 Fools that they are, causing such karma
 to their spirits! After a pralaya there will
 be a new mauvautava [period of acti-
 vity], and then EVERY BODY [spirit-souls]
 will have to outlive the causes created PRIOR
 to the pralaya. There is fear, that our planet
 could be destroyed by an atomic war.
 This is nonsense. This planet cannot
 be destroyed* because it is an ENERGY
 CENTER and energy is **INDestructible**
 as we know. In case of an atomic war
 the EARTH would turn into a ball of fire,
 but an energy center it would still be ro-
 tating in and around LAYA [a former
 "black hole"]. A few millions of years
 later Earth would attain again solid
 structure. The monads [spirit-souls]
 would descend again and would have
 to outlive [in newly built forms out
 of the earth's **ASTRAL PLANE**] every tiny
 little bit of whatever caused this "artificial"
 and if NOT our **ASTRAL MONADS** would descend
 on OTHER globes and outlive their KARMA THERE!

**MORE PROOF FOR THE FACT, THAT MAN ALREADY
 EXISTED 18,000,000 YEARS AGO AND WAS THE CON-
 TEMPORARY OF GIGANTIC REPTILES, WHICH CEASED
 TO EXIST WITH THE BULK OF THE THIRD HOOT RACE.**

There are extinct species of animals, which have
 disappeared MILLIONS OF YEARS AGO from the
 face of the earth. Then how come we find
 these same species, described in detail
 by nations, whose civilizations have begun ac-
 cording to SCIENCE, just a FEW THOUSAND YEARS
 AGO? The answer is, that THE ANCESTORS of
 these nations were **CONTEMPORARIES** of these
 gigantic reptiles, and they handed down their
 descriptions from GENERATION TO GENER-
 ATION, which indicates, that MAN appeared
 on this planet even LONG BEFORE the TERTIARY
 EPOCH and NOT, as Science claims, during the
 MIDPOINT or so.

That "the fall" of mankind into SEXUAL GENE-
 RATION, or into ADAM and EVE, happened
 during MESOZOIC, or THE AGE OF THE REP-
 TILES, is proven even in THE ZOHAR, the
 old ZOROASTRIAN MSS. [Aschmogh] and in
 old Chinese and Japanese drawings, where
 THE FALL happened IN THE PRESENCE OF THE
 SERPENT. THE BIBLE has it:
ADAM and EVE were tempted by the SERPENT
 * that is how they called THE HUGE SERPENT.

For a better understanding of the Situation about 18,000,000 years ago I quote Blavatsky, page 157, Secret Doctrine, Anthropogenesis. "It must be noted that, though the astral and physical planes of matter ran parallel with one another even in the earliest geological ages, yet they were not in the same phases of manifestation in which they are now. The Earth did not reach its present grade of density till 18,000,000 years ago. Since then BOTH the physical and astral planes have become grosser."

That is, by the way, in no contradiction to the statement on page 382 Book of Light that "From now on [18,000,000 years ago] Earth and we experience DISINTEGRATION and ETHEREALIZATION of its grossest elements, or: INCREASE OF RADIOACTIVITY."

THE COMPLETION OF THE ETHERIC BODY,
CAUSING THE COMPLETION OF THE CIRCULATORY
SYSTEM OF THE PHYSICAL BODY [blood, lymph
etc.] AND ALL INNER AND OUTER ORGANS.

The circulatory system and the inner organs of the body appeared because of Svabhāvat, or THE ESSENCE, contained in the corresponding monads. But there are primary and secondary causes. Each power of evolution has its matrix or plan and then its corresponding manifestation.

The job of the Etheric Body is, to vitalize and energize the physical body. The etheric body is made of lines of force and light. It is a web of energy-streams. The life energy, or Prāna, flows along the lines of the web.

This flowing power-lines manifested themselves less than eighteen million years ago as THE CIRCULATORY SYSTEM in the physical body, after separation into male and female. Prior to that the human organism was but a jelly-fish-like soft structure with no inner organs. As the Etheric web or etheric body developed more and more around, and

-386 d-

together with, the physical, the etheric lines of flowing energy caused [through repercussion] the appearance of channels for blood. Following the etheric current, the blood flows through the arteries, veins, and capillaries of the circulatory system. Or: The blood flows, because PRĀNA flows along the lines of the web of the Etheric body. And wherever these lines cross, they create, what Acupuncture calls, a MERIDIAN or a CHAKRA. There are hundreds of Chakras covering our Etheric AND physical body. AUM. But the Etheric web does not only cause our circulatory system, and the blood to flow. The Etheric, or Prāna, body is also responsible [besides Svabhāvat] for the complete appearance of the FINAL structure of the physical body, included all its inner and outer organs. On the next page we can see the different steps of etheric-physical evolution and how these two bodies, the etheric and the physical, influenced [and influence] each other. That process, following the Law of Analogy, can

* which is also the reason why the Astral-body is in a constant current-like motion around the physical.

be compared to the cosmic event described on page 231, vol. 1, The Book of Light, revealing to us "The secret of the formation of land and sea on our planet." The illustrations show the different steps of etheric-physical evolution and how these two bodies, the etheric and the physical, influenced [and influence] each other. [physical body always in transparent view].

