

-4478-

When we at last definitely come into our MAMO CHOHANIC kingdom by the aid of COUPS D'ETAT prepared everywhere for one and the same day, after definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century) we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; ALL BOOK OF LIGHT PEOPLE WILL BE IN DANGER! Those other scriptures of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far removed from Europe. IN THIS WAY WE SHALL PROCEED WITH THOSE MOB MASONS WHO KNOW TOO MUCH; such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the center of rule.

Resolutions of our government will be final, without appeal.

In the peoples societies, in which we have planted and deeply rooted discord and protestantism, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority: no regard must be paid to the victims who fall, they suffer for the well-being of the future. THE MORE HEADS CHOPPED OFF BY ISIS THE BETTER! WIE FINANCE THESE ILLITERATE IDIOTS IN ORDER TO KEEP FEAR ALIVE! ONCE WE HAVE ATTAINED FULL POWER WE SHALL GET RID OF THEM, BY SENTENCING THEM TO DEATH!

-4480-

we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. The most secret political plots will be known to us and fall under our guiding hands on the very day of their conception. AMONG THE MEMBERS OF THESE LODGES WILL BE ALMOST ALL THE AGENTS OF INTERNATIONAL AND NATIONAL POLICE since their service is for us irreplaceable in the respect that the police is in a position not only to use its own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, ET CETERA.

The class of people who most willingly enter into secret societies are those who live by their wits, careerists, and in general people, mostly light-minded, with whom we shall have no difficulty in dealing and in using to wind up the mechanism of the machine devised by us. If this world grows agitated the meaning of that will be that we have had to stir up in order to break up its too great solidarity. BUT IF THERE SHOULD ARISE IN ITS MIDST A PLOT, THEN AT THE HEAD OF THAT PLOT WILL BE NO OTHER THAN ONE OF OUR MOST TRUSTED SERVANTS. It is natural that we and no other should lead MASONIC activities, for we know wither we are leading, we know the final goal of every form of activity whereas the MOB has knowledge of nothing, not even of the immediate effect of action; they put before themselves, usually, the momentary reckoning of the satisfaction of their self- opinion in the accomplishment of their thought without even remarking that the very conception never belonged to their initiative but to our instigation of their thought

-4479-

The attainment of that well-being, even at the expense of sacrifices, is the duty of any kind of government that acknowledges as justification for its existence not only its privileges but its obligations. The principal guarantee of stability of rule is to confirm the aureole of power, and this aureole is attained only by such a majestic inflexibility of might as shall carry on its face the emblems of inviolability from mystical causes - from the choice of God. SUCH WAS, UNTIL RECENT TIMES, THE RUSSIAN AUTOCRACY, BESIDES THE BOOK OF LIGHT, THE ONE AND ONLY SERIOUS FOE WE HAD IN THE WORLD, WITHOUT COUNTING THE PAPACY. Bear in mind the example when Italy, drenched with blood, never touched a hair of the head of Sulla who had poured forth that blood: Sulla enjoyed an apotheosis for his might in him, but his intrepid return to Italy ringed him round with inviolability. The people do not lay a finger on him who hypnotizes them by his daring and strength of mind.

SECRET SOCIETIES

Meantime, however, until we come into our MAMO CHOHANIC kingdom, we shall act in the contrary way: we shall create and multiply free masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above-mentioned administration of MASONRY and from whom will issue the watchword and program. In these lodges

-4481-

THE MOB IS STUPID!

Some developed of the mob enter the lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimilate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others You cannot imagine to what extent the wisest of the peoples can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause they had, and to reduce them to a slavish submission for the sake of winning a renewal of success BY SO MUCH AS OURS DISREGARD SUCCESS IF ONLY THEY CAN CARRY THROUGH THEIR PLANS, BY SO MUCH THE PEOPLES ARE WILLING TO SACRIFICE ANY PLANS ONLY TO HAVE SUCCESS. This psychology of theirs materially facilitates for us the task of setting them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of COLLECTIVISM They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important law

-4482-

of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality

If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the STUPID MASS is undeveloped in comparison with OUR mind? This it is, mainly, which guarantees our success.

PEOPLE ARE CATTLE

And how far-seeing were our learned elders in ancient times when they said that to attain a serious end it behooves not to stop at any means or to count the victims sacrificed for the sake of that end We have not counted the victims of the seed of the MOB cattle, though we have sacrificed many of our own, but for that we have now already given them such a position on the earth as they could not even have dreamed of. The comparatively small numbers of the victims from the number of ours have preserved our nationality from destruction.

DEATH is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs, than to ourselves, to the founders of these affairs. WE EXECUTE MASONS IN SUCH WISE THAT NONE SAVE THE BROTHERHOOD CAN EVER HAVE A SUSPICION OF IT, NOT EVEN THE VICTIMS THEMSELVES OF OUR DEATH SENTENCE, THEY ALL DIE WHEN REQUIRED AS IF FROM A NORMAL KIND OF ILLNESS Knowing this, even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of MASONRY the very root of protest against our disposition. While preaching liberalism to

-4483-

the mob we at the same time keep our own people and our agents in a state of unquestioningly submission.

REINCARNATION

THE BOOK OF LIGHT teaches Karma and Reincarnation. BUT WE are BEYOND such law. THE MAMO CHOCHAN promised us ETERNAL LIFE, when we obey him! We shall then die only ONCE, reincarnate and then live forever. That shall be our reward, for serving THE MAMO CHOCHAN!

Under our influence the execution of the laws of the mob has been seduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs and questions, as already mentioned, JUDGES DECIDE AS WE DICTATE TO THEM, see matters in the light wherewith we enfold them for the administration of the MOB, of course, through persons, like Donald Trump, Merkel, Schäuble and others, but also rulers of the Chinese and other nations, who are our tools, though we do not appear to have anything in common with them - by newspaper opinion or by other means The purely brute mind of the mob is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

In this difference in capacity for thought between the mob and ourselves may be clearly discerned the seal of our position as the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the mob. Their eyes are open, but see nothing before them and do not invent (unless perhaps, material things). But our THIRD EYE is open, directed towards evil! From this it is plain that nature herself has destined us to guide and rule the world.

-4485-

FEEL DISPOSED TO PLUME THEMSELVES ON FOOLISH CLEMENCY THEY ARE VIOLATING THE LAW OF JUSTICE WHICH IS INSTITUTED FOR THE EXEMPLARY EDIFICATION OF MEN BY PENALTIES FOR LAPSES AND NOT FOR DISPLAY OF THE SPIRITUAL QUALITIES OF THE JUDGES Such qualities it is proper to show in private life, but not in a public square which is the educationally basis of human life.

Our legal staff will serve not beyond the age of 55, firstly because old men more obstinately hold to prejudiced opinions, and are less capable of submitting to new directions, and secondly because this will give us the possibility by this measure of securing elasticity in the changing of staff, which will thus the more easily bend under our pressure: he who wishes to keep his place will have to give blind obedience to deserve it. In general, our judges will be elected by us only from among those who thoroughly understand that the part they have to play is to punish and apply laws and not to dream about the manifestations of liberalism at the expense of the educational scheme of the State, as the MOB in these days imagines it to be This method of shuffling the staff will serve also to explode any collective solidarity of those in the same service and will bind all to the interests of the government upon which their fate will depend. The young generation of judges will be trained in certain views regarding the inadmissibility of any abuses that might disturb the established order of our subjects among themselves.

