But when THE MONAD had to be furnished by
the different Angelic Powers they [at first]
ALL FAILED. It was a SUBORDINATE angelic

*It seems like a PARADOX that the LOWER Angels followed FIRST
the call of Karma, "creating" man. And because they came FIRST our
LOWER principles are often STRONGER on this physical plane. The
HIGHER powers came LATER, which causes IN US the eternal
struggle between "Good and Evil."

The MONAD is pure BLISS, emanated out of THE UNKNOWN, but THE MONAD DOES NOT KNOW. The MONAD "forgot", who she [it] is, from the moment it touched the material [Earth] plane. Jehovah, Spirit of the Earth, or its PLANETARY, does at the beginning of the Fourth Round what he did at the beginning of all previous Rounds be it on Earth or on the Moon. THE SECOND RACE BORN UNDER JUPITER [by descent]
-317-

THE SELF BORN RACE [2nd Race]

The SELF BORN RACE evolved out of the FIRST ASTRAL or CHAYÄ RACE [by "budding"].

STEP I.

A part of the ASTRAL FORM inside the AURA or AURIC EGG* approached the surface of the AURA

151

That method of reproduction has survived until today with many vegetables, the sea-anemone, etc. It is the method of BUDDING. Other methods are: SPORES, and INTERMEDIATE HERMAPRODITISM [in plants, worms, snails]

*which was [as it is now with each of us] ETHEREAL, also called THE SECOND RACE. Appearance of THE FIRST ZOROASTER [Buddha like being]. THIS ZOROASTER reincarnated FOURTEEN TIMES until today. THE LAST ZOROASTER founded the Five temple of Azevlesh and wrote the works of the primeval sacred Magian religion [later destroyed by Alexander]. **OR SPONTANEOUS GENERATION.

THE SECOND RACE
-318-

Step II.

A part of the ASTRAL "breaks" through the AURA-SURFACE* and becomes a SUB-ASTRAL.

152

The whole process explained in a more orthodox-scientific way: Compare it with the division of a nucleated cell. A) The cell-nucleus splits into two sub-nuclei [Steps]. B) The two sub-nuclei develop either INSIDE the cell-wall* [oviparous] or they BUZZET the cell-wall, and multiply OUTSIDE of it [oviparous] which would lead to the above. STEP TWO. Step ONE concerns the First Root-race and Step TWO is characteristic for the SECOND Root-race.

*the ORIGINAL cell wall *OR out of the SIDE of the Astral creature. This Esoteric knowledge degenerated later into RELIGIOUS DOCTRINE or: EVE being created out of Adam's RIB. Say instead of rib ASTRAL-RIB and then even The Bible's definition is correct.

THE SECOND RACE
-319-

The SUBASTRAL is fed by the AVNA of its parent-structure and grows to its ORIGINAL SIZE. Period of gestation THEN 15 terrestrial years.

*We can see here clearly, that the ASTRAL BODY inside the AVNA was not yet shaped like our Astral-body is NOW, simply because there was not yet a physical counterpart as we have now. The entity had 360° sense-perception.

THE SECOND RACE
-320-

Once the SUB ASTRAL has grown to its FULL SIZE [200-400 feet], it extrudes, at the period of reproduction, from ITSELF another SUBASTRAL, and so forth. THAT is why they say, that the SECOND RACE was IMMORTAL. And because THEN [more than 100,000,000 years ago] the later FIRST and early SECOND RACE had no KAMA or DESIRE PRINCIPLE, the reproduction of those CHAYĀ-RACES happened UNCONSCIOUSLY. This mode of SPONTANEOUS GENERATION lasted for MANY MILLION YEARS and survived in some plants and ANIMALS until today. A comparison to, of how the FIRST RACE evolved the SECOND RACE, can be found by observing any cell under the microscope. I quote Helena Petrovna Blavatsky, Secret Doctrine II, Anthropogenesis, p. 117: "Consider the first stages of the development of a germ-cell. Its NUCLEUS grows, changes, and forms a double cone or spindle, thus X WITHIN the cell. This spindle approaches the surface of the cell, and one half of it is EXTENDED in the form of what are called the "POLAR CELLS." These polar cells now die, and the embryo develops from the growth and segmentation of the remaining part of the nucleus, which is nourished by the substance of the cell. Then why could not beings have lived thus, and been created in THIS way - at the very beginning of HUMAN and MAMMALIAN EVOLUTION? This may, perhaps, serve as an analogy to give some idea of the process, by which

THE THIRD RACE BORN UNDER VENUS [Lohitanga]
-321-

the SECOND RACE was formed from THE FIRST. *
end of quote.
But what could the DEATH of the POLAR CELLS be compared with? For instance to the SEPARATION of SEXES, when GESTATION switched from OUTSIDE to INSIDE the UTERUS. BUT: THIS IS A ROUGH SCHEDULE of what happened about 100,000,000 years ago, because as Blavatsky teaches us: "The process of reproduction had SEVEN STAGES also in each race, each covering AEONS of time." AUM to wisdom and knowledge. Then the SELF BORN [later SECOND RACE] produced THE SWEAT BORN. [the race.]

The ASTRAL of THE SWEAT BORN had CONDENSED into GELATINE ASTRAL PUDDING BAGS. Their bodies THEN were built from what is in us NOW: WHITE BLOOD CELLS.