Step One. Etheric and physical body still undeveloped.

-386 f-

Step II. The Etheric Web [Energy lines of the Etheric Body] attains more definite structure. The physical body's astro-pudding-like substance follows slowly, showing first traces of inner organs and circulatory system.

-386 g-

Step III. The structure of the Etheric Web is completed and the physical body follows and copies and manifests this structure by building inner and outer organs and the circulatory system. This happened about 17 million years ago. But it was, and is, an ongoing process.

From now on [20th century] the Etheric Web changes its structure, causing increasing Radio-activity, and a refining of our physical bodies until luminosity is reached. In other words: We all shall soon [in millions and also billions of years] be centres of PURE LIGHT again...

THE SPIRITUAL ROOT OF SPEECH AND SCRIPT. Speech and script ITSELF were developed about 2000,000 years later. AUM.]

SPEECH and its SYMBOLS, taught by the angels to those of the THIRD RACE in whom the SATURN ANGELS had incarnated. IMMEDIATELY.

The astrogen THIRD was in its half-yuga. Once again the cycle was closing. We are at the twilight of a new period of dissolution. Those of the [twospined] astrogyens of the THIRD race, endowed with mind, foresaw the problems awaiting the future races [and their own]. They did not want to be without guidance. Therefore they asked the angels to give them knowledge, so that they would be able to pass on the TRUTH to the worthy ones...

Some of the HIGHEST SOLAR-DEVAS descended and presented to evolved THIRD-RACE Astrogyens a TOOL to record their thoughts and knowledge acquired in contemplative meditation. They [the DEVAS] gave them ... SYMBOLS. How did they do this? They materialized [out of AKASA] a...

Later called MANUANS. who had, due to KARMA, NOT yet separated into male and female. But they incarnated in pairs. They had reached during previous cycles of incarnation that state of intellect which enabled them to become independent and self-conscious. This is the state of mother-childhood.

311.040.000.000.000 terrestrial years. THIS is, oh Lanoo, THE TREE OF LIFE or of KNOWLEDGE, of whose fruits the INITIATES tasted (and some of them later survived). You will find the sacred characters [symbols] even under the bark of this TREE. IT [the tree] survives until today. IT is unique and can not be multiplied by cutting. AUM, AUM. But the angels did move. They taught the MANUSHIS of the THIRD RACE the MANTRA or the THINKING of the symbol and its significance, so that it would BECOME a MANTRA or WORD OF POWER. After that, they [the DEVAS] even taught them, to PRONOUNCE the sacred letters, hidden in the envelope leaves and under the bark of KOUN-BOUM.

Then the angels pointed at the TREE and at THEMSELVES, uttering

SAN SAR

and the holy androgynes of THE THIRD RACE understood, because they KNOW that the angels were SOLAR-DEVAS, consequently SANSAR was

the language AND script of the SOLAR-DEVAS, or, more precise, the DEVAS, when materialized, would use from now on SANSAR as communication between them and "man" in word AND script.

That is, oh Lanoo, why SANSAR [later SENZAR] means "the language of the Sun", because it was presented to [3rd race] mankind by the angels of the SUN, or SUNDEVAS.

The sacred letters [on the leaves] could only be seen by the priest of the priest. For a "normal" being there were [and are] no letters, just leaves with nothing on [in] them.

Reveal to me now these sacred letters, oh MAHACHOHAN!

second key.

Those INITIATES, who tried to write the letters down, died immediately, like they were hit by a SUPER LASER. After more than 100,000 years the ANGUS made a pact with some of the FOREST of the INITIATES. They allowed them to meditate over each of the symbols, hidden in the leaves and THEN to draw a sign on their OWN, as a manifestation of this knowledge, received through meditation. But this sign had nothing to do with the ORIGINAL contained in the LEAVES. This was the BIRTH OF SANSAR, or SENZAR, which is nothing else but transformed INTERPRETATION, received by meditation about the symbols in the LEAVES and then drawing the result of this meditation in their OWN signs. Or: The SENZAR letters, written down by INITIATES* about 17,000,000 years ago are not only completely unknown [by the profanes of] today, but have also nothing to do with the REAL signs, contained in the leaves of THE TREE OF KNOWLEDGE. Thus, on LANCEO, was created the ORIGINAL BOOK OF DRYAN which is* knowledge achieved by spiritual meditation, as they called it later,

At the moment, when they decide to unite SEXUALLY* they become

CAIN AND ABEL.

The first blood between CAIN and ABEL is MENSTRUAL BLOOD, flowing when CAIN breaks through ABEL. And the RACE THEY THUS BRING FORTH IS called SETH. And the race brought forth by SETH is called ENOCH. Oh Laoog, millions of ADAMS and EVES create sexually millions of CAINS and ABELS. And millions of CAINS and ABELS create millions of SETHS and millions of SETHS create millions of ENOCHS. And this is the secret of the 4 fold lower TETRAGRAMMATON, A.M.

