See their faces? They did not find it. They did not find happiness; they thought, it would be in Fame, Fortune and Sex. But HAPPINESS, oh LADOO is not in money, is not in persons and things, it is in THE SELF. Once you are SELFCONTENT, you shine like a LIGHT equal on EVERYBODY. There is no EVIL, because EVIL is a TEMPORARY ENERGY from the LOWER REALMS. But that does not mean, that you should be EVERYBODY'S FOOL. Speak up, if necessary, but never with ANGER. Let THE BOOK OF LIGHT shine like a TRUE LIGHT in every corner of your being, and DARKNESS must flee. THEN you know AUTOMATICALLY right from wrong, because your TRUE SELF, awakened by THE BOOK OF LIGHT, shall tell you so. And to all of those, who are now misusing their power, I say: Continue doing so, if you want to suffer for ETERNITIES* in LOWER ASTRAL REALMS. Oh LADOO no matter how great your suffering might be NOW, BLISS is yours in DEVACHAN, once you have cast off your garment of desire. AUM. Be the I AM and you are THE SELF. EVERY JOY, which derives from physical senseperception is doomed to turn sooner or later into addiction, leaving an imprint in your astral body, reflecting back on your physical body, thus strengthening the desire for physical life, prolonging after death the ASTRAL PURGATORY, which can be EXTREMELY PAINFUL for the person, creating

*Eternities for THEM, because time runs slow, while you suffer...

** Drugs, alcohol, food, emotions, etc.

-3140-

-3141-

powerful Skandhas or Permanent Atoms, pulling your soul, which rests in heaven, out of its DEVACHANIC REST back into INCARNATION, thus newly initiating the vicious circle of DESIRE. But blessed those, who live MADHYAMIKA ^{pure, simple and innocent}. They come and go in peace. AUM. Therefore: Let us be ONE IN SPIRIT forever and ONE IN FLESH only TEMPORARILY, when we create NEW LIFE. SEXUAL UNION, or THE SEXUAL ACT, is HOLY and should ONLY be performed in order to create new life. A union of LUST creates CHILDREN of LUST. A union of LOVE creates CHILDREN of LOVE. THE SELF is SEXLESS and ETERNAL, the VEHICLE is SEX and TEMPORARY. Once you are filled with SHAKTI, a THOUGHT is sufficient to direct KUNDALINI downwards into the lowest CHAKRA, or in WHATEVER CHAKRA you want to direct it. AUM. BE THE SELF. DEVOID of DESIRE you shall experience TRUE BLISS, which is the ETERNAL NATURE of the SELF. But HOW can the SELF express itself through the body, when you constantly SOIL THE TEMPLE OF GOD?*** Oh LADOO Be, think, eat, speak, act PURE, SIMPLE and INNOCENT. Don't do it tomorrow or in a NEXT LIFE. DO IT NOW. Time is RUNNING and the DOOR to planet

*** for instance, with improper THOUGHTS, WORDS, ACTIONS and FOOD.

* Middle way, or MIDDLE-PATH.

** meaning, that the soul enters and leaves the body without complications.

E shall soon be CLOSED. Do you want to "re-peat the class"? Do you really want to? THAT means to suffer unnecessarily, while others ascend to higher planes filled with bliss and joy.

YOU ARE THE SELF. Yet you are NOT. How comes? Here is the explanation: At the moment of INCARNATION THE SELF drops a part of itself onto the PHYSICAL PLANE, which part later becomes THE EMBRYO. But you could also say, that this part of the SELF is [during incarnation] surrounded, or ENCLOSED, by ASTRAL matter or, more precise, by ASTRAL LIGHT*. This ASTRAL LIGHT shuts off TEMPORARILY the LOWER from the HIGHER. Now, for a physical lifetime, the son is disconnected from the FATHER. That would be ONE way of explaining HIGHER and LOWER SELF. The ONLY way to CREATE a LINK to the HIGHER SELF or MAIN PORTION of THE SELF is through right thought, right speech and right action. Thus you create अन्तःकरण or Antahkarana, which actually IS the PATH, or the LINK between LOWER SELF and HIGHER SELF, and THAT is where rather a CAMEL could pass through than a rich man...

NO EVIL thought can touch the HIGHER SELF, only LOVE is accepted on that level, only LOVE.

* astral emanation of EARTH, surrounding the planet up to the MOON'S PLANE.

-3142-

Anything LESS than that shows an IMPRINT on the LOWER SELF or rather onto THE PERMANENT ATOMS. All that, which is NOT SELFLESS, UNCONDITIONED LOVE, forces you [through the permanent atoms or SKANDHAS] back into incarnation. The less SKANDHAS, the less SUFFERING. How to love the whole world, good and evil, sinners and saints, unconditionally? Learn first how to love YOURSELF unconditionally, THEN it shall be easy to love THE WHOLE WORLD. But how can you LOVE YOURSELF, if you do not understand your TRUE NATURE? KNOWLEDGE is the key to LOVE. UNDERSTANDING is the key to LOVE. Any other approach [emotions, theories etc.] is sooner or later DOOMED TO FAILURE, because it is mainly based on BELIEVE and OPINION, but not on KNOWLEDGE, on TRUE KNOWLEDGE, where we come from, where we are and where we go. This KNOWLEDGE can NEVER come from US, but has to be wisdom from a SPECIES HIGHER than Man, namely from THE DEVAS. AUM. The BOOK OF LIGHT is neither MAN MADE NOR MAN WRITTEN, it is also NO REVELATION. I am just passing on, I am just REAWAKENING, that which ONCE was known to ALL of US, until it THEN turned from KNOWLEDGE into BELIEVE and, eventually, RELIGION. BUT KNOWLEDGE united us ONCE, and shall unite us AGAIN, AUM to THE BOOK OF LIGHT, the ULTIMATE TRUTH and ONLY HOPE in an upcoming KALUYUGA of a fast degenerating mankind.

DEVA

[The arrival of an angel].

Announcer: Hello good morning this is John Barnes. Something unusual happened last night. There was a... a light. It was enormous, it must have been five thousand feet high, and it... it moved. A UFO? I don't know. More of this from our correspondent Linda Jackson live in Los Angeles.
Linda Jackson: Can you tell us, what exactly did you see?
Woman: It was a light, and it was beautiful!
Man: It was not just a light, it was like... shining in all different colours!
Woman: yes but first it was a light, and then it turned into that huge coloured fire!
Interviewer: Is this your child?
Man: Yes.
Interviewer [to child]: Tell me sweetheart did you see it too?
Child: Yes, I saw it too, and it spoke to me.
Interviewer: It spoke to you? What did it say?
Child: It said... don't be afraid.
Man: And it also said, that it soon will show its real shape, I mean, what it REALLY is.
Interviewer: That's it for now from Los Angeles. I'm Linda Jackson.

-3144-

John Barnes: Thanks Linda. Well folks... [voice fades].

Murmuring crowd

Speaker: Now I want you to listen carefully. When it arrives, please don't panic. It will not hurt you. Just relax and wait for what will happen. I don't know WHAT it is, but I have the feeling it will be beyond everything we have ever experienced. It... it wants to communicate with us.

LANOO sings:

They're coming from everywhere to see the ANGEL OF LIGHT, and they hope, and they dream and they pray, that he soon will arrive, waiting with tears in their eyes and love in their hearts. They wonder how it would be, to see an ANGEL OF LIGHT and they're holding each others hands and they wait until the night and then they hear a sound and they see a light.

Angel:

Angel: I'm coming from far away, I am the angel of Light and I bring a message of freedom and peace and of love, to all mankind. And I want you to know, that you are not alone.

Speaker:

Don't be afraid folks, don't move. Just respond to it's vibrations. It's an archangel. Pure Light pure Love. He came to heal you. Don't be afraid. Just open your heart to him.

Angel:

Say it with me: Freedom.

I'm coming from a distant chain. I am THE ANGEL OF LIGHT. And wherever you go and whatever you do, I shall be with you. Until the end of time. But

Angel: COLOUR OF RED ANSWER ME.
Crowd: DEVA.

OM MANI PADME HUM. OM MANI PADME HUM. OM MANI PADME HUM. OM MANI PADME HUM. OM MANI PADME HUM. OM MANI PADME HUM.

DEVA: This is my message. Be pure, be simple, be innocent. Love is everywhere. In the running river. In the trees. In the whispering wind. In the cry of a new born baby. In all these things and more is LOVE. But it is not dependent on them. Love is a state of mind. Do not worship anything, that has shape or form. The ever INVISIBLE, ever UNKNOWABLE - THAT is, where you came from. Live up to the source, which is THE SPIRIT. Material world is just an illusion. Let go. Do not worry. Do not expect ANYTHING from the world, and you shall have everything, everything you need. Be like a child again.

6th ROOTRACE.

-3147-

The Spirit is immortal, the Spirit is your cradle. The physical body is mortal. Choose to be IMMORTAL. Don't be afraid. Death is not existing. There is just unbroken consciousness, you wake up on a higher level. FEEL the power of the UNCREATED SPIRIT IN YOU. Wait for the INNER VOICE to show you the way. THEN you will do, what you are MEANT to do and not what you WANT to do. SPIRIT IS REALITY, MATTER IS ILLUSION. Matter DEVOID of SPIRIT is EVIL. Close your eyes and see, open your heart and listen. LISTEN in the SILENCE to the VOICE of your HIGHER SELF. YOU ARE GOD. There is no other GOD than the GOD IN YOU. What are you searching for?