In these days the judges of the mob, though, create indulgences to every kind of crimes, not having a just understanding of their office, because the rulers of the present age in appointing judges to office take no care to inculcate in

-4486-

them a sense of duty and consciousness of the matter which is demanded of them. As a brute beast lets out its young in search of prey, so do the people give to them for what purpose such place was created. This is the reason why their governments are being ruined by their own forces through the acts of their own administration.

Let us borrow from the example of the results of these actions yet another lesson for our government.

We shall root out liberalism from all the important strategic posts of our government on which depends the training of subordinates for our State structure. Such posts will fall exclusively to those who have been trained by us for administrative rule. To the possible objection that the retirement of old servants will cost the Treasury heavily, I reply, firstly, they will be provided with some private service in place of what they lose, and, secondly, I have to remark that all the money in the world will be concentrated in our hands, consequently it is not our government that has to fear expense.

WE SHALL BE CRUEL

Our absolutism will in all things be logically consecutive and therefore in each one of its decrees our supreme will be respected and unquestionably fulfilled: it will ignore all murmurs, all discontents of every kind and will destroy to the root every kind of manifestation of them in act by punishment of an exemplary character.

We shall abolish the right of cessation, which will be transferred exclusively to our disposal - to the cognizance of him who rules, for we must not allow the conception among the people of a thought that there could be such a thing as a

-4487-

decision that is not right of judges set up by us. If, however, anything like this should occur, we shall ourselves cassate the decision, but inflict therewith such exemplary punishment on the judge for lack of understanding of his duty and the purpose of his appointment as will prevent a repetition of such cases I repeat that it must be born in mind that we shall know every step of our administration which only needs to be closely watched for the people to be content with us, for it has the right to demand from a good government a good official.

OUR GOVERNMENT WILL HAVE THE APPEARANCE OF A PATRIARCHAL PATERNAL GUARDIANSHIP ON THE PART OF OUR RULER. Our own nation and our subjects will discern in his person a father caring for their every need, their every act, their every inter-relation as subjects one with another, as well as their relations to the ruler. They will then be so thoroughly imbued with the thought that it is impossible for them to dispense with this wardship and guidance, if they wish to live in peace and quiet, THAT THEY WILL ACKNOWLEDGE THE AUTOCRACY OF OUR RULER WITH A DEVOTION BORDERING ON "APOTHEOSIS," especially when they are convinced that those whom we set up do not put their own in place of authority, but only blindly execute his dictates. They will be rejoiced that we have regulated everything in their lives as is done by wise parents who desire to train children in the cause of duty and submission. For the peoples of the world in regard to the secrets of our polity are ever through the ages only children under age, precisely as are also their governments.

As you see, our despotism is found on right and duty: the right to compel the execution of duty is the direct obligation of a government which is a father for its subjects. It has the right of

-4488-

the strong that it may use it for the benefit of directing humanity towards that order which is defined by nature, namely, submission. Everything in the world is in a state of submission, if not to man, then to circumstances or its own inner character, in all cases, to what is stronger. And so shall we be this something stronger for the sake of good.

We are obliged without hesitation to sacrifice individuals, who commit a breach of established order, for in the exemplary punishment of evil lies a great educational problem.

THE MAMO CHOCHAN shall rule, will become patriarch of the world. The indispensable victims offered by him in consequence of their suitability will never reach the number of victims offered in the course of centuries by the mania of magnificence, the emulation between the MOB governments.

THE MAMO CHOCHAN will be in constant communion with the peoples, his high representatives making to them from the tribune speeches which fame will in that same hour distribute over all the world.

In order to effect the destruction of all collective forces except ours we shall emasculate the first stage of collectivism - the UNIVERSITIES, by reeducating them in a new direction. THEIR OFFICIALS AND PROFESSORS WILL BE PREPARED FOR THEIR BUSINESS BY DETAILED SECRET PROGRAMS OF ACTION FROM WHICH THEY WILL NOT WITH IMMUNITY DIVERGE, NOT BY ONE IOTA. THEY WILL BE APPOINTED WITH ESPECIAL PRECAUTION, AND WILL BE SO PLACED AS TO BE WHOLLY DEPENDENT UPON THE GOVERNMENT.

-4489-

WARNING!

THE BOOK OF LIGHT teaches, that it soon shall be taught at BOOK OF LIGHT UNIVERSITIES. A great danger is also THE BOOK OF LIGHT FOR CHILDREN. Whenever you find THE BOOK OF LIGHT - DESTROY IT!!!!

We shall exclude from the course of instruction State Law as also all that concerns the political question. These subjects will be taught to a few dozen of persons chosen for their preeminent capacities from among the number of the initiated. THE UNIVERSITIES MUST NO LONGER SEND OUT FROM THEIR HALLS MILK SOPS CONCOCTING PLANS FOR A CONSTITUTION, LIKE A COMEDY OR A TRAGEDY, BUSYING THEMSELVES WITH QUESTIONS OF POLICY IN WHICH EVEN THEIR OWN FATHERS NEVER HAD ANY POWER OF THOUGHT.

The ill-guided acquaintance of a large number of persons with questions of polity creates utopian dreamers and bad subjects, as you can see for yourselves from the example of the universal education in this direction of the MOB. We must introduce into their education all those principles which have so brilliantly broken up their order. But when we are in power we shall remove every kind of disturbing subject from the course of education and shall make out of the youth obedient children of authority, loving him who rules as the support and hope of peace and quiet.

WE SHALL CHANGE HISTORY

Classicism as also any form of study of ancient history, in which there are more bad than good examples, we shall replace with the study of the program of the future. We shall

-4490-

erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the MOB.

That too is, why THE BOOK OF LIGHT is our worst enemy, since it contains immaculate presentation of over 150 BILLION years of human and cosmic history!!! The study of practical life, of the obligations of order, of the relations of people one to another, of avoiding bad and selfish examples, which spread the infection of evil, and similar questions of an educative nature, will stand in the forefront of the teaching program, which will be drawn up on a separate plan for each calling or state of life, in no wise generalizing the teaching. This treatment of the question has special importance.

Each state of life must be trained within strict limits corresponding to its destination and work in life. The OCCASIONAL GENIUS HAS ALWAYS MANAGED AND ALWAYS WILL MANAGE TO SLIP THROUGH INTO OTHER STATES OF LIFE, BUT IT IS THE MOST PERFECT FOLLY FOR THE SAKE OF THIS RARE OCCASIONAL GENIUS TO LET THROUGH INTO RANKS FOREIGN TO THEM THE UNTALENTED WHO THUS ROB OF THEIR PLACES WHO BELONG TO THOSE RANKS BY BIRTH OR EMPLOYMENT. YOU KNOW YOURSELVES IN WHAT ALL THIS HAS ENDED FOR THE MOB WHO ALLOWED THIS CRYING ABSURDITY.

In order that he who rules may be seated firmly in the hearts and minds of his subjects it is necessary for the time of his activity to instruct the whole nation in the schools and on the

-4491-

market places about this meaning and his acts and all his beneficent initiatives.