* because there were many other methods of procreation or multiplication in those days.

EXPLANATION.

In GENESIS it says: "Male and Female he created them, ... and CALLED THEIR NAME ADAM." THEIR name NOT HIS name, which indicates and proves, that the FIRST MANKIND WAS ANDROGYNE. CAIN and ABEL are, or were, NOT brothers, but ADAM and EVE, ready to UNITE SEXUALLY. The name ABEL derived from CHEBEL, which means PAIN OF BIRTH. When ADAM had SEX WITH EVE, or CAIN shed ABEL'S BLOOD, or better CAUSED IT by breaking through her VIRGINITY, the "First Man", or the FIRST RESULT AFTER THE FALL was born, and THAT FIRST MAN OR RACE of FIRST MEN was called, or is called NOW, SETH. SETH IS THE LATER THIRD RACE AFTER SEPARATION OF SEXES* and AFTER HAVING SEXUALLY UNITED. That secret is now revealed. WHY DO THEY USE THE MISINTERPRETATION OF CAIN, slaughtering ABEL? First of all: It was never posed on this way, but SYMBOLICALLY, because the INITIATES were concerned that the PROFANES would MISUSE ANCIENT WISDOM AND KNOWLEDGE, so they "INVENTED" FAIRYTALES, thus being sure, that the FAIRYTALE WOULD SURVIVE UNTOUCHED. IT WAS THEIR DECISION, AND IT SHALL USE THEIR CANO OUK] KARMA.

* or CHEBEL'S BLOOD.

** and God knows, they did!

** From now on the symbol for EARTH shall be  [Earth] and

Everything that has been written until now in THE BOOK OF LIGHT [concerning the Fourth Round] is corroborated in GENESIS, under the mask, or scope, of the name JEHOVAH. One name - different meanings. For instance: In the last verse of chapter IX JEHOVAH is transformed into mankind, male and female, which is why they called him JAH - VEH. Here now the esoteric key: Verse 26, 4th chap. of Genesis is correctly translated, but [intentionally] not correctly explained. "Then men began to call themselves JEHOVAH" means esoterically "Then men began to call themselves JAH and HOVAH [because JAH + HOVAH equals JEHOVAH, i. key]. But how JAH and HOVAH and why JAH and HOVAH? Because JAH is MALE and HOVAH is FEMALE, or our race about 18,000,000 years ago. Thus verse 26, 4th chapter GENESIS is about 18,000,000 years old and reads, correctly [esoterically translated]: "Then men began to call themselves male

* Because it would reveal the true nature [and age] of man and the universe; and then a small tribe [the Hebrews] couldn't claim anymore to be the oldest nation on earth and their [tribal] God the one and only God after separation of the sexes.

and female [or ADAM and EVE, etc.]". Which leads us directly to the TRUE explanation of who SATAN is. Satan is JAH-HOVAH, or mankind itself. Satan is WE, but not as a devil, as the church wants to make us believe it. Because it is as Blavatsky declares: "THERE IS NO DEVIL, NO EVIL, OUTSIDE MANKIND TO PRODUCE A DEVIL." Oh Laoog, there is no light without darkness, and no darkness without light. Another esoteric corroboration of mankind having been first androgynous and THEN separated in man and woman is chapter 4 of Genesis where Jehovah-Cain is the male part of ADAM, when ADAM WAS MALE-FEMALE IN ONE. Then Adam [male-female] separated himself from Eve, creating in her ABEL, then shedding the virgin blood, etc. as defined on page 398c, Book of Light. As to Jehovah, there are many meanings of his true nature, as there are many points. Jehovah is another way of writing it. There are only THREE SCRIPTURES revealing the true nature of Jehovah. I. THE SECRET DOCTRINE II. THE BOOK OF LIGHT III. "SOURCE OF MEASURES, the Hebrew Egyptian Mystery." * See Book of LIGHT, vol. I, p. 141.

-399-

This has to be explained further, because some might ask: why do millions of Adams and Eves not produce BILLIONS of human beings up to the population of today? They did and do. But the first four steps from the race of the Adams + Eves to the race of ENOCH are so closely linked together and happen in such a relative short time period, that an increase of population to the billions then did not occur. For example let us take 10 couples of Adams and Eves about 18,000,000 years ago after separation of the sexes into male and female. These ten couples represent the race of ADAM + EVE. When they decide to unite sexually, that decision alone turns them into the race of CAIN + ABEL, Cain for Adam and Abel for Eve. Then Cain and Abel have sex, creating ten or twenty or more human beings male and female. This offspring is the race SETH. The babes of the SETH RACE grow, mature, and unite sexually. That offspring is the race out of millions. *** the ten couples

ENOCH. We see here clearly that the first 4 steps from ADAM + EVE to CAIN + ABEL to SETH to ENOCH require the relatively short time period of maybe 10,000-20,000 years, which is not long at all because the lifetime of the individual creature was then 1000 years and more. Thus we all derived astrally from the ASTRAL RACES, physically from millions of ADAMS + EVES, but in our final physical structure of today as Men and Women we are the remote offspring from the race of ENOCH.