THE THIRD RACE
-330-

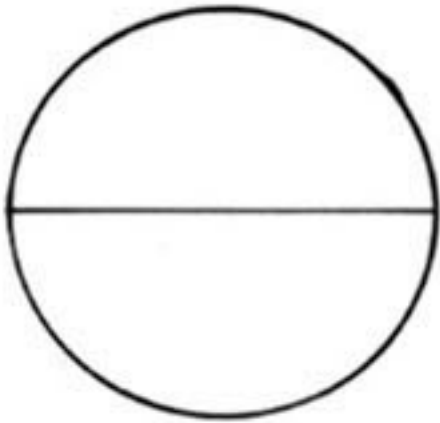

About 100,000,000 years ago...
50,000,000 years of the primary epoch [DEVONIAN, CARBON, COAL] have already passed. Throughout more than 5,000,000 years the EGG BORN race had to develop great strength (and limbs) to break the more and more hardening shells of their eggs. The egg born beings became much more structured (though still almost transparent) and assimilated energy through or with their whole body.

- * rocks first discovered in DEVONSHIRE, Paleozoic era [from Pale = ancient, first appearance of amphibians etc.]
- ** carbon = diamond and graphite are pure carbon.
- *** coal = vegetable matter decomposed, in air, high temperature, high pressure, resulting in a mineral called COAL.

Each race, or better, ROOT RACE [1, 2, 3, 4 etc.] includes almost ENDLESS many ramifications of sub races, family races, subfamily races, etc. For instance: THE THIRD EGG BORN RACE contains 7 sub-races = 7x7 sub-sub-races = 7x7x7 sub-sub-sub-races = 7x7x7x7 sub-sub-sub-sub-races etc.

The true nature of all Minerals.
Orthodox Science [Geologists] divides stones into groups like Sandstone, granite, chalk, or sedimentary, organic, igneous, etc. but The Book of Light teaches that Minerals are divided according to their occult properties, meaning the relative proportion of the seven universal principles which they contain. These seven principles correspond also to the seven principles in MAN and there we have the Esoteric key to the true nature of Mineral and any other kingdom on Earth. They all correspond to Atma-Buddhi-Manas-Kâma-Linga-Prana-sthula, which also explains why and how Alchemy works. A hint: Sedimentary groups [rocks, etc.] correspond to the sthula or physical body of man. Organics correspond to the Etheric body, etc. And always keep in mind that all these mineral forms are dwellings of Elementals. By influencing through Alchemical Magic, the Elemental in the stone you can change the structure of the stone itself...

Mode of asexual reproduction inside an EGGBORN.

162

At the period of reproduction there is an interaction coming from the [latent dual] MONAD - Spirit-Soul [Atma-avddhi], splitting the protoplasmic inside of the creature into MANY PLUS and MINUS charged ENERGY CENTERS or PROTOPLASMIC CELLS. The cells clash together and become ONE*

And the now freed, MONAD [s] take over NEW GROWING LIFE, be it their own eggs or other growing forms inside other creatures, but NEVER on the ANIMAL KINGDOM or in LOWER CREATES, sustaining the POSITIVE-NEGATIVE state of charge, until the growth process is completed and the matured creature BREAKS through THE EGG.

Or: The ANDROGYNE MAN reacted to THE MONAD'S abstract expanding and contracting aspect with a HIND BRAIN. How did the SECOND RACE evolve THE THIRD RACE? They [the SECOND] did not INTEND to emanate eggs, they just were in CONSTANT and ABSTRACT CONTEMPLATION AND YOGA. It was THE LAW working through them, unhindered by any PERSONALITY, but witnessed by INDIVIDUALITY*. MEDITATE, oh Lanoo and you BECOME the Law. They [the SECOND RACE] just "let it happen", which resulted in THE THIRD RACE. The FIRST SUBRACES of this THIRD RACE [in THE FOURTH ROUND] were pure, simple and innocent.*** That is why some of the Saturnangels [Manasa putras, or SONS OF MIND] decided to incarnate fully in them [as we shall see later]. This resulted in beings, who were PURE, SIMPLE and INNOCENT and had all the KNOWLEDGE OF THE UNIVERSE. They produced their progeny just by -WILLPOWER. We all possess this power, oh Lanoo, but we chose to create by *SIN, caused by the visiting SONS OF MIND and WISDOM.

* MONADIC INDIVIDUALITY, since EVERYTHING is just MONADS [deriving from THE SUPERMONAD] and their reaction to -CHAOS.

** One day we shall be again like THE THIRD RACE, and THE SECOND and THE FIRST. AUM.

*** ALL RACES begin their existence in PURITY, and end in DEGENERATION [always with EXCEPTIONS]

-335-

AUM

First, on Lanoo, all creatures were ETHER-CREATURES. When ETHER COMPENSATED into its subdivision [air, water, earth] everything fell completely under the LAW OF ETHERIC [or also MONADIC] attraction and repulsion, now wrongly called GRAVITY. The creatures developed DIFFERENTLY in that subdivided ether, now being rather ETHER-AIR-LIQUID-EARTH. Reason to that the creatures were drifting through ETHER [being ETHERIC THEMSELVES], and those of them, who had a stronger drifting tendency than others, continued having this tendency even AFTER ether subdivided into AIR, WATER and EARTH [five being the closest subdivision to ETHER ITSELF]. They [the animals] with the STRONGER URGE to drift were amongst the WATER-ANIMALS, and developed LONG NECKS [longing for consciousness in the new element AIR] and later also wings. This process required millions of years. Those who had that DRIFTING URGE came ALL OUT OF THE WATER, because at least water gave them [after ether subdivided] more the sensation of still drifting through ether, than an existence on LAND would do. All AIR ANIMALS derive from the ETHERIC COUNTERPART of HUMAN LUNGS [of the FIRST TWO and

*BETTER: ECTOPASM [luminous, vaporous substance].

