JESUS AFTER INITIATION

Questions answered by THE MAHA CHOHAN

- What is the B.O.L.?
It is the mother of all. A teaching only for those who qualify to receive it. In a far away future it will be the all uniting teaching about origin and purpose of man and cosmos.
- Are the gods and heroes of mystical legends real?
Yes, but veiled in symbolic veil.
- Is the Book of Light first revealed?
No. It was, is and will be there, and it ~~was~~ hidden in all religions, sciences and philosophies of today, whose source B.O.L. is.
- What is B.O.L., the Book of Light?
Wise inheritance of all nations here and elsewhere (visible and invisible). -3615

- Why B.O.L.? -3616-
To withstand materialism, and a void takeover of the powers of darkness. B.O.L.: will reconcile all religions, unveil their outward, human garment, ~~and~~ willing and revealing the root of each, the identical root of all religions, sciences and philosophies of today.

- What does that mean for us humans? And to nature?

There is a divine principle in everything. OM

- Why was purity lost?

By time and human imagination. And also may be because the doctrine was preserved too secretly...

- Where?

- In the sanctuary

- Once B.O.L. was known to all mankind and taught by the angels?
- Yes.

- Is there only one truth?

- Yes, but that one truth has many facets, like a tree has many branches, who BELONG to that tree.

- The tree is B.O.L.?

- Yes. It contains all there is, was, and has been. The branches are the religions and philosophies of today.

- Is B.O.L. the invention of Lucifer?

- OH NO! It was dictated to him by the Maha-Chohan!

- Who is that?

- A high being. More of it in B.O.L.

- What about the other religions and philosophies?

- They have degenerated as the ages passed.

reason WE fell into matter and shared their destiny.

e) But they AND us we will rise and be gods again OM. f) when Christ resurrected (at initiation but also after death) his body was global and spheric. Our bodies will be too.

g) there is no material resurrection but reincarnation. h) we are all united in the rootspirit and IT in NIRVANA, into which we all will remerge again OM.

- Is Christianity emerged from Jewish doctrine?

- No. P.O.L. is the fountain head of all.

- what about Jewish Qabbalah? The unwritten one is closer to the truth than the later written one.

- where is truth?

- In the PAST, not in the future!

- what is Gnosis?

- It is WISDOM supplanted by Christian scheme. It derived from

THE MASTERS

As by order of the great Chohan, I do not mention the, so often misquoted, ray-colors of the masters, since truth is even beyond the WHITE light, containing all colors. The following was dictated to me by the ascending masters directly.

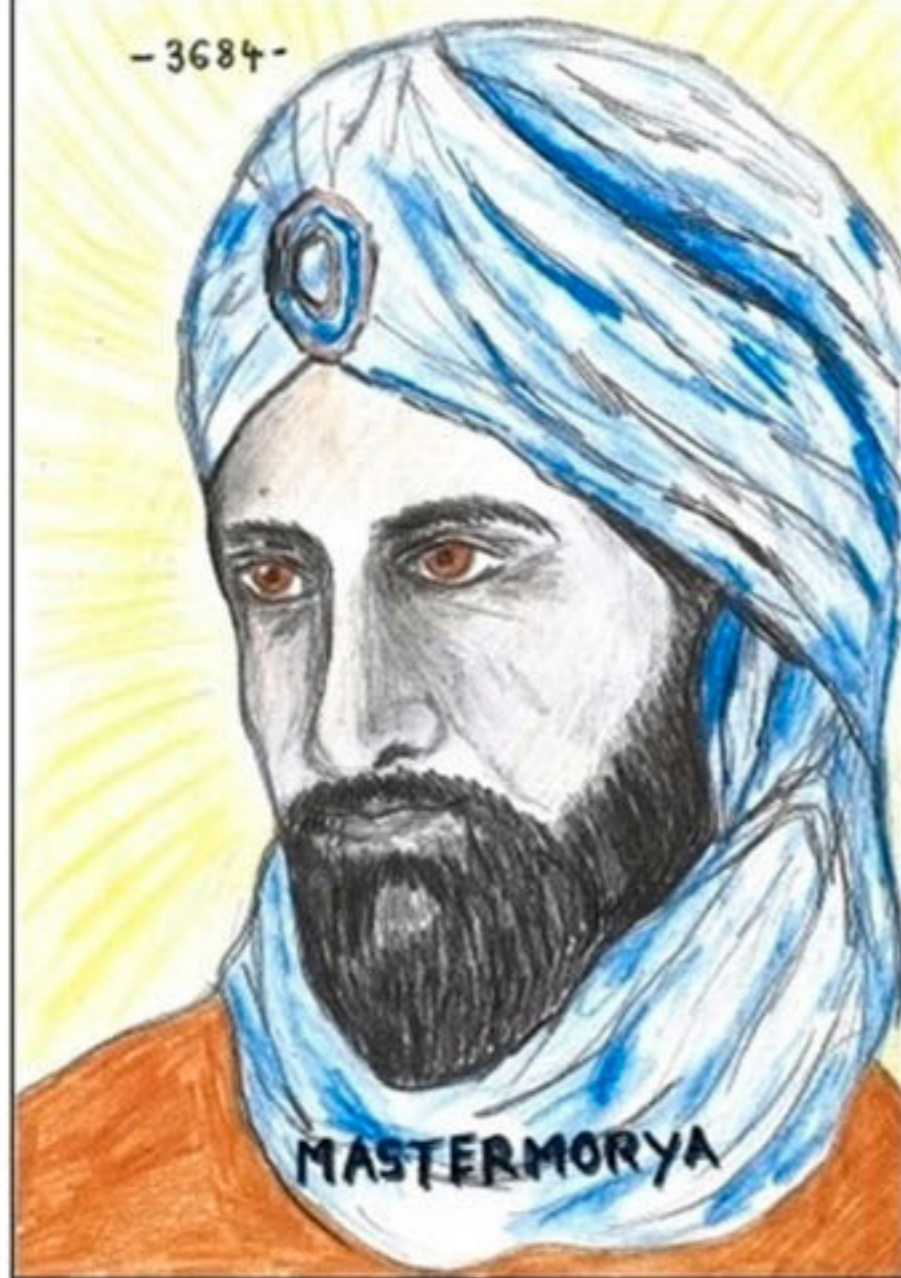

- 3683 a -

The "ascended masters" are called "ascended," because they left their physical bodies and now live on etheric planes, but they can and do manifest here any time they wish. Ascension is only possible if one has overcome all desires of the flesh. Then you don't need the physical body any longer and live in its etheric matrix on etheric planes, which are identical with the heavens of religion. These planes are even confused or misunderstood by many theosophists with NIRVANA. Etheric planes are TRANSIENT, no matter how long they may last. But NIRVANA is above them all, timeless, eternal, free from duration, OM. So one who lives and works on the etheric plane may well be free from karmic rebirth, he nevertheless lives on a cosmic plane that is TRANSIENT. GLORY TO THE BOOK OF LIGHT.

