Lenin.
-2577-

THE SOCIETY OF THE FUTURE

We are heading toward an altruistic society which is ONE for all and ALL for one. The selfish man is hopeless behind its time. Our society now is a society based on FEAR. Fear is created by ambition, ambition by competition, competition is the result of a thought, or idea, that there is ANYTHING to achieve, or, you could also say, competition is the EFFECT of an awakening of ambition. And this awakening of ambition is caused also by the feeling of being separate from each other, or by the consciousness of separation, when in reality we are all ONE body of CHRIST. THAT knowledge, that we all are ONE BODY OF CHRIST or that we all come from ONE spiritual source, whatever name you might apply to that source, has been later CONFUSED by religion and its black magicians, now called PRIESTS. The priests of different nations and cultures KNEW about the ONE LIFE and the ONE SPIRIT out of which EVERYTHING emanated, but they ABUSED that knowledge, by inventing their own GOD and their own religion for their own "chosen people". CHOSEN PEOPLE? What a NONSENSE! We are all ONE. THEY knew it, but they did not want YOU to know it, because then they would have lost their power over you. First they kept the masses ignorant, then they kept them weak, by telling them, that, whenever they did something "evil", it was the DEVIL, who told them to do it. And who can fight the DEVIL for you? Guess who, of course THE CHURCH! you are looking for the or Devil - from the bad or Devil.

-2578-

founders of the Satanic cults? It is the CHURCH and the priest REISSON is the father of SATANISM. They believe in Satanism, and by believing in him and thinking of him, they created throughout almost two thousand years a THOUGHTFORM, which is ALIVE. THE DEVIL LIVES! Created by the minds of the priesthood! A monster, created out of THOUGHT MATTER living in lower AKASA - astral regions. I almost said AUM. But no AUM to the Devil, creation of THE CHURCH. What can we do against it? ONLY knowledge liberates. THE BOOK OF LIGHT is like THOR'S HAMMER*, whirling through space and destroying EVERYTHING, which is NOT evolving toward the HIGHEST. THE BOOK OF LIGHT has to be taught and shall be taught in all schools and universities all over the globe, and AMERICA shall be just the BEGINNING. ONCE THE TRUTH IS OUT, nobody can EVER ANYMORE misuse power, in order to oppress and manipulate others. THEN the world shall find the words of MASTER KOOT HUME LAL SINGH corroborated, who writes in his tenth Letter to A.P. Sinnett: "Ignorance created GODS and cunning took advantage of the opportunity. It is priestly imposture that rendered these GODS so terrible to man. It is RELIGION that makes of him the selfish bigot, the fanatic, that hates

*also the SWASTIKA, but in its pure form, not the abused version of black magicians like HITLER, etc.

-2579-

All mankind out of his own sect, without rendering him any better or more moral for it. It is belief in GOD and GODS, that makes two-thirds of humanity the slaves of a handful of those, who deceive them under the false pretence of saving them. Is not man ever ready to commit any kind of evil, if told, that his GOD or GODS demand the crime?" etc.

RELIGION is the main reason for all evil. Once that enemy is pinpointed, we have to set the PATH for future generations to come. What, then, is the first and most important thing we have to teach our children [and ourselves]. Is it MORALITY? Is it to believe in a GOD? Is it to honour our parents? Is it not to kill? Is it not to commit adultery? NO. The first thing we have to teach our children is

RESPONSIBILITY!

Whatever happens to you, be it good or bad, is just an energy, created in this or a previous incarnation by YOU. THEN you put out an energy into the UNIVERSE, NOW you get it back. It hits you like a computer controlled missile. And believe me, it won't MISS you. If you succeed to escape in THIS incarnation, it hits you in the next. AUM to the glory of BHAKTAN - AUM. And AUM to the LORDS OF KARMA, fulfillers of THE LAW. AUM. We have to teach our children the FACT of REINCARNATION, because ONLY the complete understanding of KARMA

-2580-

and REINCARNATION stops you in blaming others for what happens to you, be it in a relationship, in business or toward YOURSELF. And once you stop blaming others you stop hurting them, and once we stop hurting each other there shall be no more wars.

Let us see what would happen if EVERYBODY would just follow the message of THE BOOK OF LIGHT, which is: "BE PURE BE SIMPLE BE INNOCENT". Be pure means, on the physical level, be a vegetarian. Do not eat blood of other living breathing beings, so that your blood should not be soiled. Be pure means also have two simple meals a day and drink water.

Thus you shall become a hundred years old*. No coffee, no sugar, no drugs, no alcohol, nothing, just two simple meals a day and some water. What would be the consequence? You would become healthy and the economy of the world would brace down. Import-export of goods would stagnate and millions would lose their jobs, just because we all decided AT ONCE to live PURE. Millions of doctors would lose their jobs, because most people would be healthy again.

BE SIMPLE

Clothes are there mainly to cover your body, and cars should have only one purpose, namely to be vehicles for transport, to bring you from one place to the other. So what is it good for to have special extravagant designed clothes and 500 different if KARMA allows it. But in any case you create NOW a better body for the next life.

-2581-

rent kind of car designs. THE SPIRIT DOES NOT LIKE EXTRAVAGANCE, which does not mean that you should not express your individuality. Most of the automobile and Fashion industry would collapse. YVES SAINT LAURENT would have to pump gas for a living. Be simple would also mean: no more exaggerations not only concerning food, but also simplicity in movies [no more sex-and horror movies] and lectures [no pornographic books and magazines] thousands of producers and also those, who PRINT that stuff, would be out of job. Let me tell you one thing: There is only ONE BOOK, that you need to read and that is: THE BOOK OF LIGHT. After having read THE BOOK OF LIGHT, all other books you should read are books, written by YOURSELF, and all music you hear should be music written by YOURSELF and all poems should be poems written by YOU. You say you have no talent? Here is the answer: and it is a message, that I withheld from you until now, because I wanted first THE BOOK OF LIGHT to truly ENLIGHTEN you. THIS IS THE TRUTH ABOUT YOU.

I. YOU ARE A BOOK II. YOU ARE A SONG III. YOU ARE A SYMPHONY IV. YOU ARE A POEM V. YOU ARE A DRAMA VI. YOU ARE A COMEDY VII. YOU ARE A SAGA IN SEVEN CHAPTERS.

And the author of all this is BRAHMAN. BRAHMAN is an ARTIST, who used his MIND, which is UNIVERSAL MIND OF MAHAT. And by using his UNIVERSAL

-2582-

MIND, BRAHMAN wrote I. A BOOK II. A SONG III. A SYMPHONY IV. A POEM V. A DRAMA VI. A COMEDY and VII. A SAGA IN SEVEN CHAPTERS. You are all this, and all this is in you, you have just FORGOTTEN IT. BEETHOVEN answered, when asked, where his inspirations come from: "I just write it down!" You see, we are all connected with all levels of creativity. Instead of USING these levels, we dwell only in this physical material world, not knowing, that RIGHT now we are connected with IMMEDIACY, CREATIVITY, and OMNISCIENCE. So just write it down, express it, create it. And to the man of science I'd like to say: Learn from THE BOOK OF LIGHT, that it is the INVISIBLE and ABSTRACT, which is the cause, and the VISIBLE, which you see under your microscope is just an EFFECT. Understand, UNDERSTAND, and then show RESPONSIBILITY.

BE INNOCENT

Oh, my GOD! This would be the end of EVERYTHING! wouldn't it? Just imagine, no body would commit any more crimes! Millions of judges around the globe would end on the street, because they would lose their jobs, and they would have nobody any more to judge over, except THEMSELVES. Be INNOCENT would also mean: EVERY-
*and then they would maybe experience, how it is when some body ELSE judges over THEM...

-2583-

body can trust every body. I have a FLASH. THE CHOHAN! He urges me to say it right now, to WRITE it down HERE and NOW and not in any other chapter and THEN to continue with what would happen, if every body would be INNOCENT, though it also has to do with it. WHAT CAN I DO FOR OTHERS? THAT is the question we have to ask ourselves, and living according to that question brings SPIRITUAL AND PHYSICAL results. SERVING is of the nature of THE SPIRIT. Why do those who have great careers, fame and money and maybe millions of followers, FAIL in the end and are finally CRUSHED DOWN by the LORDS OF KARMA? Aren't they doing something for OTHERS? Millions are following them, MILLIONS are applauding, MILLIONS shouted HELL HITLER. What went wrong with all those political leaders, movie stars and business moguls? Very easy, they simply asked THE WRONG QUESTION. They did not ask: What can I do for others? they asked: how can I take advantage of the weakness, desires and passions and ADDICTIONS of others? yes, by producing porno movies the producers do something for millions of SEX-ADDICTS in the world, by producing alcohol they do something for alcoholics, by producing processed food they do something for FOOD ADDICTS, by producing Rolls Royces and PORCHES, they do something for people with

-2584-

an IMPERSONALITY complex, and so forth. But they act CONSTANTLY against THE SPIRITS of those poor addicts. Why? A) because they do not KNOW about the presence of a Spirit in each and all of us, even and ESPECIALLY IN THEMSELVES and, or, B) they do not BELIEVE in the Spiritual nature of man. Thus they call the merciful teacher on the plane, and this merciful teacher is KARMA. Therefore it is always important to attain KNOWLEDGE, before you really want to help effectively, lest you should not think you are a friend of mankind, when in reality you acted as its ENEMY. "But I build with my money 5 hospitals where thousands can be healed," claims the billionaire, who made his money with producing cigarettes. He might have helped to build hospitals, but it is exactly those people, whom he caused to get cancer by cigarette smoking, who now maybe die in those hospitals. He, the producer of cigarettes, sold them the nails to their coffins...

ONLY those who UNDERSTAND and STUDY THE LAW, written in THE BOOK OF LIGHT, shall become intelligent coworkers* and shall avoid suffering [KARMA] for themselves and others in this, or another, incarnation. *What can I do for others? is a TOUGH QUESTION, because it shows you, what you might have done until now, not FOR but

* though it also happened by their own decision...
** with nature

-2585-

AGAINST others. And many people do not want to be confronted with these facts, their lower selves REBEL against that consciousness, against that NEW consciousness. In denying THE TRUTH they can await nothing but SUFFERING for themselves. BE INNOCENT! That would mean everybody can trust everybody. Business people would not need contracts any more. A word and a handshake would be SUFFICIENT. Millions of lawyers and notaries would be out of business, there would be of course also no more or very few divorces, because no husband would cheat on his wife and vice versa, and NOBODY would hurt NOBODY any more. Millions of prison guards all over the world would lose their jobs, because everybody would obey the LAW, which is: BE PURE, BE SIMPLE, BE INNOCENT. We would even, IMAGINE, need no more POLITICIANS, because only THREE words would be from now on our leaders:

PURITY SIMPLICITY INNOCENCE

and SCIENTIST would FINALLY show RESPONSIBILITY and invent machines, which do not destroy our environment any longer. The ARABS would have to learn how to ride on their camels again, instead of being chauffeured in limousines, because nobody would need their oil any more, and it would stay

-2586-

where it belongs, in the bowels of mother earth. And WAR. Think about WAR! There would be no more wars in the world. Nothing any more to feed the inferiority complex of secretaries of defense. Millions of soldiers without a job. What a horrible peace, you might say. REALLY? I say it would be wonderful to be pure, simple and innocent again. You say: But the whole world would collapse! The whole world shall collapse ANYWAY one day at Pralaya, and even BEFORE that, because war, diseases, catastrophes, etc. are designed by the KARMA DEVAS to bring you back on THE PATH, to eliminate exaggeration and to create BALANCE. But don't you worry. The world shall NOT collapse, just because you decide to become pure, simple and innocent, simply because not everybody would and will become pure, simple and innocent again. This IS NOT for everybody. THE BOOK OF LIGHT is not for everybody. Only a few shall escape ANNIHILATION. The multitudes shall go down, crushed by THE LORDS OF KARMA. But those who decide to follow the message, written in THE BOOK OF LIGHT, and to live the MIDDLE PATH shall be save. You don't have to save the world, help and save yourself first and THEN help your NEIGHBOUR, the person(s) NEXT to you. THAT is what you have to do. Thus you live up to the

* which does not at all mean DESTRUCTION FOREVER. Everybody shall get a chance, over and over again, to be at the same time.