-336-

also early THIRD ROOTAGE].
 Or: Extreme ETHER-DRIFTERS decided [after the subdivision] to live first in the element WATER, and some of them [with the STRONGEST URGE to drift] developed long necks and [later] wings in order to continue "drifting" or FLYING. AUM to the wisdom of BRAHMAN.

To say, that all life comes out of THE WATER, is wrong. ALL LIFE comes first out of THE WATERS OF LIFE which are no waters at all, but ABSTRACT AKASA, then out of ETHER [or CONTINUES existing in ETHER] and THEN develops SEPARATELY on LAND and in WATER. No creature, on Lanoo, EVER evolved from LAND-CREATURE into WATER CREATURE, but SOME WATER CREATURES decided to live [natural selection caused by KARMA] following the MONADIC IMPULSE, ON EARTH and some in AIR [out of MONADS].
 Or: NO EARTH ANIMAL EVER DEVELOPED INTO A FLYING SPECIES, WATER ANIMALS DID AND DO.

MAN DEVELOPED FROM THE BEGINNING OF SUBDIVISION ON LAND. But since EVERY MONAD, even that of a WATER ANIMAL, has to ascend sooner or later into the HUMAN KINGDOM, we could say, that MAN (or some of the early members of the WATER)

*JUST A FEW SPECIES became immediately AIR ANIMALS at the very moment of subdivision of AKASA INTO AIR, WATER, EARTH, then he experienced a portion of existence in water, of which the elephants, the giraffes and whales are also because of the water animal moved.

-337-

FIRST APPEARANCE OF THE THIRD CONTINENT
 about 80,000,000 years ago.
 THE THIRD CONTINENT CALLED LEMURIA.

156

LEMURIA THEN WAS GIANTIC. It covered what is NOW TIBET, MONGOLIA, Gobi DESERT, CHETTAGONG, HAWAII, ASSAM, SOUTHERN INDIA, CEYLON, SUMATRA, MADAGASCAR, AUSTRALIA, TASMANIA, TONGA or EASTERN ISLAND and reached into what is now, THE PACIFIC OCEAN. AUM

Neither LEMURIA or the later ATLANTIS are original names. Beginning from the feet of the HIMALAYAS and even including some portions of AFRICA.

-338-

157

LEMURIA, CONTINENT OF THE THIRD ROOTAGE,
 also called THE ANOMOSYNE RACE. Size: 80 feet tall. They arrived 80,000,000 years later on that continent.

-339-

Air, Fire, Water and Earth attained more and more the present structure. The bodies of the creatures couldn't transform energy anymore, [as they did before] from their surroundings [half dense-etherial- astral particles, cast off from animals, plants and "stones", drifting through the air and on the ground].

The bodies of the EGGBOEN [and of the others] became denser [greyish-white gelatine mass] and the creatures could not assimilate energy any longer through the whole surface of their bodies. They [the creatures] reacted by forming openings below their rotating centers of consciousness, thus BREATHING energy in and out.

But this, oh LANDO, is NOT the ROOT, or CAUSE, of all BREATH. The cause is BRAHMAN, an expanding and contracting SUPERPOWER, surrounding itself with THE UNIVERSE, which in turn [because of BRAHMAN] expands and contracts [and EVERYTHING IN IT]! BREATH, or TO BREATHE, oh LANDO, IS ONE of the many variations and effects, or RESULTS of the expanding-contracting SUPERSPIRIT. EVERY ATOM, and many other living entities in this UNIVERSE, are expanding and contracting, but not necessarily BREATHING. By inhaling and exhaling, the creatures...

THE THIRD RACE

-340-

...sucked energy [food] into their bodies and blew it out again, after having it assimilated long enough to the inside of their bodies. This period of assimilation [INHALATION] varied differently in length from [what would be now] 3-20 hours. That means they stayed "inhaled" during that time and exhaled or BLEW out the parts [waste-material], which they could not assimilate. The whole planet [Land and Water] was filled with breathing [eating] creatures and with the dust of their blown out particles. Millions of creatures died, many of them literally "exploded", unable to select the inhaled matter.

The reptiles [because of their aggressive nature] inhaled [devoured] each other, or other species [even on land] thus dying in the millions. But there were enough MONADS waiting on the verge of the PLANT-kingdom, ready to enter the ANIMAL kingdom and thus to fill the gap.