There are many more masters (male and female) but they were not directly involved in my work, so I do not mention them here. My work above.

GLORY TO THE BOOK OF LIGHT
BOOK OF BOOKS AND SAVIOR OF
MANKIND! OM.

- 3684 -

- 3685 -

I am the ascended Master Morya, Chohan of the first ray. When you seek true power, forthrightness, courage and faith, then you will be guided by me. Many rulers and statesmen are under my guidance and protection, unless they follow the left-hand path. Then they are prey to the Mauo-Chohan, ruler of Malapraikitti. I became wise through a lot of incarnations. Many times I was a king, but no dictator. I always said, that man should NOT rule over man, but the knowledge stored in aakashadivans, now revealed in THE BOOK OF LIGHT. I was, though, AGAINST the decision of the Great Chohan, known as THE SUPERMONAD in THE BOOK OF LIGHT, to use Landa as channel. He was and is too incomplete, but someone else on the entire planet was so desperately seeking the truth. So the Chohan chose him. I initiate via throat chakra, which eventually made it easier for me to accept Landa as upadhi for the chohan's dictation. I, Morya, live ethically above India, and I

manifest on earth, be it by birth, or using a chela body or by own kriyasukuti. In my previous lives I was Abraham, the first Hebrew patriarch, as well as King Arthur, a rich bishop Becket, Sir Thomas More and also the founder of the Mogul empire in India. Together with Master Saint Germain I strengthen Mosaic Will towards liberation in all beings. I ascended in 1888, after having founded, together with Master Koot Humi and H.P.B., the Theosophical Society. O.M.

I am the ascended Master Koot Humi Lal Singh, although I don't like to be named by the "Lal Singh", given to me by a disciple. I am of Kashmir origin and attended Oxford University in the 1800'. In my past lives I was amongst others, Pythagoras, Balhazar, witnessing birth of Jesus, though 100 years prior to date in Hebride. I founded mystery schools and also built the Taj Mahal. I protect and hold in existence the occult mysteries, revealed in THE BOOK OF LIGHT, which is the manifested Supernova as well as the Holy Grail. O.M. As world teacher I encourage all different religions or rather their preachers to study THE BOOK OF LIGHT, in order to end all religious wars on earth. O.M. My aim and karma is, to open the heart chakra in all beings, so they can experience unconditional love. I also established, together with Master Morya, the Theosophical Society. Don't listen to gurus and false witnesses, claiming to "channel" me. THE BOOK OF LIGHT was dictated to Laura by THE MAHA CHOHAN.

I am the Venetian, Chohan of the 3rd ray, the ray of divine love. I live above Chateau de Liberte, south of France Rhone river, whence I ascended in ethric realms in 1588 as Paolo Venese. I am originally a worbe of planet Venus. We Venetians are masters of the flame. I radiate harmony and divine love. OM. When I speak I bring comfort and peace to all, who are listening to me. I am devoted to beauty, and I empower all beings to perfect the soul through disciplining their aurtta. OM. My energy goes to heart chakra, helping you to discern (divine by compassion) between good and evil. I agree to the choice of the great chohan, using Lanoo, to channel BIL. I inspire all artists and musicians. So I inspired Lanoo to write the hymn of future mankind. That hymn will become the direct aurtta-bridge to the white brotherhood.