THE SECRET OF LAVA

GRANITE is composed of crystals, sandstones, of grains of various stones. where does SANDSTONE come from? The grains of sandstones do not only come from various stones, but also from the remains of once living plants and animals of evolutions, LATER than the PRIMORDIAL. What about LAVA? Behold, a secret: LAVA has not much to do with a composition of earth, water and fire, or is not at all just a melted rock. LAVA was there, even BEFORE the earth cooled off, BILLIONS of YEARS AGO. LAVA is a manifestation of AKASHA, or also of the 6th principle, or the ONE ELEMENT. In other words: LAVA is in its ROOT ELEMENT older than this planet earth itself, it is COSMIC MATTER, gathered together into the EARTH'S CENTER for exactly the purpose of being, or BUILDING, the Earth's liquid-fire, core. LAVA in its visible ONE ELEMENTAL root is as old as the UNIVERSE and in its physical manifestation it derives from a substance, or COSMIC ESSENCE, being OVER 100,000,000,000 - [ONE HUNDRED BILLION] YEARS OLD. LAVA is as old AS THE SUN in its FIRST APPEARANCE and IS SUNSTUFF. A trained SEER and, FOR SURE, a MASTER can see in LAVA the AKASHA - records of what happened since the BE GINNING, or BETTER REAWAKENING OF THIS UNIVERSE UNTIL NOW.

A GRAIN OF SAND

Until today SCIENCE DOES NOT KNOW, what SAND is, nor would any computer be able to count the SAND grains of just one mile length of Santa Monica beach. As to the analysis of a little grain of sand: SCIENCE did not even TOUCH its true nature. A SAND GRAIN belongs to the LOWEST encasements of a SPIRIT, after having gone through THREE ELEMENTAL KEN OOMS. A grain of sand is a HUMAN BODY in its LOWEST cosmo-physics evolutionary state. A grain of sand is MAN in its SPIRIT aspect, on the DOWNWARD arc of SPIRIT falling into MATTER. It is crystallized SPIRIT or ATMA with nothing else, NO BUDDH, NO MANAS, NO KAMA RUPA, NO LINGA SARINA, NO pran, but a STHULA SARINA or, indeed, physical body. A grain of sand is the ULTIMATE presentation and MANIFESTATION and CRYSTALLIZATION of a SPIRIT or ATMA [even without maybe the SECOND principle] on its downward path, descending into matter. Behold, behold, THE MYSTERY of THE LIFETIME of a grain of sand! How did it a grain of sand? I said, that a grain of sand...

For THE FIRST TIME on this EARTH CHAIN, we should add. Or physical ** or better: all of these principles are SLUMBERING.

is the PERFECT manifestation of SPIRIT, for the first time plunging into the MINERAL REALM, or on its DOWNWARD ARC. And since the SPIRIT, in its HIGHER aspect ATMA, lasts for one round, the GRAIN OF SAND lasts on this earth for 617,000,000 years and a bit longer. During that time it [the grain of sand] shall CHANGE its structure, but it shall ALWAYS be the manifestation of ONE and THE SAME MONAD, throughout that whole MANVANTARA, or ONE ROUND, or over 617,000,000 years.

THE MONAD in or of this GRAIN OF SAND shall descend into NEW MANVANTARA [OR ROUND] ONE KINGDOM HEREIN, namely into the vegetable kingdom, where the MONAD, which crystallized before as a grain of sand, surrounds itself now with the consciousness of a vegetable and manifesting that consciousness, consequently becomes that vegetable, having now a much SHORTER lifetime than BEFORE, because now the MONAD is not only ATMA-BUDDH, but shows work of its SEVEN aspects certain awareness of time etc.]. After a period in the vegetable kingdom the monad casts off the vegetable structure and ascends one step higher into the ANIMAL KINGDOM, now with the experiences of MINERAL and PLANT. Therefore EVERY animal KNOWS, how it is, or was, to be a STONE and a PLANT. But the MONAD PASSES her UPWARD, casts off the animal after a

certain period of years and ascends to the HUMAN KINGDOM.

Now the MONAD surrounds itself with a HUMAN BODY. Therefore: WE ALL KNOW, or KNEW, how it is, or WAS, to be a STONE, PLANT and ANIMAL, and because we not only KNOW how this is, we also still ARE a stone, plant and animal, and eventually MAN. We repeat this process during the first nine months of our lives. WHO does this to our body? The MONAD does this, because it is [THE MONAD] REMEMBERING ALL THESE STATES OF CONSCIOUSNESS [STONE, PLANT, ANIMAL, MAN] and sharing and REPEATING them in the FEMALE WOMB. S3:

THE SUN and LIGHT.