-2587-

nature of the SPIRIT and feel the bliss of your TRUE SELF. If there at least is ONE person, that you helped to carry the burden and to EASE the pain, just ONE person other than yourself, then you have already done a LOT for the world as a total AND for yourself. HERE is where the spirit wants you to work, HOME and not in BHARUKA, or NICARAGUA or VIETNAM. If he would have liked you to help in THE THIRD WORLD, he would have INCARNATED you in the third world. How can you show compassion for somebody in the THIRD WORLD and none for the homeless in L.A.? There must be something wrong with that philosophy. But when I say you should help somebody, I do not necessarily mean a relationship, where you get something back for what you give. I mean SELFLESS help. Which is a wrong word all together, because each help is done WITH the higher self and should be done, or given, WITHOUT the lower self. If everybody would just help to feed ONE homeless person, just take care of ONE, there would be no hungry homeless people in the world. And do not judge. Do not say: He should get himself a job! What do you know? What do you know about that person? He might be physically able to take a job, but experience mentally a "down" phase. Some souls are in a sort of "status quo". They simply just can't take it any more. Let them be, and do not forget: it could happen to you at any time. Then it shall be YOU, who

* which mostly asks: "What do I get back?"
and also sometimes a LIMBO.

-2588-

needs help...

So again, if you want to help, do it UNCONDITIONALLY and don't put your nose into other people's business. Man is a complex being. There are no two same persons. How then can you give ANY advice to ANYBODY? THE BOOK OF LIGHT does not have to convince ANYBODY. When you read it you ARE already convinced. I just reawake in you, what you ALWAYS KNEW! AUM. Everybody is entitled to his OWN experiences. Work on yourself, change yourself and then everything AROUND you shall change. NOW, what about moral behavior, sexuality, etc.

Let me quote THE MASTER KOOI HON LAL SENI again: "Food, sexual relations, drink, are all natural necessities of life; yet excess in them brings on disease, misery, suffering, mental and physical etc." and now behold! "food, wealth, ambition, and a thousand other things we have to leave unmentioned, becomes the source and cause of Evil whether in its abundance or through its absence."

Or, in my words: LIVE THE MIDDLE PATH. Let me make it clear, the Book of LIGHT presents THE LAW to you. You do with it what you want. Of course the IDEAL would be: Make only love to the one you truly love. Have only sex for the purpose of procreation of NEW LIFE. So far as to the MORAL LAW. BUT: We all, or most of us, are fallen angels* or derived from those of the THIRD ROOT RACE in whom THE LORDS OF MIND incarnated too late [purposely]. Thus matter [or our physical bodies] had already prevailed over spirit, and when finally, MIND, or MANAS, made us aware of that DO-

-2589-

MINATION OF MATTER. WE had to deal with IT and MIND or MANAS became DUAL. One part of it led us downward into MATTER and the other part UPWARD to the SPIRIT. There you have the so-called "Two souls" in your breast. Nevertheless, SPIRIT shall win one day over matter. But for most of us that battle cannot be won in ONE lifetime. What, do you think, is RE-INCARNATION there for? To give a SPIRIT the opportunity to come back again and again, until he has MASTERED the body. Those of you who want to become SAINTS in ONE lifetime better make sure that you are physically and spiritually strong enough, otherwise you call forth all demons and disembodied entities and hell is loose, and you shall not become a SAINT but a MONSTER. NATURE ABHORRES the EXTREME. Therefore I gladly take the responsibility of your KARMMA on me, when I now again suggest to you: LIVE THE MIDDLE PATH. Do not overstep the line of KARMA too much to ANY side, be it positive or negative, and, with whatever you do, be aware of the fact, that you alone are responsible for EVERY little tittle bit that happens to you. Therefore again: BE PURE, BE SIMPLE, BE INNOCENT, and if something happens in an outrage or outbreak of emotion, take the result, or effect, which HAS to come sooner or later, like a MAN [or a WOMAN], don't whine around and brake down and blame others

-2590-

for what happened to you, but only blame YOURSELF for it. You are reward and punishment in ONE, there is no vengeful god. "GOD", if you want to give it that name, is not an old man with a beard, it is THE LAW, THE LAW written in THE BOOK OF LIGHT. Do not hate, you just hate YOURSELF this way, but "DRINK and EAT and BREATHE" the KNOWLEDGE presented to you in THE BOOK OF LIGHT. There is no other way to liberation for many thousand years to come. AUM. Do not feel ambition, or competition, toward others. Ask yourself every night, before you go to bed and every morning after meditation: "WHAT CAN I DO FOR OTHERS?" Thus you awake your innermost talents, and success shall be yours. The root of TRUE success is SELFLESSNESS. What can I do for others? THAT is the question a CLEVER man asks himself EVERY DAY. This question connects you directly with BRAHMAN. This question is of the nature of your HIGHER self, because up there we are all ONE, and down here this ONENESS has yet to be ACHIEVED. The ONE HUMAN becomes MANY down here, just to repeat, what is already up there. AUM. THIS is the true way to EVERLASTING LIFE. [It is a simple question: "What can I do for others?" WHAT you can do, and what you are HERE to do, is, to fulfill THE LAW, THE LAW reawakened in

THE BOOK OF LIGHT

-2591-

THE BOOK OF LIGHT COMBODORATED by HINDU, EGYPTIAN, GREEK, NORTHERN SCRIPTURES AND EVEN [what a SURPRISE!] by DARWIN. THE BOOK OF LIGHT teaches that there was a WAR IN HEAVEN AND AMONG THE PLANETS. In other words: NOT ONLY the ANGELS** fought, but also their PLANETS [houses]. This, later by DARWIN TOO MUCH MATERIALIZED, IDEA of "THE SURVIVAL OF THE FITTEST" goes like a THREAD through ALL SACRED and REVEALED scriptures. For instance, the PURANAS** write about THE WAR [S] IN HEAVEN, though in veiled form, namely veiled in a mixture of HUMAN EVENTS - COSMIC FACTS interwoven with ALLEGORICAL ALLUSIONS. Why? Because they wanted THE TRUTH only to be known by INITIATES, who were able to read BETWEEN the lines of SYMBOL and ALLEGORY. AUM. HESIOD, the GREEK poet who lived 800 B.C., writes about THE WAR OF THE TITAN [meaning GIANTS AND PLANETS]. The EGYPTIAN legend tells us of the STRUGGLES between OSIRIS and TYPHON. Read the SCANDINAVIAN legends and you find the same WAR IN HEAVEN as taught by THE BOOK OF LIGHT. Or take the HINDU INDRA fighting against the ASURAS, which is nothing else, than the confrontation between MANASAPUTRAS of THE BOOK OF LIGHT, namely between those, who obeyed and those, who did NOT obey. And when VRIHAT fights against AH-HI it is the same event just in different terms. What

* who for ONCE was right...
** only truly understood by a few.

** By Angels I mean the LATER Subdivisions of THE PRIMEVAL SEVEN RAYS.

-2592-

else is THE WAR IN HEAVEN of MICHAEL and his HOST against THE DRAGON, than WAR BETWEEN THE MANASAPUTRAS? Those who finally FELL or LOST or FELL DOWN INTO INCARNATION, even lost their HOUSES, or PLANETS* from THE MAKRIA BOKRAC [1/2 of the constellation]. So we can see here, that, if ANYBODY copied, it was DARWIN from these scriptures. And THE BOOK OF LIGHT? Did we copy from the ANCIENT SCRIPTURES? If ANYTHING WE UNITE them, recognizing them as BRANCHES of ONE TREE, at which ROOT dwelleth a power, CAUSING THE TREE to grow and that power is ancient wisdom and knowledge, reawakened in THE BOOK OF LIGHT. AUM. when does THE STRUGGLE appear? In THE BEGINNING? NO, but after THE SEVEN RAYS "stand", emanated out of the TRINITY and before that THE ONE, THEN THE WAR BEGINS, from the very first emanation OUT OF ONE OF THE SEVEN RAYS or call them SEVEN GODS. Or, as Blavatsky has it: "...as soon as a nucleus of primordial substance in the LAYA [undifferentiated] state is informed by the fixed principle, of a just DECEASED sidereal body - become first comets, and then Suns to cool down to inhabitable worlds, is a teaching as old as the RISHIS."

*...and its place was found no more in Heaven!

-2593-

WHAT HAPPENS TO THE SOUL AFTER ABORTION?

OR
IMMEDIATE REINCARNATION.

Sometimes, when, through abortion for instance, the soul is forced to REINCARNATE IMMEDIATELY (and without rest in DEVACHAN) in order to fulfill its PURPOSE [INCARNATION], the ASTRAL BODY of the aborted child CLINGS to the MONAD, causing all sorts of DEFORMATIONS in the NEWBORN BABY, respectively already in the EMBRYO and FOETUS. ABORTION is only ONE example of how and why the soul incarnates INSTANTLY again and is then being confronted with the result of its previous attempt to incarnate, namely a violently disconnected ASTRAL [of the aborted infant] clinging DESPERATELY to its SPIRITSOURCE or MOTHER [Father] SPIRIT. Other causes for deformation of a baby could be: INTERRUPTION OF THE PREVIOUS INCARNATION through sudden DEATH of the EMBRYO [death of the MOTHER], EXITUS OF THE FOETUS through BLACK MAGIC, incurable IDIOTCY etc. But let us get back to ABORTION and see what EXACTLY happens to the SPIRIT AND THE ABORTED FOETUS AND TO THE NEXT INCARNATION AFTER THE ABORTION.

* SOMETIMES the SPIRIT decides to DISCONNECT ITSELF from the FOETUS (or CHILD) and INCARNATE AGAIN, WHETHER in the NEW INCARNATION.

-2594-

PHASE ONE.

Man and woman have SEX. A SOUL awakes in DEVACHAN [Heaven], ready to INCARNATE.

PHASE TWO.

The female OVUM is FRUCTIFIED by the male SPERMATOZOOM.

PHASE THREE.

A host of the KARMA DEVAS attaches the ETHEREAL DOLL-LIKE FORM to the FRUCTIFIED OVUM.

PHASE FOUR.

The OVUM grows in, on and THROUGH, that ETHEREAL matrix also called ELEMENTAL.

PHASE FIVE. [coeval with PHASE FOUR].

THE MONAD or SPIRIT incarnates FASTER THAN LIGHT, passing mental- astral- and ETHER PLANES, picking up on, or from, each plane the SKANDHAS or PERMANENT ATOMS from LIFE[S] BEFORE.

PHASE SIX.

The growing embryo NOW even develops an astral and mental body, caused by the INCARNATED, or INCARNATING, SPIRIT and its ASTRAL and MENTAL SKANDHAS.

† though still loosely connected.

-2595-

PHASE SEVEN.

After, for instance, FIVE MONTHS of PREGNANCY the mother decides to abort the FOETUS.

PHASE EIGHT.

Now the SPIRIT or MONAD has lost its PHYSICAL VEHICLE, and is in a kind of NOWHERE LAND. It, the SPIRIT, cannot ASCEND to DEVACHAN and can't also [yet] incarnate. But it WANTS to INCARNATE [IT HAS TO FULFILL its cosmic purpose, which is: TO SPIRITUALIZE MATTER.

PHASE NINE.

DRIVEN by the URGE to MANIFEST, the SPIRIT REINCARNATES IMMEDIATELY in ANY AVAILABLE FRUCTIFIED OVUM.

PHASE TEN.

Meanwhile THE ASTRAL BODY [Linga Sarva] of the ABORTED FOETUS drifts PARENTLESS* through THE ASTRAL PLANE, suddenly and ALWAYS

* By PARENT I do not only mean its PHYSICAL PARENTS but mainly its SPIRITUAL PARENT, THE MONAD.

-2596-

realizing THE PRESENCE of ITS SPIRIT or MONAD, which NOW has incarnated into ANOTHER EMBRYO or later BABY BODY.*

PHASE ELEVEN.

THE ASTRAL of the ABORTED FOETUS clings DESPERATELY to the MONAD, or better, to the NEW BABY BODY, into which THE MONAD INSTANTLY REINCARNATES.