Thus the first life on Earth was taken by THE REPTILES. But they were not responsible, neither were their ancestors from the beginning of THE FOURTH ROUND. Nor were THE MONADS of the reptiles responsible. THEY moved over ANY life form in order to gain more consciousness. Would THE EARTH ANGEL prior to that not have lost [temporary] control over its planet, there would have been no WATER-MEN and no REPTILES" and no life taken, thus forcing OTHER creatures to become defensive and aggressive in turn. And if THE OTHER ANGELS would have furnished the monads with THE HIGHEST CONSCIOUSNESS INSTANTLY, the monads would have NEVER incarnated in aggressive life-forms in the first place. Understand, oh LANDO, that the first war was fought in HEAVEN, not on Earth. THE MONADS were doomed to "failure" from the beginning, because they had no MIND as a proper tool to gain CONSCIOUSNESS in their new surroundings. And when they received MIND, it was almost too late...

* at least MOST of the reptilian species.

How can that be? Because there is NO separation of forces. What we see, from our point of view as TWO angels is often ONE DEVA in its TWO aspects, which are erroneously called [by the church for instance] angel and devil. JEHOVAH for instance is PURE in its HIGHEST aspect, but soiled, [as we shall see later] by man and his perverted ideas of GOD, in its [Jehovah's] lower aspect, where he becomes the bloodthirsty 'vengeful GOD' of the Bible. *And here is mystery I want to share with the reader: I am aware of the fact that HELENA PETROVNA BLAVATSKY mentions in her SECRET DOCTRINE [cosmo-genesis p. 181] that these powers, who represent INTELLIGENTIAL evolution are SOLAR DEVAS or AGNISHVATA PITHUS or "GODS OF INTELLIGENCE AND CONSCIOUSNESS" [to MAN]. The only thing the Earth could give, was the FIRE that burned inside of her. ** But she [the earth] could not [yet] furnish the ETHEREAL FORM of the MOONSPIRITS with SOLID MATTER. *** ONLY the ANGEL OF SATURN and its hosts KNEW, that they ALONE possessed the ability to endow the MONADS with CONSCIOUSNESS. BUT they HESITATED. There are REASONS for that, oh Lanoo. One of them is

*** because EARTH herself was not yet in a solid state.
** It is the KUNDALINI in you, oh Lanoo.
* And having deserted the SUPERIOR SPHERES, GODS OF WILL they are... destined to complete the MANO OF ILLUSION [MANU BEING THE THINKER OR MAN].
*** BEYOND: Those who had reached Dhyān Chohan hood on the Moon's SEVENTH RAY and who joined SATURN after the Moon died. MOST of US ARE THEIR ANIMAL MĀNAS, and they [the chohans] are destined to become our MĀNASĀPUTRAS. Some obeyed IMMEDIATELY, they were already Dhyān Chohan on the Moon PRIOR to its THROWN!

KARMA. Another: They were NOT YET READY. Another: They were still TOO CLOSE TO THE LIGHT [the SUN]. They feared that the [limited] form would REDUCE THEIR CONSCIOUSNESS. And then there is still ANOTHER explanation for the HESITATION OF THE SATURN ANGELS, to give consciousness to the MONAD, in order to accomplish it, to PERFECT it, to make it HUMAN. You know the answer, oh Lanoo, and I command you to WAIT [Arunder controversy] until I give PERMISSION to reveal this secret! - I shall obey, oh MAHĀCHOHAN.

The SATURN ANGELS [or mānasāputras], still in fear of losing their INDEPENDENCE [Pukka-state], refused to follow THE LAW, although it was their turn. THE LORDS OF KARMA reflected everything. The Saturnangels still DISLIKED the FORMS [Rūpas]. BUT THE LAW was urging to be fulfilled...

Compared to its appearance on earth the MONADS had a much higher CONSCIOUSNESS, now that all planetangels [except SATURN] had endowed them [the MONADS] with THEIR powers, but also with their [down here] negative aspects. But in the beginning they [the MONADS] were pure and almost passive. [Although a MONAD by ITSELF is ALWAYS PURE AND PASSIVE. It is the LOWER QUATERNARY [Tetragrammaton], which soils the MONAD...]

THE THIRD RACE
-347-

But they had no controlling MIND, and the NEGATIVE ASPECT in their vehicles [androgynes] grew STRONGER. Behold, the progressed..

171

...EGGBORN RACE, oh Lanoo. Their bodies were ROUND at each side, they had TERRIBLE STRENGTH and four arms and four legs. They [the androgynes] moved circular with great speed and force, and were not even AWARE of each other, and because they EMANATED EGGS from INSIDE-OUTSIDE, they were called much later

*Towards the end of the fourth SUBRACE of the THIRD [Egg-born] RACE, the children of that race lost their ability to break through the EGGS and to walk out of them, and with the END of the FIFTH SUBRACE of the THIRD RACE, MAN was BORN from INSIDE the WOMB, though yet without MATING as WE know it.
** They were ORGANELLS without ORGANS, of entirely homogeneous substance.

THE THIRD RACE
-348-

in the secret scriptures WOMB-MAN. Oh Lanoo, the "FIRST" man on Earth was a WOMB-MAN. AUM. The rotating energy center on top of their heads turned into an EYE-FORMED center of reflection, a bit LOWER than before. The INSIDE of their bodies was stabilized by BONES. [Now that earth was DENSER than EVER BEFORE] and they still were ANDROGYNE MALE-FEMALE, continuing to produce LIFE from EGGS that swelled out of their bodies.