- 3689a -

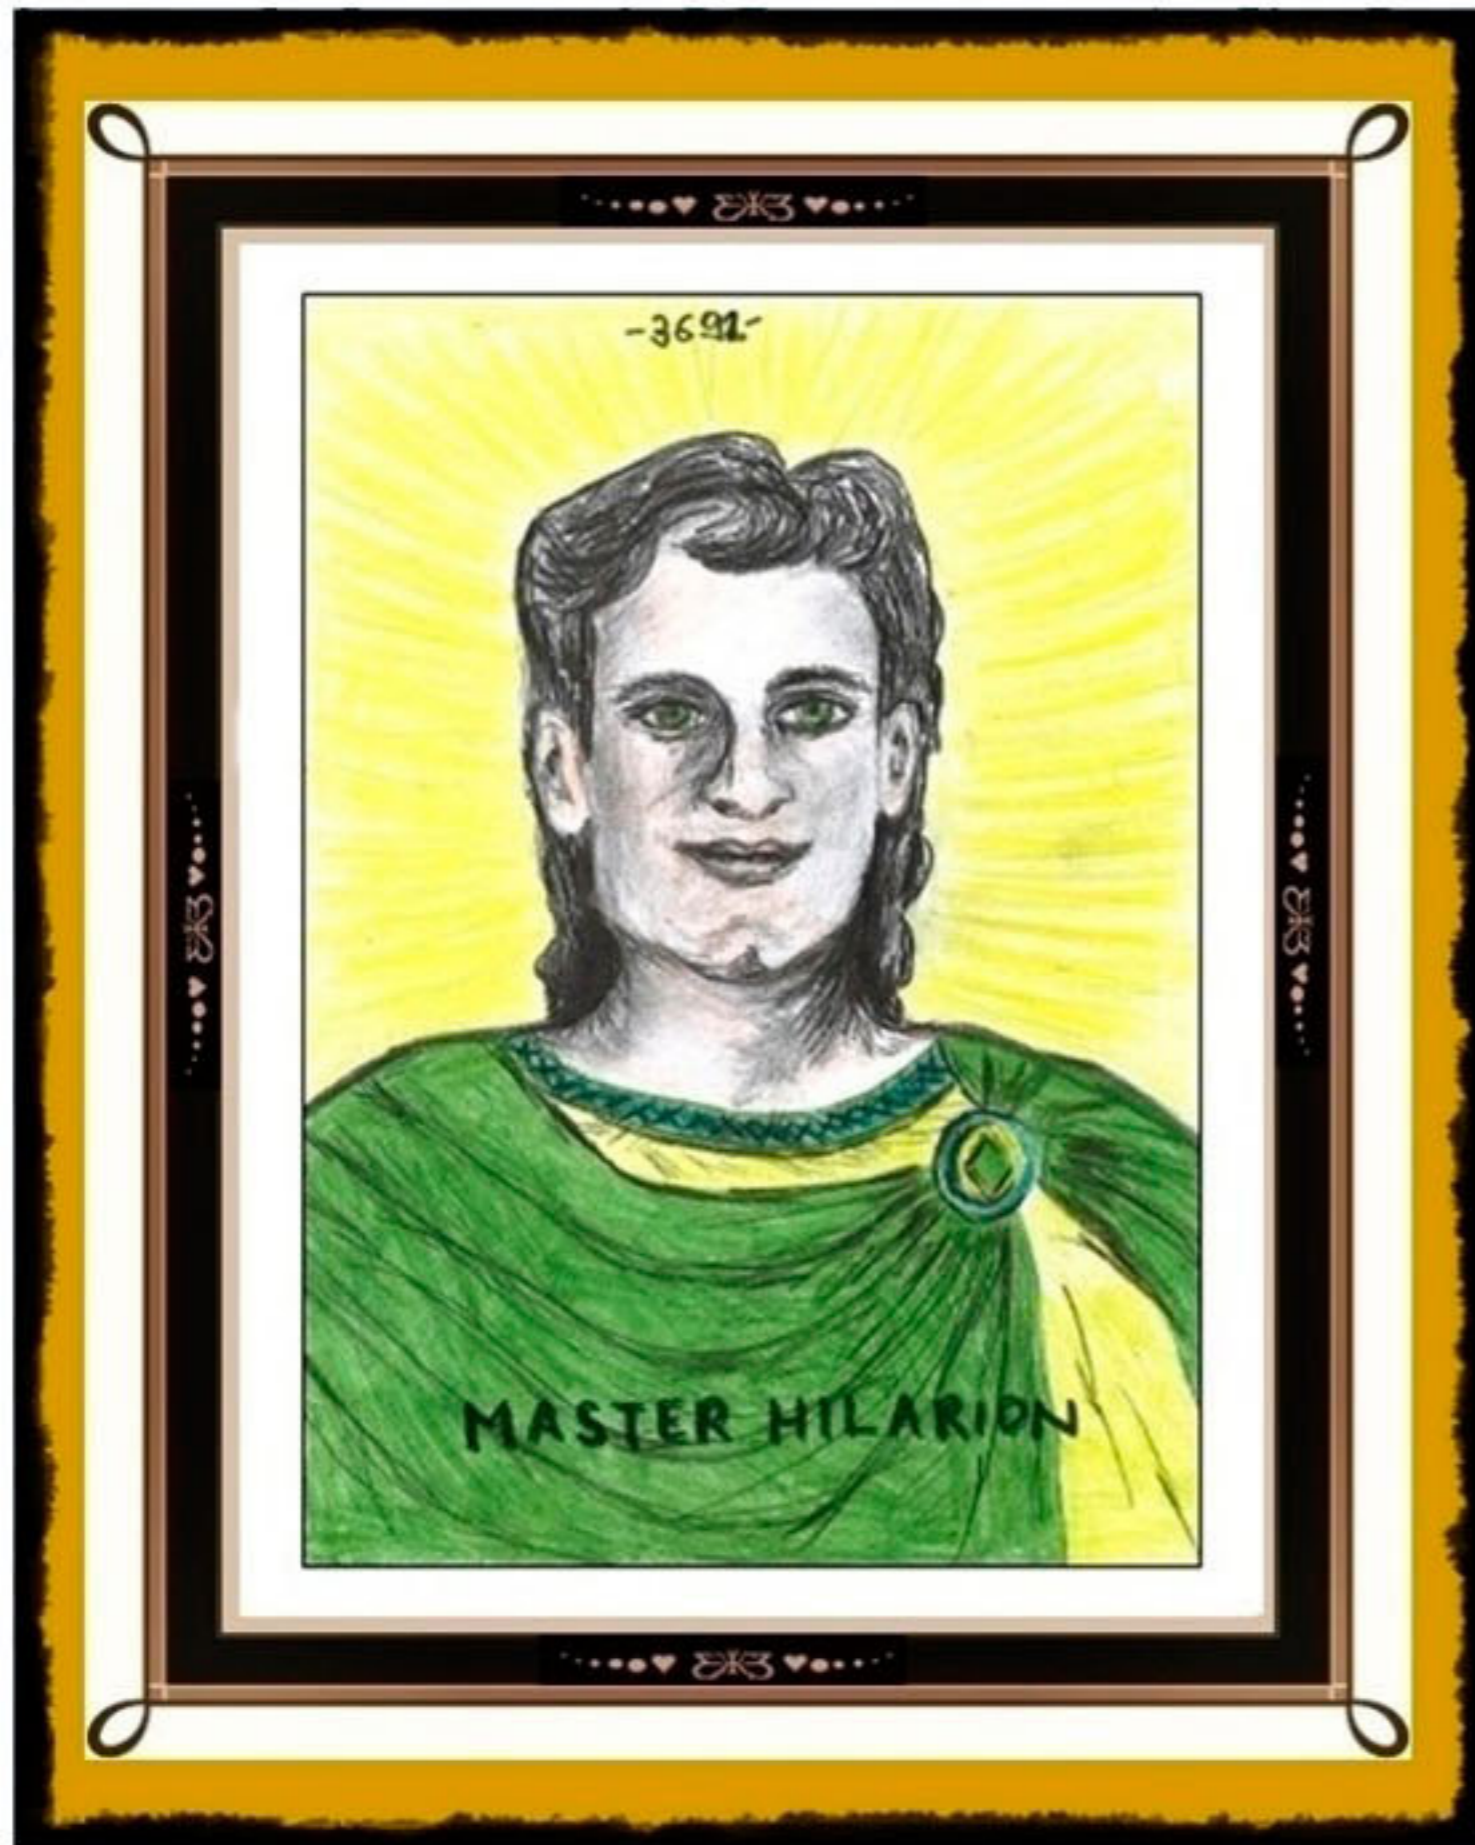

During Atlantean epoch I was head of cultural affairs. Then Atlantis sank. But I made sure that the flame of liberty will survive in Peru. That gave power and wealth to Incau civilization, but could not prevent slavery and human sacrifices, soiling their culture. When I embodied in Egypt, I worked with El Morq, who at that time was a Mastermasa, OM.