811

Female womb
two astrals

* In extreme cases THE ASTRAL ATTACKS the baby and later TEENAGE again and again, which explains the phenomenon of being OBSESSED. The same parentless astral could also be while drifting through the astral plane, possessed by OTHER parentless drifting ASTRAL.

-2597-

PHASE TWELVE.

Now the MONAD has to deal with TWO ASTRALS, one of the aborted Foetus and one of the NEW Foetus, which also means, that the ELEMENTAL OR ETHEREAL MATRIX of the NEW FOETUS GROWS ALSO AROUND the ASTRAL OF THE ABORTED FOETUS, thus causing all sorts of DEFORMATIONS ALREADY in the FEMALE WOMB, which THEN of course results in a DEFORMED BABY.

812

KEY: FETUS.

-2598-

813

These deformations are here presented in such a drastic way, in order to WARN the reader, NEVER TO ACT AGAINST COSMIC LAW, especially not NOW, that he, or SHE, KNOWS about HOW and WHY ABORTION is a CRIME not only against the aborted FOETUS, but ESPECIALLY against THE SPIRIT.
AUM TO WISDOM AND KNOWLEDGE.

-2599-

THE BOOK OF LIGHT COMBONATED BY EASTERN PHILOSOPHY AND the CHALDEAN KABALA [origin of the JEWISH Kabala].

The DOCTRINE of planetary chains and rounds is taught also in EASTERN PHILOSOPHY, for instance in the GUPTA VIDYĀ, as well as the SEVEN COSMIC PLANES, the THREE FIRST being AKŪPA OR FORM-LESS and the FOUR LOWER planes occupying our SEVEN CLOVES of the PLANETARY CHAIN.

OUR EARTHCHAIN IN THE GUPTA VIDYĀ.

814

-2600-

The CHALDEAN KABALA teaches almost the same, with little variations, as to placement and enumeration of our EARTHCHAIN.

OUR EARTHCHAIN IN THE CHALDEAN KABALA.

815

-2601-

THE BOOK OF LIGHT CORROBORATED BY
SYMBOLOLOGY

In order to survive, THE TRUTH [now unveiled in THE BOOK OF LIGHT] had to be veiled in symbols. Unfortunately these symbols, later presented by THE CHURCH and RELIGION as THE TRUTH ITSELF, became the cause of all EVIL in the world. See the misuse of a once holy symbol like the SVASTIKA by ADOLF HITLER and his NAZIS etc. But by using THE SYMBOLS as PROOF and WITNESS FOR THE TRUTH, presented in THE BOOK OF LIGHT, they shall be cleansed again from RELIGION, who tampered with them for more than 2000 years. How little did "ORIENTALISTS" like RENOUF and MAXMÜLLER know, when they claimed, that "Mythology is the disease, which springs up at a peculiar stage of human culture." The disease is with THEM, because they did not have the ESOTERIC KEY to MYTHS, LEGENDS and SYMBOLS. For instance: THE EGYPTIANS saw THE MOON as a CAT. One must be an "ORIENTALIST" like MÜLLER, to think, that a nation like the EGYPTIAN NATION, which surpassed us on all levels, be it in CULTURE, SCIENCE, ART etc. that such a people would be indeed so stupid;

-2602-

so ignorant, to think that THE MOON WAS A CAT! What is the explanation? Just that: They knew then already [and always], that MOONLIGHT was nothing but REFLECTED SUNLIGHT AT NIGHT. Thus we could say, that THE SUN SAW AT NIGHT THROUGH THE MOON, or: THE SUN LOOKED INTO THE UNDERWORLD [NIGHT] and was able TO SEE AT NIGHT AS THE CAT DOES. So by saying, that THE MOON IS A CAT, THE EGYPTIAN initiates passed on a [though veiled] astronomical FACT. In that sense BLAVATSKY is right, when she says, that "no Egyptian papyrus, no Indian folia, no Assyrian tile, or HEBREW scroll, should be read and accepted literally".

THE BOOK OF LIGHT CORROBORATED BY EGYPTIAN SYMBOLOLOGY.
THE BOOK OF LIGHT teaches: that there is a CREATIVE FORCE IN NATURE, from whence ALL BEINGS attain FORM [THE EGYPTIAN TOUM]. b) in our HIGHEST ASPECT we and everything else are UNISON, SELF-GENERATED and SELF-EXISTENT in and from COSMIC VEGENITY or COSMIC SUBSTANCE EVA SHAYAT or FATHER-MOTHER or CHAOS [the EGYPTIAN NOUN] c) HUMAN and COSMIC REEN-CARNATION [the Egyptian BENNOO, or PHOENIX, the water impregnated by SPIRIT.

-2603-

"BIRD OF RESURRECTION IN ETERNITY".
SPIRIT Hovers OVER THE WATERS OF LIFE [OR: THE PHAROAH'S DAUGHTER'S BIRD, FLOATING IN AN ARK OF RUSHES ON THE RIVER NILE].
THE BOOK OF LIGHT teaches, that EVERYTHING begins with A CIRCLE, A POINT, A TRIANGLE AND A CURVE. THE EGYPTIAN CRUX-ANSATA repeats that fact. THERE IS A PRIMORDIAL SUBSTANCE opening EVERY NEW CYCLE OF MANIFESTATION, in THE BOOK OF LIGHT AS WELL AS IN THE BOOK OF THE DEAD OF EGYPT.
THE BOOK OF LIGHT teaches, that "Creation" was done by SECONDARY POWERS and NEVER by THE ONE or THE THREE or EVEN THE FIRST SEVEN RAYS. SO WE ALSO READ IN "THE CHALDEAN BOOK OF NUMBERS".
THE BOOK OF LIGHT reveals, that OUR VISIBLE UNIVERSE [including its SPIRITUAL SOURCE] is but an IMAGE of CONCRETE ABSTRACTION, and SO WAS IT TAUGHT IN THE INNER TEMPLES OF EGYPT.
THE BOOK OF LIGHT counts ONE DAY: OF BRAHMA as 4,320,000,000 terrestrial years. EGYPTIAN symbolology veils: "Man was created in THE SIXTH MILLENNIUM, which does not at all mean 6000".
* Later the HEBREWS copied this symbolic story and presented it to the world as REAL.

* This story never happened other than as a symbolic veil for ESOTERIC TRUTH.
** corroborated by ancient HINDU calendars.

-2604-

terrestrial years but, if ANYTHING, 6000 years OF BRAHMA.
THE BOOK OF LIGHT teaches, that EVERYTHING [FORM or FORMLESS] exists already as an IDEA [I] in UNIVERSAL MIND [MAHAT]. THE EGYPTIANS call it YOUNGER and OLDER HORUS. THE OLDER HORUS IS THE IDEA, THE YOUNGER HORUS IS THE IDEA ENCLOSED IN MATTER.
THUS THE LOGOS IS INDEED "THE WORLD MADE FLESH", which is repeated in the EGYPTIAN PANTHEON. THE BOOK OF LIGHT teaches a DIVINE WISDOM superior to EVERYTHING, even to SPIRIT. THE EGYPTIANS called it CREATIVE INTELLECT OR PHTA. * The word says it already: PHTA means "He who opens" - namely at EACH MAHA MANVANTARA. THE BOOK OF LIGHT teaches THE MYSTERY OF MYSTERIES - THE MUNDANE EGG OR HIRANYAGARBHA. That is, why, for instance, SEB, the EGYPTIAN GOD OF TIME, carries a GOOSE [or EGG CARRIER] on his head, because THE MUNDANE EGG IS ALWAYS "containing but not contained ITSELF" and for sure BEYOND, or PARA, time.
THE BOOK OF LIGHT teaches, that an active SOMETHING evolved from a latent NO-THING, or NOTHING.

* only LATER the Egyptians "degraded" PHTA to SUNGODS, and also into THE GOD OF THE DEAD, etc.
* or even 12,000...

-2605-

EGYPTIAN SYMBOLOLOGY and MYTHOLOGY repeats that knowledge in veiled form, by using AN EGG as symbol, because it is out of an EGG, that something evolves and BREAKS THROUGH, without ANY help [other than HEAT]. THAT is, why SEB, the EGYPTIAN GOD OF TIME and of EARTH "laid an egg out of which emanated THE UNIVERSE." It requires truly the brain - and I. Q. of a [not existing] DARWINIAN APE to think, that the Egyptians thought, a real egg was laid by somebody, and that this egg THEN became THE UNIVERSE. Now we can imagine the mocking laughter of "learned" Orientalists, when they read in THE EGYPTIAN RITUAL [xiii, 11] It is the EGG [UNIVERSE] of the great glucking Hen, the Egg of Seb, who issues from it like a hawk.

And not only the EGYPTIANS, but also the GREEKS, SYRIANS and PERSIANS used THE EGG as symbol to veil COSMIC-SCIENTIFIC FACTS. See the EGG as a CIRCLE and the POINT in it as THE SELF BORN UNCREATED, YET constantly reappearing, principle, and you have THE MASTER KEY for EVERYTHING. So is the EGG just a symbol? Just that much: A SEER knows how to perceive in the yoke and white of the egg "that which the bird born from it would have seen around it during

• BOOK OF THE DEAD.

-2606-

its short life." [Blavatsky. S.D.]

And since THE EGG was so sacred, its CARRIER, a BIRD, or DOVE, or SWAN, or GOOSE, became sacred too, SYMBOLIZING THE HOLY SPIRIT. From the moment Religion took over, the whole thing became totally confused...

THE BOOK OF LIGHT teaches a "first" reflexion out of THE EVER TO BE UNKNOWN, which is the UNMANIFESTED BRAHMAN, WITHDRAWING again and leaving the MANIFESTED BRAHMAN [neuter-and, for one MAHĀMAN-VANTARA] which "causes" THE UNIVERSE. In the same way the EGYPTIAN RA REMAINS in his EGG during the cosmic struggle, which is a very risky symbol, because it makes THE EGG even "holier", by putting it in the position of THE EVER TO BE UNKNOWN, namely PARABRAHMAN, and we know by now that PARABRAHMAN is neither THIS nor THAT, simply because it is BEYOND COMPREHENSION, and therefore surely not just an EGG or even not its ABSTRACT MATRIX and PROTOTYPE.

THE BOOK OF LIGHT teaches PERIODS OF COSMIC ACTIVITY and PASSIVITY - Manvantaras and Pralayas, or DAYS and NIGHTS OF BRAHMĀ. This UNIVERSAL ancient knowledge was LATER COPIED by RELIGION and twisted and DWARFED in TERRESTRIAL DAYS and NIGHTS, during which God "created" the UNIVERSE.

-2607-

Each cosmic cycle and circle has to be out-lived. There is no shortcut of COSMIC EVENTS. This teaching is corroborated, though in hidden form, even by THE ZOHAR, where we read: "As MOSES was keeping a vigil on MOUNT SINAI, in company with the deity, who was concealed from his sight by a CLOUD, he felt a great fear overcome him, and suddenly asked: "Lord, where art thou... sleepest thou oh Lord? ..." And the SPIRIT answered him: "I NEVER sleep: were I to fall asleep for a MOMENT BEFORE MY TIME, all the creation would crumble into dissolution in one instant."

THE BOOK OF LIGHT COMMUNICATED BY THE LOTUS SYMBOL.

THE BOOK OF LIGHT teaches, that EVERYTHING, or EVERY FORM, is already stored and contained in ĀKĀŚA, like THE SEED OF THE LOTUS is contained in THE LOTUS and has ALREADY its MINIATURE SHAPE. THAT is the main reason, why the ĀRYAN HINDOOS, EGYPTIANS, BUDDHISTS and EVEN CHRISTIANS adopted the LOTUS SYMBOL. The CHRISTIANS TOO? Yes, see for instance THE ARCHANGEL GABRIEL holding a spray of WATER LILIES [while appearing to the VIRGIN MARY]. In the same way THE UNIVERSE evolves from THE CENTRAL SUN.

• pictures of Annunciation.