We shall abolish every kind of freedom of instruction. Learners of all ages have the right to assemble together with their parents in the educational establishments as it were in a club: during these assemblies, on holidays, teachers will read what will pass as free lectures on questions of human relations, of the laws of examples, of the philosophy of new theories not yet declared to the world. These theories will be raised by us to the stage of a dogma of faith as a traditional stage towards our faith.

We shall AVOID the teachings of old, because that will lead the people to THE BOOK OF LIGHT, our foremost enemy!

On the completion of this exposition of our program of action in the present and the future, these are the principles of OUR theories, spread among the stupid masses, in order to enslave them.

Knowing by the experience of many centuries that people live and are guided by ideas, that these ideas are imbibed by people only by the aid of education provided with equal success for all ages of growth, but of course by varying methods, we shall swallow up and confiscate to our own use the last scintilla of independence of thought, which we have for long past been directing towards subjects and ideas useful for us. The system of bridling thought is already at work in the so-called system of teaching by OBJECT LESSONS, the purpose of which is to turn the MOB into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them DO YOU REMEMBER? In France, one of our best agents, Bourgeois,

-4492-

has already made public a new program of teaching by object lessons!!

The practice of advocacy produces men cold, cruel, persistent, unprincipled, who in all cases take up an impersonal, purely legal standpoint. They have the inveterate habit to refer everything to its value for the defense and not to the public welfare of its results. They do not usually decline to undertake any defense whatever, they strive for an acquittal at all costs, caviling over every petty crux of jurisprudence and thereby they demoralize justice. For this reason we shall set this profession into narrow frames which will keep it inside this sphere of executive public service. Advocates, equally with judges, will be deprived of the right of communication with litigant; they will receive business only from the court and will study it by notes of report and documents, defending their clients after they have been interrogated in court on facts that have appeared. They will receive an honorarium without regard to the quality of the defense. This will render them mere reporters on law-business in the interests of justice and as counterpoise to the proctor who will be the reporter in the interests of prosecution; this will shorten business before the courts. In this way will be established a practice of honest unprejudiced defense conducted not from personal interest but by conviction. This will also, by the way, remove the present practice of corrupt bargain between advocacy to agree only to let that side win which pays most

WE SHALL DESTROY THE CLERGY

THE BOOK OF LIGHT wants to UNITE the clergy, but we shall DESTROY it!

-4493-

WE HAVE LONG PAST TAKEN CARE TO DISCREDIT THE PRIESTHOOD OF THE MOB and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. FREEDOM OF CONSCIENCE HAS BEEN DECLARED EVERYWHERE, SO THAT NOW ONLY YEARS DIVIDE US FROM THE MOMENT OF THE COMPLETE WRECKING OF THAT CHRISTIAN RELIGION: as to other religions we shall have still less difficulty in dealing with them, but it would be premature to speak of this now. We shall squeeze clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress.

NEVER NEVER should the people be aware of the BOOK OF LIGHT, teaching, that all religions actually teach the same but hidden under different symbolism!

When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.

THE HIGHEST REPRESENTAT OF THE MAMO CHOCHAN WILL BE THE REAL POPE, THE PATRIARCH OF THE WORLD! THE MAMO CHOCHAN IS THE TRUE AND SO FEARED ANTICHRIST!
HAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA
HAHAHAHAHAHAHAHAHA!

-4494-

But, IN THE MEANTIME, while we are reeducating youth in new traditional religions and AFTERWARDS in ours, WE SHALL NOT OVERTLY LAY A FINGER ON EXISTING CHURCHES, BUT WE SHALL FIGHT AGAINST THEM BY CRITICISM CALCULATED TO PRODUCE SCHISM, AND BY RIDICULING PEOPLE LIKE LANOO (Christian Anders), to whom the MAHA CHOCHAN dictated THE BOOK OF LIGHT!

In general, then, our contemporary press will continue to CONVICT State affairs, religions, incapacities of the MOB, always using the most unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe ...

ONE-THIRD OF OUR SUBJECTS WILL KEEP THE REST UNDER OBSERVATION from a sense of duty, on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer, but a merit: unfounded denunciations, however, will be cruelly punished that there may be development of abuses of this right.

Our agents will be taken from the higher as well as the lower ranks of society, from among the administrative class who spend their time in amusements, editors, printers and publishers, booksellers, clerks, and salesmen, workmen, coachmen, lackeys, et cetera. This body, having no rights and not being empowered to take any action on their own account, and consequently a police without any power, will only witness and report: verification of their reports and arrests will depend upon a responsible group of controllers of police affairs, while the actual act of arrest will be performed by the gendarmerie and the municipal police. Any person not

-4495-

denouncing anything seen or heard concerning questions of polity will also be charged with and made responsible for concealment, if it be proved that he is guilty of this crime.

JUST AS NOWADAYS OUR BRETHREN, ARE OBLIGED AT THEIR OWN RISK TO DENOUNCE THEIR OWN FAMILY, or members who have been noticed doing anything in opposition to our organisation, SO IN OUR KINGDOM OVER ALL THE WORLD IT WILL BE OBLIGATORY FOR ALL OUR SUBJECTS TO OBSERVE THE DUTY OF SERVICE TO THE STATE IN THIS DIRECTION.

Such an organization will extirpate abuses of authority, of force, of bribery, everything in fact which we by our counsels, by our theories of the superhuman rights of man, have introduced into the customs of the peoples But how else were we to procure that increase of causes predisposing to disorders in the midst of their administration? Among the number of those methods one of the most important is - agents for the restoration of order, so placed as to have the opportunity in their disintegrating activity of developing and displaying their evil inclinations - obstinate self-conceit, irresponsible exercise of authority, and, first and foremost, venality.

When it becomes necessary for us to strengthen the strict measures of secret defense (the most fatal poison for the prestige of authority) we shall arrange a simulation of disorders or some manifestation of discontents finding expression through the co-operation of good speakers. Round these speakers will assemble all who are sympathetic to his utterances. This will give us the pretext for domiciliary

-4496-

prerequisites and surveillance on the part of our servants from among the number of the peoples police

As the majority of conspirators act of love for the game, for the sake of talking, so, until they commit some overt act we shall not lay a finger on them but only introduce into their midst observation elements It must be remembered that the prestige of authority is lessened if it frequently discovers conspiracies against itself: this implies a presumption of consciousness of weakness, or, what is still worse, of injustice. You are aware that we have broken the prestige of the MOB KINGS by frequent attempts upon their lives through our agents, blind sheep of our flock, who are easily moved by a few liberal phrases to crimes provided only they be painted in political colors. WE HAVE COMPELLED THE RULERS TO ACKNOWLEDGE THEIR WEAKNESS IN ADVERTISING OVERT MEASURES OF SECRETE DEFENSE AND THEREBY WE SHALL BRING THE PROMISE OF AUTHORITY TO DESTRUCTION.

FAKE NEWS

WE have established the term FAKE NEWS or FAKED NEWS, in order to discredit ANY news who are opposed to our goals. In Truth the so called "official news" are the FAKED news.

Our ruler will be secretly protected only by the most insignificant guard, because we shall not admit so much as a thought that there could exist against him any sedition with which he is not strong enough to contend and is compelled to hide from it.

-4497-

If we should admit this thought, as the MOB has done and is doing, we should IPSO FACTO be signing a death sentence, if not for our ruler, at any rate for his dynasty, at no distant date.

GOVERNMENT BY FEAR

HATE IS MUCH BETTER THAN LOVE! LOVE IS FOR THE WEAK! HATE IS FOR THE STRONG!