"TEETH"

Since the environment became denser and denser, the TWO FOLD [androgynous] EGG BORN were not able to INHALE it ANYMORE, so they developed TEETH in order to CHEW IT. FOOD and BREATH had to be distributed through DIFFERENT CANALS. First signs of STOMACH and INTESTINES appeared. Who created them? Who CREATED the fingers and toes and mouths and stomachs in ANDROGYNE MAN?

ADAPTATION

FORM and its VARIATION[S], oh Lanoo, is not the CREATION but the REACTION of the MONAD to its ENVIRONMENT, or the way of the MONAD to GAIN CONSCIOUSNESS in the ENVIRONMENT.

LUNGS, INTESTINES, EYES, EARS, MOUTH,
* But it was still pushed out through the [new] fingers and toes.
* Below the top of the skull. Today, it links to the secreted pituitary gland.
* It was to be absorbed by the pituitary gland.
* But TEETH THEN were not what they are NOW. THEN they were almost as soft as our flesh is NOW. ** SOFT DONS [two BACKSHELLS]

-349-

skin, brain, blood, bones are monadic states of CONSCIOUSNESS. How WE gain consciousness [through the physical brain] is a totally different thing and a MAYA all together. Break through the wall of physical consciousness, oh Lanoo.

Or: The development of LUNGS, INTESTINES, etc., points to ADAPTATION. ADAPTATION is the secret. The Elements contain their design of progress and so do the creatures, that LIVE in them, including GNOMES, ELVES, UNDOINES, etc. Creature influences Element, and Element influences creature. But there would have NEVER been a WINTER on the NORTH-POLE region, if the MANASAPUTRAS wouldn't have hesitated and [from ONE point of view] shown themselves UNABLE to follow THE LAW IMMEDIATELY and "create" an appropriate vehicle for the descended MONAD.

Human form would have been COMPLETELY different from now. Meditate about THAT, oh Lanoo. Is this in contradiction to THE LAW? Not at all. First is MAN, "ethero-astral" as well as physical [4th round]. THEN follows IMPULSE on [and IN] Environment, causing it to become stone, plant, animal and MAN again, developing the respective organs. You ask, oh Lanoo, how does the creature [or better MONAD] know HOW TO REACT to the environment and

** If the MONAD can be called so. * OF ITS SVABHAVAT. And for UNDO
Down in is meant: now the form followed THE LAW OF ADAPTATION, but controlled and INFLUENCED by THE SPIRIT, AUM.

-350-

thus to develop organs, limbs, etc.?
The [final] plan is already "written" from the moment, that the UNIVERSE REAWAKENS. There can be variations of form, but they ALL lead to ONE GOAL, which is the purpose of living, or LIFE, or the REASON, why LIFE is there and why WE ARE HERE, and that reason is SPIRITUALIZATION OF MATTER.

THIS, oh Lanoo, is the ONE and ONLY task of the SPIRIT and of BRAHMAN: to spiritualize MATTER. The SPIRIT [Monad] "dives" [incarnates] into MATTER again and again and again, until MATTER is "pulverized", atomized, SPIRITUALIZED. Adjust yourself to THE SPIRIT and to SPIRITUAL LIFE, oh Lanoo, and you shall not have to SUFFER. And this adjusting causes ANTAH KARAN, which is THE PATH AND THE DOOR to IMMORTALITY. AUM

OM MANI PADME HUM. OM.

*causing increase of RADIOACTIVITY.

THE BIRTH OF THE THIRD EYE

The "third" eye was in truth the first eye, because first APPEARING in the THIRD RACE androgynic man. There was yet no brain in the more and more hardening skull, just a gelatine white mass with ONE center of consciousness, which allowed a 360° sight, and was the vehicle for THE MONAD. CUT THROUGH A THIRD RACE MAN SKULL WITH STILL [ALMOST] NO BRAIN IN IT, JUST A CENTER OF VISUAL CONSCIOUSNESS ON TOP OF IT, or on top of a strongly developed whitish gelatine midsection.

181

but still soft and almost transparent at the top that center later atrophied and dropped into the position of, what is now called, the PITUITARY GLAND. Until today the MIDBRAIN is concerned with EYESIGHT. or mainly the BUDDHI PART, which it is until today. There-fore: AWAKE THE PITUITARY GLAND!!

A HINT.

In order to understand the PHYSIOLOGICAL succession of the human RACE of more than 100,000,000 years ago until today, we just have to observe our OWN bodies from BIRTH to FINAL GROWTH. Do not include in this enumeration the so called FIRST and maybe SECOND ACTUAL RACES and the races from the FIRST THREE ROUNDS, but I compare the embryonic evolution now until final growth into human male or female, only from the midpoint of the FOURTH ROUND on, before the separation of sexes, and partly with the 1st, 2nd and 3rd ANOLOGYNE ROOT RACE.

- 1. Step. Now: the human embryo is BONELESS.
2. Step. 100,000,000 years ago: SO with the FIRST, SECOND and the beginning of the THIRD RACE. LIKE BONELESS BONE-LIKE CHAETONES.
3. Step. After birth Now. The baby develops SOFT BONES and SKULL etc.
4. Step. 100,000,000 years ago: THAT is exactly the STRUCTURE at THE midpoint of the THIRD RACE [7th androgynic]
5. Step. Bones in the child harden more and more.
6. Step. Less than 100,000,000 years ago. The still androgynic race attains more structure and shrinks slightly in size.
7. Step. NOW and a bit more than 18,000,000 years ago. Bones attain final density. THEN THE SEXES separate. AUM.