There is NOTHING. Nothing to achieve. Everything is right there IN YOU. Don't be afraid. One day all suffering will have an end. you came from THE LIGHT, you go to THE LIGHT. Spirit you WERE, Spirit you ARE, and SPIRIT you SHALL BE. Nations of the world. Destroy your weapons! Make peace! The day of destruction is near. Not because you have failed, but because the circle is closing. Nevertheless, all holy shall be saved, all unholy destroyed. Matter must perish so that spirit can live. The Expander becomes THE PERVADEE, who turns into

-3148-

THE DESTROYER. AUM to the CAUSELESS CAUSE. Make only Love to the one you truly love. Do not misuse your sexual energy. Sexual energy is the most precious gift. In my world we call it FOHAT. The planets and Universes are built through it. To you it is KUNDALINI. Misuse KUNDALINI and you become an animal. Again I say: Be pure, be simple, be innocent. Once you were the LIGHTCARRIERS, when there was only ONE KNOWLEDGE, ONE LANGUAGE and ONE TRUTH. But then you fell, that is why now you have many truths, many languages and many religions. But the truth will come back to you. And now listen to the words of THE CENTRAL SUN, vibrating through me:

THE SUN IS WHERE WE ARE COMING FROM
THE SUN IS WHERE WE GO
BUT I DON'T MEAN THE SUN YOU SEE
ALTHOUGH YOU'LL HAVE TO PASS THROUGH
THERE IS A LIGHT BEHIND THE SUN
THAT WE CALL DARKNESS NOW
THAT'S WHERE WE ALL ARE DRIFTING TO
AND SHALL ARRIVE SOMEDAY, SOMEWHERE,
SOMEHOW.

There is no victim, there is no perpetrator. Everything that happens to you, be it good or bad, has been caused by you in previous incarnations. As you sow, you shall reap.

-3149-

And you will come back. Again and again and again. Until you learn, until you understand. Do not follow worldly leaders. Most of them have misused their power, they will fall. Just follow the leader IN YOU, which is: YOUR HIGHER SELF. We are all sparks from one FLAME!

Crowd: DEVA!

Angel:

Oh what a joy! How I feel your love. Let me give you all I have. The power of the Universe is at your feet. USE IT to HEAL this planet again. It is a LIVING BEING. What have you done to it?! It is suffering. Its rivers are crying, its mountains are shaking, it has not enough air to breath! Wake up, wake up! There is nothing but LOVE. Therefore do not judge, do not hate, FORGIVE, and you shall be FORGIVEN. I have to go now.

Crowd: No!

Angel: I will come back. I love you all. YOU ARE THE FUTURE RACE. The children of LIGHT. Let it shine. Let it shine. Say it again with me.

Commentary to DEVA.

A DEVA is an Angel. Something, that either was, or will be, a human being. The name DEVA derives from the Sanskrit root DIV- to shine. So DEVA is a general term for all grades of spiritual beings from the lowest [gnosis, elves, etc. which belong to another line of evolution than the human] until to the loftiest Archangel. A DEVA is IMPERSONAL, but at the same time PURE LOVE. Of course not necessarily the limited understanding of love from a human point of view. A DEVA'S love is CRYSTAL CLEAR, non-judging, unconditioned from pure wisdom [knowledge of past, present and future]. Past, present and future are totally open before the eye of a DEVA. AKĀŚA bears no secrets for an ARCHANGEL. AN ARCHANGEL IS IN TOTAL EQUILIBRIUM. Especially a KARMA-DEVA. HE, OR IT, REFLECTS EVERY ACTION IN LOWER SPHERES than his own, thus setting the LAW OF KARMA IN MOTION, a LAW which the ANGEL does not only represent and transform, but which he also IS HIMSELF. From OUR point of view a KARMA ANGEL is judging, but from HIS point of view he IS REFLECTING.

In this very moment we are surrounded by millions and billions of spiritual entities [thousand times more conscious than ourselves].

* although most DEVAS do NOT TOUCH OUR EVOLUTION, and that's why they say: "ONE DAY MAN SHALL JUDGE OVER THE ANGELS!"

-3151-

We can't see THEM, but they can see US, respective OUR ASTRAL BOODIES [some even our physical bodies]. There was a time, when WE could see THEM. But then we "fell", and the DEVAS disappeared out of sight. More exact, we descended to a lower level. From time to time a DEVA descends, meaning: materializes, out of its astral plane down into our MATERIAL PLANE, for the purpose of ALIGNMENT. In checking OUR AURA with HIS AURA, through colour-language, the angel brings our vehicles [physical, emotional, mental] into HIGHEST VIBRATIONAL STATES, thus creating ALIGNMENT with OUR HIGHER SELVES. THE DEVA in my song, or poem, is not a KARMA-DEVA, but a MUSIC-ANGEL. It's speciality is healing through sound and colours. A DEVA IS REALITY and not an ILLUSION. It could call you any moment as it did call the thousands in my song. So be ready...

* our bodies became too dense.

-3153-

HOW TO LIVE YOUR LIFE ACCORDING TO THE LAW, TAUGHT BY THE DEVA-ANGELS TO MANKIND AND NOW REAWAKENED IN THE BOOK OF LIGHT
THE FIRST TEN YEARS.

The first ten years have to be devoted to GROWTH LIFE POWER FILLS THE THREEFOLD HUMAN. THE CHILD HAS TO BE ALL VITALITY. LATER [after being introduced into THE BOOK OF LIGHT FOR CHILDREN]

-3154-

THOUGHT POWER and SPIRITUALITY shall awake. NO RULES for a child as to ACTION and REST. Let it play, let it grow, let it also attain PHYSICAL STRENGTH. A child knows how long to play and when to rest. Nutrition: Vegetarian. Up to the child's 10th year NATURE should be its teacher [and the B.O.L. for children]. Don't stress a child's brain too much, it should rather LEARN by OBSERVATION. Only interfere, if the child is REALLY helpless. The clothing should be LIGHT, so that the CHILD'S VITAL POWER can create WARMTH. Head, Hands, Feet, NECK and THROAT have to be left UNCOVERED. Children have to be NEAR TREES. Trees expell ETHER and charge the child with PRANA - POWER. All a child has to learn about BIRTH, DEATH, POWER, PROTECTIVENESS [caring], BALANCE, SEED-PRODUCTION, a child can also learn from TREES. Let the child, if possible, sleep OUTSIDE in the fresh air, in hammocks, protected by the branches of the trees. DEVA-ANGELS too protect and guide the child. The child should spend the first ten years among animals and other children of same age. IMPERSONALITY is the most important teaching for the child, IMPERSONALITY or better INDIVIDUALITY, or better: the RESPECT for all that, which lives as an INDIVIDUAL EXPRESSION OF COSMIC LAW. NOT ONE GRAIN OF SAND IS THE SAME THAN THE OTHER. Thus the child learns by INTUITION, what

-3155-

IS RIGHT OR WRONG. THE THREE MAIN ASPECTS in the FIRST TEN YEARS of a child's life are: GROWING, OBSERVING and BECOMING IMPERSONAL. THEN the child is prepared for SYSTEMATIC LEARNING.

FROM THE TENTH TO THE TWENTIETH YEAR.

KNOWLEDGE ALONE is not the goal. It must be accompanied by development of SPIRIT and SOUL-POWER and -WISDOM. MEDITATION opens the doors to wisdom. Now the child can be confronted more and more with ALL KNOWLEDGE, WIS-

-3156-

DOM, SPIRIT- and SOUL POWER revealed by THE BOOK OF LIGHT, if later, studying at a UNIVERSITY, the taught facts [history, science, politics, mathematics, etc.] have first to be COMPREHENDED by the STUDENT. THEN he should raise his CONSCIOUSNESS to THE HIGHEST POSSIBLE LEVEL and meditate [Soulbreath meditation] on the learned matter by FORGETTING IT AGAIN [during meditation]. That trains the student to be PRECISE IN THOUGHT and ACTION. AS WE LEARN, BRAHMA LEAVES US. ADAM and EVE did not SIN, they sought WISDOM, since the SNAKE is the SYMBOL OF WISDOM. Thus the years from 10 to 20 are spent under guidance of a teacher in search for wisdom. These years should be filled with REASON and NOT with PASSION or any FLESHLY DESIRES. KUNDALINI then should ONLY MOVE UPWARDS and fill the physical body with ELASTICITY OF SPIRIT AND FLESH. The physical body is now trained to obey FAST the WILL-IMPULSE. THEN, when he is accustomed with THE LAW of not only his physical but also his mental and ASTRAL BODY, he BECOMES THE TAME. Taught by THE BOOK OF LIGHT the student KNOWS now WHY HE CAME INTO THIS WORLD. Now he is ready to concentrate, if he DECIDES so, on HUMAN LOVE, FAMILY and PROFESSION.

-3157-

FROM THE TWENTIETH TO THE THIRTIES YEAR.

NOW the kundalini Five BURNS and the young man is put to test. He knows, that he should only have sex in order to create new life, but is he morally STRONG ENOUGH to withstand a possible EXCESS of downward-flowing KUNDALINI? [I was not, until THE BOOK

-3158-

OF LIGHT saved me ...] Defeats notwithstanding he shall overcome and build strong well power. His IMPERSONALITY aids him in solving problems. He learns to regard KUNDALINI as Holy, and uses it as a SOURCE OF ENERGY to become even more spiritual and to attain [maybe even PHYSICAL] IMMORTALITY. KUNDALINI touches his HEART, THROAT, EYES, PITUITARY and eventually PINEAL GLAND, CAUSING ENLIGHTENMENT. THE GENTAL OR PHYSICAL CANAL is ONLY used to create LIFE. Only TRUE LOVE can save him from ABUSE of this power.

FROM THE THIRTIETH TO THE FOURTIETH YEAR.

The MAN or WOMAN works now for society in his [her] profession not more than FIVE HOURS DAYLY. This shall be possible, because of a HIGHLY DEVELOPED TECHNIC, now serving a SELFLESS,

-3159-

COMPASSIONATE MANKIND. The FAMILY is now the field of activity for those between 30 and 40. The parents pass on to their children wisdom and knowledge from THE BOOK OF LIGHT. FROM THE FOURTIETH TO THE FIFTIETH YEAR.