According to strictly enforced outward appearances, our ruler will employ his power only for the advantage of the nation and in no wise for his own or dynastic profits. Therefore, with the observance of this decorum, his authority will be respected and guarded by the subjects themselves, it will receive an apotheosis in the admission that with it is bound up the well-being of every citizen of the State, for upon it will depend all order in the common life of the pack

OVERT DEFENSE OF THE KIND ARGUES WEAKNESS IN THE ORGANIZATION OF HIS STRENGTH.

Our ruler will always be among the people and be surrounded by a mob of apparently curious men and women, who will occupy the front ranks about him, to all appearance by chance, and will restrain the ranks of the rest out of respect as it will appear for good order. This will sow an example of restraint also in others. If a petitioner appears among the people trying to hand a petition and forcing his way through the ranks, the first ranks must receive the petition and before the eyes of the petitioner pass it to the ruler, so that all may know that what is handed in reaches its destination, that consequently, there exists a control of the ruler himself. The aureole of power requires for its existence that the people may be able to say: "If the king knew of this," or: "the king will hear it."

-4498-

WITH THE ESTABLISHMENT OF OFFICIAL DEFENSE, THE MYSTICAL PRESTIGE OF AUTHORITY DISAPPEARS: given a certain audacity, and everyone counts himself master of it, the sedition-monger is conscious of his strength, and when occasion serves watches for the moment to make an attempt upon authority For the GOYIM we have been preaching something else, but by that very fact we are enabled to see what measures of overt defense have brought them to

CRIMINALS WILL BE ARRESTED AT THE FIRST, more or less, well-grounded SUSPICION: it cannot be allowed that out of fear of a possible mistake an opportunity should be given of escape to persons suspected of a political lapse of crime, for in these matters we shall be literally merciless. This is how the Turk Erdogan works, **following our orders!** If it is still possible, by stretching a point, to admit a reconsideration of the motive causes in simple crimes, there is no possibility of excuse for persons occupying themselves with questions in which nobody except the government can understand anything And it is not all governments that understand true policy.

If we do not permit any independent dabbling in the political we shall on the other hand encourage every kind of report or petition with proposals for the government to examine into all kinds of projects for the amelioration of the condition of the people; this will reveal to us the defects or else the fantasies of our subjects, to which we shall respond either by accomplishing them or by a wise rebuttal to prove the shortsightedness of one who judges wrongly.

Sedition-mongering is nothing more than the yapping of a lap-dog at an elephant. For a government well organized, not from

-4499-

the police but from the public point of view, the lap-dog yaps at the elephant in entire unconsciousness of its – the elephants - strength and importance.

WE are the ELEPHANT, and the Mob, stupid AND intelligent, is THE LAP-DOG! HAHAAHAHAHAHAHAHA!

It needs no more than to take a good example to show the relative importance of both and the lap-dogs will cease to yap and will wag their tails the moment they set eyes on an elephant.

In order to destroy the prestige of heroism for political crime we shall send it for trial in the category of thieving, murder, and every kind of abominable and filthy crime. Public opinion will then confuse in its conception of this category of crime with the disgrace attaching to every other and will brand it with the same contempt.

We have done our best, and I hope we have succeeded to obtain that neither the Mob nor THE BOOK OF LIGHT should succeed. It was for this reason that through the Press and in speeches, indirectly - in cleverly compiled school-books on history, we have advertised the martyrdom alleged to have been accredited by sedition-mongers for the idea of the commonweal. This advertisement has increased the contingent of liberals and has brought the people into the ranks of our livestock cattle.

When we come into our MAMO CHOCHANIC kingdom, our autocratic government will avoid, from a principle of self-preservation, sensibly burdening the masses of the people with taxes, remembering that it plays the part of father and protector. But as State organization cost dear it is necessary

-4500-

nevertheless to obtain the funds required for it. It will, therefore, elaborate with particular precaution the question of equilibrium in this matter.

Our rule, in which the king will enjoy the legal fiction that everything in his State belongs to him (which may easily be translated into fact), will be enabled to resort to the lawful confiscation of all sums of every kind for the regulation of their circulation in the State. From this follows that taxation will best be covered by a progressive tax on property. In this manner the dues will be paid without straitening or ruining anybody in the form of a percentage of the amount of property. The rich must be aware that it is their duty to place a part of their superfluities at the disposal of the State since the State guarantees them security of possession of the rest of their property and the right of honest gains, I say honest, for the control over property will do away with robbery on a legal basis.

This social reform must come from above, for the time is ripe for it - it is indispensable as a pledge of peace.

WE SHALL DESTROY CAPITAL

The tax upon the poor man is a seed of revolution and works to the detriment of the State which is hunting after the trifling is missing the big. Quite apart from this, a tax on capitalists diminishes the growth of wealth in private hands in which we have in these days concentrated it as a counterpoise to the government strength of the Mob - their State finances.

A tax increasing in a percentage ratio to capital will give much larger revenue than the present individual or property tax,

-4501-

which is useful to us now for the sole reason that it excites trouble and discontent among the mob.

NEVER must the people understand, that interest loaded money system is their true slave master. The interest FREE money system, as taught in THE BOOK OF LIGHT and its literary branches, must be ridiculed wherever and whenever possible!!!!

The force upon which our king will rest consists in the equilibrium and the guarantee of peace, for the sake of which things it is indispensable that the capitalists should yield up a portion of their incomes for the sake of the secure working of the machinery of the State. State needs must be paid by those who will not feel the burden and have enough to take from.

Such a measure will destroy the hatred of the poor man for the rich, in whom he will see a necessary financial support for the State, will see in him the organizer of peace and well-being since he will see that it is the rich man who is paying the necessary means to attain these things.

In order that payers of the educated classes should not too much distress themselves over the new payments they will have full accounts given them of the destination of those payments, with the exception of such sums as will be appropriated for the needs of US, their true rulers! He who reigns will not have any properties of his own once all in the State represented his patrimony, or else the one would be in contradiction to the other; the fact of holding private means would destroy the right of property in the common possessions of all.

-4502-

Relatives of him who reigns, his heirs excepted, who will be maintained by the resources of the State, must enter the ranks of servants of the State or must work to obtain the right to property; the privilege of royal blood must not serve for the spoiling of the treasury.

Purchase, receipt of money or inheritance will be subject to the payment of a stamp progressive tax. Any transfer of property, whether money or other, without evidence of payment of this tax which will be strictly registered by names, will render the former holder liable to pay interest on the tax from the moment of transfer of these sums up to the discovery of his evasion of declaration of the transfer. Transfer documents must be presented weekly at the local treasury office with notifications of the name, surname and permanent place of residence of the former and the new holder of the property. This transfer with register of names must begin from a definite sum which exceeds the ordinary expenses of buying and selling necessities, and these will be subject to payment only by a stamp impost of a definite percentage of the unit.

Just strike an estimate of how many times such taxes as these will cover the revenue of the mob States.

WE WILL CAUSE DEPRESSIONS

The State exchequer will have to maintain a definite complement of reserve sums, and all that is collected above that complement must be returned into circulation. On these sums will be organized public works. The initiative in works of this kind, proceeding from State sources, will blind the working class firmly to the interests of the State and to those who reign. From these same sums also a part will be set aside as rewards of inventiveness and productiveness.