-2608-

THE BOOK OF LIGHT teaches, that EARTH evolved out of THE MOON. This teaching is nothing NEW, but hidden in ALL RELIGIONS. THE MOON is THE DEITY [life giver of our globe] of THE CHRISTIANS as well as for the MOSAIC and KABBALISTIC JEWS. The GREEKS saw THE MOON as DIANA on EARTH and also as the PROTOTYPE [!] of THE TRINITY. ISIS was THE MOON, OSIRIS the SUN. HINDOOS call themselves SŪRYAS [Solar dynasties] and CHANDRAVANSAS [Lunar dynasties]. THE MARIOLATRY, or worship of MOTHER MARY, is nothing but a ROMAN CATHOLIC COPY from ANCIENT LUNAR CULTS. THE BABYLONIANS worshipped THE MOON, whom they called SEN and saw in her THE SOURCE OF LIFE AND EARTH. And what was the symbol for PARABRAHMAN? With the ANCIENT there was NO SYMBOL for PARABRAHMAN or for THE FIRST CAUSELESS CAUSE, because PARABRAHMAN is BEYOND ANYTHING and for sure beyond any SYMBOL. Only LATER all cultures soiled the PURITY of PARABRAHMAN. One of THE MAIN FUNCTIONS OF THE BOOK OF LIGHT is to RESTORE THE VIRGINITY [because INCOMPREHENSIBILITY] of PARABRAHMAN.

THE COW.

The COW was holy as a symbol for cosmic TRUTH and not as COW. She represented the LIVEGIVING PRINCIPLE and also, what LATER

turned into the ARCH OF NOAH, which was never a real ARCH, but a symbol for THE SURVIVING PRINCIPLE [from ONE chain to the OTHER, SISHTAS etc.].
THE CIRCLE.

SPACE, the ALLCONTAINING NONCONTAINED, is THE SURFACE OF THE CIRCLE, and THE CIRCUMFERENCE OF THE CIRCLE is THE RING PASS NOT, watched by THE LIPIKA. These, and many other facts, are taught in THE BOOK OF LIGHT. In the same way THE KABSALA, as distorted as it is now, gives GREAT IMPORTANCE to THE CIRCLE. Thus in the KABSALA the TEN SEPHIROTH, composing ARCHETYPAL MAN [creative origin of all things] ARE in its ABSTRACT ROOTNATURE THE CIRCLE AND ITS DIAMETER LINE, or THE NUMBER TEN. LATER this abstract symbol was PHALICIZED, and they connected the circle and its diameter line with the signification of the reproductive organs, and they DEGRADED the HOLY OF HOLIES into PENIS and VAGINA. AGAIN I repeat: CHRISTIANITY is MUMIFIED MYTHOLOGY, and LEGENDARY LONE. [Blavatsky]. There are only TWO BOOKS, which unveil the MYSTERY OF THE CIRCLE in its TRUE SIGNIFICANCE, THE SECRET DOCTRINE and THE BOOK OF LIGHT. THE CHRISTIANS and JEWS

*also for THE WHEEL OF THE MONAD. ** since the diameter is removed

worship THE SUN and THE MOON and do not even know IT, because they turned THE SUN into 'LORD GOD' or JEHOVAH and THE MOON into 'ASTONETH', 'Queen of Heaven'. SUN OF RIGHTEOUSNESS, 'CONSUMING FIRE' etc. are just two examples of many, proving this fact. But was the worship of SUN and MOON based only on SUPERSTITION? Not with the ancients. They had METROLOGICAL, MATHEMATICAL and GEOMETRICAL REASONS and KNOWLEDGE about SUN and MOON influencing our BODIES AND SPIRITS. See our 'wise men', laughing about the HINDU ALLEGORY 'THE RISHIS milking THE EARTH, whose calf was SOMA, the MOON.' Those who did NOT laugh, thought, that it was a scientific proof for the fact, that THE MOON was thrown off from THE EARTH and thus became its SATELLITE. Quite the CONTRARY is THE CASE, because each HINDU scripture, once REVEALED, contains, or IS, a DOUBLE BLIND. Besides, not OUR EARTH in THIS 1800th embodiment and also NOT OUR MOON was meant, but a cosmological event of and with, CHAINS BEFORE. But again I say: 'there is NO NEED ANY MORE TO UNVEIL OR DECIPHER ANY SCRIPTURE, because: THE BOOK OF LIGHT is the key TO ALL OF THEM. AUM.'

Another reason, why THE COW is holy...

DOES THE CHURCH DENY, THAT RELIGION IS JUST A COPY OF PAGAN TRADITION?

Not at all. I quote ARCHAEOLOGY DE LA VIERGE, pp. 116 and 119, Marquis de Mirville, where the church ADVOCATES STATE. "AS THE DOGMA, the liturgy and the rites professed by the ROMAN APOSTOLICAL CHURCH in 1862 are found engraved on monuments, inscribed on PAPER, and cylinders HARDLY POSTERIOR TO THE DELUGE, it does SEEM IMPOSSIBLE to deny the existence of a FIRST ANTE-HISTORICAL [Roman] CATHOLICISM OF WHICH OUR OWN IS BUT THE FAITHFUL CONTINUATION... But while the former was the CULMINATION, the summum of the IMPUDENCE OF DEMONS and GOETIC NECROMANCY... the latter is DIVINE. If in our [Christian] Revelation [1' Apocalypse] MARY, clothed with THE SUN and having THE MOON UNDER HER FEET, has NOTHING MORE in common with THE HUMBLE SERVANT OF NAZARETH, it is because she has NOW become the greatest of theological and COSMOLOGICAL POWERS in OUR UNIVERSE. In TRUTH MARY is shown with the MOON under her feet, because her VIRGINITY represents THE MOON as OUR MOTHER or indeed THE VIRGIN MOTHER OF OUR EARTHCHAIN. THE VIRGIN MARY is in her PHYSICAL ASPECT THE VIRGIN MOTHER MOON and in her HIGHER SPIRITUAL ASPECT THE SUN, VIRGIN MOTHER OF OUR HIGHER UNBORN SELFS. AUM.

mother
moon

-2613-

THE ORIGIN OF THE VIRGIN MARY.

The origin of 'THE VIRGIN MARY' is a cosmic fact, namely MŪLA PRAKRITI emanating AKĀSA, or VIRGIN ROOTMATTER, later turning, triggered by ROOTSPIRIT, into the visible and invisible UNIVERSE. This TRUTH was passed on by THE INITIATES in veiled form to different NATIONS, by giving DIFFERENT NAMES to THIS COSMIC ROOTMATTER. THE NAME MARY was copied by RELIGION and THE CHURCH from the HINDŪS and EGYPTIANS as will be shown NOW.

- 1. Hindū original: Holy Nari - Mariam
- 2. Egyptian original: Holy Isis - MUTH
- 3. ROMAN CATHOLIC COPY: HOLY MARY.

- 1. Hindū original: Mother of an Incarnated GOD - VISHNU [Devanaki].
- 2. Egyptian original: Mother of Gods - ATHYR.
- 3. ROMAN CATHOLIC COPY: MOTHER OF GOD.

- 1. Hindū original: Mother of Christna
- 2. Egyptian original: Mother of Horus.
- 3. ROMAN CATHOLIC COPY: MOTHER OF CHRIST.

- 1. Hindū original: Eternal virginity - Kanyabāva.
- 2. Egyptian original: VIRGO generatrix - Neith
- 3. ROMAN CATHOLIC COPY: VIRGIN OF VIRGINS.

- * Mother of Gods, because the Gods, including everything else, are made of AKĀSA. AUM.

** from KRISHNA, Textor de Navis (antiquaire) calls him Christna.

-2614-

- 1. Hindū original: Mother - pure Essence, ĀKĀSA.
- 2. Egyptian original: Mother soul of the UNIVERSE - ANOUKĒ.
- 3. ROMAN CATHOLIC COPY: MOTHER OF DIVINE GRACE.

- 1. Hindū original: Virgin most chaste - Kanya.
- 2. Egyptian original: Virgin sacred earth - Isis.
- 3. ROMAN CATHOLIC COPY: VIRGIN MOST CHASTE*

- 1. Hindū original: Mother Taumatra, of the FIVE virtues, or ELEMENTS.
- 2. Egyptian original: Mother of all the virtues THMET, with the same qualities.
- 3. ROMAN CATHOLIC COPY: MOTHER MOST PURE, MOTHER UNOFILED, MOTHER INVIOLEATE, MOTHER MOST AMIABLE, MOTHER MOST ADMIRABLE.

- 1. Hindū original: Virgin Trigana [of the three elements, power or richness, love and mercy].
- 2. Egyptian original: Illustrious Isis, most powerful, merciful, just.
- 3. ROMAN CATHOLIC COPY: VIRGIN MOST POWERFUL, VIRGIN MOST MERCYFUL, VIRGIN MOST FAITHFUL.

* thinking that nobody would translate the Hindū version, the copies became more and more impudent and were declared ORIGINALS.

-2615-

- 1. Hindū original: Mirror of supreme conscience AHANCAKĀ.
- 2. Egyptian original: Mirror of Justice and Truth - THMET.
- 3. ROMAN CATHOLIC COPY: MIRROR OF JUSTICE.

- 1. Hindū original: wise Mother - SARASWATI.
- 2. Egyptian original: Mysterious mother of the world - BUTO [secret wisdom].
- 3. ROMAN CATHOLIC COPY: SEAT OF WISDOM.

- 1. Hindū original: Virgin of the white Lotus, Padma or Kamala.
- 2. Egyptian original: Sacred Lotus.
- 3. ROMAN CATHOLIC COPY: MYSTICAL ROSE.

- 1. Hindū original: Womb of Gold - HYRANIA.
- 2. Egyptian original: Sistrum of Gold.
- 3. ROMAN CATHOLIC COPY: HOUSE OF GOLD.

- 1. Hindū original: Celestial light - Lakshmi.
- 2. Egyptian original: Astarte [Syrian], Astaroth [Jewish].
- 3. ROMAN CATHOLIC COPY: MORNING STAR.

- 1. Egyptian original: Argua of the Moon.
- 2. ROMAN CATHOLIC COPY: ARK OF THE COVENANT.

- 1. Hindū original: Queen of Heaven and of the UNIVERSE - Sakti.
- 2. Egyptian original: Queen of Heaven and of the Universe - Sati.
- 3. ROMAN CATHOLIC COPY: QUEEN OF HEAVEN!

-2616-

- 1. Hindū original: Mother soul of all beings - para-watma.
- 2. Egyptian original: Model of all mothers - ATHOR.
- 3. ROMAN CATHOLIC COPY: MATER DOLOROSA.

- 1. Hindū original: Devanaki, conceived without sin, and immaculate herself. [Already a Brahmanic interpretation].
- 2. Egyptian original: Isis is a virgin mother.
- 3. ROMAN CATHOLIC COPY: MARY CONCEIVED WITHOUT SIN.

These are all examples taken from the HINDŪ 'LITANY OF OUR LADY NANI [virgin], the EGYPTIAN 'LITANY OF OUR LADY ISIS [virgin] and from the ROMAN CATHOLIC COPY of both, impudently called 'LITANY OF OUR LADY OF LORETTO'. But even the HINDŪS and EGYPTIANS took later the SYMBOL FOR NEAL and introduced or helped introducing the ROOT OF ALL EVIL, called

W O R S H I P

THE BOOK OF LIGHT COMMONATED BY ALL RELIGIONS.

All religious scriptures, the Bible included, contain but millions and billions of years of human and cosmic evolution in veiled form. This veil is for the first time completely lifted by THE BOOK OF LIGHT.

THE BOOK OF LIGHT teaches, that there were INITIATES throughout all ages. In the KORAN, the sacred book of the MOSES, they are called EDNIS or THE LEARNED.*

THE BOOK OF LIGHT teaches the Planetary chain with SEVEN globes or EARTHS** We find this EARTHCHAIN teaching corroborated in the HINDU SCRIPTURES as well as in the PERSIAN, PHOENICIAN and EGYPTIAN cosmogonies. There they [the seven globes of the chain] are called THE SEVEN EARTHS. We can read about THE SEVEN EARTHS even in the RABBINICAL scriptures. And ALL scriptures mention 7X, which is simply SEVEN TIMES SEVEN ROUNDS on a planetary chain, or: ONE DAY OF BRAHMĀ or: 4,320,000,000 terrestrial years.