Now our student of THE BOOK OF LIGHT lives in CELIBACY again. KUNDALINI shall carry him upwards to BRAHMA and death shall be

-3160-

Experienced in UNBROKEN CONSCIOUSNESS, HIGH DEVAS help him in that endeavor. He was a bird before, now he is a SWAN, carried higher and higher by the wings of KUNDALINI. Having entered the second HALF OF HIS LIFE'S MANVANTARA, S PINKET dominates in him, heading towards PRALAYA.

FROM THE FIFTIETH TO THE SIXTIETH YEAR.

Even his PHYSICAL BODY spiritualizes more and more. He has bridged the abyss between GOD and MAN, being like a MOUNTAIN, a HIGH mountain, whose feet are connected with EARTH, but the PEAK touching HEAVEN.

-3161-

FROM THE SIXTIETH TO THE SEVENTIETH YEAR.
There is [almost] no more SELFISHNESS in him. PURGED he is, and ready to enter DEVACHAN.

† Heaven.

FROM THE SEVENTIETH TO THE EIGHTIETH YEAR.

HIS KARMA IS NOW [hopefully] EQUALIZED. AFTER HIS PHYSICAL DEATH, HE PASSES ALL LOWER ASTRAL PLANES UNCONSCIOUSLY, TO AWAKE IN BLISS, UNTIL KARMA [AND HIS SKANDHAS] CALL HIM BACK INTO THE WORLD OF ILLUSION. AUM TO WISDOM AND KNOWLEDGE.

FROM THE SEVENTIETH TO THE EIGHTIETH YEAR.

HIS KARMA IS NOW [hopefully] EQUALIZED. AFTER HIS PHYSICAL DEATH, HE PASSES ALL LOWER ASTRAL PLANES UNCONSCIOUSLY, TO AWAKE IN BLISS, UNTIL KARMA [AND HIS SKANDHAS] CALL HIM BACK INTO THE WORLD OF ILLUSION. AUM TO WISDOM AND KNOWLEDGE.

THE DEVA-HIERARCHY.

WHAT IS THE SITUATION TODAY? ARE WE STILL SURROUNDED BY ANGELS? WHO ARE THEY? WHERE, WHEN AND HOW CAN WE REACH THEM? WHERE DO THEY COME FROM? NOBODY ELSE THAN MY TEACHER BEATRICE FLEMING HERSELF, HAVING BEEN IN CONSTANT CONTACT WITH THE DEVA HIERARCHY, CAN GIVE A COMPLETE ANSWER TO THESE QUESTIONS.

BEATRICE FLEMING "WORLDPICTURE OF THEOSOPHY", OR "WELTBILD DER THEOSOPHIE", PAGE 113-128, CHAPTER 48. THE DEVA-HIERARCHY [ANGELS AND NATURESPIRITS AS CREATORS OF THE UNIVERSE].

We undertake here a bold adventure, rise from the suffering Earth and leave the realms of worldly creatures. We risk the flight into unknown regions full of LIGHT, LIBERTY, INNOCENCE and BLISS - into the KINGDOM OF THE DEVAS - which means "THE SHINING ONES". WE APPROACH [WITH THE HELP OF COMPETENT INVESTIGATORS] THOSE STRANGE BEINGS, WHO FORM A POWERFUL HIERARCHY IN THE SOLAR SYSTEM AND WHO ARE REPRESENTED THROUGH MULTITUDES ON EARTH. THE DEVAS MOVE PARALLEL TO MANKIND - ON A DIFFERENT LINE OF DEVELOPMENT [AND EVOLUTION].

BECAUSE OF THE MYSTERIOUS DIFFERENCE OF THE ANGEL- AND HUMAN EVOLUTION, THE DEVAS

never "dive" into physical world. They live in supernatural worlds, of whose shining substance the DEVAS BODIES ARE WOVEN, SO THAT THEY SEEM DAZZLING TO THE MORTAL EYE, WHEN THEY OCCASIONALLY MAKE THEMSELVES VISIBLE TO A HUMAN FRIEND.

SINCE THEY [THE DEVAS] NEVER MATERIALIZE OR INCARNATE PHYSICALLY, THEY ARE FAR FROM THE PAINFUL STRUGGLE WITH THE EVER RESISTING MATTER, WHICH GIVES THE HUMAN EVOLUTION SUCH A MOVING AND ALSO TRAGIC ASPECT. THEY, THE DEVAS, ALWAYS STAY SONS IN THE HEART OF THEIR FATHERS*; AND THEIR UNOCCLUDED, UNTRoubLED CONSCIOUSNESS IS ETERNALLY ANCOUVED IN THE ALL-ONENESS, FROM WHICH MANKIND HAS DISTANCED ITSELF THROUGH ITS INEVITABLE IDENTIFICATION WITH MATTER SO MUCH. THEREFORE THEY DO NOT KNOW ANGER, FEAR, SELFISHNESS AND REBELLION. THEY ARE THE EXECUTORS OF THE LOGOS-CREATION-PLAN. WITH SOME RACE EXCEPTIONS [THE LEGENDARY "FALL" OF LUCIFER FOR INSTANCE] NO ANGEL CAN WALK THE LEFT HAND PATH [X]. Thus ANGELS ARE THE ANTI-THESIS TO BLACK-MAGICIANS. THEIR ACTIONS ARE SPOTLESS AND IMPERTURBABLE,

"W'CREATION", AND THE STUDENT KNOWS WHY.

* THAT IS WHY THEY SAY, THAT MAN ONE DAY SHALL JUDGE OVER THE ANGELS... WE WENT THROUGH IT, THEY DID NOT.

-3165-

because they fulfill the orders of their SUPERIORS and thus as INCARNATIONS OF DIVINE WISDOM, can do nothing wrong. Because WISDOM means also HAPPINESS, they constantly overflow with DELIGHT AND BLISS. And because they are free from SELFISHNESS, their COOPERATION with the GREAT PLAN is free from disturbance. ANGELS are by nature LOVING CREATURES, though more IMPERSONAL than humans. They see in the object of their sympathy just a DIVINE INCARNATION to whom they devote SELFLESS, RESPECTFUL LOVE. In the life of an ANGEL is neither BODY ATTRACTION nor separation of [or through] SEXES. THEY [the DEVAS] show their devotion for each other and perhaps for MANKIND through AVRA MERGING and intense and intimate identification with longing dreams of the loved beings. DEVAS can expand their AVRAS immensely. The HUMAN AVRA looks like a delicate-glowing GAS CLOUD, while the DEVA resembles an expanding and contracting FLAME FORM.

C.W. Leadbeater reports:

"An ANGEL, who gave us the honour of his visit in ADYAR, in order to inform us about the SIXTH ROOT RACE, had normally the AVRA of about 100m in diameter. But with increasing interest and ATTENTION the AVRA grew so far, that it reached until

-3166-

to the 7500 meter distant ocean" and quote. This is because of the loose "texture" of the AVRA. They appear mostly as MAJESTIC BEINGS OF GIANTIC SIZE. Painters often represent them with feather-wings [thus misinterpreting the AVRA]. But BIBLICAL REMARKS have to be taken SYMBOLICALLY. Because when THERE [in the bible] REAL ANGELS appear, they are held erroneously for humans, so they could not possibly have been winged.

In spite of the SOUL-UNITY of Angels there are great variations. They result, as with humans, from the differences of degree, surrounding and RAY. Because without earthly body, they do not know the change from "Life" to "Death" and do not split in many personalities. OUR goal-setting is short limited, because we go through self-asserted phases of childhood, youth, maturity and age - hence the human restlessness. We have to worry of food, clothing, shelter. All this pulls us considerable away from the heavenly-clear vision and the peace of the angels, whose life happens throughout ETERNITIES OF GOAL-DIRECTED SERVICE FOR DIVINE PURPOSE. Their unchanging consciousness drifts constantly over changing heights, while WE constantly INTERPRET OUR consciousness, when we change from WAKING to SLEEP

and vice versa.

None of THE SEVEN RAYS and, or, their emanations.

-3167-

The modes of expression of the DEVAS are MUSIC, colours and light. Their fields of activity are enormously expanded, because without physical limitations. Because THE DEVAS are NOT in the struggle with matter [which gives the faster humanly pilgrimage its tragic impression] their progress is relatively slow. Only after greater time periods a new spiritual elevation succeeds. They [the DEVAS] grow through increase of their perception, to execute the DIVINE PLANS more perfect. For Angels the body forms are unsubstantial, in contrary to human opinion, to which [to the average] the SOUL still seems to be unreal, illusory. The IDEAL outlook includes BOTH points of view and is taken by ADEPTS and ARCHANGELS of the same order.

MAN descends MUCH DEEPER into matter. He has to pay that with great suffering, but his GAIN is GRANDIOSE! He touches BOTH limits of the CREATION SYSTEM, takes his power from above until to the physical depths below and completes the circle, by transforming it [the power] through ALL KINGDOMS AND REALMS OF LIFE (UPWARDS), BUT THEN in a divine state. He identifies with matter and its painful limitations and gradually attains mastery over inert matter during many lives. His awakening will power lets him

-3168-

become obedient. He does not escape from this "prison", but converts its walls in upwards-carrying wings.

In man spirit and Matter are UNITED, he serves the LOGOS-PLAN through his synthetic power. Through that he attains in superhuman phases the power to OWN CREATIONSHIP. The human evolution goal leads him to the height, to once have himself SUN-LOGOS-STATUS and [if he wants it] a own WORLDSYSTEM [to "create" it].

But the glory of the Angel existence is - abiding in THE DIVINE LIGHT - never stepping out of THE UNITY WITH HIM! His [the angels] happiness, he sees in enthusiastic dedication to the works of his SUPERIORS. These are, for the time being, his angel-superiors, later it is a SUN-LOGOS, and even later it is unfathomable regents of milky ways and cosmic logoi. He has in the HIGHER grades a vast playground for own initiative. Multitudes of younger angels and nature spirits are his helpers.