... NAGAS. They are IMMORTAL, oh Lanoo. Over 1000 of them [in their original form] and many more [in illusionary form] are among us, or at secret places. They are the WISE MEN, oh Lanoo. Others in whom THE LORDS OF MIND or 1st class Manasaputras, incarnated became leaders and teachers of the founders of humanity. Today they are BUDDHAS, MAHATMAS (advanced FIFTH ROUNDERS) etc. Until today the NAGAS are worshipped in the pueblos of ARTURAS. Although we are in THE FOURTH... Some of them were even SIXTH ROUNDERS. Wise also because they and some of their ancestors belong [like some later 3rd Race Man] to a special Race set apart for the purpose of being taught by FIRST RACE men what had been taught to them [to the 1st Race] by JEHOVAH at the beginning of each Round [see page 312]

About 68,000,000 years ago. THE FIRST MAMMALS*

Having existed ASTRALLY already in or during the THIRD ROUND, the Mammal Animal Monads are re-activated in the Fourth Round AFTER the appearance of Man [from the Monads he shed off].

Secondary epoch

Triassic, Jurassic, Cretaceous, Age of MAMMALS, evolved from the cast off sides of SELF, SWEAT and EGGBORN MAN, AND FROM ANIMALS OF THE THIRD ROUND.

All together MESOZOIC ERA. preceded by PALEOZOIC and CENOZOIC. ALL COLD BLOODED ANIMAL MONADS DO NOT BELONG TO MAN, BUT DESCENDED FROM DISTANT CHAINS, AUM.

A hint: BIRDS, etc. derive physically from the LUNGS of ANOLOGYNE MAN of the SECONDARY EPOCH [and from human species prior to that]. which shows clearly, that physical man appeared prior to MAMMALIANS in this 4th ROUND. divisible in 3 groups: TRIAS. Dominance of reptiles. Dominance of DINOSAURS. Flying REPTILES and BIRDS appear. In any case: Man preceded in this [Fourth] Round the animals. Even Grass, etc. B.V. 19 has: "Out of the ground the Lord God formed every beast of the field, and every fowl of the air AND BROUGHT THEM UNTO ADAM to see what he would call them. what then are the animals in ch. one? Answer: The signs of the Zodiac. And the second Adam is a SEPTENARY, etc."

Now the SATURN ANGELS are pleased with most of the forms. Some of the angels incarnate COMPLETELY, and some just project a SPARK of their consciousness [Mind]. But many androgynes remained without ANY consciousness. The Saturn-angels SPURNED them. It is because of this different behaviour towards the monads, that nowadays there are different kinds of people on this planet, oh Lanoo. Some are born wise [those in whom the SATURN ANGELS incarnated IMMEDIATELY], some are MEDIOCRE [the majority], those that received but a SPARK, and some are born ignorant and primitive [without ANY consciousness] and doomed to degenerate. Where do the MAMMALS receive their spark from, oh Mahachohan, in order to become human? - Mammals evolve from cast off ANIMAL MONADS belonging to HUMANS [with and without spark], which means that HUMANS [also today] are made of MINERAL, PLANT, ANIMAL, and HUMAN MONADS. Everything, oh Lanoo, is just SLUMBERING and waiting in unconscious BLISS

which could easily happen to the wise ones too, if they MISUSE their knowledge and power.

*The SATURN ANGELS, or LORDS OF MIND, were also called SONS of Mind or MANASA PUTRAS. Another name given LATER to them was AGNISHWATTA which is FIRE-

TASTER, meaning we NOT the lower creative fire of the ASTRAL RACE or BARKHISHAD, but the FIRE OF SPIRIT or also MAHATMIC ELEMENT or HIGHER MANAS. They shall become the KAVACHE SAVIRA [protecting form] on the plane of SVATATMA [Headsoul, leading through ALL principles].

to be awakened, which has to happen by SELF EFFORT or by being NEAR THE HUMAN AURA. THAT is, why domestic animals have the URGE to stay near humans, no matter how badly they [the animals] are sometimes treated by their human Masters. They MUST be near humans, because one day they shall be HUMAN THEMSELVES. The door to the human kingdom has closed for animals. They don't know this [or do they?] consciously. They just want to evolve higher and higher towards the HUMAN NATURE, from whence they evolved... Therefore: When you kill an animal you kill a future brother and sister! Much of mankind nowadays have been ANIMALS themselves not too long ago [MAMMAL animals]. Look into their faces, and you can often see the line [of animal evolution] they evolved from. But WE ALL COME FROM HEAVENLY MAN. Even a STONE, oh Lanoo, is in essence the reflection of a MONAD or HEAVENLY MAN. AUM to PARABRAHMAN, being beyond ANY [also BRAHMAN'S] comprehension.

Shall we EVER know PARABRAHMAN, oh MAHACHOHAN?

- AUM, oh Lanoo...

compared to "SEVEN ETERNITIES" of 311,040,000,000,000 years.

Important: Those in whom the Manasa putras incarnated immediately became Buddhas and Christs or other great Leaders of mankind. AUM.