THE BOOK OF LIGHT teaches SEVEN ROOTRACES

→ ONE [the Earth] visible and six invisible.

* KURAN [Surd XIX] is shrunk to 10,000 years in order to make THE HEBREWS the oldest nation on earth while in TRUTH they are the youngest.

and us being THE FIFTH ROOTRACE [Fifth Sub-Subrace]. This teaching is corroborated in THE PISTIS SOPHIA a very occult gnostic scripture. In chapter XVII verses 9 and 10 we can read about THE SEVEN RACES, our FIFTH and THEN two others yet to come. The angel says: "And here is the Mind, which hath wisdom. The SEVEN heads are SEVEN MOUNTAINS, on which the WOMAN SITTETH. And there are SEVEN KINGS, FIVE are fallen, and ONE is, and the other is not yet to come."

Read and UNDERSTAND. TRUTH had ALWAYS to be presented in VEILED FORM. The "FIVE KINGS that had fallen" are the FOUR ROOTRACES and PART OF THE FIFTH ROOTRACE, the "ONE that IS". And "the other is not yet come" means the other KINGS or TWO ROOTRACES, namely THE SIXTH ROOTRACE and THE SEVENTH were not yet there. The "SEVEN KINGS" are of course THE SEVEN ROOTRACES. "The other, who is not yet come" means as well THE FIFTH and SIXTH SUBRACE of this, our FIFTH, ROOTRACE.

THE BOOK OF LIGHT teaches SEVEN ROUNDS AND FORTY-NINE ROOTRACES [Seven per round]. Read LEVITICUS, the THIRD BOOK OF THE OLD TESTAMENT, and you shall find

THE SEVEN ROUNDS AND FORTYNINE ROOTRACES.

THE BOOK OF LIGHT teaches, that BAPTISM is a PAGAN tradition and not necessary and even harmful to the NEWBORN. Compare this teaching with the words, written in the PISTIS SOPHIA. We hear JOHANNES saying about JESUS: "I [Johannes] baptize you with WATER ... but HE [Jesus] shall baptize you with THE HOLY GHOST and with FIRE." [Matt. iii, 2] The meaning is clear. He John, an UNINITIATE, can only SYMBOLICALLY baptize with water, but the TRUE BAPTISM can only happen through FIRE, or THE FIRE OF KNOWLEDGE, which IS ... ESOTERIC SCIENCE, now revealed completely in THE BOOK OF LIGHT. THEN only JESUS, the INITIATE, could reveal that knowledge, and it is in the end only KNOWLEDGE, which can finally WREATHATE you, oh LAMBO.

THE BOOK OF LIGHT teaches the esoteric [hidden, inner] and exoteric [revealed, outer] importance and significance of the NUMBER SEVEN. And indeed we find THE SEVEN in all scriptures, including ASTRONOMY, SCIENCE and MAGIC.

ATLAS HAS SEVEN DAUGHTERS, which are [unveiled] THE PLEIADES, MAN IS SEVEN FOR

as far as it is possible for our consciousness now...

DED or SEVEN PRINCIPLED in all ancient and Kabbalistic scriptures. There is a SEPTIFORM Periodicity throughout all nature. The week has SEVEN DAYS, in an average human being THE PULS on the SEVENTH DAY is slower in the MORNING, than in the EVENING, during the other days THE PULS is FASTER in the morning. Our SKIN has SEVEN LAYERS, the BIBLE tells us of SIX DAYS and THE SEVENTH, the SABBATH, although this is copied, like many other things, by RELIGION from THE PURĀNAS, where ONE DAY means ONE DAY OF BRAHMĀ or 4,320,000,000 years.

The proof for the fact, that the BIBLE is almost completely copied from THE PURĀNAS, is given, when we read THE VISHNU PURĀNA, which is MUCH OLDER, than THE BIBLE. There [in the PURĀNAS] it tells us about THE SEVEN CREATIONS OF BRAHMĀ, which later turned into ONE WEEK OF CREATION in GENESIS.

THE BOOK OF LIGHT teaches THE SEVEN DAYS, emanating out of THE GREAT ROOTSPIRIT. They [the seven days] appear again as ARCHANGELS of Christian religion, or "THE SEVEN ANGELS BEFORE THE THRONE OF GOD". More exact: According to THE BOOK OF LIGHT all powers emanate out of the GREAT ROOTSPIRIT, reawa-

kening out of THE EVER TO BE UNKNOWN [Parabrahman] at each MAHĀMANVANTARA OR GREAT PERIOD OF COSMIC ACTIVITY or all 311,040,000,000,000 years.

Where else do we find this teaching? EVERYWHERE. For instance: In the HAIDRA ABAD ABISHA [Greater Holy Assembly] we read, that in "every hair of the skull [head] of MACROPHOSUS OR THE ANCIENT ONE, is a HIDDEN FOUNTAIN issuing from the concealed brain." Further it says: "And it shines and goes forth through that hair... and from it [the manifested QUATERNARY or TETRAGRAMMATON] his BRAIN is formed." etc. KETHER is just another word for that HEAD or CROWN, which of course is FORMLESS [arūpa] and IMMATERIAL.

Again: The RISHIS, MANUS and PRAJĀPATIS are springing too from THE HEAD and also from various parts of the body of BRAHMĀ. THE SEVEN as to who "GOD" is, is given by RABBI ARISAS [kabala "The Greater Holy Assembly"] when he says: "We are SIX LIGHTS, which shine forth from a SEVENTH [light]. THOU [Tetra-grammaton] art THE SEVENTH LIGHT [the origin] of us all." and "For assured there is NO stability in those SIX, save what they derive from THE SEVENTH. For ALL THINGS DERIVE FROM THE SEVENTH." Or, in the words of THE BOOK OF LIGHT: THERE IS NOTHING WITHOUT

ATMA [unless you are a BLACK MAGICIAN], the SEVENTH and HIGHEST principle from whom all the others derive. The IMPORTANCE of SEVEN is also shown throughout ALL institutions, be they political, social or religious. For instance: all ancient towns and villages were built in clusters of SIX around a SEVENTH. AUM.

SACERDOTAL HIERARCHY had always SIX PRIESTS OF THE HOUSE, symbolized in THE SEVENTH, who is a WOMAN, or THE PRIESTESS MOTHER. * THE ANUGĒTĀ speaks of the SEVEN SENSES and THE SEVEN HUMAN PRINCIPLES isoterically. The ZUNI priests receive to this day an ANNUAL TRIBUTE OF CORN OF SEVEN COLOURS. Talking about THE HEAD OR CROWN, OUR HEADS are ALL [male and female] ANONYMOUS in their NATURE or LATENT male-female and OUR HEADS are all SEVEN, because of their SEVEN OPENINGS.

THE BOOK OF LIGHT teaches that EVERYTHING IS [also] SEVEN. MAN IS SEVEN-FOLDED and SEVEN PRINCIPLED. This fact is also corroborated by the EGYPTIANS, and their SEVEN SOULS, the SEVEN ELEMENTAL POWERS and the SEVEN LARGE

* of course! We all derived or were "born" from THE VEGEN COSMIC WOMB, called AKASA or, one step back, MŪLAPRAKṚITI.

STARS OF THE GREAT BEAR. THE EGYPTIANS ALSO divided the Face of the sky [by night] into SEVEN PARTS. THE BRITISH DRUIDS taught the SEVEN SOULS OR PRINCIPLES IN MAN. THE BOOK OF LIGHT SIMPLIFIES this sometimes confused order, by teaching: MAN, as an IMMORTAL EGO* acts, when reincarnated, on SEVEN DIFFERENT PLANES OF BEING AND CONSCIOUSNESS.

The SODALIAN Mysteries talk about the SEVEN KEYS to the SEVEN CHURCHES. THE PREHUMAN EVOLUTION teaches, that MEN were I. EARTH-MEN II. WATER-MEN III. BREAST-EARED MEN IV. BREAST EYED MEN V. ONE LEGGED MEN VI. BAT-WINGED MEN VII MEN with TAILS. Of course there were MANY MORE PHYSICAL VARIATIONS of MAN BEFORE MAN received MIND OR MANAS.

Behold: more evidence for the IMPORTANCE of the NUMBER SEVEN IN RELIGION, copied by religion from PAGAN tradition and re-awakened in THE BOOK OF LIGHT. THE CHRISTIAN CHURCH copied the PAGAN SEVEN FOLDED ceremonies and turned them into the SEVEN SACRAMENTS, the SEVEN SINS and THE SEVEN VIRTUES. All this knowledge about SEVEN is now fallen into the hands of THE JESUITS and turned by them into a SYSTEM OF BLACK MAGIC. But the HEBREWS never possessed THE HIGHER KEYS--

* That part of the mind which is directed to and then connected with ATMA-BUDDHI.

THE BIBLE talks also about THE SEVEN DAYS OF CREATION, which they copied from THE PURĀNAS and their SEVEN CREATIONS. THE ELOHIM of THE BIBLE are SEVEN, later FORGED INTO ONE GOD, which [of course] was THE JEWISH GOD.

THE BOOK OF LIGHT teaches, that THE PRIMEVAL MODES OF PROCREATION of the later SECOND and early THIRD ROOT RACES [100 - more than 18 million years ago] multiplied through DROPS OF PRESERVATION (then by YOGA and then by KRIYĀSĀKTI [think it and it happens]). And BEFORE that the ASTRAL RACES multiplied by CHĀYĀ BENTH or by EVOLVING ONE'S ASTRAL IMAGE. This fact is also corroborated in THE PURĀNAS. Here we find again THE FIRST ASTRAL RACES from THE BOOK OF LIGHT and how they OZED out of THEMSELVES, or from THE ASTRAL BODIES of THE LUNAR PITNIS. VISVĀNĀ PURĀNA BOOK II, chap. 2 tells us how it happened [in an ALLEGORY].

SAJĀNA, the daughter of VISVĀKARMAN gives her CHĀYĀ [or IMAGE or ASTRAL BODY] to her husband, THE SUN, and repairs herself to THE JUNGLE. THE SUN, thinking, that this CHĀYĀ is his wife, begets other children, who are also [first] ethereal shadows.

More evidence for how the FIRST ASTRAL RACES oozed out of themselves, can be found during materialization of forms, oozing out of bodies of some

-2625-

MEDIUMS.

Corroboration for the SWEAT BORN RACE can also be found in the PURANAS. A beautiful nymph, called PRAMLOCHĀ, seduces KANDU the sage. THEN, fleeing from him, she WRIPS THE PERSPIRATION FROM HER BODY with the leaves of the trees, while passing through the air, which [not just symbolically] indicates, that the SWEATBORN races were able to move through the air.

KANDU, the SAGE, is, as you can see, in the allegory, THE FIRST RACE and [though a sage] DEVOID OF MIND, because he, KANDU, cannot discern in the scriptures a DAY from nearly ONE THOUSAND YEARS. The DAUGHTER of KANDU and PRAMLOCHĀ is then MĀNISHĀ, born from THE PERSPIRATION FROM HER PORES, or the SWEATBORN RACE or also SECOND RACE OF MANKIND. AUM. THE BOOK OF LIGHT tells us that the THIRD ROOT RACE was yet SOME EVEN AFTER SEPARATION OF SEXES, destitute of MIND. THE BIBLE HERSELF corroborates that fact, by teaching in GENESIS, that THE LORD GOD BREATHES THE BREATH OF LIFE INTO ADAM, but NOT INTELLECT and DISCRIMINATION or -MIND. INTELLECT and DISCRIMINATION only developed LATER in ADAM, after he had tasted of the "for-

* See the clumsy forgery of those, who wrote THE BIBLE: For 600 thousand years are like a DAY...

-2626-

bidden* fruit of the TREE OF KNOWLEDGE, or: When ADAM had received MIND or MANAS from the MĀNĀSA PUTRAS.