The us touching DEVA-KINGDOM consists of NINE MAIN DIVISIONS. [The work of the angels has been studied by the GNOSTICS in the "mysteries Jesu".] The first three classes are THE SOLAR DEVAS, whose sphere embrace the whole SOLAR SYSTEM. THE FIRST THREE ANGELS are the REGENTS and each of them is LORD OF THE HOSTS. They direct unmeasurable

- 3169 -

DEVA-GROUPS, which are their "armies".
THE SOLAR DEVAS.

-3170-

The FIRST class of the Solar-Devas are THE BUILDERS. On top are the "seven Spirits before the throne." Under their supervision EVERYTHING is created. All creatures of the lower NATURE KINGDOMS as well as HUMANS owe them their artistic vehicles of consciousness. They direct great DEVA ARMIES. The science of ASTROLOGY is based on these high angels.

FIRST-CLASS SOLAR DEVA, INSPIRING KEPLER.

-3171-

The SECOND class of the SOLAR DEVAS are the "Gods" of the ELEMENTS. Until now only FIVE of these "DEVARAJAS" are known: INORA, ruling the ETHER-KINGDOM corresponding to NIRVANA, VAYU, ruling the AIR-KINGDOM corresponding to the BUDDHI-PLANE. AGNI, ruling the FIRE-KINGDOM corresponding to the MENTAL PLANE. VARUNA, ruling the WATER-KINGDOM corresponding to the ASTRAL-PLANE. KUBERA, ruling the EARTH-KINGDOM corresponding to the PHYSICAL WORLD. These names are only terms for FUNCTIONS, similar to MANU, BUDDHA, WORLDTEACHER, MAHACHOHAN in the human hierarchy. As in the latter with each ROOT RACE the representatives are changing, NEW SPIRITS of the ELEMENTS appear with each new race. But the mentioned HIGHEST FIVE rule over always ONE ROUND. KUBERA and VARUNA mostly had to do with ATLANTIS. KUBERA also influenced EGYPT strongly, hence the PHYSICAL KNOWLEDGE. VARUNA was worshipped at the NILE and in BABYLON (as OANNES). In our FIFTH ROOT RACE AGNI precedes. See FIRE WORSHIP and SUN RELIGION of

-3172-

the PERSIANS AND HINDUS and of the AL-CHEMISTS, as well as the TECHNICS of today! VAYU shall serve preponderate THE SIXTH RACE and INORA the SEVENTH.

The THIRD class of the SOLAR-DEVAS are the CHRONISTS or LIPIKA, whose work is hinted at in THE REVELATION JOHN, where the "BOOK OF LIFE" is opened, in which all human deeds are registered. It is also known as the "AKASA-CHRONIK". Along these DOCTRINES the human fate is administered impervious - just, and the LIPIKA are [on the ANGEL-SIDE] the main-executors of the KARMA-LAW. They too have a huge co-worker-staff, whereby the LAW is executed in all details. The highest chronists manage [together with the corresponding HUMAN-ADEPTS] the KARMA of the whole SOLAR SYSTEM. [Under these THREE CLASSES of SOLAR-DEVAS the DEVAS of the ROUND and CHAINS work].

OF THE DEVAS OF OUR OWN EARTH-CHAIN the following are known:

1) THE BUILDERS.
They work hand in hand with the DEVAS of the ELEMENTS on the TOTAL-FORM BUILDING. They are subservient to the FIRST CLASS OF SOLAR-DEVAS.

2.) THE ANGELS OF THE ELEMENTS [to whom, in turn, the NATURE SPIRITS are subservient, such as: SYLPHS, SALAMANDERS, UNOINES and GNOMES]. They are subordinate to the FIRST CLASS OF SOLAR-DEVAS.

3. The KARMA-RELEASES: They are subservient to the THIRD CLASS OF THE SOLARDEVAS.

[The HIGHER armies work on the CAUSAL-PLANE, the next in the MENTAL. Then follow the ASTRAL-DEVAS, while in the PHYSICAL the ETHER-ANGELS and GNOMES live. A NATURE SPIRIT differs from an ANGEL like a DOMESTIC ANIMAL from a HUMAN. The not yet INDIVIDUALISED NATURE-SPIRIT becomes an ANGEL through processes like between MAN and PET, where the DEDICATION OF THE ANIMAL, together with guarding, protecting LOVE, is causing the TRANSITION. Thus a NATURE SPIRIT is a purer, more beautiful creature than a DOMESTIC ANIMAL, and a "new" Angel is a more amiable creature than a primitive HUMAN.

The BUILDERS consist of Two groups:
a) those from the MINERAL- and PLANT KINGDOM.
b) those who serve the ANIMAL- and HUMAN

KINGDOM. In the MINERAL CRISTALS are their MASTER WORKS and in the FLORA the FLOWERS. They bring forth many VARIATIONS, for instance the "MIMICRI" protective colourss in ANIMALS and PLANTS. Here chains of two groups are slightly in conflict, because each is concerned about the well being of their protégé. There are plans and ANTI plans-but without enmity. THESE builders then almost don't pay attention to MAN and often see him as an ENEMY, because he sabotages their work and destroys their creations. The HIGHER BUILDERS build the HUMANLY BODIES and are very concentrated on the perfection of the consciousness and senseorgans.

OF the "SPIRITS OF THE ELEMENTS" the SYLPHS belong to VAYU, the SALAMANDERS to AGNI, the UNOINES to VARUNA and the GNOMES to KURUBERA. They build [together with THE BUILDERS] minerals and plants. They are in all Nature events, they cause avalanches, earthquakes, inundations etc. The oceans come from the ANGELS of the elements. God's plan functions without complications in the LOWER nature kingdom. Only with MAN the EGOTISTIC, or better SELFISH, will disturb. DEVAS try to correct the many

*since that is NOT the same.

disturbances of NATURE-BALANCE. Through disintegration of used bodies they do the work of "destruction" which always serves to ELEVATION of LIFE. In EACH FIRE lives the presence of AGNI and that of VARUNA in the WATERS. The purpose of the SACRIFICE with Indian HOUSEHOLDERS is: They please the DEVAS with offerings, thus causing the DEVAS to help. Today ignorance about these beings is often cause of weather damages. MAN FALLS through NOT BELIEVE and NATURE withholds ITS BLESSINGS.

The KARMA-DEVAS have three subdivisions.

- 1) NATIONAL DEVAS
- 2) DEVAS OF HUMAN DESTINY
- 3) KEEPERS OF THE TYPES.

The National-DEVAS watch over NATION'S DESTINY and release, or CAUSE, the COLLECTIVE KARMA. The HIGHER DEVAS know the WHOLE development, plan and want only the final well-being of their nations. Thus there are no conflicts. But the LOWER see sometimes only the MOMENTARY success, but follow their SUPERIORS. For the NATIONAL DEVAS death is just the tearing

although: LIVE THE LIFE taught in THE BOOK OF LIGHT and the DEVAS and THE ELEMENTS shall serve you.

*But it is caused in THE FIRST PLACE by those nations who know suffer [or prosper] from it.

apart of a brittle, weary GARMENT. For THEM [the DEVAS] death is just a LIBERATOR of the "imprisoned" human souls. So are the different points of view. The DEVAS very rarely pay attention to SINGLE persons, though sometimes they throw OBSTACLES into the way of important people of nations [Mandela, etc.] in order to STRENGTHEN their power. The DEVAS, subservient to the MAHACHOHAN, of the SINGLE KARMA use all natural circumstances. Is somebody, for instance, destined for a sudden death, they suggest to him to use a transportation [plane, car, ship, etc.] that is destined to a catastrophe. Is his KARMA DIFFERENT, they make him miss the plane or ship etc. Some work as Guardian Angels. They guide the souls to the predestined parents. There are also DEATH-ANGELS, which, solemn-beautiful, help the SOUL THROUGH THE GATES [to heaven or hell]. The LAST class [of DEVAS] are the KEEPERS OF THE TYPES.

They create the types of the RACES, together with the adepts of the FIRST RAY.

More details about THE DEVAS OF THE ELEMENTS.

as PHYSICAL BODY, so that plant and low animal life sprout out of him. Then follow the landscape - and Mountain Angels. To each of them ONE DISTRICT is SUBORDINATE with whom he is CONNECTED. Mostly such a DEVA works there about 50-100 years and is supported by hosts of GNOMES.

- 3178 -

THE EARTH ANGELS see their element not as unclean, dead matter, but as a GARMENT OF GOD. Desert sand, Mountain rocks, fertile soil, flint, metals and jewels - everything has a message for them. They [the DEVAS] see in the Crystal formation DIVINE GEOMETRY. Each precious stone-type has ITS DEVAS. They are SPECIALISTS - jewelers of the cosmos - and experience artistic ecstasy of creation. Each precious stone has an ATOMIC HEART, around which OTHER atoms adjust themselves flower like.

RAW-DIAMOND DEVA

-3179-

The DEVA sees the stone as a living-pulsating being with flowing divine life and does almost not pay attention to the SURFACE of the stone. Therefore the lustreless of Jewels. It is MAN, who polishes the surface - an example for the diverging points of view. Earth DEVAS see the ethereal ORIGINAL types in the consciousness of THE LOGOS and develop these models as PLAY VARIATIONS of 'Platonic' bodies. The ORIGINAL-TYPE imprints itself often so intense to the NATURE-SPIRIT, that FLOWER-BUILDING FEERIES appear in stylised FLOWERFORM.