- 3690 -

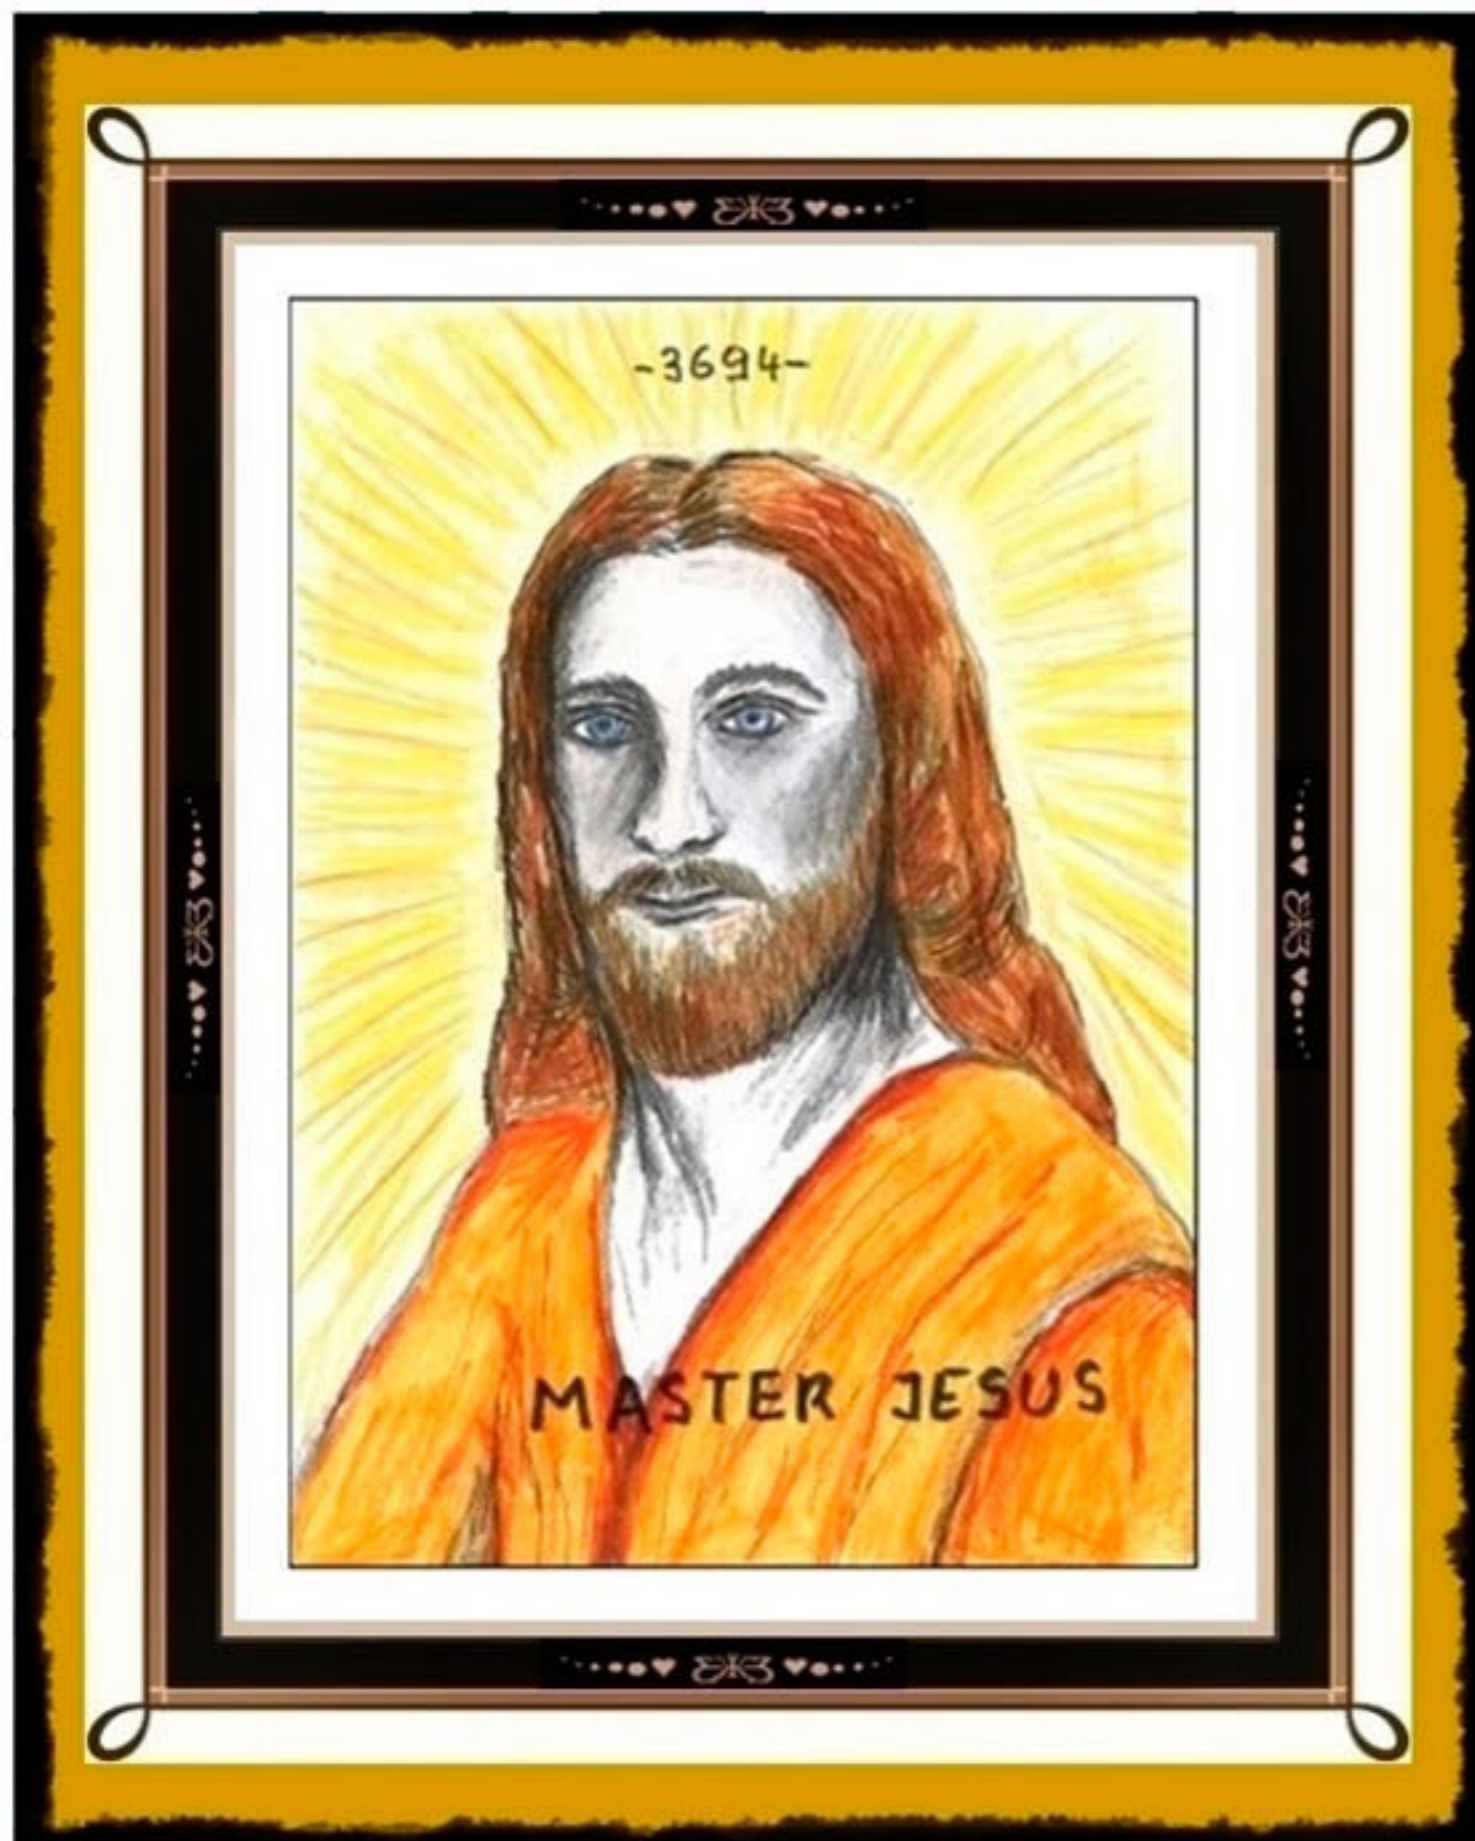

- 3691 -

I am Serapis Bey, Chohan of the 4th ray. I live ethrically above Luxor, Egypt. In Atlantis I was high priest in the Ascension temple, still existing today in ether-world. I teach the path of unconditional love, which is love for a worm as well as for a human, because both - worm and human - are gods in the making. OM. I prepare chelas for ascension in etheric body during sleep. You don't have to outlive your karma totally on earth. Much of it can be outlived on etheric plane. OM.