It cannot be repeated often enough: LIGHT and THE SUN do not exist as we perceive them, they are INVISIBLE, because they are BOTH but electromagnetic powers. If that is so, why then do we SEE Light and THE SUN? Because of the OBJECTS they reflect on. THAT reflection causes ILLUMINATION. In other words: No objects, no visible LIGHT. Which explains why, for instance, the sky is BLUE. Because SUNLIGHT (which is INVISIBLE) reflects on the EARTH'S atmosphere and from THERE onto the EYE'S RETINA, creating the sensation: BLUE. No atmosphere, no colour, which is why, for instance, on MERCURY DAY and NIGHT have a DARK SKY. But standing on MERCURY you could still see THE SUN SHINING, in spite of THE DARK SKY during the Mercury day. Why? Because that electromagnetic power called by us SUNLIGHT still interacts, or reflects, on something. That something is the atmosphere of MERCURY. But Mercury has no atmosphere! Not of AIR as a mixture of gases [nitrogen, oxygen, hydrogen etc.] but it still has as EVERY globe an "atmosphere".

* On lands you shall NEVER see the things as they ARE. You only see the light which REFLECTS from them to you (your actual) PROOF: A stick under water SEEMS SHORTER, because the light which is REFLECTED from the stick is BROKEN in the WATER.

-404a₁-

of electromagnetic METEORIC DUST, and it is with THIS ATMOSPHERE that sunlight interacts and THAT is, why we STILL can see THE SUN, when standing on MERCURY or any other planet without GASEOUS atmosphere. Oh LAOOU, LIGHT OF ITSELF is INVISIBLE, but it makes things visible through reflection or ILLUMINATION. For CORRECT ESOTERIC DEFINITION LIGHT is ELECTROMAGNETIC RADIATION from an ELECTROMAGNETIC POWERCENTER called by us THE SUN. In other words: If YOU and THE SUN would be the only two things in the Universe THE SUN would BE INVISIBLE and there would be only DARKNESS. As to THE SUN: The Sun is NOT a ball of FIRE but a center of ELECTROMAGNETIC POWER, or: A HUGE MAGNET. But BEHIND that Electromagnetic Centre dwells THE TRUE SUN. This TRUE SUN is an ENERGYCENTER of the size of a

-AGAIN I ASK, OH MAHACHOHAN: Why Separation of THE SEXES?? Isn't ONE the state of BLISS?
 -Since PARABRAHMAN and its SAKTI MULAPRAKRTI everything has its hidden and its revealed side. AUM. They [PB and MP] are TWO and yet ONE. BUT THE ANGELS FAILED several times, and TWO IN ONE [OR THE ANDROGYNES] just created AM-BITION and SELFISHNESS, because they were [still] devoid of MIND. BUT BLISS has to be lavished upon OTHERS! UNITY has to be re-created down here. THEREFORE UNITY WAS TRANSFORMED THROUGH SEPARATION OF THE SEXES INTO DUALITY, IN ORDER TO CREATE THE DESIRE TO BE ONE AGAIN. AUM. AND: THE ONE IS THE ONE ONLY "UP THERE". DOWN HERE IT IS THE MANY. THAT ONE CREATES THE URGE TO BE ONE AGAIN.
 -But, OH MAHACHOHAN, isn't THE ONE also UP THERE THE MANY, since he CONTAINS THE MANY? [like the seed in the LOTUS...]
 -Yes, OH LANOO, but UP THERE the MANY are UNITED IN THE ONE, and THEREFORE they [THE MANY] are ONE AGAIN, while DOWN HERE they LEFT THE ONE and are "SEPARATED" not only from THE ONE but also from THEMSELVES and thus again [at each REAWAKENING] be-
 -even a PRATYEKA BUDDHA has to learn that...

COME THE MANY. AND THEN the ANDROGYNES SEPARATE INTO MALE FEMALE, as the xst of nature does. Why the xst of NATURE AS WELL? Because, OH LANOO, EVERYTHING-stone, plant, animal, COMES FROM MAN [when MAN was but an ETHER-ASTRAL SHADOW]. BUT DUALITY ITSELF was CAUSED by BRAHMA, which IS IN ITSELF LATENT male-female. ANIMALS SEPARATED. HOW DOES ANDROGYNE MAN SEPARATE? It happens [like with androgyne mammals in their wombos] in THE HUGE EGGS of ANDROGYNE MAN. Thus: THE SPIRIT [moved] WITHHOLDS ONE aspect of its DUALITY, which results in an either MALE OR [and] FEMALE structure. BUT BEHOLD, OH LANOO, male and female were not yet structured as they are NOW. They ATTAINED their genders by behaving, or acting, ACCORDING to their male or [and] female nature. Let us analyze THE PRINCIPLES MALE and FEMALE from the point of view of PARABRAHMAN. AUM, AUM. PARABRAHMAN... that which REFLECTS; MULAPRAKRTI RECEIVES [in COSMIC VIRGINITY] the reflection. Although both are always there it is PARABRAHMAN, which reveals "itself" as MULAPRAKRTI to BRAHMAN neuter. Let go, OH LANOO... in reality, OH THE "VIRGIN" may never existed. IT WAS just a COSMIC SYMBOL for a SCIENTIFIC FACT. with exceptions.