-4503-

On no account should so much as a single unit above the definite and freely estimated sums be retained in the State Treasuries, for money exists to be circulated and any kind of stagnation of money acts ruinously on the running of the State machinery, for which it is the lubricant; a stagnation of the lubricant may stop the regular working of the mechanism.

The substitution of interest-bearing paper for a part of the token of exchange has produced exactly this stagnation. The consequences of this circumstance are already sufficiently noticeable.

A court of account will also be instituted by us, and in it the ruler will find at any moment a full accounting for State income and expenditure, with the exception of the current monthly account, not yet made up, and that of the preceding month, which will not yet have been delivered.

The one and only person who will have no interest in robbing the State is its owner, the ruler. This is why his personal control will remove the possibility of leakages of extravagances.

The representative function of the ruler at receptions for the sake of etiquette, which absorbs so much invaluable time, will be abolished in order that the ruler may have time for control and consideration. His power will not then be split up into fractional parts among time-serving favorites who surround the throne for its pomp and splendor, and are interested only in their own and not in the common interests of the State.

Economic crises have been produced by us by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were

-4504-

constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals The concentration of industry in the hands of capitalists out of the hands of small masters has drained away all the juices of the peoples and with them also the States

The present issue of money in general does not correspond with the requirements per head, and cannot therefore satisfy all the needs of the workers. The issue of money ought to correspond with the growth of population (until we reduce it to 500 Millions) and thereby children also must absolutely be reckoned as consumers of currency from the day of their birth. The revision of issue is a material question for the whole world.

YOU ARE AWARE THAT THE GOLD STANDARD HAS BEEN THE RUIN OF THE STATES WHICH ADOPTED IT, FOR IT HAS NOT BEEN ABLE TO SATISFY THE DEMANDS FOR MONEY, THE MORE SO THAT WE HAVE REMOVED GOLD FROM CIRCULATION AS FAR AS POSSIBLE.

WE SHALL BANKRUPT ALL STATES!

With us the standard that must be introduced is the cost of working-man power, whether it be reckoned in paper or in wood. We shall make the issue of money in accordance with the normal requirements of each subject, adding to the quantity with every birth and subtracting with every death.

The budgets of income and expenditure will be carried out side by side that they may not be obscured by distance one to another.

-4505-

The reforms projected by us in the financial institutions and principles of the MOB will be clothed by us in such forms as will alarm nobody. We shall point out the necessity of reforms in consequence of the disorderly darkness into which the MOB by their irregularities have plunged the finances. The first irregularity, as we shall point out, consists in their beginning with drawing up a single budget which year after year grows owing to the following cause: this budget is dragged out to half the year, then they demand a budget to put things right, and this they expend in three months, after which they ask for a supplementary budget, and all this ends with a liquidation budget. But, as the budget of the following year is drawn up in accordance with the sum of the total addition, the annual departure from the normal reaches as much as 50 per cent in a year, and so the annual budget is trebled in ten years. Thanks to such methods, allowed by the carelessness of the peoples States, their treasuries are empty. The period of loans supervenes, and that has swallowed up remainders and brought all the mob States to bankruptcy.

Every kind of loan proves infirmity in the State and a want of understanding of the rights of the State. Loans hang like a sword of Damocles over the heads of rulers, who, instead of taking from their subjects by a temporary tax, come begging with outstretched palm of our bankers. Foreign loans are leeches which there is no possibility of removing from the body of the State until they fall off of themselves or the State flings them off. But the MOB States do not tear them off; they go on in persisting in putting more on to themselves so that they must inevitably perish, drained by voluntary blood-letting.

-4506-

By that we mean also, that child sacrifice etc. for THE MAMO CHOCHAN is something, that should be done during rituals from time to time. There are anyway too much children and babies in the world. Let us slaughter them for the MAMO CHOCHAN!

TYRANNY OF USURY

What also indeed is, in substance, a loan, especially a foreign loan? A loan is - an issue of government bills of exchange containing a percentage obligation commensurate to the sum of the loan capital. If the loan bears a charge of 5 per cent, then in twenty years the State vainly pays away in interest a sum equal to the loan borrowed, in forty years it is paying a double sum, in sixty - treble, and all the while the debt remains an unpaid debt.

HAHAHAHAHA! ITS CALLED EXPONENTIAL GROWING INTEREST!

From this calculation it is obvious that with any form of taxation per head the State is baling out the last coppers of the poor taxpayers in order to settle accounts with wealth foreigners, from whom it has borrowed money instead of collecting these coppers for its own needs without the additional interest.

So long as loans were internal the rulers only shuffled the money from the pockets of the poor to those of the rich, but when we bought up the necessary person in order to transfer loans into the external sphere, all the wealth of States flowed into OUR cash-boxes and the mob began to pay us the tribute of subjects.

-4511-

consolidated by so-called flying loans, that is, such as have terms of payment more or less near. These debts consist of moneys paid into the savings banks and reserve funds. If left for long at the disposition of a government these funds evaporate in the payment of interest on foreign loans, and are placed by the deposit of equivalent amount of RENTS.

And these last it is which patch up all the leaks in the State treasuries of the mob.

When we ascend the throne of the world all these financial and similar shifts, as being not in accord with our interests, will be swept away so as not to leave a trace, as also will be destroyed all money markets, since we shall not allow the prestige of our power to be shaken by fluctuations of prices set upon our values, which we shall announce by law at the price which represents their full worth without any possibility of lowering or raising. (Raising gives the pretext for lowering, which indeed was where we made a beginning in relation to the values of the mob.)

We shall REPLACE the money markets by grandiose government credit institutions, the object of which will be to fix the price of industrial values in accordance with government views. These institutions will be in a position to fling upon the market five hundred millions of industrial paper in one day, or to buy up for the same amount. In this way all industrial undertakings will come into dependence upon us. You may imagine for yourselves what immense power we shall thereby secure for ourselves.

-4512-

THE BOOK OF LIGHT?WE LAUGH AT YOU!
HAHAHAHAHAHAHAHAHAHAHA!

IN OUR HANDS IS THE GREATEST POWER OF OUR DAY - GOLD: IN TWO DAYS WE CAN PROCURE FROM OUR STOREHOUSES ANY QUANTITY WE MAY PLEASE.

Surely there is no need to seek further proof that our rule is predestined by our God, THE MAMO CHOCHAN! Surely we shall not fail with such wealth to prove that all that evil which for so many centuries we have had to commit has served at the end of ends the cause of OUR true well-being - the bringing of everything into order? Though it be even by the exercise of some violence, yet all the same it will be established. We shall contrive to prove that we are benefactors who have restored to the rent and mangled earth the true good and also freedom of the person, and therewith we shall enable it to be enjoyed in peace and quiet, with proper dignity of relations, on the condition, of course, of strict observance of the laws established by us. We shall make plain therewith that freedom does not consist in dissipation and in the right of unbridled license any more than the dignity and force of a man do not consist in the right of everyone to promulgate destructive principles in the nature of freedom of conscience, equality and a like, that freedom of the person in no wise consists in the right to agitate oneself and others by abominable speeches before disorderly mobs, and that true freedom consists in the inviolability of the person who honorably and strictly observes all the laws of life in common, that human dignity is wrapped up in consciousness of the rights and also of the absence of rights of each, and not wholly and solely in fantastic imaginings about the subject of one's EGO.