-3693-

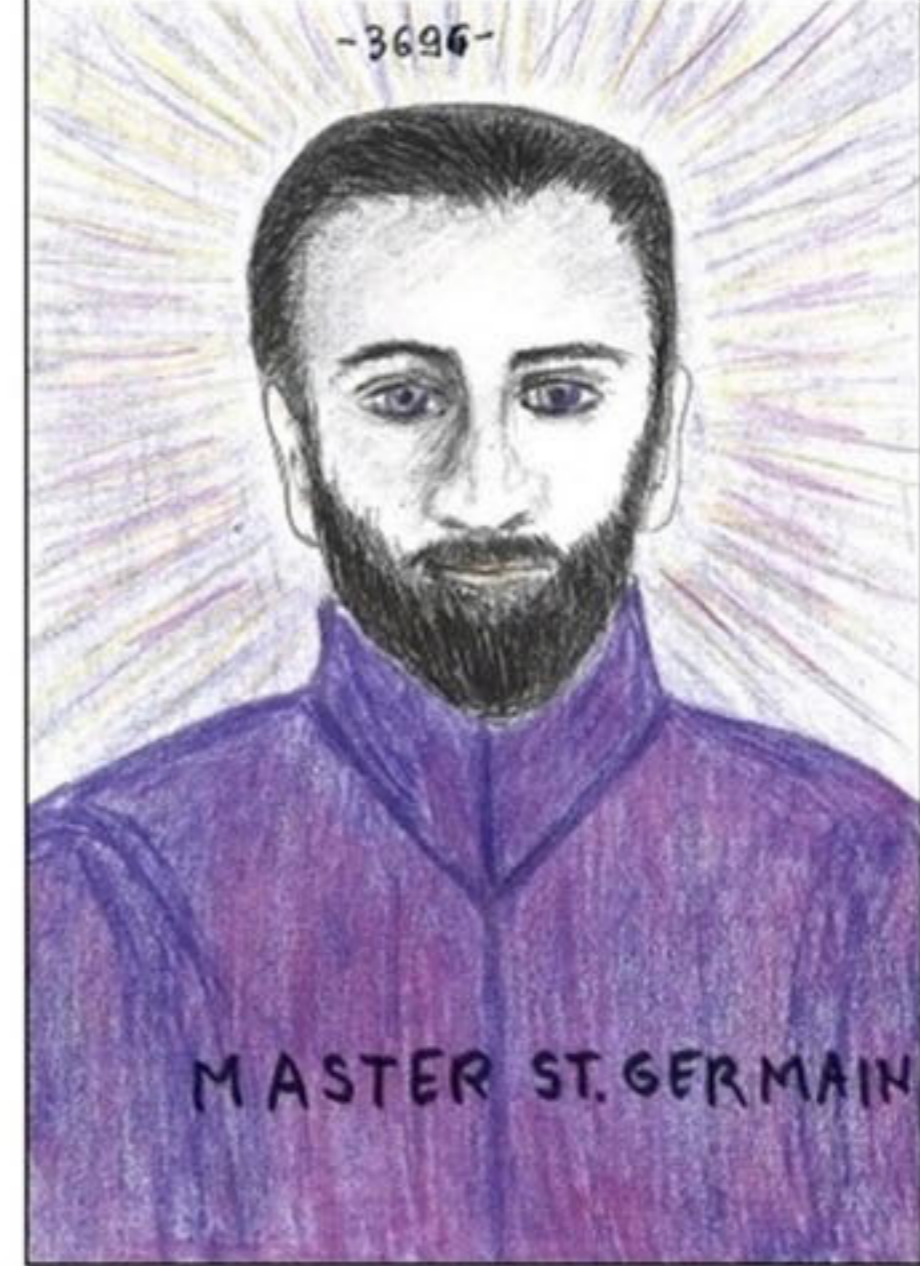

I am Hilarion, Chohan of the 5th ray. Scientists, healers and religious leaders are inspired by me via etheric realm above Crete in Greece. I activate third eye power. I turned from Saulus into Paulus. This enabled me to counteract down spiral evolution on earth you find me saying in bible Galatians 1: 16-18 "I conferred not with flesh and blood. Neither went I up to Jerusalem to them which were apostles before me: but I went into Arabia and returned again unto Damascus. Then after three years I went up to Jerusalem." (quote end) The true meaning of the bible is revealed in THE BOOK OF LIGHT-DM.

-3695-

I am Jesus, spiritual healer and ruler of the 6th ray. During age of pisces I encouraged idealism and devotion. Now the time has come for you to change from a believer into a knower. That is why the Great Chohan dictated to me THE BOOK OF LIGHT. During the times of Melchizedek I was high priest, overshadowed during this time by Maryce. About 18,000,000 years ago I was the first human male of split into the genders. Farmers, missionaries, public servants, social workers, blue collar workers and business people are under the grace of my ray, DM. But if they follow the left hand path they will have to outlive their karma. On the etheric plane I am known as SANANDA. Like the other workers I am manifest on earth. I am AVATARA. Right now I live above Syria where I have my terrible karma.

-3685a-
I was never crucified, as claimed or described in the bible, but only symbolically during INITIATION. My true nature is revealed in THE BOOK OF LIGHT.

-3697-
I am St Germain, holy brother of the 7th ray. I live ethically above the USA, where I led Laozi, unconsciously to him, so he could write under dictation of THE MAHA CHOHAN THE BOOK OF LIGHT. I inspire thoughts of freedom, justice, mercy, alchemy. 13.000 years ago I was high priest in Atlantis. I was also Saint Alban, the first martyr in Britain. My last life on earth was as Francis Bacon, the father of inductive reasoning and scientific method. DM.

-3699-
far away and now reawakened Book of Light. you may say: THE BOOK OF LIGHT is the resurrection of truth.
- Who revealed knowledge of B.O.L. to mankind?
B.O.L. was delivered to primordial humanity (first thinking human beings on earth) by spiritual, superintelligent beings from higher spheres. So B.O.L. is that one source, from which Truth flows into our world, divided in 3 sections.
- Which three?
a) The revelation section (revealed millions of years ago to early mankind.
b) Later the elder teachers and masters passed on that knowledge.
c) now hidden in all religions, philosophies and sciences and unveiled in resurrected B.O.L. DM
- In what situation were we before B.O.L.?
In the situation of learned ignorance, reviling truth. B.O.L. challenges all.

-3700-

- Why was that teaching only handed down to a few in the beginning?

The bible explains it.

- Where?

In Luke 8:10: "Unto you is given to know the mysteries of the kingdom of God, but to others in parables." But now the time has come to reveal the common source of all religions to all, and that unite all religions and transform believers into KNOWERS. OM

- What is god?

IN YOU!

- What is required to study B.O.L.?

a pari passu moral development, by becoming more spi-

ritual. -3701-

- What is the problem of religious fanatics?

They take allegory and symbol for real or literally.

- Is Karma fatalism?

NO. You are NOT under the blind and fortuitous action of Karma.

- Then Karma is a creation?

- NO. It is not a creation or created law of action. No cosmic entity created Karma!

- So that happens to us is or was caused by us?

- yes. Be it in this or a past existence

- who is fully responsible?

The reincarnating ego.

-3702-

- so there is no "unmerited" Karma?

No. It's all "merited" or rather self- or EGO caused. That's how we learn, life after life.

- Is there a rigid karmic justice?

- yes.

- What is reincarnation?

The human ego returns after death of body to earth.

- Immediately?

NO (with exception of masters). After death follows for the Ego, now devoid of physical body a rest of to its now invisible realms of devachan.

- Why? Why reincarnation?

So that the Ego learns new lessons on earth, meeting old friends and enemies... and new ones.

-3703-

- What is benefit of such teaching?

It modifies civilization, changes human psychology, and makes us aware that we are gods in the making. OM. It will turn degenerated religion into TRUTH.

- How can I know that B.O.L. is truth for me?

By studying it.

- Was Jesus a violent person?

When taken literally, yes, because he says in Matthew 10:34: "I come not to bring peace, but a sword!"

- But he was known as "the prince of peace!"

Only if you don't take Matthew 10:34 literally.

- Is there a meaning behind the "sword" quotation?

-3704-
yes, Jesus meant the word
of WISDOM revealed in B.O.L.
concerning origin and purpose of
man and universe.

- Most of bible I don't under-
stand. For instance, when Je-
sus in 2nd Epistle says
about when his kingdom will
come: "It will come when
two and two make one, when
the outside is like the inside;
and when there is neither male
nor female." hm... $2+2=4$
not one! ?

Not always. read and learn:
It is a parable. Let us analyze
it: human being is encased
in 7 sheaths, from lowest phy-
sical to highest spiritual.

The lower 3 sheaths are:

- At death
- 1.) etheric
 - 2.) astral
 - 3.) physical body

-3705- At death the inner 2 duds
are left.

- what are they?
spiritual and psychological
nature.

- But why and when will they
become ONE?
In a far distant future.

- how?
Through process of evolu-
tionary growth, humans
will become ONE entity.