Lanoo, there is nothing but SPIRIT, but in different degrees of manifestation.
 You are GURU, OH LANOO. Those who listen to your words in patience and read THE BOOK OF LIGHT shall understand.
 THE animals, having separated first, begin to breed.
 The (now separated) men FEEL the urge for UNITY. They unite in various ways. Those who received the full [MIND] power united and bred by SIGHT

224

A GLANCE at each other was sufficient to create, or CAUSE, new life. This method of intercourse happened mostly between male-female having emanated from ONE androgyne in DIFFERENT eggs.
 Then actually, or LITERALLY, ONE half saw its OTHER HALF and a GLANCE, or LOOK, at each other was enough. How can a look at each other create a PHYSICAL reaction?
 Oh Lanoo, there are looks that can kill you in a second...

Behold the method of procreation by touch:

Just by touching the female, the male transforms enough spiritual power into the female womb to trigger new life inside of her. But listen, OH LANOO, new life was not INTENDED to be created by male and female, it just HAPPENED as an UN-EXPECTED result, an effect of the cause which was SIGHT, TOUCH or...
 SOUND.

When they [male + female] realized, that they were only ONE, they uttered a SOUND of desire, the desire to

-415-

UNITE, to be ONE again. The first word uttered on this earth, oh Lanoo, was a word of love. Some MINDLESS [spawned by the Saturnvortex] FEMALES try to contact MALES [with and without MIND]. Their method of breeding is completely different. They just copy the

225

animals.

Behold, oh Lanoo, the MINDLESS. They LONG for each other...

226

227

embracing for almost 24 hours swelling and sucking into each other*

*while those who had retained MIND just THOUGHT their progeny and it emanated out of them. But UNAIDED [or as did TOO LATE] by MIND we HAD to use the method of the BEASTS.

-416-

The male loses all his SPERM material. We could also say, the female SUCKS it out from him with HER whole body, forcing him to SQUIET as well. Through that swelling and sucking into each other the FIRST FORMS OF GENITALS ARE produced. The surface of the male's body is covered with

228

procreative organs [rudimentary form of a penis]

229

The surface of the females with vaginas.

-417-

AFTER they *embrace* the male has lost [squirt] all his SPERM MATERIAL into the female. The male falls back ...

230

...and dies. The female is now filled with LIFE GIVING SPERMS, transforms them inside of her, eggs swell out of her, drop, and new [mindless] life breaks out of the eggs, crawls to the females and sucks new [transformed] SEMEN out of them. THE kind of sucking causes a SPECIAL concentration of energy in the female's body resulting in BREASTS. [More than two.]

Some mindless females try to unite with mindbearing males. The males do not react. Spirit has to unite with SPIRIT on Lanoo, and not below itself. The urge to give [and to RECEIVE] LIFE, is strong in the mindless female, almost stronger than the urge for unity. They even try to suck it out of

-418-

THEIR BABES. Some of them devour their progeny. Aggressive [mindless] females encircle a male. They want his SEMEN...

231

once in the circle the male is helpless. They simultaneously attack the male and suck the semen out of him. He enjoys until he dies. Oh Lanoo, whenever a man is in his LOWEST consciousness, or ANIMAL SOUL, and whenever he sees a WOMAN, he does not mainly want her in order to UNITE, but because his SEMEN is drawn to her. AVM, ONLY if you transform that urge into SPIRIT, TRUE LOVE IS POSSIBLE.

-418a-

Questions and answers about PROCREATION through the method of SEXUAL INTERCOURSE.

- Why didn't we continue to create new Life through sight, touch, sound or simply KRIYĀŚAKTI?
- Because we saw THE BEASTS doing it and, having only received a SPARK from the Mānasa putras, our weak MINDS fell to the METHOD OF THE BEASTS*, which was and is: SEX, or COPULATION.
- Does that mean that SEX between Man and Woman is not normal to our mankind on Globe D?
- Yes. This LEMURIAN and ATLANTIAN KARMA weighs heavily on us...
- What then is AIDS? A message from GOD: Have only Sex for the purpose of creating new Life.
- And if we would not have copied THE BEASTS?
- Then we would NOW [1989] be far more advanced.
- Then Sex is but a passing phase?
- Yes. AUM. SOON [in the SIXTH ROOT RACE] we shall produce our offspring again by WILL and MEDITATION. First UNCONSCIOUSLY, *who separated BEFORE MAN.

-418b-

then CONSCIOUSLY. In a not too far away future we shall remember the time of SEXUAL PROCREATION as the DARKEST chapter in the history of Mankind.