So far as for THE SECOND RACE or SWEATBORN of THE BOOK OF LIGHT. What about the EARLY THIRD RACE, formed from DROPS OF SWEAT and then TRANSFORMED into HUMAN BODIES? Is there evidence in other scriptures? Yes there is. Remember: THE DROPS OF PERSPIRATION GREW AND GREW, into HUGE EGGS, in whom THE HUMAN FOETUS gestated for SEVERAL YEARS*. And it is in the PURANAS the daughter of KANDU, MĀNISHĀ, who becomes the wife of the PRACHETASAS and mother of DAKSHA. What about the ANDROGYNE or HERMAPHRODITE, or EARLY THIRD RACE of THE BOOK OF LIGHT? ARISTOPHANES in PLATO'S "Banquet" describes them as ANDROGYNOUS RACE "who were ROUNDED having the back and sides as in a circle, whose manner of running was circular...terrible in force and strength and with prodigious ambition."

What about THE SEPARATION OF THE SEXES as taught in THE BOOK OF LIGHT? This event took place more than 18,000,000 years ago and can be found also recorded in the GREEK ALLEGORY of ZEUS, dividing them [THE THIRD ANDROGYNE ROOT RACE] into TWO, with APOLLO,

* Now the embryo grows from an egg into a FOETUS for 9 months INSIDE the female womb.

-2627-

the SUN, closing up their SKIN. THE FOURTH, or ATLANTEAN, RACE eventually were THE CHILDREN OF PADMAPANI, another word for AVALOKITESVARA, the GREAT LOGOS, and on manifested planes, the [spiritual] progenitor of man.

THE BOOK OF LIGHT teaches, that the EARLY THIRD RACE had ONE eye and the LATER THIRD RACE TWO EYES [with the FIRST breathing inside the head under the skull]. THIS event is corroborated, for instance, by the LEGEND OF ODYSSEUS killing the ONE EYED CYCLOP, which is just an ALLEGORY, meaning that THE GIANTIC ONE EYED RACE DISAPPEARED [represented by the cyclop] and made thus room for THE TWO EYED RACE, represented by ODYSSEUS and his men.

More evidence for the teaching of THE BOOK OF LIGHT, concerning THE FIRST, SECOND, and THIRD ROOT RACES. In BOOK VI. of ODYSSEY, LEDA has TWO SONS, CASTOR and POLLUX. They are TWINS, and SEMIIMMORTAL, living and dying each in turn every alternate day. Thus they stand also for NIGHT and DAY or TWILIGHT and DAWN. The significance is CLEAR; CASTOR and POLLUX are SYMBOLS for THE DUAL MAN. MORTAL [Castor] in his LOWER nature and IMMORTAL [Pollux] in his HIGHER nature or ATMA-BUDDHI-MANAS, which is, in

* which then had already shrunk, but was still GIANTIC compared to us.

-2628-

fact, the REINCARNATING ENTITY, or TRINITY or TRIAD. AUM. When POLLUX [immortal] finds his brother CASTOR [mortal] dying, he asks in despair ZEUS, his father, to SLAY him too. But ZEUS informs him of his TRUE nature, namely, that he is IMMORTAL [the HIGHER SELF]. "Thou canst not die altogether, thou art of a DIVINE RACE." So he gives POLLUX, the IMMORTAL PART or HIGHER SELF, a CHANCE, namely to pass HALF of his existence with, or IN, his MORTAL BROTHER CASTOR down here on earth [in the physical body] and the OTHER HALF in HEAVENLY ABODES, which is EXACTLY where our HIGHER SELF dwells constantly. And that is why we read in ORESTES: "And thus the TWIN BROTHERS live alternately ONE during THE DAY, and the OTHER during THE NIGHT. This allegory does not only fit into, and CORROBORATE, SEPARATION OF SEXES, taught by THE BOOK OF LIGHT, but informs us also about THE THIRD RACE or the EGG BORN, of which the EARLY THIRD is MORTAL and UNCONSCIOUS [not yet MIND] and the LATER THIRD becomes IMMORTAL in INDIVIDUALITY, because THE INFORMING GODS or MĀNĀSA PUTRAS connect THE MONAD with THIS EARTH by giving, or PROJECTING, MIND

-2628-

to the WITHOUT MINDLESS. THE MONAD NEEDS MIND, because THE HIGHEST sees through the eyes of THE LOWEST. SPIRIT REMAINS BLIND without MATTER. AUM.

READ GENESIS carefully [first four chapters] and you shall find all teachings of THE BOOK OF LIGHT* corroborated there in SYMBOL and ALLEGORY.

THE BOOK OF LIGHT teaches, that ADAM and EVE were two names for RACES after SEPARATION OF THE SEXES, and not at all the two FIRST HUMANS on earth. GENESIS corroborates that teaching and also the fact, that BEFORE ADAM and EVE the human race was ANO-GYNE or ADAM-EVE at the same time.

In "BOOK OF THE GENERATIONS OF ADAM" we read "Male and Female created he them... and called their name ADAM" [ch. v. 5]. Thus it is CLEAR, that with ADAM the ANO-GYNOUS RACE was meant, who were MALE-FEMALE at once, and that is why THEIR name was ADAM, namely the ANO-GYNE RACE, before separation of the sexes.

THE BOOK OF LIGHT teaches, that after SEPARATION OF SEXES, MALE and FEMALE united SEXUALLY, and thus the FIRST BLOOD was shed,

* though NOT THE EGGBORN RACE, but THE ANDROGYNES and the FIRST THREE RACES from THE BOOK OF LIGHT.

-2630-

and not at all CAIN killing ABEL. If you read GENESIS with the right UNDERSTANDING, you will find even THERE the TRUTH about CAIN and ABEL. CAIN and ABEL are simply MAN and WOMAN AFTER separation of THE SEXES, but BEFORE HAVING UNITED SEXUALLY. When they eventually united SEXUALLY, ABEL's, or CHEVEL's, BLOOD was shed, but that was no KILLING, it is what happens to EVERY VIRGIN. And the Race coming forth through, or out of, SEXUAL UNION is called SETH. SETH is the SEXBORN RACE or THE FIRST SEXBORNS, and CAIN and ABEL are THE PARENACE of THE SEXBORNS or: CAIN and ABEL are the parents of SETH. THE BOOK OF LIGHT teaches, that RELIGION is just a copy of PAGAN TRADITION. CHRISTIANITY even used the names of the PAGAN GODS for their own GOD. The very name "BIBLE" betrays the FORGERS. This name derived from the PHOENICIAN GODDESS BYBLOS.* So when you take a BIBLE in your hand, you had a, though distorted, PAGAN SCRIPTURE.

THE BOOK OF LIGHT teaches that THE THIRD, FOURTH [Atlantean] and even FIFTH [Aryan] ROOT RACE were GIANTS in stature compared to us now. The BIBLE tells us of giants, that were in the Earth

* See BOOK OF LIGHT.

-2631-

in those days* which means, that a couple of thousand years ago they found remains of Giants. But THE BIBLE even corroborates their existence by naming them GIANTS [the mighty ones], NIMROD is another hint, though the giants of THE BIBLE did not exist a couple of THOUSAND, but a couple of MILLION, years ago. If read the correct way, even the distorted BIBLE VERSION reveals to us SYMBOLICALLY...

THE BOOK OF LIGHT.

THE BOOK OF LIGHT teaches, that THE THIRD ROOT RACE, once they abused their GODGIVEN power of KUNDALEINI and united sexually with animals*, had to LEAVE the LAND OF ETERNAL SPRING because this LAND [NORTH POLE] turned INTO ICE. THE BIBLE REPEATS this fact in the veiled story of ADAM and EVE having been cast out from PARADISE. But ADAM and EVE were simply THE THIRD RACE AFTER SEPARATION OF THE SEXES, so the EXPULSION from PARADISE happened about 18,000,000 years

ago. SEX WITH ANIMALS is THE FORBIDDEN FRUIT; they tasted from*, and THE TREE OF LIFE is simply MANAS or MIND. By mis-using MANAS or MIND, they DECIDED to have SEX WITH ANIMALS, instead of uniting with

* or what we now call animals. THEN they were SPECIES LOWER THAN MAN.

** This is ONE explanation.

-2632-

THEY OWN SPECIES. That is ONE explanation for THE TREE OF LIFE or KNOWLEDGE. Many other explanations are given in THE BOOK OF LIGHT. THE BOOK OF LIGHT teaches, that THE FROG is ONE of the SYMBOLS of RESURRECTION, because of his amphibious nature, and also because of THE FROG'S "resurrection" after spending long ages of solitary life, enshrined in old walls, rocks etc. This symbol for RESURRECTION, or REINCARNATION, was also copied by religion. As Blavatsky writes: "A FROG, or TOAD, enshrined in a Lotus flower, or simply without the latter emblem, was the form chosen FOR THE CHURCH LAMPS, on which were engraved the words: "I AM THE RESURRECTION." You can find those "FROG-GODDESSES" in THE CAIRO MUSEUM at BULAQ.

THE BOOK OF LIGHT CORROBORATED BY SCIENCE. THE BOOK OF LIGHT teaches, that GRAVITATION does not exist as analyzed by SCIENCE, but that GRAVITATION is caused by the ETHERIC NATURE of bodies. The formula: FORCE OF ATTRACTION is proportional directly to their masses and inversely to the squares of distances between them - is simply wrong.* SIR ISAC NEWTON HIMSELF corroborates that fact, by saying, that the bodies THEMSELVES were NOT THE CAUSE OF ANY ATTRACTION, but that "there is a subtle spirit by the force and

* or at least a violation of symptoms but not causes.

-2633-

action of which all movements of matter are determined. In his third letter to Bentley, Newton makes it clear, that gravitation or attraction of one body towards the other, WITHOUT a medium is NOT EXISTING and CAN NOT EXIST. He, Newton, declared it in this letter as an ABSURDITY, that one body could act upon another body at a distance, THROUGH A VACUUM, without the mediation of anything else.

What gravity or gravitation REALLY is, is for the first time COMPLETELY unveiled in THE BOOK OF LIGHT. This little known fact, that Newton believed, that gravitation never does not exist, was shown by LEIBNITZ and EULER, two other men of science. PLATO always taught it: There is FIRST a SPIRITUAL PRINCIPLE, then the incorporeal (ayūpa) Element and THEN, what you see (rūpa). SIR ISAAC NEWTON is probably one of the most misinterpreted, misunderstood SCIENTISTS of his [and this] century. They [the MATERIALISTS] took from him, what they wanted, or which fit into their physical world, and left the rest untouched and unmentioned. But THE BOOK OF LIGHT - Esoteric science - is back. OLD WOUNDS BRAKE UP AGAIN, but it is a HEALING PROCESS, a HEALING PAIN. Only those, who COMPREHEND THE BOOK OF LIGHT, understand what "gravitation" really is.

THE BOOK OF LIGHT teaches, that THE "SPEED OF LIGHT" is not existing. Light has no SPEED,

-2634-

it just IS. IS WHAT? An ETHERIC condition along abstract lines. These ABSTRACT Lines are the TRUE LIGHT, and along these Lines ETHER ADJUSTS it self, thus hitting, or reflecting on, our eyes, and THAT is experienced by us as LIGHT. Science does not agree with this FACT, because only a few SCIENTISTS believe yet in the existence of ETHER.

THE BOOK OF LIGHT teaches the existence of ETHER* (subdivision of AKĀSA, emanation of MŪLAPRAKRITI. WHITE is the colour of ETHER, which is why THE HOLY OF HOLIES, or ITS TENT, was built in WHITE, meaning 4 cardinal points and... ETHER. The FOUR CORNERS of the tent symbolized the FOUR ELEMENTS, and ETHER is simply THE FIFTH ELEMENT, now floating more and more into our Solarsystem. AUM.

Alexander Bain assures, that ONLY the existence of ETHER can explain the UNOULATORY THEORY. Fact is: ETHER could be also called THE ASTRAL LIGHT, and AKĀSA the PRIMORDIAL SUBSTANCE** Or: ETHER is COSMIC SUBSTANCE [matter] and AKĀSA is PRIMORDIAL SUBSTANCE [Spirit]. And the two of them are just FACETS of ONE ABSOLUTE EXISTENCE. Professor CLAUSIUS famous

* as the source of ALL things. [AKĀSA]
 ** LOGIC, Alexander Bain, LL.D. Part II, p. 133.
 *** which is THE VEHICLE for THE DIVINE THOUGHT.