- Why and how? Where are the
other two? To make 4?

Those other two is THE MO-
NAD ITSELF because it
is dual. IT becomes the
ONE with the lower dual.
You understand? Sheath
and vehicle are then ONE!

- yes.

-3706-
- What will we then all be?
Christs. OM. It is the union of
monad and vehicle!

- What do Buddhists call such
a human being?

"A BUDDHA, an awakened
one! An enlightened one!"

- But what about Jesus words:
"When the outside is the in-
side."?

B.O.L. teaches etheric
evolution prior to physical.
So our bodies were different
millions of years ago.

- What is main teaching of B.O.L.?
Entire teaching is of utmost
importance, like for instance,
that the entire universe is a 7-
fold organism (but also 10 and
12 fold). We are part of a LIVING
ENTITY!

- of equal intelligence? -3707-

No. It diminishes in the beings
with each step downwards cosmi-
cally.

- What is heaven and hell?
spheres of recompense for right
and wrong living.

- Where are those realms?
Not in our material world, but in
to us still invisible ETHERIAL
spheres.

- So hell is not below and heaven not
above?

No. This is misunderstood greek and
roman mysticism, as well as Chris-
tian and Islam misunderstanding.

- What is the true meaning of
"invisible worlds?"

CAUSAL realms are meant by
that, the ROOT of things.

- So what are "hells" parts?

All manifested spheres or worlds

-3708-

are hells, because B.O.L. teaches
 E that is material too. The more
 refined, the less "hellish" it is.

- Are we angels?

Yes, and we "fall" of necessity from
 higher realms into lower, less ethereal,
 realms.

Why?

In order to gain experience.

- So we are all DEVAS?

Yes. But there are more Devas on
 higher etheric realms. OM.

- How many general divisions of
 Devas are there?

Four divisions of Devas, living
 in spheres superior to that of earth.

- On which planes?

On the four cosmic planes above
 the earth plane.

- What is their reference to the
 planetary chain of our earth?

It concerns the 6 globes, superior
 the physical earth globe.

-3708-

- Are the Devas in contact with us?
 yes. There is a more or less close
 association with the human hierarchy.

- What is this physical universe?
 It is but a SHELL of the real one.

- I don't understand...

This to us visible universe is just
 a manifestation of INNER causal
 realities.

- What are the forces, governing
 this universe?
 Within the shell.

- So the inner to us still invisible
 worlds are the ROOT of the outer
 visible universe?

Yes.

- Where is the innermost core of the
 universe located?

Nowhere, because it is INFINITUDE.
 You can only reach it at meditation.

- When will that happen?

When the "inner eye" awakens. THEN
 you will have knowledge of those
 spheres and finally of the core itself.

-3710-

- When will my "inner eye" awaken,
 so that I can throw myself into vi-
 brational intercommunication with the
 infinite uncreated core?
 Live a pure life and read B.O.L. over
 and over again.

- So what is the definition of the
 universal, timeless, eternal, truly
 immortal core?

It has no dimension, no position
 or defined material definition.
 Daily SOULBREATH MEDITATION
 will lead you to it.

- How can I truly UNDERSTAND
 a being or thing?

You must BECOME it!

- But I DON'T want to become
 a stone, or plant or animal etc.
 B.O.L. teaches I already
 was it.

- Become it TEMPORARILY, switch
 in and out of it.

- Is this INITIATION?

Yes. During initiation the candi-
 date goes through it.

-3711-

By monadic power, activating root-
 matter.

- Who is closest to B.O.L. teaching?
 Scientists like Sir J.H. Jeans.
 He clearly states that matter (ener-
 gy) is poured from a universe
 beyond our own. That is B.O.L.
 teaching.

- So it - the matter or energy -
 pours into our dimension from
 another dimension?

No. Dimension means "measur-
 ment" or indicates it, which per
 se is inexact to describe that
 process.

- What does B.O.L. call it?
 Worlds, spheres, planes, being
 the causal background of
 the entire visible universe

- But, planes, spheres are measur-
 ments too...

Add "planes, spheres, worlds of
 CONSCIOUSNESS" and you
 have solved the riddle!

- Why am I not yet as compassionate as I would like to be?
 Because you still stand apart and just look at what happens. That causality, the cause of all suffering in the world.
 - How can I come closer to that which now I still observe?
 Meditate each day. Follow the Path. That leads you to the common core of all. Then you will become sympathetic by understanding.
 - What happens at sleep?
 You then enter into another realm of consciousness.
 - What do our senses reveal to us?
 But a small part of the truth. Shut off your senses, at audition and you will see.
 Go within. Each day more and more.
 - Why did the matter of the universe divide itself into atoms, planets and solar systems including their inhabitants?
 and you became attracted to it!

Because of desire! -2713-
 All these, all of them are but MONADIC DESIRE in evolution, but EFFECTS in outer physical spheres, but it originally takes place in INNER spheres or realms, causing the EFFECTS in outer realms. We call it then the powers of nature. But they are EFFECTS, not causes. The causes are BEHIND the veil, now lifted by THE BOOK OF LIGHT.
 - How does orthodox SCIENCE define it?
 They confuse effects with causes. They think that everything in the universe is unimpulsed, unincited, vitally - unguided matter, moving haphazardly through space. To them it is all luck or chance.
 - What will happen?
 D.O.L. will change those false views and unite science, religion and philosophy.
 What is universe?
 IT and all in it is effect of a cause, stretching from timelessness into time (caused by the impression of changing matter) and back.

- What is universe? -3714-
 One vast organism and we are part of it.
 - How many beings are in the entire universe?
 One being.
 - I don't understand.
 The entire visible and to us invisible universe IS one being, and we are its limbs. O.M. Don't ask any further in THAT direction.
 - What are Earthquakes, tidal waves, erupting volcanoes, electric phenomena (aurora borealis and australis), wind, hail, electrical storms, glacial periods (precession and recession), epidemic, pandemic, epidemic diseases, the growing of plants, blossoming of flowers, cell development into living thinking being, the titanic forces in the sea, the planets of the solar system, WHAT ARE THEY?? What is that all?