Another cause for the androgynes to develop bones and traces of brain inside their [protoplasmic] physical bodies, was the changing aetheric conditions, which we call now "gravity". Earth is plus, and its creatures are minus. Earth and its creatures are an ATOM. AUM

When earth and its creatures attracted each other more and more, the androgynes had to stabilize their gelatinous structure, in order to keep the body erect so that the center of consciousness would stay on top of the vehicle. The androgynes developed two backbones and a brain [on top of it], both built around a central vertical line or center of gravity. Behold, oh Lanoo, the inner structure of the...

* Behold, a SECRET, oh LANOO. The Androgyne SWEATBOEN were made of WHITE BLOOD CELLS. In other words: We [as androgyne race] were made of WHITE [greyish-white] BLOOD CELLS. These blood cells have survived in our physical bodies until today. The WHITE BLOOD CELLS of today are the SAME stuff our physical ancestors were made of [90 million years ago].

TRANSPARENT VIEW OF ANDROGYNE TWO SPINED MAN MORE THAN 60.000.000 years ago. This is only ONE variation of androgyneous human life form. There were almost endless many. Height: about 100 feet. This prototype has 140 joints.

MĀNASAPUTRA OR SATURN ANGEL ENDOWS ANDROGYNES WITH MIND [Their Mānasa putras belong to the 2nd class].

* Mānasa putra, or one of the host of Angels. It was not always one Mānasa putra for every creature. Oh Lahoo, Mind or MANAS is created of MONAD. EVERY THING IS MONAD. You could call those who gave mind also: REMAINING NIRVAṆEES, from preceding Mahā-Mouvanatavas [semi-esoteric key], or also 'FLAME', devoid of the CREATIVE FIRE, meaning here the FIRE OF PASSION, which is in the possession of the BAKHISHAD or LUNAR ANCESTORS [PITR].

This is anticipated by the formation of the UPĀDHI or VEHICLE for MIND in the human androgyne brain, more than 60,000,000 years ago. And it is this vehicle of MIND, which we now call [or what DEGENERATED into] the Hypophysis CEREBRI, or PINEAL GLAND, of which science thinks that it has NO FUNCTION. If they could only see these [though atrophied] glands in action. For instance in an enlightened being, when the FIRE OF MANAS, carried by the PINEAL GLAND touches the UPĀDHI, or body, or base, of BUDDHI, which is the PITUITARY GLAND, you become enlightened. AUM. The reason why the anatomists nowadays can say [and know] nothing about the structure of the brain and its glands etc, is, because they mostly deal with dead matter and corpses. But after death the BRAIN decays FASTER than any other organ or body tissue in the human body. What was before filled with pulsating life, disintegrates within minutes after exit. The brain mass intermingles, and on exact analysis is made IMPOSSIBLE. TRUTH IS, or FACT IS: THE PINEAL GLAND IS NOT AT ALL a USELESS organ or gland. When KUNDALE-NĪ rises, there is an IGNITION from MANAS to BUDDHI, or from the PINEAL to the PITUITARY GLAND, and you attain ALL KNOWLEDGE. Activity of the glands, especially the pineal and

Skeleton of an ANDROGYNE MAN more than 60,000,000 years ago. [140 joints].

Why TEN fingers on each hand and ten toes on each foot, oh MAHĀCHOHAN? - Because 10 is the perfect number, oh Lahoo, and ANDROGYNE the perfect state of being. Behold ONE key to the mystery: BRAHMAN, the point in the circle fructifies the line and turns into a DIAMETER. But STILL BRAHMAN IS UN-MANIFESTED.

* These androgyne, who had THE SPARK [Mind] in them developed fast [throughout about 100,000 years] their inner organs, lower

structures and BRAIN. ** King James version, Gen. 27. "Male and female created he THEM [at ONCE or IN ONE]. By THEM the race of the Androgyne Adams was meant."

Now remove the diameter from the CIRCLE [number from NO-NUMBER], so: . Turn the removed diameter into an erect [the man] position, in front of the circle  and you have TEN, which is BRAHMAN in manifestation, or THE UNIVERSE. The universe is 10, and the universe is MAN in miniature. Therefore MAN is TEN, and TEN is MAN [ANDROGYNE MAN]. Now 10 is THE WOMAN. [ten openings in her body].

- If ANDROGYNE is the PERFECT FORM, oh MAHACHOHAN, why then [later] separation of SEXES?
 - Because HARMONY, or EQUILIBRIUM, without consciousness, creates SELFISHNESS and AMBITION, oh LANOO. The ANDROGYNES only thought of SELF, even those, in whom THE SOUL OF MIND had INCARNATED [too late]. They themselves [and the SPURNING, or REBELLING, angels] had caused SEPARATION. They ASKED for it, asked for the experience of turning from a FALLEN ANGEL into a SELF-CONSCIOUS GOD.

- Is a YOGI, who meditates alone in the mountains, selfish, oh MAHACHOHAN?
 - No, oh LANOO, he pours LOVE from above into millions of souls...

• EVEN if he is "just" a PACHKA or PRATYKA.
 • and eventually into BRAHMAN ITSELF
 • although all numbers from 1 are also numbers from NO-NUMBER.