-4513-

Our authority will be GLORIOUS because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles and which are nothing else, to speak honestly, but utopian Our authority will be the crown of order, and in that is included the whole happiness of man. The aureole of this authority will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. True force makes no terms with any right, not even with that of the God of the mob: none dare come near to it so as to take so much as a span from it away.

THE MOB WILL OBEY US!

That the peoples may become accustomed to obedience it is necessary to inculcate lessons of humility and therefore to reduce the production of articles of luxury. By this we shall improve morals which have been debased by emulation in the sphere of luxury. We shall reestablish small master production which will mean laying a mine under the private capital of manufactures. This is indispensable also for the reason that manufacturers on the grand scale often move, though not always consciously, the thoughts of the masses in directions against the government. A people of small masters knows nothing of unemployment and this binds him closely with existing order, and consequently with the firmness of authority. For us its part will have been played out the moment authority is transferred into our hands. Drunkenness also will be prohibited by law and punishable as a crime against humanness of man who is turned into a brute under the influence of alcohol.

-4514-

The mob will give blind obedience only to the strong hand, which is absolutely independent of them, for in it they feel the sword of defense and support against social scourges What do they want with an angelic spirit in a king?

BOOK OF LIGHT teaches, that the ancient kings were GODLIKE beings! SO WHAT? We don't need that. WE are gods, worshipping our superior God, the MAMO CHOCHAN!

What they have to see in us is the personification of force and power.

The supreme lord, THE MAMO CHOCHAN, who will replace all now existing ruler, dragging in their existence among societies demoralized by us, societies that have denied even the authority of the normal God, from whose midst breads out on all sides the fire of anarchy, must first of all proceed to quench this all-devouring flame. Therefore he will be obliged to kill off those existing societies, though he should drench them with his own blood, that he may resurrect them again in the form of regularly organized troops fighting consciously with every kind of infection that may cover the body of the State with sores.

This Chosen One of our true God, THE MAMO CHOCHAN, is chosen from above to demolish the senseless forces moved by instinct and not reason, by brutishness and humanness. These forces now triumph in manifestations of robbery and every kind of violence under the mask of principles of freedom and every kind of violence under the mask of principles of freedom and rights. They have overthrown all forms of social order to erect on the ruins of the throne of THE MAMO CHOCHAN, but their part will be played out the moment he enters into his kingdom. Then it will be necessary

-4515-

to sweep them away from his path, on which must be left no knot, no splinter.

Then will it be possible for us to say to the peoples of the world: Give thanks to our and now YOUR God, THE MAMO CHOCHAN, and bow your knee before him.

THE MAMO CHOCHAN, KING OF THE WORLD!

Only the king and the three who stood sponsor for him will know what is coming.

In the person of the king who with unbending will is master of himself and of humanity all will discern as it were fate with its mysterious ways. None will know what the king wishes to attain by his dispositions, and therefore none will dare to stand across an unknown path.

It is understood that the brain reservoir of the kings creatures must correspond in capacity to the plan of government it has to contain. It is for this reason that he will ascend the throne not otherwise than after examination of his mind by the aforesaid learned elders.

That the people may know and love their king, the MAMO CHOCHAN, it is indispensable for him to converse in the market-places with his people. This ensures the necessary clinching of the two forces which are now divided one from another by us by the terror. This terror was indispensable for us till the time comes for both these forces separately to fall under our influence.

Dear friends,
those "High Masons"
are not only evil, they
are also utterly STUPID.
What they don't know, is:
They all shall end by
SUICIDE. That is how
the Mamo Chohan
teaches, through evil
energy, those who follow
him, NOT to do evil...
Who can fathom it
may fathom it. OM.

EGYPT

-4518-

I shall dedicate this last question and answer section to all Egyptians, because THEY were the most learned in the occult science of Nature.

Questions are like shovels who dig through earth to find a hidden treasure. May all beings be happy!

- Why did the wisest philosophers from other nations visit Egypt?
- To be initiated in sacred Mysteries by the priests of Thebes, Memphis and Hermopolis.
- Can you name some?
- Thales, Solon, Pythagoras, Plato etc.

- 4519-
- What was the reason for the decline of Egypt under the Ptolemies?
 - National Karma. It resulted in the dissipation of the sacred arcana. Sanctuaries of the Hermetic Gods were violated. The priests fled into the deserts.
 - Life death and resurrection were taught in Egyptian mysteries.
 - How was Egyptian wisdom rediscovered?
 - Mainly through Napoleon and his learned men. One of them discovered the Rosetta stone in August of 1799.
 - Why Rosetta Stone?
 - It derives from the town of Rosetta (Arabic, Rashid) on western delta of the Nile. That stone was covered with strange hieroglyphical figures and rows of Greek letters.

- 4520-
- Why is the Rosetta stone so important?
 - Because it furnished the master key to a secretly concealed knowledge behind the hieroglyphs.
 - So the Egyptologists must only translate the texts?
 - They must also understand the meaning beneath familiar words. BOH teaches, that during Ptolemaic period the true meaning of those hieroglyphs wasn't even known to learned Egyptians.
 - Why was during Caesar's time the culture of the Egyptians but a legend?
 - Because of the decadent priesthood of Amen-Ra, Isis, and Osiris, who did not understand anymore the true occult meaning of their own cults.
 - Is this why Hermes Trismegistus, an initiated Egyptian priest, wrote: "Oh Egypt, Egypt, fables alone shall remain of thy religion!"?

- shall remain of thy religion!"? -4521-
- So it is. But THE BOOK OF LIGHT shall restore the wisdom of Egypt, and of INITIATION.
 - Who was Isis?
 - A patroness of the magical arts among the Egyptians.
 - It all had to do with the redemption of the human soul.
 - Was it dangerous to dive too deep into the Egyptian mysteries?
 - Yes. Of those who opened the tomb of Pharaoh Tutankhamen, all but one died within a year. His name was Howard Carter. Radiologist Sir Archibald Douglas Reid took an X-ray of the mummy and died shortly after. Professor Keffleur none by suicide.

examined the death chamber and did not leave Luxor alive. So it happened with almost all who during those days disturbed the sleep of the Pharaoh. The magical tablet over the entrance of the tomb should have warned them, or rather the words written on it.

- What were those words?
- "Ohye Beings from Above, Ohye Beings from Below! Let the hand, raised against my form, be withered. Let them be destroyed who attack my name, my foundation, my effigies, the images like unto me."
- Powerful words...
- And very effective. Same with Cleopatra's mummy curse. It had to do with poisoner's dust but also with manas power, Egyptian sorcery.

parable to Sanskrit, ⁻⁴⁵²⁴⁻ only fully comprehended in BOOK OF LIGHT (See Sanskrit lessons).

- Who rediscovered the hieroglyphs first?
- Napoleon (see "The Napoleon Memorial book").
- What are the gods of Egyptian occultism?
- Subenumerations of "The 7 rays" as described in BOL. But also the 7 foldness of the human body is meant, which was given to us by different classes of astral and mental hierarchies. OM.
- Celestial and human hierarchies?
- And certain planets and their angels.

⁻⁴⁵²³⁻
- Are the Egyptian mysteries now unveiled?