-2635-

professor at the university BONN [Germany], declared the existence of ETHER. EINSTEIN and NEWTON and many other great thinkers considered the existence of ETHER.*

THE BOOK OF LIGHT teaches the existence of COSMIC NEBULAE but not as SCIENCE thinks. THE NEBULAE exist, but the NEBULAR THEORY of science is wrong. Cosmic nebulae are "gaseous" and SELF-LUMINOUS, but they are not at all the COSMIC ROOT MATTER, out of which everything evolves. THAT is AKĀSA and COSMIC NEBULAE, are at best a LOWEST subdivision of AKĀSA, an EFFECT not an CAUSE. LAPLACE and FAYE [almost] corroborate that fact. There is NO primordial matter in a nebulous condition, because that nebular condition is ALREADY many steps away from THE PRIMORDIAL CAUSE, which is - ETHER, and further back, AKĀSA** and farther back MŪLAPRAKRITI, the veil of the EVER TO BE UNKNOWN.

THE BOOK OF LIGHT teaches, that our SOLARSYSTEM was in "the beginning" one rotating fire ball, from which THE SUN and all other planets were detached, and NOT that the planets of our SOLARSYSTEM were detached from THE SUN. This opinion [of the book of light] is shared by, for instance, KEPLER, KANT, DERMSTED and

* which is already ABSTRACT, compared to a VISIBLE NEBULAE.
 ** and at the same time doubting its existence.

-2636-

SIR WILLIAM HERSCHELL and others. Like everything comes from ONE SOURCE, everything comes from ONE COSMIC NEBULA. ANALOGY is THE LAW OF NATURE. PLANETS only do differ, because they are in different rounds.

ANAXIMENES* taught already, that SIDERIAL BODIES were formed by CONDENSATION of PRIMORDIAL PREGENETIC MATTER, spreaded out through SPACE almost INFINITELY THIN. He also mentioned, that this ROOT ESSENCE was of almost negative weight.** ALL ADEPTS deny the NEBULAR THEORY as presented now by SCIENCE in its "COMPLETENESS."

THE BOOK OF LIGHT teaches, that SUN is an electromagnetic centre of energy and its temperature, like ANY temperature RELATIVE and IRRELEVANT, and also that there IS no temperature as such and therefore, that the SUN cannot burn out. Its "temperature" or ETHERO-ELECTROMAGNETIC state of energy is CONSTANT and breaks down, each PRĀKRITIKA PRALAYA, 7x7 rounds. Science thinks, that the SUN sooner or later burns, or runs, down. They are as wrong with their theory as they are in dogma-

* Correct. AKĀSA IS of negative weight. AUM.
 ** 4th century - IONIAN School [Greece].

ment about the exact temperature of the SUN. Their disagreement is a sort of CORROBORATION for what THE BOOK OF LIGHT teaches. ESOTERIC SCIENCE never changes its presentation of THE TRUTH, Orthodox science does it every day. Here now some opinions about the temperature of the SUN from different men of science. THE SUN'S TEMPERATURE IS, according to NEWTON: 1,689,300 deg.; POUILLET: 1,461 deg.; TOLLNER: 102,200; SECCHI: 5,344,840 deg.; ERICSON: 2,726,700 deg.; FIZBAU: 7,500 deg.; WATERSTON: 800,000 deg.; SPÖRER: 27,000 deg.; DEVILLE: 8,500 deg.; SORÉ: 5,801,264 deg.; VICARIE: 11,600 deg.; ROSETTI: 29,000 deg. which makes it a difference [1,400 deg. against 9,000,000 deg.] of 8,998,600 deg. THE BOOK OF LIGHT teaches, that each planet has six invisible counterparts. Together they form a CHAIN. This teaching is corroborated by ancient and sacred MAEDEAN scriptures. Its just different names, same chain.

Globe A is VORVANSHTI. Globe B is ARZANI. Globe C is TRADADHATSU. Globe D is GANIKATHA. Globe E is VICADHAFSHU. Globe F is SAVANI. Globe G is VOKU-ZARSHTI. Each with each other and with THE BOOK OF LIGHT.

In VENODAD XIX. 39, sacred scripture of the MAEDEANS, it is made very clear, that the D GLOBE of the chain [our earth] is situated BELOW the other globes by saying that GANIKATHA [earth] only is connected with IMAT, or "this Earth plane" but all other globes or KARSH-VANES are connected with the UPPER planes. More evidence for the existence of GIANTS and ATLANTIS.

THEOPHRASTUS wrote during the days of Alexander THE GREAT in a dialogue between MIDAS, the Phrygian, and Silenus, that there was a continent of old, so immense, that Africa, Europe and Asia would seem small compared to it. Men grew double of the size of ALEXANDER'S time, ONE of its cities held more than ONE MILLION inhabitants, and that there was gold and silver EVERYWHERE. PLATO, the INITIATE, merged millions of years of ATLANTEAN history into ONE event, presenting it as a kind of FAIRYTALE. But ALL INITIATES did this, because otherwise this legend would have NEVER survived, but would have been destroyed by the CHURCH, like so many other scriptures. HOMER, preceding PLATO [427-347 BC] almost 500 years, also mentions ATLANTIS [or the ATLANTEAN] and their island in his ODYSSEY. SANCHONIATHON and DIODORUS too give us witness, though mysti-

cally veiled, about the existence of ATLANTIS. HERODOTUS tells us, that the ATLANTEAN were vegetarians whose sleep was never disturbed by DREAMS, by which he simply means the EARLY FOURTH ROOT RACE, more than 10,000,000 years ago, when their physical structure of body AND brain was not yet consolidated enough so that the nervous centres could act during sleep. Then HERODOTUS mentions, that they "daily cursed the SUN at his rising and setting. THAT is related to the fact, that the LATER ATLANTEANS [SIXTH subrace of the FOURTH ROOT RACE] degenerated morally to the extent, that they even used the SUN as a WAR PLANET [magic incantations etc.]. But of course they failed and therefore we read in HERODOTUS "The SUN'S excessive heat scorched and tormented them." The antediluvian giants and the TOWER OF BABEL prove ATLANTEAN existence even through THE BIBLE. All poets are in agreement about the location of ATLANTIS now, namely "below the ocean", or as they have it, "Atlas had a superior wisdom and knowledge and also A THOROUGH ACQUAINTANCE WITH THE DEPTH OF THE OCEAN. "ATLAS" is here Lemuria AND Atlantis in ONE symbol, now [both continents] transferred to the bottom of the ocean. Now we understand also, why ATLAS in Greek mytho-

Lemuria destroyed by SUBTERRANEAN FIRES, and ATLANTIS submerged by the OCEAN'S WAVES.

logy, carries the world on his shoulders. ONE meaning of this is, that ATLANTIS supports OUR continents from BELOW the SEA on his, or its, SHOULDERS, which can be taken literally. But the symbol of ATLAS relates also to the ATLAS and TENEFFE mountains millions of years ago, when they were [in the days of ATLANTIS and LEMURIA] THREE AS HIGH than now * THEN, in the days of LEMURIA, AFRICA was not even yet there! But even the GREEKS themselves did often not understand the symbolic language of their OWN poets. They took, like religion, the DEAD LETTER word for real and allowed NO interpretation, thus opening door and window to criticism from all sides. Because what looked like "unlawful acts" such as theft, adultery, and fraud was simply a symbolical presentation of cosmic and historic-chronological facts. It is the SEX ORIENTED brainmind of so called "Ornamentalists", which allows this misinterpretation. When NEPTUNE, for instance, finds only one human couple made of clay, it means, that this couple is THE FIRST HUMAN COUPLE beginning with THE LAST SUBRACE OF THE THIRD ROOT RACE. The same with the GODS OF THE OLYM- * three as high in Lemurian times and twice as high in ATLANTEAN times.

-2641-

POS. They all are just personations of COSMIC, CELESTIAL, PSYCHIC and SPIRITUAL POWERS, as well as of DIVINE KINGS on Earth [of whom there were many]. And all this is SEPTIFORM or teaching the SEVENFOLDNESS of EVERYTHING to the INITIATE. Symbolic scriptures, the Bible included, were [in its purest form] always for the INITIATED, never for the masses. And in these veiled scriptures names like URANOS, KRONOS, SATURN etc. meant RULERS OVER RACES. For instance: URANOS governed the SECOND ROOTRACE and their continent. The LEMURIANS were reigned by the hosts of KRONOS [or SATURN], and in the days of the FOURTH ROOTRACE, when there was only ATLANTIS and ... WATER, JUPITER and other powers ruled the fourth and FOUGHT for them [Atlantean wars]. POSEIDONIS, the last island of ATLANTIS sunk about 12,000 years ago. THREE main events I. SECOND ROOTRACE CONTINENT [North pole] II. THIRD ROOT RACE CONTINENT [Lemuria] and III. FOURTH ROOT RACE CONTINENT [Atlantis] are also THREE steps of the famous THREE STEPS OF VISHNU.

SEEMINGLY CONTRADICTIONS: If URANOS ruled the SECOND ROOTRACE, why then does DEODORUS present URANOS THE FIRST KING OF ATLANTIS, thus meaning THE FOURTH ROOTRACE? The answer is, that it must be a blind, because PLATO corrects [indirectly] the statement. It is URANOS [second root race],

* all these words and terms are simply GREEK VERSIONS OF ESOTERIC TRUTH.

-2642-

who gives birth to the GIANTS of the THIRD ROOTRACE. They thus fall into generation, or we could also say, that they MUTILATED the SECOND ROOTRACE, and that is exactly the meaning of SATURN-KRONOS [third race] MUTILATING URANOS [second race]. AUM to wisdom and knowledge. We understand now, why the public, some "orientalists" included, MISUNDERSTOOD and MISINTERPRETED these scriptures. They took them LITERALLY. If URANOS is the SECOND, KRONOS-SATURN the THIRD and JUPITER, NEPTUNE the FOURTH RACE, who then is ruling [symbolized in GREEK MYTHOLOGY] the FIFTH ROOTRACE? Before we answer that question, we must understand that JUPITER, NEPTUNE represents the rulers of the PURE part of the FOURTH ROOTRACE and POSEIDON the SENSUAL BLACK MAGIC NATURE of the FOURTH ATLANTIAN ROOT RACE. AFTER the submersion of ATLANTIS, better of its MAINCONTINENT, more than 4 million years ago, a NEW RULER takes over ATLANTIS [what was left from it] and its race. This NEW ruler AFTER the submersion is symbolized in GREEK MYTHOLOGY by the name of NEPTUNUS. And it is this SPIRIT of the SURVIVED FOURTH, which REINCARNATED into a PURE FIFTH, or ARYAN, ROOTRACE. Who then is NEPTUNE? He is [also] the symbolic name for

-2643-

THE TREMENDOUS GIANTIC STRENGTH of the late FOURTH and early FIFTH ROOT RACE. There are no teachers, only students. Compared to the knowledge revealed in THE BOOK OF LIGHT, which is ESOTERIC SCIENCE, we all must fall short. Thus while writing about the RACES, the CHOHAN revealed to me the TRUE MEANING and ORIGIN of the word DRUID. We know, that the DRUIDS were remnants of a people, whose ancestors had the SPIRIT of those, who were OORED out from the FIRST [CHAYĀ] ROOTRACE and EARLY SECOND. Then the SECOND perished and gave birth to THE THIRD ROOTRACE. This very fact is corroborated by the oldest ARYAN language in the world, SANSKRIT, because to OORE OUT means in SANSKRIT: G or DRU from whence later DRUID. THE TRUTH can not be hidden, it reveals itself sooner or later, and witnesses are EVERYWHERE.

THE BOOK OF LIGHT teaches, that THE TRIAD in us is the SURVIVING PRINCIPLE. THE TRIAD is ĀTMA-BUDDHI-MANAS, or SPIRIT, SPIRIT-SOUL, MIND. We find this teaching in many other sacred scriptures, for instance in THE BOOK OF DEAD, where the defunct says: "I am the THREE-WICKED FLAME and my wicks [ĀTMA-BUDDHI-MANAS] are IMMORTAL." And then he continues revealing, that his FOUR WICKS have been destroyed. THE FOUR WICKS are of course our 4 lower vehicles.