For over 48 million years, from the second half of the PRIMARY EPOCH [coal, permian] until the first half of the SECONDARY EPOCH [Triassic, Jurassic] an almost infinite amount of variations of life forms evolved, spiritually motivated and guided by stone-plant-animal AND human MONADS. All forms were androgyne. We are heading towards the BEGINNING of the THIRD RACE. Behold, oh LANOO, some of the million different life forms in the androgyne animal kingdom.

189

* Since the races overlap each other, some species of the 3rd [androgyne] race had already appeared, it is very difficult to talk about an exact "beginning" or "end". Nature never works in leaps...

 Or: They are PROTOTYPES, dwelling in the EARTH'S ASTRAL PLANE, oh LANOO. Once touched by the MAND, they [the astral prototypes] materialize. Be aware of those astral forms, materializing, untouched by the SPIRIT, lest you become the victim and prey of BLACK MAGIC.

Astral and Semi-astral remains of plants and animals form later the organic rocks and stones. But they shall become the relics of subsequent evolutions. -376a-

THE BOOK OF LIGHT is not the only scripture to reveal the fact that mankind was first Astral, then Sweat-born, then Egg-born, etc.. Here now some other scriptures corroborating the teachings from THE BOOK OF LIGHT.

THE FIRST ROOT-RACE.

The first Root-Race is already mentioned, veiled in a Cosmic allegory, in the PURANAS, or better in the VISHNU-PURANA, Book III, chap. 2, where Sanjñā, the daughter of Viswakarma, gave her astral body or chaya and then repaired to the jungle. Remember that the first race was first astral, multiplying through sexless procreation, having been coaxed out from the bodies of the pitris. In another Hindu scripture the nymph Pram-lochā seduces the sage KANDU. He curses her, she flees, or flies away, wiping her body's perspiration with the leaves of the trees. Then the child she had conceived by KANDU is born through THE PORES OF HER SKIN, which hints clearly at the SWEAT-BORN RACE, mentioned in THE BOOK OF LIGHT as THE SECOND ROOT-RACE.

THE LATE SECOND, EARLY THIRD RACE.

The same example can be taken for the early

-376b-

Third Race, since it is too formed from drops of "sweat". These grow, after having undergone many changes into HUMAN BODIES. See that process repeated even today [20th cent.] when the human foetus grows from an imperceptible germ into a child to then become a fully grown human being.

THE ANDROGYNES

Aristophanes mentions the androgynous or hermaphroditic race already in Plato's BANQUET as "having the back and sides as in a CIRCLE" whose "manner of running was circular... terrible in force and strength and with prodigious ambition."

The Madagascans teach that the first man lived first without eating, but when he began to eat and to digest a swelling grew at his leg, and a female appeared. This "fairy tale" makes sense when read, like the story about Zeus, with the Esoteric key.

As a matter of fact, all ancient legends and scriptures of ALL nations and cultures teach [veiled] Anthropology and Cosmology as now revealed in THE BOOK OF LIGHT. AUM.

-377-

The [constantly descending] MONADS subdued other animals and creeping things. Androgyny we man too obtained almost endless many variations of form. Some of the ground-creeping creatures got wings. Those with long necks developed from water-animals who found able to exist on land and in water.

-378-

Many pralayas occurred until the SEPARATION OF SEXES.

- Is PRALAYA annihilation, oh MAHACHOHAN?

- PRALAYA is NOT annihilation, oh LANOO. EVERYTHING is CONSCIOUSNESS, but on DIFFERENT planes. PRALAYA is STATUS QUO, or a PERIOD OF DISSOLUTION. There is pralaya for STONE, PLANT, ANIMAL, MAN, PLANET, SOUL, SPIRIT and EVEN FOR BRAHMAN. ALL THINGS have to be at rest for a certain period of time, to be REAWAKENED, when the hour strikes again. REST is PRALAYA, activity is during MANVANTAVA. AUM. Or: SLEEP is PRALAYA for your PHYSICAL BODY, but not for your ASTRAL BODY. PRALAYA for the ASTRAL comes AFTER "death" and [astral + material] purgatory. A UNIVERSAL FLOOD is PRALAYA for all life on land. There are MINOR and MAJOR pralayas, oh LANOO, when a planet is renewed [destroyed] by water and [or] fire, it [the planet] is in PRALAYA. After that the LIFE FORMS REAWAKE out of their STATUS QUO. Where does LIFE reawake from? And where is it stored during PRALAYA? IN AKASA, and OUT of AKASA the astral lifeforms shall MANIFEST again, when the PLANETARY PRALAYA is...

-379-

... over. Our planet earth has been destroyed twice by [cosmic] fire and by water. And in between these pralayas are many minor [and] CONTINENTAL pralayas: old continents submerge under the waters, new ones arise, ready to receive new life forms...

And here is wisdom and knowledge.

THE SINKING AND RISING OF CONTINENTS UNDER, AND OUT OF, THE WATERS IS THE EARTH'S WAY OF BREATHING. AUM.

There are [unavoidable] cycles of destruction, oh LANOO. They are not caused by any immoral behavior of mankind but by THE LAW. AUM.

Pralaya is there to destroy old forms and evolve new ones, so that the IMMORTAL SPIRIT may have consciousness on ALL levels. AUM to SIVA, the beneficent destroyer. AUM!

- withhold the [exact] periods of pralaya [cosmic AND caused by immoral behavior] from the profane, oh LANOO. They might misuse that knowledge to justify their