FIRE is also a GOD-GARMENT. The FIRE SPIRITS see the ALL as an immense FIRE-SEA. PLANETS, MEN, ANGEL, TREES are for them like FIRECENTERS. SALAMANDERS represent in the LOWEST grade this all present element, which aims at the TRANSFORMATION of all things. The FIRE-ASPECT in THE LOGOS shows itself as a GIGANTIC "sunflower". Her heart is THE SUN, and each leaf a unit to the borders of the SOLAR SYSTEM playing powerful FIRE-TONGUE. This 'Fire-flower' lets THE SEER see from each direction into WIDE OPEN Flower petals. STREAMS of the LOGOS-POWER roar through everything. In the midst of this ENORMOUS ENER-

Questions answered by my teacher
BEATRICE FLEMING.

- What is the THREEFOLDED CHAIN of human suffering?
- In the beginning: IGNORANCE. Out of IGNORANCE SIN is born. And SIN creates SUFFERING. IGNORANCE-SIN-SUFFERING, that is the THREEFOLDED CHAIN.
- Ignorance of WHAT?
- Of DIVINE LAW. But the steps of the ladder to LIBERATION are made of SUFFERING.
- What caused the chaotic situation of society nowadays?
- ANACHRONISTIC thought directions of the past
- Where are the roots for all that trouble, especially in so-called CIVILIZED countries?
- The roots are laid already in CHILDHOOD, when PARENTS and TEACHERS teach the kids, that only THE STRONGEST survive. Thus the children are forced to develop AMBITION and FIGHT FOR SURVIVAL. On the other hand there is a trend to allow the kids almost EVERYTHING.
- WHAT should we teach our children?
- That we all are BROTHERS AND SISTERS, coming from ONE SOURCE, and that we should CARE for each other.
- against time.

- 3184 -

- Is there a connecting link between INDIVIDUAL and NATIONAL Egotism?
- Of course. WARS are the RESULT of INDIVIDUALS fighting each other in times of "Peace". The battle field: FAMILY, SCHOOL, JOBS etc.
- Is there a difference between killing an animal or a human being?
- No. By killing and then EATING the animal, we ourselves in our EMOTIONS and THOUGHTS become animals.
- What about VIVISECTION?
- Scientific fraud and a CRIME.
- There is, visible to the SEER, a BIG BLACK POISONOUS CLOUD surrounding our planet. What is it?
- ASTRAL MATTER and LOW MENTAL MATTER, filled with THOUGHT and EMOTIONS of FEAR, HATE and PAIN of ANIMALS killed by MAN. [Those who torture shall be tortured. AUM.]
- Why is there so much suffering on Earth?
- MASS KARMA. We are at the dawn of AQUARIUS AGE, and mankind has to be CLEANSED from [or by] ATLANTIAN KARMA.
- Who are the KEEPERS OF THE SECRET KNOWLEDGE?
- The ADEPTS. But they NOW decided to make that SECRET KNOWLEDGE available to EVERYBODY.
- What is THEOSOPHY?
- The wisdom of [or about] GOD. THEOSOPHY is

-3185-

like a WHITE BEAM OF LIGHT, and the PRISMATIC COLOURS ARE THE RELIGIONS.

- What are the FIVE KEYS OF THEOSOPHY?
- 1. The teaching of THE DIVINITY AND IMMORTALITY in EVERY HUMAN BEING. 2. The teaching of the EVOLUTION OF CONSCIOUSNESS through all NATURE KINGDOMS from MAN-SUPERMAN to a DIVINE BEING. 3. The teaching of a constant REINCARNATION as method of EVOLUTION to reach its goals. 4. The teaching of KARMA [Law of cause and effect] which shows MAN ALONE as CREATOR and RULER of his destiny. 5. The teaching of the ADEPTS and THE PATH.
- Is THE HIGHER SELF of OUR SOLAR SYSTEM GOD?
- YES and NO. It is ONE among MANY SUN-LOGOI, but compared to US we could call IT a GOD.
- Does KARMA always work from one life to the next?
- No. Some Karma from ATLANTIS, for instance, had to wait until TODAY to be outlived.
- WHY? - Because the TECHNICAL, SCIENTIFIC and CULTURAL STANDARD is, though lower, on a RELATIVELY same level.
- I don't understand...
- A CHEMIST in ATLANTIS, who killed others with CHEMICALS, has to await a reincarnation, where he can experience the DEVASTATING result of his evil deeds, with the same education and CONSCIOUS-

-3186-

NESS he had when he committed the crime. In other words: An evil CHEMIST from ATLANTIS shall suffer from his deeds NOW, but on the same level of consciousness.

- Can we lay down our sins at the feet of the CROSS?
- That is what THE CHURCH wants you to believe, but the answer is: NO. NO JESUS and NO MERCY can take away from you, what you have caused YOURSELF. GROWTH has to occur CONSCIOUSLY and in FULL AWARENESS of cause and effect.
- But very few people UNDERSTAND why they suffer!
- The SOUL and HIGHER MIND ALWAYS KNOWS.
- How long does KARMA work?
- Until there is BALANCE in THE UNIVERSE.
- Is the interstellar space filled?
- With ARMIES of DEVA-ANGELS. They are a PARALLEL EVOLUTIONARY LINE TO MANKIND.
- How can ESOTERIC SCIENCE [or THE BOOK OF LIGHT] know about MILLIONS OF YEARS OF COSMIC AND HUMAN EVOLUTION?
- It is HIDDEN in VEILED FORM in all SCRIPTURES, and THE KNOWLEDGE of HISTORY, of COSMOS and its RACES is STORED in AKASA, or in THE AKASA-CHRONIC, which is THE MEMORY OF THE HIGHER SELF OF OUR SOLAR SYSTEM.

* Although: the KARMA-MECHANISM does NOT ALWAYS work THIS way. Although: to a CERTAIN extent the suffering of GREAT BEINGS can help to reduce your negative Karma.

-3187-

- How is that possible?
- Because PAST, PRESENT AND FUTURE ARE FOR, THE HIGHEST, AN ETERNAL NOW! WE ALL ARE, with OUR HIGHER SELVES connected with the AKASA-CHRONIC.
- Until when do we have to reincarnate?
- UNTIL ALL MATTER IS SPIRITUALIZED.
- What is EGO and PERSONALITY?
- HIGHER and LOWER SELF.
- Why is SPIRIT so helpless in this world?
- Because SPIRIT IS INCARCERATED IN MATTER.
- Where does the FIGHT happen?
- The FRONTLINE IS MANKIND, or THE HEART OF MAN. Material world and the physical body teach, or URGE, us constantly to act against COSMIC SPIRITUAL LAW, to live a PERSONAL, instead of UNIVERSAL MOTIVATED, LIFE. But MATTER IN THE END ALWAYS LOSES.
- Why?
- Because each "Fall" creates PAIN and LIMITATION, and the next time [Life] we think TWICE before we FALL AGAIN...
- What is the HARDEST lesson for us to learn?
- That even the most ATTRACTIVE PHYSICAL and even spiritual and mental achievements will cause sooner or later: DISSATISFACTION. Thus the only solution is: the continuous battle between EGO and PERSONALITY - with the goal of eventual UNIFICATION. Therefore it is MANKIND, which truly could be called THE BATTLEFIELD OF THE

-3188-

UNIVERSE.

- Why do the MONADS EMANATE OUT OF THE EVER TO BE UNKNOWN?
- On their own DIVINE PLANE they have a STATIC ALL-CONSCIOUSNESS, but are UNABLE of CREATIVE ACTION, because they lack the INDIVIDUAL CONSCIOUSNESS. In order to ATTAIN that CONSCIOUSNESS, they have to begin at each Dawn of a NEW MAHAMANVANTARA an EONLONG PILGRIMAGE into material worlds.
- Where do the material worlds come from?
- They UNROLL like a scroll out of the EVER TO BE UNKNOWN in TWO TIMES SEVEN COSMIC PLANES. THEN, with the help of DEVAS, the various forms of the MINERAL-PLANT and ANIMAL-KINGDOM are created.
- How do these forms evolve?
- From below to above, better: from INWARDS OUTWARDS through a DIVINE LIFEWAVE, which develops the forms from INDIFFERENTIATION to SPECIALIZATION. Thus GROWTH in the subhuman kingdoms is always connected with SPECIALIZATION.
- Does that principle also count for the INNER CONSCIOUSNESS?
- YES. Especially THERE you can see on the whole PATH a constantly GROWING SPECIALIZATION and a more INTENSE REACTION ON INFLUENCES.
- Already in THE PLANT KINGDOM?

-3189-

- In the PLANT-KINGDOM the principle of GROWTH works even on the consciousness level.
- ? - Because it appears in the PLANT as vague FEELING, which, in the ANIMAL-REALM, becomes a much stronger defined EMOTIONAL POWER [Animals can LOVE each other and human].
- Where are these emotional experiences stored?
- In the so-called GROUP-SOUL. The Group soul is the container of the ESSENCE of the many ANIMAL DIVISIONS and SUB-DIVISIONS.
- Does that explain the inherited instincts?
- Yes.
- What happens to the MENTAL ABILITIES in higher animals?
- The SPECIALIZATION in higher animals is STRENGTHENED through the beginning of MENTAL POWER.
- What is the consequence?
- Reduction of the number of ANIMALS, until SPECIALIZATION leads to the point where a GROUP-SOUL CONSISTS ONLY OF just a few, very different species and towards the end of only ONE animal. THEN the EGO-BIRTH is possible.
- EGO-BIRTH meaning: INDIVIDUALIZATION?
- YES.
- Where does THE MONAD RESIDE?
- On the SECOND HIGHEST PLANE, called Anupapādana or: PARENTLESS.