- Will it NOW [1989] be easier than 15-18 million years ago?
- Yes and easier than NINE MILLION years ago, because THAT is the MIDPOINT of the FOURTH ROUND and from THEN ON we are on the ASCENDING ARC, back to THE SPIRIT.
- If SEX was not in the plan of nature, and copied by us from THE BEASTS, why didn't NATURE INTERFERE?
- Because KARMA means also to act on FREE WILL to a GREAT EXTENT. It is not SEX, which brings all the suffering to mankind but the EXCESS of SEX, or the ABUSE of THE SACRED FIRE OF KUNDALINI, for purposes other than PROCREATION.
- How can we become PURE AGAIN?
- Become Spiritual, read THE BOOK OF LIGHT again and again and again...

*Every SEXUAL PASSION that overpowers our Senses is a whirlwind of that Light which seeks to drive us towards the abyss of DEATH [Eliphas Lévi]. Say instead of LIGHT "Elemental Essence" and you shall understand. LO NOO.

-418d-

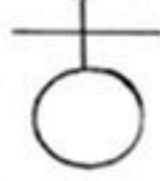

PHYSICAL PROCREATION OR BETTER SEXUAL UNION IS INFLUENCED BY THE PLANET VENUS. But that does not mean that male and female or MAN and WOMAN united [and unite] sexually because of VENUS. The SEXUAL method of procreation was ONLY meant [by divine Law] for the BEASTS. Oh Lanoo, one day you shall attain again immortality by casting off the OLD body and standing in the NEW ONE*. AUM. However, VENUS is a PLANET or GLOBE, SO

The WHITE race [or SARKU] remained pure for a long time...

The Moon spirits erupted emotional [astral] matter towards Saturn, in order to DESTABILIZE him.

And SATURN? How did IT [the angel and its over 20 million hosts] react? SATURN used what it refused to give to the [to be] human races MIND. It [Saturnangel] materialized huge meteorites by the power of "Ichchhâsakti AND Kriyâsakti", also thus creating fiery comets out of Akâsa and threw them at the [other] planetangels. The other [six moonspirits] planetangels responded likewise in attacking with comets, meteorites, cosmic fires, some of them had to use material of their own planets which diminished their substance and limited their power. They could NEVER win over Saturn, because Saturn had a source at its disposal, a source that NEVER ceased to emanate new energy, and that source was [is] mind, MIND which embraces the universe.

But the six planetangels and the MOONSPIRITS continued to attack, and Saturn responded with a wall of defence [rings of ice with gaps in between].

*SECRET DOCTRINE, Vol II, p. 173.

KRIYÂSakti - the mysterious power of thought, which enables it to produce external, perceptible, physical results, by its own inherent energy. The condition, that any idea will manifest itself externally, is that the intention and will is deeply concentrated upon it. Similarly an intense volition will be followed by the desired result.

But the other planetangels and their houses continued to ATTACK, and Saturn had to use its ULTIMATE WEAPON. It did not attack the other houses [planets] any longer, but it MESMERIZED the other planetangels with unlimited power of MIND, which THEY did not possess. IT [Saturn] mesmerized the angels, and they, being thus paralyzed, let go of their houses...

Planets were tumbling [drifting] out of their orbits, almost crashing into each other. The cosmic disaster threatened to destroy the whole Solar system, INCLUDING Saturn. That was, when Saturn gave up. The planetangels "awakened", regained control over their houses and immediately attacked SATURN. Oh Mahâchohan, I understand Saturn. Mind sweet mind - how I enjoy it, when undisturbed by emotion or desire.

SATURN let go, and over 20 million hostangels [souls of MIND] were thrown down to earth and incarnated in all human beings and [or] in their offspring. But SATURN now also followed the divine pressure of THE LAW, dwelling in BRAHMA, the HIGHER SELF of our SOLAR SYSTEM.

Oh Lawoo, THIS is the truth about the fallen angels. They fell, because they were THROWN to earth. THIS is the truth about the WAR IN HEAVEN. We all [mankind] are the fallen angels.

*with some exceptions, who became ancestors of what we would call now STONE AGE or NEANDERTHAL MAN, though NOT ALL STONE AGE men ARE STONE AGE men... (Book of Oshun, Anthrop. II 34. Let us dwell in the OTHER...)

destined to incarnate again and again, until we have regained COMPLETE CONTROL over our vehicles [physical-astral-mental body]. But in the end MIND [drifting towards SPIRIT] will always be the winner.

Since that confrontation between SATURN and the other planets, SATURN has been thrown to the outer limits of the solar system, where it [Saturn] holds position until today, being in a state of constant defense, which causes him to maintain his rings, to build a mantle of ICE around the center of its house [planet] and maintaining a constant motion of defense, by tilting its house [now every thirty days [in its axis] and presenting alternately South and North pole]. The protecting wall [rings] follows the [defensive] motion.

Behold the TRUTH, oh Lawoo, we are ALL "guilty", Gods as well as a worm. There are no special qualifications for a GOD as well as for a worm. The former has gone through everything, and the latter has yet to go through it all, until he shall become a God [spirit] himself.