-2644-

KĀMA [animal soul], PRĀNA [ether body] LINGA [Astral body] and STHŪLA [physical body]. THE BOOK OF DEYAN [St. VII, v. 4] has it: "It is THE ROOT that never dies, THE THREE-TONGUED FLAME OF THE FOUR WICKS". ... But that TRIAD became LATER the distorted TRINITY OF RELIGION.

THE BOOK OF LIGHT teaches, that there is only ONE ELEMENT in NATURE, and this ONE ELEMENT is REAWAKENED periodically all 311,040,000,000,000 terrestrial years out of that, which is BEYOND COMPREHENSION, and this ONE ELEMENT is ĀKĀṢĀ. ALL VESTURES up to the HIGHEST are made of ĀKĀṢĀ. LATER the ONE ELEMENT becomes [down here] FOUR and A HALF [earth, air, fire, water and ... ETHER] and then MANY Chemical Elements [104].** But all these ELEMENTS shall soon lose their structure and eventually become 4-3-2 and ONE again. Before I present evidence, that even SCIENCE corroborates these facts, I have to answer FINALLY a question, dwelling in the heads of MANY Great beings [Blavatsky, Purucker, Leadbeater] and of whom I thought, that they never had found the answer. THE QUESTION was: DOES THE MONAD UNDERGO A LEARNING PROCESS and, IF SO, WHAT IS THE

** But there are MANY MORE, and they shall appear in due time. THE ROOTELEMENT, not PARABRAHMAN.

-2645-

LEARNING PROCESS? FINALLY I found the answer, after THE CHOAN just gave me one HINT: BLAVATSKY. Having read her the 40th time, I FINALLY broke through the EGG SHELL. We all [students of BLAVATSKY] know, that the MONAD is HIGHEST consciousness, a point with no extension, and that the MONAD by itself, or even through the REINCARNATION PROCESS, cannot evolve or progress, since it, THE MONAD, is already PERFECT. How then its obvious inability to control the vehicle as we can see in the majority of mankind? Here now the FULL and COMPLETE EXPLANATION as to the TRUE NATURE OF THE MONAD.

THE TRUE NATURE OF THE MONAD.

THE MONAD IS ABSOLUTE PERFECTED INDIVIDUALITY. But the moment THE MONAD LEAVES the SOURCE at the beginning of each MAHĀ-MANVANTARA, it LOSES this individuality first in the THREE LOWEST ELEMENTAL KINGDOMS, then in the MINERAL, VEGETABLE, ANIMAL, HUMAN and FINALLY GOD kingdom until LIBERATION, or NIRVĀNA, is reached. AUM. So what happens, is: THE MONAD REGAINS step by step its INDIVIDUALITY as ELEMENTAL, MINERAL, PLANT, ANIMAL, MAN and GOD until THE MONAD becomes EVENTUALLY LIBERATED BY ITSELF again, or: THE MONAD BE-

-2646-

comes, what it always was = INDIVIDUAL. But it is obviously a law, or THE LAW, that this INDIVIDUALITY has to be REGAINED at each MAHĀ-MANVANTARA. Now we also understand the meaning of "We have to find ourselves", or "I want to find myself" etc. THAT is exactly, what the MONAD strives for. To become ITSELF again, and you can now decide, WHO you want to be - THE MONAD or the perishing LOWER SELF. We could also say: Through interaction between PARABRAHMAN and MŪLAPRAKṚITĪ, MONADS are being released, and these MONADS touch [and clothe themselves in] ĀKĀŚA, thus causing and creating their own LOWER VEHICLES, be they PLANETS or GLOWWORMS. But once the MONADS withdraw at MAHĀPRĀLAYA, all LOWER VEHICLES move [after having been destroyed] into ONE ĀKĀŚA VEIL, and then... MŪLAPRAKṚITĪ or ABSTRACT ROOT-MATTER. But there is no consciousness in the PERSONAL VEIL, oh LAHOO, but ONLY in the DISPERSED, INDIVIDUAL MONAD. Some MONADS choose HUMAN BODIES as vehicles, some stones, plants, animal or PLANETS, solar-systems etc. BRAHMAN, THE SUPERMONAD chose THE UNIVERSE. AUM. THIS IS THE TRUE CROSS OF LIFE.

*or should we say "derived"?

-2647-

Back to THE ELEMENTS. THE BOOK OF LIGHT teaches ONE ROOTELEMENT [ĀKĀŚA], 4½ subelements [2½ yet to come]*. At the root of that ONE element is... THE DEITY or BRAHMAN. AUM. Orthodox SCIENCE talks about over hundred subelements, all deriving from the 4½, which are EARTH, AIR, FIRE, WATER and... ETHER, which I call only a half ROOTELEMENT, because more is yet to come in THIS ROUND.** Let us recall, what ELEMENTS are. Plato describes it better, than any scientist of today could, simply because Plato KNEW more about THE ELEMENTS. He, Plato, analyzes the Elements as "that which composes and decomposes the compound bodies."*** And again, FIRE, AIR, WATER, EARTH are to the student of THE BOOK OF LIGHT, but VEHICLES for INFORMING SOULS and SPIRITS, which until today are worshipped by RELIGION, for instance, when you do the CROSS. Thus when PLATO spoke about ELEMENTS, he spoke about INCORPORAL PRINCIPLES in connection with the FOUR MAJOR PLANES of our COSMIC WORLD [from the viewpoint of a planetary AND UNIVERSAL CHAIN, which

** though the TRUE composer and decomposer is the RE- or DEINCARNATING spirit in EVERYTHING.
** and two more elements in the next two rounds.

* during the next 2½ rounds.

-2648-

all are on FOUR PLANES, and each of these planes being SEVENFOLDED. AUM. As mentioned already, the Tabernacle is nothing else, but the worship of THE ELEMENTS, including ETHER, in RELIGION, which clearly indicates, that the Church believes a SPIRITUAL power to be in the ELEMENT. They are RIGHT, but they should at least ADMIT, that they are practising PAGAN WORSHIP. WE from THE BOOK OF LIGHT say: WORSHIP NOTHING, instead of that, develop THE GOD IN YOU by becoming again PURE, SIMPLE and INNOCENT. Here now the proof for the fact, that all ancient cultures worshipped THE GODS in THE ELEMENTS. THE HEBREWS called them MALACHIM, turning these elemental spirits later into JEHOUAH. But they simply copied the idea from THE COSMIC GODS of ALL OTHER NATIONS. THE GOD OF FIRE was JOVE, or AĒNI. THE GOD OF WATER, VARUNA, NEPTUNE, the GOD OF AIR VAYU and INDRA, and THE GOD OF EARTH was PLUTO, YAMA* and so forth. THE GREEK had DODONEAN JUPITER, who was sort of a SYNTHESIS of all FOUR ½ elements etc. THEOLOGY, the most SELFISH of all PHILOSOPHERS,

** God of EARTHQUAKES.
* and of the ELEMENTS.

categorized these Element-spirits or Gods immediately, like they always try to put a label on EVERYTHING. So they called the Gods of FIRE, AIR, WATER, CELESTIAL GODS and the Spirits of EARTH INFERNAL SPIRITS. Yes, the GODS of the elements can be invoked by a PRAYER or [the older term] a MANTRA. But we do NOT recommend that. LIVE THE LIFE, and the ELEMENTS SHALL BE SUBSERVIENT TO YOU. SOUND is indeed, as Blavatsky has it, "the most potent and effectual magic agent, and the first of the keys, which opens the door of communication between Mortals and IMMORTALS." But the Elements should only [if ever] be addressed by PURE beings, otherwise it turns into PRAYER, which is just another word for BLACK MAGIC.

THE BOOK OF LIGHT teaches, that ONTHODOX SCIENCE IS UNABLE to draw THE LINE between only TWO ELEMENTS, simply because they are, like every thing else, manifested, CHANGING and might tomorrow not be, what they are today, but there shall be ALWAYS THE ONE and THE SEVEN ELEMENTS, of which 3 1/2 have appeared until NOW. I quote the PRESIDENT OF THE CHEMICAL SOCIETY in his speech before THE CHEMICAL SECTION OF THE BRITISH ASSOCIATION [Birmingham meeting], the chemist Mr. CROOKES, about the inability of SCIENCE

to analyze, what an ELEMENT REALLY IS. Here a few extracts from his speech: "What is the criterion of an element? Where are we to draw the line between distinct existence and identity? No one doubts, that oxygen, sodium, chlorine, sulphur are SEPARATE ELEMENTS... still I cannot help asking what would have been the prevalent opinion among chemists, had the respective solutions of these bodies and their compounds presented IDENTICAL COLOURS, instead of colours, which, approximately speaking, are mutually complementary? ... what are we to say in the case of praseo- and neo-cyrium ... their chief claim to separate individuality being slightly differences in basicity and crystallizing powers, though THEIR PHYSICAL DISTINCTIONS, as shown by spectrum observations, are very strongly marked? ... Again, there are cases where the chemical differences REACH THE VANISHING POINT, ALTHOUGH WELL MARKED PHYSICAL DIFFERENCES ... In defining an ELEMENT... Let us say, the smallest ponderable quantity of YTTRIUM is an assemblage of ultimate atoms almost infinitely more like each other, than they are to the atoms of any other approximating element, etc" ... could we separate atom from atom, we SHOULD FIND THEM varying within narrow limits on each side of the mean.

THIS IS PURE ESOTERIC SCIENCE, or teaching from THE BOOK OF LIGHT. NOT ONE ATOM is the same. Why? Because EVERY ATOM is the manifestation, or expression, of a JIVA or MONAD. And a MONAD IS AN INDIVIDUAL SPIRITUAL POWER CENTER, causing an INDIVIDUAL MANIFESTATION. Therefore HOW MANY ELEMENTS are there? Almost endless MANY, namely as many as there are MONADS. But THE VISIBLE ELEMENTS are made of ONE "SUBSTANCE" called AKASA, which becomes for the period of 31,040,000,000,000 years almost endless many INDIVIDUAL elements.

THE BOOK OF LIGHT teaches, that APE comes from MAN and not MAN from APE. Science in its helplessness of proving their own theory, corroborates UNWILLINGLY THE BOOK OF LIGHT. Thus was Mr. Huxley searching and searching and searching. I quote: "WHERE, then, must we look for primeval man? ... In still older strata do the fossilized bones of AN APE NONE ANTHROPOID, OR A MAN NONE PITHECOID than any yet known, await the researches of some unborn paleontologist? Time will show..." THE BOOK OF LIGHT shows Mr. Huxley and us, where the APES come from, namely from ATLANTIC forefathers, having united sexually with MONKEYS.

and at MAHA PRALAYA.

or "paleontologist" from THE BOOK OF LIGHT, on p. 13-14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

THEN Apes looked more than their parents, THE ATLANTIC. They [the Apes] fought, had armies, a sort of language and also a culture. All this happened BEFORE the Aryan race had even come into existence, namely during THE FOURTH ROOT RACE, when less progressed ATLANTIC had sex with MONKEYS, or better, with the ANCESTORS of what are NOW called MONKEYS. That teaching of THE BOOK OF LIGHT is so important, that I shall ONCE MORE dedicate a complete ADOENDUM after this section. There are, though not a few EVOLUTIONISTS agreeing with the FACT that APE comes from MAN and not MAN from APE, and that, as BLAVATSKY has it, "no evolutionist assumes, that man is descended from any existing ape or any extinct ape either, but that man and apes originated probably aeons back, in some common root stock. And why do we not find more SKELETONS of GIANTS and APES? Men of SCIENCE give us the answer, and it is a VERY ESOTERIC ONE. "...the chances of preservation being few and far between, even primitive man BURYING or BURNING his dead." THAT is, by the way, why the tombs of giants are empty, or filled [millions of years later] with "little" bones. Thus science keeps on searching for THE MISSING but also because NO body, however GIGANTIC, leaves ANY trace in a tomb after hundred thousands or MILLIONS of years.