-3190-

- How does THE MONAD function?
- At the BEGINNING of its PATH into MATERIAL WORLD* THE MONAD attaches always ONE ATOM from the FIVE LOWER PLANES to itself.
- Why?
- Because THE MONAD ITSELF does NOT descend, but projects these ATOMS or PERMANENT ATOMS, or SKANDHAS in MINERAL-PLANT and ANIMALS GROUP SOULS. Thus FROM THE VERY BEGINNING THE MONAD lives in the SPECIES of all kingdoms through THE PERMANENT ATOMS.
- Is that why dogs and cats seem to be already "little personalities"?
- YES. - why then THE GROUPS OUL?
- To register THE EXPERIENCES, which explains the "injustice" in ANIMAL KARMA.
- Does the MONAD ITSELF never react?
- Very rarely. But when an ANIMAL shows DEDICATION for its HUMAN FRIEND, THE MONAD "answers", because its nature is LOVE.
- Which turns the animal into a MAN?
- NO. THE KINGDOMS are SEPARATED. But THE MONAD ITSELF shall now dwell into a HUMAN body. THEN the GROUPSOUL turns into a HUMAN HIGHER SELF or EGO.
- What then is the TRUE DIFFERENCE between DOG, CAT, ELEPHANT, HORSE, APE and even the LOWEST although THE MONAD ITSELF DOES NOT LEAVE ITS PLANE...

-3191-

- "savage"?
- THE EGO, though still, or again, LATENT in the "savage".
- Where does THE EGO live?
- In the CAUSAL BODY, which it attains, in order to exist on its plane.
- Is the EGO ĀTMA-BUDDHI?
- NO. ĀTMA-BUDDHI is THE MONAD. THE EGO is MANAS or MIND, when still undisturbed by the SENSES.
- How many residences does THE EGO have?
- THREE. And through these THREE residences it is in DIRECT CONNECTION with its MONADIC SOURCE. The 3 are: The ATMIC or NIRVĀNA-WORLD, the BUDDHIC or INTUITION WORLD and the CAUSAL or HIGHER MENTAL WORLD, in which dwells its constant CAUSAL-BODY.
- But how does THE EGO gain consciousness in the LOWER MATERIAL WORLDS?
- By emanating [as the MONAD DID] a part of itself into the LOWER THREE WORLDS: 1. Lower MENTAL WORLD 2. Astral world 3. Physical world.
- Is that part the human person?
- YES, the human person with its spiritual, mental and emotional physical qualities.
- Where does EVIL come from?
- Through overidentification with MATERIAL WORLD.

-3192-

- Where does the EGO assimilate its experiences of each incarnation?
- In the PERMANENT ATOMS or SKANDHAS.
- And when?
- In DEVACHAN, or during HEAVEN LIFE. At the NEW BIRTH these SKANDHAS are essentially transformed to the NEW PERSON.
- And a new struggle between SPIRIT and MATTER occurs?
- YES. This fight is described by St. Paul [Roman letter]: "I WANTED to do the GOOD, but I could not DO IT. Because the GOOD, that I WANT [to do], I don't do, but THE BAD, which I do NOT want, I do. But when I do, what I don't WANT to do, I don't DO it, but THE SIN, which lives in me. I want GOD'S LAW and THE INNER MAN, but I see ANOTHER LAW in my members, which rebels the LAW in MY MIND and takes me imprisoned in the SIN'S Law."
- Is this the true meaning of all the KNIGHTS and DRAGONS FIGHTS?
- YES. It is SPIRIT against MATTER. And the fight shall continue, until SPIRIT WINS, or until the PERSONALITY has attained full connection, or UNION, with THE EGO.
- Can the EGO also decide about the new incar-

-3183-

- nation?
- If it is a PROGRESSED EGO, YES.
 - Is there ONE incarnation per EGO-EMANATION into material world?
 - Yes, but it is always a different person.
 - Always man, or always woman?
 - It depends: 3-7 incarnations as MAN, and then 3-7 as WOMAN.
 - Why? - Because BOTH POLES must be experienced to THE FULLEST. Each POLE - male and female - is separated from THE EGO - UNITY, thus becoming MAN or WOMAN.
 - Are we always born under the same star?
 - Yes, but this is not the ASTROLOGICAL star, because the ASTROLOGICAL star deals only with the PERSONALITY.
 - Which then is the ETERNAL or CONSTANT star?
 - It is not the STAR, but its ANGEL, who shines throughout ONE MANVANTARA always on the SAME EGO.
 - When shall the PERSONALITY know THE EGO, and THE EGO ITS MONAD?
 - At THE LAST INITIATION.
 - WHO DECIDED the RAY OF THE MONAD and its emanating EGO?

-3184-

- THE ARCHANGEL OF THE FATHER-STAR.
- Then there is in each Life a DIFFERENT HOROSCOPE?
- For THE PERSONALITY YES!
- How can we attract the attention of our EGO?
- By becoming SPIRITUAL. The EGO has little interest in WORLDLY AFFAIRS or MATERIAL GOALS.
- Is there a way to THE EGO?
- YES, it is called ANTAHKARANA and is THE PATH.
- Who has NO ANTAHKARANA?
- The little developed and the SORCERER.
- And the INITIATED?
- Has reached COMPLETE UNION.
- What is the purpose for the EGO's descent?
- To crystallize all vague, beautiful feelings into DEFINITIVE DECISIONS AND DEEDS. Only the SPIRITUAL and MORAL ESSENCE of everything will be absorbed by THE EGO.
- Does THE EGO, or HIGHER SELF, have a life on its own?
- YES, it DOES. On the FORMLESS, or ARÛPA-PLANE, the EGO corresponds with OTHER EGOS. It is THERE an ANGEL among other Angels.

-3185-

PERSONALITY AND ITS ARCHETYPE,
THE EGO.

-3186-

- How is the world of THE EGO, compared with that of THE PERSONALITY?
- It is a world of THE BOUNDLESS, in contrast to the PRISON of THE PERSON.
- Sometimes I OVERFLOW with LOVE and COMPASSION. What is that?
- The EGO shows interest in YOU, the PERSONALITY, but the EGO inspires also to ABSTRACT THINKING.
- Who does a GREATER service, he who helps others PRACTICALLY [with money, etc.] or he who tries to NEUTRALIZE the EVIL FORCES in this world through MEDITATION?
- Both. But MORE EFFECTIVE is he who meditates for the good of ALL. Because the FIRST is HEALING the wounds, while the SECOND PREVENTS the disease. AUM.
- Please explain LIGHT and DARKNESS.
- The EGO is LIGHT and the PERSONALITY is DARKNESS. The PERSONALITY feels LONELY, THE EGO DOESN'T. The PERSONALITY needs to find a FRIEND or LOVER to feel FRIENDSHIP or LOVE. THE EGO IS LOVE AND FRIENDSHIP.
- What is GROWTH for THE EGO?
- INCREASE OF BLISS. TO give, give, give!

-3197-

- So we should not judge THE PERSON?
- NEVER. THE PERSON is just a WEAK COPY OF THE DIVINE EGO.
- What is the shortest way to conscious UNION with THE EGO?
- To unite REASON with UNDERSTANDING is THE EASIEST WAY. TO UNITE the ASTRO-BODY with THE BUDDHIC- or LOVE-BODY is the SHORTEST way, but only A FEW can walk it.
- Why? - BECAUSE it is connected with GREAT SUFFERINGS. Here the MENTAL DEVELOPMENT comes later, THEN REASON is united with intelligence.
- What is the goal in ANY case?
- To UNITE the PERSONALTY with THE EGO and to make thus THE PERSONALTY to a TRUE SERVING TOOL of HIGHER NATURE.
- Can we THEN see some PHYSIOLOGICAL changes?
- No, there is just a change in the CONDUCT of the person.
- Is the EGO ALONE?
- NEVER. It just THINKS of somebody and is connected with him. In the EGO-WORLD there is NO INSIDE or OUTSIDE, SUBJECT or OBJECT, PAST or PRESENT etc. For THE EGO they are just WORDS. There is NO DUALITY in THE EGO-WORLD.

-3198-

- Where do we receive our INTUITIONS from?
- From THE BUDDHI-PLANE.
- What is HIGHER, INTUITION or INTELLECT?
- INTUITION.
- How do I know, if something is just an IMPULSE or real INTUITION?
- The IMPULSE will disappear again, INTUITION is connected with SELFLESSNESS and contains NO PERSONAL DESIRES.
- How can THE EGO get in touch with THE PERSONALITY?
- In THREE ways. I. THE HIGHER REASON is reflected in THE MENTAL BODY. II. BUDDHI-INTUITION, or UNIVERSAL WISDOM-LOVE, is reflected in THE ASTRAL BODY [operator of PERSONAL FEELINGS]. III. Our ATMA or SPIRIT-BODY reflects [sometimes] the NIRVANA-WORLD.
- What is THE UNIO MYSTICA?
- When THE PERSONALITY is emerged completely in THE EGO and when - FINALLY - THE EGO merges back with all its experiences into THE MONAD. THEN the once "lost" SON returns to THE HEART OF THE FATHER ready to become at its NEXT REAWAKENING THE HIGHER SELF OF A SOLAR SYSTEM [like his FATHER].
- But WHAT hinders THE LIGHT to ENLIGHTEN MAN?
- It is the EMPHASIZING OF THE PERSONALITY.

-3199-

- How can we grow?
- THROW THE PERSONALITY AWAY. BECOME THE INDIVIDUALITY!
- Why is it ALWAYS connected with pain?
- How can the chicken hatch out of the egg, without breaking the shell? How can you grow inside if you do not BRAKE the shell of your PERSONALITY? How can THE INNER GOD reveal himself other than MAN LEAVING THE PERSONAL SELF BEHIND?
- Where is IMMORTALTY?
- In the IMPERSONAL. Death is in the PERSONAL.
- What aspect do we find in a nation with strong physical pioneerwork?
- The MALE aspect, but AFTER WAR comes PEACE and the FEMALE aspect.
- Which powers should prevail in an balanced civilization?
- FEMALE POWERS.
- What is the opinion of the ADEPTS to the role of women in society?
- I quote an ADEPT: "Liberation and redemption of the world depends on the ELEVATION OF THE WOMAN. Only when the woman breaks her chains of slavery, the world shall have a slight idea, who she [the woman] REALLY is."
- Would it be better, if WOMAN rules?