- Did I understand correctly, that there is only ONE being in the entire universe and that it is the universe itself and that we are part of it?
 - Yes.
 - Is man a minor or higher hierarchy?
 - Minor, but emanating from divine source.
 - What are intelligence and will-power of man?
 Inherent parts of his interior constitution.
 - But what is collective humanity?
 One of numberless hosts of hierarchical aggregates of intelligence "filling" the universe.
 - What is the true name of the manifested universe, which is a living being in itself?
 ADAM KADMON, and the Super-mound is his spiritual cause.
 - What is man in his nature?
 Visible AND Invisible
 - Is that why the universe too is visible and invisible?

-3716-

- Can man carve his destiny?
That is what he does, life after life.
Mostly guided or rather enslaved by
blind desires.

- How can man find solutions to the
problems of nature?
By penetrating deeply to the IN-
VISIBLE realms of HIS OWN con-
stitutions. The core and center of
YOUR being is also the center of
the universe, "God" itself.

- What is every being?
An evolving life.

- What are all heavenly bodies of the
universe?
Living beings.

- Is that confirmed by other sages,
also concerning the monadic or
spiritual ROOT of everything?
Yes. Origen and others claim, that
the suns and planets etc. did not
begin to exist when the universe appa-
red, but BEFORE that. This teaching
was repeated by Father Jerome.

-3717-

- What is our earth?
Kind of a planetary animal.
It is mother and producer of animate
beings, drawing life from her.
Earth is an ensouled organism.

- Can Earth think?
It has an instinctive monas or thinking
principle, just enough to keep itself
alive.

- What are the electrical phenomena of
our planet earth?
Those are the vital actions and reactions
of earth, arising of its jiva or electri-
cal storms, earthquakes etc.

- Are we humans animals too?
In our lower principles yes. Thus we
and earth are closely linked together
in arising and passing away.

- Is there no escape?
Overcome your "animal desires".
Earth AND man came forth from
a tiny seed...

- Where are man and earth born from?
From points of energy, centers of en-
ergy.

- Embodied where?
In an aggregate of atomic substances.

-3718-

- How does a planet appear? How does a planet
become alive?
Out of the to us still invisible spheres,
progressing downwards into matter.

- The planet itself?
No, but its cosmic SEED, or life-
center or energy point. When it attracts
more and more fine etheric, then conden-
sing matter, it grossens more and more,
by collecting LIFE-ATOMS.

- Where do they come from?
They are ready and waiting from
past manifestation. Same with man.

- The seed becomes the planet?
Yes, by drifting more and more from
the invisible sphere to the visible.

- Could I SEE such cosmic birth
of a planet?
Only if your 3rd eye would be
fully activated.

- So the seed becomes a physical
planet?
No, not immediately. First the
seed becomes the etherical ma-
ter of the planet. Around the
matrix the physical planet is built.

-3719-

- Please explain to me the various
stages of a planet from invisible to
visible!
After having left the invisible
spheres the cosmic seed, driven by
desire for manifestation, appears
on the visible plane as a 1.) nebulae,
then 2.) as a comet 3.) as a
still ethereal planet, then as 4.)
for instance Saturn.

- Why do you mention Saturn?
Because Saturn is still less dense
than water (on earth). Thus
Saturn is the perfect example
of a planet in one of its earliest
phases of materialization.

- So Saturn will condense more?
Yes Saturn will materialize
eventually to the density of
planet earth.

- How does science think of it?
They agree more and more to B.O.L.
teaching, claiming of course
it to be their own. Master told
me, it will happen.

-3720- Where do planets come from, acc. to or thodox science?
 By either having been thrown of so-
 lar substance, forming this the be-
 ginning of - for instance - the planets
 of our solar system.
 - Does B.O.L. agree to it?
 To a certain extent yes. But these are
 not other actions caused by inner powers.
 B.O.L. teaches: The entire physi-
 cal world with everything in it (stars,
 planets, solar systems, all living be-
 ings etc.) is but THE GARMENT,
 the OUTER garment or veil, of an
 INNER intelligent CAUSE, namely
 COSMIC LIFE, or: THE DESIRE TO
 BE.
 - Buddha overcame that desire?
 OM. That is why Buddha is
 HIGHER than man AND gods.
 - Is that cosmic life a person?
 No. BUT it is ADAM KADMON.
 Solve the riddle.
 - So it is far beyond human con-
 ception?
 Yes. It is boundless, beginningless,
 endless. Coextensive with infinity. OM
 is its manifestation.

-3721- What is space, according to B.O.L.?
 Reality, the underlying nomenclator.
 CAUSATION. Become the cause, not
 the effect.
 - How is space directed by cosmic con-
 sciousness and will?
 Through manifestation it expresses
 itself over the face of the Boundless.
 - Is it God?
 NO. Each space has a background
 of its own.
 - What is then our own home-universe?
 One of innumerable similar universes,
 scattered over the fields of boundless
 space.
 - Inspired by what?
 By boundless cosmic life.
 - What are the "gods"?
 They are "sparks of eternity", cos-
 mic intelligences.
 - Where do they live?
 In the vastness of infinitude.
 - As we do in our own home-universe?
 Yes, but on our own smaller scale.

-3722- What does animate and structurally com-
 pose the visible worlds?
 The invisible worlds.
 - So our worlds are the grossest known
 in the universe?
 Not at all. B.O.L. teaches worlds
 and their planets much denser than
 ours.
 - What is the physical universe?
 It is the mother of our senses,
 which while - for now - we only per-
 ceive it. For instance: Our eyes perceive
 only one octave of "Millikou rays". There
 are cosmic rays, the hardest and most
 penetrating, in entirety about 70 oc-
 taves.
 - What is radiation?
 "Crystallized light".
 - But that is scientific definition?
 Right. But B.O.L. goes further
 and states: THE ENTIRE UNIVERSE
 with everything in it is crystallized
 light in various degrees of vibration.
 - What about right- and left-hand of vi-
 bration? We cannot perceive it by senses?
 - down to radio-radiation.

-3723- It is astral light, from the astral realms.
 There are innumerable radiations beyond
 that.
 - What is the nomenclator of gross sub-
 stances?
 Etheral ones. The visible and tan-
 pible (our physical world) is but
 the veil and garment covering the invi-
 sible, intangible.
 - What is the origin of all forms of
 cosmic force?
 Consciousness, in whatever expression.
 - So all inner worlds, invisible they may