- Not if you don't read BOL between the lines...
- What was Origenes thinking about the wisdom of the Egyptians?
- I quote Origenes: "Egypt had a most noble and secret wisdom concerning the nature of the Divine which was disclosed to the people only under the garment of fables and allegories."
- How was the wisdom of the Egyptians enshrined and taught?
- In picture writing (hieroglyphs), also known as "language of the gods".
- Like Sanskrit?
- Hieroglyphs occupy a position com-

⁻⁴⁵²⁵⁻
- Where is BOL is hidden Egyptian wisdom?

- Ra = Paramātmān
Osiris = Aakhū (Ātman)
Isis = Khaibit (Buddhi)
Thot = Ab (Lower Manas)
Set = Kū (Kāma)
Anubis = Aūch (linga śarīra)
Nephthys = (Prāṇa - Jīva)
Khat = sthūla śarīra.
Order of planets, connected with it (beginning with Ra)
Fixed stars, Saturn, Jupiter, Mars, Sun, Venus, Mercury, Moon, Earth.
- So the Egyptian symbology indicates that the gods are connected with component parts or principles of man?

- yes. It happens in 3 steps. We are, though still imperfect, connected with 3 main divisions of divinity:
1. Divine attributes 2. Divine aspects and 3. divine powers. OM.

- Who is Ra?

- The angel of the sun. They placed him in PARAMATMA, which means in NIRVANA, which is true and NOT true.

- Explain please.

- Ra or the Supermonad is in Manifestation, therefore not anymore in NIRVANA.

BUT according to B.D.L. Everything is still in Nirvana, leaving it only by REFLECTION. Solve the riddle.

- Egyptian wisdom speaks of "the birth of Ra." What is meant by that?

- Acc. to BDL it means the manifestation or reawakening of the Supermonad out of Mahapralaya.
- So Ra is intruth the first or in-manifest logos?

- yes, but only in Paramatmic aspect. When defined in Ra's forms, after reawakening, being then Ra-Tem, Ra-Havmahis, etc. Ra is, acc. to BDL, Atman and its manifestations in Mula prakriti or rootmatter.

- They worship Ra...

- They should not, but they do, strengthening by that the material aspect of spirit...

- What is their prayer? -4528-

- "Praise be unto thee, O Ra, exalted power, thou world soul (Logos) who resteth on his high place."

- They also mention Mounds?

- yes, they call them "hidden aakhui", saying correctly that the Mounds receive their form from the GODS.

- And the mounds themselves? Who made them?

- They are uncreated. OM.

- What is the most important of the many symbols of Osiris?

- Tet, since it shows the four lower planes of manifestation, where we fight to be liberated.

- Who rules in the underworld?

- Osiris rules over Tut. BUT the occult truth is that OSIRIS is the first manifesting deity, or The 3rd Logos.

-4529-

Plutarch describes Osiris as human, beautiful of face with black complexion, about 5 yards high!?

- 5 and half yards high. BDL defines thus: Prior to Supermonad falling in Mula prakriti, there was "no light", therefore "darkness". That is the meaning of "Osiris being black", which is also beyond our conception. Further: $5\frac{1}{2}$ means the 5 planes on which the Supermonad accomplishes evolution (in truth 7 planes), and the $\frac{1}{2}$ of $5\frac{1}{2}$ means Prae or Supermonad at commencement.

- What were the four chief aspects of Osiris?

- 1. Osiris-Ptah (Light) 2. Osiris -

⁻⁴⁵³⁰⁻ Horus (mind) 3. Osiris-Lūmūs (lū-
nav or psychic. 4. Osiris-Typhon
(physical, material, passionate and
this turbulent. But it also symboli-
zes dual ego: 1. Divine and human
2. cosmic spiritual and terrestrial.
- So what the Egyptian masons did,
was anthropomorphising their
gods?
- Yes they humanized them, but
only to hide the truth from the
profane. Then the religious like
Christianity took that literally and
turned god into a kind of man.
- What then is the meaning of "the body
of Osiris"?
- That is acc. to BOL the desire-
body, astro-mental. The Self is "im-
prisoned" in it.
- What is the symbol of Isis?
- The throne, divine mother, brought

forth Horus. ⁻⁴⁵³¹⁻ So Isis is vehicle or seat
of Osiris.
- Where or how does Isis correspond to a
human?
- With the Buddhist principle.
- Why does Isis weep?
- She weeps for Osiris (being dismem-
bered) since Osiris' divinity became
submerged in material existence. OM.
- How does BOL define the symbol
"thet" (buckle of Isis)?
- It is the red carnelian buckle, the
red blood of Isis, symbolizing the
life-currents between buddhic and
astral planes, or the lower nature
(our personality) being transmitted
to the higher. OM.
- What is "the ape of Thoth"?
- Acc. to BOL the ape's crown has a
crescent. It points in its meaning to-
wards Toth or Tehuti "the heart
of Ra". The Ape of Thoth is vehicle

of Ra, center of being on mental
plane or "The Eye in the boat".
This Manas would become 3rd
Logos within man. ⁻⁴⁵³²⁻
- So Thoth is the symbol of the Divine
mind?
- Pre-eminently yes. Now we understand
why Afo-Ra stands in a boat with
raur's head surmounted by solar
Disk. Try to understand Saehniathon:
"And Cronos (Amou) going to the land
of the South, gave the whole of Egypt
to the god Tūaut (Thoth) to be his
kingdom."
- Is "upper and lower Egypt" only to be
understood as parts of Egypt?
- Not at all. "Upper and lower Egypt",
mentioned in the Egyptian legends, were
symbols for upper and lower Manas
or mind. In the legends the initiates
use various names of countries and
cities, to symbolize occult truth. OM.
- Please give me examples.

⁻⁴⁵³³⁻
- Thoth was patron of Hermopolis (Greek
name). That was located in Upper Egypt,
and describes certain relationships with
other cities, meaning the the split
has connection and relationship to ALL
other parts of the body.
Therefore: Names and names and cities
occur as incidents in journeys.
That was the original plan of the first ar-
chitects and builders in old Chem, when
they used the symbols of the various
nomes, incl. obscure passages so built, that
brilliant light is shed on them, shining on
glyphs and portions of Egyptian myths,
telling about above mentioned names
of nomes and cities occurring as incidents
in journeys. It is pure initiation veiled.
OM.
- Why was Thoth called "the heart and
tongue of Ra"?
- It means Reason, Manasic or mental
powers of the gods.
- BOL teaches that ape derives from
MAN. Do we find such teaching

also in egyptian wisdom? -4534-

- Yes, it is hidden in Thoth's symbol of the dog-headed ape, referring to the events during middle of 3rd root-race, where those, who had not received mind from the mānasapūtras, had sex with she-animals, leading to the ancestors of the apes of today. Thoth represents also "the opened eye" in Taittiriya. OM.
- Is there also Christian symbology in egyptian mythology?
- yes, the nine Apes singing to Ra, as he enters the Tuat, symbolizes the "herds of souls", passing through Horus to Divinity. It equals to the saints in Christian symbology where they shall arise with Christ.
- What symbolizes Seth?
- Desires and passions (Kāma-Mānas) opposite to Osiris. OM. Set and Nephthys emanated from Ra. Set = material and spiritual evolution.
- who was, or what is, the true mean-

ing of Nephthys? Was she a prostitute?