-3200-

- KNOWLEDGE must rule. ESOTERIC SCIENCE.
- Why is there in primitive tribes [not to confuse with degenerated residues of once high cultures] a good balance between MAN and WOMAN?
- Because they NEED each other in order to survive. Which is ONE reason, why AMERICAN WOMEN are the most liberated in the world. They "reaped" their EMANCIPATION during their PIONEER ACTIVITY, when they helped to build up this country.**
- Should the wife stay at home?
- The solution is - BALANCE. HOUSE WORK should, and shall be, made easier for women, with the help of MODERN TECHNIC AND THE GOVERNMENT. Medical help has to be on NO CHARGE. That counts also for pre- and afternatal help, insurance, education, etc. We are not here to make a Profit, but to CARE FOR EACH OTHER. All this creates SPARE TIME, in which MAN and WOMAN can work TOGETHER. A wife is, or should be, FIRST OF ALL THE BEST FRIEND***
- ***The WIFE, and not, as it is nowadays, the DOG.
- ** Which does NOT AT ALL excuse the cruelties, committed to AMERICAN INDIANS, etc. But they are doomed to extinction. [Only the student of the BOD understands]
- * PRIMITIVE TRIBES are either those, who just RECENTLY were inhabited by "YOUNG EGOS" or those EGOS who [maybe] just entered the HUMAN RACE.

- 3201 -

- How is the influence of MAN and WOMAN on THE CREATION OF THE CHILD?
- In the PHYSICAL the WOMAN builds the BODY of the child, the MAN transfers THE GERM. BUT on the MENTAL-PLANE the MAN builds the THOUGHT STRUCTURE, while the WOMAN projects from SPIRITUAL and PSYCHIC WORLDS the CREATIVE Germ.
- Of which gender is THE EGO?
- SEXLESS. And THAT is what we shall be again at the end.
- Is that why MASTERS are ANDROGYNE?
- YES. But for OCCULT reasons they have mostly a MALE BODY.
- Why SEPARATION OF SEXES?
- It awakens VIRTUES, such as CARING FOR OTHERS. THROUGH DISAPPOINTMENT with only SEXUAL UNION Man and Woman will be led sooner or later to SPIRITUAL LOVE.
- Why MARRIAGE?
- It is ONE way to channel SEXUAL ENERGY into MORE than just SEX, but also into SPIRITUAL LOVE, Friendship and caring for OTHERS [child, etc.].

- 3202 -

- Can misuse of KUNDALINI turn us into NEUROTICS?
 - YES. 99,9% cases of NEUROSIS have to do with the misuse of KUNDALINI.
 - Why could a SAVAGE misuse KUNDALINI and not suffer, while the "CIVILIZED" man and woman suffers from NEUROSIS?
 - Because the NERVENETWORK in the SAVAGE is not as SENSITIVE as in the CIVILIZED MAN who also has INCARNATED several thousand times more.
 - Could you give an example?
 - The NERVE SYSTEM in MAN and WOMAN can be compared to the Electric wire system of a house. If the Electricity [or KUNDALINI] is too strong, or the WIRE SYSTEM too FINE [sensitive] it will brake down. The SAVAGE has a less refined WIRE or NERVENETWORK and can take a lot more.
 - Is MARRIAGE for EVERYBODY?
 - NO. Those who have MASTERED KUNDALINI don't need marriage.
 - What can we do not to sink into the mire of SEXUAL ACTIVITY?
 - DEVELOP TRUE LOVE.
- *Those who have disorders of THE NERVENETWORK.

- 3203 -

- What is the ORIGINAL teaching of the HINDU CAST SYSTEM?
 - The more reincarnations the more responsibility. See how they ABUSED it!
 - What are the FOUR PSYCHOLOGICAL GROUPS of C.G. JUNG?
 - 1. Those under the influence of THE SENSES
 - 2. ... of PUBLIC OPINION.
 - 3. ... of PHILOSOPHICAL THINKING
 - 4. ... of IDEALISM
 - What are their main professions?
 - 1. Handiwork 2. Rational thinking. Feelings are mastered by THOUGHTS. Practical and after PROFIT. 3. Abstract thinking, Social workers too.
 - 4. The FOURTH is rare because it concerns SPIRITUAL ENLIGHTENMENT. But complete information about the different groups can only be found in the doctrine of THE SEVEN RAYS.
 - What is the HIGHEST Law?
 - LOVE, and it is not created by MAN. That is why MAN has such a hard time to follow and OBEY that LAW.
 - How can most questions be answered?
 - Through daily Meditation.
- *The BRAHMINS

- 3204 -

- Why do ESOTERIC SEARCHERS hesitate to use the name GOD?
- Because of the DEGRADING HUMANIZATION of this term by CHURCHES and in daily Life.
- Who is CHRIST?
- According to religious DOGMA it is the SECOND "PERSON" of the DIVINE TRINITY.
- What is the UNIVERSAL CHRIST?
- BRAHMAN NEUTER, the highest self of the UNIVERSE.
- Who then is JESUS?
- A master like many others, but LIGHT YEARS AWAY from being even CLOSE to THE UNIVERSAL CHRIST. He was declared 2000 years or so ago THE CHRIST, because THEN the people believed that THE EARTH is THE CENTER of the UNIVERSE, and the Church declared the STARS of having been painted by GOD onto the Heavens. JESUS never claimed to be THE CHRIST, and by "FATHER" he simply meant his OWN HIGHER SELF, or his FATHERRAY. See: THE SEVEN RAYS.
- Who then is THE CHRIST really?
- One of the highest Adepts in THE HIERARCHY. He is NOW THE WORLDTACHER and is CLOSELY con-

-3205-

- NECTED with the SECOND (the LOVE-ASPECT of OUR SUN-LOGOS.
- What is the NAME of this CHRIST?
 - LORD MAITREYA.
 - When did the CHURCH remove the teaching of KARMA and REINCARNATION from THE GOSPELS?
 - 500 A.D.
 - What is the best protection against SELFISHNESS?
 - THE CHRIST in US.
 - Is SPIRITISM a new movement?
 - No. It was known since 1848, when the little Kate Fox corresponded with invisible beings through KNOCKING-SIGNALS. The SPIRITISTIC view of things is very limited since it deals only with [mostly] abandoned ASTRAL-SHELLS or SHADES.
 - Abandoned from what?
 - From THE SPIRIT, who THEN rests in DEVACHAN. They can't tell you ANYTHING more than what they KNEW, or DID, when in a PHYSICAL BODY.
 - When do THE SIDDIS COME?
 - When you are ready. Don't try to achieve them before.
 - Is there a contact between modern PSYCHOLOGY

-3206-

- and THEOSOPHY?
- To a certain extent, yes. Psychology says, that MAN who is dissatisfied with the world can do TWO things. Either he braces out of his circle of circumstances and duties into ANOTHER circle, or he builds inside a more sublime way of seeing things, so that his circumstances become UNIMPORTANT and won't HURT HIM ANYMORE.
 - What is according to THEOSOPHY the definition of what PSYCHOLOGY calls the UNCONSCIOUS?
 - Five aspects. 1. The higher, eternal SELF of MAN, or: THE EGO. 2. The complete plane of the PARAPHYSICAL WORLDS. 3. The activities of OUR CONSCIOUSNESS on these worlds. [these three aspects correspond with JUNG and his UNCONSCIOUS as a still UNDEVELOPED CONSCIOUS] 4. The instinctive THINKING and FEELING as deposit either of a LIFE in THE HIGHER SELF, or the SUBMISSION TO ATAVISTIC [resemblance to something REMOTE], automatic IMPULSE or INSTINCT. 5. The PERMANENT ATOMS, or SKANDHAS, being impulses from THE PAST [Lives].
 - What selects the GENES at conception, when MAN

-3207-

- and WOMAN have sex?
- The SKANDHAS select, according to KARMA, the GENES.
 - Where could PSYCHOLOGY become important?
 - In DREAMANALYSIS.
 - Isn't DREAM always memory of ASTRAL experiences?
 - No. Often it is just the reflection of the SELF-CENTERED THOUGHTS of an average man, thus being not even conscious of his ASTRAL SURROUNDINGS.
 - Where is the point in which everything should be focussed? Is it in the PERSONAL?
 - No. - In PHYSICAL, EMOTIONAL or LOWER MENTAL?
 - No, you must focus in the FAR HIGHER values of THE IMMORTAL HIGHER NATURE.
 - Can we reach that peak at once?
 - Seldom. It goes PEAK by PEAK, and at each stop there is a moment of peaceful rest.
 - What should a Psychologist do in order to help a patient?
 - He should NOT lead him back into a depressing past, but show him his DIVINE DESTINY to become a GOD-MAN and thus open to him the view for the next peak to climb. Although: Without any knowledge of ESOTERIC SCIENCE, Psychology limitates itself to ONE

-3208-

- LIFE of a Personality, instead of overseeing the WHOLE PANORAMA of ALL REINCARNATIONS, of which ONE LIFE is just a blink of an eye.
- Is there a danger in PSYCHOANALYSIS, other than prescribing lethal drugs which turn the patient into a killer?
 - Yes. Sometimes PSYCHOANALYSIS uncovers layers of conflicts TOO EARLY, and then the patient can not cope with it.
 - How could we heal the spiritual-diseased patient?
 - He has to be inspired to SELF HEALING and CONSTRUCTIVE thinking and FEELING, you can NOT solve psychological problems through ISOLATION, but through awakening compassion for OTHERS and UNDERSTANDING for the own disease through the teaching of ESOTERIC SCIENCE.
 - Is there a difference between a school and LIFE?
 - Yes. School has regulations, LIFE is under the LAW OF KARMA, but MAN has complete freedom to do WHATEVER HE WANTS [if he is prepared for the KARMIC REACTION].
 - What creates the KARMA of MISFORTUNE, PHYSICAL DEFORMATION, HUNGER and CONCENTRATION CAMPS?
 - CRUELTY to MAN and ANIMAL, committed in a past life. In other words: All unsocial action creates sooner or later [for the "sinner"] SUFFERING.