Listen to a Fool's prayer, oh Lawoo, born out of ignorance: "May God have mercy with my poor soul." There is NOTHING such as MERCY, oh Lawoo, there is just KARMA. And KARMA is impersonal. It is the MIRROR OF YOUR ACTIONS, OR [Ref]lections. The only possible way to avoid fur-

they suffering and to understand, when it "hits" you, is, live "THE LIFE", and study THE LAW, written in THE BOOK OF LIGHT, AUM.

THE BLUE AND RED FACED RACES

Offering from HUMAN FATHER and SEMI HUMAN MOTHER. They were the ANCESTORS of the LOWER TRIBES OF TODAY [also Australian Savages].

Some of them were RED-HAIRED, SWARTHY MEN, going on all fours, bending and unbending, standing erect and falling on their hands again like their forefathers, and running on their hands like their GIANT-FORE-MOTHERS. Because MAN had begotten ANIMALS in those days, the animals became wild amongst each other [AND AGAINST MAN]. And since plants develop from cast off residues of HUMANS AND ANIMALS, even some PLANTS grew hostile against each other AND AGAINST...

By now all third class Monads had incarnated. They became better the great outrage of mankind, the great bulk of humanity. Oh Lanoo, we are the fallen Angels. FOURTH CLASS Monads incarnate in those who just had switched from the ANIMAL to the HUMAN kingdom. They are the so-called "savages and degenerate races" though not ALL of them. Some are REALLY degenerate and remnants of once great cultures.

235

There was no more peace in nature, oh Lanoo, and all because of man, having acted against THE LAW [but irresponsible, because devoid of MIND]. The "sinful" intercourse between man and animal did not cease immediately, but continued for over a hundred thousand years. Not all progeny out of this connection was terrible to look at. Some of them [male and female] were very beautiful. But they all were destitute of MIND...

* It is this mindless race which is called ADAM in chapter TWO of GENESIS, before he ate the "forbidden" fruit or better: BEFORE HE RECEIVED MIND. THE MINDLESS PHYSICAL Adam was NOT made in the image of GOD, the FIRST Adam, [LOGE: "or Heavenly Man" chap. 1] WAS MADE IN GOD'S IMAGE...

-428a-

About 14,000,000 years ago.
THE ESTABLISHMENT OF HEAVEN
AND HELL AND DEATH.

Heaven and Hell or Devachan and Kāma loka did not exist before the war in "Heaven", because by that term Heaven we mean SPACE and Akāśa, where all Spirits live. But the Heaven and Hell of MANKIND are something entirely different. They are created or better caused solely by MIND and by ACTION INITIATED THROUGH MIND. Furthermore: Heaven and Hell were mainly caused by those who received MIND TOO LATE and consequently by those who GAVE MIND too late. THEN and only then we [or most of us] did things that were either "right" or "wrong", thus causing "Karma" and creating an Energetic Counterpart or Akāśic mirror of these deeds and thoughts and emotions, CONTINUING to be outlived AFTER death in their corresponding Astro Mental planes experienced by us either as Heaven or Hell. That happened for the first time in ESTABLISHED form once ALL from the late 3rd and early 4th Root race had received MIND. THEN they acted consciously, THEN they created Karma and THEN they experienced DEATH, followed by [according to their thoughts, emotions or actions] Heaven or Hell. There was no death before that. Prior to the war in "Heaven" [better: in SPACE] the 3rd Race did not die, but RESURRECTED simply from the old body into

→ The THIRD Adam was the race that had sprouted and received MIND or "eaten from the forbidden fruit..."

-428b-

a new one. It is the PERSONALITY which experiences death, but THE SPIRIT IS UNBORN and consequently cannot die. AUM. Blavatsky explains: "Therefore, as there was no Kāmaloka - least of all Nirvāṇa* or even Devachan [Heaven] - for the "souls" of men who had no personal Egos, there could be no intermediate periods between incarnations. ... "Death came with the complete physical organism, and with it - moral decay."

Oh Lanoo, MIND creates SIN, the body is RESPONSIBLE. From then on the good and bad actions of Man found their counterparts in Astro-Mental realms, causing Heaven and Hell. All that SHINES in you has to be outlived [and enjoyed] in the abode of the DIV or shining or in DEVA CHAN, but all DESIRES have to be purged in THE DESIRE-WORLD or KĀMA-LOKA. Thus our TRUE teachers are HEAVEN and HELL. Oh Lanoo, ONLY The Book of Light can end all suffering for mankind. NEVER BEFORE did such perfection [The Book of Light] evolve from such imperfection [the author]. Glory to wisdom and knowledge. - why, oh Mahachohan, is Devachan a Fool's PARADISE? - Because, oh Lanoo, THE TRUTH IS BEYOND heaven and Hell. Reward and Punishment are still two sides of the SAME coin, called ILLUSION, or MAYA. Become THE SILENT WATCHER, AUM.

* though there IS a Nirvāṇa and also INTER PLANETARY Nirvāṇa for the Manuscript between Rounds, etc.