- NO. She was "mistress of the temple", or "extreme limit or end", indicating the physical plane or principle, with a CVP containing the higher principles. -4535-
- Why is she associated with Isis?
- In the sense, that spirit and matter are associated, corresponding to the "sthūla sarīra" of BDL.
- In other words: Nephthys signifies the to us still invisible contents of underworld, in contrast to Isis, being the above "visible", if your 3-eye is opened... Both are touched by a circle, being the horizon, or Anubis, "the opener of the path."
- Is Set the father of Anubis - Anpu?
- No. Everything in egyptian mythology points towards a entire hierarchy of deities, from the highest to the lowest.

-4536-
Behold egyptian symbols, hieroglyphs and their true meaning unveiled in THE BOOK OF LIGHT.

Depicting also on Trikaya:

1. Nirmanakaya
2. Sambhogakaya
3. Dharmakaya

But the Akhū or "shining one" comes always first. It means that higher mānas rises above the low mental nature or personality.

- What is the Ka?
- It is the "double"
- The linga-sarīra or astral body?
- It is that and much more!
- "After death" during involution man enters the tomb.
- I don't understand...
- By death is here meant death of the Monad, losing its pure nature,

-4538-
 when entering the tomb of the body
 or of material existence.
 - And has to be fed with meat and
 drink?
 - That just means aspirations
 towards goodness and virtues by
 the "priests" of that Ka, meaning
 man's spiritual mind.
 In essence, that is BOL teaching, meaning:
 "By its own willing, thinking and feeling,
 and by working on mūlaprakṛiti,
 prepares future destiny. Its present
 existence was prepared for itself by
 its own past lives.
 Now behold BOL teaching in Egyptian
 wisdom.
 Ah is the heart, the ātma - buddhic
 principle in Karana - sarira. The
 higher responds to the Individuality,
 the lower to the personality.
 And the lower is vehicle of Spiritual
 and human Monad.

-4539-
 Now to Bā. That is the soul, vehicle
 of the spiritual Ego, the Ego that
 reincarnates, to eventually live in hea-
 ven with Atman or Osiris, heaven
 being Buddhi. But it must return
 again to the body or to the
 mummy.
 That which develops by means
 of aspirations of Manas incl. expe-
 rience of lower self, is Khaibit,
 "the shadow", also Isis, or buddhic
 aspect of Horus.
 - Where is consciousness?
 - Not below the mental plane.
 - What is the Khaibit?
 - Symbolic Egyptian geography
 reveals: Mendes in "lower Egypt"
 symbolizes lower nature (stranded
 fish), Khaibit.
 THE BOOK OF LIGHT lifts the

 plicated to respond.
 This is how you restore a human being
 or beast, being attacked by evil spirits.
 You use also "Jesus" and his wounds,

 - But BOL teaches a different Jesus!
 - Such exorcism only works on belie-
 vers of the nailed Jesus. Others
 must be exorcized differently.
 - Reveal more exorcisms to me.
 - No.
 - But that is christianized magic,
 not purely Egyptian!
 - Ask more precise.
 - Please reveal to me EGYPTIAN
 magic.
 - Ancient Egyptian magic is the
 foundation of what later turned
 into religion.
 - Where does Egyptian magic has its
 origin?
 - It is pre-historic, dating back to
 Lemurian and Atlantean times.

- What is the mother of spiritism? ⁻⁴⁵⁴²⁻
- Animism. Nature was seen by the Egyptians as animated. Early Egyptians had close connections to the gods and nature spirits than now. THEN they did not use such invocations. The Egyptians were beyond measure scrupulous in all matters pertaining to religion.
- BOL teaches Brahma, Vishnu and Siva. Where is that in Egyptian teaching?
- Typhon or Set, symbolizing autumn, decay and destruction, but concerning also reawakening, remaining and destruction of the entire universe with everything in it. OM.
- What was the Egyptian guide to the life hereafter?
- The Egyptian book of the dead.

- What was the scarab? ⁻⁴⁵⁴³⁻
- Symbol of Khepera, form of the sun-god (transforming matter (inert matter) into action).
- Where is the power of Egyptian gods concerning the eyes?
- right eye = Ra, or Osiris and the sun. Left eye represents Isis.
- What is the true meaning of gnosis or gnostics?
- Gnostic derives from "gnosis", which is Greek term meaning "knowledge".
- Is that BOL knowledge?
- Comes close to it, but BOL does not teach extra-universal creator. Gnostics believe, that the material world (intellectual world) was created by an almighty God. Such God created spirits, intelligences, angels. All visible matter incl. the elements, is exudation of spiritual powers. That is BOL teaching, but

- ⁻⁴⁵⁴⁴⁻ no almighty creator is behind all that. YOU are god. And you learn, life after life. And no gnostic Abraxas created anything. Gnostics adopted the following symbols from the Egyptians: Horus (for fertility), Osiris (for spiritual attainment), and Isis (spiritual, but also as initiator of sexual mysteries), as well as mother of the cosmos.
- Reveal to me the mystery of Egyptian initiation?
- So be it. ask me.
- There are tests for fitness for initiation, called riding the goat. Why?
- It has to do with the significance of the five-pointed star. With one point up it has the significance of intelligence which rules the four elementary kingdoms, meaning reason dominating the instincts of the flesh.
- What else does the five-pointed star ^{*goat}

- signify? ⁻⁴⁵⁴⁵⁻
- When inverted  it signifies man standing on its head.
- What does that mean?
- Reason dominated by lust, passion and selfishness = Satanic.
- It is the falling star of Makara, whose legions you led into rebellion.
- Oh exalted one, how long must I still endure?
- Many lives.
- What was the most important use of initiatory ritual?
- To impress indelibly upon consciousness of the Neophyte, past, present and future destiny of the soul. Psychic faculties were frequently opened including the senses, enabling visions of transcendental realms. OM. The dormant powers of the divine self were awakened. OM.
- Is it true, that in such mysteries the birth, crucifixion, interment and

resurrection of the sun were celebrated? ⁻⁴⁵⁴⁶

- That and the entire reincarnation of the universe with everything in it.
- What is the true cause of the slaughtering of tourists in Egypt (Luxor, Hurghada, etc.?)
- Victim meets perpetrator, perpetrator meets victim.
- What are the sex doctrines of ancient Egypt mysteries?
- They are not currently termed sex practices. They are or were ^{never} devoted to sex magic nor to celibacy. They are, astonishing enough, doctrines of true and pure relationship of marriage, pointing towards the spiritual relationship between two people in marriage.
- What does Egyptology teach according to the beginning of mankind?
- It teaches androgyny of the ego. Then ensues differentiation, corresponding to birth.
- Is it the Twin soul activity?

- yes. Twin soul is separated. -4547-
- why?
- In high divine realms the Ego develops a soul sphere, which is consciousness organized "up there".
- Why the split?
- In order to contact still coarser substance, to dive deeper in material world, as spiritual, astral and physical SUBSTANCE, there is a polarization into two souls. That is the truth and explanation for all suffering of human beings. THE ONE EGO is and feels half and seeks union down here, which is IMPOSSIBLE.
- Where is this separation described elsewhere ~~anywhere~~?
- In the bible, where Eve is taken from the original Adam. In order to become gods again, bible says, that they must partake of the Tree of Life, of physical evolution.
- How can we escape that process?
- By closing the gap. Renounce all physical urges and desires.