-3208-

- Why have religion, science, philosophical and psychological systems FAILED to explain, or answer, the questions: "Who am I? Who and where is GOD? What is his nature? What happens after death? Is there a DIVINE PLAN? Why do I suffer? Why are people so different?"

- They TRY to answer these questions, but their ideas are too limited, their time periods too short and their EXPERIMENTS don't even yet SCRATCH the SURFACE. They present EFFECTS, not CAUSES. ONLY, and I repeat, ONLY, THEOSOPHY or ESOTERIC SCIENCE can answer all these QUESTIONS.

- Where then is the TRUTH?

- In the SYNTHESIS of ALL RELIGIONS, SCIENCES AND PHILOSOPHICAL SYSTEMS.

- WHEN does a MASTER like JESUS and BUDDHA appear?

- When YOU call him forth, LONGING for him, DESIRING him.

- What dies?

- The MASK or "PERSONA" or PERSONALITY. After DEATH [and then REST IN DEVACHAN] the "ETERNAL" spiritual MAN continues his development in a NEW PERSONALITY, but ALWAYS together with companions from THE PAST, attracted by them through LOVE, HATE or just SAME INTERESTS.

* now reawakened in THE BOOK OF LIGHT

-3210-

- Were there HUMANITIES BEFORE OUR HUMANITY?

- Of course, they are NOW [for instance] RULERS OF SOLAR SYSTEMS.

- What are the NINE ANGEL HIERARCHIES?

- The CHRISTIANS call them: 1. SERAPHIM, 2. CHERUBIM, 3. THRONES, 4. RULERS, 5. PRINCIPALITIES, 6. POWERS, 7. ARCHANGELS, 8. ANGELS, 9. NATURE-SPIRITS. [their TRUE DEVA NAMES are given in THE BOOK OF LIGHT]

- Where did the NOW human MONADS gain consciousness BEFORE?

- In MINERAL, PLANT and ANIMAL.

- Are there OTHER PLANETARY WORLDS inhabited with LIFEFORM or MONADS?

- There is NOTHING but MONADS...

- Who is MAN? - An ETERNAL SPIRIT with a TEMPORARY PERSONALITY.

- Do we have ALWAYS to come back to this planet?

- Nature NEVER repeats itself... But we ONLY ascend to ANOTHER planet, until ALL lessons on THIS one are learned.

- Why can't I remember past lives with the ASTRO-MENTAL or PHYSICAL BRAIN [or body]?

- Because THEY are always NEW. Only THE EGO contains the memory of ALL Lives. AUM.

-3211-

in order to DEVELOP, or UNFOLD, NEW POWERS. This happens again and again and again. After a certain amount of LIVES the CULMINATION POINT is reached and THE GREAT TALENT AND EVENTUALLY GENIUS is born. AUM.

- The parents only deliver "PHYSICAL" tendencies, deficiencies, preferences - whatever is KARMICALLY REQUIRED?

- YES. Ray Charles was born blind, because he had abused POWER on that level in a former LIFE, but at the same time it made him MORE SENSITIVE to MUSICAL VIBRATIONS, so THE EGO chose HIS [Charles'] body as a perfect vehicle to express its TALENT and GENIUS.

- What leads us together in personal relationships?

- KARMA OF LOVE AND HATE FROM FORMER LIVES.

- Is our LOVER from the former LIFE also our LOVER in this LIFE?

- NO. The LOVER from a FORMER LIFE could very well be your BROTHER and SISTER in THIS LIFE, which is ONE of the reasons why MOST PEOPLE do not remember their past LIVES. They simply could not "take" it.

-3212-

- What about those MEMORY FLASHES of past lives?

- THEY are often caused by flashlike connections between ASTRO-BODY and EGO.

- How can I attain a STRONG SPIRIT, a NOBLE HEART and a BEAUTIFUL BODY in the next LIFE?

- Be SELFLESS, BEAUTIFUL [inside], and COMPASSIONATE NOW!

- What if my KARMA is EXTREMELY NEGATIVE?

- Then you HAVE TO OUTLIVE IT! Take whatever is meant to happen to you. The more you accept it, the sooner it shall be over.

- Because only I can release the chains that hold me in bondage?

- yes, only YOU have the key.

- Why do we long to return to our EGO?

- Better: to THE MONAD. Because THE MONAD NEVER LEFT THE FATHER.

- Why are some GENIUS ARTISTS or [and] SCIENTISTS born in families with NO artists or Scientists?

- Because HEREDITY on that level does NOT EXIST. GENIUS and TALENT have nothing to do with BRAIN, REASON or EMOTIONS. THEY are just VEHICLES for GENIUS and TALENT, not their CREATORS. BRAIN, ASTRAL- and MENTAL BODY exist only for ONE LIFE. After each DEATH their EXPERIENCED ESSENCE is gathered in THE EGO, which in DEVACHAN prepares a NEW PERSONALITY.

-3213-

- What is an ADEPT?
- Somebody who experienced FIVE GREAT EXPANSIONS OF CONSCIOUSNESS [Initiations]. After he has passed this FIFTH INITIATION, SEVEN PATHS OF SERVICE ARE AHEAD OF HIM. He can choose. ONE of these paths is, to become a MASTER on Earth. He can lead students, or LANDOS, on the PROVISIONARY PATH and later through INITIATIONS. Such an Adept has reached a level of consciousness where he does not need to reincarnate again, because he has learned EVERYTHING that can be learned on this planet.
- What is the work of THE MASTERS?
- To work for mankind and its SUBDIVISIONS. For instance: Some Masters work on THE TOTAL OF ALL THE MONADS IN FRANCE, while others inspire SPAIN, etc.
- And the DEVAS?
- They help THE MASTERS.
- Do the MASTERS also cooperate with beings from OTHER SOLAR SYSTEMS?
- YES.
- Why can't the MASTERS change this sick WORLD?
- They do. Without the MASTERS, mankind would have perished LONG AGO.
- Is a SEARCHER alone? - NEVER. He is under ob-

-3214-

- servation of THE MASTERS. And ONE DAY, when THE STUDENT IS READY THE MASTER IS READY.
- What is THE CHRISTIAN IMMORTALITY DOGMA?
- They teach that GOD creates at each birth a new SOUL.
- Doesn't that GOD make a Sadist?
- Yes, because how else can CHRISTIANS then explain, that ONE child is born a PRINCE, while another dies of AIDS? The answer is: KARMA. They reap what they sowed in a previous life.
- Does MAN CHANGE after death?
- No. He is exactly THE SAME, with the same memories, interests, virtues and vices just without THE PHYSICAL BODY. And even or ESPECIALLY on THE ASTRO PLANE he can continue to make KARMA.
- Is there a EMBRYONICAL PART still being in us?
- YES, it is the DIVINE PART. Oh LANDO, you are NOT THE BODY.
- What is the task of THE SPIRIT?
- To turn, or transform, MATTER INTO LIBERATED BEINGS.
- Who was the philosopher Ralph Waldo EMERSON in a former life?
- A disciple of PLATO.
- KANT, FICHTE and HEGEL?
- Old Vedantic reincarnations.
- SCHOPENHAUER?
- A reincarnated BUDDHIST.

-3215-

- What about GOETHE, SCHILLER, LESSING, HÖLDERLIN, NOVALIS, etc.?
- They are all reincarnations of GREEK philosophers, or of their disciples, and there are many ENGLISH historians resembling the ROMANS SALLUST, TACITUS and LIVIUS.
- Is TENNYSON a Roman reincarnation?
- No. TENNYSON was a disciple of VERGIL [70-19 B.C.]. BYRON and RUSKIN for instance were HELLENISTS, or they were NON-GREEK, who ADOPTED the GREEK LANGUAGE trying to REAWAKE GREEK WISDOM and knowledge. Why? Because they were GREEKS in their former lives.
- When we visit remote countries and feel immediately FAMILIAR there, does that mean, we know them from former lives?
- Yes. French mentality shows many ancient-greek properties, for instance: Mental clarity, unpersonal seeing of things "as they are", etc.. Many GREEK EGOS can be seen in THE USA on the pacific - having the happy temperament of the PRE-PERICLEAN AGE, ALTHOUGH their ancestors were NEW-ENGLISH PURITANS. The reason why they wanted to PURIFY in the 16th and

* English poet [Baron] 1809 - 1892

-3216-

- 17th century the church of England from all outer ceremonies and forms, was, that they were GREEK PHILOSOPHERS, OR THEIR DISCIPLES, in previous lives, and they FELT THE TRUTH IN THEMSELVES, which Truth is: ESOTERIC SCIENCE, free from WORSHIP and ADORATION OF OUTER FORM.
- From which countries do the EASTERN INDIANS come?
- Most of them never left INDIA during former lives.
- You often meet INDIANS, who long for WESTERN traditions and ideas...
- These are mostly EUROPEAN EGOS reincarnated in INDIA.
- Who introduced the ERA OF ART in EUROPE?
- EGOS which incarnated from HELLAS [north-eastern GREECE] into EUROPE. In the same way we can find GREEK EGOS being REINCARNATED in ITALIAN MASTERS. THEN they worshipped [many GREEKS DID] PALLAS ATHENE and other GREEK GODS, now they paint THE MADONNA and THE SAINTS. We also find ROMAN portraitists in ENGLISH SCHOOL OF ART and their traditions.
- What is the cause of FEAR of REPTILES, KNIVES etc.?
